ALSON THOMAS WAHRLICH

Wahrlich, one of the FBI's "Ten Most Wanted Fugitives," is wanted for unlawful interstate flight to avoid prosecution for the crime of kidnaping. He allegedly abducted a 6-year-old Arizona girl in Tucson, Arizona, on April 16, 1964, and brutally beat, choked, and sexually molested her before leaving her abandoned in the same city. A Federal warrant was issued at Tucson on April 28, 1964, charging Wahrlich with unlawful interstate flight to avoid prosecution for this offense.

A white American, Wahrlich was born in Rensselaer County, New York, on February 4, 1936. He is 5' 2'' tall, weighs 135 to 140 pounds, wears glasses, has blue eyes, brown hair, a medium build and a medium complexion. He has a scar on his left shoulder, a vaccina-tion scar on his left arm, a scar on each side of his abdomen, and a tattoo of a heart and the name "Cindy" on his left arm. Wahrlich has worked as a truck driver, ranch worker, dishwasher, house trailer repairman, hospital orderly, insurance salesman, and ice cream truck vendor. He is very interested in guns and strongly prefers traveling by personally owned car. Wahrlich reportedly has mental blackouts, has been previously imprisoned for aggravated assault, child molesting, and a crime against nature. He reportedly is armed with a pistol and is said to carry a surgical scalpel in his trouser's pocket. Consider him armed and extremely dangerous. Should you receive any information concerning the whereabouts of Alson Thomas Wahrlich, you are requested to immediately notify the nearest office of the FBI, the telephone number of which may be located on the first page of local telyphone directories.
