PRICE FIVE CENTS

PHIL BAREFIELD TO RECEIVE AMERICAN FARMER DEGREE

Phil Barefield, son of Mr. and Mrs. James Barefield and a Wayland College student, will leave Monday to attend the National FFA Convention in Kansas City, Mo., where he will receive the American Farmer's Degree, the highest award given in FFA work.

Phil will be accompanied by his high school instructor, Elmer Berryhill, local Ag teacher. Included in the group to attend the Convention will be three other sponsors from the 38-county Area I and 87 other boys. Lee McDonald, son of Mr. and Mrs. Horace McDonald and a Texas Tech student, was selected as a delegate from Tech and he will also be among the group of 88 young men from Area I attending the convention.

In June, 1963, Phil was named Star Farmer of the Quitaque Chapter and was given a plaque for that honor, and at the same time was given three other certificates naming him outstanding Chapter Farmer.

Mr. and Mrs. Joe David Payne and children were treated to a fish dinner at the home of her mother, Mrs. Jess Russell at Turkey Tuesday night.

SENIOR CLASS TO WASH CARS AT GRIFFIN'S AND DUKE'S, SAT.

The Quitaque Senior Class will stage a car wash at Duke's 66 Service and at Griffin's Gulf Service, beginning at 7 a. m. Saturday, Oct. 8.

Members of the Senior Class will pick up your vehicles and return them free of charge to those who avail themselves of their services. Charge for the wash will be \$2.00 per vehicle.

All proceeds from the car wash will go toward electing the candidates of the Senior Class in the Halloween Carnival King and Queen contest.

TRIBUNE READER TO SECURE FLAG FOR CEMETERY

Cecil Smith of Redwood City, Calif., brother of Roy Smith, is a Quitaque Tribune subscriber and he read the recent story in The Tribune telling of the Lions Club project of putting a flag pole out at Rest Haven Cemetery. One night this week Cecil called Roy and told of seeing the story, and said that if the local Lions Club so desired, he (Cecil) could obtain a flag that has flown over a National Cemetery to give to the local Cemetery Association for its use. The flags are changed very often that are flown over National Cemeteries so it would be a good one. The Lions Club, of course, would be very proud to receive a flag that has flown over a National Cemetery.

LEE McDONALD TECH DELEGATE TO NATIONAL FFA CONVENTION

Texas Technological College at Lubbock has organized its FFA Chapter and elected the officers for the coming year, it has been announced. Two delegates were selected to be to the National FFA Convention in Kansas City next week and Lee McDonald, son of Mr. and Mrs. Horace McDonald, is one of the two delegates selected.

He will have the privilege of accompanying his own Ag Instructor, Elmer Berryhill, and a former high school classmate, Phil Barefield, who will receive the American Farmer Award at the convention.

Lee's mother, Mrs. McDonald, reports that he is looking forward with great anticipation to the trip.

Degree of Chapter Farmer, and Citation for Crop Farming.

In addition to the American Farmer Award at Kansas City, Phil will receive \$100 from the National FFA offices and \$50 from the State level.

The American Farmer Degree is a very fine award for a young man to receive. According to Mr. Berryhill, only about one out of 1,000 boys who participate in FFA work ever reach that goal. Phil is the second recipient of the award from Quitaque. Murry Wayne Morrison was awarded the American Farmer Degree in October of 1963.

Conroy Lacy Rites Held At Turkey Sunday Afternoon

Turkey residents, along with surrounding communities, were saddened last Friday morning when word came that Conroy Lacy had been claimed by death following an illness of just a few months. Vance Conroy Lacy, 23, an honor student and outstanding athlete at Turkey High School and later on at Howard County Junior College, died last Friday morning, Sept. 30 in a Fort Worth hospital of anemia after an illness of several months.

Funeral services were held at 4 p. m. Sunday, October 2 in the Turkey Church of Christ with minister Jack Hutton of Tulia officiating. Alva Johnson, retired minister of the Turkey Church of Christ, assisted. Burial was in Dreamland Cemetery at Turkey under the direction of Seigler Funeral Home.

Conroy was the Hall County winner of the annual Globe-News Spelling Bee in 1956 and 1957 and as a Globe-News carrier was a recipient of that paper's scholarship and endowment awards.

Conroy was a member of the Church of Christ.

Conroy was valedictorian of his graduating class at Turkey High School, he won all-regional honors as captain and fullback on the football team, won all-state honors as captain of his basketball team, and was state champion in tennis for three years. He was president of his senior class and member of the Thespian Society and Choral Club.

While attending Howard County Junior College, Conroy was president of the student body, a member of Phi Theta Kappa fraternity, was listed on the Dean's honor roll and was a member of the basketball team.

After graduating from junior college, he attended West Texas State as a pre-medical student.

Survivors include his parents, Mr. and Mrs. Jake Lacy, formerly of Turkey and now residing at Groom; and brothers Ronald of the University of Texas medical school, and Donald, a Church of Christ minister in Welch.

Mary Ollie Persons visited her sister, Mrs. W. E. Schott, in Silvertown last Thursday and attended the meeting of the study club to which Mrs. Schott belongs. Mrs. Schott presented a book report on Margaret Bannister's book, "Tears Are For the Living." Mrs. J. W. Lyon brought a devotional. Miss Persons reports a very enjoyable visit.

YOUNG LOCKNEY CLUB WOMAN TO SPEAK AT P-TA MONDAY NIGHT

Mrs. Joe Taylor of Lockney, daughter of Mr. and Mrs. J. P. Taylor of South Plains and granddaughter of Mr. and Mrs. W. W. Merrell, will be the guest speaker at the Quitaque P-TA meeting Monday night, October 10. The month of October is Child Health Month, and Mrs. Taylor has been asked to speak because she has done extensive research on birth defects and rehabilitation of handicapped children. She has a sister who has been handicapped from a birth defect.

The Tribune ran an article, along with a picture of Mrs. Taylor, concerning the outstanding work she has done in her community. She was chosen "Clubwoman of the Year," by the Texas Federation of Women's Clubs; she is an active member of the Athena Junior Club and the LaVentana Study Club and has been recognized for her outstanding work. She holds the Federation appointment of the State Chairman of CARE, also on the state level. Mrs. Taylor has been appointed General Chairman of the Junior session of the TFWC Convention. She holds a number of Civic offices at Lockney and she served as chairman of the National Foundation of March of Dimes for her club.

Mrs. Taylor will bring information on the new Rehabilitation Center at Plainview to the local P-TA next Monday night. It is hoped that a capacity crowd will be on hand to hear this outstanding young woman speak.

Mrs. Elmer Berryhill, president of P-TA, urges each member and others who will join to be present because the budget will be adopted and the new By-Laws will be approved Monday night.

Don't forget the time: 7:30, next Monday night, Oct. 10.

MRS. NALL HOSPITALIZED

Mrs. Ollie Nall entered Northwest Texas Hospital in Amarillo Tuesday afternoon for probable surgery on a leg, the result of one of those freak accidents, which happened about three weeks ago.

Mrs. Nall and her husband stopped at a fruit stand near Lubbock to purchase some apples. As she turned to leave, she hit her leg on a wooden peg causing a cut. The time was late in the day and the next day was Sunday, so Mrs. Nall didn't see a doctor until later and the wound became infected. She has been seeing a doctor in Tulia, who advised her to go to Amarillo for further treatment, since the infection now is very deep.

AUNT OF JOHN KING DIED THIS WEEK

Mrs. Hazel Bridges of Roaring Springs, aunt of John King, passed away Monday morning in the Quanh hospital. She was the sister of Herman Havis, former manager of Farmers Co-op Gin here.

Mrs. Bridges died after suffering a heart attack.

Funeral services were held at 3 o'clock Wednesday afternoon. Mr. and Mrs. King attended the funeral service.

Bud Bailey received a telephone that his father, H. J. Bailey had been taken to the hospital there in Amarillo. Bud left for Amarillo immediately to be with his father. Charlene Bailey came home from Plainview Sunday afternoon and brought her mother the car she had at school and Mrs. Bailey and Janet drove Charlene back to school that afternoon.

FORMER ASSEMBLY OF GOD PASTOR DIED SUNDAY AT FLOYDADA

Funeral services for the Rev. C. A. Strickland, a former pastor of the local Assembly of God Church, were held Tuesday at 2:30 in the First Methodist Church at Floydada. The Rev. Strickland died Sunday morning.

Rev. Strickland was pastor here in 1955-56, moving to Floydada in 1956. This was the last church he pastored. During his pastorate here, the present parsonage was built under his leadership.

Those from Quitaque attending the funeral service were the Rev. Mrs. Cecil Rice, Mrs. W. W. Cain, Mr. and Mrs. B. E. Myers and Odis Reagan.

Mr. and Mrs. John Garner visited their son, Corkey Garner in Amarillo Sunday. Corkey, who lives in Houston, is flying for Mobil Co. and had to make a trip to Amarillo and his parents met him there.

Buffalo Killed Near Turkey By Auto

"Dad, I just ran over a buffalo and tore up the buggy." Now if that had been, say, William F. Cody, Jr. speaking it probably would not have caused even a lifted eyebrow. But this is 1966—but suppose your teen-age son came in around midnight and told you that he had hit a buffalo and wrecked the car—what would be your reaction?

That was a situation that confronted David Driscoll, the son of Mr. and Mrs. G. P. Driscoll of Turkey last Friday night. David, a student at Clarendon College, had driven a fellow student home and was in the north outskirts of Turkey when an animal ran in front of his car, colliding headon and crushing in the front end of the car. David went home and awoke his parents and told them he had just wrecked the car. His father asked him what had happened and David is reported to have said, "I hit a cow, or a horse, or a buffalo or something." Mr. Driscoll got up and dressed and together

Mrs. Abbie Wixom enjoyed a visit with her sister and husband, Mr. and Mrs. L. A. Davidson of Oakland, Calif. from Thursday afternoon until Friday afternoon.

James Barefield and son-in-law, Jesse Rivers of Amarillo, drove to Breckenridge Monday on a fishing trip. James has a brother living at Breckenridge who called Sunday night to inform James that he caught 125 pounds of fish over the weekend. (Nuff said!)

Mr. and Mrs. Webb Taylor spent the weekend visiting in McLean and Mobeetie, where they visited her brother and his wife, Mr. and Mrs. Jesse Roberts in McLean, and her sister and her husband, Mr. and Mrs. Fayette Seitz at Mobeetie.

BOBBY LUCERO IS HOME FROM WAR IN VIET NAM

Bobby Lucero son of Lucas Lucero, who is in the Marine Corps, arrived in Quitaque on Wednesday for a visit with his father, brothers and sister and friends here.

Bobby had just landed in the States on Tuesday from a tour of duty in Viet Nam. He was stationed at Chulai and has seen a lot of rough action.

Bobby was wounded in action, being hit by shrapnel several weeks ago. Bobby's most serious wound was just under his right eye, but also received some fragments in his back, which Bobby said "didn't amount to much." Bobby's brother, Lucas, Jr. was also in Viet Nam at the same time but Bobby said when he located his brother's station, Lucas had already left to return to the States.

Bobby is a former employee of The Tribune and the Owens are glad to see him home safe. He has 2½ years of a 4-year hitch completed.

FORTY-THREE COMPETING FOR PLACE ON BASKETBALL SQUAD

Eighteen boys and twenty-five girls reported to Coach Don Johnson on Monday of this week as basketball workouts got underway in preparation for the current season.

Spirited workout have been the order of the day since that time and there is considerable competition for spots on the two squads.

There are newcomers on both the boys and girls groups who give all indications of wanting to play basketball and are conceding the more experienced players nothing as the scramble for a place on the squad takes place.

SCHOOL TRUSTEES MET MONDAY FOR REGULAR MEETING

The Board of Trustees of QISD met Monday night for its regular monthly meeting. Several items of business were taken care of which should be of interest to all residents of this school district.

The FFA chapter had indicated that they would like to build a classroom on to the Ag Shop and the department has enough lumber to build the classroom. The students themselves, along with their instructor, Mr. Berryhill, can do almost all of the labor. The concrete and sheetrock is the only things that will need to be purchased, and the ag department indicated that if the school will help to finance the project, the money will be reimbursed to the school. The trustees voted to help the FFA Chapter in this project.

The Board also voted to pay the membership fees in the Texas Coaches Association for both boys and girls teams. The fees are about \$20 per year. A coach must be a member of the Association in order for a player from his school to be eligible to play in the all-star games at the coaching school each summer. Quitaque has had two boys selected for the all-star squads in the past; Sammie Johnston and Jim Saul.

Bids on the lots which had been advertised for sale by the school, were opened Monday night, and Joe David Payne had submitted the high bid and the lots were sold to him for \$425.00.

The Board also voted to buy additional suits for the basketball teams, since Coach Don Johnson has indicated that he would like to carry more players on the squad than has been customary in the past. The boys squad now will probably be composed of 14 players and the girls will carry 16 players on their squad, which means the purchase of 2 more suits for the Panthers and 4 more for the Pantherettes.

JUDSON WATSON HOME AFTER SEVERAL DAYS IN HOSPITAL

Judson Watson spent seven days in Lockney General Hospital recently. His sister and husband, Mr. and Mrs. Grover Stephens of Weatherford, Tex. came to visit him and brought him home from the hospital. Mr. and Mrs. Stephens spent a night with the Watsons.

Mr. and Mrs. Boone McCracken, Mrs. W. J. Carter and sister, Mrs. C. M. Wells of Colgate, Okla. who is visiting here, attended to business and visited in Silvertown and Tulia Monday of this week.

Mr. and Mrs. Sid Bogan were in Floydada Tuesday to see the dentist.

Panther squad is ran, Lyn Payne, Johnny Pointer, Robert Pierce, Joe Lucero, R. Milton, David Brunson, Monk, Ronnie Monte Stephens, Loudermilk, Joe M. Pablo Leal, Jimmy P. Roger Brunson.

Girls who are trying out on the Pantherettes are Jill Johnson, Sammie Johnson, Lynette Taylor, Jan Johnson, Carol Mye, Stark, Rhonda Rogers, Dowd, Billie Cheathara Chandler, Debbie son, Patricia Brunson, La Matthews, Kay Turbyfill Cochran, Jackie Cheathara Beth Merrell, Karol Pl ship, Maggie Lucero, Ramsey, Elaine Reagan, George, Shelia Payne, Jennings, and Martha Williams.

CHANGE IN HOME DEMO CLUB MEETING DATE

The Quitaque Home Demonstration Club will meet at a new time next week. The club will meet in the Community Room at the Bank as usual, but will meet Wednesday, Oct. 12, at 2:30 p. m.

Mrs. Reg Cushmanberry will be in charge of the program and she will present a discussion on Arts, Crafts and Gift Ideas that can be made at home for every occasion, including Christmas gifts.

Mrs. O. R. Stark gave an interesting discussion on "How to Have Guests and Enjoy Them," at the last meeting.

MRS. O. R. STARK EXHIBITS THREE WINNERS IN ART COMPETITION AT FLOYD COUNTY FAIR

Mrs. O. R. Stark, Jr. won three ribbons in the art competition at the recent Floyd County Fair. Mrs. Stark, who has been studying under Mrs. Louise Vaughan for several years, won a first place ribbon with a portrait of her son Randy, seated at the piano; her original still-life painting of a vase containing two peonies was a setup for class and won a third place and her original landscape of a mirage of Silvertown she saw one morning on her way to art class, won a second place ribbon.

PAST DISTRICT GOVERNOR VISITED LIONS CLUB MONDAY

A good crowd was present for the Lions Club Meeting Monday night. Past District Governor, Steve Stephens of Amarillo, was guest speaker on the program and he gave an interesting talk on "Industry in Your Community." He pointed out that interested civic leaders working in the interest of their home town was equal to an industry with a payroll available twelve months a year.

A report was given on the flag pole which will soon be erected by the Lions in the circle at the cemetery. The concrete has been laid and the area cleaned up inside the circle. The pole is in the shop, being sanded in preparation for painting, and it is hoped that within the next few days it will be ready to install at the cemetery.

One new member of the Club, Ronnie Carpenter, was present to enjoy the usual good meal, the fellowship and program.

WEST TEXAS STATE BUFFS FACE RUGGED MINERS SATURDAY

CANYON — "After a team plays Arizona State they usually don't play well the following week."

This claim, made by Arizona State head football coach Frank Kush, reflects the punishment he feels opponents take when they square off with the Sun Devils.

Dick Mullins, Arizona State University Sports Information Director also believes in the Devil's whammy: "While we may not win the game, the teams we play take such a

physical pounding that it's hard for them to bounce back and play the type of ball they are capable of. Consequently, many teams play the worst games after playing the Sun Devils."

Should these claims hold true West Texas State could be in for a uphill climb against the air-minded Texas Western Miners here in Buffalo Bowl Saturday night.

Texas Western's already felt the Devil's whammy. The Devils shot them down 30-26 in their first game. Then according to Hoyle, the Miners were upended by North Texas State 12-7.

The Miners bounced back last week to pound the stuffings out of previously unbeaten New Mexico 51-3 and now appear completely recovered from the Arizona "hex".

A sellout crowd is expected to jam Buffalo Bowl in anticipation of another fantastic passing duel between two of Texas' fastest guns—Hank Washington and Slingshot Billy Stevens.

Statistically speaking, fans might see a series of new passing records, including the 101 tosses that Washington and Stevens unleashed in last year's marathon 3 hour and 48 minute duel.

Washington is currently sitting in the driver's seat as the nation's total offense leader, an honor Stevens walked off with last season. Like Washington, slingshot Billy is off to another

whirlwind. After three games he has connected on 40 of 93 attempts for 556 yards and three touchdowns.

Stevens' passing is complemented by the play of veteran receivers Chuck Hughes, Bob Wallace and Chuck Anderson. Hughes leads all Miner receivers with 10 catches for 209 yards and one touchdown. Wallace, a 6-2 and 201 junior has speared 12 tosses for 189 yards. Anderson, an exceptional target at 6-4 and 205 has grabbed nine tosses for 93 yards.

Should anything happen to Stevens, the Miners have perhaps the best second-string quarterback in college football ready on the firing line. He's

Brooks Dawson, a gifted sophomore, who continues to give Stevens a run for the Miners' starting quarterback assignment.

Texas Western enters Saturday's football extravaganza physically sound after flicking New Mexico. The Buffs also expect to be in good physical condition.

Texas Western won last year's Sun Bowl shootout, 38-21. This time the Buffs have the home field advantage, the winning momentum and the hottest quarterback in the nation at the helm.

What more could you ask? Buff victory number four in a spectacular showdown to refute the Devil's whammy.

Jehovah's Witnesses of Quitaque and vicinity are cancelling all local meetings, October 7-9, for a circuit meeting in Lubbock Fair Park Coliseum.

"Become Spiritual Men with Everlasting Life in View" is the theme to be discussed for 16 congregations from Wichita Falls to Muleshoe and from Altus, Okla. to Haskell, Tex.

"The object of the meet, V. D. Tiffin, presiding minister of the Quitaque Congregation, said, "is twofold, to build one another up spiritually and to

share the spiritual information with our fellow men."

The three-day program calls for talks, discussions, illustrations and demonstrations from the platform to emphasize the importance of becoming spiritual men. "With Everlasting Life in View," the Witnesses have scheduled time to call on the people of Lubbock and vicinity in the house-to-house ministry.

District spokesman of the organization, Catanzaro, will give the opening talk of the assembly, "The Great Mankind's Greatest Day," 3 p. m. Sunday. Erwin A. Grover, who has given the congregations in Texas three times a year, will give his final talk, 5 p. m. Sunday, "Keep Your Balance with Many Responsibilities."

HOME NOTES
(By Becky Hall)
Briscoe County
Home Demonstration Agent

We are a united family again. Winston got home Sunday, September 25th. He's having a little trouble getting us all organized, but I believe we'll let him stay. Some time this month he has to report to Yuma, Arizona to get his discharge, then

he should be home permanently.

The Quitaque H D Club had an outstanding program on "Etiquette" (the Art of Entertaining simply and graciously at Home) given by Mrs. O. R. Stark, Jr., this past month and they are also planning a meeting on crafts for Wednesday, Oct. 12 at 2:30 p. m. in the Bank Community Room.

Measure for measure, "A pint's a pound the world around"—but how many teaspoons equal one tablespoon? That question often confronts the homemaker at a crucial time in the middle of cooking. Here are five of the most popular measures and their equivalents: 3 teaspoons equal 1 tablespoon; 4 tablespoons equal 1/2 cup; 2 cups equal 1 pint or 16 ounces; 2 pints, 4 cups, and 1 quart equal each other; a 1/4 lb. stick of butter or margarine equals 1/2 cup or 8 tablespoons. Kitchen "must" should include a nest of 4 measuring cups and a set of measuring spoons. Buy them in stainless steel for long wear and easy care, good for hot or cold ingredients. Hang cups and spoons nearby for instant reaching.

Do you listen to your child? Much of the child's learning comes about because someone is listening, reminds Mrs. Patsy Yates, Texas A&M University Extension family life education specialist.

Many adults think that if they are talking and a child is listening, learning is taking place. However, the opposite is often true, she feels.

A child's learning depends largely on how he perceives and feels about a situation. When parents are aware of these feelings, they can be helpful. This can come about by listening carefully to the child.

When there is reason to learn, a child learns. How, when and what a child learns, however, depends to a great extent on his surroundings, which includes people as well as things. Parents must know a child very well to know the best time for him to learn — and this, too, comes only from listening to the child.

Why a child talks or asks questions is not always clear or easy to recognize. Sometimes they are simply wanting information and sometimes they are seeking attention. They are both valid reasons—each as important as the other—but parents must realize that each requires its own special kind of response.

When the child asks questions to gain attention, the response is important on an emotional level. The child is

seeking to feel important to the person. Questions are important to adults, but to reveal deep areas of concern to the child.

Children generally are much more sensitive to parents than parents are to children. When parents don't listen, children don't listen, either. Such closing of communication seriously reduces the amount of learning taking place.

"Learning to listen well takes time and effort, but when you listen to your child, you'll learn a lot about him, and he will learn a lot about growing up," Mrs. Yates says.

RECORD ENROLLMENT AT CJS

Final enrollment figures at Clarendon College showed a slight increase over last year's record enrollment with a total of 237 students. This figure constitutes an all-time high registration for the college, and represents an increase of more than fifty-seven per cent over the enrollment three years ago. "Records have been broken each year, with 136 students enrolling in the fall of 1963, 189 in the fall of 1964 and 228 last fall," stated Mrs. Moore, Registrar at the college.

Enrollment figures include 159 men and 78 women, with students from 42 Texas High schools as well as from schools in New Mexico, Oklahoma, Kansas, Virginia and the Philippine Islands.

QUITAQUE TRIBUNE

breakdown of high schools presented in this year's enrollment include: Clarendon, Esteline, White Deer, Wellington, Childress, Wheeler, Memphis, Groom, Coleman, Quanah, Fallett, Amarillo Caprock High, Sidney, Stratford, Nixon High, Dumas, Dodson, Spearman, Como High in Fort Worth, St. Peter Claver High, Southwest High, and Robert E. Lee High in San Antonio, Canyon, Lockney, Claude, Samnorwood, Quail, Seymour, Pampa, Perryton, Lakeview, Flomot, Mobeetie, McLean, Higgins, Turkey, and St. Joseph High in Laredo, Lefors, Matador, Hedley, Miami, the Tell community, Wagner High in the Philippine Islands, Erick, Okla., Aliquippa, Pennsylvania, Mt.
