

Ralph Brock In Race For Senator 30th District

Candidacy of Ralph Brock, Lubbock attorney, for Senator from the 30th State Senatorial District was announced here Saturday.

Brock, 32, former Lubbock county attorney before he waived classification and volunteered for military service, was born on a Crosby county farm Dec. 2, 1915. He was educated in Lubbock public schools, graduating from Lubbock high school in 1933 at the highest ranking boy scholastically.

He was a Texas Tech honor student from 1933 to 1935, then transferred to the University of Texas Law School. He was graduated there with an LL.B. degree in 1938 after receiving recognition for scholastic accomplishments including appointment to membership of the board of editors of the Texas Law Review and, his last year, having been awarded a first prize for the best case note of the year.

Brock worked his way through high school, Texas Tech, and the University Law School. His work included employment in an ice factory, laborer in the Texas Tech library, a life guard at the Lubbock swimming pool, and as a newsboy. He was a guard on the state capitol grounds, an elevator operator, a creamery employe, a clerk in a state senator's office, a mailing clerk in the state park board and an employe in the oil and gas division of the State Railroad Commission.

Brock began practice of law in Lubbock in June of 1938.

He was elected county attorney of Lubbock county in the summer of 1940 at the age of 24 and took office Jan. 1, 1941. Re-elected in 1942, he resigned to enter the service, after waiving deferred classification. He entered the service July 2, 1942, resigned the office he had been re-elected to without opposition, and relinquished the right to salary amounting to more than \$9,000. He separated from the U. S. Navy as a Lieutenant, (senior grade) in October of 1945, having spent forty months in service, 20 months of that time in the Pacific theater aboard a seagoing tug.

Brock resumed practice of law in Lubbock upon separation from the Navy.

He is a member of the Board of Stewards and is a Bible class teacher of the Methodist church, and a member of the American Legion, Veterans of Foreign Wars, Knights of Pythias Lodge, and active in Boy Scout work and in civic improvement projects.

The 30th Senatorial District is composed of 24 counties that had a 1940 census population of 248,485 persons. Estimated 1948 population is 323,485. Estimated poll taxes to be paid this year total 75,000, which with estimated certificate of exemption, would give a potential voting strength of approximately 30,000. In 1946, poll tax payments totaled 64,585, in 1944 they were 71.

Counties of the district are Balfour, Hale, Floyd, Motley, Cochran, Hockley, Lubbock, Dickens, King, Yoakum, Lynn, Garza, Kent, Stone, Gaines, Dawson, Borden, Anderson, Martin, and Howard.

zubbuddy Favors 20,000 Bond Issue

Lazbuddy voters approved a \$100,000 bond issue for the purpose of erecting new school buildings in a special election held Saturday May 14, favoring the proposal while 140 voted against it.

A new school building and gymnasium are included in the plans for the school district. The school will remain at its present site.

D. S. Dudley Show Coming Next Week

The D. S. Dudley Shows will commence a one week exhibition in Muleshoe the coming Monday, June 7. The carnival is coming here under auspices of the Junior Chamber of Commerce.

The Dudley Shows have nine rides, five shows, and 35 concessions, and is one of the largest carnivals making this territory.

Rev. Landreth To Preach At Lazbuddy

Rev. E. D. Landreth, Amarillo district Methodist superintendent, will preach at the Lazbuddy Methodist church the coming Sunday morning, at 11 o'clock.

John L. Seaton, a member of the congregation, said the church is without a preacher. He was anxious that all the people around Lazbuddy hear about the coming of Rev. Landreth so that they should have the opportunity to hear him.

Mr. Muleshoe

Herb Covin, the auto impresario, hands this column a copy of a speech made in Detroit the other day by Cecil B. deMille, entitled "While Rome Burns." I quote three paragraphs:

If we think that we can halt the red tide without the individual personal, complete re-dedication of ourselves and all we have to the ideals of the Declaration of Independence and the Bill of Rights, then our end is not far off.

The communists are working at being communists 24 hours a day. Let us work at being Americans 24 hours a day. It will cost us something; I know that. If we fail, it will cost us everything, us and our children and all the world. But if we win, we shall have built a triumphal arch through which the generations of mankind may march to freedom.

The stones of that arch are the liberties to which our forefathers pledged their lives, their fortunes and their sacred honor. Its two foundation stones are political freedom and the right to work. Men's hands, now dead, have quarried and have carved the stones. Only our hands can set them firmly in place. Seldom has providence or history given any people a task so worthy of all our hands and hearts.

Jack Obenhaus: My dog is trained to go to the road, get the paper and bring it to me. One day me and the dog were visiting at the Fields place, our neighbors for a few minutes and the man threw Fields' paper. My dog got the paper and took it back to our house. Now, he still thinks he ought to get Fields' paper and bring it to our house and I am going to have to break him of the habit.

Blondie Ray: That's inefficiency. You should have trained him to get something valuable at your neighbor's place, like, for instance, a frying size chicken, or something.

Life of another man who MAY become President:

Harold Stassen, born Apr. 13, 1907, on his parents' farm near St. Paul. Attended country school, St. Paul high school, University of Minnesota, entering there at the age of 16. Worked his way through, served on debate team, and was a member of the University rifle team which won three national contests. Began practice of law in South St. Paul upon graduation, 1929.

Mr. Stassen served two terms as county attorney, elected governor of the Gopher State, 1938, first Republican to win in eight years, serving six years. Resigned Governorship Apr. 27, 1943, and began service on the staff of Admiral Halsey in the Pacific. Cited for outstanding performance of duty in Pacific Naval battles and for work in evacuating Americans from prisoner of war camps in Japan. Delegate to United Nations initial conference, San Francisco.

If elected at 41, he would be the youngest man to be elected President with the exception of Theodore Roosevelt.

Mr. Stassen spoke in Lubbock a few months ago, has a strong Texas GOP following, but will not get this state's vote on the first ballot at the convention in Philadelphia this month, which will go to Senator Taft.

MAIL BOXES

Mrs. H. S. Sanders, Sr., suggests that it would be a bright idea if people who live on the farms would place their names on the mail boxes. She says it would be easier for their city cousins to find them. Then, too, city people driving about in the country on a sunny Sunday afternoon would become acquainted with the territory hereabouts and would know where their friends live. Sounds like a good idea to this editor. Mr. and Mrs. Farmer.

HERO ENGLISH

Old Gene English's brother, old Crockett English, well known to this scribe, recently became a hero or something. He twice apprehended forgers and turned them over to the Austin police. The last one, whilst Crockett was marching him to the police station, essayed to escape by running. Crockett put the old college football flying tackle on him. They made Mr. English an honorary member of the Austin police department.

Bailey County Calves Being Fed By 4-H Club Boys

Bailey county calves are being fed out by 4-H club boys in a widely scattered section of Texas. Grady Childress, local ranch man, has sold calves through the county agent for use of the boys at Midland, Sweetwater, Odessa, Brownfield and Merkel.

Lyndon Lays It On The Line

From blacktop roads and school-teacher pay to military preparedness and the future of the United Nations, Congressman Lyndon Johnson lays it on the line in the speech at Austin opening his campaign for United States Senator. Johnson "straddled no fences and slung no mud." Pitching his campaign to the times, Johnson advocated an optimistic program of "Preparedness, Peace and Progress."

Poppy Sale Was Very Successful

Muleshoe people bought poppies to the amount of \$151.98 worth in the annual poppy day sale held last Saturday. Mrs. Gladys McWilliams, president of the Legion Auxiliary, reports. Mrs. McWilliams expressed the thanks of the auxiliary for the help of the Girl Scouts and others, and for the generous purchases of the people. All monies derived from the sale go to the disabled veterans, who manufacture the flowers.

Sudan Defeats Muleshoe Nine

Muleshoe's baseball nine ran into trouble Sunday afternoon here and Sudan defeated the home town boys 21 to 18. Pitcher White lost his first game for the Muleshoes.

Home runs were clouted by Bellar and Davidson of Sudan while De Howell, of Muleshoe, booted a pair of four baggers. Les Lambert, Muleshoe left fielder, had a good day at bat with 4 hits and 4 runs in five trips to the plate. The two teams will mix it again at Sudan the coming Sunday afternoon.

VISITING IN SHREVEPORT, LA.

Mrs. F. H. Davis and daughter Marion, and Miss Maureen Olds of Sudan, left Friday to visit Mrs. Davis' parents, A. B. Baker, in Shreveport, La. They plan to be gone two or three weeks.

HERE FROM NASHVILLE, TENN.

Mrs. W. McFerrin Stowe and son Billie Mac of Nashville, Tenn., are visiting in the home of her parents, Mr. and Mrs. C. R. Farrell, and other relatives and friends. They will be here about two weeks.

PREACHED AT MELROSE

Minister Ebb Randol of the Church of Christ preached at Melrose Wednesday evening, June 2.

Methodists Of District Make Pastor Changes

Rev. T. G. Craft was returned to Muleshoe for another year as pastor of the First Methodist church at the Northwest Texas conference held in Lubbock last week end. Rev. Craft has been pastor here about 18 months.

Rev. C. A. Norcross, a transfer from the New Mexico conference, was named pastor at Maple.

Rev. Hugh Blaylock was returned to the Earth Methodist church pastorate and Rev. U. S. Sherrill as pastor at Sudan.

Rev. Cole To McAdoo

Rev. J. P. Cole, widely known preacher of this territory, was transferred to McAdoo, in Dickens county, as pastor. Rev. Cole has been pastor at Oklahoma Lane the last year, and before that was pastor of the Y. L. Circuit for several years.

Carroll Jones, who has been teaching school for several years, was appointed supply pastor of Y. L. and Progress churches. Mr. Jones was educated for the ministry, but got sidetracked into the teaching profession and this will be his first pastorate.

The Lazbuddy church has been taken out of the Y. L. Circuit, and a pastor for that church will be named by the superintendent at a later date. The Oklahoma Lane church will have a new pastor.

Among Methodists of this territory who were in attendance at various conference sessions are Rev. and Mrs. T. G. Craft, Mr. and Mrs. A. C. Gaede, Mr. and Mrs. Sam E. Fox and Mr. and Mrs. David Anderson, all of the Muleshoe church.

Rev. E. D. Landreth was returned as district superintendent and other Amarillo district appointments are: District director of Golden Cross E. Lee Stanford; district director of evangelism, Hubert Thompson; district missionary secretary, T. Edgar Neal; advocate commissioner, M. Horace Brooks.

Singing School Starts At Lazbuddy

The singing school being conducted at the Church of Christ of Lazbuddy will continue through Saturday, June 12. Messrs. Daniels and Waddell of the church told The Journal.

Bro. Hufstader of Lubbock is conducting the school, which began Tuesday.

Classes are held from 10 to 11 each morning and from 8 to 9 at night, and everyone is invited to attend either of these classes or both every day.

Demo Convention Delegates Named

Two delegates from the South Plains were selected to attend the National Democratic Convention in Philadelphia this summer instead of just one as previously announced, James H. Goodman, who was named a national Democratic elector for the 19th congressional district, said.

H. P. Clemons of Whiteface and C. L. Harris of Lubbock were the delegates named. Clarence Whiteside, Lubbock and C. T. McLaughlin, Snyder, were named alternates and Charles C. Thompson, Colorado City, and W. B. Berry, Big Spring, were named alternates-at-large from the district.

TO MUSIC SCHOOL

Don Barnett and Bill Jeter will leave this week end for Sabin, Texas, where they will attend a normal school of music.

IN MINERAL WELLS

Mr. and Mrs. Ernest Holland are in Mineral Wells where they are taking treatments at the Sanatorium.

TAKE MOTHER TO MATADOR

Mr. and Mrs. W. A. Mathis took Mrs. Belle Locklar, mother of Mrs. Mathis to Matador, Monday to meet her son, Henry Locklar and to return to her home in Frederick, Okla.

HOME FOR WEEK END

Miss Norma Osborn and her house guest, Miss Erma Dean Gardenhire, spent the week end here with her parents, Mr. and Mrs. Jesse Osborn. The girls have been attending T. S. C. W. at Denton and are returning Tuesday, to attend summer school.

DOLLAR DAY IS MONDAY

Next Monday is again Dollar Day in Muleshoe. Merchants of this city have established the custom of offering their patrons special prices on the first Monday of each month.

Several merchants have used space in this paper to tell the public about the bargains offered them, and the publishers urge that everyone read each advertisement — believing that they will find wanted items advertised at attractive prices.

Come to Muleshoe Monday and do the family shopping—at a saving.

27 Local Firms Members WTCC

There are now 27 members of the West Texas Chamber of Commerce among the business firms of Muleshoe, H. S. Sanders, president of the Muleshoe Chamber of Commerce reports. Mr. Sanders accompanied a member of the regional body on a tour of the business section last week to solicit renewal and new memberships.

The quota for this year was \$120. Muleshoe firms paid in \$135, Mr. Sanders' report showed.

The following firms or individuals are members: Copley Gin Co., C. & H. Chevrolet Co., E. R. Hart Company, Higginbotham - Bartlett Company, Muleshoe State Bank, Arnold Morris Auto Company, Fry & Cox Bros., Muleshoe Journal, Cobb's Department Store.

W. G. Waymon, Western Drug Company, St. Clair's Variety Store, Chas. L. Lenau Lumber Co., S. E. Cone Grain & Seed Co., Sam E. Fox, Texaco Consigne, Morris Douglas Implement Co., H. S. Sanders Lumber, Muleshoe Motor Company, Muleshoe Real Estate Agency, Pool Insurance Agency, Muleshoe Gin Co., Gilbreath Feed & Seed Co., King Bros. Grain & Seed Co., Muleshoe Implement & Supply Co., Johnson & Nix Company, Davis-Lenderson Company.

The West Texas Chamber of Commerce has been established nearly 30 years and has waged many successful campaigns for the betterment of its territory. Particular benefit to this area has been received from the body's fight for freight rate equalization with other sections of the U. S. and for the elimination of territorial differentials.

The hospital staff wishes to thank McWhorter Floral for all the beautiful flowers they have sent us the past month.

VISIT TIPTONS

Mr. and Mrs. J. D. McBrayer, of Waco, were recently visiting in the L. D. Tipton home.

HOME AFTER TRIP

Mr. and Mrs. M. M. Simmons have returned home after a recent business trip to Oklahoma.

A public view of a significant wheat variety experiment is scheduled for the coming Saturday morning, J. K. Adams, county agent, announces.

He has invited all members of veterans agriculture classes here to inspect the experiment, being conducted on the Bill Millen farm near Y. L. school, and in addition all who are interested in growing better wheat are invited to go along. He said wheat growers and handlers especially are urged to see for themselves what the eight varieties being tested have done under identical conditions with irrigation.

The eight varieties being tested are: Blackhall, Pawnee, Red Chief, Temara, Wichita, Triumph and Comanche. Some of these are old varieties, some are newly developed and recommended for their high milling qualities, Mr. Adams said.

The test is really to demonstrate the growth of wheat under irrigation. Such tests are being conducted at other points, but Mr. Adams thinks that this will be the most important one because of the control that has been maintained on the project since its inception by him and Mr. Millen.

Thirty-two drill rows are devoted to each variety, and when it was planted, Mr. Millen exercised the greatest care to be sure only the variety intended was planted in each strip.

The group will leave Muleshoe high school at 9:30 for the run out to the Millen farm, and anyone who would like to go is invited to join the group at that time.

Masons Planning For New Home

Muleshoe Masonic Lodge, one of the most active in these parts, now is making plans for a building on their lots on the north side of the courthouse square.

During recent weeks members have been contributing liberally to a building fund, started some time ago. The lodge also bought the former Longview school building, moving the materials here to be used in their new building.

Present plans call for a lodge assembly place on the second floor a meeting place for social gatherings of lodge groups on the ground floor.

Pioneer Air Service For Clovis Begun

Pioneer Air Lines inaugurated daily scheduled service from Amarillo to El Paso via Clovis and Roswell on June 1, Harold B. Seifert, vice president of operations announced.

The service will feature early morning and mid-afternoon round trip flights over the route, Seifert pointed out.

The inauguration of service over this route will complete the activation of the system granted Pioneer by the Civil Aeronautics Board in late February.

Service over the Lubbock to Albuquerque via Tucuman, Santa Fe, Clovis and Las Vegas segment was started on May 1, Seifert said.

Pioneer, the nation's first community airline operates in 17 Texas cities and the new service will bring the totals to 24 cities and 2,200 route miles, the official added.

SINGING SUNDAY AT THE CHURCH OF CHRIST

There will be singing Sunday afternoon, June 6, at 3 o'clock. We are expecting a goodly number of visiting singers to be present. If like to sing or enjoy good singing, come and be with us.

Please note also the change in time of our evening services, Sunday and Wednesday evenings at 8:30 p.m. You are invited to all our services.

—Ebb Randol, Minister.

NOTICE TO THE PUBLIC

The Commissioner's Court of Bailey County, Texas, asks the Cooperation of the Citizens, of Bailey County, Texas, in helping keep our right of ways and barrow ditches free of tin cans and other rubbish. One of the County Maintainers was damaged a few days ago, in that rubbish placed in the barrow ditches, caused the puncture of a large tire on said maintainer, which costs the County a lot of money to replace. We urge the Citizens to discontinue the practice of dumping tin cans and other rubbish in the barrow ditches and right of way of County Roads.

Dated at Muleshoe, Texas, this the 17th day of May 1948.

Commissioner's Court of Bailey County Texas. 21-3tc

NOTICE TO THE PUBLIC

In the past owners of land, adjoining the County Highway System, have been running their irrigation water in the County Barrow ditches in proving the wells. Said practice has caused the sand to block the barrow ditches, and wash out the road bed, in some cases right up to the paved roads. This practice is causing thousands of dollars of damage to the paved roads. It is a violation of the laws of the State of Texas, to damage or obstruct, the

roads or right of ways; and parties so doing are subject to law suits for damage to said roads and right of way.

The Commissioner's Court of Bailey County, Texas, asks the cooperation of the Citizens, in discontinuing

said practice, so that our roads and right of ways may be protected.

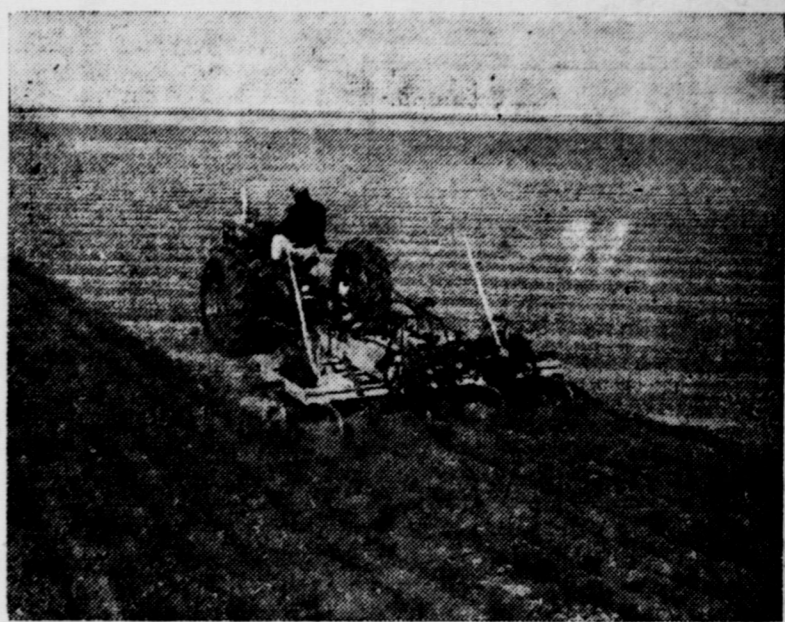

Dated at Muleshoe, Texas, this the 17th day of May 1948.

Shower And Coffee Honors Miss Helen Holt, Bride-Elect Of Paul Gardner

Miss Helen Holt, bride-elect of Paul Gardner, was honored Monday morning at a lovely miscellaneous shower and coffee at the home of Mr. and Mrs. Noel Woodley, with Miss Mary Frances Jordan, and Misses Pat Bobo, Clay Beavers, Sam Fox and Woodley as hostesses. In the receiving line were Misses Pat Bobo, H. C. Holt, A. J. Gardner and the honoree. Mrs. Lester Garth of Montebello, Calif., sister of Miss Holt, presided at the bride's book. The serving table was laid with an open net table cloth with a flounced edge, and green huckleberry leaves and baby breath forming a square around the top of the table. A heart of white satin ribbon encircled by pink rosebuds, with an arrangement of mock orange blossoms and pink rosebuds flanked by lighted white tapers in crystal holders placed to the left of the silver service formed the setting. Mrs. Beavers and Miss Jordan presided. Other appointments were of silver.

Ceremony Unites Nellye Martin And J. Lewis Morris

Miss Nellye Martin and Mr. J. Lewis Morris were united in marriage in the Muleshoe Methodist church Saturday morning, May 22, 1948, at 8 o'clock. The ceremony was read by Rev. T. G. Craft, pastor. Mr. Bill Renfrow, of Lubbock, attended the groom as best man and Miss Betty Wade, of Lubbock, attended the bride as bridesmaid. The bride wore a pink eyelet street length dress with brown and white accessories. Her corsage was of white gladiolas. The bridesmaid wore a blue linen street length dress with white accessories. Her corsage was of white carnations. The church was decorated with fern, sweetpeas, and gladiolas. Immediately preceding the ceremony, Mrs. Craft, organist, played "Because," "I Love You Truly" was played softly during the ceremony. Willie Farrell and Bob Harvey served as ushers. After a short trip the couple will make their home in Muleshoe. Mrs. Morris is employed by the Farmers

Home Administration and Mr. Morris is employed at the Muleshoe State Bank.

Enochs Club Met In Archer Home

The Enochs home demonstration club met in the home of Mrs. Arnold Archer Thursday afternoon, May 27, with seventeen members and four home visitors present, Mrs. Alexander, Mrs. Lewis, Mrs. Durham, and Alma Joyce Arndale, and nine members from the Muleshoe H. D. club visited with us which we were happy to have.

After the business session the Muleshoe club entertained us with songs, a couple of readings and a very interesting play which was enjoyed by us all. Mrs. Laurette Williamson, county home demonstration agent, was present and gave a nice talk on line and design for dress. Several of the Enochs club members visited with the Longview club and reported a real nice time. We welcome Mrs. Alexander as a new member.

A delicious plate lunch with an orange drink and ice cream and cake was served to the group and enjoyed by all. The next meeting will be with Mrs. J. A. Thomas June 10.

Muleshoe HD Club Visits At Enochs

The Muleshoe Home Demonstration club visited with the Enochs club on Thursday, May 27.

Mrs. S. C. Caldwell gave the council report to the Enochs club as they were not present for the council meeting.

Mrs. H. M. Shofner gave an essay which took first place in both Brown county and Coleman county. The subject was "Today's Youth in Tomorrow's World."

Mrs. A. W. Copley gave a talk on "The State Mother" and "The American Mother."

The Muleshoe club gave a short skit "The Weatherbys Go to the Circus."

Those enjoying the visit with Enochs were Mesdames D. R. Aylesworth, H. M. Shofner, A. W. Copley, J. E. Day, Leon Julian, J. T. Shofner, Kenneth Briscoe, S. C. Caldwell, C. E. Briscoe and Alva Lee Shofner.

Muleshoe O. E. S. Installs Officers

The Muleshoe Chapter No. 702 Order of the Eastern Star held a Public Installation Monday, May 31,

at the Masonic Hall.

New officers elected for the year were: Melzine Elliott, Worthy Matron; R. J. Klump, Worthy Patron; Mary Frances Hol, Associate Matron; Earl Ladd, Associate Patron; Ruby Cox, Secretary; Anna Lucy McAdams Treasurer; Margaret Collins, Conductress; Dorothy Barron, Chaplain; Ruth Malone, Marshal; Laurette Williamson, Organist; Grace Lane, Ada; Lola Bray, Ruth; Janet Wagoner, Esther; Viola Layne, Martha; Nona Blake Douglass; Electa; Beth White, Warden; Lela Barron, Sentinel.

Mrs. Elliott was escorted to the East by her daughters Quinell and Roberta.

Mrs. Byron Griffiths sang two solos accompanied by Mrs. E. H. Kennedy.

Mrs. Ruth McCarty, past worthy matron, was presented with gifts from her officers and the past worthy matron for her services rendered the past year. Mrs. McCarty presented gifts to her officers in appreciation of their cooperation during the year. Mr. R. J. Klump was also presented with a lovely gift from the group.

Mrs. Johnie Williams Hostess To H. D. Club

The West Camp Pollyanna Home Demonstration Club met Wednesday May 26, in the home of Mrs. Johnie Williams, with her daughter, Miss

Jo Ann Williams, assisting as co-hostess.

Mrs. Joy Jones, our president, gave the council report. Mrs. Naomi Austin reported we made \$24.00 at the Danielson sale.

The afternoon's program was in charge of our guests, the Watson Club. Piano solo by Pam Tunnell. Reading by Betty Hutton.

For recreation Mrs. Edwards directed a very clever game, "How Well do you know your country?" Mrs. George Fines read an original poem composed by Jess Mitchell, former Muleshoe editor.

Refreshments of pop and angel food cake were served to the following members: Mesdames Wilma and Naomi Austin, Joy Jones, Louise Roark, Grace Snider, Bonnie Williams, Hazel Willingham, Marilyn Austin, Lola Mae Roark, Mrs. Gabe Anderson, Jr. of Bovina; from

Watson, Mrs. Dave St. Clair, Mrs. Albert Ellis, K. K. Krebs, Mrs. Tunnell, Mrs. Hutton, Mrs. George Fines, Mrs. Edwards and Mrs. Susie Smith of Roswell, N. M.

We meet next with Mrs. Naomi Austin, June 9.

FROM WASHINGTON STATE

Mrs. George Chambless had as her guests her mother, Mrs. Sullenger, also her brother and wife, Mr. and Mrs. Earl Sullenger, from Washington State.

HERE FROM SPEARMAN

Mrs. Delon Kirk and Mrs. Bill Miller, of Spearman, visited over the week end here with Mrs. Kirk's sister, Mrs. L. D. Tipton and husband.

NEWS ABOUT THE AIRPORT
By JOHNNIE HOPKINS

Jack Barbour got that private license Sunday, thus bringing the current total of privates to four. Next man up according to hours of flying time will be Willis Farrell, who will probably take that check ride for his ticket, come Sunday.

New addition to the airport's family of planes is the Cub Vagabond, which is in Friona at the present time and which will be on this field part time to be used by the commercial students for cross-country. In color the V is the same as the Cub, difference being, it is a side by side, smaller plane, with a short coupled build.

We have another Taylor Craft on this field now making a trade with Friona on the basis of student preference. The Cub will remain at the airport there.

Billy Jo Stevens made his dual (with the instructor alone) cross country Sunday morning, taking the T-Craft to Lubbock and back. Students are eligible for said dual X-C after they have logged 10 hours of solo flight.

Just in case you happen to hear an airplane humming around at night this week and next, have no fear that some flier is in distress. It will be one of the local commercial students putting in the required hours of night flying, specifically 10 hours—3 cross country, the remainder local flying. The Cruiser will be the plane for this job.

Pat Bobo hasn't been putting in much time during the past week, the chief reason being that somebody else likes to fly the Timm, also, and it is at Friona for use of admiring pilots there. Conrad Williams voiced an inquiring interest in the same plane several days back and asked about possibilities of flying.

Chock Julian and A. R. Edmiston climbed into the PT-19 Sunday, set it aloft, and flew up to the Municipal Airport in Amarillo to attend a pilot gab session and breakfast.

During our vacation last week, we took note of various airports along the route. In comparison, we still say Muleshoe Airport ranks at the top of the list.

You might inquire of Marion Little as to the flying weather around

GUPTON IS HONORED

Connie D. Gupton, of Muleshoe, was honored during the conferring of Service Awards at the recent initiation of candidates by the Scottish Rite at El Paso. Awards went to members whose interest and activities in class building had resulted in their having secured and having in the class at least five candidates. Muleshoe had twelve candidates for the Scottish Rite degrees. Jesse Osborn, a member of the class from Muleshoe was elected class vice president.

GROUNDWATER REPORT WILL BE READY SOON

A U.S. Geological Survey report on groundwater of the High Plains area is expected to be released to the public in three or four weeks. Jack Barnes, of the USGS office in Plainview has announced.

Mr. Barnes had just returned to his office in Plainview after a stay in Austin, where he assisted W. L. Broadhurst, district geologist, in writing the report. It is complete except for a few minor details. Barnes said, and should go to the printers in the near future.

COTTON CLASSING SHORT COURSE DATES ARE SET

Lubbock, June 2—June 21 thru July 2 have been selected as the dates for the annual cotton classing short course sponsored by the Texas

Tech College textile engineering department and the extension division for graders, farmers, students, graders and all other persons interested in cotton production and rating.

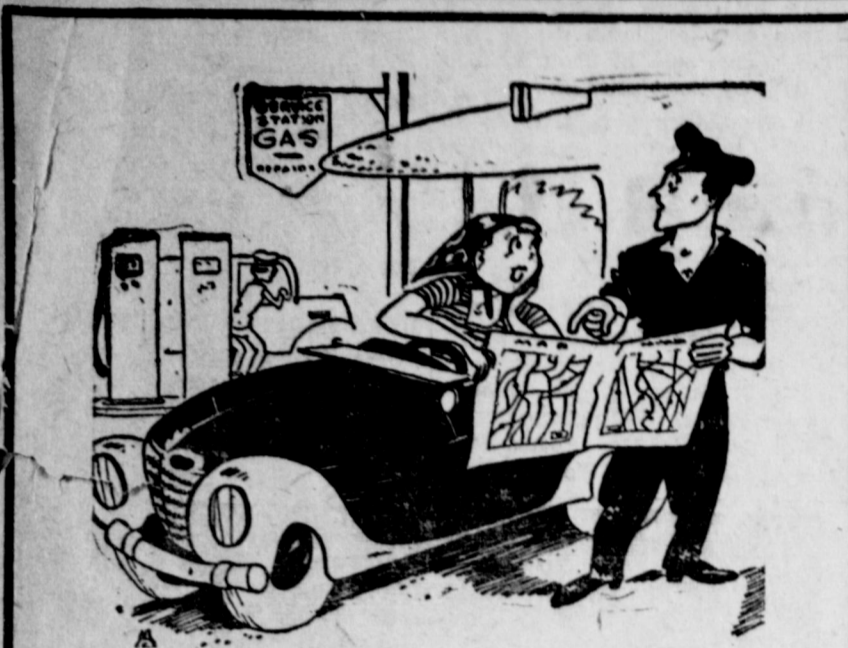

L. E. Parsons, head of the textile department said that a number of outstanding lecturers have been invited for the short course. Laboratory facilities at 1701 Avenue H, U. S. Division of Agriculture headquarters will be used this year due to a full summer schedule for the

college. L. O. Buchanan from USDA offices is to be in charge of the laboratory sessions assisted by his professional staff.

With Your Car or Truck

Today

YES, here's the only gun in the world with the job of giving life instead of taking it. It shoots fresh life blood into any car or truck—restores, refreshes, brings back youth and endurance to any vehicle.

There are a thousand nooks and crannies of your car or truck where this good gun penetrates. Let there be no dry, orphan spots in that vehicle of yours to trip you up, cause you trouble and expense as time goes on.

With summer coming up,—NOW'S THE TIME to switch your oils and greases and shoot the works with this good gun of life for car or truck.

And While You're Here—
Here's what else we're ready to do, —to save you money, increase your summer safety and comfort.

AND SOME OTHER THINGS TO THINK OF

- We'll change your oils and greases,
- We'll adjust your brakes,
- We'll tune your engine,
- We'll scrub and clean you,
- We'll align your wheels.

We'll do everything that's needed.

Light On The History Of Muleshoe

By A. P. STONE
 The legislature of the State of Texas passed an act for the construction of a capitol building, approved February 20, 1879. A compromise was made with Abner Taylor, construction of the present capitol building at Austin, cost to the State of Texas, \$10,000,000 acres of land located in the Panhandle of Texas as far south as Bailey County.

It is known as Capitol or merely Syndicate, the ranch established on land known as the X I T Ranch, in 1902, the Bovina Cattle Company, a partnership of W. D. Johnson, F. W.

Johnson, Tom Hogland, and R. D. Gage, bought some 125,000 acres of this land out of what was known as Blackwater and South Alabama pastures from the Syndicate. The Bovina Cattle Company used the mule shoe as its brand, hence the Muleshoe Ranch and incidentally the town of Muleshoe.

This brand was registered December 4, 1903, and the record shows it with open end at the top, and leaning to the left. It was on the left shoulder or left side of the animal.

This brand was transferred to E. K. Warren & Son, who had bought some 37,000 acres on the south side of the original Muleshoe Ranch, on November 1, 1907.

and the mule shoe brand was discontinued.

In 1906 W. D. and F. W. Johnson, who had bought the interest of the other partners in the Bovina Cattle Company, cut this land into sections of 640 acres each, and during the next few years, sold that part of it lying north of the land sold to E. K. Warren & Son, to farmers, the first settlers being from Kansas, Nebraska, Missouri, and other Northern States.

In 1903, E. K. Warren bought 40,000 acres of land from L. T. Clark. This was known as the Y. L. Ranch and is still so known. Mr. Warren later sold the tillable land out of this 40,000 acres. It lies east of the Bovina Cattle Company land, and the subdivision is now Block W, Blocks Z, X and Y, the Bovina Cattle Company Land, and block W make a continuous strip of land some six miles wide and thirty miles long, with an abundance of irrigation water from 20 to 100 feet below the surface.

At the present time practically 100 per cent of this land is in cultivation with farm homes on practically every 160, valued at from \$4,000 to \$15,000 each, surrounded by fine shade trees and flowers.

There are some 375 irrigation plants in operation, wells furnishing from 1000 to 1500 gallons per minute. The crops grown on the dry land are principally grain sorghums, cotton and wheat. In addition to these crops, the irrigated farms grow alfalfa, spuds, onions, and tomatoes, not to mention beans.

Thirty-five years ago there were a few farm shacks, not a tree to be seen. The motive power was Pete and Beck, a walking plow, a one row cultivator, and a farm wagon being the farm equipment. Now the farm equipment is all kinds of modern stuff, tractors, two to four row cultivators, combines, haying machinery handled by one man, occasionally by one woman, that puts these hay in the bale.

The kids, whose parents went to schools in board shacks, now go to modern schools, travel for miles on school buses, would think old Pete was a horse if they were to see him.

Of course, horses are still used on the ranches, where they can still see native grass.

MAN PAYS \$815.55 IN LIQUOR VIOLATION FINES

Robert Townsell, local Negro, Saturday paid the largest amount of fines ever collected in Muleshoe from one man, \$815.55 including court costs. Charged with violation

of the liquor laws in three cases, he was assessed fines of \$250 plus court costs in each by County Judge Cecil H. Tate.

The cases were tried Friday and Townsell paid off Saturday morning with cash money.

Deputy Sheriff Roy Hogan of

Bailey county and Deputy Sheriff Chester of Lamb county collaborated in making the arrest between the towns of Muleshoe and Sudan.

Sheriff Buchanan said the two took possession of 6 cases of beer, 16 half pints and an epint bottle of whiskey that the man had in his car.

Q. What is the name of this cut of meat?

A. This is a butterfly ham slice, so-called because it has two sections or wings. It is also called a double slice of ham.

Q. Where does the cut come from and how is it identified?

A. The butterfly ham slice is cut from the butt end of a ham. A double slice (which is not cut through the center) from the meaty, cushion side of the ham is opened out flat to form a round or oval slice. It may be identified by the cut down the center.

Q. How should this cut be prepared?

A. Like other slices of ham, the butterfly slice should be broiled or pan-broiled. Place the meat on the broiler rack and then under the heat so that the surface of the meat is about 3 inches from the heat. Broil until golden brown, 5 to 6 minutes for a 1/4-inch slice, 8 to 10 minutes for a 1/2-inch slice. Turn and broil other side for same time. Or place in heavy frying-pan and brown each side, allowing about half as long as in broiling. Serve hot.

Three Mighty Important Ideas

Maybe you read, where a great encyclopedia has sorted all basic ideas into a few select groups. Under the letter "T" they have:

Temperance - Truth - Tyranny.

Sounds like a funny combination. And to philosophize a little, notice that Truth is in the center—between Tyranny and Temperance.

Now and then you hear folks criticize temperate people who enjoy a moderate glass of beer... who talk about "two beers" getting some one into trouble, and claim: "There ought to be a law!"

Then Truth steps in between, and points out that two beers never got anybody into trouble—and that somebody's trying to distort the facts. No, there shouldn't be a law—there should be Truth.

From where I sit, those ideas are arranged just right. Temperance on one side, Tyranny on the other—and Truth in the middle—seeing that Tyranny never encroaches upon Temperance.

GUEST FUNDS OWN BONDS
 Federal trust funds, representing the operations of the Social Security program, now own \$30 billion of United States Gov-

ernment securities in the aggregate making them the third largest owner of the public debt.
 Since the income of these funds continues to exceed expenditures, by a wide margin, they are adding to their Government bond holdings at the rate of about \$3 billion a year.
 An assured market of this size for Government securities is extremely important now as far as the management of the public debt is concerned. In 1946 and 1947 the Government was able to reduce the debt about \$25 billion by using surplus cash and funds resulting from a budget surplus. However, the outlook for further significant debt reduction has become clouded by the prospective cost of the European recovery program, enlarged spending for defense, and reduced Federal revenues resulting from the income tax cut.
 The five principal government

trust funds are Old Age and Survivors Insurance, Unemployment Trust Fund, Veterans' Life Insurance fund, Railroad Retirement fund, and the Federal Employees' Retirement funds. The money, of course, comes from the people, whether directly as contributions or indirectly as taxes.

WHEN I QUIT
 When I quit this mortal shore
 And mosey round this earth no more,
 Don't weep, don't sigh; don't grieve,
 Don't sob;
 I may have struck a better job.
 Don't go and buy a large boquet,
 For which you'll find it hard to pay.
 Don't hang 'round me lookin' blue
 I may be better off than you.
 Don't tell folks I was a Saint
 Or anything you know I ain't.
 If you have stuff like that to spread
 Please hand it out before I'm dead.
 If you have Roses, bless your Soul
 Just pin one on my buttonhole.
 But do it while I'm at my best,
 Instead of when I'm safe at Rest.—
 L. A. Scottish Rite Bulletin.

For Better Sleep

ALONG with the new look and changing styles in the fashion world, blankets have come into the fashion picture. They are new in weight and color, designed for greater sleep comfort and greater pleasure to the decorator-minded homemaker. These new summer weight blankets are especially made for cool spring nights and summer use; they are soft-as-silk, light as a whisper, they are just what the sleep experts recommend when they advise that even the hottest night finds the body temperature lower than in the daytime, and a light cover should be pulled over the sleeper.
 The new light-weight St. Mary's Tropic blankets will delight you, not only for their lovely, cool colors but because they are so soft and summery. The Tropics are made in luscious, soft pastels, your favorite pinks and blues, of course, and in Primrose Yellow, Aquamarine, Celadon Green and white and a sensational new color this year called Chinese Pink. The Tropics are beautifully bound in wide satin ribbon; they are all wool, made to fit single or double beds and modestly priced.
Cool and Summery
 These newest Tropic Blankets are not just a summer luxury; when winter returns they go right on serving the bedroom, acting as an extra blanket for added warmth. They are perfect for bridal trousseau gifts, for the household with an invalid or children, for any home where a handsomely dressed bed is as important as a comfortable one designed for better sleep.

PEOPLE SAVING MORE
 Now that people are making more money than ever before, their savings are on the upgrade for the first time in four years.
 Commerce Department analysts have reported that Americans generally are saving about 6 to 7 per cent of their spendable income—that is, what is left after paying taxes.
 That's the way it's been going for about a year now, and government economists are encouraged at the fact that the percentage of income saved has risen in the last three months.
 The rise itself isn't much—from slightly over 6 per cent in the last three months of 1947 to almost 7 per cent in the first three months of this year.

CANCER
 Sobering though: Cancer claims one person in eight. It is not dismissed with the mental comment: "It can't happen to me." The American Cancer Society, New York 4, N. Y., is striving to find ways to reduce cancer's terrific toll, and is worthy of our financial support.
 A mind free from care is better than all the power and money in the world.—Santa Fe Magazine.

Never too late...
 Whatever its birth date... your car will live a longer life if you regularly drain out old oil and OIL-PLATE with Conoco Nth.
 And here's the reason why. The moment Nth Motor Oil (Patented) enters your engine, a special added ingredient fastens an extra film of lubricant so closely to metal that cylinder walls and all working parts are literally OIL-PLATED!
 This protective OIL-PLATING stays right up there... won't all drain down to the crankcase, even with your engine idle over night! That's why Nth Motor Oil extra-protects from "dry-friction" starts... from metal-eating combustion acids... from sludge and carbon due to wear!
 So, for full-time protection... for more miles per quart, make a date now...
...to OIL-PLATE!

Soil Conservation

A topographic survey was completed last week on 160 acres owned by L. M. Abel of Lubbock. Mr. Myers, the tenant, was assisted by the field crew in laying out irrigation ditches for watering row crop land.

Alvin Krieger received assistance in laying out ditches for watering row crop land.

About 11 miles of terraces have been constructed on land owned by A. X. Erickson and operated by M. L. and L. G. Carpenter.

Complete plans of conservation operations have been worked out with C. E. Roark, S. C. Caldwell, Lewis Stewart, H. G. Burchett and O. D. Troutman.

Soil Conservation Service technicians assisted Grady Childress in laying out borders and ditches for watering improved pasture on the Sadler and Childress Ranch.

Technicians ran terrace lines last week on land owned by A. X. Erickson and operated by Marvin Volt.

OFF ON LE GRANDE TOUR

Mr. and Mrs. Howard Elliott and daughters, Quinel and Roberta, left Wednesday morning for a planned trip over a large part of the U. S. They expected to stop first at the Grand Canyon, then go on to California and the northwest, Canada, and then toward the Atlantic seaboard. However their itinerary was subject to the whims of Rand-McNally. They promised to drop The Journal a card now and then so that the stay at homes can keep up with their meanderings.

Letters To The Editor

BACK FOR SUMMER
College Station, May 31
Dear Mr. Forbes: As I am returning to Muleshoe for the summer months, will you send my paper on Route 1, beginning with the June 3 issue.

I have enjoyed The Journal very much these past 9 months. I always look forward to this small connection to Muleshoe.
Sincerely,
James F. (Fuston) McCarty.

Progress H. D. Club Met In Wedel Home

The Progress Home Demonstration Club met in the home of Mrs. J. P. Wedel, with six members present.

Mrs. Maltby read "That's My Pop" for inspiration. Clothing demonstrator report, make 5 garments, purchasing a dress form and hem marker.

Mrs. Davis gave a demonstration on hot desserts. Mrs. Wade Thomas joined our club.

Our president asked that all club members remember to bring linens for our overseas package next meeting, which will meet with Mrs. Albert Davis.

Mostly Static

By Berry
Howdy Folks: If you snore so loud you wake yourself up, try sleeping in the next room. Snoring is a pleasure—that is all yours.

To The Ladies
You can cure your husband's snoring by kindness, patience, and stuffing an old sock in his mouth.

Well, anyhow, a snorer is a sound sleeper. (Pretty deep, or is it?)

With us, snoring seems to accompany dreams. We must have been snoring the other night, for we sure dreamed an awful dream. We dreamed we were out to dinner and got stuck with the check.

We're not dreaming when we say we know you would like our ADMIRAL and UNIVERSAL ELECTRIC RANGES, the O'KEEFE & MERRITT GAS and BUTANE RANGES.

We also have a nice selection of Electric Irons, SUNBEAM, GENERAL ELECTRIC, WESTINGHOUSE, PROCTOR NEVER-LIFT, UNIVERSAL and MANNING BOWMAN.

We also do repair work on all makes of irons.
