**Auxiliary Has
 Monthly Meeting**

The Firemen's Women's Auxiliary met Thursday night, March 1, for their regular monthly meeting. The ladies had received the T-shirts and postcards they had ordered for resale. The T-shirts have a copy of the Quitaque City Limit sign on them with the city's slogan, "Small in Size—Big in Pride," below the sign. The postcards have a picture of the famous railroad tunnel on the front.

The women decided to sell the adult-sized shirts for \$6.50 each and the children-sized shirts for \$5.50 each. The postcards are 10 cents each. Anyone interested in having a shirt or postcards may call 455-1429 or 455-1100 or contact any member of the Auxiliary. The proceeds from the sale of these items will go to help pay for needed equipment for the Fire Department.

The ladies also made final plans for their upcoming Chili Supper, planned for Friday, March 16. Everyone in the community is invited to come, enjoy the food and games, and help raise money to pay for an air pack needed by the firemen for entering burning buildings.

**FARM SALE CONCESSIONS
 PROFIT "WE THE WOMEN"**

by Lynnette Barefield
 As a result of the Lions Club Annual Farm Sale held recently, "We the Women" netted a good profit. With the help of scores of volunteers, approximately \$266 was earned.

The March 1 balance of "We the Women" stood at \$1862.65. There were 24 women attending the noon luncheon Monday in the Quitaque Community Center.

Hostesses Lorna Powell, Susie Tiffin and Carol Ramsey prepared a setting centered around St. Patrick's Day. Shamrocks were the colorful display at each table.

Johnnie and Judy Morrison, new chefs for "We the Women," also served their meal in the traditional spirit of the Irish.

Janice McCain, who works with the West Texas Utilities office in Childress, presented a program of helps and hints to conserve time and energy in the use of electrical appliances.

"We the Women" has voted to

The members of the Firemen's Women's Auxiliary appreciate very much the support and cooperation the community has given them in helping to acquire equipment for the Fire Department.

The new parking lot is a project that residents and visitors alike will appreciate for a long time to come.

Saturday, March 10, has been designated as a Community Clean-Up Day in Quitaque. "We the Women" urges you to come and join in the effort of improving the landscape in your city.

Work will begin at 9:00 a.m. at the Community Center. A noon luncheon will be served to all who want to pitch in, and to their families.

Mr. and Mrs. Wayne Whittington visited their son and family, Mr. and Mrs. Dee Whittington and son, in Lubbock Sunday afternoon.

Mrs. Roy Hunter returned home Monday from Lockney General Hospital after spending the past five days there. Mrs. Hunter had one of those freak accidents in her home. She keeps children for working mothers. She had a child in her arms and stepped on a little tractor, injuring her back. She is improved but will be incapacitated for a few more days.

Mrs. Edna Taylor has been spending a few days with her brother, Jesse Roberts of Mc-

Lean, who had surgery in High Plains Hospital in Amarillo last week. He had been in the hospital beginning his third week and is some improved.

Visitors in the home of Mrs. Mildred Hulsey Sunday evening were Mr. and Mrs. Loyd Hulsey and girls of Hereford and Mr. and Mrs. Oliver Clark and Denise.

The Gaston Owens drove to Plainview Sunday to visit the Bill Ebbs and Mrs. Olive Owens. They found Mrs. Owens not feeling well.

Mrs. James (Duke) Woods spent St. Anthony's Hospital in Amarillo Monday of last week

and underwent back surgery Thursday. Her daughter, Mrs. Jimmy Ross, reports she is improving well and will be in the hospital ten days after surgery, barring complications. She will probably be home the latter part of this week.

WHAT IF...?

What if your neighbor suddenly drops to your floor—he is not breathing and he has no pulse?

What if your child became choked on a piece of food, and soon began to turn blue?

What if you began choking, and there was no one around to help?

What if your husband or wife felt a crushing sensation in the jaw or arms? Would you suspect a heart attack?

And what if you could get to the telephone, and call the ambulance—but help was 10 minutes away?

In all these instances, you could very likely become a wit-

ness to death.

Or you could take proper action and save a life—perhaps your own.

Quitague has a group of people who are serious about saving lives. They are called EMTs—Emergency Medical Technicians.

But they cannot always be in a place of emergency at the right time.

The first 4-6 minutes after a person's heart and breathing stops are the most critical. Afterwards, there may be irreversible brain damage and death.

That is why your EMTs are serious about teaching you what actions to take in emergency situations such as those listed above.

Four EMTs have been certified by the American Heart Association to teach you basic emergency life-saving techniques called CPR—cardiopulmonary resuscitation, and the Heimlich Maneuver.

These EMTs are Elgin Conner, David Brunson, Jerry Maupin and Lynnette Barefield. Other local EMTs have volunteered to help organize and conduct the classes.

They will teach an eight-hour course that will be held from 7-10 p.m. on March 20, 22 and 23. At the end of the course, all those who pass a skills exam and a written exam will be issued a card of certification from the American Heart Association.

There will be a small fee of approximately \$2 to cover the cost of renting the Community Center.

The class will be limited to 30 people. If you are interested in learning these life-saving techniques, you must register at Brunson supply or Caprock Home Center.

Because the response to this program is expected to be high, this is only the first of several classes to be taught.

Please give some serious thought to a very serious matter—and then do something about it.

Miss Karen Lee Eudy, bride-elect of Doug Phillips, was honored with a lovely bridal shower Sunday, March 4, in the Turkey Church of Christ Fellowship Hall.

Guests called between the hours of 2:00 and 3:30 p.m. and were registered in the bridal book by Dorothy Maxwell. The registration table was covered with a white lace cloth with a light turquoise liner.

Evelyn Hutton poured coffee from a silver service and Claudia Hawkins served lemon slush punch. Guests were also served lemon squares, nuts and light turquoise and rose mints with crystal and silver appointments.

The serving table was covered with an antique white lace cloth over an orchid liner. A beautiful arrangement of silk flowers in Karen's colors of turquoise and orchid centered the table, flanked by white embossed tapers. The centerpiece was a gift to the couple from Rex and Charmaine Adamson.

The hostess gift, an Oster Kitchen Center, was displayed on a table covered with a white lace cloth over orchid liner.

Out-of-town guests were Mrs. James Jennings, Canyon, Doug's grandmother; Kathy Hodges, Tulsa; Jill Eudy, Lubbock; Laura Fields, Claude, and Mrs. S. C. Brown, Quitague.
