

# Mr. Muleshoe . . .

By J. M. Forbes

Speaking of Bailey County: Did you know: Goodland is the "furtherest place away from nowhere" in this part of the world? Goodland, located near the southwest corner of Bailey County, is 41 miles from Muleshoe, the county seat. It is near the line of New Mexico.

Goodland is 41 miles from Portales, 41 miles from Littlefield. It is almost due west of Littlefield. Goodland is 22 miles from Morton, county seat of Cochran county. Bledsoe is the nearest rail point.

Many people of the community go to Morton to trade because it is nearer. However a goodly amount of the trade of the community comes to Muleshoe, for several reasons: Muleshoe is the county seat, it has the county office of the AAA and other government agencies, many of its people bank here, and Muleshoe has so many good implement houses, which maintain full parts and service departments.

Goodland is proud of one thing, since it is so isolated, and that is its highway. The road which runs due west from Enoch and on to Causey, N. M., running right in front of Goodland store and post-office, one day, it is said, will be a main highway. Already the state has accepted the part of the road built with county road funds for state maintenance; a gap of some ten miles on the road from Y with the road to Maple will one day be paved; and the state will, it is said, complete the paving from Goodland to the state line, giving a paved road on to Causey and beyond. Goodland folks say when you look at a map you can see that much traffic will be diverted from the east, say around Vernon, where people are headed for Roswell; and a traveler from Muleshoe, for instance to Ruidoso or Roswell, would save a few miles by going by way of Goodland.

This scribe was in most every nook and cranny of the south part of the county Friday and saw the crop destruction around Stegall and on east, caused by the downpour of late Wednesday. More replanting was in the cards for that section.

From Enoch it is only 27 miles to Littlefield and an excellent paved road runs to the Lamb county capital. Maple is only 16 miles from Morton, hence many people do most of their trading there. Summer work was going on around the big schools at Three Way and Bula in preparing for another school term beginning in the fall.

There are two gins at Maple and this fall this little settlement could have a big business boom. Maple or Enoch and even Needmore have the possibility of one day making nice little towns as the country fills up and time brings changes.

In that part of the county wherever one looks, it's cotton. Nowhere there is a good sprinkling of feed crops too. A corn crop on the Lonnie Arnold farm near Baileyboro is chest high to a man now and is a pretty sight indeed.

Muleshoe and all Bailey County has a direct interest in the proposal to call a road bond election in our neighboring county of Parmer. Two petitions have been presented, one asking for a special road district and bond election, the other for a county wide bond election, and the amount of bonds proposed being \$800,000 to construct a farm to market road system, we read in The State Line Tribune. The Commissioners Court will take action July 5.

On May 28 Parmer County voters turned down a road bond issue in the sum of \$1,150,000 by the narrow margin of 8 votes.

The Tribune quotes State Highway Engineer Greer as reaffirming the intention of the State Highway Department to carry out previous commitments with reference to farm to market roads, and says: "Such State roads would include Bovina to Lariat, Oklahoma Lane school house to the twin houses, and completion of the Friona to Bailey County line road."

The latter completion would give people of this territory and far to the south a direct road through Friona to Amarillo and points north. A stretch of about 12 miles is still unopened.

## Texas U. Offers Aid To Graduates

AUSTIN, June 28.—High school graduates, do you need a little help to enter the University of Texas this fall?

The Wilbur S. Davidson Scholarships for freshmen are designed to give students a boost toward entering the University and paying living expenses until they can find jobs. Fifty of the scholarships, amounting to \$100 each, are awarded annually on the basis of character, scholastic ability and financial need.

Eligible Texas high school graduates have until July 15 to file applications. Winners will be announced about mid-August, Assistant Dean of Men W. D. Blunk said.

Additional information and application blanks may be obtained from the Wilbur S. Davidson Scholarship Committee, Box 2114, University Station, Austin.

## ATTENDED FUNERAL

Mr. and Mrs. Arnold Morris, Mr. and Mrs. M. F. Blackman attended the funeral of Mrs. J. F. Johnston, mother of Mrs. Morris Thursday, June 23 at Wichita Falls. Mrs. Johnston had been in ill health for several years. She was 85. She is survived by eight children and one deceased, 28 grandchildren, and 23 great grandchildren.

# The Muleshoe Journal

Volume 27, Number 27

MULESHOE — County Seat of Bailey County — TEXAS

Thursday, June 30, 1949

## Open House To Be Held In New Legion Home

Open house will be observed by the Ben Richardson Post American Legion and Legion Auxiliary of Muleshoe in their new home on Sunday, July 10.

The people are invited to call any time in the afternoon after 2:30, and they will be shown the new building, which rapidly is nearing completion.

The Legion men and Auxiliary members are mighty proud of their new home and they want everybody in the Muleshoe territory to be proud of it, too.

They are anxious to show visitors and really enjoy having their friends and neighbors pay them a visit.

## D. H. Sneed Supply Move To New Home

The D. H. Sneed Supply Co. is at home in their new building located north of the railroad on the Plainview highway.

The building, of tile and stucco construction, is 35x90 feet in dimensions. Their lot is 60 feet wide leaving considerable space there for parking or storage.

The building has lots of windows and is light and airy.

Beginning three years ago as an irrigation well contractor, D. H. Sneed has expanded his business to include kindred lines, including farm tractors and implements.

He is the distributor here for the Ferguson tractor and implements and maintains repair parts for this machinery. D. L. Smith, a factory trained mechanic, is on the job to do repair work on this as well as other kinds of equipment.

The company gives a turnkey contract on irrigation well installation, dozer, winch work, etc. They stock Packard and LeRoi irrigation motors and parts for them.

The firm also is distributor for pressure water systems and installs them.

Mrs. Jimmie Green joined the firm several months ago as bookkeeper.

## Layne Gives Log Irrigation Well

Log of an irrigation well recently completed on the Check Layne farm was kept by Mr. Layne, who thought that it might be of interest to others contemplating installing a well, and to land owners over the country. The well is very satisfactory, Mr. Layne said, although it hasn't been needed much so far.

At the outset the drill went through 4 feet of top soil, then 7 feet of soft caliche and 15 feet of hard caliche, at which point the drill struck water at 26 feet.

This water bearing sand was 11 feet thick, then a layer of soft clay 6 feet thick was encountered. Then came 43 feet of sand and gravel, water bearing, then 5 feet of brown granite 45 feet deep.

The well was bottomed at 136 feet, using 134 feet of casing. The pump was set at 80 feet.

## HAS HEART ATTACK

J. E. Perkins, long time resident of the Circle Back community, was stricken with a heart attack Sunday in Dallas, word reaching his children here announced. He and Mrs. Perkins were on their way home after a trip to Tennessee. He was at the home of a son, George D. Perkins in Dallas. Albert Perkins, a son-in-law, of Circle Back left Monday to be with Mr. Perkins.

In 1946, the people of Texas adopted a constitutional amendment authorizing the Legislature to create a Veterans' Land Board for the purpose of securing both public and private lands at bargain prices and selling them on easy terms to Texas World II Veterans. A few days ago the Legislature passed a law putting it into effect. By this time, your Post has possibly received a copy of this long legally worded document, but it is my feeling that our fellow veterans neither have the time nor should be expected to wade through these eleven (11) long pages of printing matter to gain an adequate understanding of what

Muleshoe will close shop for the Fourth of July holiday Monday, with the exception of elevators and a few others depended upon by farmers to keep at their present harvesting chore.

The postoffice will be closed all day and there will be no rural delivery of mail on this national holiday. The office usually closes at noon Saturday and those having business with the postoffice would do well to transact the same well in advance.

The Muleshoe State Bank will be closed all day for the holiday.

The Bailey County courthouse in Muleshoe will be closed from Saturday noon until Tuesday a. m. The courthouse is closing on each Saturday at noon.

Many different types of business were queried by The Journal and it appears that nearly everything will cease for a day as the operators and their staffs enjoy a two day rest.

Coming on a Monday, Fourth of July this year will give workers a double holiday and many people likely will hie away to the hills to enjoy a breath of cool air and dodge the heat that has been pestering the Plains for several days.

Many will journey to Ruidoso or numerous other mountain resorts for the brief respite from the cares of their daily chores.

Meanwhile, Muleshoe merchants this week are advertising special sales events for Friday and Saturday of this week. The reader is advised to peruse the advertising columns this week to get hep to what's going on in merchandising circles.

## C. W. GRANDY NAMED SUPERINTENDENT OF MULESHOE SCHOOLS AT SPECIAL MEETING SAT.

C. W. Grandy, member of the faculty of Muleshoe schools the last two years, was elected superintendent of schools by the board of trustees in a special meeting held Saturday night.

Mr. Grandy will succeed W. C. Cunningham, who resigned the post effective July 1. Mr. Cunningham is accepting the superintendent's position at Mineral Wells.

Mr. Grandy served for several years as superintendent of schools at Blair, Neb., and has a long record as a successful school administrator and worker. Having owned

C. W. GRANDY

## Methodists Get Double Holiday On The 4th, Too

It will also be a double holiday at the First Methodist Church of Muleshoe, for in an action unprecedented here the official board of the church has declared Sunday, July 3, to be a day of no services, so that all may have the double holiday, since Independence Day this year falls on Monday.

Therefore there will be no Sunday School, no group meetings, no preaching services on that day.

Members of the board told The Journal that the ministers, the Sunday School teachers and officials who otherwise would have had to be on hand, may now plan their weekend trip or outing.

Rev. T. G. Craft, pastor, thinks it a good idea, although he had never seen this done before, and he said most workers would welcome this brief break from official duties.

## Huge Hay Barn Is Being Erected

Construction of a hay barn on the F. A. Koppin farm west of Muleshoe was started this week. Mr. Koppin expects to store his alfalfa until such time as the hay price reaches the figure he wants for it.

The barn will be 52x120 feet, 16 feet high, and will hold 15,000 alfalfa bales, it is estimated. Mr. Koppin said he baled 4,072 bales of alfalfa in his first cutting this season.

## VISITED MAY FAMILY

Mrs. Bessie May visited Sunday in Plainview with Mr. and Mrs. Gaston, former residents of the Progress community. Elizabeth Harden accompanied Mrs. May and visited with a aunt, Mrs. O. V. Anderson and cousins, Mr. and Mrs. J. L. Norris and daughter, Helen.

## Holt Resigns As Representative

I. E. "Doc" Holt, of Olton, has resigned as representative of this the 120th Legislative district, it was announced from Austin. Mr. Holt, in tendering his resignation to Gov. Beauford Jester, requested that it take effect June 30.

He has been appointed postmaster at Olton, his home town. Mr. Holt is engaged in ginning and farming operations around Olton.

## Blount Summarizes, Explains Veterans Land Act

R. E. Blount, member of the House of Representatives of the Texas Legislature, has written H. S. Sanders, Jr., local Legion commander giving a complete summary of the Texas Veterans Land Bill, recently enacted, which is being printed for the information of all ex-serviced men here:

In 1946, the people of Texas adopted a constitutional amendment authorizing the Legislature to create a Veterans' Land Board for the purpose of securing both public and private lands at bargain prices and selling them on easy terms to Texas World II Veterans. A few days ago the Legislature passed a law putting it into effect. By this time, your Post has possibly received a copy of this long legally worded document, but it is my feeling that our fellow veterans neither have the time nor should be expected to wade through these eleven (11) long pages of printing matter to gain an adequate understanding of what this progressive legislation is all about.

## DER ITS PROVISIONS

1. Who Can Buy Land From The Land Board? Any veteran who served at least 90 days between September 16, 1940 and December 31, 1946, and who was not dishonorably discharged, providing he lived in Texas at the time of his induction and is living in the state now.
2. How Do I Qualify If I Want To Buy Some Of This Land? Write to the Veterans' Land Board at the General Office in Austin and ask for the necessary forms to certify your eligibility.
3. What Lands Will Be Offered? Any land with a clear title, either public or private, which the members of the Land Board can buy at a price which they consider to be a bargain.
4. Who Are The Members Of The Board? The Governor, the Attorney General, and the General Land Commissioner of Texas.
5. How Much Land Can I Buy From The Board? Up to \$7,500 worth, or up to \$10,000 worth if you have a down payment to cover anything above \$7,500.
6. How Much Down Payment Is Required Of Me If I Want Only A \$7,500 Tract Or Less? Only 5% of the value you would be required to pay only \$375 down.
7. Will The Board Offer It To Me At Exactly What It Cost Them? Absolutely. You will amortize the unpaid balance at 3% a year.
8. How Long Will I Have To Pay It Out? That will be set by the Board, but the law says not more than 40 years.
9. Will I Get The Mineral Rights? You will get 1/4 of the mineral rights, or 1-16th royalty. The State of Texas gets the other half.
10. Can I Go Out And Find A Piece Of Land Myself And Get The Board To Buy It And Then Sell It To Me On These Terms? Yes, so long as the title is clear and the Board considers it a bargain.
11. If I Don't Actually Find The Land Myself, How Will I Know That Lands Are Being Offered? The Board is required to advertise them for four weeks in a paper of general circulation. All county lands offered must be advertised in that county's paper.
12. Are There Any Priorities For Buying Land? Except where you find it yourself the disabled vets get a 90-day priority.
13. Do I Have To Live On The Land? No, but you may not offer it for resale within three (3) years after buying it.

## Opening Services In New Building North Side Church of Christ Sunday

## Formal Opening Of Wingo Station Set For Saturday

Formal opening of the new Wingo Service Station is set for the coming Saturday, July 2, and Mr. and Mrs. Wingo have invited everybody to visit their new place, and participate in the opportunity to win one of the prizes they are offering that day, amounting at told to \$150.

There will be free coffee for the grown ups, free balloons for the children.

The attendance prizes will be awarded at 5 p. m.

They have had their station open several days, but Saturday will be their formal opening and they hope to have as many as possible to be their guests that day.

## Western Auto Supply To Open Here Thursday

July 9 is the day set for the opening of the new Western Auto Store in Muleshoe. B. A. Dalton, owner announced today.

Representatives of the company are still busy stocking the store and said that they would wait on a customer if he felt brave enough to venture in and dodge the boxes of goods that have not been placed on the shelves.

It had been hoped to open the coming Saturday but stocks did not arrive in time to permit opening at that time. The store is in the Tive Young building on Main street.

## Harris Is Granted National Award

Marion F. Harris, representative of Southwestern Life Insurance Company in Muleshoe, has been granted the 1949 National Quality award, for achievement of high standards in the business of underwriting.

The National Quality is given jointly by the National Association of Life Underwriters and the Life Insurance Agency Management Association of America in recognition of the agent's superior service to the insurance buying public.

Mr. Harris' good volume of business and the maintenance in full force and effect of a high percentage of the policies which he wrote qualified him for the honor. A letter from Southwestern Life President J. Ralph Wood commending him for his achievement also has been received by Mr. Harris.

## MRS. WEST TO OPEN CITY CAFE SATURDAY

The City Cafe, formerly operated by Mrs. Layne, will be opened the coming Saturday by Mrs. Thelma West and her niece, Bobbie Klepper. Both have been employed for several years in local cafes, and are experienced in catering to the public.

The cafe is located next to the alley, west of Western Drug.

## DEDICATION DAY

A dedication ceremony will be held at the new Legion Home on July 15, it was decided by the Legion and Auxiliary last night. The Journal will print a complete program in a later issue.

## Capacity Crowd Saw Dress Revue

COLLEGE STATION, June 28.—A capacity crowd of more than 2,000 4-H club girls and boys, adult leaders and county extension agents watched Lucille Downey, Kirkland (Hardeman county) walk away with top honors at the State 4-H Dress Revue at Texas A. & M. College June 15. The revue was the concluding event of the annual 4-H Round-Up.

Miss Downey, 16-year-old blonde daughter of Mr. and Mrs. J. H. Downey, wore a blue-gray iridescent chambray and navy accessories. She was awarded an all-expense trip to the National 4-H Club, Conales Clayton, homemaker education division of the State Board of Vocational Education, and Mrs. Lera D. Hancock, head of the home economic department, North Texas Agriculture College. Miss Linn also acted as commentator during the revue.

The 128 entries represented more than 9,000 4-H club girls who entered 151 county revues," Mary Routh, extension clothing specialist of Texas A. & M. College, said. "Each girl either selected or designed her pattern, picked out the material and accessories and made the dress in many instances, hats, gloves and bags were made at home, also." Miss Routh and Nena Roberson, associate clothing specialist, arranged and presented the revue.

Editor's Note: Doris Jean Copley, of Muleshoe, was runner-up in the above contest and was awarded an electric iron.

## Insect Control Is Discussed At Meet

Plainview, June 28.—About 100 farmers heard Ralph Lloyd, of Houston, talk on cotton insect control at a meeting of the Hale County Agriculture Improvement committee in Plainview Monday.

Reporting on a field trip he and county agent Manuel Ayers made through Hale county fields, Lloyd said "In almost every field we found damage from fleahoppers and thrips."

Lloyd suggested that farmers follow the advice of extension entomologist Guy E. Carpenter in controlling these insects.

If there are from 25 to 35 fleahoppers per 100 terminals in cotton it is time to apply ten pounds of five percent DDT mixed with 75 percent sulphur, or ten percent toxaphene mixed with 40 percent sulphur per acre at seven to ten day intervals.

For thrips he suggested ten to 12 lbs. of ten percent toxaphene mixed with 40 percent sulphur.

## VISIT HERE SUNDAY

Mr. and Mrs. Lynn Smith and little daughter, of Flagg, visited here Sunday in the Bob Roberts home.

## Local Markets

Cream, lb.	.50
Eggs, doz.	.35
Light hens, lb.	.12

## DANGER AT THE GRASSROOTS

(From The Lamar County Echo)  
Robert Kazmayer, the well-known lecturer and commentator, recently made a penetrating observation on our internal weakness. He said: "The real danger in the U. S. today lies not in Washington, but at the grassroots. Governments have always tended to usurp more and more power unto themselves. In every free organization there is the seed of tyranny. That's why eternal vigilance is the price of liberty. The real danger in the U. S. lies with the millions who are apathetic. Democracy is going by default. Men and women are being promised by the government things—things which that government cannot deliver, not over any protracted period of time—for no government can go on promising more and more people more and more of everything, without telling anyone that someone has to pay the bills. Lulled into a false security by these promises men are exchanging their liberties, their initiative, their dignity, their heritage as free men, for a bunch of theories, most of which are imported from countries which already are dependent on the U. S. for support."  
There's no sense in kicking at the government, as if it were something separate and apart

from us. The government is what we make it by the public servants we elect to office. In late years, there has been a disgraceful increase in the "givee" attitude indulged in by individuals, by local governments, and by various groups, all seeking special favors and benefits. This represents the "get-something-for-nothing" psychology in its worst form. And it is exactly the kind of thing which starves freedom and fattens tyranny.

## ALWAYS TRY TO BUY AT HOME

It is about time for the County Wide News to again remind the people of Littlefield that local merchants deserve a chance to supply your needs.

Whenever you have anything to buy, give local business houses an opportunity to serve you. The future prosperity of all us depends upon a willingness to cooperate in the common good and one way to do this is to patronize home concerns whenever possible.

We do not urge any person to pay an exorbitant price for any goods. It is the business of sellers to meet competition. It is their obligation if they desire the patronage of local customers. —County Wide News, Littlefield.

## YOU ARE GUARANTEED—

There is not a single word in our beloved Constitution, nor a word in our immortal Declaration of Independence that guarantees any man any results. These great instruments of government speak entirely in terms of opportunity.

The job of organized government is to keep the road open and the ladder up. It is our job as individuals to take that road and climb the ladder, and we do it on our own power.

We need to tell all Americans again that we cannot legislate ourselves into the millennium, we cannot organize into Utopia. —California Farmer.

## CARD OF THANKS

I wish to express my thanks to the people who were so kind in helping me replant my crop and also the ladies who helped with the lunches.

Mrs. A. N. Arnn of Stegall Community.

## Uncle Sam Says

Millions of Americans have found their "Opportunity for Security" through an investment in U. S. Savings Bonds. You, too, can supplement your every-day opportunity to provide future economic freedom by participating in the big Spring Savings Bonds Drive which opens May 16. The wise person saves his money—before he can spend it—by becoming a shareholder in the safest, surest, and most profitable investment offered anywhere in the world.

U.S. Treasury Department

## CHRISTIAN SCIENCE SERVICES

"God" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, on Sunday, July 3.

The Golden Text is: "I will say of the lord, He is my refuge and my fortress; my God; in him will I trust" (Psalm 91:2).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For the Lord is our judge, the Lord is our lawgiver, the Lord is our king; he will save us" (Isaiah 33:22).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God" (page 228).

Try Journal Classified Ads.—

## Rat Flea Spreads Typhus Fever Germ

AUSTIN, June 28.—The people of Texas have been fortunate in escaping any serious outbreaks of typhus fever this year, the total number of reported cases to far being 133. This is a gratifying decrease in the incidence of this disease, but at the same time, it is well to warn that only continued stringent rodent-control measures will hold this disease in check.

This is the advice of Dr. Geo. W. Cox, State Health Officer, who says that "Typhus is one of the most debilitating of all diseases, and the long drawn out illness results in such loss of time that this factor is usually even more expensive to the victim, than his doctor and hospital bills."

Inasmuch as typhus fever is transmitted to man by the rat flea, the control of typhus depends almost upon ridding ourselves of rats. No garbage should be left exposed where they can get to it to feed. All rats harborages such as trash piles, piles of old lumber, accessible quarters in the walls and foundations of buildings and other suitable living quarters should be denied them. Houses and business buildings can be effectively rat-proofed at a comparatively low cost, and the expense is always much less than the damage that can be done by rats, and the sickness they can spread.

## BILL LEBOW REACHES WARM SPRINGS, GA.

Bill Lebow, the Clovis wheel-ginning of his tour, was reported near Warm Springs, his first objective. He is making a trip to New York City in his wheel chair.

Lebow expected to rest for a few days in Warm Springs before rechar tourist, who spent a night in Muleshoe last spring at the be- Friday at Columbus, Ga., a town suming his journey, a 2,380 mile jaunt which is now more than one half completed.

## NOTICE TO THE PUBLIC

It has come to the attention of the Commissioner's Court, that some of the farmers of Bailey County, and others, have made a practice of turning on the County Roads, during their farming operations. That considerable paving has been destroyed and the Court respectfully asks that all parties refrain from turning their tractors and plows on the County Roads. It is a violation of the laws of the State of Texas, to destroy public property.

Dated at Muleshoe, Texas, this the 22nd day of June, 1949

COMMISSIONERS COURT OF BAILEY COUNTY, TEXAS.

26-2tc.

## OPTOMETRIST TO MEET

The South Plains Optometric Society, of which Dr. B. R. Putman of

"When the rat is gone, typhus fever will go also", Dr. Cox said. "Keep buildings out, starving out, and killing all rats, and typhus fever will no longer menace the health of our people."

## Now I'm Going Back To High School!

When I saw lights burning in the High School auditorium last night, I looked in to see what went on. About twenty people were listening to Buzz Ellis, the electrician, talk about television.

I slipped into a back seat and asked Hap Thomas what was up. Hap told me it was the new Self-Improvement Club. I stayed to listen—and learned a lot. Buzz really knows his stuff.

Turns out this club meets every Friday night. Each member gives a talk on the subject he knows most about. I joined on the spot because

learning new things is one of my favorite hobbies.

From where I sit, it's willingness to learn from the other person that makes Americans tolerant towards so many different viewpoints and tastes in things. Just because Buzz Ellis goes for chocolate malteds, while I prefer a mellow glass of beer, doesn't mean I'm right and he's wrong. Incidentally, next week I'm going to talk on how to run a newspaper.

Church services are now being conducted regularly in the new Nazarene Church building in the west part of town.

This summer milady will go gowned in filmy, transparent sheers. She'll breeze through the hot, sticky days in one cool dress after another. Luck is sure with her cause there is a galaxy of wonderfully cool fabrics to be had this season. The three-starred feature is rayon chiffon, but nylon, organdy, dotted Swiss, bemberg and voile are all popular. The return of sheers is making that old underdog, the common slip, sit up and take notice. It must be ever so pretty and fresh 'cause there's no telling when it will be seen.

One of the cleverest ideas going 'round is the dye 'em and match 'em trick. You take your canary yellow or Hunter green dotted Swiss and dye a slip to match it. The dyed slip deepens the sheer color and gives the dress a more

completed costume effect. This certainly is a happy thought for those transparent nylon blouses nearly everybody is wearing. A perfect slip under sheer materials is rayon tafeta, for it has body and offsets the tendency of sheers to cling. Of course, now you can buy nylon slips that need no ironing. All you do after a sweltering day's wear is dip them up and down in sudsy water, rinse, hang them to dry and they're ready to wear next morning. Both fabrics will dye easily — but be sure to use an all purpose dye that works on every fabric — even synthetics. Follow the directions accurately — and remember that dyeing is preferable to tinting for you'll be washing that slip frequently. Remember, too, that colors appear darker when wet.

Why are more and more families choosing the Servel GAS Refrigerator?

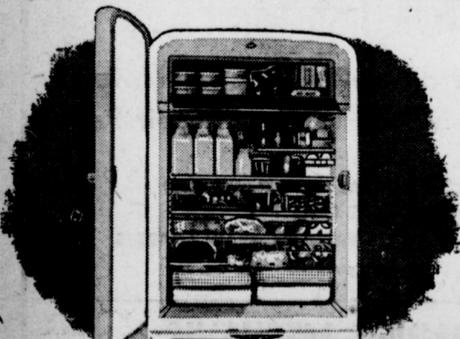

**IT'S GUARANTEED FOR TEN YEARS!**

**ONLY SERVEL STAYS SILENT, LASTS LONGER**

Talk to folks who've had experience. They'll tell you, "The Gas Refrigerator is your big refrigerator value! It guarantees silent, dependable performance for ten full years!"

How is this possible? Because Servel has no motor, no machinery. There's not a single moving part in its freezing system to cause noise or wear. A tiny gas flame does the work. So, Servel stays silent, lasts longer.

See the new Gas Refrigerator. You'll find every new convenience. Big frozen food compartment. Plenty of ice cubes. Flexible interior. And remember—you're sure of long-lasting noise-free, trouble-free performance with Servel!

STAYS SILENT... LASTS LONGER  
**Servel**  
The GAS Refrigerator

**Tip about that trip..**

For fun-on-the-run, as you've already discovered, there's no travel mate like that Buick of yours—especially if it's really in the pink. So while you're readying yourself for vacation tours, how about doing the same for your car—with a little of that special Buick care that does so much to make trips top-notch? For instance—

**Got plenty of pep?** Our engine tune-up is just the ticket to bring back flashing, new-car liveliness on hills and straight-aways.

**Can you "stop on a dime"?** The answer's yes—when our experts get through truing up worn drums, mounting new linings to replace old worn ones.

**How's your view?** It'll be good, night and day, when you let our experts check your lights, windshield wipers, and windows.

**Want a good steer?** That's just what you've got, after our front-end experts get through adjusting your steering mechanism to give it new-car lightness.

**Chassis sassy?**

Does it ride roughly—squeal and squeak at you?

Drive in—we'll "shoot the works" with our grease guns and oilcons to take the noise and stiffness out of your ride—give you easier steering.

And a Buick-trained mechanic will give your car a conscientious trouble-preventing inspection as well—without charge!

In short, start your trip in our shop and you'll find it free of car worries all the way. Drop in—see our facilities—talk to our experts—and see for yourself it's the best insurance of a good time that you can buy.

## Bridal Shower Honors Mrs. Glaze

The Raymond Precure home two miles north of town, was the beautiful setting for a bridal shower given Mrs. James Glaze Tuesday afternoon at three o'clock. Mrs. Jack Smith and Mrs. Kenneth Precure assisted Mrs. Precure as co-hostesses for the affair.

Sharing honors with Mrs. Glaze were her mother, Mrs. Dan Tarter, and Mrs. Ross Glaze, mother of Mr. Glaze. Corsages were pinned on the honorees by the hostesses. The table was laid with alce cloth and a double wedding ring theme, using pink pinocchio roses and stephanotis, was carried out in the centerpiece.

Candleholders were wedding rings with rosebuds of pink pinocchio roses at the base of each. Pink snapdragons completed the floral decorations.

Each guest wrote her favorite

recipe, rhyming the last word of each line. Of course Mrs. Glaze received the consolation prize, which was a table piled high with gifts to be opened and admired.

Mrs. Raymond Precure poured the punch. Mrs. Jack Smith assisted in serving and Mrs. Lillian Morris, sister of Mrs. Glaze, presided at the guest book.

Others present were: Misses Gwyneth Bigham and Mona Ellen Wilhite; Mesdames Nelce McCurdy, Jewel Treider, Perry Barnes, Jr., Alven Morris, Darrell Masson, J. J. DeShazo, W. S. Menefee, O. N. Jennings, Irvin St. Clair, and W. B. McAdams.

Those sending gifts were: Mesdames Woodie Glasscock, Lela Barron, J. L. Lewis, Byron Griffiths B. H. Black, Johnnie Glasscock, A. L. Tarter, Perry Barnes, Douglas Frye, Edgar Broyles, John Watson, W. H. Harlan, John Nichols, Myron Pool II, Roy Daniels and Joy, R. L. Jones, Jerry Kirk, Bob Jones, D. B. Ivey, W. I. Gammon, James Crow, Otis Nowell, and Glenn Phipps.

## Mrs. Cunningham Shower Honoree

Mrs. Jack Lenderson, Mrs. L. S. Barron and Mrs. Morris Childers entertained Tuesday morning with a bridge breakfast and handkerchief shower honoring Mrs. W. C. Cunningham, who is moving soon to Mineral Wells, in the home of Mr. and Mrs. Jack Lenderson.

Summer cut flowers decorated the living room and the dining table was centered with a miniature scene, with a sign Muleshoe and the route to Mineral Wells, and showing the famous Crazy Water Crystals.

Four tables of bridge were played during the morning. Coffee, cantaloupe and hot cinnamon rolls were served to the following guests: Mesdames Noel Woodley, Sam Fox, A. J. Gardner, Harold Wyer, Vance Waggon, E. H. Kennedy, F. H. Davis, Morris Douglass, Dudley Malone, W. B. LeVeque, Edward White, J. M. Forbes, Cecil Tate, Marion Harris, Howard Elliott, the honoree, Mrs. Cunningham and the hostesses.

## Wesleyan Guild Met Monday Evening

Wesleyan Service Guild met in the home of Mrs. Fred Johnson Monday evening, June 27, with Mrs. Curtis Spivey, president, presiding.

The Voice of the Nations, a one act play was given by Miss Elizabeth Harden. A pledge service followed, the new year now starts in June instead of January. There will be a meeting of the executive officers Friday evening in the home of Mrs. Spivey at 8:30 for the purpose of making out the program for the year and all officers are reminded to be there if possible.

## Society News

THE MULESHOE JOURNAL, Thursday June 30, 1949

Mr. and Mrs. John Axel Benson

## Miss Heglund And Mr. Benson Wed In Pretty Home Ceremony Here

Miss Lenora Marie Heglund, of Salina, Kans., became the bride of Pfc. John Axel Benson, Jr. in a pretty evening ceremony performed Friday evening, June 17, at 8 o'clock in the home of the groom's parents, Mr. and Mrs. John Benson, Minister Eb Randal, of the Muleshoe Church of Christ performed the single ring ceremony. The bride is the daughter of Percy Heglund, of Salina.

John Benson gave the bride in marriage. Burnice Pearson, half brother of the groom, was best man and Mrs. Elzada Markwell, the groom's sister, was matron of honor.

Other close friends in attendance included Mr. and Mrs. J. E. McWhorter and Mrs. E. H. Kennedy. Mrs. Kennedy played the traditional wedding music and accompanied Mrs. Markwell, who sang a solo.

Pfc. Benson, who is serving in the U. S. Air Force, is stationed at Smoky Hill Air Force Base, Salina. The couple expect to make their home here when he is released from the Air Force and in the meantime Mrs. Benson will make her home here with his parents.

## Muleshoe Club Met In Copley Home

On Thursday, June 23 the Muleshoe home demonstration club met at the home of Mrs. A. M. Copley with six visitors and seventeen members present.

Mrs. Mack Hale gave the council report. Mrs. Copley gave a very interesting talk on her trip to a I-I Roundup at A & M College. Doris Jean Copley also gave her report on her trip to A and M, and showed the electric iron which was her prize. Mrs. Roy Carney had charge of the program which was on kitchens.

Mrs. Hale gave a talk on "What Makes a Sanitary Pleasant Kitchen?" Mrs. Kenneth Briscoe talked on "What Makes a Kitchen Convenient?" As kitchens was the subject for the program Mrs. Copley's beautiful new kitchen was a perfect example of a sanitary and pleasant kitchen and especially a convenient one.

One landscape demonstrator, 3 food demonstrators and 3 clothing demonstrators gave good reports.

Mrs. Roy Carney and Mrs. Byron Jeffcoat had charge of the recreation. Refreshments were served to: Mesdames Johnson, Wiley, Bowers, J. J. DeShazo, Finley, Cur Anders, and daughter, Mack Hale, Marvin Wimberley, J. T. Shofner, D. R. Aylesworth, Kenneth Briscoe, E. E. Marrs, C. E. Briscoe, J. E. Day, S. C. Caldwell, J. T. Boydston, Byron Jeffcoat, W. J. Awrey, and the hostess, Mrs. Copley and Doris Jean.

Next meeting will be at the home of Mrs. H. M. Shofner on Friday, July 15.

## Attends Rainbow Grand Assembly

Kay Malone, worthy advisor of Muleshoe Rainbow Assembly, represented the local Rainbow Girls at the state grand assembly in Houston this week. She met the Hereford and Earth delegates at Earth and the girls made the trip on a chartered bus.

They spent Sunday in Austin, going through the state capitol and visiting other places of interest in the capital city, and went on to the convention Monday.

**CARD OF THANKS**  
We desire to express our deepest thanks and appreciation to our friends and neighbors for their innumerable acts of kindness, for the food brought to our home and for the beautiful flowers in the time of our bereavement.

## Beller-Ragsdale Vows Exchanged

The marriage of Miss Waneen Beller, daughter of Mr. and Mrs. D. E. Beller and Mack Ragsdale, son of Mrs. Ola Ragsdale was solemnized in the home of the bride's grandparents, Mrs. H. M. Shofner Sunday afternoon at 3 o'clock.

The double ring ceremony was performed by Rev. Trett Craft under an arch of greenery with tall white columns on each side holding twin bouquets of picardy gladiolus and yellow peonies.

Pre-nuptial music was furnished by Mr. George L. Moore who played the couple's favorite love songs and accompanied Miss Dixie Lee Jennings who sang "Always."

The bride, given in marriage by her father, wore a white dress trimmed in lace and carried pink pinocchio roses and stephanotis with ivy leaves on a white satin Bible. For something old she wore a cameo brooch belonging to the groom's mother; something blue, blue garters, and something borrowed, the Bible. The year the couple started going together was the date on the penny in her shoe.

Margaret Sanders attended the bride dressed in blue and carrying a nosegay of pink pinocchio roses, tufts of maline and ivy leaves. Don Fudge was best man.

The reception table was centered with a tiered wedding cake, topped by a miniature bride and groom. Roses were used to decorate the room and garland the punch bowl. Mrs. Buck Ragsdale served the cake and Mrs. J. T. Shofner poured the punch. Margaret Sanders presided at the guest book.

Only relatives and close friends were present. Out of town guests were: Mrs. Don C. Thomas, sister of the groom, and Bessie Beller, of Orland, Calif.

After a short wedding trip to Ruidoso, the young couple will be at home in the Ballejboro community where the groom is engaged in farming.

## Sunshine Club Met Thursday

The Sunshine Club met Thursday, June 16, at the home of Mrs. J. C. Hart. The meeting was called to order by the president at 3 o'clock. Roll call was answered by reading a verse from the Bible.

A short business session followed. We decided to have a "White Elephant" sale at our next meeting, which will be at the home of Mrs. Cecil Harvey July 7.

Our father's day program was presented by Mrs. Wm. Staas, Mrs. L. D. Tipton, Mrs. Herbert Nash, and Mrs. C. H. Odum. Mrs. J. C. Hart gave an interesting demonstration on making women's work gloves. Mrs. L. M. Stinson led two games.

Mrs. Wm. Staas and Mrs. I. M.

Stinson received many lovely gifts on their birthdays.

A lovely bridal shower was given for Mrs. Roy Simmons, nee Florence Smith. Mrs. Dave Coulter read a very good poem.

Refreshments of punch and cookies were served to:

Mesdames Wm. Staas, Doris Shackelford, Clovis DeBord, Lubbock, J. O. Crawford, Herbert Nash R. L. Lewis, C. B. Redwine, A. E. Ward, N. W. Lee, Tom Payne, W. A. Jemika, John Ladd, L. N. Walker, R. E. Birkelbach, Joe Tipton, R. C. Harvey, C. H. Odum, George Chambliss, Marion Little, J. F. Rowland,

L. D. Tipton, L. V. Kolar, O. C. Kirk, J. A. Wimberley, I. M. Stinson, Dave Coulter, M. M. Simmons, Misses Billy Simmons, Helen Ward Mattie Mae Chambliss, Margie Staas, Doris Lee and Maxine Ware and the hostess, Mrs. Hart.

Those sending gifts were: Mesdames W. H. Bates, George Stevens, H. P. Sorells, Evelyn Simmons, John W. West, J. C. Deik, W. C. Deik, Nell Meeks, Vanoy Tipton, C. C. Anders, O. H. Eberhart, Edd Autrey, Miss Cora Lee Stinson, Miss Cleo Walker, Mrs. Mathis, and Mrs. S. E. Goucher.

## Teen Town Talks:

At the Teen Town meeting on Friday night, June 24, Muleshoe Teen Town grew to fifty-eight paid members. There were approximately fifty of these members present for the meeting Friday night. Adult guests who visited with us and helped us carry out our program were Mr. and Mrs. Henry Williamson and Mr. and Mrs. Dudley Malone.

During the business session Friday night the following sections of the ratified Teen Town constitution were read:

Article I, Sec. 4: "There shall be an adult council composed of six women who will be elected by the members of Teen Town. The officers of the adult council shall be elected by the members of the adult council. The purpose of the adult council is to work with the Teen Town executive council in planning recreational and cultural programs, to make suggestions to the council for the improvement of the organization, and to organize and work with hostess mothers. The adult council shall meet monthly."

Section 5: "There shall be an

advisory board of six men elected by Teen Town. It shall be the duty of the advisory board to prepare the budget, make financial estimates, audit the books, supervise plans for financing Teen Town, and make such suggestions to the adult council as it may deem proper."

So, in order to comply with these two sections of our constitution, nominations were submitted by Teen Town members and the election of the advisory board was held.

Then on Monday night, June 27 the executive council met for our weekly meeting. The Teen Town members meeting with us were Joy Snyder and Billie Margaret Collins. The purpose of the executive council each time is to get new ideas and suggestions and to give each Teen Town member a chance to see how things are carried on at the council meetings.

We planned the program for Tuesday night, June 28 and decided to ask Mr. and Mrs. LeVeque and Mr. and Mrs. Woodley to come to Teen Town as our special guests to help us carry out the program.

We have decided to have the executive council meetings of the officers on Monday night of each week. The meetings will be at 8 at Sandra Wagon's home.

We also discussed plans for making money at our meeting. We didn't make any definite plans, but most of our next meeting will be devoted to a discussion of this.

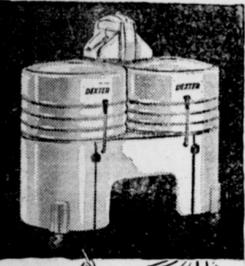

The time for Teen Town meetings has been changed from 8:00-10:00 to 8:30-10:30 in order to give some of the people who live in the country a better chance of getting there. The meetings will still be on Tuesday and Friday nights.

And that's about all for this week.

Teen Town Clerk,  
Mary Jo White.

**THE LONE STAR TRADING**

**POST IN MULESHOE**

Will make you a G. I. Loan to  
build a house. These are 100 per  
cent loans and it will cost you  
around \$200 total to own the  
house, ready to move in. We have  
some nice lots to build on. You do  
not have to pay for the lot. The  
\$200 is all you are out. Come in  
and we will explain it to you.  
UNCLE SAM wants you to have  
one of these houses.

We will make you a 95 per cent  
FHA loan. If you can pay for a  
lot, this is all the cash you will  
have to have to build the house  
that you have been wanting. Build  
it to your own plans, just so it is  
a good house. We have the lots,  
and they are approved for these  
loans. Well located and well  
drained. Lots are all 60 ft. front.  
Bring your own plans or we will  
make them for you.

We have 160 acres of the best  
red land, smooth, with a fine  
home on it. Suitable for wheat or  
row crop. Possession. At a very  
cheap price.

17 1-2 acres, close in, on the pav-  
ement. No improvements. Can be  
bought cheap with about \$1,500  
down.

320 acres, well improved, 2 10 in.  
pumps, good home, good tenant  
house. Smooth and clean. Priced  
to sell.

We have lots anywhere in town.  
Come in and ask us.

**COME IN AND TALK IT OVER**

**Hold Reunion**

A family reunion was held in  
the home of Mr. and Mrs. W. T.  
Millen Sunday, June 26. Some rela-  
tives met for the first time in  
twenty years.

Those attending during the  
noon hour were:

Mrs. C. C. Brannon and grand-  
son, of Inadale, Texas; Mrs. Wal-  
ter Davidson and children of Sny-  
der; Mr. and Mrs. R. H. Roper,  
daughter and brand baby of Sny-  
der; Mr. and Mrs. Charlie Martin  
of Levelland; Mr. and Mrs. Joe  
Bishop and daughter of Lathrop,  
Calif.; Mrs. J. W. Robertson and  
children, Clovis, N. M.; Mr. and  
Mrs. J. H. McDorman and children  
of Farwell.

Mr. and Mrs. Elbert Houston of  
Lamesa; Mr. and Mrs. Lewis  
Scoggin and sons, Mr. and Mrs.  
Floyd Houston, Mr. and Mrs. J. I.  
Kemp, Mr. and Mrs. Donald Kemp  
and son, Mrs. Ruby Faubus, Mr.  
and Mrs. Joe Parker and sons, Mr.  
and Mrs. Walter Kemp and family,  
all of Muleshoe.

The afternoon callers were:  
Mr. and Mrs. R. E. Swinford and  
family of Field, N. M.; Mr. and  
Mrs. Bob Swinford and son of Clo-  
vis, Mr. and Mrs. J. T. Shofner and  
daughter, of Muleshoe, Mr. and  
Mrs. R. Swinford and son of  
Wichita Falls, and Mr. A. W. Fish  
of Plainview, Texas.

All reported a very enjoyable  
day. The total number of visitors  
and home folks for the day was  
seventy.

**1,000 Texans To**

**Meet Death Or**

**Injury July 4th**

AUSTIN, June 29—The Fourth  
of July celebration will bring death  
or injury to a thousand Texans.

Nine hundred will be hurt in  
traffic accidents during the long  
week-end from Saturday through  
Monday. Twenty seven will be kil-  
led in auto accidents. A dozen will  
be drowned. Twenty five will die  
as suicides or murder victims.

Fifteen more will die in plane  
crashes, fires, and other accidents.  
That's a total of 79 violent deaths.

These predictions were announ-  
ced today by Chas. Miller, presi-  
dent of the Texas Safety Associa-  
tion, following a holiday accident-  
prevention conference with officials  
of the Texas Department of  
Public Safety.

"Speed, more than anything else,  
will account for the traffic fatali-  
ties," Miller said. Emphasizing  
that extra caution is needed to  
overcome holiday hazards created  
by heavy traffic, Miller pointed  
out that speed control is the per-  
sonal responsibility of each driver.

"Safe speeds, he declared,  
"have little if any relationship to  
legal speed limits. You are permit-  
ted to drive 60 miles an hour on  
an open highway in the daytime,  
but only if the road is in good con-  
dition, traffic is sparse, weather

**THE MULESHOE JOURNAL, Thursday June 30, 1949**

clear, driver and car in good con-  
dition, and so on. When a hazard  
occurs, the smart driver compen-  
sates for it. The stupid driver does  
not. And that's why we bury so  
many stupid drivers."

Since traffic law violations will  
be involved in virtually all the fal-  
tal accidents occurring during the  
holiday period, Miller said, the  
Texas Highway Patrol and local  
traffic officers are expected to be  
out in full force in an effort to  
hold down on accidents with strict  
enforcement.

**SPENT WEEK END**

Mr. and Mrs. Homer Sanders, Jr.  
were visitors over the week end  
in Amarillo, Silverton, Quitaque,  
Turkey, and Dickens City.

**VISITED LITTLE FRIEND**

Bettie Collins spent several days

Dulin and family, Jack Epps, Mr. T. G. Dulin, Jack Cummings, Sam McKinstry and Miss Charlene

**Soil Conservation District News**

Complete plans of conservation operations have been worked out on farms owned and operated by Jack Obenhaus, M. E. Mooney, R. C. Gaede, J. R. Sechrist, Earnest Kube, W. L. Strickland, C. C. Bamert, and Wedel Brothers. A range plan has been completed on the old VVN ranch, which is now owned by John L. Birdwell of Lubbock, Texas. Topographic surveys have been completed on farms owned by Willie Ellis and M. F. Mooney. The Board of Supervisors of the District met Monday night, June 20, at the office of the Soil Conservation Service for their regular business meeting. Mr. Frank G. Martin, Jr. entered on duty as the new agricultural engineer for the Work Unit on Monday morning, June 27.

**BUSINESS FAILURES**  
AUSTIN, June 28—Business failures in Texas are almost three times greater in 1949 than they were in 1948, Dun and Bradstreet reports to the University of Texas Bureau of Business Research showed. Fatalities in Texas for the first five months of 1949 numbered 71 in comparison with 27 for the comparable period in 1948. A total of 14 Texas businesses failed in May, 17 in April, and 5 in May a year ago. Liabilities per failure averaged \$20,000 in May, as compared to \$21,000 in April, and \$51,000 in May 1948.

**VISITORS FROM EDEN**  
Mrs. C. L. Hayes and children of Eden were visitors over the week end in the home of her sister, Mrs. L. F. McCormick and family. They spent Sunday in Tucumcari, N. M.

**IN PLAINVIEW WEDNESDAY**  
Mr. and Mrs. E. E. Dyer were in Plainview, to attend funeral services for his brother-in-law, R. B. C. Howell, who died at his home in El Paso, Sunday. Services will be Wednesday morning in the First Baptist Church and interment will be in the Plainview cemetery.

**HARLINGEN FOLKS HERE**  
Mrs. Evelyn Davis and daughter, of Harlingen have been visiting for the past two weeks in the home of her parents, Mr. and Mrs. W. R. Underdown.

**HAD VISITORS**  
Mrs. J. D. Witherspoon had as visitors over the weekend her sister, Mrs. Mattie Clements of Canada, Texas and niece Mrs. Jeff Davis and two sons of Sundown, Texas.

Prather all attended a picnic in the sandhills on Fathers Day. Mr. and Mrs. Floyd Andreas and boys visited in Roswell, N. M., last weekend with Mr. and Mrs. George Dildake and daughter, Georgia and baby son Ted Arthur.

**NEW LIBRARY BOOKS**  
New books for the Muleshoe Library include a new volume by John Gunther, "Behind The Curtain." Another book is by George Orwell, "Nineteen Eighty-Four."

## Holt Co-Authors Bill To Return Ad Valorem Taxes To The Counties

**From West Texas Today**  
On the agenda for years the efforts of WTCC to do away with the 30 cent ad valorem tax for state purposes and divert it to counties have resulted in the passage of the Williams-Holt (HB107) by the Texas legislature and it is a law.

The bill as enacted with Senate

amendments provides the state may collect the 30 cent property tax through 1949 and 1950 to provide funds for tax remission counties.

Thereafter, the counties may levy the tax for money to be used for flood control, soil conservation and rural roads.

The bill provides:

# LEVELLAND RODEO

TIM HOLT IN PERSON

- Trained Brahma
- Roman Horse Act
- Exciting Rodeo Contests
- \$3950 Prize Money

Entrance Fees Added

Southwestern Rodeo fans ALL see the Annual Levelland Rodeo! Rodeo parade begins at noon, July 4th . . . dancing on July 2nd and 4th to the music of the Sunshine Trio in the new Association Clubhouse. Write or see D. N. Bills Butane, Inc., Levelland, Texas, for tickets.

Saturday, July 2, 8 p. m. Monday, July 4, 2 p. m.  
Sunday, July 3, 2 p. m. Monday, July 4, 8 p. m.  
\$1.50 General Admission (tax included) plus  
\$1.00 Reserved Seat Tickets (tax included)

### NEW RODEO GROUNDS!

ONE MILE SOUTHWEST OF LEVELLAND

**JULY 2, 3, 4** ADMISSION: \$1.50

### BACK INTEREST

Dame Fashion decreed "back interest" for summer cottons, and all the girls were quick to obey. A busy career girl chooses Adele Simpson's two-piece suit with a flared back for her round-the-clock dress. It is made of a new sharkskin cotton fabric designed by Hope Skillman, according to the National Cotton Council.

1. That after Jan. 1, 1951, no state ad valorem tax shall be levied for general revenue purposes.
2. That from and after that date counties are authorized to levy and collect the taxes within their respective boundaries.
3. Taxes so collected shall be

### GREEN Hospital & Clinic

Muleshoe, Texas

L. T. GREEN, Jr., M. D.  
M. F. GREEN, M. D.

Mrs. Lula Gorrell, R. N.  
Alice Hicks, R. N.  
Winona Blair, R. N.  
Geraldine Green, R. N.  
(Offices At Hospital)

credited to the commissioners court as separate funds to be used for flood control and farm to market roads within the respective counties.

4. The funds shall be under the jurisdiction of the commissioners court, for road work, but can be used in cooperation with other state agencies.

5. The funds transferred for flood control also must be used by the county for those purposes only, but can be used in cooperation with other state and federal agencies.

6. Both funds must be expended on an equitable basis.

7. Before any county can levy and collect the tax, it must be approved by a vote of qualified tax payers.

Final passage of this bill into law brings to close a long program of WTCC, which included promotion of the Constitutional Amendment no. 7, for abolishment of the State ad valorem tax.

This was a part of the duty of the WTCC Soil Conservation Commission of which Charles C. Thompson of Colorado City, was chairman. Other members of the commission were Sterling Williams, Snyder; W. R. Cusenberry, Sonora; J. G. Nisbet, Dumas; and Walter R. Humphrey, Fort Worth.

Numerous meetings of the group were held last year, and the writing of a proposed bill was authorized. This bill then was presented to the various district meetings throughout West Texas last September and October, and was reported on again at the general meeting in Abilene Nov. 7, where final authority was given for urging its passage in the Texas legislature. The bill then was taken over by Representatives Sterling Williams of Snyder, and I. B. Holt of Olton. It was found that certain provisions of the original bill were constitutional, so the bill was revised to meet constitutional requirements.

"The bill as passed by the legislature remains essentially all the protective features we sought," said General Manager D. A. Bandeen of WTCC. It is now a law and will provide for each county in Texas its first new revenue in many years.

Based on 30 cents on the \$100 valuation this bill will provide nearly \$5 million in new revenues to West Texas counties each year.

### CITATION BY PUBLICATION

THE STATE OF TEXAS

TO Blonnie Lee Owen Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Bailey County at the Court House thereof, in Muleshoe, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 25th day of July A. D. 1949, then and there to answer Plaintiff's Petition filed in said Court, on the 28th day of April A. D. 1949, in this cause, numbered 1596 on the docket of said court and styled Arie Owen Plaintiff, vs. Blonnie Lee Owen Defendant.

The Lesson I learned from Susie

The other night we had cabbage for supper. My wife is a swell cook, and she'd done an especially good job on the cabbage. I took a heapin' big plateful for myself and passed it over to Susie. Susie is our little four-year-old.

"Have some cabbage, honey?" I asked her.

"Nah-h-h-h!" she said, "I don't like cabbage."

"Why, Susie," her mother spoke up, "have you ever eaten cabbage?"

"Nah-h-h-h, I never did eat any of it—I just don't like cabbage!"

Well, that set me to thinking. Every time I go down to my Co-op, the boys there ask me to use Co-op Motor Oil. For years now, I've been using another brand of oil and I always thought it was the best, so I always told them: "No, I don't like Co-op oil." You know, when Susie pulled that stunt about the cabbage, it hit me like a ton of bricks—how did I know whether I liked Co-op oil or not, I'd never tried any.

I was startin' some plowing the very next day, so I order out my first barrel of Co-op Solvent Refined Oil, and I can truthfully say that I have never used a better motor oil. And I know why, too. It's made in a farmer owned refinery for use on farms, to specifications that will meet the heaviest farming uses. From now on, you'll find nothing in the crankcase of my tractor, pick-up and car but CO-OP SOLVENT REFINED MOTOR OIL!

By the way, Susie likes cabbage now. She tried it.

**MULESHOE NINE WINS ELEVEN INNING DUEL SUNDAY 9 TO 7**

**Olton Nine To Play Here Sunday**

Sunday afternoon the local Capitol League baseball nine will meet the Olton team on the home field with play scheduled to begin at 2:30.

Muleshoe won over the Olton nine by a wide margin in their first encounter, but they may be cocked and primed to get revenge on the local boys as the Needmore team was last Sunday.

Needmore was just sitting and waiting for the Muleshoe lads with both barrels loaded when they met last Sunday afternoon on the Needmore diamond.

Needmore went out in front in the second inning by two runs while blanking the local boys in the first three frames, but in the top of the fourth inning the Muleshoe boys pushed a couple of runs across the plate to tie the score up, but the Needmore lads came back in the bottom of the fourth and scored three more runs, to take a three run lead. The Muleshoe nine came back in the fifth and sixth inning and scored three runs while blanking the Needmore lads to even the score up again, but the Needmore club pushed another run across in the seventh to take the lead again. Muleshoe managed to tie up the ball game again in the ninth by scoring one run and blanking the Needmore lads. Neither team managed to score during the tenth inning, but in the top of the eleventh inning the local lads brought in three runs to go out in front for the first time and held the Needmore lads to only one run in the bottom of the eleventh to win the ball game 9 to 7.

Batteries for the Muleshoe were White and Lamar. For Needmore, the batteries were Shafer and Woodfin.

White gave up 10 hits, collected 5 strikeouts and gave up 8 walks. Shafer allowed 14 hits, registered 6 strikeouts and walked 1 man.

The manager of the Muleshoe club announced that the local club has signed a new catcher who is the hottest in the league and that he will improve the local ball club considerably.

The new player signed is Woodfin. The Journal was unable to find out the player's first name, but he lives near Needmore and has been playing baseball in the "big leagues".

**RETURN HOME**  
Mrs. Virginia Jordan and daughter, Shirley, who have been visiting in the home of her parents, Mr. and Mrs. E. T. Bates have returned to Sacramento, Calif. Mrs. Jordan bought a new Chevrolet and is driving through.

THE MULESHOE JOURNAL, Thursday June 30, 1949

**240 Participate In Recreation Program; Tigers, Paposes Lead Softball Leagues**

**Slants From The Sidelines...**

By W. E. Hill

Coach Green has found a home in Muleshoe and has already moved his family in... Welcome to Muleshoe and we hope you will never regret having come to live with us.

The local American Legion baseball team has shown remarkable progress since they first started practicing a few weeks ago. However they still have a lot to learn. Some of the boys are showing lots of baseball savvy and with a little more experience and a little more coaching, they can be developed into a fairly good team.

Our only criticism of the team is players trying to block the bases when there is no chance of making a play to put out a base-runner. We noticed that the local boys are bad about that one particular habit which is a very bad one to get into and is likely to result sooner or later in some of the players being seriously injured.

Of course we realize that this is the first time that many of the boys have ever played any baseball and there are so many things for them to learn that it is impossible for them to do everything right... If they could they could compete with any team in the country.

We just don't know how to go about it, but we do wish to thank the manager and players of the Needmore baseball team for the BIG favor they have just done for the local baseball team.

The Needmore team is in the cellar of the Capitol League and last week they were very fortunate to secure the services of a "big league" baseball player who is not playing ball this season and is farming in their community. However, they did not sign him up, but after the game last Sunday they offered to let the local team sign him on their squad.

The Needmore boys have really done us a big favor and we don't know how to go about thanking them for the fine thing that they have done for the local team.

We hope that the new player will enjoy playing for Muleshoe as much as we appreciate having him to play for us.

If you want to see this fellow in action, just be on hand at the local field Sunday afternoon when the local boys meet the Olton nine.

We are agin in the dark as we do not have the slightest idea on how the local team as well as any of the other teams in the Capitol League stand.

It seems to us that the Littlefield newspapers are the only newspapers that can get this information and Littlefield does not even have a team in the league.

The reason for this is the fact that the league's statistician lives in Littlefield, and therefore he can just hand the dope over to the papers or they can easily get it from him, but he has never written this paper or any other newspaper that has a team entered in the league a single word.

The Lion's Recreation Program has completed its second week of activities. Softball leagues have been formed and we are going swimming in Clovis each Tuesday and Friday morning. Over 120 kids were taken over for swimming last Friday in transportation furnished by the Rebekah lodge. Swimming classes have been formed for those who are unable to swim. These classes are being instructed by Don Jackson who has the Red Cross Instructor's Certificate.

The Recreation Program has continued to grow and at the present time approximately 240 kids are participating.

The Major League teams have been named and captains picked for each. The captains and names of their teams are as follows:

Bob Nickels, Cardinals; Earl Jennings, Tigers; Jack Jones, Indians; and Jimmy Holt, Pirates. Each team has a farm team in the Minor League and they are known as Little Cards, Kittens, Paposes and Little Buccaneers.

The Tigers are leading their league after the first week of play. Their players are: Earl Jennings, Stanley Fox, Jimmy Allison, Clark Colson, Marvin Waggoner, Phillip Jennings, Charles Jennings, Buddy Pool, Gene McKnight, Curtis Thomas, Hulan Freeman, Wayne Bristow, Don Moore, Dwayne Farr, and Dwayne Epting.

The Kittens and Paposes are tied for first place in the Minor League. The Kittens roster is: Glenn Border, Donald McDaniel, Charles Green, Scotty Donaldson, Dean Watkins, Jimmy Butler, and Johnny Border. The Paposes are: Jerry Roddam, Leon Anderson, Hershel Freeman, James McKnight, Jim Lax, and Johnny Tubbs.

Dwayne Burkhead is leading the league in batting with an average of .786. He also leads in doubles with six and total bases with 19. Charles Waggoner .768 and Roald Johnson .727 are second and third in batting. Clark Colson is leading in home runs with two and Carrol Pool is leading in hits

He may not be receiving any money for the job, but we believe that he should inform all the newspapers every week of each team's standing in the league and also give the scores of the games played that week.

Of course we realize that this would take up considerable time and a little money, but we believe that the league would profit in the future if they would hire someone to do this small job once a week so that the newspapers can keep up with the goings-on in the league and inform their readers of the same.

**All Star Team Loses To Sudan**

By Earl Jennings

The Muleshoe Recreation Program All-Stars traveled to Sudan Tuesday night to play a baseball game for the purpose of raising money for Sudan's "Teen Town."

The Muleshoe team was sorely over matched but did a good job of holding the score down. The final score was 21 to 15 in favor of Sudan.

Harrington started pitching for Muleshoe. Colson relieved him in the fourth. Sherit started pitching for Sudan and was relieved by Robinson.

with 14. Earl Jennings is leading in runs with 10 and Charles Waggoner, Dwayne Burkhead, Bobby Sterling, Kenneth Lovelady and Leon Harvey are tied with one triple each.

**SOFTBALL STANDINGS**

Paposes	1	0	1.000
Kittens	1	0	1.000
Buccaneers	1	2	.333
Cards	0	1	.000

**Legion Team Wins One, Loses One**

The local American Legion nine again plays hosts to the strong Loveland team on the local baseball field this afternoon for the second time this week.

On last Monday afternoon the local team took an early lead of 2 runs which they held on to until the fifth inning, when the Lovelanders caught up and then went out in front by several runs to win the ball game by a score of 9 to 7.

The local boys won their first game this year last Monday afternoon at the local field when they edged the Morton nine by a score of 9 to 7.

Next Monday afternoon the local team will travel to Morton where they will meet the Morton nine in their final conference game.

Loveland is leading in this group and will represent the section at the district playoff which is to be held in Brownfield at a date yet to be announced.

**MODERN STREET LIGHTS GOING UP IN TEXICO**

Modern street lights are being installed in Texico this week by Southwestern Public Service Co.

In addition to the present installation of six whiteway lights, five more lights of the same type and nine traffic lights will be added. Nine lights will be mounted on standards along Wheeler Avenue between Wheeler Avenue and the school, and the others will be installed throughout the residential section in the north part of town.
