## Bronte views 'Torch Run'

The U.S. Olympic Torch '86 was viewed by approximately 200 Bronte residents, friends and neighbors last Sunday, June 29.

Mayor J.T. Henry welcomed the sponsors of the Torch Run, the runners, and all spectators. He then made a short talk about being an American in a free country and the many privileges citizens of America are granted.

The large crowd gathered on the First National Bank parking lot shortly after noon and greeted the torch runner with a round of applause. More people lined Highway 277 to view the U.S. Olympic

Torch as the Bronte High School State Qualified Relay team proudly carried it through the city limits. Todd Brooks, Randy Draper and Stephen Lee were the runners. Teammate Pete Puentez was unable to participate due to illness.

A photo session followed the ceremony and interested persons held the Torch while having their picture taken.

Residents and businesses had been busy the past week painting, cleaning, and making the city of Bronte beautiful for the welcoming of the U.S. Olympic Torch. A proud resident said she had never seen Bronte look prettier.

## Children's park completion told

Finishing touches were added this past week to Cody Bill Corral completing the children's play area. Cody Bill Corral is located in the County Park in Robert Lee just adjacent to the swimming pool and tennis courts. The wooden equipment has been given new coats of bright red, blue, and yellow paint and brand new sand has been added. Also in place are concrete benches and a native rock bearing the dedication plaque. Cody Bill Corral is dedicated to the memory of Cody Bill Bessent, son of Randy and Cindy Bessent, who fought valiantly against leukemia and who died in 1984 at the age of five. The entire community has contributed so that this play area could be completed in honor of Cody Bill. The park has already seen lots of use and should see more use by little children during the festivities of the 4th.

## Postal Pointers

by Coe Lewis, Postmaster  
Robert Lee, TX 76945

Postmistress Coe Lewis of Robert Lee, also Bill Green, Postmaster of Tennyson attended the National Association of Postmasters of the United States in convention in San Antonio beginning June 1.

There is definitely a new look in the postal service and I believe we will be able to make great strides in better delivery and all around good service to our customers. Our new Postmaster General has made sweeping changes in the service and it looks like he is heading in the right direction. He has removed much "dead wood" from offices that are not directly concerned with delivery of the mail and service to our customers. We appreciate

your comments on the way we do business and will welcome any suggestions you may have on whether or not our service is pleasing to you. We are not like some delivering carriers who do not maintain an office in our towns, do not contribute to our economy, take no part in community activities and offer nothing except to deliver packages and pick up ones for mailing, provided you have them ready at your place of business. I sincerely hope the postal service never gets to the point where we are absolutely uncaring and consider our customers "just another customer".

Watch for more and better things to come. I hope to be bringing you many good tidings in the weeks to come.

Add and Joan Davis of Robert Lee were guests in the home of her sister and brother-in-law, Billie and Dubb Wallace of Forney last weekend.

Davis was among Chevrolet salesmen honored at the annual awards reception and banquet held Saturday night for top sales people in the Dallas Zone. This year's event was held near Plano on South Fork Ranch, television's DALLAS filming location. The two-story ranch house was closed to tourists for the evening while Chevrolet salesmen and spouses had access to the home and

surrounding grounds. Guests enjoyed refreshments around the patio area and pool before going to a banquet room built into the barn and stable building. The large group of guests was greeted at the door with yellow roses and neckchiefs by "J.R.", an incredible look-alike. He is employed by Lorimar Corp., and found through a look-alike contest in the metroplex. Everyone was fascinated by the man as he circulated through the crowd introducing himself as "J.R.", while other photographed him with their friends and spouses.
