Experts Point Out Good and Bad Points in 1949 Wheat Outlook

Dodge Dealers Attend Meeting

Arnold Morris and Buford Butts, Dodge dealership of Muleshoe, attended a merchandising meeting in which the Dodge-Plymouth dealers' service and parts program was presented to all Dodge dealers of the Lubbock area.

The Dodge-Plymouth dealers' program is to aid dealers in providing the most efficient and courteous service and parts supply that can be attained for owners of Dodge and Plymouth cars and Dodge 'Job-Rated' trucks. It stresses the importance to dealers of exerting every possible effort to make certain that Dodge and Plymouth vehicles are maintained in excellent mechanical condition to assure the safety of these vehicles and owner good-will.

The meeting was under the direction of W. O. DuMar, Dodge Oklahoma City regional manager. Mr. B. B. Settle of the Dodge Division, described the program. Members of the Dodge Home Office sales staff are making similar presentations to the more than 4,000 Dodge dealers in a series of 66 meetings in principal cities from September 27 to October 29.

Porter Is GOP Senate Candidate

Jack Porter, the Republican candidate for the U. S. Senate seat now occupied by W. Lee O'Daniel, and the first Republican to wage an aggressive campaign for election in Texas, has taken a clear-cut and definite stand on the vital issues confronting the people of Texas.

A business man who has never before sought public office, Porter was unanimously brought forward as the Republican senatorial

candidate to challenge the Senate seat which two other candidates for the office on the Democratic ticket battled for in the state and federal courts.

Porter, in his opening speech, stated that he was for decentralizing the powers taken over by the federal government and returning them to the states. He said he would irrevocably oppose the so-called Civil Rights program advocated by Truman, as well as the F.E.P.C. Porter has long fought for the rights of citizens to get out on the routes the same day for the school children of Texas the many hundreds of millions of dollars which go into the school fund from state tideland revenue.

Porter said that he would work to rid our government of the communists and fellow travelers who have infiltrated into some of our nation's most important agencies.

He appealed to the individual voters in Texas, asking that they put the welfare of the country before party politics. Porter pointed out that if he is elected to the U. S. Senate, he will be seated without question.

BARGAIN DAYS HERE

Fort Worth Star-Telegram annual bargain days are now in effect and The Muleshoe Journal will again handle renewal subscriptions. The Star-Telegram is now accepting a few new subscribers, also, so if you want to receive this premier West Texas paper, you should order it now and save. The Star-Telegram now reaches Muleshoe in time to get out on the routes the same day it is printed, which is a great improvement over the service offered by this paper in the past.

BOX SUPPER TO BE HELD

Everybody is invited to attend the Box and Sock Supper at the Needmore Lodge Hall, October 19, 1948. There will be special music and entertainment for everyone. Don't Miss It!

COLLEGE STATION, Oct. 5.—What's ahead for wheat, ask Texas farmers. Here's the answer. Facts and figures in the government wheat outlook sound a note of caution. Now that fall seeding is under way, here are the facts as they are seen by E. A. Miller, extension agronomist, and G. H. Bates, extension farm management specialist of Texas A. & M. College.

Here's what the wheat growers like. The continued strong demand here in this country should take up 750 million bushels of this year's big crop. This would mean only 20 million bushels less than what we used last year. The European Recovery Program will use around 450 million bushels. The wheat price support for the 1949 crop is 90 percent of parity through loan and purchase agreements.

And here are a few gloomy facts. The carry-over of wheat stocks next July 1, is expected to be up nearly one-fifth above the prewar level. European wheat production has improved, and will approach the yields they had before the war, if they don't get a stack of bad weather. The United States acreage goal has been set 8 percent below last year's goal, and Texas' recommended seeding goal is down 10 percent. The storage bins are heavily loaded with this year's big wheat, grain sorghum, and corn crops.

All in all, it looks like the United States and world supplies have improved quite a bit. Next year's carry-over certainly will be up, and the situation could look a little tough if average yields are had from the average goal. The '49 acreage goals are 71.5 million for the U. S., and 65 million for Texas. And another bumper wheat crop in 1949 would probably require marketing quotas for all growers in 1950.

So, it looks like good business to face the facts, says Bates and Miller. If some marginal acres have been in crops that should be returned to pastures, better plan to begin re-sodding now. Increase your summer fallowing and erosion control practices, say these extension specialists, and plant soil-building legumes wherever they are needed.

Plan ahead, plant wisely, and give your soil a break.

Installation Service Is Held By Fidelis Class

The Fidelis class of the First Baptist church met in the home of Mrs. Arthur Crow Thursday afternoon at 3 o'clock for a business and social session.

The following officers were installed by Mrs. Eddie Lane, installing officer:

Teacher, Mrs. Ray Griffiths.

President, Mrs. Cecil H. Tate; vice-president, Mrs. C. E. Layne; secretary, Mrs. Arlie Thomas; assistant secretary, Mrs. W. B. McAdams; treasurer, Mrs. F. H. Davis; corresponding secretary, Mrs. Robert Precure; reporter, Mrs. E. R. Hart; membership, Mrs. C. E. Layne; Mrs. Bill Garrett, Mrs. A. W. Crow; fellowship, Mrs. Clifford Green; Mrs. C. E. Bristow, Mrs. H. E. Schuster, Mrs. Lefty McWilliams; Sunshine, Mrs. M. F. Green, Mrs. C. A. Barnett, Mrs. A. E. Lewis; Music, Mrs. E. H. Kennedy, Mrs. C. E. King, Mrs. Joe Damon; Group captains, Mrs. S. C. Goucher, Mrs. W. B. McAdams, Mrs. S. L. Busbie, Mrs. Eddie Lane.

After the installation program, a social hour followed after which refreshments were served by Mrs. Lane, and Mrs. Crow, assisted by Mrs. James Crow and Mrs. Lamond Lane. The entertaining rooms were beautifully decorated with autumn flowers observing the Halloween theme.

LUBBOCK SYMPHONY TO STAGE FIVE CONCERTS

Lauritz Melchior, famed Metropolitan Opera tenor, headlines the entertainment season lined up by Lubbock Symphony Orchestra. He will appear in Lubbock Oct. 21.

Other stellar attractions for the new season include the Amarillo high school A Capella choir; William A. Murphy, pianist; William A. Harrod, conductor of Lubbock symphony; violinist; and Amparo Turbi, sister of the famous Jose Turbi, and a concert pianist in her own right. Muleshoe people have received notice of the ticket sales for this season of musical entertainment.

NOLA STOUT NORMA ELLIOTT

Conoco Plant To Be On Preview

Continental Oil Company's local bulk plant will be "on review" Thursday, Oct. 14, when the company holds open house for citizens of Muleshoe and surrounding area in observance of Oil Progress Day. It was announced today by M. A. Robertson, District Sales Representative.

Mr. Robertson said he had issued a blanket invitation to the public to visit the Bulk Plant.

"Oil Progress Day is to be observed nationally, and Continental Oil Company is participating throughout the country," he said. "We urge everyone who can to make this tour. We will be open all day, and the public is welcome."

Wheat Contest For Boys Staged

Samples of the new wheat variety Westar, grown by two Muleshoe FFA boys, Marshall Head and Everett Lee Reeder are entered in the current Texas Club Boys Wheat Improvement contest being held in Amarillo. Sponsor of the contest is Tex-O-Kan Mills company.

In the first tests, Head's wheat was judged sixth in quality and Reeder's 15th in the same judging. Final judging will be the coming Saturday, according to Edward White, vocational ag. instructor here.

The wheat will be judged for quality, purity, and then will be ground into flour and bread will be made from that flour. Quality of the baked bread will be one criterion of the wheat.

Five hundred dollars in cash, prizes and a trip to some grain terminal market like Houston will be awarded the winner.

It was required that at least five acres be planted in the variety test. Marshall had 40 acres planted to Westar, Reeder, 10.

Bailey County Swine To State Fair In Dallas

Edward White, voc. ag. instructor, and five FFA boys left today for Dallas to be present at the swine judging at the Dallas State Fair, in which they will be represented by nine fat barrows.

The boys are Alton Taylor, David Taylor, Marion Waggoner, Jimmy White and five others.

Mr. White said that in his opinion the nine barrows are of the highest quality that the local boys have ever exhibited in any show and he is hopeful that they will place high in their respective divisions.

Four Poland Chinas, 2 Hampshires, and 3 Chester Whites are being shown by the boys.

J. K. Adams and several of his 4-H Club boys are showing animals at the fair, also, and Bailey County will be found to be the home of some of the finest swine the state boasts.

MARINE ENLISTMENTS FOR ONE YEAR OPEN

The United States Marine Corps Recruiting Office in Lubbock announced today that one year enlistments for 18 year olds are now being accepted, but for the month of October the quota has been substantially increased. These men will be transferred to the Marine Corps Recruit Depot, San Diego, California, where they will undergo twelve weeks of the world's best military training. In accordance with selective service laws, these men will not serve outside the continental limits of the United States. These men will receive all the benefits offered all Marines in regards to educational opportunities etc. It is again pointed out that the one year enlistment applies only to men who are 18 years of age and have not had previous military training.

All men are given a ten day leave upon the completion of the recruit training.

Full information and details may be obtained by writing or applying in person at the Marine Corps Recruiting Station, Room 200, Post Office Bldg., Lubbock, Texas, Phone 2-8181.

For OFFICE SUPPLIES See The MULESHOE JOURNAL

Freezing Weather in Muleshoe Area

A low temperature of 28 degrees was registered in Muleshoe Wednesday night, according to R. J. Klump, local weather recorder.

Whether a killing frost accompanied the unseasonal cold was being debated here early this morning.

Johnny Johnson says a killing frost rarely comes in the light of the moon. Little evidence of plants being killed was at first apparent, but Ray Griffiths, elevator man, said he had noticed some leaves on feed were turning black.

Growers of late feed were hoping that its development had not been stopped. If it was a killing frost, it came earlier this year than in any year since records have been kept. Average frost date is November 1, in the Panhandle. It was announced from Amarillo and sedem has a killing frost occurred before the middle of October.

Farm Bureau Meet Announced

A district Farm Bureau meeting will be held at the Lubbock Hotel in Lubbock on Wednesday October 13, it has been announced by J. Walter Hammond, president of the Texas Farm Bureau Federation. W. R. Tilson of Meadow, Texas, District Director, will preside. The meeting will start at 10:00 a. m.

This will be one of a series of 13 district meetings being held throughout Texas during the month of October, for the purpose of bringing farmers and ranchmen first-hand in formation on the immediate agricultural situation, and the economic conditions of the Nation as a whole, and to get the thinking from the grass-roots with reference to agricultural matters.

Muleshoe Study Club In Meeting

The Muleshoe Study Club met in the home of Mrs. M. F. Green in regular session Thursday evening, September 23, 1948.

The group went in a body to the Methodist Church to the Revival. Afterwards returning to the home of Mrs. Green for delicious refreshments of ice box pie and spiced tea.

It was voted by the members present to donate \$10 each month to the City Recreation program.

Members present were: Mesdames Clay Beavers, Pat Bobo, E. R. Hart, Marion Harris, Horace Holt, Clyde Holt, G. O. Jennings, Harold King, Chas. Lenau, Julian Lenau, Jack Lenderson, Irvin St. Clair, Buck Wood, A. J. Gardner, Noel Woodley, Miss Elizabeth Harden, one guest, Mrs. Stovall and the hostess, Mrs. Green.

The next meeting will be Thursday evening, October 14, with Mrs. Clyde Holt.

MAGGIE KEMP PASTOR OF PENTECOSTAL CHURCH

Elder J. E. Moore has resigned as pastor of the United Pentecostal church of Muleshoe, he announced this week.

Sister Maggie Kemp has accepted the pastorate of the local church.

Farm Income Holding Steady

TOPEKA, KANSAS (Sp.)—Seventy-five percent of the 843 farms in Bailey county, Texas, are returning an annual cash income that is above the average for the nation's farmers. The rating of Bailey county in the cash farm income picture is revealed in a study announced today by the research department of Capper's Farmer from figures of the U. S. Census of Agriculture.

Only 260 of the 3,072 counties in the United States are so well off as Bailey. In each of these 260 counties, 70 percent or more of the farms had an income that was above the national farm income average.

By comparison there are 1,862 counties in which less than 30 percent of the farms bring in an income as good as the national average. In 1947 the U. S. average income per farm was \$5,150. The research workers of the farm magazine rated each county on the basis of the proportion of its farms that have an income above the national average.

Income was the value of farm products sold or used by the farm household. They tabulated figures on 5,858,168 farms in the United States that had a total cash income of \$30,147,440,000 last year.

are good baking varieties, but not as high yielders as Westar and Comanche. So they are being replaced by these latter varieties, says Miller.

In the main wheat areas of Texas, star and Comanche are recommended for the bakers, and Wichita and Triumph for family trade flour. Tenmarq and Turkey

Seagraves Eleven Tangles With Yellowjackets Here Friday Night

Muleshoe will entertain the football squad of Seagraves high school in a game here Friday night. It is an inter-conference contest and standings of the two teams in their respective conferences will not be at stake, but the game will find both elevens doing their best to win to maintain prestige with their home town followers.

The Yellowjackets lost their first conference test last Friday night to Sudan's Hornets in a game played on Sudan's field, 20 to 13. The Jackets fought manfully, but the fortunes of the game went against them and the Hornets crossed the goal line with the Jacks one more time than the Jackets could manage to do.

The large crowd had probably more Muleshoe fans in it than folks from Sudan. The entire east stands were taken up by Muleshoe people and a large number stood along the sidelines.

Several of the boys were banged around in the Sudan game the previous week, and had not fully recovered for the Sudan game. Some had a bad time in the Sudan fracas, but the coaches announced that virtually all of the first stringers will be ready to start against Seagraves Friday.

The game begins at 8 o'clock. Fans are warned that the nights get cool along about 9 o'clock or thereabouts and wraps will be nice things to have about that time.

With the exception of an open date on Oct. 29, the Yellowjackets will face mighty Littlefield, Sundown, Levelland and Morton in the next few succeeding weeks. The Littlefield game will be played at Littlefield Oct. 15.

Noted Layman Is Baptist Speaker

W. MAXEY JARMAN

ATLANTA, Oct. 6.—"With Christ in Business" will be the subject of "The Baptist Hour" for October 10, with W. Maxey Jarman of Nashville, Tennessee as speaker. It was announced today by the Radio Commission of the Southern Baptist Convention, Atlanta, S. F. Lowe, Director.

Heard over station KGNC and WFAA 7:30 A. M. CST, The Baptist Hour series, "Christ is Lord" observes Layman's Day, in cooperation with the Baptist Brotherhood of the South; and a million men and boys are expected to be in the listening audience preceding their attendance in Bible school and church services.

Mr. Jarman, one of the South's outstanding laymen, is Chairman of the deacons of the First Baptist Church, Nashville, a Vice President of the Southern Baptist Convention, and Chairman of the General Shoe Corporation.

Soil Conservation News

J. W. Thomson was given information on watering aid by Soil Conservation Service technicians.

Topographic surveys have been completed on 354 acres owned by J. A. Love and on 160 acres owned by Mrs. Jessie Blasingame of Wichita Falls.

D. O. Burelsmith received assistance in laying out borders and ditches for watering improved pasture.

Complete plans of conservation operations have been worked out on farms owned by Maple Wood of Lubbock, and by C. C. Cooley of Amarillo.

THREE MULESHOE GIRLS ARE ATTENDING TSCW

DENTON (Sp.)—Three girls from Muleshoe are among the 2015 students enrolled at Texas State College for Women for the fall term.

Two hundred and three out of 254 Texas counties are represented in the registration figure as well as 23 students from seven foreign countries and 331 registrants from 31 other states.

A back-to-normal enrollment for the first time since the war plus facilities being added in the current \$5,000,000 building program are expected to result in top-notch housing and classroom accommodations at the college.

Students from Muleshoe attending TSCW are Misses Mary Adeline Drinkard, Willie Jo Winstead and Norma Lee Osborn.

HAVE VISITORS

Mr. and Mrs. J. D. Smith and little granddaughter, Jerine Smith of Rochester, Texas, are visiting their daughter, Mrs. C. A. Adams, Mr. Adams and C. A. Jr., of Progress.

Yellow Jackets' 1948 Schedule

- Sept 10 — Springlake at Muleshoe.
- Sept 17 — Olton at Muleshoe.
- Sept 24 — Slaton at Slaton.
- Oct 1 — Sudan at Sudan.
- Oct 8 — Seagraves at Muleshoe.
- Oct 15 — Littlefield at Littlefield.
- Oct 22 — Sundown at Muleshoe.
- Oct 29 — OPEN.
- Nov 15 — Levelland at Muleshoe.
- Nov 12 — Morton at Morton.

PEP SQUAD REPORT

The Pep Squad is \$444 nearer to their set goal of \$500. We have paid \$200 down on our uniforms, and we are planning on having the rest by the time they get here.

The Pep Squad has made around \$100 off the Yellowjacket pins. We have also sold at the concession stand, sold beat cards, and programs. We have been sponsoring the grade school football games on Thursday afternoons. We are starting sales on M.H.S. pins this week.

Because of the resignation of our finance chairman, a new one was elected this week. It was Ellen Johnson.

Support your school and Pep Squad by buying a beat card and M.H.S. pin.

- Hospital News -

The small daughter of Mr. and Mrs. J. O. Redwine was a medical patient. She has gone home.

Sylvan Robison was in for medical care. He has been discharged.

Mrs. A. J. Gardner was in for medical care. She has gone home.

Mrs. Beavers underwent a tonsillectomy. She has gone home.

Mr. O. C. Thomson was in for medical care. He has been discharged.

Mr. T. G. Dulin has been admitted for medical care. He is resting fair.

Mrs. S. L. Busbice is a surgical patient. She is doing fine and will soon go home.

Mrs. Ellen Ridd is in for medical care. She is doing fine.

COTTON OF THE MONTH

No wonder this charming cotton outfit by Cleo Armstrong was named September "Cotton of the Month" by the National Cotton Council. It combines two of the season's most popular fabrics, corduroy and quilted calico, in a smart all-purpose ensemble, a Victorian jacket, quaint blouse, and quilted calico skirt.

Mrs. Barry Lewis is a surgical patient. She is doing fine.

James Howell, son of Mr. and Mrs. Dailey Howell was in with a broken arm. He has gone home.

Mr. W. B. Harlan is in for medical care. He is resting fair.

Mrs. Carroll Black was in for medical care. She has gone home.

Mrs. C. C. Stephens is in for medical care. She is fair.

Congratulations
Mr. and Mrs. Raymond Townsel

Uncle Sam Says

This month Americans celebrate Independence. Down through the decades they have cherished and fought to maintain Independence and Security, for both the nation and for themselves. For Security, U. S. Savings Bonds offer the safest means of building your future. Every dollar invested in Savings Bonds today is part of your "take home savings" — money that GROWS. There's no safer or easier way to save than through the Payroll Savings Plan. Use that salary increase, made possible through tax reductions, to step up your purchase of Savings Bonds. Or, for the self-employed, the Bond-a-Month Plan where your bank provides the automatic, profitable way to assure continued Independence. U. S. Treasury Department

FROM WACO
Mr. and Mrs. Orvil Wollard of Waco, spent the weekend in the home of Mr. and Mrs. Gilbert Wollard, Mrs. J. C. Wollard and with Mr. and Mrs. Jim Cox.

HERE FROM VIRGINIA
Mr. and Mrs. Roy Hogan have had as their guests the past week Mr. and Mrs. D. S. Wright of Norfolk, Virginia. Mr. Wright recently has retired with thirty years of service in the U. S. Navy. He is a brother of Mrs. Hogan.

Progress Club

The Progress Home Demonstration Club met Tuesday, Oct. 5th with Mrs. John Thomson, Business

meeting was disposed of. Plans were made to meet at Mrs. Kelley's Thursday, Oct. 14, and quilt two quilts for Boy's Farm. All club members are urged to come, bringing a covered dish and their needle and thread.

Yearly reports were filled out. Plans were made for the achievement day program. Luncheon dishes will be carried to Mrs. Davis Dulle's. The Watson Club will be invited as guests. Officers for the coming year are to be elected, so we would like to have all members present.

Mrs. J. J. Gross received the hostess gift. There were thirteen members present.

Disinfectant and Antiseptic
A "disinfectant" is a product that destroys disease germs or makes them harmless. An "antiseptic" is a substance that prevents development and growth of disease germs.

Crusader Class Has Weiner Roast

Saturday night at 7:00 a weiner roast and forty-two party was held at the home of Mr. and Mrs. Doc Wilhite for the young couples' Crusader class. Those who attended were: Messrs and Mesdames David Anderson and daughter, Jimmy Haimark of Littlefield, Francis Gilbreath and sons, Jim Burkhead, J. E. Day, H. S. Sanders Jr. and son, Rev. and Mrs. Craft, Mrs. Curtis Spivey and son, Dwayne Burkhead, Truett George Craft, and the host and hostess, Mr. and Mrs. Doc Wilhite.

HOGAN HOME SCENE OF SUNDAY DINNER GATHERING

Sunday dinner guests in the Roy Hogan home were as follows: Mr. and Mrs. Dillard S. Wright,

Norfolk, Va., Mr. and Mrs. Doc Wilhite and children, Mr. and Mrs. Gordon Murrah and children, Mr. and Mrs. E. J. Callaway and son of Jal, N. M., Mr. and Mrs. Jack Hicks and son, Mr. and Mrs. Earl Henry, Miss Myra Hogan, the host and hostess, Mr. and Mrs. Roy Hogan.

NEW LIBRARY BOOKS

The Muleshoe Public Library this week has three new books for the younger readers: The Prodical Girl, Sun Rise, and A Voice in the Wilderness, by Grace Livingston Hill. Mrs. E. R. Wright librarian, says these books will be read with interest by the young folks.

For adult reading the library has just received a copy of "The Moth", latest work of the celebrated novelist, James M. Cain.

Auction Sale!

This Rich, Irrigated West Texas **FARM LAND** At Your Own Price!

Oct. 21, 22, 23

SALE WILL BE HELD ON THE SITE OF THE LAND IN SWISHER AND CASTRO COUNTIES IN THE TEXAS PANHANDLE

4,000 Acres in Two Tracts
I. C. LITTLE FARMS

Land Divided into 160-Acre Units

TRACT NO. 1
3200 acres located 15 miles west of Kaffir, Texas. Located on Highway 87 midway between Happy and Tulia. The tract includes 1690 acres of excellent wheat; 1107 acres cultivated land ready to plant; 50 acres of alfalfa; 353 acres of good pasture; 4 irrigation wells and a large reservoir; 8-room modern house with 3 barns, sheds, tool-house, bunk house, silos, windmills, etc., and a 6-room modern house with barn, granary, cellar, orchard, windmill, etc.

TRACT NO. 2
800 acres located 5 1/2 miles east of Highway 87 from a point approximately midway between Tulia and Happy, Texas. This tract includes 130 acres alfalfa which yields a ton per acre per cutting; 400 acres of good wheat; 70 acres of pasture with natural lake; 200 acres cultivated land; modern, newly-remodeled 6-room house with nice trees; 5-room semi-modern house; windmill and 3 irrigation wells.

This is level land, ideal for irrigation. It is rich and easily farmed. Last season it produced 40-bushel wheat, and 80 to 90-bushel grain, on the average. The irrigation wells average 180 ft. in depth and produce 1200 gallons of water per minute indefinitely without falling off. This season much of the crops have not needed irrigation.

ALL FARM MACHINERY AND EQUIPMENT TO BE SOLD AT AUCTION

8 Tractors, combine, ditcher, floats, feed chopper, plows, 4 trucks, binder, drills, engines, hay baler, mower, rake and various other items of farm machinery and equipment.

ORDER OF SELLING

Sale will begin at 2 PM on October 21 and continue daily at 2 PM through October 23, or until everything is sold. All sales will be held at headquarters on Tract No. 1. Come early October 21, inspect the land and machinery—be ready to bid when the sale starts.

HOW TO GET THERE:

Tract No. 1: Drive from Happy south 8 miles, or Tulia north 7 miles, to Kaffir elevator. Turn west on Farm Road No. 214 and drive 10 miles, then north 1 mile and then west 4 miles.

Tract No. 2: Drive from Happy south 7 miles, or Tulia north 8 miles, and turn east 5 miles then south 1/2 mile.

FOR THOSE WHO WANT TO FLY: There is a level turf landing field with a wind sock adjacent to headquarters on tract No. 1.

NEW McCORMICKS USED FURNITURE

STATEMENT OF OWNERSHIP, MANAGEMENT, CIRCULATION, ETC. REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1913, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 OF THE MULESHOE JOURNAL PUBLISHED WEEKLY AT MULESHOE, TEXAS FOR OCT. 1, 1948

State of Texas
County of Bailey

Before me, a Notary Public in and for the State and county aforesaid, personally appeared J. M. Forbes, who, having been duly sworn according to law deposes and says that he is the Publisher of the Muleshoe Journal and that the following is, to the best of his knowledge and belief, a true statement of ownership, management (and if a daily, weekly, or semi-weekly or tri-weekly newspaper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946:

(section 537, Postal Laws and Regulations), printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Editor and Publisher J. M. Forbes, Muleshoe, Texas.
2. The owners are: J. M. Forbes, Muleshoe, Texas; E. Q. Perry, H. S. Hilburn, and E. B. Miller, Plainview, Texas.
3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: None.
4. That the two paragraphs next above, giving the names of the owners, stockholders, if any, contain not only the list of stockholder and security holders as they appear upon the books of company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for

whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1525.

J. M. Forbes
Sworn to and subscribed before me this 4th day of October, 1948.
(SEAL) Elizabeth Harden
My commission expires 6-49.

day with preaching twice each month. The Baptist church has a full time pastor and services are held twice each Sunday. The Methodist church also has a full time pastor with services twice each Sunday. Everyone is invited to attend the church of their choice each Sunday.

The Three Way Eagles won over Bula last Thursday 20-6. The ball game was played on the Morton football field.

Rev. C. A. Norcross, pastor of the Methodist church was ill Sunday but Rev. E. C. Rainey filled the pulpit for him.

Mr. and Mrs. H. W. Garvin went to Lubbock Saturday evening after their daughter, Bonnie Jean who spent Saturday night and Sunday with her parents, returning to Lubbock Sunday afternoon. She is a student nurse.

Mr. and Mrs. John Tyson are remodeling their house two miles south of Maple.

Maple, we welcome the pastor and family to our community.

The gins and elevator are busy these days.

Rev. E. C. Rainey and John Norcross were dinner guests of Mr. and Mrs. H. W. Garvin Sunday.

Mr. and Mrs. E. B. Richardson took their grandson home last Tuesday. Ricky lives at Lubbock.

There was a wonderful program rendered by the pupils at the Three Way gym Friday night. A very large crowd attended and all enjoyed the program a lot.

HERE FROM GATESVILLE
Mr. and Mrs. H. H. Williams, of Gatesville, were here last week for a visit with friends, Mr. and Mrs. Herbert Huff and family.

A good towel is one that absorbs moisture readily and is easy to clean.

Why Have A Supreme Court Judge Pick Your U. S. Senator? Elect Your Own Candidate!

JACK PORTER

He is a business man, not a politician.

He is for States Rights and will oppose so-called Civil Rights.

He will fight to keep the Tidelands for Texas' school children.

He will work with the Republican administration to rid our governmental agencies of Communists and fellow-travelers.

Vote For JACK PORTER
Republican Candidate for
U. S. SENATOR

If Elected, He Will Be Seated!

Voting the "split" ticket is legal in Texas. There is no law, rule or regulation which prevents a qualified voter from voting for any candidate of his choice on November 2. For years, this has been sustained by court decisions and the Attorney General's department. Assert your constitutional right . . . vote for the candidate of your choice.

JACK PORTER
A Man Who Puts Principle Before Party

(Political advertisement paid for by the Jack Porter for Senate Committee, Lloyd Wheelock, chairman.)

Maple News

By Mrs. H. W. Garvin

Miss Jean Kerby of Maple and Eugene Ramsey of Causey, N. M. were married September 30, at Clovis.

Many people from the Maple community visited the Fair in Lubbock recently.

The four churches of Maple were all well attended Sunday. The Assembly of God church has services each Sunday. The Church of Christ has services each Sun-

RUNNING WATER FOR DISHWASHING

It's Your Dishwashing Time
Take the drudgery out of dishwashing. Let the wind or electricity pump the water for you! Plenty of water right out of faucet into your dishpan.

MAKES WASHDAY EASY
Turn the faucet in the laundry and you have abundant water for washing and rinsing clothes. Save all the back-breaking effort of pumping, lifting, and carrying water to the laundry. There is an Aermotor water system to meet every need.

WINDMILLS
Put water where you want it . . . anywhere on the farm. Let the wind do your pumping. Wind power is free. Self-oiling Aermotor Windmills work without attention. Many capacities.

ELECTRIC PUMPS
For shallow or deep wells—all climates. Let an Aermotor electric pump save the time you spend pumping and carrying water. A few cents a day will pump hundreds of gallons of water to your faucets.

MULESHOE, TEXAS

STOP IN WHEN IN TOWN

HEARTY MEALS can be easy meals COOKED ELECTRICALLY

There's little "kitchen heat" from an electric range, even when you have all the cooking units and the oven in operation. When you cook electrically, you use only enough current to heat the cooking utensil, none is wasted to heat up your kitchen. With dependable electricity, and the scientific construction of heating units on your electric range, you can cook many dishes with the cooking unit "off," once it's heated.

Those are just a few of the reasons why more and more folks are going "all-electric." Look over the new ranges, refrigerators, roasters, and other appliances and see if you, too, won't want to go "all-electric."

You'll find electric living is low-cost living.

See your favorite appliance dealer soon about better living—electrically.

BY A LANDSLIDE! THE '49 FORD ELECTED CAR of the YEAR

"Magic Action" King-Size Brakes
The Ford's new "Magic Action" brakes have a unique design. They work 50% easier in a tight pinch.

2 New Engines V-8 or SIX
Ford's new "Magic Action" V-8 and new "Deep Breath" V-6 are available. They give you more power and better fuel economy.

"Magic Air" Temperature Control
New 3-way "Magic Air" temperature control is an extra you'll want. Plenty of fresh, outside air in summer, a wealth of warm air in winter.

Seats are Safe-Wide
Front seats are actually 57" wide, rear seats 60". Plenty of room for 5, front and rear.

Low . . . But Lots of Room
You ride cradled in the low-slung center section of the new 5 cross-member construction. Result: full head, shoulder and hip room in Ford's low "streamliner" silhouette.

"Wide-Call" Springs
They're completely new for new comfort! Now "Wide-Call" Springs in Ford's built-in shock absorbers will let your "Magic-Plan" Springs be best.

There's a NEW Ford in your future!

New Unit Improves Ventilation of Barn

Dairymen Find Device Particularly Effective

Many of a cow's troubles can be traced to heat and humidity. A cow, unlike a human being, can perspire only through the mouth. So when the temperature and humidity inside a barn get high, the animal becomes uncomfortable and stubborn, particularly at milking time.

According to the department of agriculture, an average cow gives off almost a pint of water every hour through breathing. In addition to the high humidity caused by this breathing, a cow has an extremely high body temperature.

During the winter months, when the cows are in the barn most of the time, this combination results in generation of an enormous amount of water vapor and heat. When the warm, moisture-laden air comes in contact with the cold walls, condensation occurs and frost is formed.

The net result to farmers is rotting beams, joist and siding; a loss of hay because of mold created by moisture and frost; milk contamination, disease, particularly among the young stock and reduction of milk production because of discomfort to cows.

A simple solution to all of these costly problems is an automatic cooling unit, which is proving popular with dairy farmers.

These automatic ventilation units, easily installed, reduce condensa-

Picture on Vernon Julius farm at Freeport, Ill., shows installation of automatic cooling unit in dairy barn.

tion to a negligible degree—less than 2 per cent. This action, in turn, decreases barn deterioration, hay mold, milk contamination and disease. It also provides much more comfort for the cows and increases milk production. In addition, working conditions for the operator are much more pleasant. The cooling units are equipped with an automatic "airswitch" thermostat.

A Quaker meeting house built in York, Pa., in 1765, is still used for Sunday services.

FOR SALE—New Used Massey-Harris Clipper Combine; New Self Propelled Combine; New 1944 tractor; New Wheatland type tractor; New Mowers; New I.H.C. Broadcast Binder; Greene Supply, Your Friendly Massey-Harris Dealer, Morton, Texas. 41-1tp.

Fast Aviation Growth
Aviation's amazing growth since the 1925 Morrow board report on air policy provides a yardstick of the importance of today's U. S. air policy investigations. Here's the picture—airline fares down 67 per cent; 4,000 times as many passengers; 1,000 times the pilots; 10 times the airports, and planes nearly three times faster than 1925. Today we have about 500,000 pilots, 6,000 airports and speed of 650 mph. About 16 million people paid 4.7 cents per mile airline fare in 1947.

Coal for Fertilizer
Experiments have shown that some grades of low grade coal found near Moscow, Russia, that is, coal with low calorific and high ash content, can be used with success as organic and mineral fertilizers. For this purpose the coal either is treated with an ammonia solution or is turned into special, more complicated fertilizers.

The Ham What Am
Hams constitute approximately 19 per cent of the total weight and 29 per cent of the lean meat of the chilled carcasses of hogs weighing 225 pounds. About 29 per cent of the protein and 15 per cent of the energy value of the carcasses are in the hams.

Reeced Burned Forests
Cones of some species of pine trees require the heat of a forest fire to open them, releasing their seeds. Therefore vast amounts of good seed are accumulated through the years which automatically reseed burned-over areas after a forest fire causes the cones to open.

Several Sheep Ailments Are Caused by Worms

Several ailments of sheep, including "nodular disease," "stomach worm disease" and "black scours," are caused by worms. Main attack by successful sheep men, therefore, is directed against development or reproduction of the offending worms. While most of the eggs and young worms of these parasites are destroyed in winter, sheep must be treated to prevent entry of worms into the intestinal tract.

GETTING THE BREAKS
By Louis Fred Calloway
Breaks are nothing more than captured opportunities. If opportunity comes our way, we have the choice of taking full advantage; or, if opportunity goes the other way, we still have the choice of creating a new opportunity.

A perfect example, among the hundreds that could be cited, was the immortal Paderewski who aspired to be a great pianist. He practiced at the piano until his fingers bled. He became a mighty genius; the man he aspired to be, not because of the graciousness of the

First "call" for fall!

Don't fiddle around any longer with dirty old summer motor oil. Swing your car into the nearest Conoco station and change to winter-grade Nth Motor Oil. Lighter winter-grade Nth gives you faster starts. Saves you wear on the battery when you step on the starter. What's more, a change to Conoco Nth Motor Oil gives you the extra protection of OIL-PLATING. For Nth contains a special, added ingredient that actually OIL-PLATES your engine's working parts... fastens an extra film of lubricant to cylinder walls... protects you from "dry" friction starts... from sludge and carbon due to wear. So for better winter driving, call on your Conoco Mileage Merchant...

Make a date to Oil-Plate!

BAILEY CO. ABSTRACT

Spraying in Summer Will Not Halt Grubs

Destroying Eggs Fails To Stop Winter Attack

Spraying cattle in summer with benzene hexachloride, rotenone or other insecticides, new or old, does not prevent grub infestation in winter.

Although there is nothing new in that statement, the need for repeating it is plainly indicated by an account of spraying dairy cattle in one of the corn belt states. The work was given considerable publicity, with erroneous conclusions.

In this case, older animals of the herd were sprayed with DDT. Heifers and calves were not sprayed because they were running in pas-

The Little Man Who Will Be There

COLUMBUS, OHIO—Right out of the funnybooks comes Johnnie Surge—host to 800 Junior Members of the American Jersey Cattle Club at the National Jersey Show here October 12-16. Johnnie, Surge is the personification of a milking machine modelled in clay by sculptor Jack Worthington and Barbara Luther of Canton, Ohio. Plaster copies of the original model welcome Future Farmers of America and 4H Club Jersey breeders at the five-day show's feature, a Junior banquet sponsored by Babson Bros. Co.

HAD TO KILL DOGS

E. A. Fowler had to kill his two dogs, of which he was extremely fond, last week when the two got mixed up with a porcupine. So many needles from the porcupine's back

penetrated their mouths and throats that it was only merciful to destroy them. Several porcupines have been reported in the area. Egg yolk is an excellent source of iron. Eggs are also rich in vitamin A and contain thiamin, riboflavin and vitamin D.

Dipping method is favored by some cattlemen to control grubs and other infestations.

ture. Spraying them would have required getting them up and handling them.

The following winter, it was noticeable that the cows which had been sprayed were not infested with grubs. The young stuff was peppered with them. The natural conclusion was that a summer spray of DDT was effective.

That conclusion is unwarranted because, as entomologists know, older cattle seldom if ever have grubs of the heel fly. The young animals are the ones that suffer.

The department of agriculture says: "Many substances have been applied to cattle to keep away heel flies and to kill the eggs deposited on the legs of the animals. All have been found to be either ineffective or impractical. The best time for attacking the pest is when the grubs are in the backs of cattle."

OFFICE:— First Door West of Western Drug

HOURS:— 9 A. M. to 6 P. M.

From where I sit ... by Joe Marsh

Get The Truth!

Called on my good friend "Cappy" Miller, who edits the County Bee, the other day. And hanging up on the wall of Cappy's office is this slogan for his paper:

"Remember there are two sides to every question. Get both sides. Be truthful."

A good slogan... not just for a newspaper—for people, too. Because there'll always be two sides to every question: the side of those who vote one way, and those who vote another—the side of those who enjoy a temperate beverage

like beer or ale, and of those who swear by nothing but cider.

And from where I sit, once you've got both sides—and faced them truthfully, you realize that these differences of opinion are a precious part of what we call Democracy—the right of the individual to vote as he believes, to speak his mind, to choose his own beverage of moderation, whether beer or cider.

Joe Marsh

Lawler-Herring Nuptials Read

Miss Jackie Mae Lawler, daughter of Mrs. Ila Mae Lawler, 2303, 5th St., Lubbock, became the bride of Mr. John Herring, son of Mrs. Daniel P. Herring, Gainesville, Texas, on September 25, at the home of Dr. Paul Goodwin, the First Presbyterian pastor, San Jose, California.

The bride was attired in a white wool gabardine dress with brown accessories. She carried a handkerchief which had belonged to her grandmother, wore a brooch belonging to Mrs. Woodie Glasscock. She wore blue garters for

something blue as well as bows on her slip, a penny in her shoe and wore a corsage of white orchids. Their attendants were Mr. and Mrs. George Phillips, friends of the groom.

Mrs. Herring was a graduate of Muleshoe High school and was employed in the First National Bank in Lubbock prior to her marriage. Mr. Herring graduated from high school at Junction, Texas, attended Texas University for three years and is now employed with the Pacific Gas and Electric company as a surveyor.

They are temporarily at home at 2152 S. 1st St., San Jose, California.

The Journal has a full line of Office Supplies. See us today.
