BIG MARKET FOR LINIMENT SEEN

JayCees Announce Line-Ups For Army-Navy Grid Game Here Nov. 16

Mr. Muleshoe -

My astronomy paper says that scientists, after years of studying the sun, have decided the process by which the sun is able to supply warmth and energy to the planet on which we live, is very likely to continue for at least 2 billion more years. The time since Earth was formed is of the order of 2 billion years, but man's occupancy of the earth is estimated at only a few million years. These few million years, compared to an expected future of 2 billion years for life on earth is likened to a man's life span by saying that the human race is about as an 18 day old baby compared to a full grown person. Finally the scientists get around to saying that, therefore, there is great hope for the race, for which they expect great things, especially toward the end of the second billion years.

We think terrific progress has been made in our generation, especially since 1890. What would we think of this progress if we could return here and look things over five thousand years from now?

Finding of a way to crack the atom may lead man to discoveries and inventions unimaginable now, and which may revolutionize life as we know it. I was amazed to read that the atom, small as it is, is itself composed of a proton, about which revolves at a speed faster than light several electrons. All this knowledge of information is furnished free to regular readers of this column. You are welcome to use it in any way you see fit.

Bill Hale the other morning leaped from his downy couch at the first peep of the alarm. His feet hit squarely on the floor but the next thing old Bill knew he was flat on his back. One leg was still asleep, not having heard the alarm as quickly as the rest of his body.

More On That Good Old American System:

While American manufacturers, under the U. S. system of free enterprise, were producing 100,000,000 motor vehicles, the other countries of the world, some of which began automotive production before the U. S., were turning out 24,000,000 motor vehicles. Of the 100,000,000 vehicles produced in America, a total of 21,500,000 units went into export markets.

Today, in 1948, the automotive and related industries employ nearly 9 million persons, or more than one out of every seven individuals earning a living in the United States.

Muleshoe Closes For Armistice

Most businesses in Muleshoe will be closed today, November 11, in observance of Armistice Day. Closed also are the bank, post office, courthouse and city hall.

Many Muleshoe people will journey to Morton this afternoon to witness the football game between Muleshoe and Morton high school teams, last of the season for the local boys.

The American Legion Post and Auxiliary are leading the way in public observance of the day. A breakfast for veterans was held at the hall this morning; a barbecue for veterans and their families was to be held this afternoon and Lloyd Alsups' orchestra, of Lubbock, will play for a Legion dance at the Priboth Roller Rink tonight.

LEASE PROPOSALS ARE DUE NOVEMBER 27th

Proposals to lease quarters for the Muleshoe postoffice are due by November 27, and the lease will run from May 15, 1949. The Journal last week erred in saying the proposals are due by Nov. 1.

Anyone interested in leasing quarters, which must be at least 2,200 square feet, for the postoffice should see A. J. Gardner, postmaster.

ELAROMA

Mr. and Mrs. C. W. Wilhite and daughter, Mona Ellen, attended the funeral services of an old friend of theirs, Mr. W. A. Bick in Mangum, Oklahoma, last weekend.

GONE TO MARKET

Hattie Jennings and Opal Fields have gone to market at Dallas to buy things for the "Dixie Lee Shop."

There is no dearth of football talent among the members of the Muleshoe Junior Chamber of Commerce, the boys learned when they started to figure out line-ups for the Ex-Army and Ex-Navy game here next Tuesday night, November 16.

Houston Hart, captain of the Army group, has predicted he will have a line averaging around 190 pounds, with a lot of this avoirdupois furnished by Ray Keeling, the Buick man, former Texas University star and later a professional grid player. Keeling will be a hefty guard.

Paul Gardner, Navy captain, has a fine group of men also. He listed the following squad men: Carroll Howarth, B. Z. Beatty, Willis Farrell, Myron Pool, Buddie Blackman, M. F. Harris, William Robertson, Tootie Middlebrook, Bill Holden, Sam Damron, Lee Christie, Cliff Griffiths, Willie Green, Claude Riley, Howard Cox, Bill Hale, Horace McAdams, Bob King, Jack Little, Val Davis, Sikie Watkins, Paul Gardner.

Coach James A. Beam will mentor the Navy squad and Coach Willard Hedges will master mind the Army. Admission will be 50 cents and 25 cents.

Hart announced the following will see action on his squad:

Ray Keeling, Charles Long, Spud Thomas, James Warren, Francis Gilbreath, Martin Oliver, N. H. Greer, Lester Hammons, Houston Hart, John Smith, John Mock, Muri Brown, Lowell Irvin, St. Clair, Ed Evans, B. Robinson, Talmage McKillip, Dee Chitwood, Randolph Johnson and Roy Dyer.

Quarterbacks To Meet Monday A. M.

A special meeting of the Quarterback Club is scheduled for next Monday morning in the banquet room of the Cross Roads Cafe. Breakfast will be served and the men will hear a report on the season's activities of backing up the Yellow Jackets football team.

Cecil Tate, treasurer, told The Journal that he believes there will be a nice surplus left in the treasury at the end of the football season, and he thinks the group should decide as to its disposition.

For that reason a full attendance is desired. The meeting is

FOOTBALL QUEEN IS CROWNED

LOBOS BEAT JACKETS

Muleshoe had their first Homecoming game, November 4, preceded by a bond fire on Wednesday night.

The kick-off for Homecoming started with a quaint parade through the business district ending up at the football field where a big bon fire and pep rally was held.

To start things off the co-captains, Bobby Goss and Joe Bob Horsley lit the bon fire. The band then gave a selection and the pep leaders lead some yells followed by a speech from two of our Ex-football players, Jack Cox and Paul Gardner.

After the exes' speeches, which was enjoyed by all, two business men, Ray Keeling and Fred Johnson gave a parade of speeches that made us all feel good.

Thursday the exes were in and out of Mr. Cunningham's office all day getting their free tickets which the M Club provided for the game Thursday night. There was quite a few Exes here and some from way back. The school gave a banquet for the ex-football players, their wives and dates.

Thursday night everybody went to the game with high hopes. The

Armistice Day

U. S. Savings Bond Campaign Is Launched On A Nation-Wide Scale On Armistice Day

New Addition To The City Of Muleshoe Known As "Legion Addition" Announced

Cunningham Gives Report On Trip

Recently a group of Muleshoe men gave W. C. Cunningham, school superintendent, a new shotgun and an expense paid pheasant hunting trip in recognition of his work in promoting the Muleshoe school program. Returning

not confined to members, but any one who is interested in the school and team is invited to attend.

Opening of Legion Addition to the town of Muleshoe, containing twenty residence lots, was announced by officials of Ben Richardson Post, American Legion this week. Veterans get priority on all lots until the first of December, after which date the lots will be offered to the general public.

The post hopes to sell the lots for enough money to enable them to go ahead with their building. Already in the post's building fund is a sum of \$3,500, realized from sale of a car and from other sources.

Six lots in the addition, which are in the same block with the Legion's building site will be sold to non-veterans, according to present plans.

In an advertisement in this issue of The Journal there is included an application blank, which should be filled out by the veteran desiring one of the six lots reserved, and mailed to Randolph Johnson, Post Adjutant.

A drawing of these applications will be held November 27, and the lucky person whose name is drawn will be given until December 1 to complete the transaction and obtain title to the lot.

Plans have been drawn for a Legion home on the property, located on Highway 84 in the west part of town, that will cost about \$18,500, according to Post Commander Homer Sanders, Jr.

Any veteran who wishes to purchase one of the 20 lots should see one of the following named men at once: H. S. Sanders, Sr., N. H. Greer, Gil Wollard, Clyde Bray.

from the hunting trip, Mr. Cunningham penned a note of thanks which The Journal is printing here: "I would like to take this opportunity to thank the men of Muleshoe, who, made it possible for me to participate in the pheasant hunt in South Dakota. I can truthfully say that it was the finest vacation that I have ever had. Not only did I enjoy the fine sport of shooting pheasants, but shared the privilege of being present when a native son of South Dakota returned.

This native son was Fred Johnson and with the people of South Dakota Fred is THE favorite son. He is the toughest football player, the fastest runner, and the hardest fighter of all times. He received a very warm welcome wherever he went, as did the party that was with him, and he absolutely refused to hunt on the farms unless the people would serve the entire party coffee. The hospitality of those people remained unmeasured and in most cases they not only served us coffee but also fed us meals.

The trip as a whole was enjoyable, but most of the party were of the opinion that it might be necessary to shoot Fred and Sam in order that the shooting might be more evenly distributed.

Many, many thanks for the fine trip and the nice gun."

Seeking to encourage farmers and ranchers to build financial reserves for themselves, a special campaign for the sale of U. S. Savings Bonds was launched in Bailey County today (Nov. 11).

This announcement was made by E. R. Hart, County Savings Bonds Co-Chairman, who explained that the effort here will be a part of a nationwide drive having three objectives. These objectives are: To get farmers and ranchers to save as much money as they can; to increase the number of wage and salary earners who are buying Savings Bonds where they work; and to increase the number of participants in the banks' Bond-a-Month Plan.

"So far as this county is concerned, the farm and ranch objective is the most important because the welfare of our whole area is largely dependent upon the well-being of our farmers and ranchers," he said.

He said that the drive would continue through this year, and that an effort would be made to contact every farm and ranch family in the county.

"Most of the farm and livestock organizations and government agricultural agencies are assisting in our efforts to sell Savings Bonds to farmers," he said. "They are doing so because they all agree that financial reserves are as necessary to the successful operation of a farm and ranch as they are to a business in the city, and that now, while farmers and ranchers are enjoying a measure of prosperity, is the time for them to build those financial reserves as a precaution against the future."

He received notification from Nathan Adams of Dallas, chairman of the Treasury Department's Advisory Committee for Texas, that no dollar quotas had been established for the campaign. However, the state goal is to add 50,000 to the number of men and women who are buying bonds through the Payroll Savings Plan, and \$500 to the number of bank depositors who buy automatically through the Bond-a-Month Plan.

The national goals are 1,250,000 new participants in the wage deduction plan and 50,000 new participants in the Bond-a-Month Plan.

The American Legion has adopted the campaign on a nationwide basis as a part of its program for making America stronger.

LOTS OF BOARDERS IN BAILEY COUNTY HOTEL

Deputy Sheriff Roy Hogan told The Journal that the county's bill for food for inmates of the jail in October established a record high for recent times, at least. The county owed \$137.70.

Mr. Hogan said from twelve to four persons were in durance vile at various times during the month. Several were in custody at the first of this week on various charges. The food bill for September was \$122.90, Mr. Hogan said.

Playing in the streets is always dangerous... especially when you're going to and from school. Motorists expect you to cross at corners and to obey signs and signals. The Muleshoe Junior Chamber of Commerce says many hundreds of boys and girls are killed in the streets each year. Don't be one of them.

PROGRESS IS REVIEWED

Bailey County Electric Cooperative Held Their 9th Annual Banquet Nov. 8

Excellent Fire Drill Is Held In Muleshoe Schools

Less than two minutes after the whistle blew to signal the beginning of a school fire drill last Monday, all buildings were emptied by teachers and children, W. E. Young, fire marshal said.

The drill was staged by members of the Muleshoe fire department. The children were very orderly and immediately upon clearing the buildings they assembled in a space away from the fire equipment and away from fire hazards.

The high school student body cleared the building in 1 minute 15 seconds, and the grade school's younger children cleared their building in 1 minute, 30 seconds. Barracks and smaller buildings occupied by some classes were cleared in a few seconds.

Mr. Young said teachers and children responded to the alarm in an "excellent" manner. A large number of fire department members turned out for the drill.

Gardner Urges Correct Address For All Mail

The importance of correct addressing of mail is brought to the attention of the public in the following message from postmaster A. J. Gardner:

We are receiving so much mail at Muleshoe Post Office without proper address that it is causing delay in delivery of mail. In order that we may make prompt delivery of mail and you will receive your mail promptly, please have all your mail addressed to you giving your complete address.

If you receive your mail in a postoffice box, please have all mail addressed to you, giving your box number. If you receive your mail in General Delivery, please have it addressed to you Gen Del, Muleshoe, Texas, or if you are receiving mail in care of some person, please have all your mail addressed to you in care of that person.

If you receive your mail on one of the routes, please find out what route you are on, and have all mail addressed to you, giving the right route number. We have two rural routes and two star routes, so be sure and give your route as Rural Route No. 1, No. 2; or Star Route No. 1, or 2, which ever is the correct route and number.

There have been so many persons moving into this territory, and have failed to file the proper address with us, that it is impossible to deliver mail to you unless we have your correct address. It will certainly be appreciated if you will cooperate with us, as it will be a great help to us and will assure you of better service on your mail.

The Bailey County Electric Cooperative held its 9th annual banquet in the dining room of La Vista in Clovis the evening of November 9. W. W. Branscum was master of ceremonies and W. R. Adams said grace.

Present were: W. W. Branscum, president of the board of directors; J. T. Eubanks, vice-president and acting manager, and Mrs. Eubanks; H. E. Schuster, secretary-treasurer, and Mrs. Schuster; W. R. Adams, board member and Mrs. Adams; Judge Cecil Tate, cooperative attorney and Mrs. Tate;

Blair Adams and Bill Ingram, representatives of the General Electric; Mr. and Mrs. David Terry, of Southwestern Engineers, and the following employees and their wives or husbands:

Mr. and Mrs. Leonard Evans, Mr. and Mrs. Dee Clements, Mr. and Mrs. J. D. Cox, Mr. and Mrs. Bill Thomas, Mr. and Mrs. James Cox, Mr. and Mrs. Merl Jacobus, Mr. and Mrs. R. O. Gross, Mr. and Mrs. Ikey Bayless, Mrs. Lila B. Nickel, Miss Davis Sims, G. V. Thornton, O. D. McKnight, and James Bryant.

After dinner Judge Tate gave a talk on the founding of REA, its growth and meaning to people of this territory, after which there was a round table discussion and everyone expressed their opinion as to ways and means of improving the cooperative.

Heavy Sentences Meted Two Negroes In Murder Cases

District court juries last week meted out stiff penitentiary sentences to two Negroes charged with murder.

Joe Smith, colored, was assessed 50 years in the pen on a charge of murder in connection with the fatal shooting of another Negro, J. B. Bradford, on the Walter Damron farm in Circle Back community October 15.

The jury was composed of Adolph Wittner, J. T. Shofner, Dewey Ross, Gordon Murrah, Neal Smith, A. E. Moore, D. E. Beller, Tommy Haley, Truitt Smith, C. A. Bundrant, Morris Douglas, and M. M. Norris. The jury deliberated about one hour Thursday before returning the verdict.

James Williams, Negro, who was charged with murder in the fatal shooting of Henry Davis, Negro, here last July 18, was given a 15 year penitentiary term by a district court jury Saturday morning. The jury had received the case at 5 p. m. and went to bed that night without reaching a verdict. Judge C. D. Russell appointed Cecil Tate to defend Williams, who was without an attorney. T. Wade Potter, a Littlefield attorney, defended Smith.

Jury in the Williams case was composed of J. T. Shofner, Gordon Murrah, Tommy Haley, Jim Burkhead, Roy Carney, Garland Freeman, K. K. Krebs, Wilton Green, H. V. Snyder, Harvey Bass, Bill Collins, and Paul Gardner.

A continuance was asked in the James Lee case and is still under consideration by the court.

James Lee case and is still under consideration by the court.

Lobos Roll Over Jackets Here 20 - 0

The Levelland Lobos rolled on toward the championship of the north half of District 4-A here last Friday night by defeating the stubborn Yellow Jackets 20 to 0 in the first Homecoming game that any Yellow Jacket eleven had participated in on their home field.

The Jackets kicked off to the Lobos opening the encounter. The Lobos took the kick-off on the 20 yard line and brought it back out to their own 35. The offense rolled on down the field with consistent line drives and end sweeps that took them down to the 2 yard line where Don Taylor, the Lobo quarterback plowed through the middle of the line for the Lobos first TD. J. Couch, RE, kicked the extra point to put the Lobos out in front 7 to 0.

Jackets Threaten To Score

The Lobos got off a poor kick on the kickoff and a Jacket line-man took the ball on the 40-yard line and carried it to the 50 before being smothered by several Lobos. The Jackets offense started off with a bang, rolling up two first downs which carried them to the 30, then on an end sweep the Jacket ball carrier fumbled the ball after having picked up 5 yards with the Lobos recovering.

Again the Lobo offense swung into action, pile-driving through the stubborn Jacket line and throwing an occasional short spot

pass picking up sufficient yardage for first downs. The Lobo drive which carried to the 2-yard marker paid off for the Lobos when Lonnie Northam, halfback, plowed through the line for their second tally. J. Couch again converted for the extra point to put the Lobos out in front 14 to 0.

Queen Crowned At Halftime

At the halftime period Miss Joyce Blackburn was crowned Football Queen by Co-Captain Bobby Goss in an impressive ceremony in which the entire football squad, band and pep squad participated.

The band and pep squad also put on a fine show welcoming the Exes of M.H.S. in their first Homecoming celebration.

Parents Day was also observed with the parents of the members of the Jacket football squad being escorted to sideline seats in an impressive pre-game ceremony.

Lobos And Jackets Lose Pouch

Both the Lobos and the Yellow Jackets failed to get any kind of an offensive drive started during the third period and the first part of the fourth period that ever threatened to score.

However, late in the final period the Lobos offense came to life once again, driving to the Jackets 2-yard line where they were held on downs, but a fourth down penalty against the Lobos was accepted by the Jackets which gave the Lobos a new lease on life and on the very next play quarterback Don Taylor heaved a short pass to halfback Northam who stepped across the double stip for the Lobos final tally. The try for extra point failed and a short time later the game ended with the Lobos leading 20 to 0.

Don't throw the celery tops away. They can be saved and chopped up fine or dried for future use in soups, stews, creamed vegetables, dressing or vegetable loaf.

THE MULESHOE JOURNAL, Thursday, November 11, 1948

MULESHOE JOURNAL SPORTS

Lockney Cinches District 3-A Crown; Will Meet District 4-A Champs At Bi-District

Journal Starts Sports Page Today

The Muleshoe Journal is starting a page of Sport News that will be carried in each edition of the paper, but we will need the cooperation of the citizens of Bailey County and surrounding territory to make it a success.

We were unable to start this service earlier in the football season due to the fact that the Journal did not have the time to get it started. However we are now able to make a little progress in that direction, but we will need the cooperation of school officials, coaches and citizens inside Bailey County and surrounding out-of-county territory.

Football season is just about over and basketball season is not far away and we wish to give as full a coverage of local sports as is possible, but in order for us to do that we will need someone to report on the ball games they have played and the games they are to play from week to week. Of course our space will be limited, more at times than at other times, but we will strive to give you as complete a coverage as is possible.

However, since this is not a daily newspaper, there is no need of phoning your story to us. Just drop us a letter stating a few of the most outstanding plays of the games, line-ups, stars, etc. and we will try to get it in as soon as possible. We would like to have all the copy in for each week's edition not later than Tuesday of each week, but prefer to have it earlier if possible.

If anyone wishes us to give any additional information, drop us a card stating what you wish to know and we will answer it as promptly as is possible.

NOTICE

The Land & Real Estate office of R. L. Brown, deceased, is no longer in operation. Same having been closed as of November 1, 1948. Said estate is not and will not be liable for any future claims or debts.

Anyone having claims against R. L. Brown, deceased, should present same for payment to L. A. Howard, 607 Lubbock National Bank Building, Lubbock, Texas, who is Independent Executor of the said estate. 46-3tc.

The Lockney Longhorns cinched the title of District 3-A last Friday night when they rolled over the Matador eleven 39 to 0.

They will meet the winner of District 4-A for the Bi-District title and a chance at the Regional and State crowns.

Levelland is leading the race for the championship of the north half of District 4-A and will meet their final obstacle this weekend, the Littlefield Wildcats who will be out for revenge for the trimming they received from the Lobos last season.

Should the Wildcats beat Levelland and Sundown wins over Sudan, it would throw the race in the north half into a three way tie between Sundown, Levelland and Littlefield. Due to the lack of time and several other reasons the team to represent the north half would have to be selected some way or another besides playing off the tie.

We would suggest that this problem could be solved without any kind of chance being involved such as the flip of a coin. All the coaches representing the schools in the north half should be called in and cast a secret ballot as to which of the three teams should have the honor of representing the north half for the district title.

In the south half of District 4-A, Post has all but cinched their right to defend the south half for the district crown as they confront the weak Slaton Tigers this weekend and it looks as though they will emerge as the District Champions. They defeated Levelland two weeks ago in a non-conference clash by two touchdowns and there is very little doubt that they can't do it again. However anything can happen in a football game, so we shall see what we shall see.

WERE PHEASANT HUNTING Jim Cox, Bob King and Marion Harris returned Sunday from a few days' pheasant hunting in Kansas.

PROUD BEAUTY

The enjoyment of flowers comes naturally to young children. Wise parents foster this instinctive love of beauty by encouraging their children to care for flowers intelligently and to arrange them artistically.

National Flower Week will be celebrated throughout the nation this year during the week of November 7-14 to encourage an appreciation for flowers and of the pleasure they bring to daily living. During National Flower Week and throughout the years, mother, father, and children will enjoy a feeling of close companionship as they share their mutual interest in one of nature's greatest gifts—flowers!

Jackets To Battle Indians Today At Morton At 2:30

The Muleshoe Yellow Jackets and the Morton Indians who are battling to keep out of the cellar in the north half of District 4-A will meet tomorrow afternoon on the Indian's home field to decide which team will wind up in that position.

Although the Yellow Jackets have not been able to win a conference encounter up to now, they do have a fairly good season record, winning all of their non-conference tilts. The Jackets won over Springlake, Olton, Slaton and Seagraves. Sundown handed the Jackets their worst defeat with the other conference teams having a nip and tuck battle on their hands to defeat the local eleven.

The Morton Indians do not have near as good a season record as the Jackets have and there is only one game that can really show much of a comparison between the two teams when playing at their best and that is the games they played with the Sudan Hornets.

Since this is the only way of rating the teams, we give the Jackets a slight edge over the Indians. However the edge is very slight and will definitely be a long hard battle for the Jackets to win.

A large crowd of Jacket fans are expected to travel down to Morton to witness the encounter since most of the Muleshoe business houses will be closed in observance of Armistice and since it is the last game of the season for the Jacket squad. Another reason a large crowd is expected to attend the game is that the game will be played in the afternoon instead of at night. Of course the crowd will also be determined by the weather conditions that prevail tomorrow afternoon, but if the weather is good, a record crowd is expected to witness the game.

Panel Bodies suitable for mounting on the Forward-Control Chassis are supplied by many reputable manufacturers.

It's the New Chevrolet
Dubl-Duti (FORWARD CONTROL) Chassis

Take a good look at this latest addition to the Chevrolet truck line. It's worth it. Because here is something altogether new, something that will put your door-to-door delivery business on a new high level of efficiency—a forward-control chassis permitting double the ordinary load space! And that isn't all in addition, there's Chevrolet's new foot-operated parking brake, steering column gearshift and solenoid starter plus full standing room comfort and convenience. Just wait till you see them! You'll want this Chevrolet Dubl-Duti chassis. It's a double value!

Here's Double Value!

- DOUBLE CUBIC CAPACITY!** More packages per trip... less cost per package. Chassis are designed for bigger bodies with no extra wheelbase added.
- SHORTER TURNING RADII!** Wide front tread enables driver to turn within a small circle!
- GREATER CONVENIENCE!** Chevrolet's new solenoid starter—operated by instrument panel button—assures positive starting.
- NEW EFFICIENCY!** Chevrolet's foot-operated parking brake assures positive, safe braking in an emergency or for parking!
- NEW OPERATING EASE!** Advance-Design gearshift (on 125 1/2" wheelbase with 3-speed transmission) is mounted on the steering column.

TWO MODELS!

- Model 3742—125 1/2" wheelbase. For nine- and ten-foot body installations.
- Model 3942—137" wheelbase. For ten- and eleven-foot body installations.

Sixteen million women—1 out of every 3 over 14 years of age—will be at work, or seeking work by 1950. More than 1 1/2 million more will enter employment each year thereafter.
—From a study by Bryn Mawr College.

Will SHE HAVE TO GO TO WORK?

Will your widow have to go to work "to keep things together and make ends meet?" Will she be prepared to enter a lucrative profession... fill an executive's chair... start a business of her own? Or will she have to seek employment wherever she can find it, at whatever she can get?

More than 90% of all the women employed in our country work because they have to eat, or need the money to support others. (Women's Bureau, U. S. Department of Labor)

The thing nearest your widow's heart will be security. To her, security will mean more than investments, assets, money in the bank. Security—to her—will mean happy, contented human relationships... an unbroken family... a home safe against the darkness outside... a placid place to nurture children. And you can give her that security through Southwestern Life Insurance.

If you are 35 and your wife is, say, 32, by saving as little as \$13.50 a week you can assure her \$100 a month for life. If she lives until she is 52, she will get a total of \$24,000 in \$100 monthly checks. If she lives until she is 72—as many women do—she will get a grand total of \$48,000. One hundred dollars a month to her should you be taken out of life's picture... or \$100 a month for life for you, if you want it, to start when you are 65. Give your wife a financial nest-egg—a guaranteed income that she can depend on—an income that she will have as long as life lasts. Ask for a plan to fit your needs today.

Yes—a Quiz!

on something new and fascinating—
Golden-hued Dirilyte

Q. What is Dirilyte?

A. It's a wonderful new metal alloy, the color of polished gold.

Q. How is it being used?

A. It's being made into excitingly beautiful knives, forks, spoons and dishes that bring a dazzling new sunshine to the table.

Q. How does it compare with silver in durability?

A. It's harder than sterling, and very scratch-resistant.

Q. How does it compare with plate?

A. It's solid, not plated — with Dirilyte there's nothing to wear off!

Q. What do stylists say about it?

A. They're mad about it. It makes possible such dramatic new color schemes. And it harmonizes with gold-decorated china and crystal — the only flatware that does!

Q. Can it be used in both period and modern settings?

A. Yes! The Regal pattern, with curved handles, is lovely with period china. The Empress pattern, with straight lines, is stunning for modern tables.

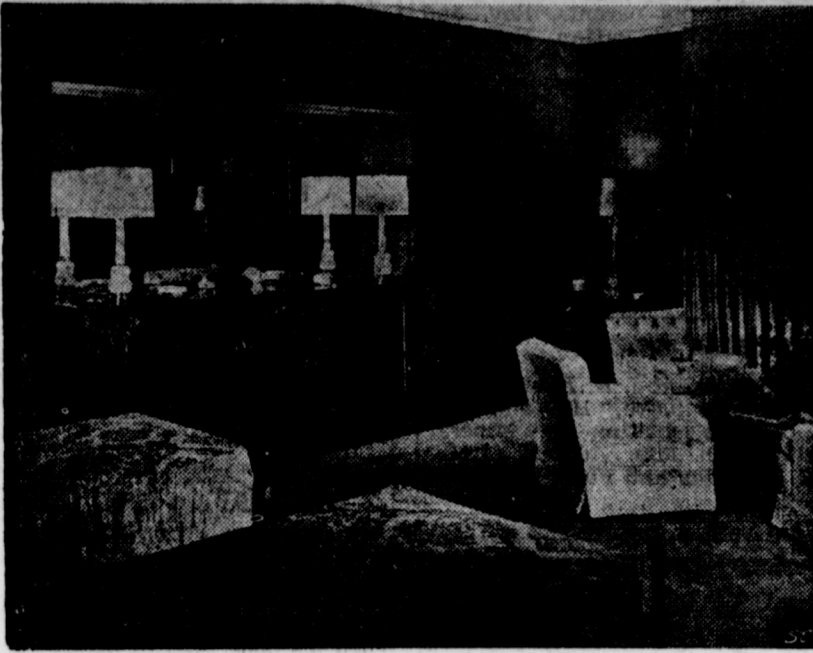

Q. Is it expensive?

A. No. It costs no more than good plate!

Didn't we say at the start that Dirilyte is fascinating? Come and see it... discover the dazzling glory of a table set with Dirilyte... discover the beautiful color harmonies you can plan with Dirilyte and your present linens, china and crystal... and discover its amazingly moderate cost!

FURNITURE FASHIONS by Frances Ainsworth

GRAND RAPIDS, MICHIGAN—Two exciting new furniture designs highlight the 18th century traditional one-room apartment in the illustrated setting from the newly decorated Grand Rapids Furniture Museum. The new Gentleman's and Lady's wardrobe units, made of genuine mahogany with prima vera inlaid borders, form the focal point of interest. The capacity of these pieces is amazing—in the Lady's Wardrobe, partitioned sliding trays are provided for handbags, slippers and shoes—shallow trays for handkerchiefs and jewelry, deeper ones for other apparel. Partitioned trays in the Gentleman's Wardrobe take shirts "Just as they come from the laundry"... others accommodate slippers and shoes, underwear, sweaters, odd trousers and sportswear. Sliding racks hold ties and belts. Where space is limited, these wardrobes often take the place of two or even three ordinary bedroom pieces. Ideal for the one-room apartment, the glowing mahogany finish blends smartly with the deep blue plum walls in the illustrated room setting.

"He says I just won \$25,000 in a Treasure Chest Contest..."

CHILDREN SHOULD BE TAUGHT EARLY

How To Handle The Family Income
Is Biggest Problem Of American Families

COLLEGE STATION, Nov. 9.—One of the hardest problems that face young married people is that of "How to handle the family income."

Mrs. Eloise Johnson, extension family life education specialist of Texas A. & M. College, says that a recent study made by Michigan State College found that spending the family income in the wisest way was a problem that took the longest time for families to work out. Half of the people interviewed were able to work out a satisfactory arrangement, but the other half said it took months or years—and some never did agree. Mrs. Johnson believes that the reason lies in the fact that often young people are not taught the wise use of money while they are young, and then are faced with the problem when they marry, at a time when they are confronted with many other problems of adjustment.

"It takes most of us a lifetime to learn the basic principles of earning, saving, spending and enjoying money," she says. "So the earlier one starts to learn, the better. Too many young people grow up without any independence in using money. Some are kept entirely dependent upon their parents, not only for money, but for every decision as to how the money is to be used. Such dependence is poor background for mature judgment when young people leave home."

She points out that children can be included in the family plan for the use of money at a very early age. They can be helped to understand that things cost money and that they have a share in the family money, just as they have a share of the family food and the family home. "Their judgment in the use of money at the age of three, for instance, is not the best, but they learn from example and even more from experience," she says.

"They'll make mistakes and waste their money," she concludes, "but such mistakes are less serious than those that might be made when the children are older. Wise money habits can be built, if children understand and actually take part in the planning for earning, spending, saving and sharing the family money."

FROM FRIONA
Clarence Veazey of Friona was visiting in Muleshoe Sunday with relatives and friends.

IN PLAINVIEW
Bud Truelock visited in Plainview last week with his brother and family.

CARD OF THANKS

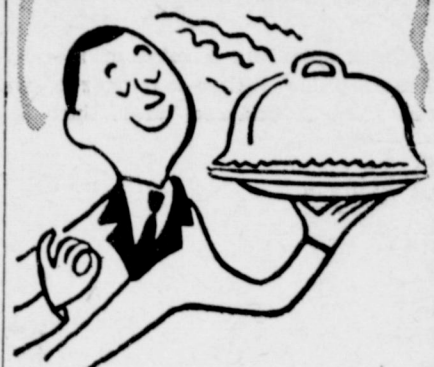

We take this method to thank the many friends and neighbors of our mother, Mrs. W. R. Thorne for the many beautiful flowers and deeds of kindness and love. Also the delicious food that was served in the home. We pray God's richest blessings on each one.—Mr. and Mrs. H. N. Nivens, Mr. and Mrs. D. B. Thorn, Mr. and Mrs. W. I. Thorn, Mr. and Mrs. O. O. Thorn, Mr. and Mrs. A. O. Brewer, and grandchildren.

HERE FROM MINERAL WELLS

Dr. and Mrs. C. W. Irvine, who are the proprietors of the Milling Sanatorium in Mineral Wells, Texas, visited in Muleshoe Friday with old friends and patients.

Dairy farmers are losing 50 million dollars worth of milk a year due to brucellosis. That doesn't count nearly two hundred thousand calves that would have made about five million dollars worth of veal.

Care and feeding
of your
Buick engine
our specialty

It takes a well-balanced diet of gasoline and air to feed your Buick engine so it purrs like a kitten—yet delivers Fireball power for quick get-aways and smooth driving.

We specialize in keeping the "food" your Buick travels on up to its dietary requirements. By inspecting fuel pump, keeping your carburetor free of dirt and gums. And by servicing filters the Buick way.

Everything we do is done the Buick way—with Buick factory-engineered parts. There's no better way to keep your Buick always a Buick—always at its best.

Your Home
 By Frances Ainsworth

Our family has recently taken up "kitchen partying" and it's such fun! Someone says, "Let's pop some popcorn!" and we're off for another evening of glee. Even our friends come in to enjoy our kitchen parties. We gather round the stove, each taking turns shagging the corn as it booms, and the merry popping always encourages laughter and gay conversation. When it's done, we can hardly wait to eat it!

Usually we divide our popcorn into individual bowls because some like it seasoned with salt and butter or margarine, while others like it with apples or milk poured over it. We always have plenty of paper napkins on hand because everyone needs them to wipe away the excess grease and salt.

And we love making candy. We've tried penuche, fudge, divinity, and even a taffy pull! But Marshmallow Fudge is our favorite. Perhaps because it's so easy. We cut 12 marshmallows into small pieces and stir them into the chocolate fudge mixture just before pouring it into the pan.

If there's any candy left over we send it home with our guests. When packing it, I use paper napkins to pad the top and bottom of the candy box. The firm softness of the paper napkins holds the candy in place and keeps the pieces whole and unbroken. That's a good tip to remember when packing homemade candy for birthday or Christmas gifts, or whenever sending it through the mails.

I'm enthusiastic about kitchen entertaining. It makes for such good, wholesome family life!

Maple News

The Three Way Eagles won over the Southland football squad Friday night 46 to 16. The game was played on the Three Way field.

Mr. and Mrs. L. A. Corbell have moved close to Lubbock. Sorry to lose these good people.

Mr. and Mrs. Jack Richardson and cousin visited in the E. B. Richardson home Sunday.

Miss Bonnie Jean Garvin of Lubbock, spent Sunday at home with her parents. Bonnie Jean is Christmas Princess of the Freshman class at West Texas School of Nurses.

The community is still in need of a few cotton hands. The girls are busy and so is the elevator.

The W.S.C.S. met at the church Wednesday, having a business meeting. Mrs. T. K. Kelley is the President and Mrs. Johnson Vice-President. We will meet again November 17 at 2 o'clock at the church.

Grandmother Fort visited in the home of her son, H. W. Garvin and family Sunday.

When preparing cabbage for cooking, cut the cabbage into sections rather than shredding it before dropping it into boiling water. This way there isn't as much vitamin and mineral loss.

HEADED FOR GERMANY

Pvt. Charles Pattan, Army Signal Corps, is here this week for a visit with his parents, Rev. and Mrs. Martin L. Pattan. He came here from Fort Ord, Calif., after receiving his basic training there and is on his way to Camp Killmer, N. J., jumping off place for Germany, where he will join U. S. occupation forces. Rev. Pattan is pastor of the Nazarene Church here. Young Pattan had met several other Muleshoe boys at the California post and said they are all on their way home for a leave.

ON ANNUAL LEAVE

County Agent J. K. Adams is on his annual leave. He and the family are visiting in Mineral Wells, with Mrs. Adams' family and in Dallas and Fort Worth this week.

Letters To The Editor

Hot Springs, N. M.
 Nov. 8, 1948

To The Muleshoe Journal:
 Gentlemen:

On account of poor health I have let the time go for sending the check for another years subscription for your paper.

Am glad to state I am better and also to tell you that the C. S. Otto's are nicely located in an adjoining apartment.

I feel the baths and climate of Hot Springs will be very beneficial for Mrs. Qito.

Sincerely,

Mrs. J. W. Gregory Sr.

M-M FARM MACHINERY SALES & SERVICE
 A ONE-STOP FARM SERVICE

Texas has 394 entries in the Egg Laying Contest representing nearly 122 thousand birds. If each bird lays 150 eggs during the year of the contest, there will be over 18 and a quarter million eggs produced in the contest.

Discounting the possibility of war and adverse weather conditions, the 1949 prices of most commodities from Texas farms and ranches are expected to average slightly lower than the prices of 1948.

Owes His Life To CROP Contributions

This little lad, in a German kindergarten, owes his life to American farm folks who are sending gifts to the needy overseas through the Christian Rural Overseas program (CROP). Thousands of such children, without fathers or mothers, cannot exist without volunteer aid.

The CROP food train now being planned in this, and 39 other, states will especially benefit orphans, children who are ill (many with tuberculosis), widows, and the aged.

Most needed are whole grains, meat, milk, and other farm commodities of high food value. Raw cotton and wool are also needed.

CROP is sponsored nationally by Catholic Rural Life, Church World Service, and Lutheran World Relief. Contributions are sent into 43 different nations.

Because of Texas' long dry spell, cattle are faced with poor pasture and range conditions. They'll need plenty of protein feeding and lots of good, green hay if it's available. If there is no good green hay, the cattle will need some source of vitamin A.

Housewives will find a large assortment on the grocery shelves this month. On November's plentiful food list are red and white potatoes, white and yellow onions, cabbage, carrots, grapes, citrus fruits, cranberries and pears.

In 294 households where the laundry was done at home, the time spent on the job ranged from less than three and a half hours to more than nine and a half hours. A hundred of these families . . . or 34 percent . . . of them reported between five and a half to seven and a half hours spent each week in laundering.

100 Years of Watchmaking

Waltham, Mass.—In three places in America you could take a picture like this! A family of watchmakers—three generations of them—pose for news cameras in their home here, while celebrating the 77th birthday of the grandfather, Edwin C. Whitney, seated at left. Total years of Whitney family at the Waltham Watch Co. come to almost 100, and young Robert Whitney, standing at right, has added a fourth generation which the family hopes will make watches, too. You could find such a family in two other places in America where jeweled watches are made—Elgin, Ill., (Elgin National Watch Co.) and Lancaster, Penn., (Hamilton Watch Co.)

From where I sit . . . by Joe Marsh

To Dunk or Not To Dunk?

Dunking doughnuts is Sober Hopkins' favorite morning pastime . . . and for a long time Ma Hopkins has been trying to break him of the habit. Feels it sets a bad example for the children.

So one morning she puts a heavy frosting of chocolate on the doughnuts . . . figuring that will stop him. Sober thinks it over for a while and then: Dunk! Taste? Smile!! And Sober compliments the missus on the lovely mocha flavor!

I guess there'll always be two schools of thought: to dunk or not to dunk. But from where I sit, it's a matter of personal choice and taste—like some folks prefer beer to cider, ale to beer. And the less we criticize those differences of taste, the better.

In fact, Ma Hopkins got so curious about the flavor of chocolate-covered doughnuts dunked in coffee, that she tried it herself. Now you've guessed it—she's a daily dunker, too!

Joe Marsh

Women's News - Club Events Social Activities

Mrs. Dawkins Is Hostess To Club

Mrs. Foy Dawkins was hostess to the Sunshine Club Thursday, November 4, in an all day meeting. The day was spent quilting. The meeting was called to order by Mrs. M. M. Simmons. Each one present read a verse from Psalm 31.

There was one new member, Mrs. N. W. Lee, and two visitors Mesdames Hattie Ware and Bessie Payne.

We also drew names for our Christmas party. It was voted and carried not to pay over a dollar for gifts. Mrs. Dave Coulter led the song, "My Faith Looks Up To Thee."

Those enjoying the occasion were Mesdames M. M. Simmons, Dave Coulter, Ike Stinson, Merle Barnhouse, George Chambless, J. C. Hart, C. H. Odom, N. W. Lee, Hattie Ware, Bessie Payne, L. E. Ware and the hostess, Mrs. Dawkins.

Next meeting will be with Mrs. M. M. Simmons, Thursday, November 18.

ATTENDS MILITARY FUNERAL Rebekah Lodge Confers Degree

Muleshoe Rebekah Lodge met in regular session Tuesday night and conferred the degree on Mrs. Geneva Freeman. There will be a school of instruction taught by our Lodge Deputy next Tuesday night, November 16. Everyone is urged to be present. Mrs. Ina Gross was presented a 25 year jewel recently.

The following ladies from the Dimmitt Rebekah Lodge were visitors Tuesday night: Ozetta Hem-bree, Nell Copeland, Oleta Chism, Birdie Durie, Veima Guntrells, Juanita Puffer and Mae Cox. Bro. Richardson, retired Lieut. Colonel from Lubbock, was also present.

Refreshments of chicken salad sandwiches, potato chips, cookies, and coffee were served to 36 members and nine visitors.

IN AMARILLO

Mr. and Mrs. A. P. Lambert were in Amarillo Saturday attending the Master Plumbers Association and Auxiliary held in the Herring Hotel.

Star-Lites
MOVIES, MIKES and MISCELLANEOUS
By LYN WILSON

MARGUERITE CHAPMAN, who plays the leading feminine role opposite Larry Parks in Columbia's forthcoming Cinecolor production "The Gallant Blade" is saved several times by the gallant swordsman (Larry Parks). Actually Marguerite was born in White Plains, N. Y., has 4 brothers and is known as "Slugger" because she could so well defend herself. Formerly a model, Slugger Chapman Marguerite considered one of the most beautiful of Hollywood actresses, lives in bachelor girl splendor in a small Hollywood apartment.

"WHAT'S YOUR FORMULA for breaking into radio?" we asked of John Raby (male lead in NBC "When A Girl Marries" series program) and strangely enough his answer, "Just decide to be a shepherd and you'll likely as not end up in radio," is exactly how John got there. With ticket to Texas to herd sheep, he attended an N. Y. dramatic Academy performance and the director convinced him to sign-up for a 2 year course in acting. He did, finished with flying colors and was alternating between Broadway and summer stock (10 years ago) when a talent scout offered him an audition for a new radio program...

When A Girl Marries... and John has been in the cast ever since except for 4 years in the army.

IF A MAN NEEDS INCENTIVE to be a success, Dennis Day, NBC's Saturday song-man on "A Day In The Life Of Dennis Day" has had his share. Dennis has a list of loving Irish relatives a mile long and a devoted wife.

Irish luck helped too and the fact that he always respects the traditional superstitions. Dennis sold papers in the Bronx as a kid and beach equipment later to pay his college tuition.

He was headed for a legal career when Jack Benny found him. Although he seems to like everything and everybody he has two major fetishes. He's allergic to spinach and peroxide blondes. "Anything," says Dennis, "that needs that much artificial doctoring lacks appeal!"

JOHN LARKIN, in this photo, looks enough like John Robert Powers to be his brother... but 'tisn't so! They do, however, have things in common... both detectives and both keep the public keyed up. Larkin, as the hero of the CBS weekly Perry Mason show, tracks down crooks and puts them in jail while Powers tracks down beautiful gals and puts them on magazine covers. Larkin hails from California... received his schooling there, in Simsbury and in Uncle Sam's army. His original aim was an operatic career but a singing-acting part in a musical turned him to dramatics and numerous stage and radio parts followed. In addition to Perry Mason, John does several other radio shows and still has time for a hobby... a record collection with which he indulges his earlier musical aspirations.

IT'S MISS AMERICA of 1958 or a Phi Beta Kappa key prediction for little Joan Lazer who plays the part of Jessica Roberts in the CBS Rosemary program. 10 year old Joan is a veteran actress of 3 years. She is still so small that she stands on a box to reach the mike. Show time and rehearsals quite often conflict with school hours so professional school is the answer. Rather than hindering Joan's progress, radio seems to have accelerated it. She's already in eight grade... two ahead of the average 10 year old.

FOOTBALL fans will get a thrill out of RKO Radio's "Interference" co-starring Lucille Ball and Victor Mature. To the spine-tingling excitement of professional football has been added the drama and romance of the players off the field, their responsibilities to the women who wait and to those who don't. This carrot topped beauty rocketed to stardom via the show-girl, model route and is one of Hollywood's abtest comediennes, favorites of critics and fans in a succession of sparkling roles. In her new picture Lucille plays the part of the star halfback's secretary and has a nifty line—in more ways than one.

Fidelis Class Met In McAdams Home

The Fidelis Class of the First Baptist Church met in the lovely country home of Mrs. W. B. McAdams with Mrs. A. E. Lewis as co-hostess.

Roll call with a favorite verse of scripture was given and reports of the group captains was made with Mrs. McAdams group leading.

Annual Thanksgiving dinner will be in the home of Mrs. H. C. Schuster Thursday evening, Nov. 18, at 7:30.

After the business session, a social hour followed. Sunshine gifts were opened and lovely refreshments were served to twenty members.

Our next meeting will be December 2, at 2:30 p. m. in the home of Mrs. Pat Bullock with Mr. Irvin St. Clair as co-hostess.

Anna Moeller was chosen "Queen by the grand council.

There were ten visitors and 32 members present. Visitors were: Mr. and Mrs. Howard Elliott and daughters Quinell and Roberta, Mr. and Mrs. Ebb Randol, Mrs. J. A. Moore, Miss Mildred Davis, Chas. West and O'Neil Rockey. Members were: Mesdames Mardis, Julian, Layne, Wollard, Haney, Witherspoon, Panter, Motheral, J. J. Williams, McCormick, Carles, Goodson, Snyder, Callie Williams, Stidham, Harden, Burkhead, Douglass, Darnell, H. S. Sanders, Sr., Moeller, Kistler, Harper, Spence, Paul, Gilbreath, Hall, Weyer, West, Davis, Jones, and the hostess, Neil Rockey.

The next meeting will be a quilting, Thursday, November 18, at 1 o'clock at the home of Mrs. J. J. Williams.

TO SHERIFF SCHOOL
Hugh Freeman, sheriff-elect of Bailey County, left Sunday for Austin, and is this week attending a school being held there for sheriffs and deputies. Men from all parts of Texas were in attendance.

Sewing Club Met With Mrs. inley

The Homemakers Sunday School class of the First Baptist Church met in regular session at the home of Mrs. Birdie Paul, Tuesday, November 9.

Mrs. Beulah Motheral had charge of the business in the absence of the president, Mrs. Dyer.

Mrs. Harper was elected Fellowship Chairman for the coming year. Mrs. Spence was elected Chairman of the year book. Reports were made by group captains and it was decided that our Christmas program would be December 14, in the home of Mrs. Spence.

Opening prayer was led by Mrs. Kate McCormick and the devotionals was brought by Mrs. Motheral. Refreshments were served to Mesdames Motheral, McCormick, Lebew, Harlon, Spence, Morris, Snow, Winn, Hinkle, Young, Shook, Tharnley, Riddle, Benson, and the hostess, Mrs. Paul.

VISITED HERE
Mrs. Grace Lents of California, Mrs. Mary Martin of Georgia, Mrs. Nan Penrod of Lubbock and Mrs. John E. Toles of Shallowater were guests Tuesday in the home of Mr. and Mrs. Jay Weyer and family.

DOING GOOD AT J.T.A.C.
David Weyer is top man on the Fencing Class Team and fourth on the varsity at J.T.A.C. at Stephenville. While on a fencing trip recently to Waco he visited in the home of Mrs. Bonnie Isaacs, Jeanette and Al Jr. He reported a wonderful visit in their home. They are former residents of Muleshoe.

Mrs. Spivey Is Guild Hostess

The Wesleyan Guild met at the Fellowship Hall November 8, with Mrs. Curtis Spivey as hostess. Mrs. Francis Gilbreath, president had charge of the business session.

Mr. Fred Johnson brought the first two chapters of our study, "Methodist - First Century in China," in a very interesting manner. He will give the next two chapters November 22, at which time the Guild will meet with Mrs. T. G. Craft.

Refreshments were served to Mr. Johnson, a visitor, and the following members: Mesdames Francis Gilbreath, Homer Sanders, Jr., Jim Cox, G. O. Jennings, Fred Johnson, Jim Burkhead, Elizabeth Harden, and the hostess, Mrs. Spivey.

FROM KANSAS
Mrs. Fred Clements of Seneca, Kansas, arrived Saturday to spend a few days visiting her parents. Mr. and Mrs. G. D. Reed of Lubbock and Mr. and Mrs. W. H. Clements of Muleshoe.

LEVELLAND FOLKS HERE
Mr. and Mrs. H. B. Byerley and sons, Edward and Earl, of Levelland, were in Muleshoe Thursday evening to attend the football game between Levelland and Muleshoe. Mrs. Byerley and Earl stayed over for a few days visit with her mother, Mrs. Maude Jones.

Half Century Club Observes 11th Anniversary

In observance of the eleventh anniversary of the Half Century Club, an all-day meeting was held in the home of Mrs. Neil Rockey, Thursday, November 4, with a delicious covered-dish luncheon being served at the noon hour.

In serving, small tables, seating four, were placed throughout the house, with the Hallowe'en motif carried out in the colorful table cloths and napkins. Bouquets of flowers decorated the rooms.

After luncheon a short business session was conducted by the president, Mrs. C. D. Julian. A brief review of the club's progress and activities, since its organization, was given by the secretary, Mrs. Bill Kistler. The club was organized October 27, 1937, with five charter members. Today, on its Eleventh Anniversary, sixty-one members are on the roll. Of these, twelve are living in other states. During these years, five have been claimed by death.

The club has contributed to various civic and charitable causes, and messages of sympathy and cheer have been sent.

Following the business meeting, several games were played; the last and most hilarious was a take-off on the "Queen for a Day" program, with Mrs. Walter White in the role of Jack Bailey. Mrs.

3/4 Million Bales State Estimate

AUSTIN, Nov. 10.—The cotton crop this year is approximately 3,250,000 bales more than last year's, Dr. A. B. Cox, University of Texas professor of cotton marketing, reported.

The unusually large cotton crop in the United States this year is the result primarily of increased yield per acre. Improved yields per acre account for about 90 per cent of the increase and expanded acreage for only about 10 per cent of the grain.

Exports of United States grown cotton with the help of the Economic Cooperation Administration is expected to exceed 9 million bales. This should leave a carry-over of about 5 million bales on next August, Dr. Cox said.

World supplies of all cotton for 1948-49 will be about the same as for 1947-48 because of the reduced carryover last August. World production this year is now expected generally to balance world consumption at about 28 million bales.

AT DALLAS SATURDAY

Mr. and Mrs. Gilbert Willard and also Mr. and Mrs. Delmer McCarty and Weldon attended the football game in Dallas, between S.M.U. and A. & M. They met Fuston McCarty who has been going to school at A. & M. They also met Herbert Griffiths while they were there.

MOVED TO OKLAHOMA

Mr. and Mrs. Jim Aisup moved to Shattuck, Okla., last Monday. He will be employed by the Shattuck hospital as an assistant pharmacist.

This year's Texas crop of alfalfa seed is estimated at 35 thousand bushels, threshers-run, the fourth largest crop on record.

THE MULESHOE JOURNAL, Thursday, November 11, 1948

OUTSTANDING PROGRESS HAS BEEN MADE

Bulletin Just Released On "Mechanized Production Of Cotton In Texas" Available

COLLEGE STATION, Nov. 9.—A summary of the best recommended practices in the mechanized production of cotton in Texas has just been released by the Texas Agricultural Experiment Station. Bulletin 704, by H. P. Smith, research agricultural engineer of the Texas Agricultural Experiment Station, and D. L. Jones, superintendent of the Lubbock Station, presents highlights of cotton production and shows how mechanization has been developed to meet these problems. Early Texas farmers produced cotton with the hand hoe and the sweep stock. Riding mule-drawn planters and cultivators were not developed until the 1880's and 1890's. Outstanding progress has been made in mechanization since the introduction of the row-crop tractor about 25 years ago. Tractor-mounted middlebreakers, planters and cultivators were developed about 1930. Though strippers and pickers were experimented with nearly 100 years ago, there was little progress in their use until attention was given to the effect of varietal characteristics on their performance. This bulletin, "Mechanized Production of Cotton in Texas," lists each phase of Texas cotton production and discusses the various labor and time-saving machinery which has been developed to handle it. Fifty-five illustrations show these mechanical tools and their relationship to cotton production problems.

Pvt. Clements At Nagoya, Japan

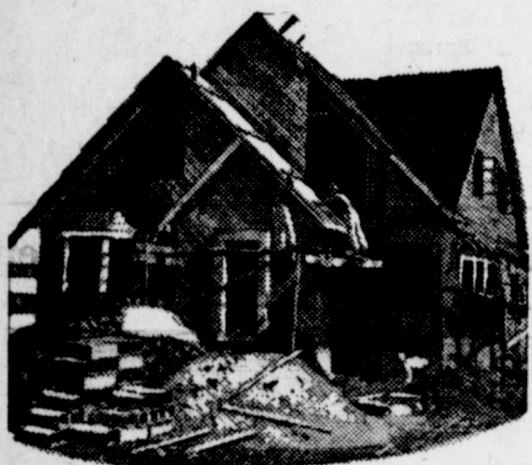

NAGOYA, Japan—Private first class Olan D. Clements, son of Mr. and Mrs. S. D. Clements of Muleshoe, Texas, recently completed his tenth month of service with the Fifth Air Force in Japan. He is on duty at Fifth Air Force Headquarters in Nagoya, Japan, where he operates the Link Trainer, a device which gives pilots simulated flight training. Pvt. Clements joined Far East Air Forces last December, and was immediately assigned to Fifth Air Force Headquarters. He attend high school in Muleshoe, and in April, 1946, enlisted in the Air Force at Clovis, New Mexico. He was formerly stationed at MacDill Air Force Base in Tampa, Florida.

TO RADIUM SPRINGS
Chet Layne and Bill Payne made a trip to Radium Springs, N. M., on business Sunday.

AUTOMOBILE

- 1—D. A. Model Dodge Sedan, 5 good tires, new battery and heater.
- MANY, MANY Articles too numerous to mention.

AN ECONOMICAL LUXURY

IN THIS SECTION where winter weather usually gets unpleasant, you'll find a home laundry dryer an economical luxury. Just think, no more bundling up to go out to the clothes line, no more waiting for "good drying weather". Just put your wash, fresh from your washing machine, into your home dryer. A gentle stream of warm air will toss your clothes to dryness in just a few minutes. Your family's clothing will last longer, with no bitter wind pulling at them, no burning sun bleaching them.

Best of all, of course, is the fact that with electric service cheaper than ever before, your home laundry dryer will cost just a few pennies a month to operate.

See an appliance dealer soon about a home laundry dryer.

Beavers - Hanover Day

REAR OF BANK

"Your Exchange" Is Opening Here

An office of "Your Exchange" is being opened in Muleshoe this week by Emette Cross, who has been with the exchange at Lubbock the last year or so and is now to be manager for Bailey County. The office is in the Priboth building, on Lubbock highway across from Muleshoe Elevator.

The Exchange, which operates in every state in the Union, deals in real estate, livestock, life insurance, and loans, Mr. Cross said. The Exchange will handle used farm equipment and machinery and has a parking lot near the office for this division of their business.

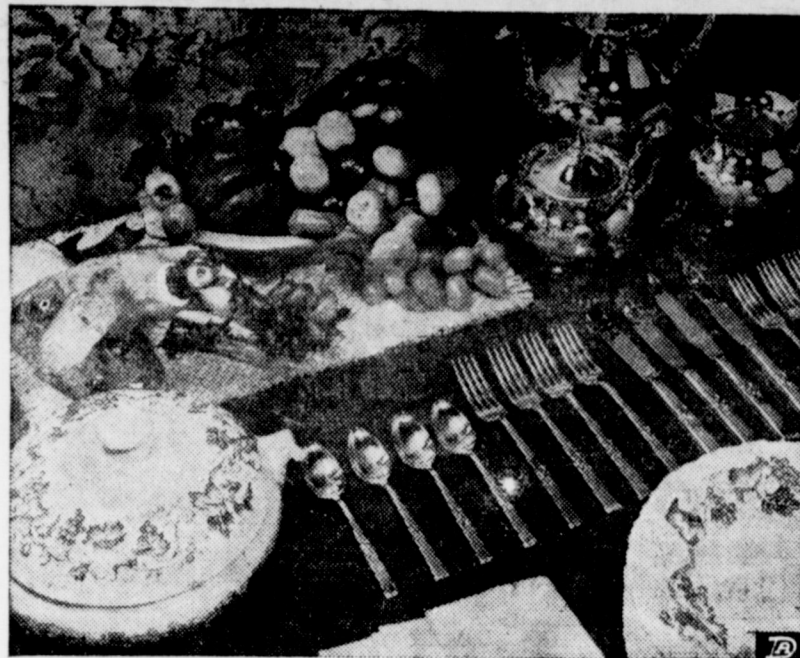

Memberships are sold in the Exchange for \$5 per year, and this entitles the member to have his

Uncle Sam Says

Graduation days are now over and millions of youngsters are enjoying that annual summertime vacation. Now is the time for you parents to give serious consideration to their future education. Thousands of students will enter high school or college this fall with no financial worries. Their parents started buying Bonds early and with maturity those bonds are now yielding \$4 for every \$3 invested. You know Savings Bonds yield a good profit at no risk! the principal.

A Harvest Party for Lots of Fun

Remember those old time harvest suppers? Lots of fun, lots of good food but no fuss—no frills. Your friends will like this kind of entertainment, particularly if they are city slickers. Use your buffet or side table as the groning board. Give the surface a good protective waxing before the party and you'll be able to dispense with all but the most essential mats or coverings. Your Morning Star silverware by Community is beautiful arranged on a polished wood surface. And be sure to use those extra-special wedding pieces of hollow ware in the background, they all add to the beauty of your table. A centerpiece of fruits and vegetables in season, heaped in a wooden bowl and set on a bright mat, is all you need for decoration if you have a favorite piece of pottery, or bright ceramic figure, add it for extra color. China ware in a floral or fruit pattern carries out the general harvest effect. Serve a hearty menu of favorite casserole, toasted french bread and coleslaw. End with a generous portion of hot gingerbread or apple pie a la mode.

personal property advertised on a radio broadcast until sold or for a year. In addition the member receives "Exchange News" a monthly publication listing property in every state.

Mr. and Mrs. Cross are at home in the garage apartment of H. S. Sanders, Jr. The Sanders and Cross families formerly were neighbors and friends in Quitaque several years ago.

'New Look' American Dinnerware Will Brighten Holiday Tables

Holiday tables will be more colorfully decorated this season than ever before. The lovely dinnerware patterns so popular these days with homemakers and gift shoppers have a new spirit of gaiety, a new individuality. Today's "accent on color" is made-to-order for the festive occasion. In his trend to bold tones, the potter is as enthusiastically American as the Stars and Stripes! From the arresting peacock blues and vivid fruits and flowers to the new subtleties of mist grey, bright rust, persimmon, gun-metal—you'll find them all in present-day American dinnerware. With so much to choose from, and at such reasonable prices, dinnerware shopping for the holiday seasons can be truly an enjoyable adventure!

Little Pigs Stunted By Worm Infestation

Tests Show Marked Retarding of Growth

Seldom are farmers inclined to argue with scientists, livestock specialists and others who keep warning that internal parasites are harmful to swine. Occasionally, however, a farmer will pose the question: "How much injury is caused by worm infestation?" The answer to that question is provided in tests conducted by the bureau of animal industry to de-

Growth of this pig will be determined largely by number of worms present.

termine how much the growth of pigs is retarded by roundworms (ascariads).

In carrying out the experiment, the bureau used eight litter-mate pigs eight weeks old, feeding four of them infective roundworm eggs. The other four, which served as controls, received no worm eggs.

After four months all eight pigs were weighed, killed and examined for roundworms. None were found in the control pigs, but the other four harbored 109, 39, 20 and 12, respectively.

Growth of the four pigs that had roundworms at autopsy was less rapid than the four controls. The pig with 109 worms weighed 8.7 pounds less than at the time it was fed the worm eggs; its control litter-mate gained 96 pounds.

The pig with 39 roundworms gained only 48 per cent as much as its control; the one with 20 roundworms, only 55 per cent as much as its control. The growth of the pig with only 12 roundworms was not retarded very much; it weighed nearly as much as its control mate.

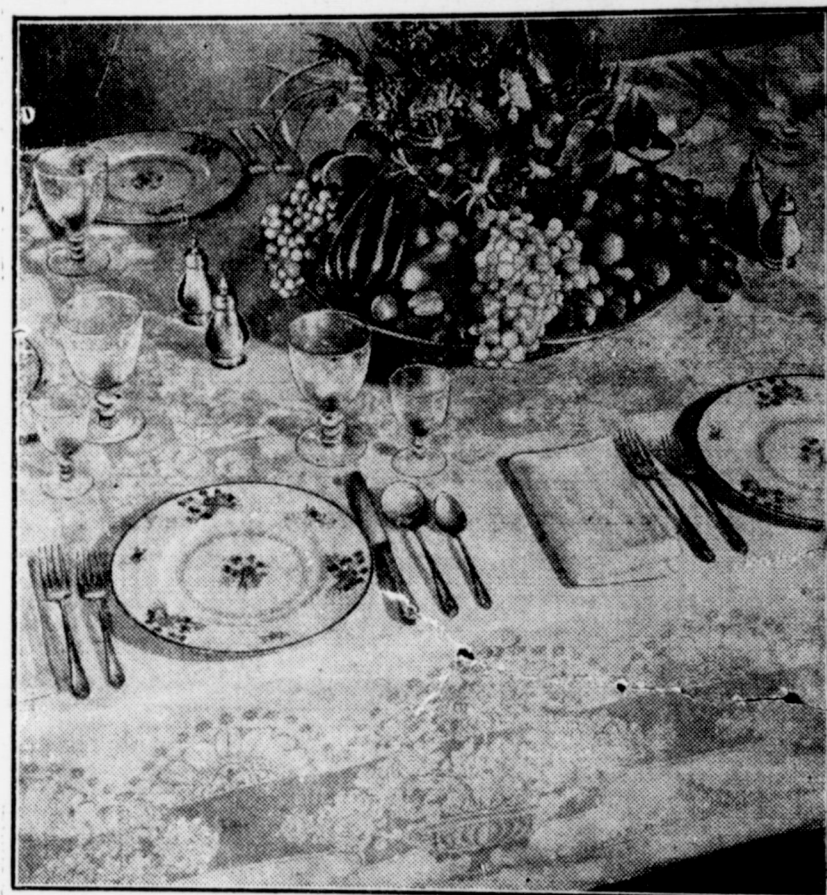

Specialist Gives Some Pointers On How To Choose Your Colors

Light has an effect on color that you might not be expecting. "If your rooms are decorated in the cool colors, such as blue and green, remember that fluorescent tubes make a cool, blue-white light," Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College, points out. "The fluorescent light will emphasize those colors and will tone down the warm colors." On the other hand, she says, incandescent bulbs give a warm, reddish-yellow light, which will intensify the warm colors such as red, orange and yellow, and dull the cool colors. Fluorescent lighting is preferred by many people for the kitchen and bathroom because of the clean, crisp effect it gives. But for rooms where a warm, intimate atmosphere is desired, the incandescent lighting may be the best choice. "When you select rugs, curtains or other furnishings for your home," Mrs. Claytor concludes, "keep in mind the effect the lighting will have on the colors. Then you won't be disappointed."

NOTICE

Mr. and Mrs. David Anderson, the reburial of Jess (Boots) Parish at the First Baptist Church in Earth last Sunday. Boots was killed in action in World War II. All members of the Muleshoe Canton Auxiliary are urged to be present Friday night, as this will be our night for inspection. Colonel Howard Elliott from Amarillo will be here to conduct the inspection.

November Festivities Star Irish Linen

A TABLE setting worthy of November's special occasion dinners calls for the traditional elegance of an Irish linen damask tablecloth, your best silver and crystal, including a beverage glass for apple cider, and a centerpiece suggestive of autumn's abundant harvest.
