Norther brings rain; cooler weather

The first major norther triggered good rains for our thirsty West Texas territory. Thunder began to roll after midnight on Saturday with good showers following. Sunday morning lows dipped to 40 degrees with strong winds from the North.

County measurements were generally equal with Robert Lee's official count at 1.30 inches, Bronte had 2.00, and Blackwell gauged 1.75. Coke County neighbors did receive more, however-- San Angelo, 2.46; Colorado City, 1.90; Ballinger, 2.36; and Mertzon 3.15.

Traditional Texas weather, famous for sudden changes, ranged from 32 degrees in the Panhandle to the mid-90's in South Texas over the weekend. Amarillo shivered as snow flurries fell for about an hour on Sunday morning. The Midland-Odessa area was shaken by 82 m.p.h. winds Saturday night as the weather system

approached.

The cold front set or broke records to the North for late September. Ten inches of snow fell in Nebraska, Denver, Colorado had more than 8 inches, and Kansas was blanketed by a 4 inch snowfall.

Though residents in the region were glad to see the needed rains, little runoff was noted and most ranchers feel it's "too little, too late". The immediate future looks grim for Coke County ranchers. Pastures are bare and some who have not cut herds to the bone are already feeding every bite livestock get. They say if warm seasonal weather returns for several weeks, some winter grass and weeds might grow.

Area farmers don't expect the weekend rains to hurt their cotton to be harvested in the next few weeks unless a long rainy spell should follow up. The moisture will aid those who are ready to

plant oats and wheat most of all as many would hesitate to plant much later in the year.

At presstime, weather forecasters are calling for more showers through the week.

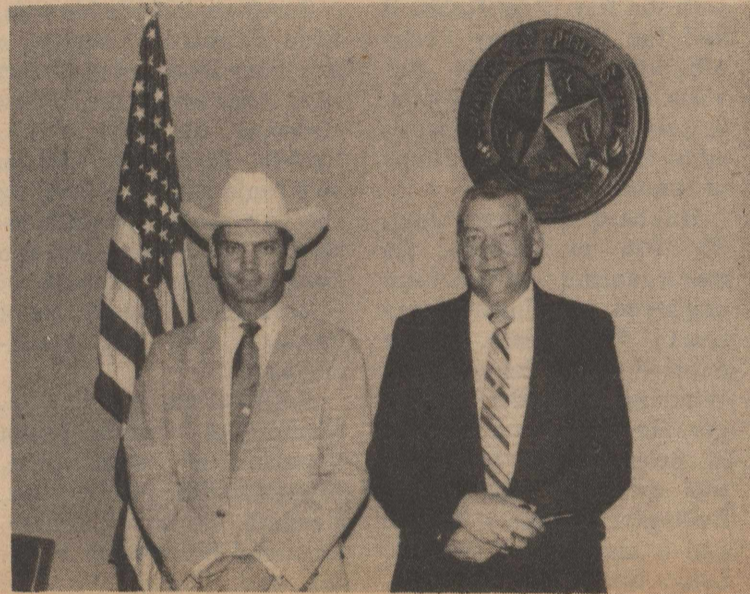

Sheriff attends psyche school

Sheriff Marshall Millican of Coke County Sheriff's Department attended a Psychological Profile School which was conducted at the Department of Public Safety Academy in Austin, Sept. 16-19. The School was sponsored by the Sheriff's Association of Texas.

There were 50 in attendance at the School. The instructor was William T. (Bill) Peters of Albuquerque, N.M. Peters is retired from the FBI where he was a psychological profiler for over 20 years.

Psychological Profiling has been used for many years. Thousands of cases have been thoroughly studied to gain the necessary knowledge to describe the type of individual that leaves a certain type of crime scene. The information has been compiled and put to use to be used in investigations throughout the United States.

The "Psychological Profiling" School, thought to be another way to aid investigators in all types of crimes, is new in the sense that for the first time this information and skills is made available for the use of officers outside of the FBI.

RL plans homecoming

Orange, black, and white are the fashion colors in Robert Lee this week in preparation for the annual school homecoming. School colors can be seen over town and on campus in abundance.

Homecoming 1985 will kick-off Friday (today) with the parade downtown at 2:30. Parade entries will gather at the Courthouse for the march to the school. Included will be the Stompin' Steer Band, various floats, the Steers, Mr. and Miss RLHS, and the Homecoming Queen and King candidates.

This year's queen candidates are Patty Bloodworth, Jana Gartman, and Missy Grim.

Jim Bob Jacobs, Joe Torres, and Kimble Middleton are the 1985 king candidates.

Parade participants will make their way to the school where a rousing pep rally

will be led by the cheerleaders, along with skits, speeches, and special events in the gymnasium at 3:15.

A barbecue will be held at the school cafeteria, serving from 5:00 until 6:30. Although the ticket purchase deadline has passed, sponsors of the meal stated that tickets may be purchased at the door; no one will be turned away, so come and enjoy the meal and fellowship. Prices have been set at \$5.00 for adults and \$3.00 for children under 10.

The Robert Lee Steers will host zone opponent Water Valley for the 7:30 football game. The 1935 graduating class of RLHS will be recognized at the game and again at the reception following.

Immediately after the ball game, a reception for all visitors will be held in the Show Barn adjacent to the new Rec Hall at the county park. Cookies and punch will be served at the gathering.

The last activity on the agenda will be the homecoming dance in the new Rec Hall to begin after the ball game and continuing until 1:00 a.m. Tickets are \$3.50 for singles and \$6.00 per couple.

Students, exes, friends, family, and visitors are invited to attend Homecoming 1985 and enjoy that special warmth present no where else.

Coke Comment:

by Hal Spain, Publisher

One of the most pleasant surprises concerning the purchase of the newspapers in Coke County was and continues to be the attitude of the local folks about turning in their news to the paper. I've lived in other larger and one or two smaller communities before moving to Coke County, and I can truthfully say that Coke County is the best at turning in local news to the newspaper.

In many ways, we at the paper are limited somewhat in our ability to cover local happenings. We can't afford to hire any investigative reporters, and you won't find many sports or political reporters on the staff.

What you will find are dedicated volunteer people like Ronnie Baker and Randy Cregar, who do an excellent job with the football write-ups, along with other folks from the schools, hospital, nursing homes, etc., who take the time from their busy schedules to turn in their

news to the paper.

The point I am trying to make is that we appreciate your work, and urge you to continue to send your news in to the paper. In most cases, we can get the information in the paper the week it is turned in, especially if it is date information, such as an upcoming club meeting, etc.

Should someone indicate to you that they can't get anything printed in the paper, you'll know they are 'blowin smoke', cause there have been very few instances in the past year where we could not get a story in the paper. There are times, like this week, where we may have to postpone a news item until the next week, or even the week after that in some few cases, but we do our best to get all the stories in at one time or another.

A newspaper is only as good as the information it contains, and your continued support is necessary and very much appreciated.

Rodeo awards slated

The Coke Co. Rodeo Association will hold its Awards Banquet on Saturday, October 19 at 6:30 p.m. in the Senior Citizens Center.

On the agenda are the presentation of awards for Play Day participants, a business meeting and elec-

tion of officers for next year. The dinner will be potluck style, with members bringing enough food for their family.

All members and prospective members are invited to attend.

Steers succumb to Bulldogs

by Ronnie Baker

When you get a penalty on the first play from scrimmage, then get another one before you run 3 plays, it is evident that it's going to be a long night. The Steers are still trying to find an answer to their problems as they are fighting odds that are just nearly too much for 15 and 16 year old boys that are up against 18 year old ones. Youth is a strange thing, as your mind and body just does not adjust quickly to growing up. Growing up is what the Steers are in for this year as they have the tiger by the tail and they are going to take lots of abuse and punishment from critics and players alike, but there's always another year.

1st QUARTER

The Steers received the opening kickoff and returned it to the S.36, but the 2 quick penalties put them back on the S.24 yd. line. The Steers then have to punt with the kick going to the S.47. The Steers then hold the Bulldogs and they punt to the S.14. The Steers can't move again and they punt to the S.48. Eden then gets cranked up and drive for 4-1st downs to the 3 yd. line where they score. They kick the extra point and it is 7 to 0. Eden kicks off and the Steers return to the S.32. They made a 1st down as the quarter ends.

2nd QUARTER

They make another 1st, but then Eden holds on downs at the Eden 37. Eden then strikes quickly for a 63

yd. TD run. The extras fail and it is 13 to 0. Then a little cat and mouse game starts for the rest of the quarter as both teams try to move the ball in the air and between 3 interceptions, the Steers get the last one as the quarter ends with Stevie Ebenstein of the Steers getting it as the gun sounds.

3rd QUARTER

Eden kicks off with a return to the S.24 Eden holds and the Steers punt to the S.45. Eden then rolls again with big chunks of gain and score again with 4 minutes left. They kick the extra and it is now 20 to 0. Eden kicks off and the Steers make 2 good 1st downs to the E.39, but then they falter and Eden takes over on downs as the quarter ends.

4th QUARTER

The Steers then hold and Eden punts to the E.44— very short. After 2 exchanges the Steers recover a fumble by Jason Herring at the E.16. The Steers get a 1st down at the E.4 and on a little play action fake, Charles Sherill passes to Ebenstein in the end zone for a Steer TD. The extra fails and it is now 20 to 6. The Bulldogs then take the kickoff and with great quickness move the length of the field for another TD. They kick their extra point and it is 27 to 6, with 26 seconds left. But the excitement isn't over as Mike Sanchez takes the kickoff and returns it nearly 80 yds. for a Steer TD. J.P. Skipworth kicks the extra point with

11 seconds left. Then Eden just runs out the clock in one play.

27 to 13

The Steers will be at home Friday night (tonight) to host the Water Valley Wildcats for Homecoming 1985. Everyone is urged to attend any or all the Homecoming activities and back the young Robert Lee Steers.

BRONTE SCHOOL NEWS

Horns handle the Wildcats

by Randy Cregar

The Bronte Longhorns defeated a robust Water Valley team last Friday night to improve their season record to 3-1 and a district record of 1-0.

The first half of the game was dominated by the defenses of both teams as no score was posted by either team. The Longhorns could get very little yardage running the ball against the big Wildcat line in this half, however; there were several good open field blocks that caused some excitement in the press box. Waylan Ensor made one block that allowed Todd Brooks to return a punt a few yards further upfield. Corby Kelso made two good blocks to allow Stephen Lee more time to throw the ball. Bowie McGinnis made a good block to permit Stephen Lee to gain some yardage around the corner. The majority of yardage was gained through the air with passes from Stephen Lee to Pete Puentez and Mark Adams for gains of 18 yards and 33 yards respectively. Defensively the Longhorns swarmed the ball with Duff Kelso, Corby Kelso, Joel Sanders, Mark Adams, John Morrow, Jeff Lee, Eric Hoffman, Waylan Ensor, Pete Puentez, Johnny Flores all reaching the ball first at least one time. Joel Sanders got an interception off a pass tipped away from the Wildcat receiver by Duff Kelso.

The 2nd half looked much different than the 1st half with Bronte getting its running game untracked. With about 4 min. left in the 3rd quarter, Water Valley was forced to punt. Todd Brooks took the punt and with a good block from Jeff Lee returned the ball 25 yds. to the Wildcat 31 yard line. Stephen Lee gained 14 yds. on the next play following a Corby Kelso block. The next play Stephen Lee went 14 yds. again to the Wildcat 3 yd. line. Corby Kelso punched out two more yards to the one yard line, and Stephen Lee carried the ball in for a score with 2:46 remaining in the quarter. The try for two failed and Bronte led 6-0.

The second Bronte score occurred in the 4th quarter. Corby Kelso picked off a

Water Valley pass and returned it to the Wildcat 35 yd. line. Stephen Lee was sacked for a 7 yd. loss and then threw two incomplete passes. On a 4th down and 17 yds. to go, Pete Puentez (who was doing the punting for Bronte) took the snap and whizzed around the corner for 25 yds. to the W.V. 17 yd. line. The ball was then moved to the 8 yd. line on a face mask penalty. On the next play Pete Puentez rambled over for the TD with 7:33 left in the game. The try for two failed again and Bronte led 12-0.

The Longhorns seemed to relax at this point and allowed W.V. to drive 78 yards in 11 plays for a score with 3:28 remaining in the game. Most of the yardage came on two big pass plays. The Wildcat kick failed and the score was 12-6.

The W.V. onside kick attempt was successful as the Wildcats gained possession at the Horn 37 yd. line. However, the Bronte defense stiffened to preserve the victory.

Defensively the Horns played very well the 2nd half with Bowie McGinnis joining the Horns mentioned in the first half in making many tackles. Also, Corby Kelso hopped on a Wildcat fumble deep in Bronte territory along with Stephen Lee intercepting a third quarter W.V. pass. The hit of the week was a tough selection as there were many solid

performances and hits by Corby Kelso, Bowie McGinnis, Joel Sanders, and John Morrow, Corby Kelso gets the coveted title this week with the hit with the best ring to it.

Offensively, once again praise to the offensive line especially on their 2nd half effort. Corby Kelso was the team's leading rusher with 50 yds. on 13 carries. Pete Puentez was a close second with 47 yards on just 4 carries, Stephen Lee 42 yds. on 15 carries, and Duff Kelso 6 yards on 9 carries (as Water Valley keyed on Duff after his 100+ performance a week earlier).

The Longhorns will face district 8A West foe Sterling City this weekend in Sterling City at 7:30. The Eagles are quick and aggressive. Come and support the Longhorns as they seek win number four and attempt to keep their district record unblemished.

Booster Club attendance urged

The Bronte All-Sports Booster Club is urging more parents, fans and persons interested in all BHS sports to attend their regular meetings in the school cafeteria at 7:00 p.m. each Monday.

Lady Horns post results

Lady Longhorns were on the road last week with games in Miles and Brownwood.

The varsity volleyballers dropped two out of three games to Miles, but stayed in contention all the way. The team took the first game 15-8, and stayed right on Miles' heels but wound up with deficit scores of 12-15, 12-15 in the last two games. The Bronte JV lost their first game to the Miles JV's by 12-15, came back with a 15-9 win and were soundly beaten in the final game 0-15.

When they met Brown-

wood, the Lady Horns lost their game, while Freshmen and JV teams were successful. (Scores unavailable).

Tuesday of this week, Colorado City came to town for varsity, JV and Freshman games. The Varsity lost their first game 10-15, then the teams played an exciting, close game which finally ended in CC's favor 12-15.

The JV took their match in 2 games, 15-9 and 15-6.

The Freshmen had an easy time of it and put their's away with scores of 15-3 and 15-1.

Bronte Homecoming

Bronte ex-students, teachers and former townspeople are alerted to prepare to attend Homecoming activities on October 25.

One of the important events of the day will be the football game between the Bronte Longhorns and Irion County Hornets at 7:30 p.m. at the local stadium. Half-time activities will feature the crowning of the Homecoming queen and presentation of duchesses, sweethearts and beaux.

A Homecoming Dance will be held at the Bronte Community Center following the game, sponsored by the All-Sports Booster Club.

Everyone is invited to be making plans to "come back home" whether they're last year's graduates or have been away for many years.

A group of ex-students were selected last year to serve as the 1985-86 homecoming committee, in lieu of elected officers. Members of the committee are Marilyn Bivins, Jackie Corley, Bren-

Reunion set for October 6

The Bronte Community Center will be the locale for the annual Hayrick/Ft. Chadbourne communities reunion on Sunday, October 6.

A special program is planned and trophies will be presented. All former resi-

dents and friends are invited to attend this affair. The association will furnish the barbeque for lunch and attendees may bring the accompaniments, such as salads, vegetables and deserts.

Bronte Seniors to meet

Bronte Senior Citizens will meet the third Thursday of the month on October 17, instead of the usual second Thursday for their regular potluck luncheon and games.

All seniors are invited to bring a covered dish and join in the fun.

Voter registration deadline set

Time is running out for eligible Texans to register to vote for the November 5th General Election. The deadline for registering is Sunday, October 6th.

An estimated 7.4 million Texans are registered to vote, but there are over 11 million Texans of the eligible voting age.

Registering to vote is one of the easiest things a Texan can do and yet many choose not to become a part of the election process even though they are greatly affected by it.

Post card registration applications are available in State Office Buildings, Federal Post Offices, County Voter Registrar offices, and various supermarkets throughout the state.

The postage free voter registration application, if mailed, must be postmarked no later than October 6th, 1985 for the applicant to be able to vote on November 5th.

Those who wish to register in person must do so at their County Voter Registrar's office by the close of business on October 4th, 1985.

Voter registration applications and further information about voter registration may be obtained by calling the Secretary of State Elections Division toll free at 1-800-252-VOTE.

Personal

Mr. and Mrs. G.R. Smith, Wanta Coats and Helene Birdwell of Carlsbad, N.M. have been visiting Mrs. Smith's mother, Vela Plumlee, their son, Raymond, and wife, Gwyn, grandson Raymond L. and family, sisters Bessie Brice and LaVern Summers and other relatives in Robert Lee. Mr. Smith and his sons and grandson have been fishing at Lake Spence.

Steve Hatley of Conroe made a 5-day visit to Robert Lee recently to be with his grandmother, Mrs. Zola Hatley, who underwent surgery at West Coke County Hospital.

Mrs. Hatley has been released from the hospital and is recuperating at the home of her brother and sister-in-law, A.V. and Evelyn Hughes.

Mitchell wins at roundball

Kelle Mitchell of Ft. Worth, a 15-year-old junior at Haltom High School, recently won the National Hot Shot competition at the AAU Junior Olympics at Fairfax, VA.

The basketball competition was made up of 60 girls in the 16-and-under division. Each contestant shot three one-minute rounds, with each successful shot from various spots on the court worth from 2 to 5 points. Winning second in the preliminary rounds, Kelle's winning score was 38 in the finals for the win, 4 points better than the second-place finisher.

Being chosen as part of Texas' entry to the Junior Olympics rested mainly on Kelle's performance in Dis-

trict 5-A play last year. As a sophomore, she started on the Junior Varsity squad in pre-season and was chosen as the best free-throw shooter, leading rebounder, leading scorer, and had the best field goal percentage. After district play began, Kelle was moved to the Varsity team where she was named All-District Honorable Mention. Haltom City's Lady Buffs will again depend on Kelle for her all-around expertise this fall.

Kelle is the daughter of the former Jenell Jeffery who graduated from Robert Lee in 1961 and is the great-granddaughter of the late Mr. and Mrs. J.C. Cobb, lifetime residents of Robert Lee.

DON'T SHOOT AT POWER LINES!

NEVER SHOOT AT POWER LINES or the insulators that hold them, because the result could be a dangerous downed electric line. A severed line could cause a serious electrical outage, and the downed line itself could be extremely hazardous.

ADDITIONAL SAFETY TIPS:

• Use Power Tools Wisely
 Be sure wiring is in good condition and all circuits are grounded. Never use electric tools in the rain or on wet surfaces. Also, when buying new equipment, look for the "UL" seal of approval from Underwriters Laboratories.

• Keep Children Away from Electrical Outlets

Don't let small children play near electrical outlets. A child could put some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.

• Always Disconnect Cords by Pulling on the plug

When disconnecting electrical items, be sure to pull on the plug — not the cord! If you pull on the cord, you'll eventually wear it out and expose hazardous wires. Also, don't overload extension cords or outlets.

Dyess receives degree

James Scott Dyess was among 220 graduates of Texas State Technical Institute in Sweetwater who received associate degrees or certificates of completion in commencement exercises held Aug. 16.

Dyess is the son of Mr. and Mrs. Royce Dyess of Bronte.

As a graduate of the Autobody Repair program, Dyess received a Certificate of Completion.

Since completing his schooling, Dyess is employed with Product Refrigeration in Bronte and also maintains an autobody repair shop where he works part time.

Reid history noted

On television's TODAY show last Wednesday, it was announced that the day marked the 100th Anniversary of the Dallas Morning-News. The bit of news reminded the Harvey Reid family at Sanco of a rather historic family story.

J.L. (Jim) Reid (Harvey's father) was born in Emory, Texas, just east of Dallas. When he was 9 months old his father, a Confederate

soldier, was killed in the Civil War. Times were hard for the family and Jim Reid went to live with relatives. To add to the family income, the 13-year-old boy was hired by the just-opening Dallas Morning-News. He sold the first issue off the press outside on the street.

He came to Sanco, Coke County in 1906 where he raised his family and lived out his life.

Diversity Club meets

Louvenia Rees presented the program to the Diversity Club at their regular meeting in the home of Helen Kirkland on Thursday, Sept. 26. Her topic was "Taking a Closer Look at Federation for Clubs in Smaller Towns". The club members repeated the pledge to the American flag, salute to the Texas flag and held a business session,

conducted by Flora Smith, president.

Mrs. Smith was winner of the floating prize.

Mrs. Kirkland served refreshment plates to members: Edith Hipp, Frances Kemp, Vera Raney, Ruth Hageman, Mildred Thomason, Ona Hughes, Flora Smith and Louvenia Rees.

Stephenson reunion slated

The annual Stephenson family reunion is slated for Saturday and Sunday, October 12 and 13, at the Bronte Community Center. A spe-

cial invitation is given to all family members and friends to attend, according to family spokesman, Mug Stephenson.
