MULESHOE — County Seat of Bailey County — TEXAS

Thursday, May 19, 1949

Mr. Muleshoe ...

By J. M. Forbes

My moronic mind is always suspecting my fellow man of having ulterior motives, wrong feelings toward me. I am always shamed when some trivial, casual act on his part perhaps reveals to me that such feelings on my part are groundless and even unsuspected by him.

There will be no more joking in this column about our advice to farmers on when to plant. Conditions this spring have been such as to leave a planter in no mood to joke; and is serious enough that this writer can think of no joke that he would feel like telling, even if it were good. The situation right now is not beyond remedy—not desperate—but is sufficiently fraught with serious implications that no levity is appropriate.

This tornado season has brought to memory of some of our more boring friends the folk tales and actual happenings of other storms, other floods in days of yore, like: The horse that swam out of his pasture, down the San Saba for four miles, finally drowning by getting his hips hung between two large limbs of a tree, which he mistook for two trees; the steel skillet turned wrong side out; straws driven into trees; a small block of wood driven through the hood and into the block of an automobile; a body by four driven through a man's body as he sat in a truck, necessitating that each end should be sawed off to remove him; the seed dealer who hung a 100 pound sack of seed in front of his place only to have the tornado whisk the sack away, leaving the seed hanging to the nail, and so far, far into the night.

How helpless one must feel when he comes in contact with such unimagined power and violence as that displayed by a Texas tornado. I was amazed to learn that only in a rather central section of the U. S. is the tornado found in the whole world; that the "season" moves north, beginning with Texas in April and winding up in the northern states in late June and August. We are learning a lot about the tornado, but only a little about how to avoid getting caught in one and nothing about how to protect our property from its destructive maneuverings.

Boys Invited To Try Out For The Jr. Legion Team

Boys who would like to try out for the American Legion Junior baseball team in Muleshoe are urged to get their birth certificates, in duplicate, and other requisites for certification, according to Clyde Bray, manager of the local team.

The boys are working out daily in preparation for the opening of the season some time in June. Others are invited to turn out for the practice sessions, Mr. Bray said, and it is not necessary that the boys be sons of veterans. Any boy is eligible if he was not born prior to January 1, 1932, in other words had not reached his 17th birthday prior to Jan. 1, 1949.

Boys may secure duplicate copies of their birth certificates by writing the Bureau of Vital Statistics, State Board of Health, 406 East 5th, Austin, Texas. Other information needed so that a boy may play on a Legion team includes full name, place of birth, full name of father and maiden name of mother, player's fingerprint, signature of school principal or superintendent, and a recent photo.

VISIT IN CLOVIS

Mr. and Mrs. J. H. Brown of Lubbock spent Friday night with her parents, Mr. and Mrs. A. S. Howard of Clovis.

COMMENCEMENT EXERCISES ARE TONIGHT, FRIDAY NIGHT

73 To Graduate From Grade School

Rev. T. G. Craft, pastor of the First Methodist Church of Muleshoe will deliver the commencement address at exercises for this year's graduates of the Muleshoe grade school, to be in the high school gymnasium tonight May 19, at 8 o'clock.

Jerry Kirk, principal, listed 73 boys and girls who will complete the grade school course and will be eligible to enter the high school next term. Mr. Kirk announced the following program:

Professional, Rufus Aylesworth. Invocation, Minister Ebb Randol. Salutatory, Roald Johnson. Valedictory, Billy Wayne Wag-

ner. Paraded Day, Class Will, Marieta Blaylock. Piano Solo, Eugene Buhman. Introduction of Speaker, Supt. W. C. Cunningham.

Address, Rev. T. G. Craft. Presentation of Diplomas, Jerry R. Kirk. Benediction, Supt. W. C. Cunningham.

Graduates are as follows: Joa Dawn Berry, Bruce Simmacher, Anita Broyles, Marvin Davenport, Carl Ruth Redwine, Billy Wayne Waggoner, Joyce Spivey, Howard Watson, Betty Mooneyham, Darrell Myers, Sammie Carroll, Carl White, Barbara Gabbert, Sig Kimbrough, Marieta Blaylock, Charles Mayhugh, Ginger Willis, Billie Bob Whatley, Estelle Ramm, Johnny Ladd, Norma Graves, Willard Dement, Carol Kemp, Billy Bowen, Inetha Brandon, Carl Provencher, Nelda Le Bleu, Eugene Buhman, Betty Chisholm, Robert Giles, Bessie Griffing, Keith Bray, Marie Krawltion, Bob Daniel, Frances Totten, Archie Scarbrough, Evelyn Sowder, Elmer Lewis, Armina Aylesworth, Kildie Quisenberry, Tommie Lee Bovell, William H. Otte, Christine Dreadin, Charles Bratcher, Jeanell Twilligear, Jodie Blaylock, Bobbie Collins, Rex Robinson, Nell Jacobs, Maxine Black, Anita Dawkins, Melvin White, Pauline Kelton, Jimmie D. Burkhead, Martha Tipton, Joannah Schuster, Mary Ellen Wingo, Gerald Elder, Jon Ann Thomson, Joseph M. Young, Jr., Myra Hogan, Maudie Coffman, Peggy Wilson, Carolyn Kirk, Helen Dawson, Roald D. Johnson, Jeanne Clem, WanRa Ogletree, Allene Heard, Selita Mooney, Jo Addine Waggoner, Francis Sneed, Bobby Nickels, Connie Lloyd.

As a rule in holding dress revues there is a period of waiting for contestants and guests. This was not true this year. With Mrs. Dave Aylesworth as master of ceremonies the group was kept entertained by group singing, special solos, duets, vocal numbers, readings and games. Everyone entered into the program. Tea was served by Mrs. Ray Mayberry, Mrs. Ada Murrain and Mrs. Roy Carney. The 4-H pins earned in the 1948 dress revue were presented to Katherine Black and Ruby Jane Carney by their mothers.

Toward the end of the afternoon the girls modeled their dresses and the judges completed the judging. Ribbons were presented to winning girls in the following classes: 1. Sun dress; 2. School dress; 3. Sunday dress.

Out of the fourteen-year-old and older group of girls a winner was selected to represent Bailey county in the State Dress Revue at College Station. Doris Jean Copley of Muleshoe was the winning girl with Barbara Bowers of Muleshoe as alternate.

\$190 Now In Pot For Appreciation Day

Mrs. J. A. Woods, of Muleshoe, was the winner of the Appreciation Day award on the first day of the new program, held here last Saturday. Mrs. Woods' ticket called for \$10.

In the pot for the next Appreciation Day, the coming Saturday will be \$190.

SAW STORM AREA
C. C. Stephens and R. E. Luttrell made a trip to Amarillo Monday to view the storm devastated area. Mr. Stephens has a daughter living in another section of the city.

Annual All Day "Kids Day" Is To Be Observed Here Tuesday

Doris Jean Copley To State Revue

Preparations for their annual "All Kids Day" program have been completed by Muleshoe Lions Club members, Morris Douglass, president announced.

The big day will be Tuesday, May 24, the day the Muleshoe school pupils will return to receive their post cards. The school term ends May 20.

The following program has been arranged:
9:30—All kids in the auditorium.
10:00—Free picture show.
12:00—Barbecue at lunch room.
1:30—Entertainment in auditorium.
2:30—Games (tennis, basketball, volley ball, etc.)
4:00—Contests, all kids eligible.

All kids of this territory, no matter what school they attend are invited to come to Muleshoe that day and take part in these festivities planned for them.

Committees named are: J. M. Forbes, Sam Fox, advertising and publicity; Picture show, Pat Bobo; barbecue, Vance Waggoner; bread, Rufus Aylesworth; beans, Homer Sanders Jr.; Pickles, Charles Aisup; cups, plates, spoons, forks etc., Lowell I. St. Clair, serving, W. C. Cunningham, Dave Aylesworth; games, Ed White, A. S. Stovall, Noel Woodley; Contests, T. G. Craft, Lee R. Pool, L. S. Barron.

The Lions Club listed with appreciation the contributors to the Kids Day Fund, printed below. At the same time they said others who desire to contribute may contact Ray Keeling or Jim Cox of the finance committee.

An itemized list of collections and expenditures will be published in The Journal next week.

Muleshoe Elevator Co., Fry & Cox Bros., King Bros. Grain & Seed, Muleshoe Automobile Co., E. R. Hart Company, Wiedebush & Childers, Southwestern Public Service Co., Muleshoe State Bank, Bailey County Electric Co-operative, Pool Insurance Agency, Damron Drug, Western Drug, Johnson & Pool, St. Clair Department Store, Muleshoe Food Market, C. & H. Chevrolet Co., Bovell Motor Supply, Covin Motor Co., Piggly Wiggly, Gilbreath Feed & Seed, Jones Farm Store, Muleshoe Motor Co., Goss Auto Co., McGee Real Estate, Lambert Cleaners, Ray Griffiths Elevator, Gulf Distributing Co., Evans Oil Co., Davis & Lender.

(Continued To Page 10)

Bailey County Has Received 12.22 Inches Moisture This Year

Mail Tampering Is Discovered Here

After scanning the skies anxiously and fearfully for tornadoes for the last several days, Muleshoe people breathed a sigh of relief today that it would continue for at least 36 hours. Tornadoes have hit in many Plains communities, bringing death and property destruction; so far this immediate territory has escaped heavy damage. Planting is underway with a will in this territory, wherever the ground is dry.

Rainfall to date for the year in Muleshoe totals 12.22, more than the total for 1948; in May Muleshoe has received 7.20 inches. Considerable hail damage has been done in the region.

Dee Warner, northwest of Muleshoe, had another hail on his place Sunday night, adding to the damage done by a hail last week. Cotton was up on the place, and it was not yet determined whether it would have to be replanted, but many stalks were mowed down by the ice pellets.

A. R. Bolton, 12 miles northwest of Muleshoe, in The Journal office Monday, said he has received 8 inches of rain since May 2. Considerable damage from water erosion may be noted in fields in his neighborhood, he said, adding that fields that previously had been irrigated seemed to suffer more than those not irrigated. Considerable hail fell at his place Sunday night, but only a trace of rain was received.

Gil Wollard, carrier on Route 1, out of Muleshoe, told The Journal Saturday that fields and roads in many places are "worse than they were in 1941." Route carriers have had an especially bad time with washed out roads, muddy roads and in places roads that were entirely under water.

Johnny Graham, route 1, Sudan, says that while his neighborhood has had lots of rain, he hesitates to say "too much rain." For, he has lived all his life in West Texas and says he has seen it too dry more often than too wet. He still believes that, while planting will be delayed, the country has a good chance to make crops this year. At least, he figures, the ground is wet and if planting weather comes the plants will come up and get off to a fast start.

Wheat Benefitted
E. A. Fowler, of Goodland community, reports that since the rain started his wheat suckered out and may produce much more than he expected two months ago, because it was very thin on the ground. He said that now he has counted as many as 60 stalks from a single hill. Mr. Fowler had planted the rest of his 160 acre farm in hegar, which was up to a good stand before the rain started, seeding having been completed April 23.

E. E. Engleking reports some hail damage occurred at his farm, 8 miles north and 1 west of Muleshoe last Thursday night in a hail storm. Sixty shovels fell at the place Sunday night.

Storm Near Enochs
It must have been a twister that struck at the Ray Snodgrass place 4 miles west of Enochs at 3:30 a. m. Monday. Mr. Snodgrass and his family had just reached a storm cellar when the wind whirled a henhouse over the cellar. It struck the family car which stood alongside the house and smashed it pretty badly. The hen house careened on and wound up far out in a field. Had it struck the house instead of the car it would have

Roy Bass To Give Address

Mail Tampering Is Discovered Here

On Saturday evening, May 7, someone opened some of the boxes at the local postoffice and removed mail from them, Postmaster A. J. Gardner revealed in announcing that a postal inspector has been here to make preliminary investigations. Some opened letters were found in the men's room at the city hall, across the street from the postoffice. By tracing one envelope to the addressee it was found that a \$5 bill had been removed from the envelope and that the letter itself had been destroyed.

Postmaster Gardner pointed out that it is a federal offense to trifle with the U. S. Mail and warned that even though a minor should commit such an offense, they have been tried in state courts and sent at a very early age to reform school.

He also warned box holders at the local postoffice to be certain their box is properly locked after removing their mail, by turning the combination knob.

Social Security Man Here 26th

Elliot W. Adams, Social Security Administration Representative, will be in Muleshoe at the Post Office at 9:00 a. m. on May 26, 1949 for the purpose of answering any questions you may have on social security; discussing possible benefits and taking applications for social security account number cards.

EMPLOYERS—The payroll tax report, which you make every calendar quarter, must include the name, social security account number, and the amount of wages paid to each employee. Every business firm that has ONE or more employees is covered by the Federal Social Security Act.

Try A Journal Want Ad.

Roy Bass To Give Address

Roy Bass, attorney, of Lubbock, widely known as a public speaker in this section, will deliver the commencement address for the class of 1949, forty-five members of which will receive their diplomas from the Muleshoe high school in exercises to be held at the high school auditorium Friday evening, May 20, at 8:30.

Valedictorian of this year's class is Estelle Dawson; salutatory is Joyce Gwyn.

The following program has been arranged:
Professional, Rufus Aylesworth. Invocation, Rev. Ebb Randol. Class Song, senior class. Salutatory, Joyce Gwyn. Special Music, octette. Valedictory, Estelle Dawson. Introduction of Speaker, Supt. W. C. Cunningham.

Address, Roy Bass. Presentation of Diplomas, Supt. Cunningham.

Presentation of Awards, H. A. Owens, principal.

School Song, senior class. Benediction, Rev. T. G. Craft. Recessional, Rufus Aylesworth.

Below are the names of the graduates for 1949:
Robert Berry, Doris Mae Bickel, Billie Jo Bartlett, J. C. Buchanan, Jack Carl Bundy, Charlene Prather, Billy Dick Caldwell, Ruby Merle Cooper, Harvey Leavell Coffman, Estelle Dawson, Dolores June Determan, Don M. Fudge, Bobby E. Fudge, Barbara Mae Fields, Bette Jo Guthrie, Joyce Evelyn Gwynn, Wanda Joy Gilliland, N. Dorene Hennington, Joe Bob Horsey, Al Edwin Jennings, Bill Earl Jeter, Woody Jackson, Charles Lewis, Ogle Lorraine, Jr., James Robert Lewallen, Wanda Gay Long, Dorothy Jean Murrain, Frieda Belle Mooneyham, Christine Moore, Ira Weldon McCarty, Marion Charline McCarty, Joyce Janelle Nickels, Wendell A. Oberhaus, Charles E. Oberhaus, Eddy Mack Ragsdale, Deslie Reed, Bobby Jo Roberts, Dorothy Eudene Spradley, Elsie Lucille Smith, Alton G. Taylor, Dorman T. Totten, Johnnie Louise White, Bobby Wallace, Dorothy Jean Waggoner, Verona Warner.

Teen Town Will Organize June 6

A meeting for the organization of Teen Town in Muleshoe has been set for the evening of June 6, in the American Legion hall. Parents and children of this whole territory are invited to attend this meeting.

A local group of adults have interested themselves in forming the Teen Town here after having observed its operation in Freeport, Okla. They said they wish to become a unit in the coming meeting, and they wish to learn more about how Teen Town works. They are invited to do so at the meeting.

Cement And Work Donations Are Welcomed By Muleshoe Masons

Members of Muleshoe Masonic Lodge are being gently prodded to give about 200 sacks of cement in order that the body may finish the ground floor of their building and lay sidewalks in front and along the side of the new lodge hall.

Johnny Johnson and Bill Collins, a committee of two to hustle cement, said they had made arrangements for Lenau Lumber Company at Cent at \$1.15 per sack, delivered to the building site. Any member who would like to do so may call the lumber yard and they will do the rest.

Members of the lodge have been donating work during the last few days and as a result it appears the Masons may be able to meet in their new home on the next regular meeting day, the second Tuesday of next month.

During the last few days members have laid the hardwood floor in the lodge rooms on the second floor and this work is rapidly being completed. Hardwood floors in the preparation room, and in the second floor, and the entrance, have been applied between covering to the hardwood. Stations have been eliminated and elevated platform built and lights have been installed, and plumbing is about completed. It was pointed out that if any member has any spare time after noon or night after his regular hour of duty and work with the lodge in finishing this lodge building which will be a credit to Muleshoe Masons, but in the town and country, few lodges will have a better meeting place.

PART OF MULESHOE FLOODED—A sudden downpour which dumped 3.66 inches of rain on Muleshoe late Thursday and Friday morning sent waters rising in low sections, and in some instances marooned houses and poured into others. The two photos above show scenes after the water had started receding. In the top photo, group of boys peddle near a home where the water is up almost to a window. Water was reported to have stood more than a foot deep in a few homes. In the bottom picture water swirls around a truck crossing a small lake at an intersection. The flooded area was about 3/4 blocks long by two blocks wide. Photos By Donny Payne of The Muleshoe Journal.

THE 1949 SPRING SAVINGS BONDS DRIVE

Name Of The Campaign
The Savings Bonds "Opportunity Drive."
Dates For The Campaign
May 16 through June 30.
The Quota
\$1,040,000,000 in Series 'E' Bonds.
Objective
To ask every American to buy where he works and to further promote participation in the two automatic savings plans, Payroll Savings and Bond-A-Month, in order to meet national, state, county, and community quotas.

Slogan
Put More Opportunity In YOUR Future.
Symbol
A symbol steeped in American tradition and great in dramatizing the history of a peoples' determined search for SECURITY and OPPORTUNITY, THE COVERED WAGON OF THE 1849 GOLD RUSH.

Reasons For The Campaign

First reason, of course, is our national debt. The widest possible distribution of this is the responsibility of all of us. Through continued investment in these Bonds by individuals we distribute the debt as widely as possible rather than concentrate it in banks, thus securing a better balanced ownership and a less volatile debt. Further, as the debt shifts from banks to persons billions of dollars of interest go into American homes.

Again, every individual holder of Savings Bonds becomes a better citizen interested in better government because, like corporation stockholders, he has a financial, as well as an active, stake in Uncle Sam.

To sensibly increase the amount of Savings Bonds outstanding and to point out to all Americans that their backlog of savings represents an important factor in their own and the nation's economic stability.

Forty-seven billions in Savings Bonds are now in the hands of the people. This is an all-time high, and represents almost one-fourth of the liquid assets of Americans. By keeping our economy stable through creating financially sound families and communities with reserves of purchasing power, we help prove that our American system is best.

What The Likert Survey Of The Security Loan Campaign Told Us

The Opportunity For More Sales
Among all people, only one out of every six bought bonds, but among people who have heard about Bonds recently, one out of every five bought.

Among people who knew of the Security Loan Drive, more than one out of every four bought. Among people who received mail about Bonds, one out of every four bought.

Texas Business Activity Moved Downward In March; Index At 218

AUSTIN, May 10.—Texas business activity continued to move downward in March, to bring the Bureau's index of business activity to 218 (1935-39-100), the lowest since June 1948, the University of Texas Bureau of Business Research reported.

The 2-per-cent drop from February is positive confirmation of the fact that the decline that has been going on all over the country has been felt in Texas, Dr. John R. Stockton, bureau statistician said. Although business economists are not in agreement as to the prospects for deflation or more inflation, the majority of business concerns and governmental agencies are proceeding on the assumption that deflation is under way.

The successive steps that tend to encourage credit expansion indicate that the Board of Governors of the Federal Reserve System considers that the inflationary movement has stopped its upward course. The fact that supplies of most commodities seem to have caught up with demand, at present prices, seems to indicate without question that inflation has run its course, Dr. Stockton stated.

Four of the six components of the Bureau's index of business activities fell under their month-earlier levels, and three of the components dropped from March 1948. Crude runs to stills lagged 6 per cent from February and 5 per cent from March 1948.

Electric power consumption for March slipped 7 per cent from February, to register the largest decline from the previous month. In comparison with March 1948, electric power consumption was up 12 per cent.

Department and apparel store sales dipped 2 per cent from Feb-

ruary and fell 9 per cent from March 1948. Although March payrolls were slightly below February, they were 12 per cent above a year earlier.

Miscellaneous freight carloadings showed a 2-per-cent increase over February, but fell 16 per cent during the 12-month period. Employment edged upward fractionally from February and rose 5 per cent over March a year ago.

After adjustment for seasonal variation, Texas retail sales gained 3 per cent from February to March, for the second consecutive month. These increases have been entirely in the sales of durable goods stores; sales of nondurable goods stores have declined every month of 1949, in comparison with the preceding month, Dr. Stockton said. The relaxations of credit controls have been aimed at stimulating sales of durable goods, apparently with considerable success in Texas.

Industrial electric power consumption, after adjustment for seasonal variation, declined 4 per cent in March, following a slight decrease in February. Man-hours worked in Texas manufacturing industries slipped 1 per cent in March, after a drop of 4 per cent in February.

Building permits in Texas cities decreased 3 percent during March, to bring the Bureau's seasonally adjusted index 16 per cent below the level of March, 1948. The total for the first three months of 1949 was 31 per cent below the first quarter of 1948, as a result of a decline that has been under way since the middle of 1948. However, the total value of building permits is still more than four times the 1935-39 level. Even after making allowance for the great increase in building costs, this represents a building boom of rather large proportions.

Farm cash income in March re-

WHEAT SUFFERS BIG HAIL DAMAGE IN DEAF SMITH

While few reports have reached Muleshoe telling of hail damage, the Hereford Sunday Brand estimated a \$3 million wheat loss from hail that Friday covered a streak across Deaf Smith County. The paper said it was believed a million and a half bushels were destroyed in the northwest part of the county.

The hail was said to have fallen about 12 noon and picked through a spot about 30 miles long stretching from the Westway community to the New Mexico line. It was believed the strip was about 8 to 10 miles wide. Some losses were placed at 100 per cent.

HOME IMPROVEMENT TOUR

The Lubbock County home improvement will be held May 16. A schedule of the homes to be visited may be obtained at the home demonstration agent's office or from home demonstration. All who are interested in making this tour are urged to do so. The Bailey County group will meet in the east side of the court house at 8:00 a. m. May 16. Every one is taking their own sack lunch.

Among people who were asked personally to buy Bonds, one out of every two bought.

Attitude Toward Bond-Buying
Eight out of every ten people should buy Bonds and gave personal-financial reasons for doing so.

Almost no one stated that Bonds are a poor investment because of rising prices.

Patriotic reasons for buying were no longer of major importance, and most people who express patriotic motives did so in very general terms. Tension with Russia and the European Recovery Program were seldom mentioned as reasons for buying Bonds.

Confidence In Bonds Are Widespread

Four out of every five people know the duration and rate of return of Savings Bonds.

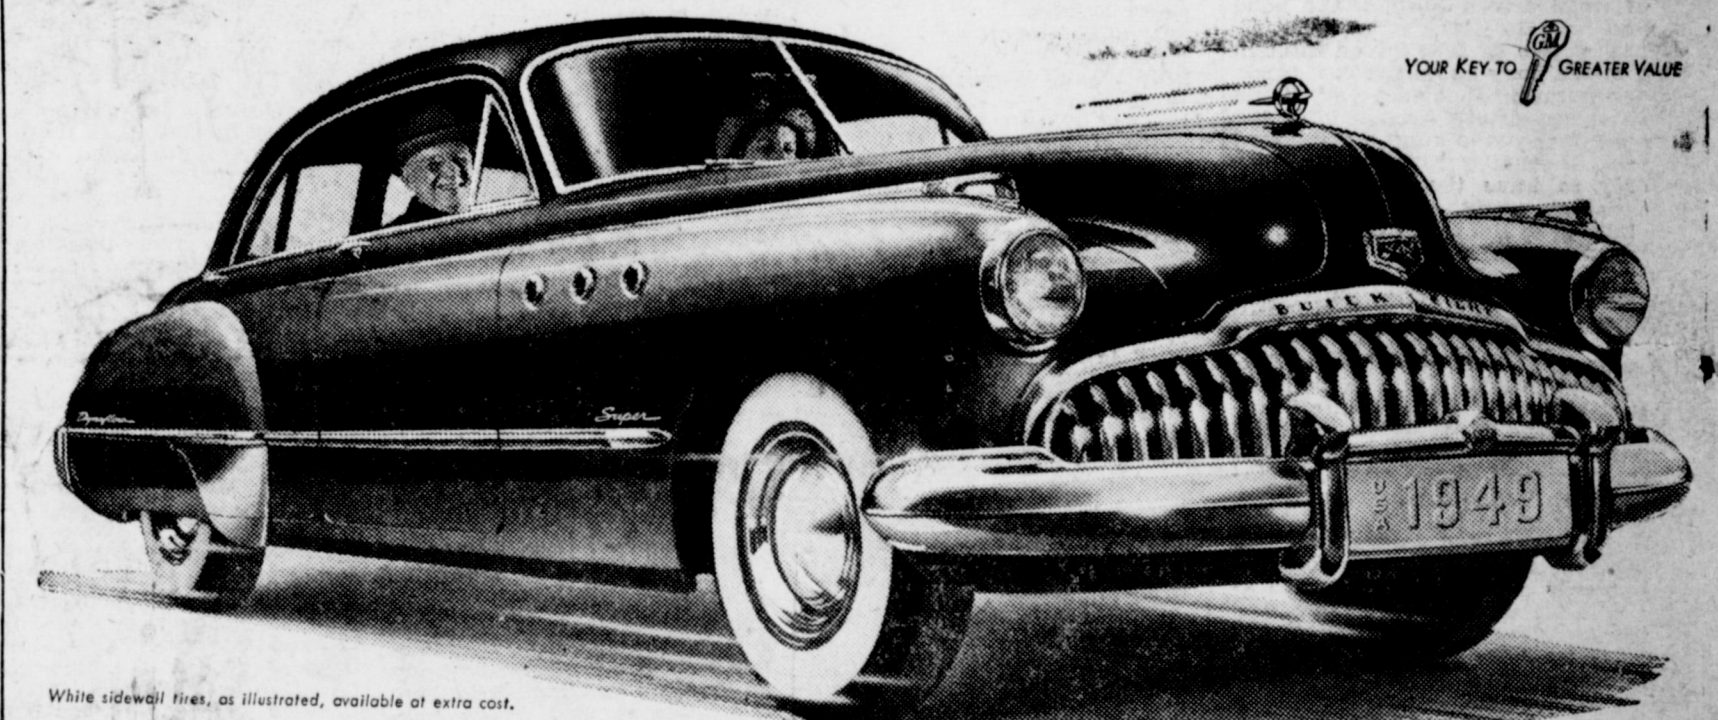

Three out of every four people know that you don't lose your money if your Bonds are lost.

Nine out of every ten people prefer Savings Bonds to private securities, primarily because Bonds are a safe investment.

Nineteen out of every twenty people indicate absolutely no doubt that Bonds will be redeemed in full.

A Vast Potential Market Looms
Bond-buying is not limited to the higher income groups—one out of every three Bond-buyers earned less than \$3000 in 1947. Even in the highest income group, most people did not buy—among people with incomes over \$5000, only one out of every three bought bonds.

Come say "Hello" to a Good Buy

WHEN you get right down to it, there's just one way to satisfy yourself that this bold beauty is the car you've been yearning for.

So here's open invitation to come take its wheel—and see how neatly, invitingly, it seems to fit your hand.

Come put it up against the rough spots—and sample for yourself the ride that's recognized as smoother, even, than on highest-priced cars.

Come feel the lift in this big Fireball valve-in-head, high-pressuring fuels into giving up their very best—come sample the super-smoothness of Dynaflo†, the only drive in which "oil does it all."

Come see how smoothly big soft brakes stroke you down to even, †Dynaflo Drive is standard on ROADMASTER, optional at extra cost on SUPER models.

When better automobiles are built BUICK will build them

jarless stops—come swing this one around twisting curves and see its freedom from the top-heavy "feel" so common elsewhere.

Come slam the solid doors, drum on its sturdy top, roll up the windows and notice the curtain of silence this one draws over outside noises.

And please come fresh from tests of other cars—their power, their ride, their steadiness, their room—because never does this one show up so well as under direct comparison.

Above all, come prepared to check the value in this bonny SUPER. Come armed with delivered prices—all the details of other "deals."

There's no better way to see how smart you are to get a firm order in—but fast!

- BUICK alone has all these features**
- Silk-smooth DYNAFLOW DRIVE*
 - FULL-VIEW VISION from enlarged glass area
 - SWING-EASY DOORS and easy access
 - "LIVING SPACE" INTERIORS with Deep-Cradle cushions
 - Buoyant-riding QUADRIFLEX COIL SPRINGING
 - Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS plus HI-POISED ENGINE MOUNTINGS
 - Cruiser-Line VENTIPORTS
 - Low-pressure tires on SAFETY-RIDE RIMS
 - DUREX BEARINGS, main and connecting rods
 - BODY BY FISHER
- *Standard on ROADMASTER, optional at extra cost on SUPER models.

Anton Nine Edges Muleshoe 5 To 4; To Travel To Springlake For Game Sunday

The Anton nine downed the local boys here last Sunday afternoon in the closest game of the season so far by a score of 5 to 4.

White, Molder and Ballinger who were on the mound for the two clubs pitched a fine ball game all the way through.

White, who was on the mound for the local team, allowed only 8 hits during the game, one of which was a home run and the other a three bagger. White registered six strike-outs and walked four men.

J. Molder, who was on the mound for the visitors for seven innings gave up only five hits, registered five strike-outs and walked only two. Grey who took over for Anton in the eighth inning gave up only one hit and failed to register a strike-out and gave up no walks.

The game was scoreless up until the top of the 5th, when Alvin

Sunday afternoon the Muleshoe nine will be on the road and will meet the Springlake nine on their new baseball diamond there located just east of town.

We do not know how the Springlake nine has been faring so far this season as this office has not received any information concerning the team, but a good game is expected and many local fans are expected to be on hand to witness the game.

White, pitcher for the local team had his worst inning and walked three men and allowing the Anton batters to bring in two runs. In the bottom half of the 5th, The Muleshoe nine made one run and scored one in the 6th and two in the seventh.

Anton scored again in the sixth and brought in two runs in the eighth to win the ball game.

Muleshoe was only ahead for a very short time only one time during the game and that was in the seventh inning when they went out in front with a one run lead of 4 to 3 but in the eighth inning the Anton nine came back and scored two runs which wrapped up the ball game for them.

Bobby Wallace was the boy on the local team to register a home run. Wallace also pulled a very slick play over on third base during the game that pulled the local boys out of a hole by tagging out a runner who had advanced safely to third. The runner thought Wallace had already thrown the ball back to the pitcher and moved off the base, Wallace just walked over and tagged him out.

B. Woods scored the home run for the Anton nine in the eighth inning to tie the ball game up and a few seconds later Lamberth slammed one out to center field for a three bagger and Atter got a single that brought Lamberth in for the winning score.

A large crowd of local fans as well as Anton fans were on hand to witness the ball game and all

Slants From The Sidelines . . .

By W. E. Hill

Saturday night the local Jay-Cees have carded the top wrestlers in the nation to appear here at the local gym with the World's Heavyweight Wrestling Champion of the World being pitted against Alex Kasaboski who is a familiar man in the local ring.

In the first bout of the double-main event, Earl, George Curtis, Vicksburg, Miss., Heavyweight Champion of that state, will meet another new comer to the ring here, Billy Goeltz of Milwaukee, Wis.

These wrestlers are among the best in the nation and Dean Detton is the best in the world at this time.

Local and area wrestling fans are expected to jam the local high school gym to witness these fights Saturday night as one of the fights the main event between the Champion and Kasaboski will be somewhat of a grudge battle.

So far as we know these men have never met in the ring before, but they took a disliking to each other immediately after they met here recently and the champion, Dean Detton challenged Alex Kasaboski then and there, but no fight was allowed but one was carded for this Saturday night.

Whether or not the title will be at stake in this bout was not known here at the time the Journal went to press, but there is a possibility that it may be.

In securing this bout between the world champion, Dean Detton and Alex Kasaboski, the Jay-Cees are scooping other area towns who are big supporters of wrestling as this will be the champion's first appearance on the Plains in several years.

Not only that but George Curtis, state heavyweight champion of Mississippi is a highly-rated wrestler throughout the nation and he will also be making his first appearance on the South Plains at the local gym Saturday night.

Local American Legion officials announced this week that they are going to sponsor a boys team this year and will enter the team in the American Legion state league.

We are glad to see someone take an interest in boys baseball and to help promote it as it is a great American sport which has for a long, long time been almost at a standstill in this part of the state.

agreed that it was one of the best games either team had played so far this season.

The game is scheduled to start at 2:30 p. m. Sunday afternoon providing the weather conditions are favorable.

Miss. State Champ Also On Mat Card

World Heavyweight champion Dean Detton, Hayward, California, will make his first appearance in this section of the country at the local high school gymnasium in Muleshoe Saturday night, May 23.

Detton will meet Alex Kasaboski in the main event of the double main event attraction. Dean Detton is the brother of Dory Detton who is well known in this area for his wrestling and promotion of wrestling bouts over the territory.

Alex Kasaboski is familiar to all the area wrestling fans as he has been appearing in bouts held here, Clovis, Lubbock, and Amarillo for the past several weeks.

Champion Dean Detton challenged Kasaboski after he had witnessed a fight between Kasaboski and Bob Cummings, but the bout was not allowed. However a match was made for the two men who will meet here Saturday night, which should prove to be the best wrestling bout that has ever been staged in Muleshoe or on the South Plains in several years.

In the first bout of the double main event carded for the local gym Saturday night will be George Curtis of Vicksburg, Mississippi, who is the heavyweight champion of that state, vs. Billy Goeltz of Milwaukee, Wisconsin.

Both of these men will also be making their first appearance in the local ring as well as for the South Plains area.

Plenty of action is expected in the bout between Dean Detton and Alex Kasaboski, as the two men began sneering at each other from the time they met.

With both of these top notch bouts on tap for the local gym here Saturday night, officials of the local Jay-Cees, who are sponsoring the wrestling bouts here each week, stated, "we expect to pack the house to capacity with

these two headline attractions". Another official of the Jay-Cees stated, "We are scooping Lubbock, Clovis, and Amarillo by carding these two champions on the same bill for their first appearance on the Plains."

Wrestling fans from all over the Plains area and eastern New Mexico are expected to be on hand to witness this big bout, as well as a host of local fans who will not fail to miss the two biggest bouts of the year.

DID YOU KNOW ?

On the average 14 to 25 per cent of the annual rainfall runs off the cultivated land or collects in low spots in the field.

It is possible to increase crop yields up to 50 per cent and save tons of fertile soil by holding this water where it falls.

On dry land in this area, moisture at the proper time is the number one limiting factor in production.

If sufficient moisture is available and the average annual rainfall is about 18 inches, at the proper time, good yields are obtained. Conservation measures, properly applied, will aid in correcting the loss of run off water from fields.

Farm Bureau Is Seeking Federal Storage Facilities

WACO, May 18.—In a telegram to Sam Rayburn, J. Walter Hammond, president of the Texas Farm Bureau Federation, today urged the speaker to apprise Congress of the necessity for immediate action in authorizing Secretary of Agriculture Brannan to acquire ample storage facilities for the 1949 bumper wheat crop.

Although the House yesterday passed legislation authorizing the Government to provide storage bins for farm commodities, the problem still remains unsolved and grain harvest is only a few days away, Hammond pointed out. The Senate has already approved a bill similar to the House measure but adjustments still must be worked out.

Failure to provide government approved storage that will make the support price available to farmers will cause wheat growers millions of dollars and result in a subsidy to the grain trade, Hammond told Rayburn.

Elevators are bulging now with last year's wheat because the Secretary has not been authorized to secure storage to enable him to move the grain, Hammond charged. The support price guaranteed to farmers is contingent upon the availability of Government approved storage and already elevator men in the wheat belt of Texas have notified growers that storage for commodity loans will not be available.

Early this month Hammond sent a letter to Secretary Brannan and members of the Texas delegation in Washington warning that the wheat storage situation this year would be more critical than was presented by the grain sorghum storage problem in 1948

SMITH TO GRADUATE
The University of Texas College of Arts and Sciences lists Otto Oliver Smith, of Muleshoe, as a candidate for a degree at the May 30 Commencement exercise. There are 648 to graduate. Smith will receive the Bachelor of Arts degree.

because of the bumper wheat crop and the storage bottleneck already existing. He recalled that last year when elevators failed to store grain sorghums it was necessary to make surplus government buildings constructed for the war effort available for grain sorghum storage. After the situation was relieved, elevators found space, but not until farmers had suffered a loss of several million dollars. Farmers were caught unaware last year Hammond declared and we want action now so that farmers may secure loans on their grain without suffering a loss of millions of dollars.

The P.V.S. Club met Wednesday May 11 in the home of Mrs. W. A. Stephens.

The president, Mrs. Jack Epps, had charge of the business meeting. It was voted to have a contest for membership and attendance to run 3 months. The side having the least number of points will entertain the winners with a luncheon. Names were drawn for pleasant pals.

It was also voted to make an apron and at each meeting, each member present is to put a patch over her name and a coin. When the apron is covered with patches, they are removed and the member that has the best patch receives the apron. The money will go in the treasury.

Then the meeting was turned over to the program chairman Mrs. F. L. Shelby a number of games were enjoyed.

Delicious refreshments were served to 1 visitor and 11 members. Those present were mesdames Harold Allison, Seaham Moore, E. H. Bickel, Jack Epps, Jimmie Duhin, Oscar Allison, F. L. Shelby, Jerry Allison, E. K. Angeley, R. L.

Dinner Was Given In C. H. Odom Home

A mother's day dinner was given in honor of Mrs. Lillie Swanner and Mrs. S. E. Odom, in honor of Mr. and Mrs. C. H. Odom.

Sunday May 8th a lovely dinner was enjoyed by all. The afternoon was spent visiting and taking pictures. All the children of Mrs. Lillie Swanner were present except one.

Mr. John Williams of Peoria, Arizona was not able to attend the family gathering.

Those present were: Mr. and Mrs. Alford Williams and family of Needmore, Texas; Mr. and Mrs. L. B. Swanner and family of Irving, Texas; Mr. and Mrs. Blansett and family of Aransas, Texas; Mr. and Mrs. Vernon Moore and little daughter of Goldthwaite, Texas. Others attending were: Mrs. Susie Odom, Muleshoe, Texas; Mrs. Pearl Underwood of Needmore, Texas; Miss Mattee

MULESHOE REBEKAHS IN MEETING TUESDAY

Muleshoe Rebekah Lodge met in regular session Tuesday night. Mrs. Elizabeth Watson and the Girl Scouts came and put on their flag patrol for us, which everyone enjoyed very much. We also had four visitors from Littlefield, the Degree Staff that conferred the Battle Ax Degree will be here next Tuesday night to confer the degree for us. All members are urged to be on hand for a good time.

We presented our team captain a beautiful lamp for her untiring efforts with the team. At the close of lodge refreshments of ice cream, strawberries and cake were served to forty-five members, four visitors, the Girl Scouts and their sponsor, Mrs. Watson, and musician, Mrs. Inez Kennedy.

Mae Chambles, of Muleshoe, Texas and the hostess, Mr. and Mrs. C. H. Odom, also of Muleshoe. There were 14 grand children and 2 little visitors.

THE MULESHOE JOURNAL, Thursday, May 19, 1949

Gloves Is Subject At West Camp Club

"I would make my gloves at least one-fourth to one-half size smaller than you would buy in town", said Mrs. Corrington at the meeting of the West Camp H. D. club. Mrs. Corrington showed several samples of leather and also different styles of gloves. Members ordered several pair of gloves.

Volta Dutton gave a report on the banquet and also gave the council report.

Mrs. Corrington told of a tour to Lubbock to see new and remodeled homes there.

Our club decided not to serve at Muleshoe. It was decided each member make one garment to sell at the Bazaar in October and November. Sylvia Couch received the hostess gift.

Refreshments were served by the hostess, Mrs. Akin to the following members: Joyce Jones, Velma Austin, Naomi Austin, Aleen Watts, Beulah Williams, Sylvia Couch, Bonnie Williams, Mrs. Corrington and one visitor, Mrs. Emma Boyd of Cooperton, Okla.

The next meeting will be May 25, with Naomi Austin.

Muleshoe H. D. Club Met May 12

On Thursday, May 12, the Muleshoe Home Demonstration club met at the home of Mrs. J. E. Day. There were thirteen members and the H. D. Agent, Mrs. Marie Corrington present. Roll call was answered with each member giving "Anecdotes About Their Mothers".

Mrs. Roy Carney gave a report on "Your Exchange Sale" the club ladies served. Mrs. S. C. Caldwell gave the Council report.

Mrs. Kenneth Briscoe gave a talk on "Other Gloves". Mrs. J. I. Shofner talked on "Accessories". Mrs. Corrington gave a very interesting demonstration on "Kid Gloves". Several orders were placed by the ladies for leather to make gloves.

Refreshments were served to: Mesdames S. C. Caldwell, A. W. Copley, D. E. Aylesworth, Kenneth Briscoe, M. S. Stidham, Roy Carney, J. T. Shofner, Marie Corrington, C. E. Briscoe, W. H. Awtrey, Byron Jeffcoat, D. L. Morrison, Jack Stallings, and the hostess, Mrs. Day.

The next meeting will be May 26, at the home of Mrs. Byron Jeffcoat.

Sunshine Club Met Tuesday, May 5

The Sunshine club met Tuesday, May 5, in the home of Mrs. Harrison.

Twenty-two members answered roll call by reading a verse from the Bible. Those present were: Mesdames Ware, J. O. Crawford, Barnhouse, Rowland, Nash, Lee, Lewis, Harvey, Simmons, Odom, Colter, Chambliss, Meek, Ladd, I. H. Gatlin, Hart, L. D. Tipton, Stinson, Wimberley, Staas, Nolan and the hostess, Mrs. Harrison.

One visitor was present, Mrs. Allen.

The ladies quilted a quilt for the hostess. The program was in honor of our mothers.

Mrs. Nash and Mrs. Wimberley were honored with a lovely birthday shower.

The next meeting will be with Mrs. I. H. Gatlin, May 19.

Try Journal Classified Ads.—They buy, sell and trade.

Enochs Club Met Thursday

Mrs. E. N. McCall The Enoch's H. D. club met in the home of Mrs. E. N. McCall Thursday, May 12. Seventeen members were present.

The club was opened with a song. In the absence of the secretary, Mrs. J. C. Bowen called the roll and read the minutes.

A card of appreciation was read by the president, from Mrs. Corrington expressing her appreciation of the commissioners banquet that was put on by the club members of Bailey County.

The club is happy to announce that the cemetery arch is up. We wish to thank the ones that had any part in helping to get this finished.

Motion was made and seconded to pay all bills that the club owed.

Motion was made and seconded to donate a hen to the club, by each club member, to be sold and the money put in the club funds.

The club has been invited to go on the tour in Lubbock of beautiful homes. A card was read telling the members who care to go where to meet.

A training school will be held in Muleshoe May 23.

For recreation, a jar of beans was passed around and each member paid a nickel to guess how many beans were in the jar. Oh, the suspense in waiting to find out just how many were in there. The recreation committee said we had to wait for three weeks, so if any club members were absent, they would have a chance to guess also. There is to be a gift to the lucky one.

There has been forty-eight garments made by club members this month and twenty-two pints of greens were canned.

Those present were: Mesdames J. M. Parsons, Milton Parsons, Dutch Cash, J. C. Bowen, John Gunter, M. J. Gipson, John Vandlingham, Johnson, Baker, Cleo Hall, Vernon Reid, H. H. Snow, L. J. Jones, Pool, T. W. Autry, Dona Autry, R. P. McCall, and the hostess Mrs. E. N. McCall.

Delicious refreshments of cup cakes, sandwiches and fruit punch were served.

The club will meet Tuesday, May 24, instead of Thursday, May 26, as usual in the home of Mrs. P. A. Altman. All members are asked to bring an apron for the grab box.

Three Way S. S. Class In Meeting

By Mrs. Correll Fort The Ladies Sunday School class of the Three Way Baptist Church met in the home of Mrs. M. D. Gaddy, Tuesday night, May 10, for the purpose of organizing the class. Mrs. Lula Brinker brought a devotional on working together.

Mrs. Earl Humphrey, the teacher, brought a tale inspiring on organization, followed by the election of officers.

The second Tuesday night of each month was set for the meetings, which are to be held in one of the ladies home. The next meeting will be in the home of Mrs. Byers, June 14, at 8 o'clock.

After the business meeting a few games were enjoyed by all, then cake and ice cream was served to the following seventeen ladies: Mesdames Andrew Wittner, Carrol Holtzclau, Truitt L. Smith, Edwin Neutzler, a visitor, Carrol Fort, Adolph Wittner, Louise Neutzler, Glen Branaman, Earl Humphrey, Lula Brinker, a visitor, A. A. Sedwick, J. A. Hamlin, a visitor, S. D. Key, Byers, Lola Smith and Miss Peggy Wittner, a visitor and the hostess, Mrs. M. D. Gaddy.

Shower Honors Mrs. Deon Awtrey

Mrs. Cass Stegall and Mrs. Tommy Galt honored Mrs. Deon Awtrey with a pink and blue shower Tuesday, May 10, from 4 to 6 p.m. in Mrs. Galt's home. Mesdames Truman Kelly, J. W. McDermott, and Morris Galt were co-hostesses.

Each co-hostess and the honoree, Mrs. Awtrey were presented with a corsage of roses on arrival. Mrs. McDermott and Kelly who presided at the lace covered dining table, centered with a bouquet of red peonies, served ice cream and angel food cake to the guests; also presented each guest with a rosebud and a favor. Mrs. Galt presented the bassinet filled with gifts to Mrs. Awtrey.

Those present were: Mesdames C. D. Johnson, Clint Everett, Pete Tarleton, L. D. Sanderson, Dargin Kirk, Tommy Taylor, Clifford Meyers, Leon Reeves, Taylor, Troy, Wilkerson, Jack Lowe, Dolly Ann, Cecil Cole, Hugh Dupler, Jewel

Gibson, Ray Snodgrass, the honor-brackman, Burton, Knox, Clyde Lee, Miss Lavon Stegall, the co-hostesses and hostesses.

HALF CENTURY CLUB MET IN LEWIS HOME

The Half Century club met in the home of Mrs. Louise Lewis May 12, with eleven members present. Mrs. C. C. Mardis called the house to order.

After a short business session

Gibson, Ray Snodgrass, the honor-brackman, Burton, Knox, Clyde Lee, Miss Lavon Stegall, the co-hostesses and hostesses.

CLOSED MAY 30TH

The Bailey County courthouse will be closed Monday, May 30, in observance of decoration day, according to announcement from the office of County Judge Cecil H. Tate.

"42" was played. The host served ice tea, ice cream and cake which was enjoyed by all.

The next meeting will be held on May 26, with Mrs. Mattie Haney.

Williams To Operate Field Poultry Courses Planned

Conrad Williams, W-51BH, Goodland, Texas, has been selected to set up an organization of local amateur radio operators to furnish organized emergency communication in time of disaster, it was announced today by Communications Manager F. E. Handy of the American Radio Relay League, national association of radio amateurs.

Williams' assignment, which carries the title of Emergency Coordinator, is to band together members of the amateur radio service in his community to perfect arrangements for emergency radio communication by hams in the event of natural disasters or other emergencies. In addition to use of normal station equipment working from commercial power, amateur stations using self-powered radio transmitting and receiving equipment are needed.

Mr. Williams, as ARRL Emergency Coordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized under simulated emergency conditions. His duties also include liaison planning with the local chapter of the American Red Cross and other relief agencies, as suggested in the working understanding the ARRL Emergency Corps has with the national headquarters of the American Red Cross and other agencies. Liaison will be established also with local protective services, such as fire and police departments.

Field Poultry Courses Planned

COLLEGE STATION, May 17.—Two field poultry short courses will be held in this area during May, according to an announcement from the Texas A. & M. College extension Service.

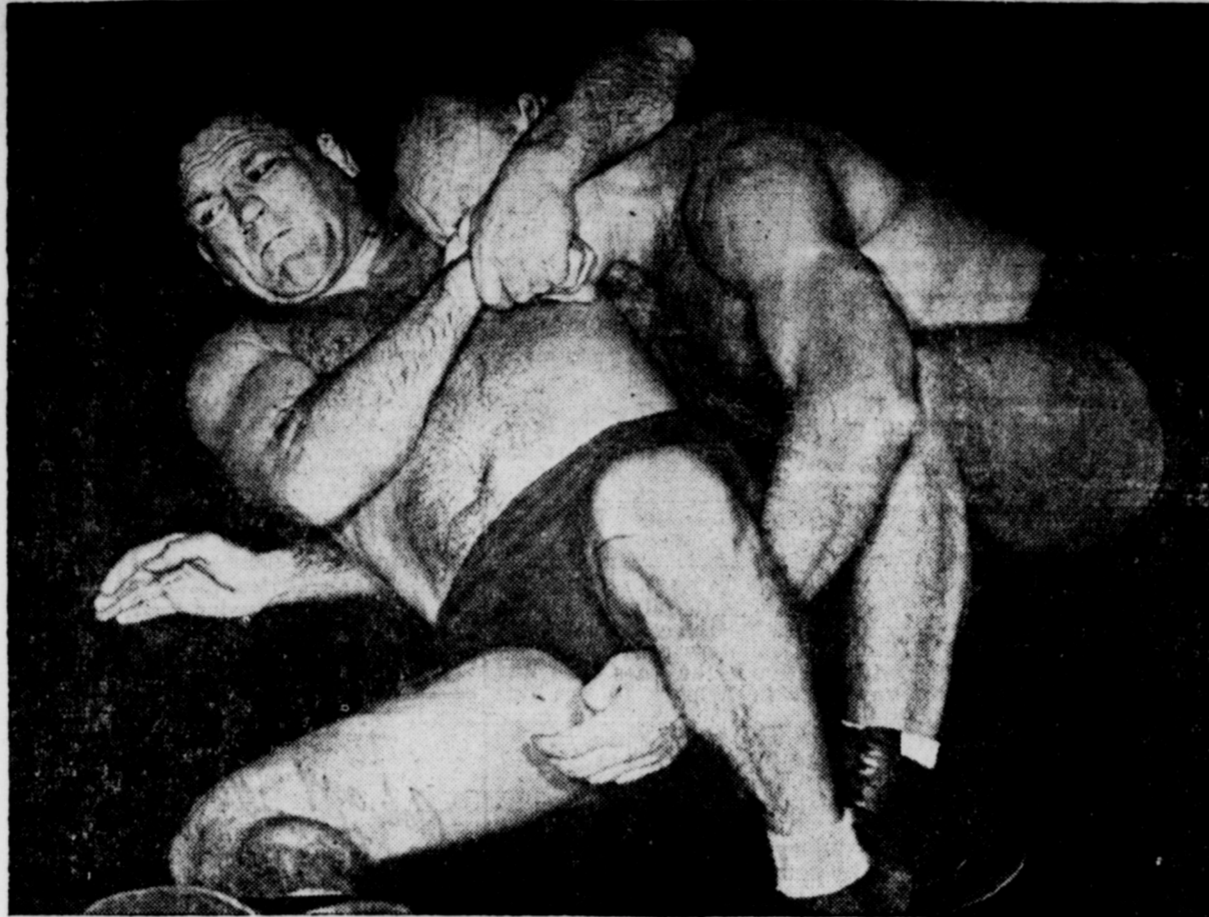

The first will be held in Lubbock, May 24 and 25, with County Agriculture Agent D. W. Sherrill as general chairman. The second will be in Abilene May 26 and 27, with Taylor County Agriculture Agent H. C. Stanley, Jr., as general chairman.

The first day's program of each course has been designed for anyone interested in learning the latest practical information dealing with poultry production in Texas. W. J. Moore, associate extension poultry husbandman of Texas A. & M. College, says, while the second day will be for flock selectors and pullorum testers.

Experts who will appear on the programs include T. A. Hensarling, executive secretary, Texas Poultry Improvement Association; Bernie B. Bailey, James R. Grubbs, poultry supervisors, National Poultry marketing specialist; Dr. W. C. Banks, extension veterinarian; W. L. Brady, assistant poultry marketing specialist; J. C. Williams, assistant poultry husbandman, and Mr. Moore.

Texas A. & M. College sponsored, in 1948, the first poultry short course ever held off a college campus. It was held in Tyler and was such a success short courses will be held wherever and whenever the need arises, Mr. Moore says.

World Champion To Wrestle Here Saturday Night

Pictured above is the World Heavyweight Wrestling Champion who will appear here at the local gymnasium Saturday night when he will meet Alex Kasaboski who is familiar to the local wrestling fans. Dean Detton is shown in the above photo putting a headlock on his opponent, Fred Von Schact.

During the official cherry blossom festival in Washington this spring, the famous Oriental cherry trees were sprayed with a hormone spray that caused the petals to "stick tight" on the trees. Blossoms usually stay on about five to seven days. The spray caused petals to stick on about twice as long as usual.

Seventeen and one third million women were employed in the United States in November, 1948.

Hornflies and the Lone Star tick are showing up on cattle in a number of places in Texas. Such livestock pests as these can be controlled with a combination of DDT and BHC in 100 gallons of water. See your county agent for spraying instructions.

White clover matures approximately three weeks after it has been pollinated by bees. It is ready for harvest when 75 percent of the heads have turned brown.

Teen Town Rules

(Continued From Last Week)

RULES FOR ALL MEMBERS OF BOY'S TOWN

1. I will keep my pledge to Boy's Town.
 - (a) Not smoke or use tobacco in any form in or on the premises of Teen Town.
 - (b) Not bring alcoholic beverages of any kind in or on me to Teen Town.
 - (c) Protect and care for the properties and interests of Teen Town, and obey its rules and ordinances. (All games to be checked out and returned before leaving premises.)
 - (d) Notify Director if I bring guests.
 - (e) No gambling in any form while in Teen Town.
 - (f) Not use profane language in or on the premises of Teen Town.
 - (g) I will strive to be a good citizen of Boy's Town and of the United States of America and conduct myself in a gentleman-like manner.
2. Each member must attend a special program prepared for them.
3. Members must assume responsibility delegated to them. Officers must feel a sense of responsibility toward their duties, performing them in a gracious, courteous manner, realizing that all rules of Boy's Town must be enforced earnestly and impartially.
4. Any officer absent three times consecutively, shows lack of interest and responsibility and will be subject to removal. (Replacement will be made by vote of Boy's Town Council, subject to approval by Adult Council.)
5. All members must attend the church of their choice at least twice each month.
6. Members are not allowed to leave the building during even-

Red Is A Handy Color About Home

COLLEGE STATION, May 15—A can of red paint can be put to good use around the house, regardless of the color scheme, points out Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College.

In the first place, she says, it's an eye-catching color.

In the second place, red means danger and serves as a warning.

As an eye-catcher, try painting the outdoor faucets and the handles of small garden tools red. The color shows up clearly against ground, grass or foliage.

For warning, use the red paint to band containers of such poisonous materials as lye preparations or cleaning drains or for insecticides.

The high shelf in the bathroom cabinet where medicines are kept out of sight and reach of curious children may be painted red as a lag to other members of the family. Anything on that shelf should be carefully handled.

The pail of sand and the fire extinguisher which many a wise family keeps on hand for fire control will be easier to locate if painted red. An emergency or first-aid kit in bright red can be easily found.

"In fact, a can of red paint may save lives as well as time and trouble," Mrs. Claytor concludes.

The May plentiful foods list includes: carrots, potatoes, canned peas, corn, citrus juices, grapefruit segments, canned apricots, fruit cocktail, eggs, cheese, fresh and frozen fish, dried beans and peas and peanut butter.

Unless engaged in games on premises, except in cases of emergency when permission is to be granted by Director.

Only the Servel
GAS Refrigerator is

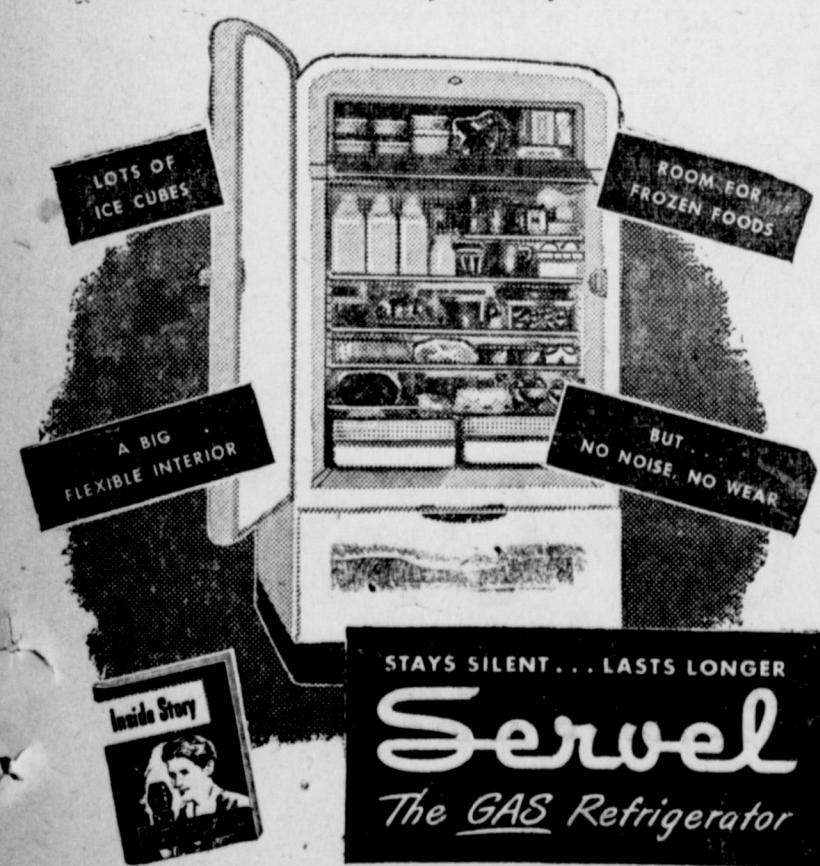

GUARANTEED for TEN YEARS

IT STAYS SILENT—LASTS LONGER

It's small wonder the Gas Refrigerator is the choice of more and more families. Servel—and Servel alone—carries a ten-year guarantee of noise-free, worry-free performance. Year in and year out, you enjoy the same silent, dependable refrigeration as the day your new Gas Refrigerator arrived.

For Servel has a basically different freezing system. There's not a single moving part in it. No motor to wear, no machinery to make a sound. A tiny gas flame does the work. So Servel stays silent, lasts longer.

Come in and see the new models today. Choose the Gas Refrigerator—and get more for your money.

STAYS SILENT... LASTS LONGER

*Heating and ventilating system and rear-corner windows with de-ice equipment optional at extra cost.

Quality It takes the best to build a Chevrolet truck!—the finest materials and craftsmanship! That's why there's super strength and durability in every feature of body, cab, engine and chassis.

Performance Chevrolet trucks are star performers with prime power—plus economy! You get low-cost operation, low-cost upkeep with Chevrolet's famous Valve-in-Head engines, the world's most economical for their size!

Prices Pick-ups... stakes... panels... power-packed heavy-duty models—Chevrolet builds them all! And Chevrolet's all-star line of trucks sell at the LOWEST LIST PRICES IN THE ENTIRE TRUCK FIELD!

• You can put plenty of confidence in Chevrolet Advance-Design trucks. It's a fact that they deliver the goods. It's a fact, too, that Chevrolet trucks have an exclusive combination of features... that they're built big and rugged to take the tough going. And it's a fact, too, that Chevrolet trucks have 3-WAY THRIFT... that they have triple economy in low-cost operation, low-cost upkeep and lowest list prices! And when you add up these advantages you can see why more people use Chevrolet trucks than any other make! The fact is, they're a great American value!

THERE'S A CHEVROLET TRUCK FOR EVERY JOB
WITH CAPACITIES FROM 4,000
LBS. TO 16,000 LBS. G. V. W.

TOM MORGAN IMPROVED
Condition of Tom Morgan, farmer of Progress community, Wednesday was reported improved. He has undergone treatment in a Lubbock hospital.

New Fertilizer Plant To Be In Operation In Muleshoe Soon

Tornado Relief Fund Announced

Donations to the Red Cross fund for the relief of those who were injured or had their homes damaged in the tornado which struck Amarillo Sunday night will be accepted here by Miss Helen Jones, county Red Cross treasurer, Lee R. Pool, county chapter chairman said.

Pool had received a telegram from John C. Wilson manager of this division, St. Louis, telling of arrangements for help given by the Red Cross, including setting up kitchens, dispatching nurses, doctors and special workers.

MRS. BROWN'S PARENTS ESCAPE INJURY, DAMAGE

Mr. and Mrs. J. F. Wharton, Amarillo, parents of Mrs. Murrell Brown, of Muleshoe, escaped injury in the storm of Sunday night and their home was not damaged. The local couple went to Amarillo as soon as they heard radio reports of the storm and after telephone and telegraph communications failed to reach the Whartons, who live at 3602 Tyler, in the area most affected.

Shrubs were torn up in their yard, fences were blown down, trees were ruined but the home escaped, although houses on each side and across the street had severe damage. Houses in the neighborhood had roofs torn away and were so twisted they will have to be wrecked.

WINCHESTER, ENGLAND COUPLE HONORED

Mr. and Mrs. D. L. McEvoy, of Winchester, England, were honored with a chicken dinner Sunday, May 15, in the C. A. Adams home in Progress community. Others attending were Mrs. McEvoy's sister, Mrs. Walter Loveless and Mr. Loveless, of Friona, Mrs. T. C. Moseley and the hosts and hostesses, Mr. and Mrs. J. A. Young and Mr. and Mrs. Adams and son.

STAMPS OZARK QUARTETTE TO SING HERE MAY 21

The Stamps Ozark Quartette of KWFT, Wichita Falls, will be here in concert Saturday night, May 21, at Fellowship hall, sponsored by Muleshoe Rebekah Lodge. The public is cordially invited to attend. The admission price of 25 and 50 cents will include tax.

ATTENDED INITIATION

Herb Covin was in Norman, Okla., last Wednesday night to witness the initiation of his son, Bill, in the Fellowship degree at the Masonic Lodge hall there. Bill is a student in Oklahoma University.

In the next few days mixing of fertilizers will be going on in Muleshoe. Plant of the Western Fertilizer Company, owned by Harold and Bob King of the grain and seed firm, is now being installed in the brick warehouse, adjoining their elevator, which has been refitted for the purpose.

Bob King, who has engineered the details of this new industry for Muleshoe, Tuesday had made a thorough inspection of the entire fertilizer mixing plant and was bubbling over with enthusiasm because of its sound construction and compact, easy to operate build. The plant, which has a half ton capacity, was made by Stedman Foundry and Machine Works, Aurora, Ind.

A leg house had burst through the roof of the warehouse and had been speedily completed several weeks ago. Now all that remains is to put the machinery together, turn on the power, and their crews will take the fertilizer to the farm and spread when needed and in amounts desired. They will mix, right here, all analysis of fertilizers for all sorts of crops and soils and will be available for advice as to soil analysis and proper treatment.

This is the only fertilizer mixing plant in this territory. The Kings plan to distribute their product, known as Wesco Brand Fertilizers, over a wide section of the irrigation districts of the Plains and New Mexico.

CONDUCTED FUNERAL RITES

Minister Ebb Randol, of the Muleshoe Church of Christ, conducted funeral services for Mrs. Verbon Isom at Bovina Wednesday afternoon at the Church of Christ there. Mrs. Isom, who was 38, passed away Monday. Interment was in Clovis cemetery.

CHURCH OF CHRIST WOMEN SEW FOR ORPHAN HOME

Members of the Ladies Bible class of the Church of Christ met Tuesday for an all day sewing session in the home of Mrs. John Garrett, making things for the children at Boles Home, Quinlan, Texas.

WERE VISITORS HERE

Mrs. G. M. Devoll, of Quanah, visited with her daughter, Mrs. Ernest Holland last weekend. The Hollands also had as guests their daughter, Mrs. A. R. Tucker and Mr. Tucker, of Wichita Falls.

IN CALIFORNIA

Mr. and Mrs. Spencer Beavers, Glenn and Johnny Border, are in California for a visit of a few days.

VISITED AT LAMESA

Mr. and Mrs. Harmon and family and Mr. and Mrs. L. R. Hall and family visited Mr. and Mrs. Leo Lackey at Lamesa Sunday. All attended church at the Church of Christ at Ackerley.

National H. D. Week Observed

National Home Demonstration week was observed by the Muleshoe Home Demonstration club with a play presented to grade school pupils and 4-H club members at the school gymnasium on Friday, May 6.

The play written by Mrs. S. C. Caldwell, dealt with the problems of club work in the hill country where ideas held by some of the men folks were similar to some found in West Texas.

The cast of characters were as follows:

Punkin Center Joins The Home Demonstration Club

Pa Perkins—A hardboiled hill-billy who doesn't take "no stock in these new-fangled clubs" and who believes woman's place is at home doing the work—played by Mrs. S. C. Caldwell.

Ma Perkins—His wife who is fed up with doing the family wash on a rub board and wants to learn "new ways of doing things, and has made up her mind to join the H. D. club.—Played by Mrs. Roy Carney.

Sis Perkins—A twelve year old who wants to learn to sew better than her ma, played by Mrs. J. T. Shofner.

Junior Perkins—Who yearns to have a pig all his own so he can be a 4-H boy, and who suspects his grandma must have been about perfect on account of his Pa always bragging about her, played by Mrs. Mack Hale.

Mrs. Jenkins—A neighbor who has already joined the club and is a fixing over her old furniture and floors, played by Mrs. C. E. Briscoe.

Mrs. Gray—A neighbor who brings over her cake which took first prize at the clubs pie and cake show, played by Mrs. Addie Stallings.

Mrs. Spencer, another neighbor, who has been etching trays and learning first aid at the club played by Mrs. Jinks Beller.

Mrs. Johnson, another neighbor, who brings her dress form over and demonstrates just how to be a dressmaker, played by Mrs. A.

RAIN . . .
(Continued From Page 1)
badly damaged the house, it was said.

Diversion Terrace Held

Diversion terraces on the farm of Clifford Williams, about 18 miles northeast of Muleshoe served their purpose and, although the ground had been watered before the rains started, it did not wash. Williams, manager of the Piggly Wiggly stores of Davis & Humphries, said 10½ inches of rain had fallen at the farm to Saturday. Tom Carroll operates the farm.

W. Copley.
Elvira—Mrs. Johnson's daughter, who has learned to sew in 4-H club, played by Mrs. Kenneth Briscoe.
