

Quail at Clarendon

The Valley Patriots and the Quail Quails tangle tonight at Clarendon College to determine the winner of the round robin schedule and the right to be seeded Number 1 in the upcoming district tournament to be held at the same site next week. Being seeded No. 1 means that if the winner of the district tournament is someone other than the No. 1 seed, then there must be a playoff between the district winner and the round robin winner.

The District Tournament begins Monday night of next week in the Clarendon College gym. The first game will start at 7:00 p.m. and will match Hedley and Lakeview. The second game will start at 8:30 and will match Samnorwood and Estelline.

If Valley wins over Quail towill play one of the Monday night winners. The games will start each night at 7 with the exception of the championship finals on Friday night. That game will start at 7:30.

Tuesday night of this week the Valley boys drove over to Clar-Wellington Skyrockets, champions of District 2-A, in a warm-up game and the Patriots came off winners of the contest, 62-58.

You can find out about your own blood pressure with this free, simple check-up. Most likely, it will be within a normal range. But if it's high, you're much better off knowing about it. Your doctor can then do something a bout it.

Your chance of having hypertension is about one in ten. It's worth finding out by having your blood pressure checked on February 27. It will take about 15 minutes, it's free and it won't hurt. If you care about your health, you can find 15 minutes out of a busy schedule to stop by the Community Building on the 27th and have your blood pressure checked.

Boy Scout Drive Planned In March

The Quitaque Lion's Club will conduct the annual Sustaining Membership Enrollment for the South Plains Council - Boy Scouts of America during the first part of March. The kick-off meeting will be held during the Lion's Club meeting on Monday, March 1. The campaign chairman is Jim Davidson.

"The Quitaque Lion's Club sponsors the Scouting program here. We have a very active Cub Scout Pack headed by Weldon Hall. Our Scout Troop is in the process of being reorganized. We've always had a good Scouting program here and we plan to continue in the future," said Davidson.

The South Plains Council is made up of communities in 20 counties in the central panhandle. The funds raised in Quitaque go to help maintain the program for Scouts in this area. The South

"LIBERTY...

...and that junk"

Not everyone has caught the spirit of this Bicentennial Year. There's a cynic in town who is already complaining about our emphasis on "liberty — and that junk."

He's the same cynic, incidentally, who has been heard to berate "religion - and that garbage."

But the shouting of cynics cannot change the fact that these two hundred years of American history stand on the foundations of freedom and faith.

This is the heritage we carry forward into our third century. Always remember that there are those who wish they were free to worship with us in our churches every Sunday!

No segment of the economy has ever changed so fast and so completely as has agriculture during the past 60 years. When these changes have required capital, your Federal Land Bank has been a primary source of funds. There will be more changes. But we believe that a free agriculture—based on the family-operated farm or ranch—will continue to flourish

SHARING THROUGH PRAYER

In our time many are stopping short of their goal of fulfillment by substituting temporary glamour or excitement. But James lauds prayer as our guideline toward fulfillment. Prayer is the most satisfying outlet for our emotions when we are overflowing with joy, for it is in prayer that we can fully share our appreciation for God's wonderful blessings. In prayer we also find relief from doubt and care because we know that he cares for us. And when we are sick we can pray, knowing that there is a great purpose in his will who even sees the sparrows fall!

Because God has created Christians anew, we long to be unselfish and expressive people. We want to give God the glory when we are especially happy and blessed. We will also give him the burden when we suffer and we will give him our trust when we are sick.

In the family of God we have this same attitude of sharing toward our brethren. We help to fulfill each other when we rejoice with the happy, share our faults and burdens, and pray frequently for each other. Prayer is the decisive factor in the Christian life. One has written: "Lord, what a change within us one short hour Spent in thy presence will prevail to make!"

The Bible teaches: "Rejoice in the Lord always: again I will say, Rejoice . . . let your requests be made known to God. And the peace of God, which passes all understanding, will keep your hearts and your minds in Christ Jesus" Philippians 4:4

Have a nice day. CHURCH OF CHRIST "Come GROW With Us" WHAT you are is GOD'S gift to you. What YOU make of yourself is your GIFT to God.
