It seems as if we will have to wait until 1940 for any more development on the Colorado River dam project. The Rivers and Harbors bill has been sidetracked for the time being.

Preceding Saturday evening's rodeo performance a parade will be held in downtown Bronte at 5:00 p.m. Anyone interested in riding in the parade should report at the old railroad depot at 4:00 p.m. All entries are welcome, including horses, floats, old cars, tractors, bicycles, etc. For more information regarding the parade or rodeo, contact Brendi Gentry at 786-4482 or 365-3520.

Amphitheater Improvements Continuing

The Coke Co. Pageant Association, Inc. is continuing with improvements at the Mountain Creek Amphitheater. The stage has been widened and an air-conditioner has been installed in the ladie's dressing room. One air-conditioner is still needed for the men's dressing room, and the Association hopes to find a small, second-hand evaporative cooler to be used. Through the efforts of Robert Vaughan and Jody Rodriguez the one donated by Jaunice Miller was installed in the Ladie's dressing room at a very small cost.

Posters advertising the upcoming Production of "Ole Coke County-Home of the Rabbit Twisters" have arrived and interested citizens are taking them along in their travels to put up to advertise the show scheduled for July 20-21, 27-28. The Association would appreciate anyone going on vacation, to reunions, etc., taking some along to put up to help advertise the show.

The Cast has been completed and rehearsals are well under way, however more singers are needed for the choir which is being directed by Sterling Allen. "Pageant Days are Here Again." Come Sing with Us!

ages, 90 lambs, \$3.60 a head. Good shape. T.A. Carlisle, Blackwell.

This writer has always tried to be a peace-loving man, not prone to temper, but it's mighty hard when our friend, Joe Dodson, turns up about twice a week with a string of catfish from one to eight pounds. He struts around and twits the rest of us cause we can't go. Worst of all, he never asks us to dine with him!

Mr. and Mrs. Newt W. Jones of San Angelo spent Sunday in the Roy Taylor home. Mary Katheryn and Carolyn Jones remained to visit for a few days with the Taylor children.

Lee Barger of Boone County, Ark. and his two sons and their wives from Ropes, Tx. were visitors in the Barger home last week-end.

A marriage that has just come to light is that of O.B. Jacobs of Silver and Miss Vivian Roane, a valued employee of the Robert Lee State Bank, who were married at Abilene on July 1. The groom, we understand, is at present in the United States Army.

Delbert and Dale Johnson of Mertzon visited in Robert Lee with their cousins, Willis Wayne and James Royce Smith.

Mr. and Mrs. Claude Carter of Harlingen are here for a visit with Mr. and Mrs. S. E. Adams and Mr. and Mrs. Sam Powell.

Tidwell Attends Convention

James Tidwell of Bronte served Coke County as a delegate to the State Democratic Convention in Houston on June 15-16. He carried with him a resolution drawn up by the County Convention that stated in essence, a proposal that voters should be able to vote for their choice of a presidential candidate nominee at the time of initial primary balloting and not in a separate balloting.

A like resolution passed during the convention and voters will be able to express their choice of presidential nominees in the 1988 primaries.

The separate balloting was a confusing issue statewide during the May Democratic Primary.

Organizers Working On Emergency Alert System

Last Copy Turned In To Printers

ALL of the copy for the COKE COUNTY FAMILY HISTORY BOOK is in the hands of Craftsman Printers. The last pictures and stories were put on the bus Saturday to Mr. and Mrs. Ron Peters, publication consultants. Mrs. Les Copeland and Mrs. R.R. Heaner had made a trip to Lubbock on Tuesday to turn in some materials and to find out the last things that had to be done. NOW they are done and printing of the book is underway.

This has been a project undertaken by a group of persons who really wanted the oral family history of Coke County to be preserved in word and picture. This committee has worked hard with no remuneration so that this book might come into being. Several members of the committee tried to estimate how many volunteer hours had been given. All we could come up with was that it was thousands of hours. We will all be proud of this unique book which should be in the hands of those who have purchased books around September 1. If all goes smoothly, you could get your book sooner.

There will be 500 pages plus index, 1050 family stories, and over 750 pictures. Your last chance to order the COKE COUNTY FAMILY HISTORY BOOKS is nearly here. Only books ordered and paid for in advance will be available.

Country Music Date Changed

The monthly Country-Western Musical date has been moved forward to Thursday night, July 12. The regular date would have fallen the day after July 4 and many musicians and listeners alike had made other plans.

Plan now to attend the musical on July 12 at 7:00 p.m. at the new Rec Hall in Robert Lee and bring a friend!

Coke County Judge Aubrey Denman announced this week that organizers are still working on Lifeline, an Emergency Alert System available to Coke County residents as well as the people of Blackwell.

A Lifeline program consists of 3 parts: electronic equipment located in the home consisting of a portable help button and home unit linked to the telephone used to summon emergency aid; an emergency response center with 24 hour a day coverage; and people who will agree to respond to a call for help.

The Emergency Alert System is especially useful for the frail, elderly, or handicapped person who lives alone.

Town To Close For July 4th

Our nation will celebrate the 208th Anniversary of the signing of its Declaration of Independence on Wednesday, July 4. The holiday is synonymous with family gathering, picnics, and fireworks.

In honor of the national holiday celebration, most business houses in Robert Lee will be closed, including the Courthouse, City Hall, and banking institutions. Several convenience stores and gas stations on major highways will remain open for customer convenience, however.

The Observer office will be closed on Wednesday along with the rest of downtown Robert Lee. News and advertising must be in by Monday afternoon at 5:00

The new policy of the Robert Lee Observer and the Bronte Enterprise is to publish every week of the year, so, offices will remain open Monday through Friday every week.

Construction Continuing On New Robert Lee Post Office Building

Construction continues at a rapid pace on the new Post Office. The general form of the structure is taking shape giving an idea of the good size of the building.

Work at the site on the corner of Houston and 8th Street began

in late May when the dirt fill was leveled and forms built. The foundation was poured on May 30.

The Post Office exterior will be brick and the 3,360 square foot facility will feature an adjoining loading ramp and dock. The new site will be completely landscaped when the construction is complete.

Spacious work areas will highlight the interior with two rest rooms, a janitor's room, storage area, and private office space. New Post Office boxes will number 1074. A large lobby will contain customer convenience machines.

Visible progress has slowed while electrical contractors are at work inside. Postmistress Coe Lewis stated that the target date for the finish of the new facility remains at August 15, barring unforeseen problems.

Former Sanco Resident Recalls Past

EDITORS NOTE: Summer time is usually family reunion time for most folks. A lot of visiting and recalling the past is the main entertainment. Mrs. Vida B. McGee sent a picture and a story to the Observer and we think it is of interest to our readers and those who took part in the recent Sanco Homecoming.

This is under the arbor at Sanco. The young master of ceremony was Pentecost. I brought a picture I've painted of my old home place, the Eugene and Silia B. Austin Fletcher, in the cove of the mountains in the Yellow Wolf Valley near Sanco.

I left here when I was eleven years old, moving to Hobbs, N. Mex. in 1916.

I recall being bitten by a rattlesnake and my grandfather, Jim Fletcher, who lived a quarter mile down the road, came and cared for me until Dr. Turney could be notified by phone in Sanco. The doctor came from Robert Lee in a buggy. I remember all this very well tho' I was only four years old.

I attended school at Sanco along with my brother, riding Old Chunkie part time and walking part time. Later daddy boarded me at his sister, Mrs. Mary Benningfields or at our cousins, the Jack Adkins, for the school term. We sold the place to the

Whiteside Ranch.

The picture was painted from memory and I brought it for "show and tell". Not many people living now remember our old place.

I'm the only one left in our family. My grandparents on both sides are buried in the Sanco Cemetery, also, my brother who passed away this past year. Other relatives are buried in Sanco, too.

I love returning to Coke Co. and Sanco for these homecomings each year.

Farm Bureau Seminar Held Last Week At Angelo State University

More than 400 high school juniors and seniors participated in the 22nd annual Texas Farm Bureau Citizenship Seminar, June 18-22, on the campus of Angelo State University at San Angelo.

Attending the seminar from Coke-Sterling County were Kevin McDonald and Connie Badgett.

Purpose of the seminar is to give students a better understanding of the various forms of government and their responsibilities as citizens, according to Jamie Gipe, Coordinator of the TFB Young Farmer and Rancher Program and coordinator for the seminar. Students are sponsored through county Farm Bureaus.

TFB Public Affairs Director Vernie Glasson and Dr. L.D. Vincent, President of Angelo State, delivered welcoming addresses to the students. Glasson presided at the opening session and also responded to questions from students in the audience.

The students heard inspiring talks about patriotism and free enterprise from six individuals. The speakers and their topics were: Dr. Calvin Kent, Director, Baylor University's Center for Free Enterprise, "Free Enterprise and You"; Glenn Kimber,

senior vice president, The Freeman Institute, Salt Lake City, Utah, "The Miracle of America"; Dr. Sam Zakhem, vice president for economic affairs, Rocky Mountain Orthodontics, Denver, "Understanding the Middle East"; Dr. Joseph Ioffe, a Russian immigrant, "Understanding the Soviet Union"; Dr. Thomas Cunningham, a family life specialist, Stillwater, Okla., "Citizenship and Self-Esteem" and "Citizenship and the Family" and Elvin Caraway III, director of Sen. Union Texas Unveils New Midland Offices

Union Texas Petroleum, a subsidiary of Allied Corporation, today unveiled its newly completed offices in Union Texas Petroleum Plaza, 4000 North Big Spring. More than 400 guests attended the opening, which was jointly hosted by Union Texas and Coventry Development, Inc., the Houston-based developer of the project.

Union Texas Petroleum's Southwest Division staff occupies about 40 percent of the five-story, 102,000-square-foot building in Midland's expanding northern business district. Chelsea Architects of Houston designed the building, which features curved facades sheathed in bands of silver, white, blue and black energy-efficient reflective glass.

"The expansion of our offices here in Midland reflects our continued commitment to energy development in West Texas," said William D. Geitz, Union Texas chairman and chief executive officer, who officiated at the building ribbon-cutting. "Union Texas has been part of Midland's oil community for more than three decades. Our programs here in the Permian Basin are a key part of our U.S. portfolio."

Union Texas' Southwest Division, which totals about 122 employees, is headed by John A. Freeman, division general manager. The division oversees exploration and production operations in West Texas and southeastern New Mexico.

Houston-based Union Texas is the nation's largest independent oil and gas company, with exploration and production activities across the United States and in 18 foreign countries. Union Texas' projected worldwide capital and exploration spending will total \$725 million in 1984, up 58 percent from 1983.

Film To Be Shown At R-Lee Church

Victory Assembly of God in Robert Lee will be showing a motion picture release of International Prison Ministry entitled, "Changed Lives in San Quentin."

Actually filmed inside the prison, this documentary features the stories of four notorious criminals. Interviews conducted by Art Linkletter and the director of IPM, Chaplain Ray, focus on rehabilitation as a result of conversion to Christianity.

From inside the gas chamber Jerry Graham says, "I came very close to ending it all right here." In stark contrast to his life of crime, he now directs a ranch for abused children. James Williams served time in San Quentin after a gun battle with police. Now he's employed by a criminal justice organization teaching men "the way to go out," as he puts it.

Meyer, Al Capone's favorite driver. Now 74, he counsels teenagers about the evils of drug abuse. And Jack Burbridge, once an enforcer for organized crime, is now a preacher. The film concludes with a look inside the gas chamber.

The film is free to the public and will be shown at the Victory Assembly of God Church in Robert Lee at 6th & Houston St., on July 1 at 11:00 a.m.

SMITHS GO TO HAWAII

EDITOR'S NOTE-Willis and Wanda Smith, accompanied by her sister and husband, Wendell and Betty Jo Lammers of Houston, have just returned from an 8 day vacation trip to the Hawaiian Islands. Below are highlights of that trip.

We left Robert Lee June 7 and flew with Betty and Wendell Lammers from Houston to Dallas for a non-stop flight to Honolulu.

We were on Waikiki Beach for 3 days sightseeing Pearl Harbor, the Arizona Memorial, Punchbowl National Cemetery, old Chinatown, Iolani Palace, the celebration of King Kamekama-ha; first ruler of the islands, birthday with the traditional lei-draping ceremony. We spent a day long tour of Oahu Island sightseeing mountains, volcanic craters, sugar cane and pineapple fields, cliff diving, and the famous beaches and historical bays. The highlight was a dinner cruise around Waikiki with Polynesian entertainment.

June 11, we flew on Mid Pacific Air to Maui, the second largest of the Hawaiian Islands. Here we stayed the remaining time on Kaanapali beach touring the remote regions of Haleakala Crater, a vast sleeping volcano, which is considered dormant (not extinct) because it last erupted in 1790, a relatively recent occurrence in geological time.

All roads wind along the coastline on the islands acquainting visitors with inter-island mountains with deep canyons, sharp ridges, and wave action carved cliffs going straight to the water's edge. On the road to La Perouse Bay the lava flow from Pu'u Pimoe cinder cone astounded us

with its violent effects from volcanic eruptions. Miles of thick, black molten rocks slide from the cone into the bay.

The Lahaina region, which is 3 miles from our hotel, is rich in history. Tradition tells of powerful chiefs living here in ancient times. Lahaina became the capitol of Hawaii in 1820; it remained the seat of government for 34 years until Honolulu took that role.

In the mid 1840's, Lahaina was a popular whaling port with more than 400 ships calling every year. Now it is a National Historical Landmark area.

Our last night on Maui and the highlight of our stay was a sunset beachside Aloha Luau. An authentic luau encompassing all the proud tradition of the Hawaiian people with spectacular Polynesian music and entertainment with hula maidens, and a fire-knife dancer. A buffet with the kalua pig, poi, chicken-pineapple, sweet potatoes, and rum punch was included.

Mrs. Scott Lee Stephens

Miss Runnion, Mr. Stephens United In Marriage June 15

Leigh Ann Runnion and Scott Lee Stephens were united in marriage during a double ring ceremony Friday, June 15, 1984 in the Robert Lee Baptist Church. Rev. John Reynolds of McAllen officiated the ceremony.

The bride is the daughter of Mr. and Mrs. Arthur Runnion and parents of the groom are Mr. and Mrs. John E. Stephens, all of Robert Lee.

Given in marriage by her father, the bride wore a gown of Southern Belle design fashioned of white satin and lace with crystal organza long sleeves etched in lace and pearls. It featured a scalloped edge neckline of lace and pearls. The full skirt and chapel train featured accordion pleated organza ruffles extending the length of the train.

A bridal hat of organza and chantilly lace, tipped at the side with lace, satin bows, and flowers, etched with pearls, adorned her head. She carried a cascading bouquet of white roses, baby's breath and greenery enhanced by satin and lace ribbon streamers. For something old, the bride wore a single strand of pearls belonging to her Grandmother Runnion.

Serving the bride as attendants were Martha Bickley of Robert Lee as Maid of honor and Becky Ross of Lubbock as matron of honor. Bridesmaids were Shanda Vernon of Sudan, Mindi McCabe and Debbie Cummins, both of San Angelo, and Toni Richardson of Littlefield. They wore identical gowns of Southern Belle design of organza over taffeta in the

brides chosen colors of peach, yellow, blue, orchid, pink, and green. Their hats were of matching colors in the style of the bride's.

Acting as best man to the groom was his brother, Randy Stephens. Serving as groomsmen were Ricky Ross, Lubbock; Doug Lubke, San Angelo; Keith Dillard, Millersview; Terry Millican and Scot Long, both of Robert Lee. Ushers were Robert Runnion, brother of the bride; Lance Broadhurst, Levelland; Brandon Barker, San Angelo and Kyle Gibbs of Robert Lee.

The groom was attired in a white, long-tailed tuxedo and his attendants wore silver gray, tailed tuxedos.

Flower girl was Sarah Bradbury, San Angelo, cousin of the bride. The ringbearer was Chad Luther, cousin of the groom, from San Angelo.

Special music was by Richard Long of Ira who sang "The Twelfth of Never" and "Suddenly." Organist for the ceremony was Waymond Dixon of San Angelo.

The church was decorated with an arch of greenery, pastel carnations, white candelabras holding white candles under crystal globes. The choir rail was covered in greenery, baby's breath and candles in pastel colors. Pew markers were of white rose, baby's breath and greenery.

Gay Williams of Robert Lee registered guests.

A wedding reception followed the ceremony in the fellowship hall of the church.

The bride's table clothed in white lace held the bride's cake which was highlighted with a yellow fountain and pale green flowers. A silver candelabra entwined with pastel flowers centered the table. Frosted punch was poured from a silver punch bowl. Bridal rose mints were served from silver appointments.

The groom's table covered with an ecru cloth held a chocolate cake formed in the shape of a horseshoe. Chocolate cowboy mints were served from a gold tray. Other table compliments were gold candelabras centering the table holding yellow candles.

Mrs. Stephens is a graduate of Robert Lee High School and attends South Plains College. She is employed in the credit department of Western Auto in Levelland.

The bridegroom is also a RLHS graduate and is attending Texas Tech University in Lubbock. He is employed by Capitol Foundry in Shallowater.

After a brief honeymoon trip the couple will make their home in Levelland.

Mr. and Mrs. Jamie Sawyer

Melton, Sawyer Wedding Vows Exchanged June 17 In R-Lee

Terri Lynn Melton and James W. Sawyer exchanged vows on Sunday afternoon, June 17, 1984, at 5 p.m. in the home of the groom's parents.

Mrs. Sawyer is the daughter of Mr. and Mrs. Harold Melton of Millington, Tennessee. Mrs. and Mrs. Tom Sawyer of Robert Lee are parents of the groom.

The Rev. Ray Aldridge, pastor of the Emmanuel Pentecostal Church, officiated the double ring ceremony.

The couple were married before an arch of English ivy enhanced by apricot bows. The bride was given in marriage by J.E. Hollis, grandfather of the groom.

The bride chose a white gauze,

ballerina-length dress for her wedding. Her bridal bouquet was made up of apricot long stemmed roses tied with apricot streamers. A hairpiece of apricot flowers and baby's breath completed her ensemble.

Organ music for the service was presented by Gary Davis of Ozona.

Mrs. Gina Sawyer of Lumberton attended the bride as matron of honor.

Wes Sawyer of Lumberton served his brother as best man.

A reception in the home followed the ceremony. The lace-covered serving table held a white three-tiered wedding cake graced by a cascade of fresh apricot flowers.

The wedding was attended by close friends and relatives including the groom's grandparents, Mr. and Mrs. R.C. Sawyer and Mr. and Mrs. J.E. Hollis, all of Robert Lee.

Mrs. Sawyer, a graduate of Millington High School, Millington, TN., is employed by Baker's Grocery.

The bridegroom is a graduate of Robert Lee High School and is employed by Clendennen, Inc.

Record Setting Stripper

Record Setting Stripper Caught Last Week At Lake Spence

A new Lake Spence striped bass record was set last Tuesday, June 19, when Jerry Stanaford of

Midland landed a 30 lb 1 oz lunker. This surpasses the record held by Harold Sorey of Odessa who had a 26 lb 13 oz catch.

According to Paint Creek Marina operator, Ray Windsor, who certified the weigh-in, the fish was caught in about 35 ft. of water. It bit a down rigger 2 oz jig with a plastic worm while Stanaford was trolling.

The massive fish, sporting nickel-sized scales measured 40 inches in length and was 27 in. around the middle.

Ray and Margie Windsor kept the stripper in the marina freezer for Stanaford. An area taxidermist picked the fish up last Thursday for mounting.

The new record bears out Texas Parks & Wildlife personnel's predictions of the steady growth of striped bass in Lake Spence. Paint Creek Marina has a mounted specimen in their store of a 30 lb stripper netted in a survey in 1978 so the big ones are there and growing.

Mr. and Mrs. Windsor attest to fishermen's accounts of mangled fishing gear, broken lines, and being towed in their boats by the "big one that got away."

Webb Family Holds Reunion At Bronte

A large number of descendants of the late Mr. and Mrs. C.H. Webb met at the Senior Citizens Center in Bronte on Sunday, June 24, for their annual reunion. Four daughters and one son of the Webb family were in attendance, with one daughter in California unable to be present. Lots of good music and singing were enjoyed by the group.

Those present from Bronte were Lester and Lois Webb, Terry and Donna Poehls and Brandon, Juanita Parker, and Nadine Webb.

From Robert Lee were Joan and Edward Poehls and Stephanie; from Blackwell were Bruce and Karon Holland, Jimmie Don and T.J.; Buddy, Wanda and Deanna Dyess.

Others attending were Gary and Dianne Parker, Gregg, Cody, Brandon and Brandi; Gay Rosser; Bob and Peggy Clark; Jack, Dianna Rosser and Susan; Craig and Laicy Letz all of Abilene; Melvin and Sharon Ischar, Courtney and Matthew of Ballinger; Scott and Susan Clark and Cody, and Trevlyn and Patti Pitner of Snyder; Floyd and Sherry Smith and Terry Jason of Blanket; Annie and Howard Rosser and June Cummings of May.

Coming from San Angelo were Carolyn and John Ferrell, Doug, Lance and Lynn, Fern Wright, Bobby and Julie Webb, Kenneth and Stephen; also, Virdie Richardson and Delta and Kenny Howard all of Hamilton; and Lana and William Burton and Michael of Winters.

Friends who visited were Dora Galloway and Alma Wanoreck.

During drought conditions, a rancher needs to reappraise his entire operation to look for ways to improve overall efficiency, says a livestock specialist with the Texas Agricultural Extension Service, Texas A&M University System. To reduce stress on lactating cows, a rancher might wean the calf and sell it early. With heavy culling, a rancher could easily move from year-round calving to a spring or fall calving season and might also consider cross-fencing large pastures so as to set up a rotational grazing system.

PLAY DAY

The Coke County Rodeo Association Play Day will be held Friday night, June 29 at 7:30 p.m. instead of their usual Saturday evening affair. Everyone is reminded of this change in dates and invited to come out and enter into the fun as competitors or spectators.

Mt. Creek Golf News

Broiling temperatures failed to keep golfers in the shade at last Sunday's ABC tournament. Ivey Motor Company sponsored the meet which drew 37 players.

A sizzling first went to Bob Boone, Tommy Antilley, Don Elliott, and Sue Ybarra with a 64 score.

Ernest Ybarra, R. Gonzales, Tony Smith, B. Wagner, and Bucky Sparks carded a close 65 for second.

Randy Lewis, Nell Bosworth, Greg Pearson, and Bob Northcutt finished in third place with a 65, also.

Last Thursday's Afternoon Delight, the members only tourney, numbered 30 golfers. The players and their spouses enjoyed a covered dish supper following the finish of play.

A club meeting is scheduled after the Thursday, June 28, tournament.

Coming up next on the tournament schedule is the Family Partnership on July 7-8. The meet will be scored on the point system and entry fees are \$30.00. Tee-off time on Saturday will be 8:30 a.m. and 1:30 p.m. on Sunday.

Mrs. Carla Kristinek and 6-month-old Will of Lubbock visited several days last week with her father, Dale Wojtek, while her husband was serving as a counselor at a 4-H encampment in New Mexico. She also visited with her grandmother, Mrs. Mildred Wojtek, who is a resident of West Coke County Nursing Home.
