Hunting season to begin Saturday

The "Big Three" - deer, turkey, and quail - fall hunting season will get into full swing this weekend in Coke County.

Quail season actually began statewide November 2nd, and will continue through February 23, 1986. Bag limit has been set at 12 birds per day, reflecting the low numbers in most areas. Quail have been slow to bounce back from the last three years of record winter freezes and drought. Ranchers who have sold most of their herds off pastures, and now have sufficient cover and weeds, report seeing good coveys again, but the Coke County bird count is generally down.

Deer archery season ended on November 3rd, with local hunters taking a good number. The gun

season for deer opens Saturday, November 9, and closes January 5, 1986, allowing almost an extra week this year. Coke Countians may take 4 deer, either sex, limited to 2 bucks. An antlerless tag from the landowner must be attached to all antlerless deer, in addition to the hunting license tag.

Deer prospects look good for the coming season. Animals are fat, an apparent average fawn crop was produced, although some are still quite small, and horn development is good on the bucks.

Biologist Horace Gore, with the Texas Parks and Wildlife Department, urges Texas hunters to again harvest over-populated does while body fat is still good. "Last hunting season, hunters took more than 100,000 antlerless deer for the first time, which is good," he said.

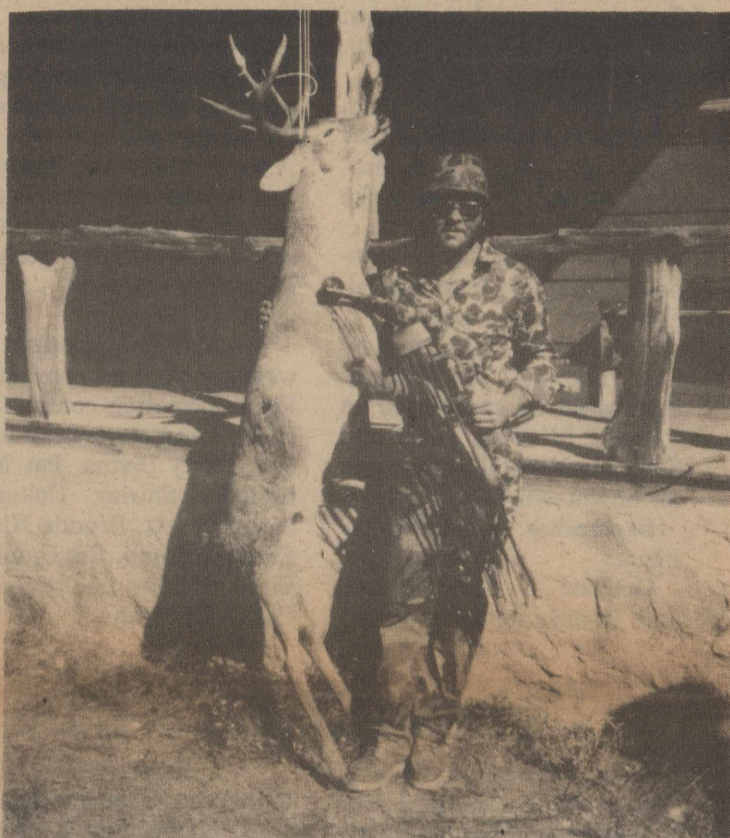

The state commission setting bag limits upped the total number of turkeys to be

taken this season, indicating their surveys show an abundance of adult birds, with last spring's hatch about average.

The fall turkey season will run concurrently with deer hunting, November 9 - January 5, 1986, with 2 turkeys, either sex allowed. A spring season in Coke County begins April 12 - April 27, and allows 2 gobblers.

Legal shooting hours for all game animals and game birds, except migratory game birds, are one-half hour before sunrise to one-half hour after sunset.

The 1985-86 Texas Hunting Guide (available free where licenses are sold), states that all hunters 17 years of age or older, while hunting, fishing, or trapping, must have on their person a driver's license or personal identification certificate. Coke County Game Warden Sparks Burdett can clarify any questions hunters might have.

EDDIE JOHNSON OF Odessa killed this nice eight point buck the last weekend of archery season on the Open Heart Ranch near Sanco, owned by Mr. and Mrs. Eddie Derrick.

Bronte Sesqui Committee meets

The Bronte Sesquicentennial Committee met recently in an important planning session for the 1986 State Birthday Celebration. Outlining plans for a monthly celebration throughout the year involving the schools, churches, organizations, clubs and citizens of the community are very necessary to having a successful 150th birthday party for the State of Texas.

The next step, and the biggest, is getting everyone interested and participating in the activities. Being informed in advance gives a person or group time to prepare and enjoy the party time atmosphere. The committee urges everyone, young, old or in-between, to get involved in the preparations and be a part of the statewide celebration activities. Make it a GREAT YEAR - 1986!

A brief outline plan follows:

January -- Community-wide observance of the be-

ginning of the Sesquicentennial Year. A program held at the school with Mayor J.T. Henry as master of ceremony, students in costume to be awarded "Best Dressed," etc. A big kick-off for a busy year, sponsored by the Sesquicentennial committee.

February -- Coke County Fair, sponsored by various countywide organizations.

March -- A Big Texas Birthday Party in downtown

Bronte centered at the Mini-Park. A Cake Baking Contest - awards to best decorated and most tasty in children and adult divisions. Announce the beginning of the Beard and Mustache Contest. Real Party Atmosphere!

April -- Sesquicentennial Women's Recognition Day. A tea honoring outstanding

(cont'd. on page 2)

Voters pass amendments

Coke County voters strongly supported the state water plans in Proposition 1 and 2 in Tuesday's General Election. Countywide, #1 passed 247-73, while #2 was endorsed 231-87. Voters did turn down Proposition 9, in a 111-196 count. Coke County upheld the other 11 propositions on the ballot.

Although across-the-state election results were not complete at presstime, all 14 propositions before voters

appear to have passed.

Secretary of State Myra A. McDaniel, whose office is in charge of Texas elections, had said that only 11 percent of registered voters were expected to go to the polls for the off-year balloting.

Boone services held

Mrs. Frances Sovey Boone, 69, of Stamford died at the home of her daughter, Mrs. Betty Holden, in Midland Saturday, Nov. 2, following a lengthy illness.

Funeral services were held at 2 p.m. Monday in the Central Baptist Church in Stamford. Interment followed in Highland Cemetery. The Rev. Clyde Cook, Taos, New Mexico, officiated the rites assisted by the Rev. Randall Stewart of Stamford.

Mrs. Boone was born Nov. 9, 1915 in Waco and married O.B. Boone July 7, 1936 in Stamford.

Survivors include her husband of Stamford; two sons, O.B. Boone, Jr., Stamford and Bob Boone of Robert Lee; two daughters, JoAnn Head of Sweetwater and Betty Holden of Midland; one brother, Charlie Smith of Haskell; eleven grandchildren; and four great-grandchildren.

Social Security benefits

The full Social Security benefit retirement age is currently 65, but a person can retire as early as age 62, Franklin H. Upp, Social Security manager in San Angelo, said recently.

"For those who do retire before 65, however, the amount of the retirement check is permanently reduced. In addition, payment amounts are reduced if a wife, husband, widow,

or widower starts getting payments before age 65. The amount of the reduction depends on the number of months the person receives checks before age 65."

Weir has studio location in RL

Robert Lee artist George Weir now has a studio located in the building formerly occupied by Coke County Pharmacy and Heart O'Texas Savings Association at 405 West 10th Street.

Many of his paintings are on display and he plans to offer art lessons in drawing and watercolor painting. He is at the studio during business hours.

Weir has been painting in watercolors and oils for over 20 years. He has shown his works in San Angelo, Colorado City, Big Spring, Ballinger, Sterling City, Graham, and Fredericksburg, some of these being in one-man shows. Much of his art has become prized possessions of collectors throughout Texas. He is a member of the West Texas Art Association and held a workshop last Monday night for the San Angelo Art Club. His paintings include varied subjects - wildlife, landscape, and Western art.

Weir says he considers himself "almost a Rabbit Twister". He and his wife, Ida, have been in Robert Lee 12 years now and reside on Lake Spence.

Recent rains have really allowed Coke Co. to put on its Sunday clothes in native pastures as well as recently planted small grains. We should have opportunity for excellent grazing this winter and spring. With the available moisture we have, top-dressing with fertilizer should be considered this year on small grains. Studies show that small grain genetically determines its yield potential the first 45-60 days after emergence. An application of nitrogen during the time will not only increase yields next spring but also allow plants to tiller faster and produce more grazing potential this fall.

PRICKLY PEAR JELLY

Here is a recipe from a Menard County homemaker for Prickly Pear Jelly which is supposed to be excellent.

- 4 cups pear apple juice
- 1/2 cup lemon juice
- 1 1/2 pkgs. Sure-Jell
- 6 cups sugar
- 1/8 teaspoon salt

Wash pear apples several times. Cover with water and boil 10 minutes, then mash with potato masher. Cook 10 minutes more; mash again. Strain. Bring the juice to a hard boil. Add sugar, salt, lemon, and Sure-Jell. Boil 3 to 5 minutes. Seal in jars.

Steers outscore the Bulldogs

by Ronnie Baker

Finally! The Steers got back into the win column with a victory over the also cellar dwellers, the Miles Bulldogs. The two teams were evenly matched as far as statistics showed, but the Steers had the upper hand in the scoring. The Steer defense had its ups and downs, but in the 4th quarter, they held the Bulldogs on a 4th down attempt that sealed the victory. All that's left now is the showdown for the County Championship.

1st QUARTER

The Bulldogs received at their 2 with a return to their 24. The Steers held for little gain and Miles punted to the S.45. The Steers then showed a little offense as they moved for 4-1st downs to the

Miles 7. Three plays later, Sanchez punches in for the TD. Skipworth kicked the extra point and it was 7 to 0. The Steers kickoff and hold the Bulldogs again and they take over at the Miles 36. The Steers made a 1st at the M.23, but they falter and attempt a field goal which fails. Miles takes over at the M.24 as the 1st quarter ends.

2nd QUARTER

Miles starts a drive of their own as they drive for 4-1st downs to the S.26. But a hard rush causes the quarterback to fumble and Pammy Millican recovers at the S.41. The Steers make a 1st at the M.47, and then Jacobs breaks one down the sideline to go all the way for

a Steer TD. Skipworth kicks the extra and it is now 14 to 0. The Steers kickoff and hold the Bulldogs, but on the punt the Steers misplay the ball and Miles recovers at the S.36. Miles makes a 1st down at the S.24, but the Steers hold to run out the 1st half clock.

3rd QUARTER

The Steers receive the kickoff and return to the S.29. Miles holds and the Steers punt to the M.39. Then trouble begins as the Bulldogs make 4-1st downs and scores from the 2 yd. line. They kick the extra and it is 14 to 7. Miles kicks off to the Steers and hold for little gain and the Steers punt to the M.30. Then Miles does it again as they time-consume 4-1st downs to the S.6 as the quarter ends.

4th QUARTER

Miles quickly scores and after a penalty-aided extra point attempt fails the score is 14 to 13. The Steers get busy on the ensuing kickoff and drive for 4-1st downs to the M.11 yd. line. They razzle dazzle a pass in the end zone with Runnion hitting Herring with a pass to up the score after Skipworth kicks the extra, to 21 to 13. Miles takes the kickoff and starts a march of their own, but the Steers stiffen at the Steer 30 and hold on downs. A little excitement is deflated when Jacobs breaks another one for 70 yds. and a TD, but it is called back on a penalty to the S.25. The Steers go ahead and make a 1st at the S.41 to help seal the victory as they were able to run out the clock from there.

The Robert Lee Steers and the Bronte Longhorns will close out the regular season in Bronte tonight at 7:30 to decide the annual Coke County Championship.

Bullpups 'whup' Dogies

The goblins were out at Miles on Halloween night and jinxed the Robert Lee Dogies when the Miles Bullpups whopped them 34-16.

Scoring first for Robert Lee was Warren Brasher on a 45 yard run with extra points by Jon Rogers on a 3 yard run. The second Dogie

touchdown came on a five yard run by Jeff Cole. Extra points by Todd Scott with a 3 yard run made the Dogie's 16 points.

Coach Max Anthony praised the Dogies efforts as the squad has played all season against opponents with a big size advantage.

Turkey Shoot scheduled

The Red Canyon Gun Club at Robert Lee will hold an Annual Turkey Shoot on Saturday, Nov. 16, beginning at 9:30 a.m. The shoot will take place at the Club's range located east of Robert Lee's city dump grounds.

Two categories will be shot: a 22 rimfire rifle and a high power rifle (no magnums) division. Any sight on either is allowed. Cost to

shoot has been set at \$2.00 for 3 shots in each category.

Contests will be broken down into age groups: sub jr. 10 thru 14; Jr. 15 thru 19; adults 20 thru 64; and old timers 60 and over.

Red Canyon Gun Club invites the public in the area to come out and compete at the Turkey Shoot for those Thanksgiving turkeys.

Senior Citizen dinner

The Senior Citizens monthly dinner will be held Friday, Nov. 15. Everyone is asked to bring a dish and enjoy a good time visiting.

Derrick's attend seminar

Mr. and Mrs. Eddie Derrick of Robert Lee attended an Exotic Wildlife Association Seminar at College Station the last weekend of October. Held at Texas A&M, the workshop agenda included the management, health, and breeding of exotic game species. A program was given on embryo transplants for endangered species as well as an advanced film and informative lecture on exotics used as health food and as meat for specialty restaurants was presented.

The group attending the seminar toured a large private ranch, Camp Cooley, which had been stocked with exotic animals. The ranch hosted a barbecue for the participants.

Mr. and Mrs. Derrick have stocked Barbado sheep on their Open Heart Ranch near Sanco for hunting for several years. They are interested in doing some additional exotic species stocking in the near future.

Horns fall flat to Santa Anna

by Randy Cregar

The Bronte Longhorns traveled to Santa Anna last Friday night to face the undefeated Mountaineers in a district 8A west action. The Longhorns looked flat from the hard-fought loss of the week before and fell 27-6 to Santa Anna.

The 1st half was completely dominated by the Mountaineers as Bronte was held to a minus 23 yd. offensively and no 1st downs. However, SA with great field position the entire half could muster but two scores and led 14-0 at the half.

The first SA score came with 8:56 left in the 1st quarter on an 80 yd. drive in 7 plays. The kick was good and SA led 7-0. Santa Anna's second score was set up by a high snap from center on a punt. SA took the ball at the Horn 23 yd. line and drove for a TD in four plays with 11:27 left in the half. The kick was good and the score stood at 14-0.

Bronte's best field position of the half was at the Mountaineers 38 yd. line as a result of a John Morrow fumble recovery. A late half SA drive was also halted by Stephen Lee's interception at the Horn 18 yd. line.

Todd Brooks brought the 2nd half kickoff out to the 29 yd. line where Bronte put the ball in play. Lee connected with Randy Draper for an 8 yd. gain to start the half. Two passes fell incomplete and Bronte was again in a punting situation. Lee took the snap and dashed around end for 9 yds. and the Horns' first, first down. Duff Kelso carried the ball into SA territory gaining 6 yds. in 2 carries. A knocked down pass attempt forced Bronte to punt.

SA took over at their own 22 yd. line. The Mountaineers were unable to move the ball and had to punt.

The Horns took over at their own 41 yd. line. Jeff

Lee picked up a couple of yards to the 43 yd. line. On the next play, Lee dropped back to pass and connected with Pete Puentez for a 57 yd. scoring strike with 6:22 left in the third stanza. The try for two points failed and Bronte was back in the game trailing 14-6.

SA struck back quick scoring on a 75 yd. scamper with 6:04 left in the quarter. The kick was no good and the score was 20-6.

The Horns appear to be untracked on offense as they drove to mid-field in four plays with a pass from Lee to Puentez, and three carries for 16 yds. from Duff Kelso. The Mountaineers then stiffened and Bronte had to punt.

SA scored the games final TD with 6:44 remaining on a drive covering 28 yds. in 7 plays. The kick was good and SA led 27-6 to the end of the game.

The bright spots for the Horns were scarce, but give some encouragement going into the season finale. Lee completed three passes to Pete Puentez for 94 yds. and one to Randy Draper for 8 yds. Defensively, it was good to welcome back Kerry Lee in the 2nd half. Kerry was in on every tackle, but three while he was in the game. (Kerry had taken a two month leave of absence since the first game due to injuries). This week's hit of the week goes to Mark Adams, who hit the SA quarterback as he was throwing the ball on the same play S. Lee intercepted. Other fine hits were recorded by Pete Puentez and Michael Teel on the special teams, and Kerry Lee on the defense.

This year's final game will be played in Bronte, versus Robert Lee. Come out to see the battle for Coke County supremacy. The game will start at 7:30 Friday night.

School Short Subjects

Parent's Night is set for Friday evening before the Bronte-Robert Lee football game. As is the custom each year, parents or guardians and football players will be introduced in pre-game activities.

Parents are reminded to meet at the east end of the

stadium at 6:50, to escort their son.

Child Welfare panel meets

Rod Gardner, chairman for the Coke County Child Welfare Board, announced this week that the panel had met in the first session of the fiscal year. The chief goal set for 1985-86 was to prevent child abuse by increasing community awareness. Members of the board include Gardner; William Hood, vice chairman; both of Robert Lee; Bert Johnson, secretary; Terry Cosby, treasurer; both of Bronte; Susan Arrott, also of Bronte; Chris-

tine Abalos; Larry Anderson, Mrs. Greg Fleming, and Marie Thompson, all of Robert Lee.

Terrance Hale, 17, a senior at Bronte High School, has become quite a 'whiz kid' in the computer field. He entered an adventure program in a contest late last year, held by 'The Rainbow', a color computer monthly magazine. Williams receives senior assignment

Maj. Gary L. Williams, son-in-law of Mr. and Mrs. J.Q. Counts, of Robert Lee, whose outstanding Army career includes two combat tours in Vietnam and duty in Germany and Korea, has been assigned as the senior assistant professor of military science and detachment executive officer in the Reserve Officers' Training Corps detachment at Kemper Military School and College, Boonville, Mo.

Maj. Williams, who grew up in Phoenix, Ariz., where he was graduated from high school, is a graduate of Embry-Riddle University, Daytona Beach, Fla., with a degree in aviation management.

He entered the U.S. Army Warrant Officer Candidate Flight Training at Ft. Wolters, Tex. in 1967. Upon graduation, he was appointed to the grade of Warrant Officer (WO-1), and then served 18 months with the 1st Aviation Brigade in Vietnam, flying helicopter gunships.

In 1969 he returned to Ft. Wolters, and served as a primary flight instructor, Flight Evaluation and Standardization Division.

He received a direct commission to first lieutenant in 1971, and returned to Vietnam for a second combat tour, assigned to the First Cavalry Division.

Returning to the United States in 1972, he was assigned to the 2nd Armored Division, Ft. Hood, Tex. While there, he commanded an aircraft maintenance company.

He attended the Infantry Officers' Advanced Course, Ft. Benning, GA., in 1974, and in 1975 he was assigned to the 3rd Infantry Division, Kitzigen, Germany, serving as assistant test evaluator, USAREUR Aviation Test Directorate, G-4 1976 Reforger Empire Control Group, and Community IG, Kitzigen Military Command.

He returned to Ft. Rucker, Ala. in 1978, and served as flight commander AH-1 (Cobra) Flight Training Branch and as the branch chief of the Officer Training Branch, Maintenance Training Division.

In 1982, he was assigned to the U.S. Army Aviation Systems Command as the senior command representative to the United States Forces Korea/Eighth United States Army. While in Korea he participated in the fielding of 100 new UH-60A

(Black Hawk) helicopters to U.S. Army aviation fleet in Korea.

His impressive list of decorations include the Senior Aviator Badge, four Distinguished Flying Crosses, Meritorious Service Medal, Bronze Star Medal, Purple Heart, 65 Air Medals, Army Commendation Medal, Army Achievement Medal, Presidential Unit Commendation and numerous service medals.

Maj. Williams is a member of the Army Aviation

Association of America (AAAA) and the Association of the United States Army (AUSA).

Maj. Williams is married to the former Jacquelyn Counts, of Robert Lee, who is a graduate of Texas Women's University, Denton, Tex., with a degree in nursing. They have four daughters and two sons. The daughters are Shannon, 10; Katrina, 9; Jessica, 5; and Rachel, 1. The sons are Mark, 8, and Micah, 4.

T & C celebrates twenty

Town & Country Food Stores, Inc., celebrates 20 years in business in West Texas during the month of November. Customers will be treated to special sales and celebration all this month at all Town & Country locations. The theme of the celebration is, "For Your Convenience for 20 Years!"

In November 1965, H.C. Gibbs, District Manager of the San Angelo District, and F.L. "Steve" Stephens, Merchandising Vice President of Town & Country Foods Stores, headquartered in Austin, Texas, formed a partnership and bought the seven (7) stores of the San Angelo District from the Austin-based company. Within a few months the Austin company had sold off the rest of their stores, and by agreement the new Gibbs-Stephens company formed and headquartered in San Angelo, received the name, "Town & Country Food Stores". The company has over the last 20 years pursued a course of firm-based, steady long-term expansion from the original seven stores to a total of 107 convenience stores, 7 supermarkets and an ice plant covering 47 towns in West Texas and eastern New Mex-

ico. Town & Country employs 750 people within its organization. It is a closely held corporation and only key employees own stock.

Town & Country has always encouraged its management and employees to play active roles in the civic lives of the towns they serve. Over the years employees have made substantial contributions of time and money to scholarships at Angelo State University, the Muscular Dystrophy Association, Volunteers in Public Schools, and many other local charities and projects.

Town & Country Food Stores, located in convenient neighborhoods are open seven days a week from 6:00 a.m. until Midnight, and in several locations, 24-hours a day. Gasoline is available at all stores.

Letter To The Editor

Editor's Note:

The following editorial by Robert Lee Mayor Robert Vaughan, was sent to the Abilene Reporter News, the San Angelo Standard-Times, and the Observer/Enterprise.

"Taxes" is a terrible word. Even the good book speaks poorly of the tax collectors in Jesus' time. Yet from recorded time when two or more families settled at a water hole or trail crossing, the time came when it was necessary to repair some facility that everyone used. They all chipped in with work or money. This was taxes in its purest form.

We have refined this process now and those of us who have worked on budgets for city, county, school, and other taxing bodies remember the agonizing hours of trying to bring the needs of our community equal to the money or taxes available. Thank God for a country where we have freedom of

choice in meeting our needs with a minimum and just amount of taxes.

For sometime now we have gone to the bank and borrowed a heck of a lot of money. We have lived high on the hog, extra cars, moved to a better house, boats, camping trailers, and even cabins on a lake. We have never had it so good. Oddly enough, nothing has ever been said about paying on our note. We have had a good dance, maybe it is just time we start paying the fiddler. But How?

In the State of Texas it is permissible for a city to collect a penny tax on each dollar of sales of restricted items. This little penny amounts to almost a billion dollars each year for the cities collecting this tax.

Solution:

A national sales tax of one little penny on each dollar of an item used, consumed, eaten, or looked at. If XYZ Company, who has sales into

the billions and has figured out how not to pay any income tax, buys a broom or a gallon of floor sweep, or a huge stamping machine to manufacture a product, they pay the tax. The only exception would be the raw materials purchased necessary to manufacture an automobile or a link of sausage, or whatever. Then, the Consumer pays the tax.

Now the secret of this is to take all pennies collected to Washington and give them to the head bookkeeper and tell him to apply it to our note (National Debt). We don't want this money to go to manufacture left handed shot guns or a study of the sex life of the Egyptian Salamander or any other wonderful thing. Just pay it on our note. If he doesn't know how we have a couple of bankers that can sure tell him how, at least they are always calling us and saying, "Why don't you bring some money over and let us put it on your note?"

This is called upside down economics. Our note is up,

our payments are down. A big hunk of our tax money goes to pay interest on our note. Could be if the note is reduced the interest will be less and maybe some day our income tax less. Makes sense.

No exceptions, no fast tax write-off, no weird tax shelter, no depreciation, just plain, simple one penny for each item eaten, consumed, used, or looked at. Poor Uncle Bud on a fixed income. He buys a \$10.00 prescription at the drug store, he pays 10c on his part of the note (National Debt). The same with food.

If we do this then we should write the folks we sent to Washington to look after our business and tell them we took in washing, slaved over a hot stove to get this money to pay on our note and we would take a dim view of their increasing the amount of our note.

If you are not in favor of paying on our note (National Debt) then call in your children, sit them down and

tell them you are spending more than you have coming in and each week you are going to the bank and borrowing more money and signing their name to the note, and that you don't really care what happens to them. That will let them know how much you care for them and their future.

This will work, if the do-gooders don't mess with it.

McCabe, Drennan exchange vows

Miss Mindi Helen McCabe became the bride of Louie Grant Drennan Saturday afternoon, Oct. 19th at the Robert Lee Baptist Church with Rev. Roy Epperson officiating the double ring ceremony.

Parents of the couple are Mr. and Mrs. Fred H. McCabe Jr. of Robert Lee and Mr. and Mrs. Louie Drennan of Welch.

Pianist, Velda Phipps and soloist, Nona Woodward, presented "Two Candles", "Long and Lasting Love", and "God, A Woman and Man". "And On This Day" was presented as the unity candle was lighted.

Vows were exchanged before a centered brass candelabra archway and the unity candle which had been used on previous family occasions. To each side of the altar area were spiral candelabra. Two large brass urns were filled with silk gladiolas and white orchids.

Presented in marriage by her father, the bride wore a lovely gown of white organza and English lace featuring a square neckline with a high illusion yoke and collar of Alencon lace set off the basque bodice of English lace studded with pearls and sequins. The full Bishop sleeves had a deep cuff of chiffon, lace and pearls, complimenting the full skirt which was trimmed with Alencon lace above the ruffle of English lace flowing into a cathedral train. She wore a white picture hat of Alencon lace with silk flowers and pearls to one side set off by a blusher, pouf and veil of illusion. She carried a bouquet of white silk spider mums and English ivy atop a white Bible belonging to her mother. The Bible had been given to her mother by her father on their wedding day and other brides in the family had carried the heirloom.

In keeping with tradition, the bride wore as something old rings belonging to her great-grandmother, Mrs. Florence Helen Alexander, and her grandmother, Mrs. Fred McCabe, Sr.; something new were diamond earrings, a gift from the groom; something borrowed were pearl earrings belonging to Leigh Ann Stephens; something blue was a handkerchief, a gift from the groom's mother.

Serving as matron of honor was Mrs. Melvin McCabe, the bride's sister-in-law of Robert Lee. Bridesmaids were Mrs. David

Steele of Sidney, Tex., Mrs. Gordon Drennan of Welch and Mrs. Scott Stephens of Robert Lee. They wore red taffeta tea-length dresses with sweetheart necklines featuring ruffles at the shoulders tapering to the wrist. They carried white hand crocheted fans with red silk azaleas and snowberries with red and white ribbon streamers. Jessica Drennan, the groom's niece, served as flower girl. She wore a red taffeta dress with a ruffle down the bodice accenting the full sleeves. She carried a hand crocheted basket filled with red silk azaleas accented by red and white ribbons streamers. All the crochet work was hand crafted by the bride's mother.

Serving as ring bearer for the wedding was Andrew McCabe of Robert Lee, the bride's nephew.

Gordon Drennan served his brother as best man. Groomsmen were Melvin McCabe of Robert Lee, Mark Pye of Lamesa and Stan Sloper of Austin. Ushers were Kevin Hale of Stephenville and Layton Fincher of San Angelo. The groom wore a white tuxedo with the western yoke and white ruffle shirt and western bow tie. He wore a red silk rose and snowberry boutonniere. The male attendants wore black tuxedos and red ruffled shirts. Their boutonniere's were red silk roses with snowberries.

RECEPTION

Following the wedding, a reception was held in the fellowship hall of the church with the couple's parents assisting in the receiving line.

The bride's table was covered with a white hand crocheted tablecloth holding the three-tiered cake which was decorated with a shell border and bows. The top of the cake featured an arrangement of two white crocheted hearts with doves accented with red silk azaleas and snowberries. Between each tier an arrangement of crocheted bells and red silk

azaleas with snowberries. A centerpiece of red and white silk azaleas, English ivy and snowberries cascaded from a silver candelabra with white candles. Red punch was served from a crystal Fostoria punch bowl. Silver appointments were used to serve nuts and mints.

The groom's table was covered with a round ecru crocheted cloth accented with a red underlay. The horseshoe shaped confection and ecru frosting had a shell border decorated with red roses and the couple's names. A brass candelabra was decorated with red candles and a garland of red silk azaleas and other lush flowers and ribbons. A brass cowboy boot also accented the table. Brass appointments were used to serve the guests.

Following a wedding trip to Durango, Colo. the couple will be at home in Welch.

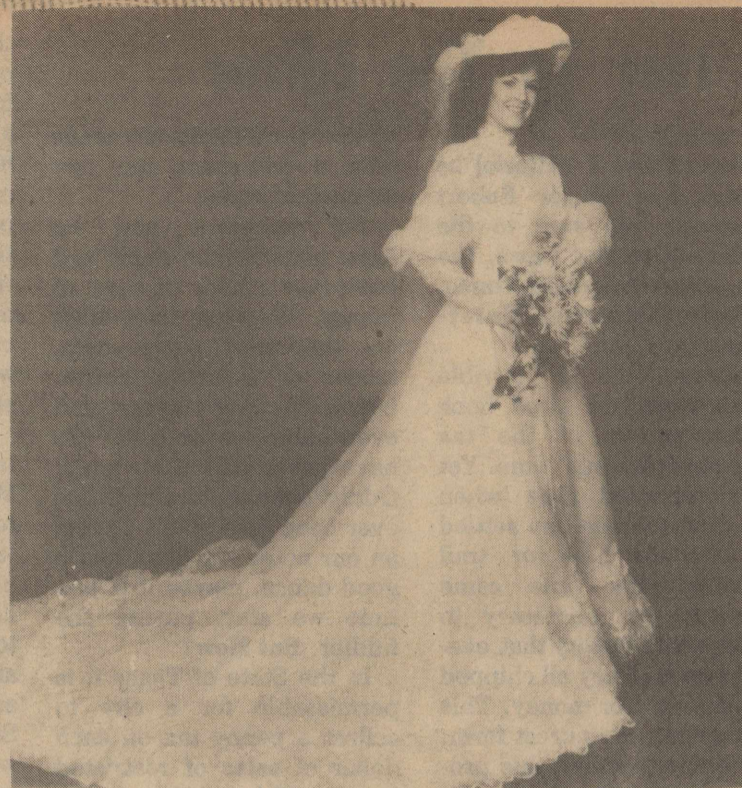

REHEARSAL DINNER

Mr. and Mrs. Louie Drennan honored their son and his bride elect, Mindi McCabe with a rehearsal dinner at The Cracker Barrel Restaurant in Robert Lee.

---Personal---

Mrs. Mary Tubb and Jerome Hanna of Robert Lee, Vince and Cindy Hanna of Austin, and Mrs. Ava Lou Davis of Temple have all returned to their respective homes following a one-week trip to visit relatives in Mississippi. The occasion was to celebrate the 92nd birthday of Robert Hanna in Yazoo City, Mississippi. He is the grandfather of the Hanna brothers and Mrs. Davis's former father-in-law, her late husband Vince's father. A large crowd of friends also attended the celebration in the Fellowship Hall of a local church.

They also visited with Nellie Ziegler, the Hubert Michaels family, and Mr. and Mrs. Lee Edward Harvill. The family toured some

Winchester anniversary

Mr. and Mrs. H.J. Winchester of Bronte recently celebrated their 55th wedding anniversary with the help of many relatives who visited them on this special occasion. Present were a brother and sister-in-law, Frank and Iris Winchester of Rising Star; a sister, Doris Crawford of Rising Star; a brother, Ronald Winchester of Cisco, a sister, Della Winchester, Odessa; brother and wife, Bonner and Velma Winchester, and a niece Debra Martin and children, Landon and Misty.

Mr. and Mrs. Winchester were married on October 27, 1930, in Lovington, N.M. They became Bronte residents in January of 1972. Mr. Winchester is retired

from the dry cleaning and laundry business.

Another exciting event for the Winchesters was their recent trip to Hawaii. They and Mrs. Winchester's sister and husband spent a week in Honolulu where they did some interesting sight-seeing including visits to Pearl Harbor, Diamondhead, the king's palace, the location for Magnum PI and the Polynesian Culture Center.

Roger Staubach

The American Cancer Society announced today that former Dallas Cowboys quarterback Roger Staubach will call signals on the finer points of quitting cigarettes as honorary chairman of the 1985 Great American Smokeout in Texas.

Recently named to the Pro Football Hall of Fame, the star quarterback will salute the good-natured spirit of the Smokeout and encourage fellow Texans who smoke to quit for the day -- November 21 -- to prove to themselves they can.

The annual Smokeout, now in its ninth year, is sponsored by ACS volunteers nationwide as a fun and supportive celebration to help smokers give up the habit for just one day.

A survey by the Gallup organization last year indicated that more than 20 million smokers tried to quit, the highest participation in the Smokeout's history. The same survey showed that 3.1 million smokers were still not smoking one to five days later.

"I've never been one for quitting anything" says Staubach. "But quitting cigarettes for one day might be the best thing you can do for your health. It's a chance to join a proven winning team."

According to Texas ACS volunteers planning the event, Staubach's participation should help in reaching one of the event's indirect audiences -- Texas' youth.

"Roger Staubach is a hero to many young Texans and if his support might deter some would-be smoker, so

much the better," said Russell Autry of El Paso, who is the volunteer spearheading the campaign in Texas.

As for the smokers choosing to brave the "cold turkey" day, Autry says the ACS has a number of support materials -- including survival kits and a new booklet, "How to Stay Quit Over the Holiday".

"This one came about because smokers from previous years told us they needed extra guidance and support through the hectic holiday season," said Autry. "Although some remained quit, others needed the reinforcement. This should help if coupled with support and encouragement from family and friends."

Gloria ode featured

In observance of Veterans Day on November 11, the Observer/Enterprise is publishing a poem by Ray Gloria of Robert Lee. Ray, himself a veteran of Viet-Nam, wrote the ode in 1979, ten years after his return home.

This is not by any means Ray's first work. His "The Steers of '84" ran in our paper Dec. 21, 1984. On May 24, 1985, we published a poem entitled "The Graduate". His poem, "Kim", about his daughter, Kimberly, was chosen to be published in "Our World's Best Loved Poems".

Ray, a RLHS graduate, has been employed for several years by General Telephone Company in San Angelo. He and his wife, the former Sally Reyes of Bron-te, and their daughter, Kim, reside in Robert Lee.

VIET-NAM 1968-1969

We flew o'er the Pacific-
We flew - It got real cold-
We landed in a blizzard-
Alaska, we were told.

The next stop wasn't quite as bad-

We had arrived by night.
With little people here and there-
Japan, and all it's lights.

Then came that little place on earth

Divided by that line.
"Viet-Nam!" We heard a Cry-
We knew that it was time.

We didn't know why we were there

No choice was ours to give.
All they said was "Get your gear-
And pray to God you live."

We saw the land so distant
As the big "bird" left us there.

We felt the rockets/mor-tars
That had left the trees so bare.

We walked through dark green jungles
Bright-eyed and bushy-tailed.

We heard the sound of nothing
As our imaginations flared.

We felt the pains of hun-griness-

We felt the frights of fear-
We felt the stills of loneli-ness-
We cried the cries of tears.

We sank our feet in fields of rice

Then ate the stuff for chow.

We had no say on choice of foods

The way that we do now.

We went thru days and nights of rains

That's when the monsoon came.

But through the mud, the blood, the beer

The game remained the same.

We went through nights of sleeplessness

Through days of sweat and grief.

We went to Hell and we came back

Because of one belief:

To one day see "The World" again

We prayed to God above.
To kiss the ground beneath our feet-

The land we'd grown to love.

Then it came, but none too soon,

Day three-hundred sixty-five.

We looked around in disbelief-

"Thank God we're still alive!"

Now it was time to head for home

The nightmare was at end.
Now the "Bird" was standing by

To fly us back again.

Now it was time to think of them

And hope they make it too-
The ones that stayed behind us

To re-live what we'd been through.

Ten years have come and ten have gone

Since we flew back on that jet.

But the memories of Viet-Nam

We never will forget.

And through the "Wants" and "Needs" for war

Excuses "Made" and "Used",

We came back from that land so far

And Lord, we're still confused.....

R. Gloria

'Shadows' films at C City

Colorado City becomes "Crowder City", the name of a fictional town in a feature movie to be filmed here for the next four weeks.

Lazy E Productions of Santa Fe, New Mexico will be producing the film with Pat Poole as director and Ed Gaylord as executive director.

The film entitled "Shadows on the Wall" will star Gary Morrison, who most recently starred in "Vice Squad" on television and Wilford Brimley who has a long list of credits including "Country" with Jessica

Lange and "The Natural" with Robert Redford.

Written, directed and produced by Poole, the film is described as an Alfred Hitchcock style mystery about a famous western star and a murder he may or may not have committed.

The non-union film with a fairly low budget of \$2.5 million should be ready to release by late spring or early to mid-summer.

There are 336 dimples on an average golfball.

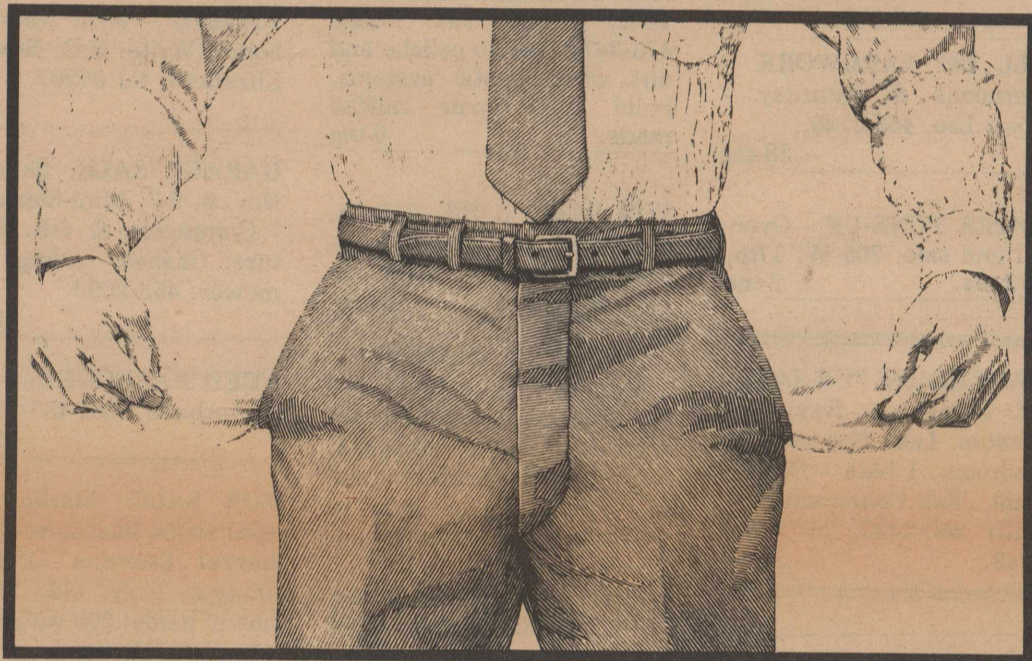

The first woman to hold a cabinet post was Frances Perkins. She was President Franklin D. Roosevelt's Secretary of Labor.

WHAT YOU DON'T KNOW ABOUT HEAT PUMPS...

COULD COST YOU MONEY!

An Electric Heat Pump & The Energy Saving Plan Will Help You Save Money in These Ways:

1 The electric heat pump is the most efficient system for heating and cooling a home, and can offer you years of energy savings. A heat pump can actually produce more than 2 units of heat for every unit of electricity used in a properly insulated home.

An electric heat pump, along with the other energy efficiency measures outlined in the Energy Saving Plan, can save you thousands of dollars in energy bills over the life of your home.

2 You can get a \$110 per ton cash bonus for installing a central system heat pump in your home through the Energy Saving Plan. Your home must meet all the E.S.P. requirements and be served by WTU to qualify for the bonus program. Also, be sure to ask about WTU's incentive plan for installing a heat pump window unit.

For more information on the electric heat pump and the Energy Saving Plan, contact your local West Texas Utilities office today.

CONSUMER ALERT

by
Jim Mattox
Attorney General

Beware The Bank Examiner Scam

Elderly people are often the victims of consumer fraud. Sometimes the fraud is perpetrated by persons pretending to be officials of some sort, such as police officers or bank examiners. In the case of 'bank examiner frauds,' the victim receives a phone call from someone who says he is investigating a possibly dishonest teller at the victim's bank.

How The Scam Works

The Caller convinces the victim that he or she should go to the bank and withdraw a large amount of money from the allegedly dishonest teller. After the victim has withdrawn the money, he or she may be asked to read off the serial numbers on the bills to the phony bank examiner. The con man, posing as the examiner or as a police officer, will arrive and ask for the victim's cash. The con man says the money is needed as evidence against the teller.

Once the victim has given his or her money to the 'officer' or the 'bank examiner,' the money is gone forever in most cases. The people who commit these crimes stay in an area for only a short time and then move on.

Bank Examiners

If you receive a call from anyone claiming to be a bank examiner, ask for the name of the state or federal agency employing that person. In Texas, bank examiners work for the State Banking Department. Federal bank

examiners are employed by three different agencies. However, bank examiners do not investigate the type of employee theft suggested by those engaged in the type of fraud described above. That is left to the FBI. The FBI conducts its own investigations, without the help of citizen depositors. So the chances of receiving a call from a real bank examiner are extremely slim.

What To Do

If you get a call from

someone you suspect is involved in this kind of fraud, ask for his phone number. Then call your local police or district attorney's office to see if they are interested in pursuing the subject.

For More Help

If you need more help or information on this or other consumer problems, contact your nearest Attorney General Consumer Protection Office (in Austin, Dallas, El Paso, Houston, Lubbock, McAllen, and San Antonio). The Attorney General's Office is the people's law firm. We're here to help you.
