J. W. McDonald Died Last Friday

Word was received here last week of the serious illness of J. W. McDonald of Delta, Colo. His son, Horace McDonald, and his daughter, Mrs. Johnny Brummett, left Friday about 6:00 p. m. to go to his bedside. They drove to Spearman to go with another sister and her husband, Mr. and Mrs. J. C. Cates. When they arrived at Spearman they learned that their father had passed away. The Cates, Horace and Mrs. Brummett left about 10:00 p. m. for Delta.

Mrs. Horace McDonald and her brother, E. G. Reed, left here about 7:00 p. m. Saturday afternoon to go to Delta. They were met in Dalhart by Mrs. Roy Monk of Guyton, Okla. who accompanied them to Delta.

Funeral services were held Monday, October 2. An obituary will appear in next weeks edition of The Tribune.

FOSTER'S SON-IN-LAW DIES IN AUTOMOBILE ACCIDENT

Funeral services for Harvey A. Dockery, 49, of Rt. 6, Lubbock, were held at 10 o'clock Tuesday morning at the Rix Funeral Home in Lubbock.

Mr. Dockery, the son-in-law of Mr. and Mrs. H. S. Foster, was killed in a one-car accident near Bonham about 9 p. m. Friday as he was enroute to Arkansas for a visit with relatives.

He is survived by his wife, five sons, James, Steven and Anthony, all of the home, Ennis of Fort Worth, and Thomas, stationed in Korea with the U. S. Army; two daughters, Kathy and Janice, both of the home; his father, T. T. Dockery, Wickes, Ark.; four brothers, Carl Dockery, Wickes, R. V. Dockery, DeQueen, Ark., Calvin Dockery, Van, and Alvin Dockery of Lubbock; and one grandchild.

Among those attending the funeral were Mrs. H. S. Foster and Mrs. Cleo Smith and family of Quitaque; Jimmy Fred Foster of Irving; Zack Foster of Amarillo; Mr. and Mrs. Wilbert Barbican and family of Canyon; Mrs. Viola Hollingback and family of Amarillo; Mr. and Mrs. J. E. McKinney and family, Childress; Mr. and Mrs. Bobby Richardson and daughter, and Sidd Mapp, Amarillo.

J. W. HARVEY IS PATIENT IN AMARILLO HOSPITAL

J. W. Harvey was carried by ambulance to Northwest Texas Hospital in Amarillo early Tuesday morning.

Mrs. Harvey, who accompanied her husband in the ambulance, called Mrs. James May later in the day to report that Mr. Harvey is to undergo a series of x-rays and tests to determine the nature of his illness. He was resting some easier at the time Mrs. Harvey called.

CITY CLEANUP DAYS ARE HERE! Mayor Pete Rice, left in the above photo, Scoutmaster Jimmy Davidson and two of his Scouts, Alvin Ivory on his left and Dee Whittington standing in front, and Pioneer Natural Gas Company's local manager James Cathey, are about to begin slaying weeds and grass in one of the alleys here in town. The Lions Club is sponsoring the cleanup campaign. Mr. Cathey is also the Assistant Scoutmaster of the local Scout Troop.

Saturday, October 7 is Lions Club Cleanup Day for Quitaque.

Local citizens are asked to keep that day in mind, which will be Saturday of this week and to cooperate with the Lions Club in cleaning up the town, especially the alleys and vacant lots.

Bob Ham, who is president of the club this year, states that there will be two shredders available for use in the town, and the Boy

☆☆☆

Scouts are going to help out in the drive.

Residents who will need help of any kind in clearing their lots or alleys of weeds or other debris, or in getting weeds or grass cut, can get help by calling Bob Ham, or any member of the Lions Club.

In addition to the shredders, trucks will be available to haul off the trash and debris that will be gathered up. The Boy Scouts have volunteered to help anyone

☆☆☆

who needs help in getting their place cleaned up. Residents are requested that their trash be put in the alleys to be picked up. NOW is the time to start. Don't forget the date—Saturday, October 7.

Quite a few of the merchants and residents already have their alleys and premises cleaned up, not waiting for Saturday to do the job. Don't hesitate to ask for help if you need it.

Basketball Workouts Started This Week

Quitaque High School's basketball teams started workouts Monday of this week, both girls and boys teams hoping to take up where they left off last season and improving some on last season's records.

The two teams will be under the direction of a new coach this year, Travis Gilliland, who came to Quitaque from Memphis High School where he was head basketball coach and an assistant football coach, is the new Quitaque mentor.

To improve on last seasons records for both teams could prove to be somewhat of a chore. The Panthers won 34 games and lost 4 while winning district and bi-district championships, but lost in the first round of play at regional. To improve on that record would mean that the Panthers must advance to regional and win at least one game there.

For the Pantherettes, however, the task is more formidable, for if the Fighting Pantherettes improve on their past season, they must win a state championship, for the Pantherettes went all the way to the state finals last spring before losing to High Island.

The Panthers were hard hit by graduation, losing second-team all-state Monte Stephens, all-regional Bobby Cochran, and also starter Dale Ramsey. Two starters, however, return. They are 6-3 Roland Hamilton and 5-8 Lyn Payne. In addition to the two starters, Coach Gilliland will have lettermen Jimmy Pointer, Johnny Pointer, Pablo Leal, Jimmy Monk, David Brunson, and Billy Jack Loudermilk on his squad of hopefuls. Two freshmen are on the squad and will

probably see considerable action during the season. They are Stanley Price and Perry Brunson.

Prospects are very bright again for the Pantherettes in spite of the fact that their two tall girls, both all-staters too, Jill Johnson and Patricia Brunson graduated, and also losing Shirley Dowd, one of the Pantherettes quartet of fine guards, to the semester rule.

The remainder of the squad returns, including all-regional forward Carol Myers, and all-regional guard Lynette Taylor and all-district guard Billie Cheatham. Sherry Stark, forward, is the other starter returning. Other lettermen returning are Barbara Chandler, Jo Beth Merrell, Jackie Cheatham, Kay Cochran, and Glenna Ramsey. Other squad members are Pam

Loudermilk, Debbie Brunson, Beverly Rogers and Neva Dale Morrison.

This years Pantherette team is almost sure to be a faster-paced team than last year's edition and they are a dedicated bunch of basketball players. They have their sights dead set on the big trophy down at Austin. It will be, as usual, a fine interesting season. First games are with Girard High, here in the local gym on Tuesday night, October 24. Coach Gilliland has announced that two more games have been added to the schedule. The Pantherettes will play the Wayland College Queen Bees here on Friday, December 9, then on Friday, December 15 will play the Queen Bees in the Plainview High School gym.

MORE THAN 100 GAREIL CYPRESS TREES have been planted along the highway on the east and west entrances to town. In the above photo Tribune Editor Gaston Owens on the left, Mayor Pete Rice, and Lions Club President Bob Ham inspect one of the newly planted trees. The cypress trees are described as being drought resistant, about the same color as a Blue Spruce, and will grow to a height of about 30 feet. They will be from 12 to 15 feet wide at the base. The trees grow from two to three feet a year. The trees have been planted on both sides of the highway.

Mr. and Mrs. Rudell James, Ronnie and Gary of Amarillo spent Sunday afternoon with Mrs. Lieu Cantrell and Letha Mae Jacobs.

Mrs. Josie Johnston and David and Mrs. Wallace Johnston visited Sammy Johnston at Wellman Sunday.

Mrs. Shorty Woods and Mrs. Ralph Carter were in Memphis Monday where Mrs. Woods had a dental appointment.

Byron Young of Turkey was a dinner guest at the home of Mr. and Mrs. Ralph Carter last Sunday.

Joe Mack Jacobs, who is attending Amarillo College, spent the weekend at home.

TREES PLANTED AT CEMETERY

Bill Griffin has announced this week that 30 Gareil Cypress trees have been set out at the cemetery this week and will add much to the beauty of the cemetery.

The trees are of the same var-

ety that have been set out along the highway on the east and west entrances to town.

The trees are described as being very drought resistant, and are almost the same color as the Blue Spruce.

Mr. Griffin said that if those who have loved ones there or who own property in Rest Haven and would like to help out with the project, \$3.50 will pay for one of the trees. Quite a number have already paid for a tree.

P-TA To Meet Monday Night

Monday night, October 9, is the regular meeting night for P-TA.

A very enlightening program, "Youth's Responsibility for Better Neighborhoods" will be presented by a panel of high school students, who will be under the direction of Mrs. Jake Merrell and Mrs. Billy Wise. Those to be on the panel will be Rhonda Rogers, Billie Sue Cheatham, Jo Beth Merrell, Jackie Lou Cheatham, Becky Berryhill, David Brunson, Jerry Merrell, Robert Pierce, Oliver Clark, and Ronnie Hutcheson. Lynette Taylor will act as moderator.

A color film, "Our Schools Have Kept Us Free," will also be shown.

Everyone is urged to make a note to remind themselves to attend the meeting Monday night and support the young people of this community as they present this program.

Monday night will also be the night to fill out a subscription to the Texas Parent-Teacher Magazine.

NEW ARRIVAL

Mr. and Mrs. Dwayne Smith are the proud parents of a baby girl born Friday night at 8:30 in University Clinic at Lubbock. The baby weighed 7 lbs., 9 ozs. and was named Lori Leigh. This is the first child for the Dwayne Smiths. The mother and baby are staying with her parents, Mr. and Mrs. Edd Porter at Floydada while the father is stationed aboard a submarine with the U. S. Navy. He is scheduled to leave the States October 14 and will probably not see his new daughter before leaving. He is stationed in South Carolina.

Paternal grandparents of the new baby are Mr. and Mrs. Roy Smith of Quitaque, who spent Sunday with Mr. and Mrs. Willie Bradshaw and family at Floydada, driving to Lubbock Sunday afternoon to see their new granddaughter and her mother.

MEETINGS SET TO DISCUSS 1968 FEED GRAIN PROGRAM

Open meetings to discuss the feed grain situation and program alternatives for the 1968 Feed Grain Program were announced today by Ralph T. Price, Chairman, Texas Agricultural Stabilization and Conservation State Committee. The meetings starting at 10:00 a. m. will be held in Vernon, Texas on October 5, at the Wilbarger Memorial Auditorium and in San Antonio, Texas on October 6, 1967, at the Sheraton Motor Inn, 1400 Austin Highway.

Leaders and representatives of farm organizations, commodity producer groups, and trade groups interested in feed grain are being invited to come and present their views. Anyone who is interested in the feed grain program is welcome to attend.

The Chairman explained that the meetings are two of a series being held in major feed grain states to provide farmers and other interested people an opportunity to express their views and recommendations on the feed grain program for the 1968 crop year.

Representatives of the Secretary of Agriculture will attend each meeting to discuss the feed grain situation, review the various provisions of the feed grain legislation, and outline program alternatives for the 1968 crop.

Actual, the situation feed grain producers face this coming marketing year is a new one. Whereas the feed grain carryover in 1961 was \$4.7 million tons—about twice as much as needed to provide reasonable protection against adverse weather—the carryover stocks as of October 1, 1967 for 1967-68 marketing year now are expected to be in the neighborhood of 37 million tons. With all 1967 feed grain production indicated at 175.4

million tons (including the biggest corn crop in history) the total supply should be about 8 percent larger than one year ago. Expressed another way, there will be a carryover of all feed grains of 40 to 45 million tons. This is considered by many to be an adequate carryover to the following season but not an excessive one.

The problem at this time, therefore, is no longer one of surplus. Neither is it one of scarcity; rather it is a problem of maintaining as safe supply in relation to demand while insuring reasonable returns to producers. The Department wants the advice of farm leaders familiar with the program and its purpose before making decisions for the 1968 crop year.

Matters to be discussed at the meetings will include the feed grain supply-demand situation; the size of the 1968 production needed and the acreage to be diverted to conserving use in order to achieve that desired level of production under average weather conditions; the various levels at which the diversion percentage, diversion payment rate, the price support payment rate, and the loan rate might be established for 1968; whether soybeans might again be substituted for feed grains; and other miscellaneous problems and decisions of importance.

Anyone who was unable to attend the meeting in person but who wishes to make a recommendation may submit his ideas in writing to the Secretary of Agriculture as soon as possible but not later than October 10. All recommendations will be given careful study by the Department. Various phases of the 1968 Feed Grain Program will be announced soon, possibly in late October.

MRS. CECIL RICE HAS BEEN MOVED TO PLAINVIEW

Mrs. Cecil Rice was moved by ambulance from the hospital in Dallas to Heritage Homes in Plainview a week ago Friday of last week. She is allowed to have visitors. Mrs. W. W. Cain, Mrs. C. E. McElyea and Mrs. B. E. Myers visited Mrs. Rice Tuesday afternoon of this week, and also visited Mrs. J. N. Hamilton.

Mrs. Rosa Mayes, mother of Dude Mayes, returned to her home here after being away three weeks due to illness. She spent 11 days in the hospital at Groom, then went to the home of a son in Amarillo. Dude has been with his mother and asked The Tribune to report that he is home again and on the job now.

registry table was covered with a white linen cloth and centered with an arrangement of blue organza flowers. After registering, the guests were directed to the display of gifts which included bedspreads, stainless steel tableware, a mixer, cooking utensils, towels, rugs bath sets, two sets of pillows, and other items too numerous to mention. The hostesses' gift was a set of Melmac dinnerware.

Refreshments of rolled sandwiches, cookies, nuts and mints with spiced tea were served with silver and china appointments. The serving table was laid with white linen cloth centered with a mobil in the form of a merry-go-round with blue wedding bells suspended from satin ribbon. This was surrounded by blue organza flowers and also featured the traditional blue garter.

Hostesses were Meses. J. W. Lyon, John King, O. R. Stark, Jr., Amelia Johnson, Bill Rucker, Josie Johnston, Wallace Johnston, Bill Helms, H. B. Finney, R. J. Harmon, Johnny Brummett, J. P. White, James May, Reg Cushenberry, J. T. Rogers, Jr. Jack Chandler, and Miss Minnie Mae Roberson.

Out of town guests included the mother of the prospective groom, Mrs. S. P. Smith, and also Mrs. G. O. Coker and Mrs. Carl Brown, all of Turkey.

There were thirty-five guests who registered.

"HAWAII" THEME FOR CHAPEL CHOIR KICKOFF BANQUET

By Eddie Owens

The Chapel Choir had its kickoff banquet Friday night, Sept. 29, in the basement of the First Baptist Church.

The theme of this year's banquet was "Hawaii" and Beverly Rogers and Lyn Payne presented leis to choir members, guests and chaperones as they arrived in the corridor of the church. Mrs. Orlin Stark served each guest Island punch.

The auditorium of the church had been set up for taking souvenir pictures for those attending and Gaston Owens took a number of photographs of the people there, all dressed up in their Hawaiian costumes.

The group then retired to the basement where the Hawaiian theme was carried out in the decorations in the form of ocean waves, blue skies and stars, palm trees and a beach, along with

other articles to signify the Hawaiian motif. Table decorations included alternated bowls of fruit, and flowers. The head table carried a beautiful centerpiece of fruit and flowers centered with a huge pineapple.

Before the group was seated, the Rev. Bill Curry lead the invocation. The ladies who were serving brought plates of delicious food which consisted of Hawaiian Ham, whole green beans, hot rolls and butter, tossed salad, iced tea and lime sherbet.

Following the meal, three Hawaiian "girls" presented a song, "Hukilau." The trio, dressed as hula girls, were accompanied on the ukelele by Gail Tyler. They were Scotty Stark, Randy Berryhill and Lyn Payne. The next number on the program was the orchestra, consisting of Rhonda Rogers, Beverly Rogers, Jackie Cheatham, Eddy Curry and Eddie Owens. Mrs. O. R. Stark then installed the new officers for this school year.

O. R. Stark presented the guest speaker, Gwin Morris, of Wayland College, who is a history professor director of Religious Activities. He was accompanied at the piano by his wife as he sang two numbers, "Climb Every Mountain" and "The Quest." These musical numbers fit into his message to the group. He presented several inspiring thoughts.

The Choir sang the chorus of "His Way Mine" and Jimmy Monk led the benediction.

BAPTIST W.M.S. NOTES

The ladies of the Baptist W. M. S. met Tuesday morning at 10 o'clock at the church for Royal Service Study with twelve ladies present. The president, Mrs. R. J. Harmon, called the meeting to order, and conducted a short business session. The song, "Break Thou the Bread of Life," was sung.

Mrs. A. C. Barrett opened the Call to Prayer with a reading of the Scripture found in Acts 2:12. After the devotional she read the names of missionaries who had birthdays that day. She led in prayer for these missionaries and the work they are doing.

Mrs. Orlin Stark read the minutes of the previous meeting and the names of the new W.M.U. officers.

The program was turned to the

chairman, Mrs. A. E. Gragson, who presented a very interesting question study on Buddhism. The Scripture, Gal. 2:16, was read by Mrs. Bill Curry. The subject of the program was Modern Buddhism in the U. S. A. Mrs. Gragson presented the "Original Teaching of Buddha," assisted by Mrs. Orlin Stark, denoting the contrasting

beliefs of Christianity and Buddhism.

Mrs. Jim Stroup presented a very interesting lesson on "Buddhism in California" which began sixty-nine years ago. Mrs. John Rogers presented the concluding lesson on "Buddhism in the State of Hawaii." Mrs. Harmon lead the closing prayer.

SILVERTON YOUTH TO COMPETE IN NATIONAL TRACTOR CONTEST

Larry Comer, Silverton High School Junior will represent Texas in the Western U. S. 4-H Tractor Operators Contest to be held October 8 through 10 at the University of Nebraska, Lincoln.

He will receive an expense-paid trip to this event provided by Humble Oil and Refining Co., donor of tractor program awards in six Southwestern States.

Comer has had plenty of experience driving a tractor on his dad's farm in Briscoe County. His parents, Mr. and Mrs. Leo Comer, have encouraged their son to participate in the 4-H Tractor Program and have given him definite responsibilities for farm equipment maintenance at home. He has completed 7 years of 4-H Tractor projects and spends many hours in operating farm equipment. Young Comer, a member of the County-Wide 4-H Club, has competed in the county tractor operator's contest 4 years, winning this year's county event. His club leader and coach is Joe Bob Watson, was the state champion in 1965 and competed in the regional contest that year.

Starting off with a written quiz on safety, mechanics and other aspects of tractor care, each contestant performed a daily check-up on the tractor and demonstrated his driving skills with a two and then a four wheeled wagon attached. Penalty points were deducted for violations of safety rules, excessive time, faulty operation and check up, and incorrect quiz answers.

The operator's contest and the 4-H Tractor program are conducted by the Cooperative Extension Service of Nebraska. More than 1000 4-H members currently are enrolled in the 4-H program in Texas.

TEXAS 4-H MEMBERS OBSERVING THEIR WEEK

A four-leaf clover is the symbol of good luck to many people, but to some 76,000 Texas 4-H Club members it is part of the emblem of their organization and a lot more.

The roots of 4-H go deep in Texas. Boys and girls for more than 60 years have been proud members of the organization. As has been the case for many years, they will join with some two and a quarter million members and 23 million former members in the nation in the observance of National 4-H Club Week, September 30 through October 7.

During the week, according to the state 4-H Club office, Texas members will be out to tell of the past year's achievements and their plans for the year ahead. For boys and girls between the ages of 9 and 19, 4-H offers opportunities to develop good character and leadership.

Learning to work together and accept responsibility along with exploring career opportunities and learning skills are all a part of the Texas 4-H Club program, the 4-H specialists said.

In Texas and across the nation, 4-H Club work is directed in the counties by the county Extension agents with the assistance from both adult and junior 4-H leaders. In Texas, more than 13,000 volunteer adult leaders work with the members of more than 2,500 local 4-H Clubs "To Make the Best Better." Statewide the 4-H program is guided by Texas A&M University, the state's land-grant university. Nationally, the U. S. Department of Agriculture administers the program as the youth phase of the cooperative Extension Service.

Local County Extension agents invite youth and their parents who are interested in knowing more about 4-H projects and activities to visit their office for detailed information.

JEHOVAH'S WITNESSES RETURN FROM ALTUS MEETING

"Will God Interfere in Men's Affairs?" A. A. Catanzaro in closing out a circuit meeting of Jehovah's Witnesses Sunday in Altus said, "God's loving interest in men's affairs prompted Him to give His only begotten Son. In order that everyone exercising faith in Him might not be destroyed but have everlasting life."

Catanzaro, district supervisor of 10 circuits in Oklahoma, Texas and New Mexico, said, "To keep our mind in the proper channel, God's Son taught us to pray. Let your will take place, as in heaven, also upon earth."

Speaking to the 478 in attendance, Catanzaro said, "We should feel honored that the perfect God of the universe gave us a book of instruction, the Bible, to guide men back on the road of life and peace in a paradise earth."

Carl Silva, circuit supervisor of the 15-congregation assembly, in his closing talk, "Showing Kindness to Others," said, "Kindness is a fruitage of the spirit and must be cultivated to oppose the works of the flesh."

Silva has received an assignment for a West Texas-New Mexico circuit from the directive agency, Watchtower Bible and Tract Society, and R. N. White from a circuit in Arkansas is assigned to supervise Texas Circuit 9 and prepare two assemblies yearly.

The overseeing minister of the Quitaque Congregation, V. D. Tiffin said, "The purpose of the three-day training program was to fortify us in 'Walking Orderly by Spirit' in the face of increasing lawlessness."

4-H is a Community Affair!

4-H CLUB ACTIVITY centers around the home and family, but it doesn't stop there. In hundreds of communities, 4-Hers are working hand-in-hand with adults to make way for better living. Safety rodent control . . .

sanitation . . . landscaping . . . home improvement . . . health—these are only a few of the campaigns 4-H members are waging for more desirable community life.
