City Council sets Bronte clean-up

Bronte City Council has set the annual city clean-up campaign for the week of May 5 through May 10. All refuse to be hauled away must be placed in alleys by

May 12, and the city will provide pick up service May 12 - 16.

Also, citizens who wish to do their own hauling may use the landfill free of charge

during both weeks - May 5 through 16.

Everyone is urged to take advantage of these free services to clean up and help keep the city attractive, especially due to the Sesqui-centennial celebrations taking place this year.

Absentee voting

Eligible voters may vote absentee in the clerk's office at the Coke County Courthouse in Robert Lee through Tuesday, April 29 for the May 3 Primaries. The office will accept both Democratic and Republican absentee balloting.

County Clerk Ettie Hubbard reported Wednesday morning that 12 Democratic voters had balloted in the office while 24 ballots had been mailed out to voters for that ticket. No ballots had been cast in the Republican absentee election to date.

Robert Vaughan honored

Monday night, April 14, the Robert Lee City Council and the city employees surprised out-going Mayor Robert Vaughan with a dinner in his honor at City Hall.

Vaughan was appointed to serve the remaining 1½ years of that term. He was re-elected in 1980, 1982, and 1984, serving a total of 13½ years as Mayor.

Some of the projects and improvements during his terms in office were: City Hall improvements and fire station; constant expanding and improvements of the water distributing system, and water meter replacement program; a franchise to Lone Star Gas Company bringing natural gas into Robert Lee; a street-name sign program; in 1965 the Robert Lee Housing Authority was established and the first low rent housing units were built; in 1966 an election was held changing the form of city government from the mayor and 2 commissioner form to the mayor and 5 councilmen form; also in 1966 a grant was obtained and bonds issued for the construction of a sewer system for Robert Lee; several new additions were annexed to the city, a traffic sign program was completed; a program of lighting the city with regular addition of street lights was begun and is still being followed; a cablevision franchise was granted. The last project was the securing of a grant for the recently completed water treatment plant improvements.

Robert Vaughan deserves the appreciation of the citizens of Robert Lee for his years of hard work, and dedicated service to the City.

Proctor receives severe injury

Jerry Proctor of Bronte received a severe injury to her right foot last Wednesday evening. She was injured as she was trying to stop her car as it began to move in reverse after she had parked it with the motor running. She lost her balance and somehow her foot was caught in the door, causing damage to the foot. She also received multiple contusions and abrasions in the accident.

Jerry was taken to the emergency room at St. John's Hospital by her sister, Mrs. Marvin Landers, and surgery was performed to repair broken bones in her foot.

She was reported doing well and doctors were pleased with her progress, but more repair work may be necessary. She is expected to be hospitalized two or three weeks.

Wink to display quilts

The Fifth Annual West Texas Quilt Show has drawn vendors and participants from across Texas and neighboring states. It will be on Saturday 10-5 and Sunday 1-5. Nine historic buildings at Fort Concho will be filled with a burst of colorful quilts, and porches will be crowded with hundreds of new and old quilt items which will be for sale. The Fort Concho quilt extravaganza differs from many shows in its broad scope-- in

that all aspects of quilting will be showcased: the sale of quilts and quilt items; the competition of quilts for ribbons and prizes; the display of award winning quilts; the exhibition of antique and heirloom quilts; and the demonstration of quilting and quilting techniques.

Home-baked goods, jams, relishes, and jellies will also be featured at the show.

Mrs. Irma Wink of Robert Lee will display a quilt in the show, probably a Double Wedding Ring, she said. She participated in the show four years ago, and has won a number of honors and recognition for her quilting over the years.

They will be demonstrating how to make a quilt from start to finish in the chapel at Fort Concho during the West Texas Quilt Show on April 26 and 27. The first step is selecting a pattern, then fabric (100% cotton) selection is made. Templates are made of plastic or sandpaper. These are used to trace the pattern on the fabric. The pieces are then pieced. When the top is pieced, a sandwich is made with the pieced top, batting middle,

and a lining for the bottom. This is placed in a frame and quilted. Quilting is done with as even and as small a stitch as possible (8 stitches to the inch is the minimum -- some can get as many as 20 stitches to the inch). The quilted piece is removed from the frame and bound. As with any work of art, the quilt should then be signed and dated.

Band receives high honors

The Robert Lee Stompin' Steer Band received high honors in Sightreading competition at the District contest held in Sweetwater April 15. "I am very pleased," said their director Mr. Perry.

"Sightreading is one of the more difficult areas in U.I.L.

Band competition and a Division I rating is quite an accomplishment." The band will next perform at the Sandy Lake Music Festival in Dallas on April 26th. Next performance will be at the First Annual Spring Scholarship Concert here in Robert Lee on May 8th.

Correction

In last week's District Jr. High Track meet results, Brooke Boone's statistics were inadvertently omitted. She placed first at District with a 4'8" in the high jump. In Robert Lee's own meet on April 5, the news item gave

her name and 4'8" result but omitted her 1st place finish.

We regret the deletions and wish Brooke well in her athletics. She's following in the footsteps of her brother, Bobby, a former high jump record holder at RLHS.

Summer jobs available

Jobs will be available for area youth again this summer through the Summer Youth Employment and Training Program operated by the Concho Valley Council of Governments. The nine-week program will be operated June 3 - July 31 and will allow youth to work up to thirty hours per week.

Public agencies and private non-profit organizations are used as worksites.

The purposes of the program are to provide basic work experience to better prepare the youth for the world of work, perform

meaningful work in the community, and provide economic resources to enable the youth to return to school in the fall. Counseling and labor market information will be provided each participant working the summer.

To qualify for the program, youth must be at least 14 years of age and meet family income guidelines. Applications will be taken May 1st at the Robert Lee High School Building at 10:00 a.m. Students should bring a copy of their social security card and birth certificate.

Martin announces candidacy

Margaret Martin

Margaret Martin of Bronte has announced her candidacy for the first Texas Silver Haired Legislature from the Concho Valley Area Agency on Aging Region for Coke County. There will be 116 legislators elected from the 28 regions. Four representatives will be elected from the Concho Valley Region; two from Tom Green County, and two from the remaining 12 counties.

The election will be held on Friday, May 30, at the Bronte and Robert Lee Senior Centers. Absentee voting will be from May 1-23. Ballots are available from Juanita Schnabel in Robert Lee and Geneva Minnick in Bronte.

Eleven candidates have filed for places on the ballot; four in Tom Green County and seven from the remaining counties. Each voter may vote for two on the ballot. Voters have to be a registered voter past the age of 60.

There are no funds or tax dollars appropriated for this first legislature, candidates and election judges are volunteers. The elected representatives will receive no salary and will be responsible for their own expenses to Austin for the sessions. They will not be an official of the State or Federal Government.

The purpose for the Silver Haired Legislature is that the newly elected representatives will go to Austin to assist in long-range planning of projected programs concerning the needs of the elderly and try to find ways to help solve the many problems.

Mrs. Martin's candidacy has been endorsed by Coke County Commissioners Court. She has been involved

with programs for the elderly for many years and knows first-hand all the problems we face in this county.

She has worked since 1969 with several agencies in Coke and some in Sterling and Tom Green Counties involving programs for the elderly.

In making her announcement she stated, "I know from all the previous experience the grass-roots input from each family, and have spent long hours trying to help solve the many problems.

We need the services to continue from our Senior Centers to assist all elderly to live independently, well cared-for and in their own environment until it is absolutely necessary for them to be institutionalized, but it is rewarding to know we do have the best Nursing Homes available here, and we want to keep it all this way.

A great need now is to impress upon our legislators that our rural needs should be considered in the funding because of our wide areas of West Texas.

The population average in the state is close to a third past the age of 60.

We need to impress the legislature of the fact that Seniors do and could represent a voting bloc.

I know the only way we are going to get our rural share is to tell them what we need AND in turn we have to PARTICIPATE. That's the way the system works..

The Main thing we must do to Participate in NOW is get out and be a free Texan and VOTE. We need all your votes. Each one counts.

I feel like my wide experience in this field qualifies me to represent each of you. I am knowledgeable, capable, dedicated, and I care and I want to be your advocate. I feel this experience and dedication warrants my asking you to vote for me on this date.

Please remember a vote for me is a vote for yourself."

Posters tribute Sesqui

Approximately 90 Robert Lee Elementary students paid tribute to Texas' Sesquicentennial. In March, each student in grades K-2 made his own, "Happy Birthday to Texas" poster in conjunction with the Texas units taught. Alpha Omicron Nu Sorority is co-sponsoring this poster participation project. The club members distributed the posters to Robert Lee businesses. Much thanks goes to the businesses for the use of their windows. These colorful pos-

ters are outstanding. They will be on view through San Jacinto Day, April 21st.

The 4th graders are currently working on their Sesquicentennial study. The class members, led by Sheri Millican, are making small miniatures which are characteristic of our Texas heritage.

EMT course to be offered in Robert Lee

The West Coke County Ambulance Service announced this week that a basic-emergency medical technician course will be offered in Robert Lee beginning on May 15, 1986. The course, which lasts over 100 hours in the classroom, will be held at the Robert Lee High School and will meet on Tuesday and Thursday nights. Most classes will start at 7:00 p.m. and end by 10 p.m. Lectures will include care for wounds, fractures, heart attacks, poisoning, burns, etc. and will be given by instructors certified by the Texas Department of Health. Students who successfully complete

the course (10 classroom hours, 20 hours in-hospital time and five ambulance runs) will be certified to take the state examination.

Volunteers with the ambulance service stress the need for additional volunteers. The more people who volunteer a little of their time, the less time is required of everyone. Won't you consider taking this class so that you can help your neighbors and yourself with ambulance service? The need for volunteers is especially great on weekdays. If your job would allow you to be available (on-call) during the week, please consider volunteer-

ing. Cost of the course is \$25. This includes a five dollar registration fee and \$20 for the textbook. Those who volunteer to work on the West Coke County Ambulance Service for at least a year will have this money refunded to them.

NOTICE

Date: April 21, 1986
To: Owner or lienholder of the below described vehicle
From: Marshall Millican, Sheriff

RE: Vehicle No. TX5243BD
Hull #214099

Model 1964-14' Glastron Boat and Trailer, 75 HP Evinrude Motor

Make Glastron

Registered Owner Larry D. White, 3600 North Loop 250, Midland, TX. 79701

To Whom It May Concern:

The above described vehicle has been abandoned in Coke County for some period of time. At the present time it is in storage with Wildcat-Fish-A-Rama Robert Lee, Texas. Because of failure to give notice of attempt to claim this property the vehicle will be sold as "abandoned vehicle" pursuant to the laws of the State of Texas.

If this vehicle has not been claimed not later than the 20th day after the date of this notice, or payment of all towing, preservation, and storage charges resulting from placing this vehicle in custody, then said vehicle will be sold at public sale to the highest bidder on Friday, May 16, 1986 at 10:00 a.m. on the front steps of Coke Co. Courthouse. Failure of owner or lienholder to exercise their right to reclaim the vehicle within the time provided, constitutes a waiver

by the owner and lienholder of all right, title, and interest in the vehicle and their consent to the sale of the abandoned vehicle at a public auction. The sale proceeds will be used to initially deter storage fees, sheriff's selling expenses and other fees incurred in this sale.

Should you desire to make payment and redeem this, please notify the Sheriff's Office at 915/453-2717 to determine the amount of fees due and owing to receive the vehicle.

San Jacinto Day picnic

Thirty people gathered in the Wilson Bryan Mini-Park by City Hall in Robert Lee for a San Jacinto Day celebration Monday, April 14. After a picnic supper, the group divided into teams of three and took a Texas Quiz. The quiz, consisting of 25 questions about Texas and Texas History was won by Lucile Bryan, Lois Dunklin, and Michael Torres. Those at-

tending enjoyed the park, especially the new gazebo which was constructed by Robert Reese and painted by Alvin Lara as one of the Robert Lee Sesquicentennial year projects. Anyone wishing to make a donation on the cost of the gazebo may leave it at City Hall for the Sesquicentennial Committee.
