

# THE MULESHOE JOURNAL

Dedicated to the Progress and Development of Bailey County and the South Plains of Texas

TWENTY-FIFTH YEAR, NO. 3

MULESHOE — COUNTY SEAT OF BAILEY COUNTY, TEXAS

THURSDAY, JANUARY 16, 1917

## Mr. Muleshoe

"The citizens of Austin request the honor of your presence at the Inaugural Reception honoring Governor Beauford H. Jester and Lieutenant Governor Allan Shivers, Tuesday, January the twenty-first, nineteen hundred and forty-seven, Austin, Texas.

Thus read the invitations being mailed out over the state now by a committee of Austin people. The one mailed to this editor bore the name of Allan Shivers.

And, so another regime takes over in Texas in a few days, and Old Coke will return to his sheep and cattle ranch around Junction.

The new officials go into office under the most auspicious circumstances, and with the wish of the populace for a successful administration. And there is one thing the people will watch. Not too long ago the Texas General Fund operated from year to year on a deficit basis. As Coke Stevenson steps down, the state general fund has an operating surplus of some 40 million dollars. I don't believe we should insist on that fund's growing, but I believe everybody hopes it will continue to operate with a plus balance.

## Muleshoe Boys Edge Levealand

Muleshoe high school basketball boys nosed out Levealand high in a conference game on the local floor Tuesday night, 39 to 17.

Dewitt Tiller was high point man of the game, racking up 18 points for his side, and Bill Jim St. Clair came in second with 8 points to his credit.

Muleshoe starters were: Huff and St. Clair, forwards; Tiller, center; Lowry and Tibbets, guards. Others who played a part of the game were Fuston McCarthy, guard; LeVeque and Sanders, forwards.

Coach Jerry Kirk announced the Yellow Jackets have now played 6 conference games, and have won 3 and lost 3 for a .500 conference standing. The team will enter a tournament beginning today at Bovina and one at Amberst beginning January 30 for both boys and girls.

Muleshoe B team won Tuesday night over Bula 14 to 12. In this game, played after the Levealand-Muleshoe game, LeVeque was high scorer with 9 points.

## New Odd Fellow Officers Take Over

Muleshoe I. O. O. F. Lodge met January 7 for joint installation of officers to serve the next six months with Littlefield and Needmore I. O. O. F. groups of Littlefield and Needmore, at Littlefield.

District deputy Neil Rokeye, of Muleshoe was in charge of installation. The Muleshoe Lodge installed: Noble grand, Chester L. Anderson.

Secretary, Richard O. Moore. Fin. Sec., D. L. Aylesworth. Treasurer, W. M. Dudley. Chaplain, Elbert Nowell. Right support to N. G. Royce Garth.

Left support, to N. G. J. A. Lorraine. Right support to Vice grand, Dee Lorraine. Left support to vice grand, L. A. Green.

Warden, Bill Whalen. Conductor Henry Scarbrough. Right scene support, Randolph Johnson.

Left scene support, D. Daily Howell. Inside guardian, A. H. Owen. Outside guardian, Tom L. Smith.

Amrina Aylesworth had the thrill of her first cross country plane ride a few days ago. Claude Aylesworth, brother of her father, Dave Aylesworth, flew over from Kermitt in his new plane and took Amrina with him to Platoro to visit the grandparents and other relatives.

## Valley Theatre

Doors open at 6:45 p. m. Show begins 7:00 p. m.

Sat. - Sun. Matinee starts at 2 and continues without a break.

Saturday, January 18 LEO GORCEY with THE BOWERY BOYS in "IN FAST COMPANY"

Sun.-Mon., Jan. 21-22 "HOLIDAY IN MEXICO" with Walter Pidgeon, Jose Hurbel, Roddy McDowell, Jane Powell

Tues.-Wed., Jan. 21-22 "GAY BLADES" starring Allan Lane, Jean Rogers and Edward Ashley

## March of Dimes Begins

Governor-Elect Beauford Jester pledged every co-operation in the annual March of Dimes sponsored by the National Foundation for Infantile Paralysis. He is pictured with George D. Wilson, Texas chairman for the fund-raising campaign, which is now under way throughout Texas and will continue through January 30. George Waverly Briggs of Dallas and W. L. Clayton of Houston and Washington also are serving as Texas chairmen.

## March Of Dimes Co. Committee Named

Texas have again been asked to do their share in the unending fight against infantile paralysis in the annual March of Dimes which opened in this state January 15. The appeal will continue through January 30, the birthday of the late President Franklin D. Roosevelt.

A proclamation setting the latter half of January aside for the annual appeal was signed by Governor Coke Stevenson in the presence of Governor-elect Beauford Jester and George D. Wilson of Houston, Texas chairman of the National Foundation for Infantile Paralysis.

Although Texas are not assigned a specific quota, they are expected to give liberally under the grim reminder that the epidemic of poliomyelitis which raged in this state last year. The national goal set by Basil O'Connor, foundation president, at \$24,000,000, must be raised through the March of Dimes. The money will continue the care and treatment of polio victims, of whom there were 25,000 last year, and prepare against new outbreaks of the disease in 1917.

Both Stevenson and Jester applied their personal efforts to the Texas drive and asked Texans to support it wholeheartedly.

Wilson pointed out that the National Foundation for Infantile Paralysis is totally dependent on the American people; it has no endowment or other means of financing its work. During the nine years of its existence, millions have been spent to equip hospitals, care for victims and carry on research into the cause and possible cure of polio.

The foundation was inspired by the late President Roosevelt, the most famous sufferer of polio, and his birthday has become the occasion for memorial gifts to the organization he loved.

## Jenkins Expected To Star Again In Lubbock Gloves

Lubbock, Jan. 16.—At least four of the sensations of last year's Golden Gloves tournament will be back in action Jan. 27 to 29 in the district tourney in Texas Tech gymnasium, sponsored by the Avalanche-Journal and Double-T association of Tech.

Entries have been received from Curtis Lebow, Lubbock lightweight champion; Pete Jenkins, Muleshoe welterweight and younger brother of Lew Jenkins, former world lightweight champion; Chas. Neff, slugging Petersburg featherweight; and Bill Henderson, Tech featherweight who has been approached by professional fight managers.

Lebow, now a resident of Lubbock, but who fought under Abernathy colors previously, was the district champion for the past two years and gave a good account of himself in the state finals in Fort Worth.

Jenkins was defeated in the finals last year by Ralph White, Petersburg battler, and winner of virtually all of his fights in the past three years.

PLEASE watch out for Engineer's Stakes along farm to market roads.

## Fire Dep't. Is Reorganized

A rejuvenated Volunteer Fire Department began functioning here Monday night when representatives of many business houses met at the city hall, after having been warned by the State Fire Insurance Commission that a drastic increase in local insurance rates will be imposed unless a more efficient fire department is organized.

Among other things, the State Fire Marshal wants to see regular drills, regular periods of study, and a regularly functioning fire department before he abates his threat to hike rates here.

Julian Lenua, mayor, brought the details of the current situation before the Chamber of Commerce at its meeting last Friday.

To help build up the esprit de corps of the department, the body appropriated \$200 to help equip a club room for the members and in informal discussion several business men present offered to donate money privately to the firemen.

The group Monday night voted to proceed with organization. Bill Boothe was re-elected fire chief, and O'Neil Rokeye was chosen as assistant chief. Meeting nights were designated on the second and fourth Monday nights, the next regular meeting to be a week from next Monday night.

M. F. Harris was elected secretary of the organization and Houston Hart was named treasurer.

A rules committee is composed of Earl Ladd, M. F. Harris, Chief Jones, and Clinton Bristow.

After the initial group enters, membership will be by election.

## R. E. Martin, 67, Died Last Sunday

R. E. Martin, 67, retired farmer of the Randlett, Okla., area, died in a Temple, Texas hospital, early Sunday, morning, it was learned here.

Funeral services were conducted at Randlett at 2 p. m., Tuesday, January 14, by Rev. A. E. Harrison. First Baptist Church pastor and interment was in Burkburnett cemetery. Pallbearers were Otis Green, Charles Hall, Less Coff, 18 1/2 Sanders and Lee Rose, all of Randlett, and Willis Bartley, Burkburnett.

Mr. Martin lived with his son, Ira Martin and family in the Prosser community since July. He entered the Temple hospital two weeks before Christmas.

He is survived by his wife, of Randlett; two daughters, Mrs. Alma Covel, Stonewall, Okla., and Miss Wanda Martin of Burkburnett; eight sons, Ira of Muleshoe, Raymond of Palestine, George of Lenoir, Wyo., Ott of El Monte, Calif., Grant of Denver City, Doyle and James of Hobbs, N. M., and a sister, Mrs. Ellen Auston, Mariposa, Calif.; seven grandsons and six granddaughters.

## Vocational School Will Open Here February 1-Grissom Will Teach

Opening of the Veterans Vocational School in Muleshoe, has been set for the first of February. F. W. Jones, of the Vocational Agriculture Department of the High School announced this week.

He said Kenneth Grissom, graduate of Tech College, majoring in Agriculture, will teach the school. Grissom is farming northwest of Muleshoe.

A meeting of all prospective students and the instructor and school officials is scheduled for Saturday, February 1, when details will be made known. The meeting will be in the district courtroom in Muleshoe.

The school, which will be devoted to agriculture subjects, will be open to all veterans, who are entitled to benefits under the GI Bill of Rights, and who are interested in the course.

In addition to the above qualifications, the student must be either a land owner or a renter, certification of which must be on file in the county clerk's office.

The same rate of pay will prevail as if the student were attending college: \$65 per month for single men, \$90 for married men. Classes likely will be held at night.

Additional men are needed for the course, but it will begin in February regardless, Jones said. For there are now fifteen men signed up. Officials ask that those who have signed up go to the Service Officer, Connie D. Gupton, to find whether they have completed all necessary papers, and state whether they are still interested in taking

## Annual Fat Stock Show Set March 22

### Commissioners Set County Salaries

Salaries of county officials and of other county employees were set when the commissioners court met here Monday. County Judge Cecil H. Tate said. He said the county offices will operate on the fee basis the coming year, rather than on a salary basis as in the past.

The court will resume the session the coming Saturday to open bids on road machinery and expects to close the deals for machinery at that time.

The court approved a land owners' consent to open a road in the Maple community. The consent was signed by J. S. McElvey, Ben F. Wright, R. E. Caldwell, H. H. Briggs, J. A. Lee, Carrie Wilson, and E. J. Wilson.

### Girl Scouts' Troop Organized

Miss Elizabeth Dozier, area field director for the Southeast New Mexico Area Girl Scouts, has been here organizing a troop. Mrs. T. R. White and Mrs. Francis Langford will be leaders of the Muleshoe troop.

Because troops are kept small, 20 to 30 girls, many girls who wanted to be Scouts could not be in the first troop. The first meeting of the troop will be held Thursday at the elementary school building immediately after school.

The girls attend four meetings, pay their national dues and know their Promise and Laws and at an investiture ceremony after these meetings will become tenderfoot Scouts.

Miss Dozier stated that many girls of Muleshoe would like to become Girl Scouts but without interested adults who are willing to be leaders or a troop committee worker this desire cannot be achieved.

If anyone is interested they may call Mrs. Noel Woodley at the school office. Miss Dozier will be in Muleshoe early in February and will be glad to meet with interested persons.

### DAVID WYER ENJOINED

David Wyer, 16-year-old son of Mr. and Mrs. H. Jay Wyer, had an arm broken and sustained cuts and bruises probably of a minor nature when the motorcycle he was riding was in collision with an automobile late Wednesday afternoon. He was taken to Green Hospital and Clinic in Mrs. Ray Griffith's automobile. The accident occurred at the intersection of the two highways.

## Surveys On Paved Roads Being Rushed

### Lionism Eulogized At Wednesday Meet

Lion Lee Pool, in charge of the day's program at the Lions luncheon Wednesday, gave members some timely information about their international organization and some appropriate thoughts about the idea behind the Lion movement.

Letters of the word Lions stand for the slogan, Liberty, Intelligence, Our Nation's Safety, he said. Because it is an organization composed of business and professional men whose object is service to the community, Lionism has continued to grow with each passing year, and even increased during the stringent war period.

Members voted to sponsor the organization of a club at Farwell, S. A. Ribble, pastor of the Church of Christ was a guest of Lion Hoyt Morgan. Several new members are being taken into the club during the present month, honoring the founder, Melvin Jones, whose birthday was Wednesday.

It is a modern film of moving and talking pictures. You will learn more through this picture about the influence and power of God in the church, and through the Bible, than you can learn through sermon and reading. Children and Young People of all denominations should see this marvelous picture. All are welcomed. Picture free to all.

Please call in your news or send it in. Phone 54-The Journal.

March 22 has been set as the date for the annual Bailey County 4-H Club and FFA Fat Stock Show, and Sales Sponsors of the event have announced. The show will be held in the facilities of the Muleshoe Livestock Auction Company under the present plans.

The show will feature twice as many fat animals as were shown last year, about 35 to 40 calves and around 20 fat hogs.

A preview tour of the farms where the boys are fattening the animals is planned for February 10.

Officials pointed out that the date selected will give the local boys time to get their animals to Lubbock for the opening of the annual spring show there on the 24th.

Some of the fat barrows and calves will be exhibited at Amarillo and Fort Worth Shows, and will be consigned to sales following those events.

L. M. Hargraves, assistant, teacher training in Tech College, will judge all classes in the local show. Calves will be divided into light and heavy classes, with the dividing line at 850 pounds. Barrows likewise will be shown in two classes, the dividing line yet to be determined.

An auction sale of exhibited animals will be held here immediately after judging is completed and local people will have the opportunity of obtaining any amount of this splendid club produced meat.

## OUR HONOR ROLL

Following is a list of subscribers who availed themselves of the opportunity to receive The Journal for another year, and become members of our honor roll.

S. L. Rollins, Sudan Rt. 1.  
R. L. Garth, City.

Sikie Watkins, City.  
Cecil Tate, City.  
Harold Wyer, City.  
Mrs. I. G. McNairy, Amarillo.

## Local Markets

Surveys on approximately 50 miles of Bailey County's 75-mile farm to market paving program have been completed, according to Coleman L. Hasie and George P. Green, of the Hasie-Green Engineering Company, who have charge of the work.

They said that in addition to the plans for the first project of 26 miles is about 50 per cent completed.

James Green and D. V. Dillard are the engineers on the field and they are assisted by four other men.

Hasie and Green asked The Journal to remind everybody to be careful around the engineer's stakes. Many have been knocked down, and their replacement has cost the county and the engineering firm money, and the project has been delayed that much.

Voters of Bailey County last fall endorsed a bond issue of \$225,000 to pave about 75 miles of farm to market roads in the county to connect with existing paved highways or farm to market roads.

**SCHOOL OF RELIGION AT THE METHODIST CHURCH**  
**Leadership Training School at the Methodist Church**  
 Beginning Sunday, January 19, at 3:00 p. m. This school is opened to all church members. Rev. W. E. Hamilton will teach a course for the adult workers, and Miss Mattie Sue Howell will teach a course especially adapted for Young Peo-

ple and Young People's Workers. Both Rev. Hamilton, and Miss Howell are employed by the Northwest Texas Conference, and both are residents of Lubbock. There will be religious pictures shown at each school session. The school begins on January 19, and closes January 23.

PLEASE watch out for Engineer's Stakes along farm to market roads.

**Former Muleshoe Boy Commended**

Ernest L. Clanton, Jr., seaman first class, USN, son of Mr. and Mrs. Ernest L. Clanton, Route 1, Prairie Grove, Ark., formerly of Corpus Christi, Texas, recently received a letter of commendation from Admiral J. B. Oldendorf, USN, Commandant, Eleventh Naval District, for fine performance of duty in connection with the recent conferences conducted by the Secretary of the Navy's Civilian Committee in San Diego, California, in November 1946.

Clanton was a stenographer for Roy A. Scott, attorney-at-law, Corpus Christi, before entering the Navy in 1946.

He is a graduate of Muleshoe High School.

**MEAT CUT Quiz**  
 Q. What is the name of this cut of meat?  
 A. This is a full-cut round steak of beef. It is sometimes divided in two parts and sold as top round steak and bottom round steak.

Q. Where does the cut come from, and how is it identified?  
 A. The round steak is cut from the round of beef. It is round or oval in shape, with a small round bone. It has one large muscle (sometimes sold separately as top round steak) and three smaller muscles. Round steak has more lean to the amount of bone and fat than other beef steaks.

Q. How should this cut be prepared?  
 A. Beef round steak is best cooked by broiling. It is ideal for Swiss steak or any of its many variations. The whole steak may be rolled around a stuffing, or it may be cut into individual servings, and these stuffed to make Beef Birds. Round steak is also prepared as Country Fried Steak.

Said two mules named Beulah and Joe,  
 "When it comes to starting we know,  
 'Once somebody backed us,  
 "Right into a cactus,  
 'That's the way '66 makes you go!"

**For Startling Starts... Get Phillips 66 Gasoline**

What makes Phillips 66 start so quickly... warm up so easily those cold mornings? That extra measure of high-volatility elements!

Yes, Phillips draws on its vast reserves of high-test natural gasoline to boost the volatility of Phillips 66 as the temperature goes down.

AS THE SEASONAL TEMPERATURE GOES DOWN... PHILLIPS 66 VOLATILITY GOES UP!

You'll find that this "controlled volatility" will help you to better driving, quicker starting, faster warm-up, as the weather gets colder. Stop at the next orange-and-black '66 sign and be shown!

For good service... Phillips 66!

place it," said Mrs. Williamson, in her demonstration on upholstering furniture with springs, given at the meeting of the West Camp HD club held in the home of Mrs. Partin Austin Jan. 8.

Another point stressed by the agent was good equipment with which to work. A must in upholstery is a curved needle, and a strong cord with which to tie the springs. A very successful type of cord is

good strong fishing cord. Committee chairmen for education, expansion, finance, yearbook, recreation, and marketing were named by the president, Mrs. J. C. Cummins.

We regret to lose two of our good club members, Mrs. W. L. Key who is moving to Amherst and Mrs. Carl Evans, who is moving to Shallowater.

Mrs. Austin served delicious fruit cake, topped with whipped cream, and coffee to the following members:

Grace Snider, and two visitors, Mrs. Guy Austin and Mrs. Lowe. Our next meeting will be with Mrs. Willie Williams Jan. 22. All ladies of our community are cordially invited to attend any or all of our meetings.

## American Agriculture Is Now Worth 101.5 Billions, Gaining 12 Percent

American agriculture was worth 101.5 billion dollars at the beginning of 1946, in bookkeeping terms, representing gains of nearly 12 percent from a year earlier and practically 90 per cent since January 1, 1940, according to the Bureau of Agricultural Economics.

Of the total value of the Nation's agricultural plant on January 1, farm real estate accounted for 56.6 billion dollars, compared with 50.3 billions on January 1, 1945. Other physical assets made up 24.9 billion dollars, compared with 24.4 billion a year earlier. Financial assets of

farm operators totaled more than 20 billion dollars, compared with 16.2 billions in 1945. Equities of farmers and other owners of the farm business accounted for 93.2 billion dollars of the total dollar worth of agriculture, compared with 81.9 billions on January 1, 1945. Creditors' claims amounted to 8.3 billion dollars, a decrease of 700 million dollars from a year earlier.

The increase in agriculture's total worth since January 1, 1946, BAE points out, is attributable mainly to price increases for agri-

culture's physical assets and to accumulations of financial assets from a large volume of sales, at recent prices. Comparatively little of the increase came from physical improvements in the nation's farm plant.

Financial assets of farmers on January 1 this year are estimated to include practically 14 billion dollars in deposits and currency, compared with 11.3 billions a year earlier; about five billion dollars in War Bonds, compared with four billions last year; and one billion dollars for investment in co-operation, only slightly more than the year before.

### Writing Contest For Boys and Girls

Austin, Jan. 14.—The Texas State Historical Association has announced a first prize of \$100.00 for the winner of the 1946-47 Junior Historian Writing Contest. Eighteen papers will receive awards totaling \$345.00.

Contest entries may deal with any topic in Texas history, but contestants are urged to work on some subject related to their community or local history. Some suggestions for topics are: Cattle, Trails, Sadies, Indian depredations, Transportation, Natural History, Exploration, Oil, Economic, Political, or Biographical Subjects.

"Any boy or girl in Texas under twenty-one years of age may become eligible for competition," stated H. Bailey Carroll, Editor of the JUNIOR HISTORIAN, the magazine of the Association which is written almost exclusively by young Texans.

April 1, 1947, is announced as the closing date of the contest. All interested are invited to write for further information to the JUNIOR HISTORIAN, Box 2131, University Station, Austin 12, Texas.

### MARINES ENLISTING MEN

Men desiring to enlist or re-en-

list in the U. S. Marine Corps Reserve may do so while on terminal leave or the day following date of their discharge, S/Sgt. Hugh Lindsey, Lubbock recruiter announced today.

Inactive reserve enlistments for this area will be effected at Marine Recruiting Office, Terminal Annex Building, Dallas, Texas. Men desiring to join active reserve elements may apply for either artillery or aviation duty at Naval Air Station, Dallas, Lindsey said.

### LEASES LAUNDRY

Cliff Riddle, who until recently had engaged in farming near the Fairview school, has leased and assumed management of the Muleshoe Laundry, better known as the former Patton Laundry, and is making extensive improvements to be able to serve the public with a better laundry service.

Mr. Riddle is no stranger to the people of Muleshoe, and they can rest assured that he will give them the best in wash service.

For the present, barring weather conditions the laundry promises a 48-hour service, as well as calling for and delivering all washes, either finished or rough dry.

### OBSERVES BIRTHDAY

Wayne Cherry celebrated his sixth birthday last Thursday. There was a birthday cake with six candles. Present for the occasion were Mr. and Mrs. H. A. Cherry, Mrs. Mattie Murrah, Mrs. Vernice Snyder Ozell Owens.

### PVT. WALKER HOME

Home from the Pacific is Pvt. Grady Walker, who has spent 14 months in the Pacific with the 13th Air Force, based on Luzon. He had

been in the service 18 months. Pvt. Walker is a son of Mr. and Mrs. L. N. Walker.

The Kenneth G. Gritsom family, of Route 2, are new subscribers to The Journal. Last year they bought the Lewis Stewart irrigated farm of 320 acres, 1 mile north and 1 1/4 miles west of Progress.

## THE QUESTION before the House IS IT WALL PAPER? —IS IT PAINT?

No matter which one, you'll want quality and the best quality. COME in today, and let us give you estimates as to your needs and wants. SEE our latest patterns in Wall Papers. Selections for you with the latest in design.

Adaptable to hundreds of farm and industrial uses, Stran-Steel "Quonset" buildings are filling a steadily increasing need for low-cost, all-purpose structures.  
Available in a variety of sizes, "Quonsets" are framed with Stran-Steel *multiple* framing members for strength and rigidity and the simple attachment of exterior and interior collateral materials.  
Features include: clear-span construction (except in the "Multiple"), for 100% usable floor space — all-steel materials, for fire-safety, permanence, and freedom from weather and rodent deterioration. The Stran-Steel framing system permits the easy addition of sections or the dismantling of the entire building for re-erection elsewhere.  
Stop in today for details and prices.  
Stran-Steel "Quonset" buildings are products of Great Lakes Steel Corporation, a unit of National Steel Corporation.

## Galloway Watkins Nuptials Read

Miss Edrice Elaine Galloway, daughter of Mr. and Mrs. J. L. Galloway of Benjamin, Texas, and Mr. Kenneth Brown Watkins, son of Mr. and Mrs. C. Watkins of Muleshoe, were united in marriage in the parlor of the First Baptist Church of Clovis, N. M., January 11, with Rev. Sparling, assistant pastor, officiating.

The bride wore a two piece winter white wool dress and black accessories and her corsage was of pink carnations.

The couple's attendants were her sisters, Misses Jean and Joan Galloway of Benjamin, Miss Billie Jones, Morice Hicks, Royce C. Lowry and James L. Bowen, of Muleshoe.

The bride graduated from the Benjamin high school in 1944 and attended Texas Christian University of Fort Worth and is now teaching in the Muleshoe public schools.

The groom graduated from the Muleshoe high school in 1943 and served two and one-half years in the U. S. Navy. He is now employ-

ed by his father, who lives north of Muleshoe.

## Guild and WSCS Install Officers

Wesleyan Guild and WSCS of the Methodist church met in joint session Monday night in the home of Mrs. G. O. Jennings for installation of officers.

The meeting was called to order by Mrs. Buford Butts, retiring president of the Guild. Mrs. W. B. LeVaque was given the post of corresponding secretary. Devotional was brought by Mrs. Ray Edwards, and Mrs. Marty Ezell reviewed the year's work. Rev. Craft was installing officer. Mrs. Jennings is the new president of the Guild and Mrs. S. C. Beavers heads the WSCS.

After several talks made by members, delicious refreshments of pie and coffee were served to the following:

Mesdames I. W. Haney, Bill Moore, Roy Bayless, S. C. Beavers, C. R. Farrell, H. C. Holt, Lucy Layne and I. F. Willman, of the WSCS, and Mesdames Marty Ezell, Buford Butts, Harold Wyer, Curtis Spivey,

Clyde Holt, Delma McCarty, Noel Woodley, Jim Cox, F. H. Langford, T. G. Craft, Olen Jennings, Ray Edwards, Fred J. Johnson, Homer Sanders, Jr., Miss Elizabeth Harden, two visitors, Mrs. Otha Jennings, and Mrs. Horace Holt, Rev. Craft and the hostess, Mrs. Jennings.

## Mrs. Wood Hostess To Study Club

The Muleshoe Study Club met Thursday, January 9, at 8 o'clock for its regular session in the Cross Roads Cafe dining room, with Mrs. Buck Wood as hostess.

In the absence of the president and vice-president, Jane Beavers presided over the meeting. After roll call and a short business session, the program was turned over to Elizabeth Bailey, who gave a very inspiring talk on "The Atomic Age," with a history report on the atom bomb, followed by thought questions on the future of the atomic age.

Delicious refreshments were served to the following members, and Mrs. Vance Wagon, a guest: Mesdames Inez Bobo, Hope King, Naomi St. Clair, Mickey Lewis, Velma Jennings, Ida Ruth Holt, Elizabeth Harden, Blanche Lenderon, Elizabeth Bailey, Geraldine Green, Lois Lenau, Maxine Ragdale, Jane Beavers, and hostess, Josephine Wood.

The Muleshoe Home Demonstration Club met in the home of Mrs. W. M. Dudley, January 9, with their Agent Mrs. Williamson, and 12 members and one visitor present.

The meeting was called to order by the president, and plans for an all-day meeting to Re-Upholster Chairs were discussed.

Those present were given their yearbooks.

The president appointed Mrs. Awtrey, Mrs. Aylesworth and Mrs. J. T. Shofner recreation leaders.

The Club will meet January 23 in the home of Mrs. Aylesworth for an all day meeting to re-upholster the meeting being to Re-Upholster some chairs. All members, and anyone interested, are urged to be present.—Reporter.

## Muleshoe HD Club

The Muleshoe Home Demonstration Club met in the home of Mrs. W. M. Dudley, January 9, with their Agent Mrs. Williamson, and 12 members and one visitor present.

The meeting was called to order by the president, and plans for an all-day meeting to Re-Upholster Chairs were discussed.

Those present were given their yearbooks.

The president appointed Mrs. Awtrey, Mrs. Aylesworth and Mrs. J. T. Shofner recreation leaders.

The Club will meet January 23 in the home of Mrs. Aylesworth for an all day meeting to re-upholster the meeting being to Re-Upholster some chairs. All members, and anyone interested, are urged to be present.—Reporter.

## Pink and Blue Shower Honors Mrs. Austin

The Home Making II girls of Muleshoe high school gave Mrs. Austin a pink and blue shower on Wednesday afternoon, January 8th. Bette Guthrie presided at the gift table. After the gifts had been opened, cakes and cookies were served to Betty Atchison, Billie Bartlett, Marion Davis, Estelle

# CHEVROLET IS FIRST

First IN CAR PRODUCTION . . . First IN TRUCK PRODUCTION  
First IN COMBINED CAR AND TRUCK PRODUCTION!

AGAIN at the close of 1946—when America's need for new motor cars and trucks is most urgent—the Chevrolet Motor Division of General Motors leads all other manufacturers in automotive production. This means that Chevrolet is first in passenger car production—first in truck production—first in combined passenger car and truck production . . . despite the fact that all Chevrolet plants were closed completely during the first three months of 1946! Naturally, Chevrolet hopes

to be able to build more and more of these fine products which America is buying so eagerly—the only motor car giving BIG-CAR QUALITY AT LOWEST COST—the only truck giving BIG-TRUCK QUALITY AT LOWEST COST—the complete Chevrolet line which stands out as the lowest-priced line in its field! Meanwhile, it stands to reason you'll get bigger value and quicker delivery by purchasing the product of America's largest builder of cars and trucks—Chevrolet!

Remember . . . LARGEST PRODUCTION means QUICKEST DELIVERY of your new car. Place and keep your order with us for a new Chevrolet and get biggest value as well as earliest possible delivery!

CHEVROLET—LOWEST-PRICED LINE IN ITS FIELD!

The girls then modeled the dresses they had made this year.

## Winsome S. S. Class Met In Byron Griffiths Home

The Winsome Class of the First Baptist Church met in the lovely home of Mrs. Byron Griffiths Monday night, Jan. 13 for their regular business meeting and social hour.

The president, Mrs. Jean Cox, called the meeting to order. Prayer was given by Mrs. Lida Wilhite. A very interesting devotional and a beautiful poem was read by Mrs. Jewel Pool.

Several games were played that caused much laughter and merriment and then since the day was also the birthday of our beloved teacher a poem composed especially for her by Mrs. Phyllis Border was read by Mrs. Cox.

Time came to pass out the gifts and since all were numbered with 13 and Mrs. Barron had the lucky number 13 gifts were presented to her.

After the group sang "Happy Birthday" and Mrs. Barron blew out the 13 candles on the birthday cake assorted refreshments with coffee and delicious spiced tea was served to Mrs. Arthur Crow and Mrs. E. H. Kennedy, guests, and go the following members:

Mesdames Lela Barron, Alice Angeley, Lennie Abbott, Phyllis Border, Gene Cox, Hazel Dyer, Doris English, Wilma Gilbreath, Marie Moore, Jewel Pool, Beth White, Elizabeth Bailey, Edith Bbaine, Lida Wilhite, Dorothy Barron, Anna Lacey McAdams, Hattie Rae Jones, and the hostess.

## Birthday Party For Sondra Wagon

Mr. and Mrs. Vance Wagon entertained for their daughter Sondra on her 14th birthday, Friday evening, January 10.

The party enjoyed games and other diversions throughout the evening and refreshments were served to the following guests: Kay, Ma-to the following: guests, Billie Faye Jones, Janice Jordan, Billie Faye Graves, Ann Elliott, Jo Addine Wagon, Howard Tate, Benny Ray Douglass, Robert Holt, Leo Wolard, Billy Don Barbour, Bobby Wallace, and the honoree, Sondra Wagon.

## Hospital News

Albert Choate was in the hospital a few days, after having two fingers taken off in a fan. He has been discharged.

Mrs. B. F. Parsons was hospitalized for medical care.

Lilla Melendy was in the hospital last week undergoing medical care. She has been discharged.

Baby Joe Davis, son of W. E. Davis, is in the hospital under medical care.

Mrs. O. C. Kirk, north of Muleshoe, is in the hospital for medical care.

Mrs. Mertie Priboth was admitted to the hospital and is undergoing medical care.

CONGRATULATIONS:

Born to Mr. and Mrs. James Robertson, son, James Dudley, Jan. 9, wt. 9 pounds.

R. L. Crass, daughter, Ketrinia Diana, Jan. 12, wt. 8 pounds, four ounces.

Carroll Goss, daughter, Jan. 15, wt. 7 pounds seven ounces.

Mr. and Mrs. James Case and children have returned home from Chicago where they have been visiting relatives.

Mr. and Mrs. Bob Burkett, Lubbock, visited here Tuesday with her parents, Mr. and Mrs. J. A. McGee.

Mr. and Mrs. Howard Cox were in Amarillo on business Tuesday.

Mr. and Mrs. Boswell of Carlsbad, N. M., visited here Sunday with Mrs. W. B. McAdams and Miss Elizabeth Bailey and other friends. Mrs. Boswell is the former Ruth Taylor.

Mr. and Mrs. Wayland White and son visited Sunday with Mr. and Mrs. Chester Anderson and other friends.

Howard Cox was in Amarillo on business Monday.

W. D. Kay, superintendent of Bula school had business in the county seat Monday.

**Veteran News**

Mr. Veteran, are you planning getting married any time soon? You may seem a bit personal, but if you are drawing subsistence for on-the-job training or going to school, it would definitely be to your advantage to send to Veterans Administration Regional Office at Lubbock an invitation to your wedding.

The VA will not send you a lot of wedding gifts, but if your subsistence allowance is to be increased from \$85 to \$90 per month, beginning with the day you are married, it is necessary that VA have prior notice that you intend to take unto yourself a wife.

If you wait until after you are married to notify VA, and to request an increase in your subsistence to that of a married veteran, the VA is governed by law to commence your \$90 subsistence from receipt of notification and cannot

Remember, when writing the VA on any subject, be sure to give full name, address, service serial number and claim number.

**COTTON POSITION GOOD**  
 Austin, Jan. 16.—Increased activity on the cotton market, and a strong demand for cotton is predicted by Dr. A. B. Cox, University of Texas professor of cotton marketing.

He cited the fact that the cotton balance sheet for the United States shows only 11,857,000 bales on hand in December, which is the smallest amount in any December since 1929.

PLEASE watch out for Engineer's Stakes along farm to market roads.

Nations and communities are realizing more than ever before that the education of young people in one country can affect the entire world. It is of real importance, therefore, that each of us assume responsibility for seeing that boys and girls in our own community get the kind of citizenship training that will make a better world for all youth.

The Girl Scout movement has always been recognized as a way of developing good citizens. The original troop in Savannah, Georgia, was started in 1912 by Juliette Lewis, a friend of Lord Baden-Powell, who was the founder of the entire Scout movement for boys and girls. Ever since this early beginning, Girl Scout troops have always been planned as small, democratic working groups, in which girls elect their own officers, delegate authority, make their own arrangements, and accept responsibility for carry-

ing them out.

Girl Scouting, which welcomes all girls, regardless of race, creed, and color, provides an ideal framework in which to learn and practice democracy, for it understands and respects the rights and beliefs of others.

The fundamental aim of Girl Scouting is the development of each girl into a well rounded individual, and an intelligent participating member of her own group, and community now, and in the future. The ideals are embodied in the Girl Scout Promise and Law. These offer a practical Code of Conduct, and sound basis for citizenship.

Girl Scouting is a community program, and its stability depends upon the active interest of the citizens in a community. There are three age groups in Girl Scouting—Brownie Scouts who are from 7-10 years of age, Inter-

mediate Scouts, who are from 10 to 15 years of age, and Senior Scouts, who are from 15 to 18 years of age. In Muleshoe there are over 30 girls of Intermediate age, who desire to be Girl Scouts. Without adult leadership these girls cannot have the privilege.

## Polio - And The March Of Dimes

Make Your offerings between January 15-20

By Rev. T. G. Craft.  
Poliomyelitis (Infantile Paralysis) is a growing menace to the people of this nation. It is becoming our greatest plague, and the greatest enemy to the health of our children. There must be no letup in our corporate effort to combat it.

The March of Dimes will soon be pouring into the National Foundation for the sole purpose of research and medical aid to those who may be stricken with this terrible malady. There will be different methods employed for raising our national and local funds with which to combat this dreaded disease.

There have been disagreements between various groups of our citizens on the matter of how this money shall be raised. Some groups have the annual ball through which considerable money is raised. Other groups who oppose this plan on the basis that they are against dancing for a moral reason. There are a lot of people who are indifferent toward any method. Only a small per cent of our people in the nation make any liberal contribution towards the total effort to raise this money for such a noble cause.

It is my opinion that church people should employ a method all its own. There is just one way to support any worthy cause, and that way is to PAY ONE'S MONEY INTO THE FOUNDATION. Therefore, I am asking all the METHODISTS IN THE MULESHOE METHODIST CHURCH to hand their offerings to Mr. S. C. Beavers, who will serve as our local treasurer for this fund in our church. Children may give a dime, but let no adult think of giving less than one dollar. Let us not delay. My boy or girl, your boy or girl may be the next case. Let us help one another. Be liberal.

## TIDYING UP the HOME

By Diane Greiter

**How to Store Dry Foods**  
COFFEE or jam jars with screw tops and pint or quart mason jars make handy receptacles in which to store rice, cereals, spaghetti and other dry foods in cupboard and pantry space which could not otherwise be used. Position the jar tops, with nails or screws, to a permanent position on the bottom of a wooden shelf. Then, when the jar has been filled, it can be screwed into place, hanging from the bottom of the shelf. Large jars

can be placed at the back and a row of small jars for spices and condiments can make up a front row. You will find the foods stored in this way handy to get at and easy to keep in order. The space under the jars can be used for dishes or for other packaged foods. This arrangement stretches the space in cupboards and pantries and puts everything in place so that it is unnecessary to lift one package from another when removing items from the shelves. If you have trouble identifying some of the items, such as salt and sugar, flour and baking powder, scissor off a part of the package label and put it along the glass at the bottom of the jar before filling.

This same arrangement can be employed under a shelf over your gas range for spices and condiments that are used often. The jars can be decorated if you wish with decalcomanias or stripes of colorful paint to match your kitchen decoration scheme.

1. Fire give immediate information to the management.
2. Close management door at once.
3. Take time to plan your exit.
4. Feel the door before you open it. If it does not feel hot, open it slightly. Hold head away, brace door with foot. Put hand across opening to test heat of air.
5. If hallway appears safe, use the already planned exit.
6. If hallway is not safe, stop up any openings or cracks by which smoke may enter, using wet towels, sheets, blankets, mattresses, etc.
7. Open window slightly and stay near it. Keep calm, avoid hysteria. Do not jump out. Many lives have been saved by closing doors and transoms, blocking all openings for hot air and gases from hallway, and calmly await rescue.

market road program than any other highway department in the United States according to Tom K. Eplen, president of the Texas Good Roads Association. This statement is based upon a report just released by Thomas H. McDonald of the Public Roads Administration in which Texas is listed in the top three highway departments in number of contracts awarded and the total number of miles involved in those contracts.

On total miles under contract Texas led all other states according to Mr. Eplen. Pennsylvania ranked first with 1,117 highway projects under contract between January 1 and December 28, 1946. These projects comprised 1,715 miles of road construction costing \$57,700,000. California awarded contracts for 944 projects on 1,025 miles of highway at a cost of \$83,700,000. Texas ranked third with 885 projects costing \$52,500,000 on 4,650 miles of roadway.

"A large portion of the mileage placed under contract in Texas," Commissioner MacDonald said, "was for improvements on secondary or farm-to-market roads."  
The three-year program on federal aid secondary road system in Texas contemplates the expenditure of \$60,000,000 for these much needed roads. The total sum of \$52,000,000 reported in the contracts executed last year in addition to state highways provided for the construction of 2,073 miles of farm-to-market roads under this federal aid program.

President Eplen expressed himself as being highly gratified over the fine record that has been achieved in the adoption of this program.

**NOTICE TO BIDDERS**

Notice is hereby given that the Commissioners Court of Bailey County, Texas, will receive bids on the following described road machinery, to-wit:

One or more Motor Graders powered with Diesel engine developing not less than 66 HP at 1300 RPM, fully enclosed cab with 2 foot lift and right hand blade extensions, 12-foot blade, electric lights, scarifier, machine to weigh not less than 18,000 lbs. And take in trade used machines to be decided on.

Warrants in payment thereof not to exceed \$10,000.00 bearing 5% interest and being due and payable not later than January 1st, 1952. Contract to be made by the Commissioners Court of Bailey County, Texas, for purchase of such machinery on the 18th day of January, 1947.

Bids on same may be delivered to the County Judge of Bailey County on or before 10:30 a. m., 18th day of January, 1947.

The Commissioners Court reserves the right to reject any and all bids.

Dated at Muleshoe, Texas, January 2, 1947.

CECIL H. TATE, County Judge, Bailey County, Texas.  
First Publication Jan. 2, 1947.  
Last Publication Jan. 16, 1947.

**CITATION BY PUBLICATION THE STATE OF TEXAS**

To: Harold Gordon Fitzsimmons, James Richard Fitzsimmons, and Edward Alexander Fitzsimmons, GRIEVING.

You are commanded to appear and answer the plaintiff's First Amended Original Petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 3rd day of February, A. D., 1947, at or before 10 o'clock A. M., before the Honorable District Court of Bailey County, at the Court House in Muleshoe, Texas.

Said plaintiff's First Amended Original Petition was filed on the 24th day of June, 1946.

The file number of said suit being No. 1480.

The names of the parties in said suit are:

Mrs. Nellie Kirsch, and her husband, John Kirsch, as Plaintiffs, and Clara Fitzsimmons, Edward B. Fitzsimmons, Belle Fitzsimmons, Mabel Fitzsimmons; Osborne Fitzsimmons; Russell John Fitzsimmons; Dora E. A. Fitzsimmons; Luella Winnifred Fitzsimmons Mastel; Edward Alexander Fitzsimmons; Thomas Osborne Fitzsimmons; Harold Gordon Fitzsimmons, and James Richard Fitzsimmons, as Defendants.

The nature of said suit being substantially as follows, to-wit:

A suit for partition of the Southeast One-Fourth of Section No. 14, in League No. 142 of Hansford County School Lands, being 160 acres, in Bailey County, Texas, between Plaintiffs and the Defendants, alleging that Plaintiffs own an undivided one-half interest, and defendants Clara Fitzsimmons, Edward B. Fitzsimmons, Belle Fitzsimmons, Osborne Fitzsimmons, and Mabel Fitzsimmons, Each own 7/8th Undivided Interest, and Russell John Fitzsimmons, Dora E. A. Fitzsimmons, Luella Winnifred Fitzsimmons Mastel, Edward Alexander

C. W. Goss announced that his brother, Elbert Goss will be in charge of the shop. The latter will move here from Pittsburg, Texas, with his family, consisting of his wife and four children.

### Cooper Brothers Leave Bailey Co.

Bailey County lost two good farmers this week with the moving of U. S. Cooper and family to Lubbock

## Lubbock Bodies Favor A Complete Study Of Water Before Legislation

Lubbock, Jan. 11.—Meeting at the request of the High Plains Water Use and Conservation Association, the Lubbock City Commission and the Directors of the Lubbock Chamber of Commerce, Friday, January 10, in the Hilton Hotel in Lubbock, declared they favored a study of

the underground water situation before passage of any control or protective legislation. Attending the meeting were more than 150 people including the Board of Directors of the High Plains Water Use and Conservation Association and officers and directors of every county water conservation group.

Mayor C. A. Bestwick of Lubbock, opened the meeting with a short welcoming address followed by a clear statement of the stand of the Lubbock City Commission and the Lubbock Chamber of Commerce on the question. Reading from the advertisement which appeared in many Plains newspapers last week, Bestwick said, "The Lubbock City Commission and the Lubbock Chamber of Commerce have not advocated, proposed, approved or endorsed any legislation, rules or regulations in regard to protecting, controlling or allocating underground water."

"The two organizations are opposed to any legislative proposals until the people of this area have the opportunity to thoroughly study them."

"Both groups do advocate and propose a thorough study of the underground water resources of the area and ask the cooperation of all citizens of this section in helping to put into effect protective measures if the study indicates they are needed."

The mayor then introduced W. L. Edelman, Friona committeeman of the High Plains Water Use and Conservation Association. Edelman, along with H. S. Hilburn, Plains-view editor, and J. H. Lee, Littlefield banker, were there as official spokesmen for the High Plains Water Use and Conservation Association. All three made talks to the effect that they were in favor of a thorough study to determine what

Q. What is the name of this cut of meat?

A. This is a full-cut round steak of beef. It is sometimes divided in two parts and sold as top round steak and bottom round steak.

Q. Where does the cut come from, and how is it identified?

A. The round steak is cut from the round of beef. It is round or oval in shape, with a small round bone. It has one large muscle (sometimes sold separately as top round steak) and three smaller muscles. Round steak has more lean to the amount of bone and fat than other beef steaks.

Q. How should this cut be prepared?

A. Beef round steak is best cooked by broiling. It is ideal for Swiss Steak or any of its many variations. The whole steak may be rolled around a stuffing; or it may be cut into individual servings, and these stuffed to make Beef Birds. Round steak is also prepared as Country Fried Steak.

county and of O. V. Cooper to Rising Star. They have operated about 1,400 acres in the Longview community south of Muleshoe under the name of Cooper Bros., the last 14 years.

J. S. Cooper and family will farm about 4 miles west of Lubbock. O. V. will live with his parents and conduct a livestock farm near Rising Star. They have rented their home place, consisting of one labor to Arch Gabbert and family, who have been living just south of Muleshoe. The Gabberts moved from the Haskell Pierce place.

## Mostly Static --

By Berry

Howdy Folks! Do you hear your Uncle calling for your income tax? Don't take it too hard. It may cost you a lot of money, but think how it develops your brain.

If it were only as easy for the people to raise taxes as it is Congress.

Two things are certain, death and taxes, but death doesn't get worse every time Congress meets.

Now days, the earth revolves around its taxes.

And an amusement tax isn't a laughing matter.

When it comes time for the meek to inherit the earth, taxes will be so high they won't want it.

We won't tax you as much as you think to buy our Universal Electric Water Heater, or Universal Automatic Toaster.

It is a mighty good value. Let us tell you more about it.
