## ERNEST WOODS VERY ILL IN HOSPITAL AT GROOM

E. E. Woods was admitted to the hospital at Groom last Friday night, where it was determined he had pneumonia. At the latest report, his condition was described as critical.

## W. W. CAIN UNDERGOES SURGERY IN HOSPITAL AT DALLAS

Mr. and Mrs. Bill Griffin, Mrs. Odie Reagan and Mrs. Cecil Rice drove to Dallas Monday morning to be with Mrs. W. W. Cain as Mr. Cain underwent surgery. They did not arrive in time to talk with Mr. Cain but they remained until he came out of surgery and they report that he was doing as well as could be expected at that time.

He is in the intensive care ward at Baylor Hospital and will be there several days. The local group visited with Mrs. Cain at the home of her daughter, Mrs. John Manry. Also visiting Mrs. Cain was Mrs. W. A. Tarpley. The Tarpleys, former Assembly of God pastor here, now live in Fort Worth. The Quitaque group drove home Tuesday night. Letters and cards to the Cains may be sent c/o John Manry, 10321 Maylee Blvd., Dallas, Tex.

## P-TA MEETS NEXT MONDAY NIGHT

Monday night, January 11, is regular meeting night for P-TA. Mr. Berryhill and his F.F.A. boys will be charge of the program. Everyone is urged to attend.

There will be a drawing for a transistor radio at the close of the program, and refreshments will be served.

## '64 MARKS BEGINNING OF BEEF FUTURES MKT.

College Station - This past year may be remembered by brokers as the year cowboys invaded the trading floor.

The Chicago Mercantile Exchange began a system of beef cattle futures trading this year, and without getting dirty boots or a sunburn, anybody with the money can become a cattle trader.

The biggest users of the new marketing device are expected to be traditional livestockmen - producers, feeders, dealers and slaughterers, according to Ed Uvacek, a Texas A&M University livestock marketing specialist.

"Owning cattle always involves risks of death losses, sickness and price fluctuation," Uvacek said. "Future trading allows some of this risk to be shifted. It minimizes the effects of price changes and guarantees a price level."

The trading unit of the system is 25,000 pounds of USDA Choice grade, live steers in one of two weight ranges. One is 1,000 to 1,150 pound steers that will yield 61 percent of this weight in carcass. The other is 1,151 to 1,300 pound steers that will yield 62 percent.

As in grain trading, a delivery month is specified in the contract. Cattle futures contracts can be made for April, June, August or October delivery to stockyards in Chicago or Omaha.

A commission rate of \$36 is charged by the commodity broker for buying and selling a contract.

November 30 was the first day of cattle futures trading. Uvacek said that trading started with tremendous activity and enthusiasm. At the end of the first week, contracts closed for April at \$23.40 per hundred pounds; June, \$23.65; August, \$24.05, and October, \$24.40.

"Futures are not the answer to all the problems of the beef business," Uvacek said. "They will, however, provide the opportunity for hedging against the severe price fluctuations that are common in the industry."

## 13 AUODAD SHEEP KILLED IN PANHANDLE

San Angelo - Thirteen auodad sheep were killed by trophy-conscious hunters during the December 11, 12 and 13 season in the rugged Palo Duro Canyon southeast of Amarillo, the Parks and Wildlife Department reports.

Wildlife workers reported 2 of the 13 barbary sheep harvested were in the 270 pound class. The three-day hunt was the second ever held in Texas.

In the late '50's, the Texas Parks and Wildlife Department purchased 44 barbary sheep from a New Mexico rancher and released them in the Palo Duro Canyon. Until 1963 these sheep were permitted to reproduce and become firmly established in their new surroundings.

Forty-two hunting permits were distributed in 1963 among Palo Duro Canyon landowners and nine sheep were harvested. This year 50 permits were distributed and with six males and seven females bagged.

Current estimate of the total number of the rare sheep now present in the Palo Duro Canyon is between 400 and 600 head.

It might be added to the above story, which came from the Parks and Wildlife Department, that five of the thirteen sheep reported killed in the Panhandle were taken here in this vicinity and not in the Palo Duro Canyon. Four were bagged on the Theo Geisler ranch north of Quitaque and the other on the Jim Stroup ranch southwest of town.

Murray Wise killed the one on the Jim Stroup property and Joe David Payne, Carl Woods, and State Senator Andy Rogers were among the five reported to have gotten a sheep in the north brakes.

Mr. and Mrs. Eldon Lyles, Don and Melinda, were in Lubbock last Tuesday on business.

Mr. and Mrs. T. J. Reeves of Plainview spent Thursday and Friday of last week with their daughter and family, Mr. and Mrs. Bud Bailey, Charlene and Janet.

Mr. and Mrs. John King, N. L. Bedwell, and Mr. and Mrs. Gus Gibson drove to Sunray for a visit Sunday. The Kings and Mr. Bedwell visited Mrs. Opal Broxson and the Gibsons visited their son and family, the Glen Gibsons. Mr. Bedwell remained in Sunray and plans to spend several weeks with his daughter, Mrs. Broxson.

## TUNE TO KGNC RADIO FOR EMERGENCY WEATHER AND SCHOOL ANNOUNCEMENTS

We are at that time of the year when it is necessary for patrons to keep informed about the weather which affects the opening and closing of school. KGNC-Radio has for many years served this area with severe weather information. They disseminate all communications from School Superintendents, the Department of Public Safety and the local police; they, in turn broadcast immediate, authoritative reports to their listeners.

All information which affects us here in Quitaque, whether it be the operation of the school, the time the school bus runs, opening or closing of school, etc., KGNC-Radio will broadcast this information; this can be heard by parents, pupils and administrative personnel in time for them to conform to the plans.

So should a change occur due to weather or other emergencies, please tune to KGNC Radio. It will not be necessary to phone me as I am usually out and about the school grounds. Your cooperation will be appreciated. Then should any emergencies arise concerning the school, all who are involved will be immediately and well informed of the situation.

— Johnny Mason, Supt.

## TIME AGAIN TO TAKE THE SCHOOL CENSUS

January 1, 1965 the starting date for school census. The supplies are here and will be handed to the children on January 11, 1965 to be taken home, filled out properly and returned to the teacher, after having been signed by the parent or guardian.

All boys and girls who will be six years old and not yet 18 years of age on September 1, 1965 and who reside in this district must be listed on the census.

Even though a child is not in school, but is of eligible age, he should be listed. Too, it is of the utmost importance to list all students who will be six years old at the beginning of school next September.

If you know of a family who has an only child that will be starting to school, please insist that they contact me. Or, you may call me and I will in turn contact them.

We need the help of every family in the district to do the best possible job with our school census. With each child counted, the state pays the school district about \$80. This year we received over \$19,000. So you can see, this is a very important item money-wise.

Not only this but it gives the school officials a good idea of how many boys and girls we will have in each grade. This marks our growth or any decreases in enrollment. When this is known, plans can be better made for the future since it takes the guess-timation out of the planning.

— Supt. Johnny Mason

## ATTENDS SUPERINTENDENT'S CONVENTION AT AUSTIN

Supt. Johnny Mason left early Wednesday morning for Austin, where he will attend a State Superintendent's Convention.

Others from this area who accompanied Mr. Mason on the trip were Supt. Loran Denton of Turkey, Supt. Joe Ed Cupnell of Estelline, Supt. J. S. Hinds and H. S. Prin. O. C. Rampley of Silverton. Mr. Mason said that they would return home from Austin either Friday or early Saturday morning.

Dr. and Mrs. R. J. Hoey and Pat of Brownfield spent from Tuesday until Thursday with her parents, Mr. and Mrs. F. C. Benson last week.

## LOCAL TEAMS WIN OVER FLOMOT

The Pantherettes and Panthers each won their second conference win of the season here Tuesday night, both teams taking easy wins over the Flomot High School teams. The Pantherettes won 60-30 and the Panthers outscored the Longhorns 83-60.

Both of the local teams were a bit rusty after the Christmas holidays but neither team was pressed to win.

Patricia Brunson dropped in 28 points to lead the Pantherettes scoring and Carol Myers made 16 points as runnerup.

In the boys game, all five of the starters scored in the double figures in downing the Longhorns. Monte Stephens and Eddie Monk shared scoring honors for the night with 20 points each. Jamie Johnson hit for 17 points, Warren Lee Merrell 12, and Larry Tipton 10. Merrell and Tipton fouled out in the last quarter. Dale Ramsey, who subbed in for Merrell, made 4 points to round out the scoring.

District warfare gets underway in earnest Tuesday night of next week as the local teams host Estelline. The Bearcubs have not shown much threat thus far in the season, but the Cubettes appear to be tough and will probably be the team to beat for district honors.

The teams are entered in the North Plains Basketball Tournament at Claude this weekend.

## H. S. TEAMS ENTERED IN CLAUDE TOURNAMENT

Quitaque's High School basketball teams are playing in the North Plains Tournament at Claude this weekend and both teams played Thursday morning games. The Pantherettes tangled with White Deer in the opening game of the tournament, that contest being played at 9:30 a. m. The Panthers were scheduled to take on a toughie, the Groom Tigers, that game scheduled for 11:00 a. m. The Panthers are defending champions of the tournament but they will have their hands full in repeating as champions, for there are some fine teams in the tournament. In the upper bracket of the boys division, Adrian meets Samnorwood and White Deer is matched against Vega. In the lower bracket along with Quitaque - Groom, host Claude meets Happy at 8:30 p. m. tonight. In the girls division, Adrian and Samnorwood and Groom and Happy are in the upper bracket, while Vega and Claude are in the same bracket with White Deer-Quitaque.

The Pantherettes and Panthers were defeated in their first round games at Claude Thursday morning. The score in the girls' game was not reported to The Tribune. The Panthers were defeated 48-44 by Groom. According to reports the Panthers led all the first half but they lost Jamie Johnson before halftime via fouls and couldn't quite pull it out.

Both teams will enter the consolation bracket and both teams will play Friday afternoon.

If the Pantherettes win their opening round game they will meet the Vega-Claude winner at 3:30 Friday afternoon. If the Pantherettes lose, they will play the Vega Claude losers at 12:30 Friday. Consolation finals will be played at 12:00 noon Saturday.

If the Panthers win their first game, they will meet the Claude-Happy winner at 8:30 p. m. Friday. If they lose to Groom, the Panthers will play a 2 o'clock Friday afternoon.

Consolation finals in the boys division of the tournament will be at 1:30 Saturday.

## USDA Announces '65 Feed Grain Program

### RURAL PATRONS SHOULD HELP MAIL CARRIERS DURING BAD WEATHER

Postmaster Jarrell Rice today appealed to postal customers on rural routes to help their rural carriers make mail deliveries during bad winter weather.

The Quitaque post office has one rural route and one star route covering the area.

Mr. Rice said that at the same time he hopes all authorities concerned with rural routes where snow and other bad weather hampers the carriers will cooperate to help the mailmen get through.

The Postmaster listed these points of particular concern:

1. Approaches to rural mail boxes must be kept open by customers.

2. Obstructions to delivery of mail or rural routes should be removed or minimized to the fullest extent possible.

Where rural boxes pose a problem, the carrier may leave form 4056, "Your Mailbox Needs Attention," a notice to keep box approaches clear by promptly removing all obstructions, including snow, which may make mail delivery difficult or impossible.

Unless approaches are cleared, it may be necessary to temporarily withhold delivery of mail. The Postmaster pointed out.

Rural carriers are not required to perform service on foot when roads cannot be traveled with the vehicles normally used, but they are expected to make every reasonable effort to serve as many of their patrons as possible without physical exertion or added financial cost, he explained.

If excessive detours are necessary to effect delivery of mail, customers should temporarily relocate their boxes on the new line of travel, arrange to receive their mail through other patrons' boxes or make other arrangements for their mail until travel on the roads can be resumed.

C. T. Rucker had a narrow escape from very serious injury Wednesday of last week while working on a windmill on the farm. A heavy T-joint fell about twenty feet, striking Mr. Rucker on the back of the head. He was taken to Silverton for treatment, then was sent on to Tulia by Dr. Muckleroy. He remained in the hospital overnight. He reports that he is feeling pretty good again, although still a little weak. He said that he was wearing a leather cap with ear flaps and the flaps were turned up at the time of the accident, and that the joint hit on these flaps and helped to cushion the jolt a bit, otherwise he might have suffered a really serious injury.

Mrs. M. T. Witcher who is in the rest home at Lockney, was sick the first of the week. Her daughter, Mrs. Ray Persons, spent Monday night with her. Mrs. Witcher was bordering on pneumonia, but she is reported to be improving. Mr. Persons drove to Lockney Tuesday to pick up his wife and they went on to Plainview and picked up their son, Tom and brought him home with them to spend a few days. The Persons' other son, Amos, of Farmington, N. M. arrived Tuesday afternoon also for a visit with his parents, his brother and his sister, Lela Mae Hutchesson and family and other relatives and friends.

and are as yet unfevered.

The next games for Jr. Hi will be next Monday night, Jan. 11 at Turkey. Game time is 7:00 o'clock.

USDA announced major provisions of voluntary 1965 Feed Grain Program including decision to keep total price-support levels for cooperators the same as for 1964. Within total price-support rates, loan levels were decreased with corresponding increases in payment rates. Diversion payment rate will be the same as for 1964.

Department officials said 1965 program designed to maintain participants' income at least as high as current levels. They also stressed that program will help maintain overall feed grain income for producers at near current levels, or about one billion dollars a year higher than with previous feed grain programs.

Changes within total price support rate were made to encourage greater participation in the program depends on level

	Loan Rate	Support Payment	Total Support			
	1965	1964	1965	1964	1965	1964
Corn (per bu.)	\$1.05	\$1.10	\$0.20	\$0.15	\$1.25	\$1.25
Barley (per bu.)	.80	.84	.16	.12	.96	.96
Grain Sorghum (per cwt.)	\$1.65	\$1.77	.35	.23	\$2.00	\$2.00

The greater reduction in the grain sorghum loan rate, which is offset by a higher payment rate, is needed to bring grain sorghum price - support loan values more in line with market prices of recent years.

Program participants, since they help cut Government costs by diverting acreage to conserving use and thus reducing production, not only can get price support loan and purchases, but also price support payments, and acreage diversion payments.

Since yields have trended upward in recent years, moving five - year average (1959-63) being used for first time in 1965 generally will mean higher price support payments for normal production in major producing areas. This payment of 20 cents per bushel in case of corn and related payments for other feed crops will be paid on acreage seeded for harvest within permitted acreage, even though drought, or other adverse crop conditions seriously reduce production on any farm.

To participate in program,

of participation sufficiently high to offset program costs by reduction in public investment in Government feed grain inventories.

For 1965 program, a larger proportion of price support will be in payment form with some reduction in average loan rate for all three feed grains.

Acreage substitution feature for wheat and feed grain acreage which is new to the program for 1965 gives producers more flexible range of cropping opportunities and income possibilities.

Participation in both wheat and feed grain programs will bring more returns than non-participation, USDA officials said.

The 1965 feed grain support loan and payment are as follows:

producers need to reduce their total acreage of corn, grain sorghum and barley in 1965 by at least 20 percent.

Diversion payments, if less than 40 percent of base is diverted, will be county support rate on one-fifth of normal production for first 20 percent diversion, and on one-half of normal for remaining percentage.

Payments in kind for both diversion and price support payments again will be made in form of negotiable certificates with which producer may receive grain from CCC stocks or cash at county ASCS office if he wishes assistance of Commodity Credit Corporation in marketing certificates. As previously, major part of price support will be provided through loans.

Signup for feed grains and for spring wheat will be from February 8, through March 26. During the signup period, winter wheat producers who signed up in wheat program last fall may change their intentions.

## BRISCOE COUNTY IN LINE FOR HOME DEMONSTRATION AGENT

County Judge M. G. Moreland reported to The Tribune Wednesday morning that he had received information from District Agricultural Agent B. C. Gunter in Lubbock that Briscoe County is in line for a County Home Demonstration Agent.

According to Mr. Gunter, funds have already been approved and he will help the county to find an agent. Judge Moreland stated that he and other officials have been working on this since he has been in office. This will be of interest to the entire county.

## FUNERAL SERVICES SET FOR FRIDAY FOR MRS. W. A. STEPHENS

Mrs. W. A. (Margaret Ann) Stephens of Silverton died in the M. D. Anderson Hospital in Houston at 1:00 P. M. Wednesday.

Funeral services will be held in the First Baptist Church at Silverton, Friday at 2:30 p. m. Interment will be in the Silverton Cemetery under the direction of Silverton Funeral Home. An obituary will follow next week.

Mrs. Stephens was Mrs. Gaston Owens' aunt.

Mrs. Scott Bolton visited Mrs. W. W. Ferguson of Turkey Monday afternoon. She reports that Mrs. Ferguson is recovering fairly well. She has had a heart condition for a year.

## FUNERAL SERVICES HELD LAST WEEK FOR MRS BUNK CHANDLER

Funeral services were held last Thursday, December 31, at 2:00 p. m. in the First Baptist Church at Tahoka for Mrs. C. E. (Hazel) Chandler.

Mrs. Chandler was Hazel McCaughan before her marriage to C. E. (Bunk) Chandler. She was born August 6, 1905 and died December 30, 1964. She lived with her parents in the Gasoline community before her marriage and is well known by many here.

Survivors are the husband; two sons, Tommy of Tahoka, and Elwayne of Oklahoma City and one daughter, Mrs. J. M. Graves of Idalou.

Interment was in the Tahoka Cemetery.

Mrs. Chandler was the sister-in-law of Mrs. Pete Blankenship, Mrs. Charlie Grundy and Babe and Jack Chandler.

Mrs. Bob Merrell of Lockney underwent surgery at St. Mary's Hospital in Lubbock on Wednesday of last week. It was reported that she will return home today (Thursday).

## New Arrivals -

Mr. and Mrs. Rodney Hammons of Canyon have a new baby son, born Wednesday, Jan. 6, at 7:44, in the hospital at Borger. The baby weighed 7 lbs., 8 ozs. and that was all the information Granddaddy Seburn Netherlin had at presstime.

Mrs. Novelle Wise left on December 22 for LaCrosse, Wisconsin where she spent the Christmas holidays with her son and family, Mr. and Mrs. Monte Wise and children. Mrs. Wise traveled by train from Amarillo to Wisconsin and she reports that it was one of her better vacation trips. Novelle said that this was her first trip to the 'frozen north' and she enjoyed every minute of it. She saw people fishing on lakes that were frozen solid and holes had to be chopped through the ice in order to fish. There is much ice skating and other kinds of winter sports in which to participate. Mrs. Wise said that she had several hour layovers in Chicago and she had a chance to go sight-seeing in that city. She returned home Saturday afternoon of last week.

### LEGISLATIVE PROPOSALS TO BE REINTRODUCED

The convening of the 89th Congress closes one phase and begins another in the dramatic and fascinating process of our American governmental system. With the election over, and having determined the priorities of his program and policies, the President turns to the Congress with a series of requests for legislation to accomplish results he seeks. Public attention will be shifting to Capitol Hill, to the actions of the House and Senate. But it is doubtful that any quick action will come on any substantial legislative matters. The organization of the new Congress must be completed. Committees must prepare

Mr. and Mrs. Ralph Carter spent New Year's Eve in Plainview with their daughter and her family, Mr. and Mrs. Larry Hedrick and boys.

Mrs. Gaston Owens and Eddie were in Lockney Tuesday afternoon where Eddie received dental attention due to a chipped tooth. The Editor's wife and son became acquainted with an advertiser, whose ad appears weekly in The Tribune. Dr. Joe Naylor, D.D.S., is a newcomer to Lockney, and his office is located across the street from Lockney General Hospital. Dr. Naylor comes to Lockney from Lubbock where his mother, Mrs. H. C. (Andy) Naylor is a nurse at West Texas Hospital. Dr. Naylor is single but said that he is going to remedy that real soon, since he has found the one and she has said "yes." He is presently working at the hospital from 6 to 12 p. m. and can be contacted there for emergency treatment. Office hours are from 8:00 a. m. to 5:00 p. m. and Mrs. Owens and Eddie were favorably impressed with Dr. Naylor and feel that they can recommend to readers who are in need of dental care.

their agendas and begin hearings. New Members of Congress—92 in the House and 8 in the Senate—must settle into harness. And the great ceremony of a Presidential inauguration will command the spotlight through January 20.

Along with new proposals to be introduced, those backed by the President and his administration as well as those offered by the House and Senate members on their own, many legislative measures not acted upon in the 88th Congress of 1963-64 will be reintroduced in the 89th Congress. If they are to receive consideration, these measures must be introduced again because all measures not acted upon in the 88th Congress died upon its adjournment.

These are among the measures which I introduced in past sessions of the Congress and which I am preparing to submit again:

1. An amendment to the tax laws to increase personal and dependents' income tax exemption from \$600 to \$1,000.
2. A bill requiring that all decisions of the U. S. Supreme Court be participated in by the full Court, and that any vacancies or absences in the membership of the Court shall be temporarily filled by circuit judges.
3. An amendment to the Interstate Commerce Act to insure the adequacy of the national railroad freight car supply.
4. Amendments to the Communications Act to prohibit the

rule-making powers of an independent agency from being used for changing basic law and policy. It is my belief that changes in basic law and governmental policy should be made only by the people through their duly elected representatives.

5. A bill to authorize establishment of the Alibates Flint Quarries and Texas Panhandle Pueblo Culture National Monument near the site of the Canadian River Dam.

6. A resolution providing for a thorough Congressional investigation of State Department personnel and policies.

7. An amendment to the Constitution to permit Congress, by a two-thirds vote of both houses, to overturn decisions of the Supreme Court declaring Federal or State Laws to be unconstitutional.

8. An amendment to the Constitution to permit the House of Representatives to have a voice, with the Senate, in ratifying treaties.

9. A bill to close ports of the United States to all ships engaged in trade or commerce with Communist Cuba.

10. A resolution providing for an investigation of the production, distribution, and exhibition of obscene motion pictures and their advertising.

These are a few of the measures I have introduced in the past. I will continue to advocate their adoption. All will be reintroduced so that the appropriate committees of the House may give them consideration.

**JEHOVAH'S WITNESSES INVITED TO ATTEND CONVENTION**

V. D. Tiffin announced today that the Quitaque congregation of Jehovah's Witnesses is invited to attend a mid-winter convention in Hobbs, N. M., January 22-24, 1965.

Mr. Tiffin, presiding minister of the group, in discussing the announcement to the congregation, pointed to the challenge of "obedience to God amidst a wayward world."

"The seminar's purpose is to more effectively prepare the preaching fellowship of Jehovah's Witnesses to use the Bible

in building up the spiritual morale of people in our community," Tiffin said. "Speak the Word of God with Boldness" is the convention theme.

The convention is one of three arranged each year by the Watchtower Bible and Tract Society for Jehovah's Witnesses all around the earth. In over 23,400 congregations in 194 lands, the Witnesses also have five training classes each week to aid them to apply Bible principles in daily living.

The Sunday climax will be district supervisor Harry A. Fetzik's lecture on the subject, "Our Divided World — Is It

Here to Stay?" Mr. Fetzik, well known Bible teacher and lecturer out of the group's headquarters in Brooklyn, New York, will arrive a week prior to the assembly.

Mrs. Vivian Merrell of Silverton, Mrs. Joe Woodruff, Mrs. W. E. Morrison, Ina and Euna Bradshaw visited Mr. and Mrs. Carroll Welch on the Tule Canyon Sunday afternoon and explored the McKenzie Battleground. They report a very interesting trip, viewing concrete evidence of the battle staged there many years ago.

Mr. and Mrs. W. H. Taylor,

Petersburg, spent Sunday with Mr. and Mrs. Jack Hulsey.

Mr. and Mrs. Sid Bogan spent the Christmas holidays at the home of his son, S. T., Jr. and his family at Richardson, and with his daughter, Mrs. Jerrell Gaddy and her family at Dallas. Mr. and Mrs. Gaddy were host and hostess for the Christmas dinner. Present were Mr. and Mrs. Sid Bogan, Mr. and Mrs. S. T. Bogan, Jr. and family, and Mr. and Mrs. Barney Bogan and family, Nacogdoches. They report a very nice holiday. Mr. Bogan said that it was the first time in 35 years that he had been able to take a trip at Christmas time.

Mr. and Mrs. Will Lyon accompanied Mr. and Mrs. J. W. Lyon, Jr. of Silverton, to Amarillo Sunday where they visited Will Lyon's brother and wife, Mr. and Mrs. C. E. Lyon. Mrs. C. E. Lyon's mother is in the hospital seriously ill and they visited her at the hospital.

Mrs. Dwain Henderson and Sonya of Silverton and her mother, Mrs. Malcolm Prince of Loco Hills, N. M. visited the Gaston Owens and the George Owens Monday afternoon. It was the first visit of Sonya Denise with her grandparents and great-grandparents.

Mrs. Allen Matthews visited Mrs. J. T. Bradley Sunday afternoon.

**Crunchy Peach Dessert Squares**

Top a quick 'n' easy cake batter with a golden cinnamon-sparked peach and almond mixture for delicious Crunchy Peach Dessert Squares. It's a super family dessert, and you'll find the cake perfect for morning kaffeeklatch or for late evening dessert and coffee, too.

It's nice for you mothers and homemakers to know that the tempting baked products you prepare with enriched flour give nutritional goodness to meals as well as flavor satisfaction. Enriched flour contributes the B-vitamins thiamine, niacin and riboflavin, the minerals iron and calcium and valuable amounts of cereal protein — all essential for sparkling good health.

**CRUNCHY PEACH DESSERT SQUARES**

- |                                    |  |
|------------------------------------|--|
| 1 cup sifted enriched flour*       | 1/2 teaspoon vanilla extract   |
| 1/2 teaspoons baking powder        | 1 cup frozen or canned peach slices, thawed and/or drained (12-ounce package frozen, or 1 pound can) |
| 1/2 teaspoon salt                  | 1/2 cup sugar  |
| 1 egg                              | 1/2 teaspoon cinnamon  |
| 1/2 cup sugar                      | 1/4 cup chopped almonds  |
| 1/4 cup milk                       |  |
| 1/4 cup melted butter or margarine |  |

Sift together flour, baking powder and salt. Beat egg until light and fluffy. Add sugar gradually, continuing to beat until thick. Combine milk, butter or margarine and vanilla. Add to egg mixture alternately with flour, beginning and ending with flour. Turn into greased 8-inch square pan. Arrange peaches on top, pressing in slightly. Combine sugar, cinnamon and almonds. Sprinkle mixture evenly over peaches. Bake in moderate oven (375° F.) 45 to 50 minutes or until cake tester inserted in center comes out clean. Makes one 8-inch square cake.

\*If you don't sift and in the absence of other directions, spoon flour directly from container into a one cup dry measure, level off, then remove two level tablespoonsfuls, according to USDA recommendations.
