Volume 26, Number 44

MULESHOE — County Seat of Bailey County — TEXAS

Thursday, October 28, 1948

Oklahoma Man New Manager Of Electric Co-op.

W. H. Thompson, at present the superintendent of the light and water department of the town of Prague, Okla., has been elected manager of the Bailey County Rural Electric Cooperative, directors of the association announced this week. The board met Monday afternoon in the company office here and selected Mr. Thompson. He will succeed Marty Ezell, who resigned the post here to accept management of the cooperative at Portales, N. M. Mr. Thompson has had 20 years experience as electric lineman, maintenance man, and supervisor. He is to report here in two weeks after giving due notice of his intention to resign the position he now holds. Since Mr. Ezell resigned, the post of manager has been filled by J. T. Eubanks, vice-president of the association, who is perhaps the happiest man in the county that Mr. Thompson has been found. The board had looked over applications from men in widely separated parts of the southwest. Mr. Thompson's background seems to qualify him perfectly for the job here.

Mrs. Sinclair And Baby Killed In Auto Mishap

Mrs. Y. L. Sinclair and her baby daughter were killed Sunday night at 10:30 o'clock when the car in which they were riding struck a truck parked on a road without lights. An oncoming car was said to have blinded Mr. Sinclair so that he could not see the truck. The tragedy occurred one mile west of Bula. Local officers said the Sinclair family lived at Bula, and thought he was employed at a gin there. Details of funeral services and burial were not known here. Three Taylor, Negro, described as the driver of the parked truck, is in Bailey County jail at Muleshoe, charged with negligent homicide. Officers said no lights were burning on the truck, and that the truck was left in the traffic lane, on the road. The Sinclair baby was one year old.

VACATION IN WYOMING

Ira Martin visited his brother in Wyoming last week. They went hunting and fishing at Jackson Hole and Jackson Lake near Yellowstone National Park. They caught an elk, deer, bear and some rainbow trout.

McMillan Film To Be Shown In Muleshoe November 8, 9

Swing of the famous McMillan "African Adventure" depicting the experiences of W. G. Millan and his son, Bill, on a game hunt, is announced for shoe on November 8 and 9. Muleshoe Lions Club is sponsoring the showing of the films here.

Voters To Choose Two of These Tuesday

President Harry S. Truman, Democratic nominee to succeed himself, and his principal opponent, Governor Thomas E. Dewey, Republican nominee, are winding up their drives for votes the coming Saturday, speaking in the large population centers as the 1948 election approaches its close the coming Tuesday, November 2.

Predictions are heard on every hand that the Republicans will win by landslide proportions. We will know after Tuesday. Anything can happen in politics and usually does but all polls indicate a substantial Republican victory.

Pictured above with their two principals are Governor Warren, of California, and Senator Barkley, of Kentucky, GOP and Democratic nominees respectively for vice-president.

BAILEY COUNTY READY
In Bailey county officials are ready for the election to begin Tuesday morning. Election ballots and supplies have been mailed to all election judges in the county's seven voting boxes. This is the first election in which only seven boxes will be used; until this time there have been 11 voting boxes. A list of voting boxes, place

DAMON DRUG STORE RECEIVES NEW FLOOR

A new rubber tile checkered blue and white floor covering for Damon Drug Store here has vastly improved the interior of the drug store. The word "Damon" is inlaid in the floor covering near the front door.

Joe Damon, store proprietor, announced that he has just installed a sterilizer for his fountain, which effectively sterilizes all drinking glasses or other containers used at his fountain. The water is kept at a temperature of around 170 degrees.

IN ODESSA

Mr. and Mrs. H. L. Brandon have been visiting in Odessa for the past two days.

of voting, and election officials in each follows:

No. 1—Muleshoe—High school building; C. D. Gupton, judge, Tom Zimmer, assistant judge.

No. 2—West Camp—School house; Ross Goodwin, judge, Melvin Snider, assistant judge.

No. 3—Mays—Bert Seals residence; Bert Seals, judge, J. U. Dawson, assistant judge.

No. 4—Three Way—School house; K. K. Krebs, judge, Baker Johnson, assistant judge.

No. 5—Baileyboro—Baptist church; Johnny Myers, judge, Watt Underdown, assistant judge.

No. 6—Bula—School house; L. C. Crosby, judge; Chester Settiff, assistant judge.

No. 7—Circle Back—School house; Walter Damon, judge; Earl Black, assistant judge.

TEXANS TO VOTE ON PROPOSED AMENDMENTS

In addition to their vote for national, state, district, county and precinct officers, Texans will vote yes or no on eight proposed amendments to the State Constitution. The Journal presents below a summary of each amendment for the guidance of its readers. Each amendment is numbered, and in certain instances, providing for a \$3000 residential exemp-

tion and providing for tax levies in counties having no tax donations. Backers of this farm-to-market road money and flood control money without increasing taxes.

5—Permitting counties to provide insurance for county employees. This would provide workmen's compensation insurance, if the proposed amendment is adopted.

6—Establishing salaries for sheriffs, constables and deputies in counties of more than 20,000 population. This would have no effect on the sheriff's setup in Tarrant County as this office already is on a salary basis. It would put the constable and deputies in this county, now on a free system, on a salary basis.

7—Proposing to provide for a board for apportioning the state into senatorial and representative districts in the event that the legislature fails to make such apportionment.

8—Providing that \$3000 of the assessed taxable value of all residence homesteads as now defined by law shall be exempt from all taxation for all state purposes. This amendment would apply only if the amendment listed in this column as No. 4 is adopted.

9—Providing that no ad valorem tax shall be levied for state general revenue purposes after Jan. 1, 1951, and authorizing the counties to levy additional ad valorem taxes for certain purposes, providing for a \$3000 residential exemp-

tion and providing for tax levies in counties having no tax donations. Backers of this farm-to-market road money and flood control money without increasing taxes.

5—Permitting counties to provide insurance for county employees. This would provide workmen's compensation insurance, if the proposed amendment is adopted.

6—Establishing salaries for sheriffs, constables and deputies in counties of more than 20,000 population. This would have no effect on the sheriff's setup in Tarrant County as this office already is on a salary basis. It would put the constable and deputies in this county, now on a free system, on a salary basis.

7—Proposing to provide for a board for apportioning the state into senatorial and representative districts in the event that the legislature fails to make such apportionment.

8—Providing that \$3000 of the assessed taxable value of all residence homesteads as now defined by law shall be exempt from all taxation for all state purposes. This amendment would apply only if the amendment listed in this column as No. 4 is adopted.

9—Providing that no ad valorem tax shall be levied for state general revenue purposes after Jan. 1, 1951, and authorizing the counties to levy additional ad valorem taxes for certain purposes, providing for a \$3000 residential exemp-

tion and providing for tax levies in counties having no tax donations. Backers of this farm-to-market road money and flood control money without increasing taxes.

5—Permitting counties to provide insurance for county employees. This would provide workmen's compensation insurance, if the proposed amendment is adopted.

6—Establishing salaries for sheriffs, constables and deputies in counties of more than 20,000 population. This would have no effect on the sheriff's setup in Tarrant County as this office already is on a salary basis. It would put the constable and deputies in this county, now on a free system, on a salary basis.

7—Proposing to provide for a board for apportioning the state into senatorial and representative districts in the event that the legislature fails to make such apportionment.

It would put the constable and deputies in this county, now on a free system, on a salary basis.

THREAT TO WORLD PEACE SEEN George Mahon Discusses Foreign Situation During Muleshoe Visit

Congressman George Mahon paid a visit to Muleshoe and Bailey County this week, spending Tuesday here visiting and talking with the people and citizens held at the courthouse Monday night. The Muleshoe Junior Chamber of Commerce invited Mr. Mahon here and sponsored the meeting. Mr. Mahon made an informal talk which he called "A Quick Look at a Big Picture".

Mostly, his talk concerned the present world situation, the threat of communism, the Berlin impasse between Russia and the Western powers, the danger that war may result from this situation and traced the steps that Congress and the administration have taken to maintain peace, and, failing that, to have security for the American people.

He reviewed American foreign policy as enunciated by President Truman and supported by the Republican leaders. He told of the part played by the U. S. in halting the threat of communism to Greece and Turkey, in the Italian elections, the encouragement given Western European nations to combat the spread of Communism, and the workings of the Marshall Plan of rehabilitation of war-stricken foreign nations.

Fourteen billion dollars have been appropriated by the Congress to bring U. S. military forces to a greater state of readiness for eventualities, he said. Mr. Mahon said that of the total U. S. budget next year some 80 per cent will be spent in paying for past wars or in preparing against some future war. He believes the people approve of their Govern-

ment's moves in the direction of preparedness, in contrast to the overwhelming cry for disarmament that followed World War I.

He admitted that some American measures, while it seems to be sound judgment, approved by most people, may not in the end have the desired result of putting the peoples of some countries back on their feet. During his stay in Europe with a Congressional committee which studied conditions preparatory to dispensing Marshall Plan money, he seemed to observe in some nations, a breakdown of the moral fiber of the people, a lack of ambition, a lack of self reliance and an instability which may for a long time hamper our efforts at rehabilitation. The people of Europe must do better with the opportunities and resources they have, he thinks, to make our efforts fully effective.

Favors Farm Price Supports

Mr. Mahon said that in his opinion the U. S. must, if the people are to make a start on whitening down the tremendous public debt and at the same time pour out billions to help other nations, continue the present price support program for farm products. The total income of the people must continue at or near its present level of around \$200 billions annually, and should the national income sag to any where near pre-war levels another depression would be unavoidable, he thought and he sees little indication that such supports will be withdrawn in the near future.

At the conclusion of his talk Mr. Mahon invited questions and many were asked. He said that he has now visited all twenty-five counties of his district and most of the communities.

GOP Candidate A Visitor Here

MOHLER D. TEMPLE

Republican candidate for Congress from the 19th Congressional District.

Mohler D. Temple, Lubbock business man, candidate for Congress on the Republican ticket, was a visitor in Muleshoe Saturday.

Mr. Temple has been Republican leader in West Texas for the last ten years, is GOP chairman of the 30th Senatorial District, member of the Republican State Executive Committee, and was a candidate for Congress on the party ticket in 1946.

Dr. Cornette To Speak Here

Dr. James P. Cornette, president of West Texas State College, Canyon, will address the Muleshoe Lions Club at its next luncheon meeting Wednesday, November 3, at 12 o'clock in the Cross Roads Cafe.

Dr. Cornette recently succeeded the veteran Dr. J. A. Hill, who had been the college head for many years.

All Lions are reminded to be in attendance and to be on time.

Halloween Program At Progress Friday

A Halloween program and box supper, sponsored by the Progress Parent-Teachers Association is to be held Friday, Oct. 30, at 7:30 p. m. in the community auditorium.

Everyone is cordially invited to attend. Girls are to bring boxes and boys come prepared to buy them. There will be entertainment for all.—Troy Perkins, reporter.

Gayetta Farrell Last Rites Were Held Here Monday

Gayetta Farrell, 22, passed away at Green Hospital & Clinic here Saturday afternoon at 3:30 o'clock, a short twelve hours after she had been admitted for treatment of pneumonia. She had been ill only a short time before being taken to the hospital. Miss Farrell had been her usual self Friday and that evening had attended the Muleshoe-Sundown football game with friends.

She was a member of one of Muleshoe's oldest families and this, coupled with her youth and her friendly, charming personality, brought a sense of personal loss to all in the community.

Claudia Gayetta Farrell, daughter of Mr. and Mrs. C. R. Farrell, was born in Muleshoe Sept. 12, 1926 and died October 23, 1948. She attended Muleshoe schools until her senior year when she went to John Brown University, Siloam Springs, Ark. where she was graduated from the high school department in 1945.

She was a member of the Methodist church of Muleshoe, having joined May 24, 1936. At the time of her death she was employed in the office of Dr. B. R. Putman, optometrist.

Besides her parents she is survived by five sisters: Mrs. J. C. Buchanan, Mrs. Pat R. Bobo, both of Muleshoe; Mrs. W. McFerrin Stover, Nashville, Tenn.; Mrs. Carl Huber, New York City; and Mrs. James Carter, Milford, Texas; and by three brothers, Alvin Farrell, Austin, Willis Farrell, Muleshoe, and Arlo, who is attending NTSTC, Denton, Texas.

Funeral services were conducted Monday afternoon at 3 o'clock at the First Methodist Church, with Rev. T. G. Craft, pastor and Rev. George Turrentine of Abernathy, former pastor here, officiating. Glenn Rockey was at the organ and a close friend, Miss Pat Bennett sang "Be Still My Soul."

Interment was in Muleshoe cemetery under direction of the Muleshoe Funeral Home. Pallbearers were Buddy Blackburn, Myron Pool II, Paul Gardner, Howard Cox, John Whipple, and Carrol Howell.

Because scores of persons stood on the outside due to lack of seating on the inside of the church, and were unable to hear the services, The Journal is printing here a part of the obituary read by Rev. Turrentine.

Beloved Gayetta was christened in infancy, and united with the

District Court For Bailey County Opens Monday; Grand Jury Called

Guinn Installs Auto Glass Works

Allen Guinn Body Shop of Muleshoe has just installed equipment for cutting and installing glass in any make automobile. Mr. Guinn announced this week.

The equipment, costing several hundred dollars, enables the shop to do such work here and obviates the necessity of ordering it from a distant town as has been the case in the past. The shop, which rebuilds wrecked automobiles, will be enabled to avoid delays which ordering glass entails.

The shop does body repairing, painting, wreck rebuilding, and operates a wrecker service.

Methodist church on May 24, 1936. Her church and her home gave her a beautiful faith to which she clung steadfastly all the days of her life.

For her, life was sweet. Each day brought for her a romantic richness and newness of life. She lived exuberantly, drinking from God's fountain of everlasting love. She loved the beautiful, the noble, the artistic, in both nature and people. Nothing so possessed her as her love for little children. She like our blessed Christ was constantly touching little children and blessing them with her tenderest affections.

Her religion was not and could not be measured by the conventions of the church; neither by the creeds of the theologians. Her religion transcended creeds and dogmas of churchmen, and found expression in the beauty of life and of living; in graces borne from heaven; in meekness of heart and spirit, in kindness blessed with mercy.

In one score and two years, she lived a full measure of life. For her life was not to be measured in the number of years, but in quality, in sweetness, in tenderness, and in rich graces. The beauty of her soul touched our lives, and she shall live on with us and in us. She is not gone; she cannot be far from us, for her soul lives in our souls.

We can thank God that she came and lived with us for a little while. It is better for us that she passed this way even for a season, than to have never lived at all. Somehow we feel that we who knew her best loved her most. We who live will ever honor her sweet life, and cherish the memories of a noble soul.

Odd Fellows Pick Neil Rockey For State Office

Neil Rockey, of Muleshoe, was elected Grand Senior Warden of the Independent Order of Odd Fellows at its state convention in Galveston Monday, according to reports sent out by Associated Press.

Mr. and Mrs. Rockey have been in attendance at the convention all week, and others from the local lodge are reported to be in attendance.

Mr. Rockey has always taken an active interest in the work of the local lodge and of the Needomore Lodge, as well as other branches of the order and in district work.

Brotherhood Will Hear Roy Bass

Roy Bass, Lubbock attorney and widely known as an entertaining after dinner speaker, will address a dinner group of the Baptist Brotherhood, to be held in the annex of the First Baptist church here the evening of November 4, members announce.

There will be a good dinner for those who attend. Adult members will be admitted only if they are accompanied by a boy between the ages of 9 and 16.

GRANDMOTHER IS 93

Miss Elizabeth Harden will spend the weekend in Tulsa, Oklahoma, with her grandmother, Mrs. Florence Good, who will be 93 Saturday.

NEW KIND OF FURNACE MOVES HEAT, KEEPS FLOORS WARM

The compact gas or oil-burning floor furnace that can be installed beneath the floor and out of the way has practically revolutionized house heating.

Last year total floor furnace production was nearly one-half million units - more than the total of all other types of warm air furnaces.

Floor furnaces heat by circulating warm air but do not require ducts, cold air returns or blowers. Cool air is pulled off the floor into the floor furnace. The air expands as it is heated. Expansion of the heated air forces warm air circulation throughout the house.

The Coleman Company, a leading manufacturer of heating equipment,

reports recent improvements have greatly increased the popularity of floor furnaces. One is a streamlined bottom that increases air flow as much as 35 per cent. A dual wall model that fits beneath an inside wall and discharges heat into two separate rooms even though the connecting door is closed, has gained widespread approval.

The same company advocates use of two or more floor furnaces with individual controls to obtain the advantage of "zoned" heat. Cost of installing two floor furnaces often is less than the cost of a conventional central heating plant.

Floor furnaces are made in several sizes to heat single-story dwellings with or without basements.

FURNITURE FASHIONS by Frances Ainsworth

GRAND RAPIDS, MICHIGAN - The outstanding versatility of new furniture designs is keyed to the prevailing smaller American homes, and the need for "multi-purpose" pieces which may be combined in different manners for use in many rooms of the home. Illustrating this new design fashion, the pictured Bureau-Desk is made up of several "Flexi-Unit" pieces. Made by the Widdicombs Furniture Company of Grand Rapids, a top, a base and four units go into the making of the Bureau-Desk. As illustrated it is a handsome bedroom piece—but may be used equally well as a desk in the living room—or a server buffet in the dining room. Bisque Mahogany wood—fine eye for detail, are truly representative of quality Grand Rapids furniture.

Tommie, Sammy, and Druella Simpson, Gynn and Sherron Green, Janey and Mary Sanders, Henry Reid, and H. W. Garvin, Jr., and some of the mothers. Mrs. Tyson served refreshments of cake and punch. The twins received many nice gifts.

Everyone remember the Halloween carnival at Three Way October 30. It's very interesting to see the king and queen crowned.

The community is still in need

of hands to pull cotton. D. Rector visited in the community Thursday and Friday. Mr. Rector, owns quite a lot of land north of Maple. He lives at Chicasa, Okla.

Service Guild Met Last Monday

The Wesleyan Service Guild held a meeting last Monday night at the Methodist church. Mrs. Gilbreath, president, was in charge of the meeting. A short devotional was given by Mrs. David Anderson while Gwyneth Bigham played soft music on the piano. Mrs. Dick Robinson, former resident of Muleshoe, and former member of Wesleyan Service Guild, introduced Mrs. W. H. Ford, president of the W.S.C.S. of the Amarillo district, who gave a very inspirational talk.

Refreshments were served by the hostess, Miss Elizabeth Harden and Mrs. N. H. Greer, to the following: Mrs. W. H. Ford, Mrs. Dick Rockey, Frances Gilbreath, Mrs. Jim Burkhead, Mrs. Jim Cox, Mrs. Curtis Spivey, Mrs. David Anderson, Gwyneth Bigham, Mrs. Debra McCarty, Mrs. Homer Sanders Jr., and Mrs. M. Stevens.

Sunshine Club Plans All Day Meet

The Sunshine club met Thursday, October 21, at the home of Mrs. C. G. Johnson. Mrs. M. M. Simmons acted as president in the absence of the president. The

Texas Net Farm Income For 1949 Is Expected To Show Loss Of 5 to 10 Pct.

COLLEGE STATION, Oct. 27.—On the average, prices paid for Texas farm products will go down a little in 1949; prices farmers pay for things they buy will probably be a little higher than they were this year.

It all adds up to an expected 1949 net income on Texas farms and ranches of some 5 to 10 percent below that of 1948, but still greatly above any pre-war year.

That's a two-sentence summary of the 1949 farm prospects as seen by Tyrus R. Timm, extension economist and professor at Texas A. & M. College, who returned last week from the National Agricultural

Outlook Conference in Washington, D. C.

As to farm commodities, livestock and livestock products seem to hold the most favorable price position. The most speculative situation is indicated for fruits and vegetables. No sharp decline generally is expected, but certain individual commodities in this grouping may experience serious "short-run" seasonal declines. In between, there two groups of commodities is the outlook for cotton and grain, with cotton holding a more favorable spot.

Meanwhile he expects prices of automobiles, farm equipment and

HERE OVER WEEKEND

Mrs. Mable Ryan and her two daughters of Mountain Park, Okla. Mr. Clive Ellis and son of Oklahoma City, and Mr. W. L. Simmons and daughter of Lubbock, visited in the home of Mr. and Mrs. J. W. Ellis and Mr. and Mrs. Jones over the weekend.

HOME ON LEAVE

Pvt. Alva Lee Allison is home on leave from Fort Ord, Calif. He is visiting his father, Mr. F. A. Allison and other relatives and friends.

CALLED TO CALIFORNIA

Mr. and Mrs. E. E. Dyer received word Saturday of the illness of Mrs. Dyer's brother, Roy Cobb of Long Beach, Calif., and left for there Saturday.

building materials to be as high or perhaps even higher than in 1948. Some economists, he says, think a general increase of 5-8 percent may be expected.

You may pay a little less for radios, some items of household equipment and textiles.

The outlook interpretations are based on present supply and demand situations and requirements of existing government programs. Timm points out. Drastic changes from normal weather conditions, or a major overhauling of the government's programs, could change the picture completely.

All Amendments Urged By WTCC

ABILENE, Oct. 26.—Support of each of the Constitutional Amendments to be voted on at the general election Nov. 2, is recommended by the West Texas Chamber of Commerce.

The organization points out that the amendments are nonpolitical in nature and "will enhance the efficiency and economy of our government."

Two of the amendments have been on the agenda of WTCC for many years and their passage is stressed by Manager D. A. Banded. First of these is SJR 2, which occupies second place on the ballot, calling for the redistricting of Texas. This amendment provides that the legislature shall redistrict after each decennial. If this is not done, then an automatic board is set up, and if this board fails to function, it can be mandamus by the supreme court.

"Although West Texas stands to lose some votes in redistricting, there is at present an imbalance in our legislative redistricting which will be corrected," Banded said.

The organization also strongly recommends passage of HJR 24, which is No. 7, on the ballot and provides for abolishing the state ad valorem tax and enables counties to levy the tax for local revenue purposes. The measure would permit the counties, which do not at present receive tax remissions, to have the 30 cents for flood control and farm-to-market road purposes.

This would make additional funds available to local governments, which they do not now have.

Mr. and Mrs. George Mathews and their family of Crosbyton, visited in the home of Mr. and Mrs. W. L. Bowen last weekend.

Mr. and Mrs. A. C. Barnett and Mr. and Mrs. R. C. Gaede returned Saturday from a hunting trip to Delores and Cortez, Colorado.

FROM CROSBYTON

Mr. and Mrs. George Mathews and their family of Crosbyton, visited in the home of Mr. and Mrs. W. L. Bowen last weekend.

TO THE DEAR FOOTBALL BOYS OF GOOD OLD MULESHOE:

Maybe some one should tell you that we are not feeling half so bad about those conference games as you are.

In Muleshoe, football is offered as a part of your education, and "When the Great Recorder comes to write against your name, it won't be that you won or lost, but how you played the game." You are competing with other very good teams. They want the

Mrs. J. R. Spivy and Mrs. J. B. Eubanks of Truscott, Texas, visited in the home of their parents, Mr. and Mrs. W. H. Glascock. They also visited in the home of Mr. and Mrs. L. A. Henry.

Alcoholics Anonymous

Alcoholics Anonymous is a fellowship of men and women who share their experiences, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is an honest desire to stop drinking. A. A. has no dues or fees. It is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

If you have an alcoholic problem, write us at Box 723, Muleshoe, Texas, or meet with us on Monday night at the Legion Hall at Muleshoe at 7:30 p. m.

ATTEND BARBECUE IN TULIA

Mr. and Mrs. Homer Sanders Sr., Mr. and Mrs. Homer Sanders Jr., Mr. and Mrs. Harold Weyer and Mr. and Mrs. Kenneth Burton were guests Tuesday evening of the Willson Sanders Lumber of Tulia, at a synder Barbecue supper held in the American Legion Hall for the stockholders and employees of the Willson Sanders Lumber. Approximately 50 guests were there from the different organizations.

VISITED IN TAHOKA

Mrs. Jimmy Green and small son Phillip have been visiting the past week in Tahoka with her parents Mr. and Mrs. Sam Bartley.

TO FORT WORTH

Mrs. Howard Elliott and Mrs. Clyde Holt left Sunday morning to attend the Texas Eastern Star Convention being held in Fort Worth.

RETURN FROM HUNTING TRIP

Mr. and Mrs. A. C. Barnett and Mr. and Mrs. R. C. Gaede returned Saturday from a hunting trip to Delores and Cortez, Colorado.

FROM CROSBYTON

Mr. and Mrs. George Mathews and their family of Crosbyton, visited in the home of Mr. and Mrs. W. L. Bowen last weekend.

TO THE DEAR FOOTBALL BOYS OF GOOD OLD MULESHOE:

Maybe some one should tell you that we are not feeling half so bad about those conference games as you are.

In Muleshoe, football is offered as a part of your education, and "When the Great Recorder comes to write against your name, it won't be that you won or lost, but how you played the game." You are competing with other very good teams. They want the

score as much as you do and one team must lose the game. If they beat, you take lessons from their tactics and conduct. You are not weakened by defeat but made stronger and wiser. It takes much more courage to be a good loser than to win.

We have two splendid men to direct your sports education. Muleshoe makes no apology in following them all over this tableland

of Texas.

You have paid for your beautiful grounds again and again, and thrilled the pulse of Muleshoe.

Lose or win you always give your best and the fan gets his money's worth in fun. Life is not all gain, nor all loss, and football is just another pleasant way of learning to live. Muleshoe will be seeing you.

—Mrs. Leon Smith

SITE TO BE USED FOR RESEARCH AND EXPERIMENTS

Texas Technological College Assured Pantex Plant And 17,000 Acres Of Land

LUBBOCK, Oct. 27.—Acquisition of Pantex Ordnance plant, 18 miles northeast of Amarillo, is virtually assured Texas Technological college by Jan. 1, Pres. D. M. Wiggins is informed by representatives of the War Assets Administration.

Final steps preparatory to delivering the deed to Texas Tech Jan. 1 for the 17,000 acres and 414 buildings comprising the property were completed in a meeting at WAA offices in Grand Prairie recently, attended by President Wiggins and Frank Junell, assistant to the president.

Adding the 17,000 acres of Pantex to the Texas Tech campus, although it is some 138 miles from Lubbock, will make it possible to increase college research, experimentation and teaching in the fields of agriculture and engineering particularly, President Wiggins said.

The college leased in 1947 and 1948 8,500 acres of the plant for a wheat poisoning experiment which has been carried on with co-operation of Texas A. & M. A

number of other research and laboratory projects have been scheduled to begin as soon as the plant is turned over to the college in January.

Dr. Wiggins said the public housing project operated on the property by Amarillo will continue under the direction of the city of Amarillo as long as it is needed. This project is confined, however, to 45 acres of the land.

Tentative plans have been drawn up for disposition of many of the buildings and materials on the grounds, President Wiggins said.

The new territory will be used also to further co-operative research planned by Texas A. & M. and Texas Tech. Texas A. & M. received a similar property recently in the Bluebonnet ordnance plant near McGregor.

Texas Tech will accept the deed to the new property with the understanding it is to be returned to the government in the event of a national emergency.

Formal application for the plant was submitted by the college

Amendment For Judiciary Favored

The first step toward creation of a more efficient and independent judiciary for Texas will be made Nov. 2 by Texas voters if they approve a proposed constitutional amendment providing for judges retirement.

The amendment is one of eight to be voted on at the general election—it is last on the ballot—and will authorize the Texas Legislature to establish a judiciary system that will provide more economical and efficient administration of justice, a more independent judiciary, more competent judges and security for aged and infirm judges who have devoted their lives to public service.

Texas is one of only 17 states that do not provide for retirement of members of the judiciary. Thirty-one states, including Louisiana, Arkansas and New Mexico, have adopted similar plans. Retirement for Federal judges has been in effect for many years.

The proposed amendment applies to only 47 appellate judges and 132 district judges over the State.

Proponents of the amendment point out that the change will enable more qualified lawyers to seek positions of public service, and allow younger, more active men to decide the controversies of Texas citizens.

The proposed retirement system board of directors in March, and final approval was accomplished this month.

would help speed the trial of cases by providing for special assignment of retired judges to active duty when and where needed to relieve congested dockets. If this is not done, there will be a need for the establishment of additional courts, at increased cost to the taxpayer.

VISITED PARENTS

Mr. and Mrs. Joe Crowley and sons, Joe Bill and Bob, of Amarillo, visited here over the weekend with her parents, Mr. and Mrs. Will Harper.

RAINBOW GIRLS MEET

The Rainbow Girls held a meeting last Thursday night. They initiated Joann Thomson. Refreshments were served by the refreshment committee. The visitors were: Mr. Vance Wagnon and Elizabeth Harden.

HERE FROM DALLAS

Mrs. M. O. Ogle of Dalas, visited here sister, Mrs. J. D. Witherspoon. She also visited Mr. and Mrs. J. W. Witherspoon last week.

FROM SUNDOWN

Mr. and Mrs. Jess Davis and son of Sundown, attended the football game here Friday night. They spent the night with Mr. and Mrs. J. D. Witherspoon.

VOTE FOR

Judges

Retirement Amendment

(The last on the ballot)

AND ASSURE

1. Economical and efficient administration of justice.
2. A more independent judiciary.
3. Keeping competent judges.
4. Security for the aged and infirm, as has been provided for school teachers, state and county employees, policemen, firemen and others.

Join the 31 other states and the United States that have improved their courts by providing an adequate retirement system.

Chevrolet... Leader in Value

Your choice for QUALITY

on all these counts

... at prices that are lower than those of any other car in its field!

Your No. 1 Choice for RIDING SMOOTHNESS

Men and women agree that Chevrolet gives a much smoother, steadier ride than other cars in its field. The reason is that Chevrolet alone has the original Unitized Knee-Action Ride, backed by more than 14 years' experience in building Knee-Action units. This feature is found elsewhere only in higher-priced cars.

Your No. 1 Choice for PERFORMANCE with ECONOMY

You'll enjoy much finer performance with economy in Chevrolet. Its world's champion Valve-in-Head engine holds all records for miles served, owners satisfied, and years tested and proved. And Valve-in-Head engine-design, like so many other Big-Car features, is found only in Chevrolet and more costly cars.

Your No. 1 Choice for ALL-ROUND SAFETY

You and your family will ride in safety, thanks to Fisher Unisteel Body-Construction—safety plate glass in all windows—the road-steadiness of the Unitized Knee-Action Ride—and the stopping-power of Positive-Action Hydraulic Brakes—fourfold safety-protection exclusive to Chevrolet and costlier cars!

Your No. 1 Choice for TASTEFUL BEAUTY

You know—and your friends know—that the emblem, Body by Fisher, is the hallmark of bodies that are better by far. Chevrolet's Bodies by Fisher reveal this finer quality in every detail, including the hardware, upholstery and all appointments. Naturally, these bodies are exclusive to Chevrolet and higher-priced cars.

Leader Training School Conducted

So your garments made at home will have that well finished and tailored look was the keynote of the demonstration on making dress forms given by Mrs. Roy Carney and Mrs. S. C. Caldwell of the Muleshoe Home Demonstration club Monday, Oct. 4, at 2:30 p. m. at the courthouse.

The Home Demonstration agent acted as a model and a dress form was made on her. Each step was explained as the ladies progressed with the demonstration. Adult leaders from four clubs attended the demonstration. As a result of this excellent demonstration, four dress forms have been reported made and three more are in the making, says Mrs. Laurette Williamson, County Home Demonstration Agent.

ROSEMARY POOL BETTER

Considerable improvement in the

Women's News - Club Events Social Activities

condition of Rosemary Pool, who narrowly escaped death when she was struck by a car several weeks ago, is reported by her parents, Mr. and Mrs. Lee R. Pool. Rosemary sits up in a wheel chair these days and is able to talk fluently. She has not regained all her faculties and her arm is still partially paralyzed. This week she made an effort to feed herself for the first time. Everyone is hoping that Rosemary soon will be able to walk again.

IN LUBBOCK

Hattie Jennings and Opal Fields were in Lubbock Saturday. They bought some beautiful Paula Brooks dresses.

Mrs. Horace Holt Shower Honoree

Mrs. Horace Holt who is moving to Amherst soon, was honored Thursday afternoon with a handkerchief shower given in the home of Mr. and Mrs. Morris Douglass with Mrs. Douglass and Mrs. Clyde Holt hostesses.

Bridge was played during the afternoon and refreshments served to Mesdames: Julian Lenau, A. E. Lewis, F. H. Davis, Buck Wood, Dudley Malone, G. O. Jennings, Chester Anderson, Cecil Tate, Morris Childers, Noel Woodley, Houston Hart, Sam Fox, Robert Precure, M. F. Green, A. J. Gardner, Howard Elliott, J. M. Forbes, A. J. Lenderson, H. O. Barbour, Olin Jennings, W. B. LeVeque, Harold Wyer, E. R. Hart, the honoree, Mrs. Holt and the hostesses.

New Road Opened Across Sandhills

A country road that will prove of great benefit and convenience to the people of the western part of Bailey County has been opened across the sand hills. Tom L. Smith, county commissioner for Precinct 2 reports.

He said the road, now almost free of sand, leads south from the farm to market road to West Camp and beyond, at a point just about south of Lariat.

It makes connection with an east-west road that will permit the traveler to go to Highway 114 south of Muleshoe. The road will be of advantage to people living in the southwest and west part of the county who wish to travel either to Muleshoe or to Clovis. Mr. Smith said the road may not be too good for heavy loads, but that it is fairly passable for most vehicles. It has a clay top and sand should give little trouble.

Muleshoe H. D. Club Meets With Mrs. Aylesworth

The Muleshoe Home Demonstration club met Tuesday, October 26, in an all day meeting at the home of Mrs. D. R. Aylesworth. The Progress club was guests at this meeting.

"Achievement Day" was observed with Mrs. Aylesworth showing a bed room suite she had changed from a Maple finish to a blonde finish. She also showed a new cupboard she had added and filled with canned food. The other members told of their achievements for the year.

Mrs. S. C. Caldwell gave a report on her trip to the State Convention which was held at Temple. Mrs. G. I. Maltby and Mrs. Gordon Murrach of the Progress club gave reports too.

Mrs. Marvin Wimberley gave a reading. The Muleshoe club has been invited to visit with the West Camp club on Wednesday, Nov. 10 at 2:30 p. m. It was agreed that every one meet at the home of Mrs. Aylesworth at 1:30 p. m. to leave together for West Camp. The Muleshoe club is to have charge of the program.

A covered dish luncheon was served at the noon hour to visitors Mesdames Fern Davis, Gordon Murrach, J. J. Gross, G. I. Maltby and Charles Shaw, members were Mesdames J. E. Day, Mack Hale, J. L. Shofer, S. C. Caldwell, Marvin Wimberley, C. E. Briscoe, A. W. Copley and the hostess Mrs. Aylesworth.

CARD OF THANKS

We wish to express grateful appreciation to all who showed their deep sympathy and expressed it in so many beautiful and helpful ways during our time of sorrow. Mr. and Mrs. C. R. Farrell and Family.

Fry and Cox Bros. Addition Begun

Construction has started on an addition to the building of Fry & Cox Bros. that will make the total building one of the largest business structures in Muleshoe. The entire building will cover a space 100 feet wide by 140 feet deep.

Jack and Jim Cox of the firm said the new part will be 50 feet by 114 feet. It will be of brick construction and the front will be blended with the older part of the building to make a 100 foot frontage on Morton highway.

The interior of the building will be redone to permit a much larger space for the company's parts department. Machine shop and blacksmith shop will remain toward the rear where they are now located. The old tin building, which formerly housed the blacksmith shop will be used for a warehouse.

The company is Muleshoe distributor of the Minneapolis-Moline line of farm machinery, and of the Westinghouse line of household appliances and electrical supplies.

VISITING IN AMARILLO

Martha Roberts and Cleo Walker visited in Amarillo with some of their relatives over the weekend. HERE FROM MEDICINE MOUND. Mr. and Mrs. Roy Brooks of Medicine Mound, are visiting in the home of Mr. and Mrs. W. E. Young.

Gilmer-Aikin Group Reports

A minimum foundation program of education will be available to every boy and girl in Texas soon. This will be true if the people, through their Legislature, adopt the recommendations of the Gilmer-Aikin Committee on Education.

At present only about 63 counties in Texas operate all of their schools a full nine months each year. The tentative report calls for a minimum of 12 years of public school education, of 9 months each available to every child from the age of six to high school graduation.

This minimum program calls for a competent teacher for each 25 pupils in average daily attendance. These teachers must be professionally trained.

There would be available:
1. One counselor for each 500 pupils.
2. One full-time librarian for each 500 pupils.
3. One graduate nurse for each 2000 pupils.
4. Instructional supervisors, highly-trained, at the rate of one for each 50 teachers.
5. A specially trained full-time principal for each school of 12 or more teachers; for smaller schools

DAMRON Rexall Drug STORE

Will you be sure of having all the LP-Gas you will need this winter? Or will you be at the mercy of bad roads, bad weather and possible gas shortages? There is only one way in which your Butane-Propane dealer can promise you all the gas you'll need and that is for you to have adequate storage now!

So if you want to enjoy all the advantages of gas next winter — without any empty-tank worries — let your dealer explain how you can be guaranteed of having dependable, year-round gas service. Write, phone or see him today.

HERE'S THE PICTURE

The refineries which produce LP-Gas (Butane or Propane) have the same capacity all the year around. They produce the same amount of gas in the summer as they do in the winter. Yet there is four times as much gas used during the four winter months as there is during the other eight. That means LP-Gas produced in the summer must be stored for use in the winter. The refineries have increased their storage facilities. Your local dealer has increased his. But there's still not enough! Even more gas must be stored.

HERE'S THE ANSWER

The only solution to this problem is for you folks who use LP-Gas to increase your storage facilities, too. That's the only possible way in which your dealer can assure you of having a dependable, year-round supply of LP-Gas. Remember — your storage tank is like the gas tank in your car. If it's too small you're always running out of gas. So play safe. Get set for winter by getting adequate storage NOW!

HOW BIG A TANK DO YOU NEED?

You'll have adequate storage when you have a tank big enough to hold a supply of gas that will carry you through the four winter months. A tank that size will enable you to have it filled now while plenty of gas is available. Then, this fall, you can have it refilled and start off the winter with enough gas to see you through.

RED RAIDERS MEET RICE OWLS

Seven Thousand Ex-Students Are Expected At Tech Homecoming Oct. 30.

LUBBOCK, Oct. 27.—Seven thousand ex-students of Texas Technological college are expected to begin arriving on the campus next Friday for the annual Homecoming, Oct. 30.

A full day of activity honoring alumni and former students begins in the morning with open house by the different departments and a number of receptions. A mammoth parade at 11 a. m. will highlight the morning festivities.

Luncheon for exes, their wives or husbands, is to be served in the gymnasium. The Lubbock Bus company and Texas, New Mexico and Oklahoma bus company are joint hosts for the luncheon.

Football at 2 p. m. is the main event of the day when Texas Tech Red Raiders meet the Rice Owls. Thus far, 18,500 tickets have been sold for the game. Some 4,500 were sold to ex-students, and 2,000 are reserved for exes who will arrive Saturday.

An after-game dance for the

students and exes will be held in the gymnasium.

To the preacher, life's a sermon.
To the joker, it's a jest;
To the miser, life is money;
To the loafer, life is rest;
To the lawyer, life's a trial;
To the poet, life's a song;
To a doctor, life's a patient who needs treatment right along;
To the soldier, life's a battle;
To the teacher, life's a school;
Life's a "good thing" to the grafter;
It's a failure to a fool;
To the man upon the engine, life is a long and heavy grade;
It's a gamble to the gambler;
To the merchant, life's a trade;
Life is but a long vacation to a man who loves his work;
Life's an everlasting effort to shun duty, to the shirk;
Life is false or life is true;
Life is what we try to make it;
Brother, what is life to you?

—Travis Clements

Enochs Club Will Plan Work On Local Cemetery

The Enochs H. D. club met Thursday afternoon in the home of Mrs. J. W. Vans. The meeting was postponed last Thursday on account of sickness in the community. The roll call was answered by 15 members.

A meeting will be called in the near future to set a day for the work to be done on the cemetery.

Mrs. Blanch Cash attended the State THDA convention last week and gave a very interesting report. Refreshments of coke and coffee were enjoyed by all present.

The next meeting will be with Mrs. R. P. McCall next Thursday, October 28. All members are urged to be present for the election of officers. Mrs. Williamson will meet with us on that date.

Many Scholarships Offered Students

AUSTIN, Oct. 27.—A free college education is available to certain Muleshoe High School seniors and graduates between the ages of 17 and 21.

If they meet physical and mental standards and pass an aptitude test they may attend, at Navy expense, one of 52 colleges and universities in which there are Naval Reserve Officer Training Corps Units. The University of Texas and Rice Institute are the Texas schools with NROTC units.

Applications for aptitude tests should be made before November 15. Principals of high schools, college deans and Naval recruiting stations will advise students on how to apply. Aptitude tests will be given December 11 in 21 Texas cities.

Successful applicants will be permitted to take any college course they desire but must include certain naval subjects. Students enrolled in this program will be deferred from induction under the Selective Service Act. In re-

GRAMMAR GRADE SIREN

She's a little young to be a full-fledged siren, but she knows how to make the grammar grades sit up and take notice of her chic! For a day at school she wears a smart frock by Trude in colorful cotton cordspun—this little girl won't have to carry home her books!

The chorus teacher of Muleshoe High School, Mr. George Moore went to Lubbock, Texas, Tuesday afternoon to play in concert Tuesday night.

FROM ALBUQUERQUE
Floyd Davis of Albuquerque, N. M., visited in the home of Mr. and Mrs. Val Davis and son last weekend.

Poultrymen Advised To Retain All Pullets

Culling Hens Is Means Of Increasing Returns

To assure top poultry profits during the winter season, keep an all-pullet flock. Pullets lay in the fall and winter when egg prices are high. At the same time, old hens are going through their fall molt and consuming 25 to 30 pounds of feed while producing no eggs.

In the spring, when old hens resume laying, egg prices are down, thus necessitating a very heavy layer to pay the \$1.50 feed bill which was amassed during the winter months.

Old hens may be sold at once or they may be culled individually as they go out of production.

A weekly check of the old hen flock will enable the poultryman to cull out the losers. If an old hen flock is maintained over the winter months, separate housing for pullets and old hens should be provided for best management and disease control.

As another step in culling the poultry flock, old roosters also should be eliminated. They serve no useful purpose and eat lots of feed.

Hospital News

Jene Caldwell is a medical patient and he is doing fair. Mr. L. J. Howard was in for observation due to a fall. He is resting fair.

Jackets Lose To Sundown 35 to 13

Sundown put on a mighty offensive to down Muleshoe's Yellow Jackets here last Friday night 35 to 13. It was an offensive battle during the first half, with Sundown having the edge as warfare ceased for a time at the half, 21 to 13.

But Muleshoe's offensive effectiveness was gone, and although McCarty, Lawler and others gave the visitors some uneasy moments with their sensational runs at times, the machine bogged down before pay dirt was reached. The Jackets didn't score in the second half.

The Jackets got a bad break at the beginning. Sundown kicked to the Jackets. Weldon McCarty fumbled the ball and finally killed the ball on the Muleshoe five. On the first play the Jackets again fumbled and this time lost the ball. One Sundown play was enough for a score as Bill McCollough lugged the ball over for the first of five touchdowns. R. E. Hensley, Sundown back, kicked the goal, first of five perfect boots for extra point during the night. Muleshoe hastened to get into the game. After a sustained drive McCarty eluded all tacklers and went over from the 22-yard-line. The try for point failed and the

Jackets Trained To 6. Deag Ethridge, Sundown Fullback, soon erased that slim margin, racing across the Jacket goal from the 20. Before the half ended the Sundowners added another TD. This time McCollough went over from the 5 after a long pass had been completed to put the ball in scoring position.

Ethridge looped a short pass to end Don McLean for the fourth TD and Bob Wheat loped over after a long run by quarter, Neil Percy and another by Hensley had set up the score.

LAMBERTS TO REOPEN NOVEMBER FIRST

Woody Lambert has announced that he will have his cleaning plant ready by November 1. He has remodeled the interior of the plant, installed new machinery and is retaining the same personnel that was with him before his shop burned.

The Jackets, having no game this week, have two weeks to get ready for Levelland's Lobos, conference championship contenders, who come here Friday, Nov. 5.

ROBERTA ELLIOTT IS QUEEN OF CARNIVAL

Little Roberta Elliott, daughter of Mr. and Mrs. Howard Elliott was chosen queen of the Halloween Carnival it was announced today when votes were counted at the conclusion of the campaign. A total of \$2,842.86 was raised by the entire student body in the queen's race. Totals for each class or room will be given next week.
