County monsoon season continues

The monsoon season continues in West Texas! Once in a lifetime late summer and early fall rains have broken records just about everywhere in our part of the state. Reports of over 40 inches to date for the year are not uncommon in many areas. Although no official yearly measurement in Coke County is available, many residents have kept a running total. James Miller who ranches west of Tennyson reported his total so far to be 47 inches of rainfall. His immediate area received 15 inches in May and June that Robert Lee, Bronte, and Blackwell did not get. The

rest has fallen mostly in September and October.

Rainfall of varied intensity from drizzle to real gully washers fell on Bronte this past weekend. Rain gauges in the city recorded 6.8 inches. Robert Lee's official measurement stood at 4.8 for the weekend but several folks reported upwards to 7 inches.

Coke County soil, which had already been abundantly blessed by late summer rains, became saturated anew and already swollen reservoirs were spilling over. Oak Creek Lake benefitted greatly from rains on the watershed which resulted in

the lake going over the spillway. Robert Lee's water supply, Mountain Creek Lake, has stood brim-full since last month's rain so only the first showers last Friday night sent it over the spillway into Mountain Creek, then on to the Colorado River below. Lake Spence had already gained about two vertical feet on Monday according to spokesman Mike Ross, with more to come as the river at Silver was running bank-full at that time.

Several roads near the county were closed due to high water over the weekend, including Hwy. 208 between Silver and Colorado City. Rains left Maryneal practically isolated with the two roads leading in covered with water.

Benefits of the rains are too numerous to mention, not the least of which are the awakening of springs around the vicinity, dormant for many years. Cotton farmers and some milo producers are suffering but hopefully they will be helped in the long run with deep moisture.

Seniors plan luncheon, games

East Coke County senior citizens will hold their Pot Luck luncheon and game day on Thursday, Oct. 16, at the Senior Center, advised coordinator Margaret Martin. Activities will begin at 10 AM. Mrs. Martin will present a program on Social Security which will include a film.

Antlerless deer tags to be issued

Texas Parks and Wildlife Department will issue either-sex deer tags for Coke County on Oct. 23, 24, 1986 from 8:00 a.m.-12:00 Noon and 1:00 p.m. - 5:00 p.m. in the County Courthouse in Robert Lee. The either-sex tags are required for any antlerless deer harvested in this County during the upcoming season.

To qualify for tags, a

landowner must own or control acreage in Coke County. After the opening of the hunting season, tags will ONLY be available through regional offices located in Rockport, San Angelo, Tyler, Waco, and the State Office in Austin. Tags WILL NOT be issued by local department personnel. Landowners or their agents are urged to pick up tags on the sche-

duled issuance dates.

Neighboring counties where TPWD will issue tags are: Sterling County, Nov. 3, Courthouse, Sterling City; Tom Green County, Nov. 5 & 6, Courthouse Annex, San Angelo; Runnels County, Oct. 29 & 30, Courthouse, Ballinger; Nolan County, Oct. 23 & 24, Courthouse, Sweetwater.

Brad and Becky Ramsey

Baptists slate revival

The evangelistic team of Brad and Becky Ramsey of Waco, will be ministering in revival services at First Baptist Church in Bronte during the week of October 12-16. The Ramseys have been traveling in the ministry of evangelism since 1972. Prior to that, Brad had served on the staff of churches in Arkansas, Louisiana, and Texas. They have had the opportunity to serve in over 440 revivals and crusades in the United States and Canada.

In their innovative family

ministry, Brad preaches and leads the music, and Becky plays the piano and teaches Bible studies. They combine their talents to sing duets.

Services will begin Sunday morning, October 12 at 10:55 a.m. and then continue each evening at 7 p.m. Noon services each weekday will include a covered dish lunch at 12 and the service will conclude before 1 p.m. A nursery will be provided at all services for children 3 and under. The public is welcome to attend any or all of these services.

Upcoming...

After-game fellowship

The after-game fellowship following the Bronte-Water Valley game will be at the home of Martin and Pat Lee, 224 Briarwood, Friday night. Sponsor will be The Bronte First United Methodist Church.

Band Boosters

The Bronte Band Booster Club will hold an important meeting on Wednesday, Oct. 15 at 6:00 - 6:45 (prior to church).

All members and prospective members are asked to be there in support of the BHS band program.

Fall Festival

Sacred Heart Catholic Church will hold its annual Fall Festival on Sunday, October 26. Site for the event will be the San Angelo Coliseum from 11 a.m. to 5 p.m. The public is invited to attend.

The festival will include crafts, bingo, auction, games and the church's well-known turkey and sausage dinner which will be served 11-2 with tickets available at the door.

Senior Citizens

Upcoming Robert Lee senior citizen activities have been scheduled by Neta Schnabel, West Coke County coordinator.

On Tuesday, October 14, at 1:15, Mrs. Walraven will present a film and program by the Alzheimers Support Group in San Angelo. It will be held in the senior building and the public is invited to come and share in this educational program.

The monthly Senior Citizens Dance for everyone in the area over 60 years old will be held in the large Recreation Hall on Thursday evening, Oct. 16, at 7:30 p.m. Music will be provided by musicians in the vicinity who volunteer to play each month.

A representative from the Girling Home Health Care unit in Ballinger will be taking free blood pressure checks prior to lunch, from 11-12 on Friday, the 17th. The regular Pot Luck Luncheon will be served from 12-12:45, followed by a program concerning Fire Prevention In The Home by Greg Fleming. The 88 games will be played the remainder of Friday afternoon.

Copeland

Funeral services were held on September 22 for Robert Darrin Copeland of Blackwell in the Baptist Church of Roscoe. Interment followed in the Hawley Cemetery in Hawley.

Copeland, 20, died as the result of a car accident near Maryneal on September 19. Born Dec. 7, 1965, in

Lubbock, he was a graduate of Roscoe High School and was a heavy machine equipment operator. He had lived in Blackwell one year and was a Baptist.

Survivors include his parents, Mr. and Mrs. Melvin Copeland of Blackwell; one sister, Sandra Sue Davidson of Coleman; paternal grandmother, Ruth Copeland of Blackwell; and maternal grandmother, Tamma Williams of Stephenville.

WTU slates refund

A continuing price decline in the natural gas market means another refund to West Texas Utilities Co.'s retail customers in December.

WTU officials announced Thursday that a request was being filled with the Public Utility Commission of Texas for permission to refund a total of \$6.9 million in retain revenues collected in excess of actual fuel costs, and to lower its fuel charge rate for the months of December 1986 through April 1987. The total includes \$6,740,467 in actual fuel cost savings accumulated in July and August, plus \$149,003 in interest.

Under WTU's proposal, all existing retail customers would receive refunds through one-time credits to their bills in December. A typical residential customer would receive about \$17.

The fuel rate—known as the "fixed fuel factor"—is approved by the PUC. When the actual cost of fuel is below the approved rate, the over-recovery is returned to the customers, with interest.

WTU's base rates have not changed since December 1984. Company officials have

indicated that a rate increase likely will be necessary next year after the new coal-fired Oklaunion Power Station near Vernon is completed and placed in service. The assured supply of coal under a long-term contract is expected to stabilize WTU's power plant fuel costs and to partially offset the necessary base rate increase.

Fort Chadbourne-Hayrick reunion held

The annual Fort Chadbourne-Hayrick reunion was held Sunday, Oct. 5 at the Bronte Community Center. A pot luck dinner was served to 81 guests.

Roy (Jiggs) Spoons, president of the group, gave a talk after lunch and also presided at a business session.

The new slate of officers elected follow: Pres. Royce Fancher, V-Pres.-Jesse Eads; Sec.-Treas.-Eula Maud McCutchen. Mrs. Vera Raney, Emcee, presented the program "This Is Your Life," honoring Mrs. Barton (Winnie) Waldrop. A number of Mrs. Waldrop's relatives were present to honor her on this occasion.

Helen Tidmore read excerpts from court records of S.M. Bishop; Justice of the Peace at Hayrick when it was the County seat of Coke County in 1890. Also in this book were records by R.I. Kirkland, another early day Peace Justice. This book is to be presented to the Coke County Museum.

Guests registering: Lorene (Davis) Bass, Big Spring; Paul & Alice Ballentine also of Big Spring; B.E. Gregston, Carlsbad, NM; Mr. and Mrs. Jesse Eads, Jr., Jim Herring, Minnie Waldrop, Mr. and Mrs. Tom Reeves, Gladys Waldrop, Mr. and Mrs. Crowley Harmon, all of Robert Lee. Mr. and Mrs. Ray Spoons, Mr. and Mrs. Pete Spoons, Mr. and Mrs. C.R. Kirkland, Mrs. Myrtle Spencer Morrow, Arzeal Edwards, Juanita Quinn, Darwin Spoons, Nadine Stanley, Katherine Patterson, Mr. and Mrs. Lyndon Waldrop, Beverly Waldrop and Tuffy Waldrop, all of San Angelo. Attending from Bronte were: Merl Barret, Maude Collins, Luther & Eula Maud Mc-

Cutchen, Mr. and Mrs. Royce Fancher, Essie Pearl Renshaw, Mr. and Mrs. Rupert Robbins, Mr. and Mrs. Ben Peters, Theresa Butner, Mr. and Mrs. Henry Raney, Mr. and Mrs. Tom Carlile, Royce Dean Clark, Uridis Spoons Fancher, Bon Spoons, Mabel Rowland,

Wilburn Wrinkle, Roy Wrinkle, Jo Rowland, Helen Tidmore, Mr. and Mrs. Barton Waldrop, Mr. and Mrs. Aubrey Denman, Irma Hayley McCutchen, Mr. and Mrs. R.C. Lasswell, Mr. and Mrs. Noah Pruitt, Jr., Irene McDaniel and Mr. and Mrs. Jeff Waldrop.

--Letter to the Editor--

Dear Editor,
 We believe the issue of the Nursing Home versus Hospital should be given the utmost consideration by the W.C.C.H.D. tax payers.

The Nursing Home is a wonderful institution as it is, but the idea of converting our hospital into a complete Nursing Home is preposterous.

Those of us who have lived in this district all or many years of our lives remember the effort of a few men who worked so diligently to get a hospital for the benefit of the county residents. Our tax money has gone toward this effort for many years and it touches our hearts to think of the hospital being closed because of mismanagement and a few vindictive and self-gaining relatively new comers.

The Nursing Home residents need a hospital here as badly as those of us who can care for ourselves. Taking people to another county for URGENT medical attention

and hospitalization is ridiculous. We need a resident doctor and hospital here. A large majority of us remember our loved ones, friends and neighbors being cared for here at home without the added expense of out of county hospitals. We also remember the lives that were saved by the quick and efficient medical care here!

Let's keep the facts in our daily thoughts and be willing to work with the Board in any constructive way to re-open OUR hospital.

REASONS:

1. Accidents
 2. Heart Attacks
 3. Sudden illness
 4. Oil field related accidents
 5. Fishing accidents
 6. Seasonal flu and pneumonia
 7. Common infections - Major infections
 8. Severe headaches, muscle spasms, and many other illnesses

BRONTE SCHOOL NEWS

Volleyball teams see action

The Bronte Volleyball teams have seen a lot of action the past two weeks.

The Brownwood Lady Lions came to Bronte Saturday, Sept. 27 for Freshmen, JV and Varsity matches. They went home with three wins under their belt. The Freshmen lost 4-15; 15-6; 0-15, while the JV were defeated 13-15; 15-13; 10-15. The Varsity lost to a tough team 14-16; 9-15.

Tuesday, Sept. 30, the teams from Water Valley came to Bronte for the first district game. A good crowd was on hand to see the JV crush the Lady Wildcats 15-13; 15-7. DeAnn Parker had an outstanding game as both a hitter and setter.

The varsity, not to be out-done, beat the Wildcats soundly by a score of 15-4; 15-7. This was by far the Lady Horns best game of the

season. Each player contributed to this win and no single player can be singled out. The Bronte teams stand 1-0 in district. Saturday the teams play in W.V. with the JV game beginning at 6:30. The next home match is Oct. 14 against Miles beginning at 6:30.

JUNIOR HIGH

The Jr. Hi VB teams have a three game winning streak going. On Sept. 29, they traveled to Miles for a district game. The "B" team won 16-14; 15-9 and the "A" team took a resounding 15-1; 15-5 victory.

They met Merkel in the home gym on Monday. The White team won 15-4; 15-7. Etta Babcock and Alisa Richards had good overall games.

The Maroon B team won 15-1; 15-3. Darla Scott served 9 straight points in the first game and Brandi Thomas served 10 in the second game.

The Maroon A team played a dual match against the Merkel 8th A & B teams. In the first match, the Short-horns won 15-0; 15-6.

However, in the second match they ran into some competition. The first game was fairly easy as the Short-horns won 15-9. The next

game was the most exciting of the evening with Merkel winning 17-19. The girls hung tough and won the third and deciding game 15-10.

The White team stands with a perfect 4-0 record and 2-0 in district. The Maroon team is 5-1 2-0 in district.

Dallas Cowboy tickets available

Persons wishing to attend a Cowboy game this season and not wanting to contend with game traffic may have an opportunity to do just that.

Plans are underway to offer a chartered bus to the Dallas Cowboy-Los Angeles Raider game on November 9. Cost for the game ticket and bus fare will be approximately \$54 per person, with the first 46 persons signing up accepted. Seats will be located behind the Cowboy bench, lower level. Tentative plans call for the bus to leave around 8:00 Sunday morning and return after the game.

Those wishing to sign up or for more information, contact Mickey Pierce at 473-2911 as soon as possible.

Horns have open date

The Bronte Longhorns took a well-deserved rest this last Friday night as a result of an open date on their schedule. The Longhorns have a tough road ahead as they still have to face six more district opponents.

Meanwhile last Friday, scores over Dist. 6-A looked like this: A big win for Sterling City over Irion County 30-13; Robert Lee way past Miles 47-7; Menard over Garden City 24-0; and

Eden defeating Water Valley 21-7.

This week the Longhorns will again be back in action as they take on winless Water Valley on the local field. The Wildcats will be eager for an upset over the favored Longhorns and the maroon-and-white will be anxious to keep their winning streak intact. Join the partisan Longhorn Country crowd tonight as they support a great team. Go, Horns!

NHS Induction slated

The newly organized Bronte High School chapter of the National Honor Society will hold an induction ceremony Wednesday, October 15 at 8:15 in the new Learning Resource Center. Twelve new members comprised of seven seniors and five juniors will be inducted into membership. Parents and friends are invited to attend the ceremony. A reception will follow in the home economics department.

Students were selected for membership on the basis of scholarship, leadership, character and service qualities. A student must have a 6.0 GPA or above.

Inductees are; Melanie Cooper, Randy Draper, Brenda Ellis, Craig Grant, Bowie McGinnis, Estella Puentez, Jann Tounget, Alysa Bilbrey, Melissa Guzman, Jansen Hale, Melinda Parker and Conda Richards.

Officers elected at the organizational meeting on October 3 were Jann Tounget, president, Jansen Hale, V-pres., Melissa Guzman, secretary and Conda Richards, treasurer. Faculty advisers are Mary McMullan and Marifrances Mackey.

Personality favorites were chosen at Bronte High School. Named Mr. BHS was Corby Kelso, son of Mr. and Mrs. Larry Kelso. Miss BHS was Melanie Cooper, daughter of Mr. and Mrs. Donald Cooper. Most handsome was Cody Hartman, son of Mr. and Mrs. Michael Hartman; most beautiful was Melanie Cooper.

ROBERT LEE SCHOOL NEWS

Offense scores well against Miles

by Bill Burns

The Steers offense came into its own last Friday as they scored 41 pts. against Miles. Then you add a 54 yard interception for 6 pts. by Pammy Millican, and only 7 pts. for Miles due to the Steers excellent defensive play and you get RL 47-Miles 7. That "ain't" bad. The Steers have been playing good ball and are undefeated in district play. The fans are showing good support. That's an unbeatable combination so let's all do our part during the next half of the season.

1st Quarter

RL took the opening kickoff with a return to the RL 37 yd. line. RL could not get a 1st down and Wes Hood punted to the Miles 25. Miles could not get a 1st and had to punt. RL took over and got a big 1st at the RL 27. Miles got a 5 yd. penalty that moved the ball to the RL 22. J.P. Skipworth then covered that 22 yds. for 6 points. J.P. kicked the extra point, RL 7-M 0. Miles received the kick and made one first down before punting back to RL. Neither team made another 1st as the quarter ended.

2nd Quarter

RL had the ball at their own 44 with 3rd down and 1 yd. for a 1st down. J.P. carried the ball 42 yds. on the next play for a big 1st

down. RL made another 1st at the Miles 4 yd. line where J.P. carried for another TD. J.P. kicked the extra point, RL 14-M 0. Miles received at their own 10 with a return to their 27. They made a 1st at their own 37, but then had to punt. RL could not make a 1st and punted back to Miles. Miles made a big 1st at the RL 40, but fumbled on the next series of plays and Pammy Millican recovered for the Steers. RL made one 1st down and Scott Ray broke loose for 12 yds. and 6 pts. J.P. kicked the extra and it was RL 21-M 0. Miles took the kick at their own 37 but the runner was forced back to their own 31 where he was tackled. Miles started a drive but Pammy Millican ended it with an interception that went for 54 yds. and another Steer TD. J.P. kicked the extra to make it RL 28-M 0.

3rd Quarter

Miles received the kick

and returned to their own 37. They made a 1st at their own 48. RL knocked the ball loose and Stevie Ebenstein recovered for RL. RL then made two 1st downs to the Miles 14 yd. line. Robert Runnion completed a pass to Wes Hood for 14 yds. for another RL TD and J.P. added the extra. The score read RL 35-M 0. Miles received the kick, but could not get a 1st down and had to punt. RL moved for 3 more 1st downs to the Miles 10 yd. line but a 5 yd. penalty moved the ball to the Miles 15 yd. line. Runnion then passed to Charles Sherrill for 15 yds. and another RL TD. The kick failed, making it RL 41-M 0. Miles could not move the ball, but got off a 60 yd. punt that gave the ball to RL at their own 10 yd. line. RL started a drive from there that ended the quarter.

4th Quarter

RL had the ball at the Miles 47 yd. and made 2 more first downs. Jason Wink completed a pass to Cody Anthony for 16 yds. and another RL TD. The extra failed. It was RL 47-Miles 0. The Steers could not get another score and only got 2 more 1st downs, but Miles did score on a 67 yd. run that accounted for about half of their yardage. Their extra was good and the game ended RL 47-Miles 7.

Next Friday night (tonight) the Steers will have tougher sledding when they host the Sterling City Eagles on the home field at 8 p.m. Let's be there!

Personal

Wayne and Opal McKee of Hesperia, CA were guests of Turney and Irma Casey five days last week. The men spent time fishing and Barbara Chesney joined them for a fish fry Thursday night before they all attended the western musical.

Writing competition

A high school student will win \$10,000 in a writing competition now being staged in conjunction with the 200th anniversary celebration of the U.S. Constitution next year.

Open to all high school students in grades 9-12 during the 1986-87 school year, and to those aged 14-18 not enrolled in college, the competition will involve students from every state, the District of Columbia and the combined territories.

The competition is being co-sponsored by the Commission on the Bicentennial of the United States Constitution, the American Bar Association and USA TODAY/Gannett Co., Inc.

The Constitution was signed on Sept. 17, 1787, in Philadelphia. To celebrate that event, the Bicentennial Commission, headed by Chief Justice Warren E. Burger, is coordinating activities throughout the nation.

Three winners will be selected from each state, the District of Columbia and the combined territories. The first-place winners each will receive \$1,000; second-place winners, \$500; and third-place winners, \$250.

In addition, the first-place winners and a teacher or other adult will receive an all-expense paid, round trip to Washington, D.C., in September 1987 to meet the president, the chief justice, leaders of Congress and members of the Bicentennial Commission. At that time, the national winner will be selected from among the first-place winners.

The topic for the competition is: "The Constitution:

How Does The Separation of Powers Help Make It Work?"

Entries must be limited to 1,500 words, excluding footnotes, and must be typewritten or computer-generated (double-spaced) or written in legible longhand in ink. All entries must be accompanied by an official entry form and must include the original essay and two copies.

Teachers, students and parents seeking more information about the writing competition and wishing to obtain entry forms may send a postcard to the National Bicentennial Writing Competition, Box 50184, Washington, D.C. 2004-0184. The deadline for entries is April 15, 1987.

For more information, contact Joe Junod, 800-368-3024, Ext. 5849.

Dogies overcome Miles Bullpups

Coach Max Anthony reported the Robert Lee Dogies continue to play good football. The team overcame the Miles Bullpups on the home field Oct. 2 with a win of 16-6. Jody Tavarez outran the opponents to score both Dogie touchdowns, one on a 5 yard run and the other on a 2 yarder. Two-point conversions were by Todd Scott with a 3 yard run and Chris Marquez from 3 yards out also.

The squad will travel to Sterling City on Oct. 9 for a tough hit and run game at 6 p.m.

Go Steers!

IN APPRECIATION

We wish to publicly express our heartfelt gratitude to the EMS of our community - for their prompt, professional care during our emergency. Mike Fluhmann, Ivan Conner, Edwin and Tammie Smith responded with expertise and compassion; the citizens of Robert Lee should applaud. To Mr. Bob Boone, Bobby and Brooke who rushed from their home showing us unselfish care, we are at a loss for the appropriate words to say thank-you. To Susan Blassingame who came immediately and took our children, we love you.

We are very thankful the accident brought no injury to the Mark Riley family. It is our fervent prayer and plea to all parents to use federally approved car seats and seat belt restraints every time you transport your children. We have a running, laughing four year old and a crawling, giggling ten month old healthy and safe because we buckled them in to travel only four blocks from home.

COUNTRY AGENTS NEWS

by Tommy Antilley

Producers in the Edwards Plateau region can catch up on the latest developments in Range Research October 14 when the Texas Agricultural Experiment Station holds a grazing management field day here.

The field day, the first in many years, is set to begin with an 8:30 - 9:30 a.m. registration and coffee session at the Experiment Station located on Hwy 55 between Sonora and Rock-springs.

According to Dr. Charles Taylor, superintendent of the Sonora Station, the day's format will consist of a short speaker presentation starting at 9:30 a.m. followed by

lunch and an afternoon program of discussion and hands-on demonstration work including range evaluation, prescribed burning and grazing systems.

"We are striving to meet several objectives during the field day," said Taylor. "First, we will be presenting and discussing current research results which emphasize proper grazing management and profitability. We also will discuss the direction of future research programs and explain our justification for that direction. Finally, we will present several new ideas concerning care and evaluation of range vegetation and site condition."

Hayrick Lodge hosts OES

Hayrick Lodge #696 hosted the local Eastern Star Chapter at their new building last week with a fish fry. About sixty-two persons attended the supper to show the Lodge's appreciation for the Eastern Star's support and assistance on the two organizations' new facilities. The meal included hush puppies, fried fish, potatoes, salads, and cole slaw. Desserts were provided by the Easter Star group.

On November 15 at 2 p.m., the public is invited to attend a ceremony to lay a new cornerstone at the

Lodge Hall. Past Grand Master of the Masons of Texas, Sam Hilburn, of Midland will be in Robert Lee to preside over the ceremony.

Hood condition unchanged

Tommy Hood remains a patient in Shannon Hospital in San Angelo following 2 surgeries and numerous tests over a 2 week period. Complications have resulted from a football injury and surgery done in the early fifties. His condition is reported to be unchanged. He makes his home with his brother and sister-in-law, William and Rhonda Hood in Robert Lee.

Personal

Cliff Barrett has been hospitalized the past two weeks for chemo therapy and radiation treatments. His condition is slightly improved although he experienced a painful allergic reaction to the chemo, according to his family. If he continues to progress he may be allowed to come home by the end of the week.

Weekend guests of the Turney Caseys were Bill and Lib Rosenbaum, Short Vowell of Clinton, OK., Mike, Mona and Larry Casey of Abilene and Becky Ross of Bedford, TX.

Homemade Cookies Make Great Rewards

Have you ever felt as though you deserve a reward? Perhaps it's for a job well done — the kitchen cleaned... a good workout... the lawn cut... home-work completed.

When this happens, it's a special treat to have homemade snacks on hand for an edible reward.

Whole grain oats have been the start of delicious cookies for generations of Americans. Oats are high in water-soluble fiber, and provide a distinctive nutty texture to baked goods.

Here are two contemporary classics to fill your cookie jar. Raisin Spice Drops is a chewy oatmeal cookie packed with morsels of raisins and nuts. Or, for the chocolate lover in all of us, try Easy Chocolate Chippers.

You'll think the best reward for making your own oatmeal cookies is the aroma as they bake—that is, until you take your first bite!

EASY CHOCOLATE CHIPPERS

- 1 cup margarine or butter, softened
- 3/4 cup firmly packed brown sugar
- 1/2 cup granulated sugar
- 1 egg
- 3 tablespoons water
- 1 teaspoon vanilla
- 1-1/4 cups all-purpose flour
- 1/2 teaspoon salt (optional)
- 1/2 teaspoon baking soda
- 2-1/2 cups Quick Quaker Oats*, uncooked
- One 6-oz. pkg. (1 cup) semi-sweet chocolate pieces

Heat oven to 350°F. Beat together margarine and sugars until light and fluffy. Blend in egg, water and vanilla. Add

Raisin Spice Drops

combined flour, salt and baking soda; mix well. Stir in oats and chocolate pieces. Drop by rounded tablespoonfuls onto ungreased cookie sheet. Bake 13 to 15 minutes. Cool 1 minute on cookie sheet; remove to wire cooling rack. Store in loosely covered container.

About 3 dozen cookies

*NOTE: When using Old Fashioned Quaker Oats, uncooked, increase amount to 2¾ cups.

RAISIN SPICE DROPS

- 3/4 cup margarine or butter, softened
- 2/3 cup firmly packed brown sugar
- 2/3 cup granulated sugar
- 2 eggs
- 1 teaspoon vanilla
- 2-1/2 cups Quaker Oats (quick or old fashioned oats, uncooked)
- 1-1/4 cups all-purpose flour

- 1 teaspoon cinnamon
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt (optional)
- 1/4 teaspoon nutmeg
- 2/3 cup raisins
- 1/2 cup chopped nuts

Heat oven to 350°F. Grease cookie sheet. Beat together margarine and sugars until light and fluffy. Blend in eggs and vanilla. Add remaining ingredients; mix well. Drop dough by rounded teaspoonfuls onto prepared cookie sheet. Bake 8 to 10 minutes or until light golden brown. Cool 1 minute on cookie sheet; remove to wire cooling rack. Store in tightly covered container.

4-1/2 dozen cookies

Casey reunion held in Robert Lee

The family of Jerry and Martha Casey met at the Recreation Center in Robert Lee October 4, 1986 for their 10th annual reunion. Tommie McDaniel served cookies made from Aunt Ina Collett's recipe to all as they gathered at 2 p.m. Everyone shared family pictures, events that had happened the past year, made more pictures, and made plans to visit more often during the coming year.

In 1984 the men were designated to work in the kitchen in even number years and the ladies did not have to remind them this year. There was always fresh coffee and tea available, tables kept clean, and a beautiful job was done washing dishes after the evening meal. The women of the Casey family stand proud of their men.

As 6 p.m. the tables bowed in the centers with an abundance of good food for the pot luck meal. Nelson Coulter captured everyone's attention with a good coach's, "Hey", then asked the Lord's blessing on the meal. A strange quietness became apparent as everyone got their plates filled and seated at tables. This lasted for approximately 15 minutes and then there was a scramble at the dessert table. There were several serious discussions at that location as the choices were outstanding. Consequently, many had to have help carrying their plates back to the table they were so heavy laden.

The business meeting was presided over by Vice Presi-

dent Nelson Coulter due to the absence of President Judy Cathey. All were welcomed and a very special welcome to Martin Casey, the only one of the 11 children still with us.

Stoneware coffee mugs with the Casey name and date of the reunion were awarded. The first mug was presented to the person traveling the farthest. A great debate ensued as to whether Reno, Nevada or Hesperia, California is the farthest away. Reno won as it was agreed it is 1500 miles to Hesperia's 1200 miles. Bennie Frank Casey accepted the mug as a gracious winner. A pair of mugs were presented to Turney and Irma Casey for having the most immediate family present. There were 12 present but 16 had been in attendance during the afternoon. Ruth Williams was judged to be the most beautiful woman present and was awarded a mug.

Bobbie Sparks drew a name from all the adult family members that had registered at the door and Tommie McDaniel won. She was presented a walnut framed cross stitch picture with the Casey name and date of the reunion done in copper colored thread on an ivory background, covered with a non-glare glass. This picture was done by Pam and David Hoover. The Hoovers live in Pennsylvania and were unable to attend so sent the picture to be a part of the day's festivities.

The family decided to put together a cookbook of favo-

rite recipes now used and those passed down by family members.

A hearty thanks was given to several members of the Cowley family for their hard work cleaning up the Valley View Cemetery.

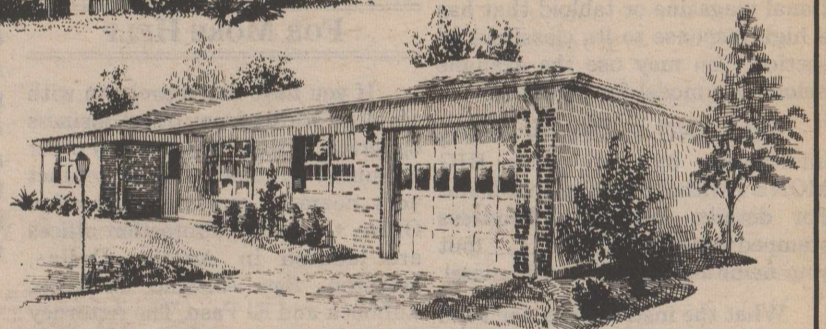

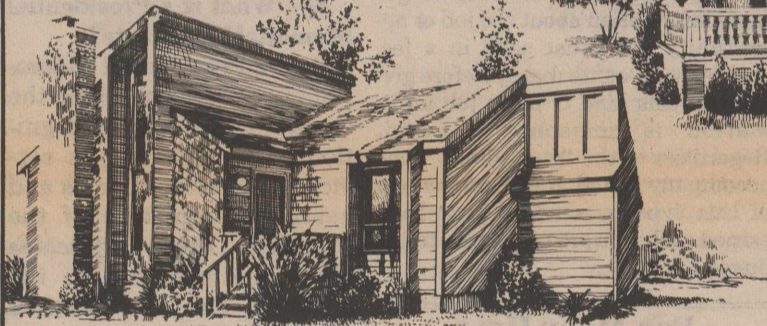

The new slate of officers for 1987 are: Nelson Coulter, president; Bill Casey, vice president; and Barbara Chesney, sec.-treas. Mr. Casey accepted but doubted his being able to attend next year due to the planned annihilation of a sister that made the nomination.

There were 63 family members and six guests that attended.

RESIDENT AND EMPLOYEE of the month at West Coke County Nursing Home are Nell Pruitt and Louis Lohman. Nell is the mother of Patti Ivey and Louis is the son of Dot Starling.

Any New E.S.P. Home Will Save You Money!

SAVE MONEY ON BILLS

You will save money in energy bills for years to come when your new home meets the requirements of WTU's NEW and IMPROVED Energy Saving Plan.

COMPARE THE SAVINGS

You can save up to twenty-six percent in home energy bills a year with an E.S.P. Home. An average 1800 square foot home will cost approximately \$775 a year to heat and cool. The same size E.S.P. Home will cost approximately \$570 a year to heat and cool. That's an annual saving of over \$200! (Energy savings may vary according to the type of home, family size and individual energy usage habits.)

CASH ALLOWANCES

The NEW and IMPROVED Energy Saving Plan also offers you LARGER cash allowances for installing energy-efficient equipment in your home. The allowances have been restructured, so now, the higher the efficiency rating of the equipment, the more money WTU will pay you through the E.S.P. program. To qualify for the cash allowances, your new home must meet the E.S.P. requirements and be served electricity by WTU.

THE NEW E.S.P. BOOK

For more information on the NEW and IMPROVED E.S.P. program, pick up your FREE copy of the new E.S.P. Book at any WTU office.

Crop insurance year ends

October 31 ends the 1986 year insurance period for barley, oats, and wheat grown in Coke, Texas and insured by the Federal Crop Insurance Corporation (FCIC) according to Dottie Sampley, a representative for the Federal Crop Insurance Corporation.

"Under the terms of the policy, any acreage on which harvest will not be completed must be left intact until an inspection is made. Any

claim for indemnity may be rejected if these loss reporting requirements are not met," Sampley stated.

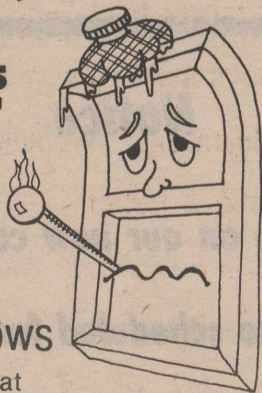

"Any notice of loss must be given promptly after the total destruction of the unit, completion of harvest, or October 31, whichever occurs earlier," according to Sampley. The producer who anticipates a claim should notify his or her crop insurance representative immediately.

Attorney General

Don't Get Stuffed By Envelope Stuffing Scams

The ads make it sound like easy money. "NOW! As an independent mailer you can earn BIG MONEY in your own advertising business. We will pay you \$100 for every one hundred pieces of mail you process—just by following our simple instructions."

THE COME ON

All you have to do is send a nominal sum, usually between \$10 and \$40, and they will teach you how to make money at home. And since the ad promises that the job will have qualities that many people want— independence, prestige, being your own boss—it's not surprising that many people fall for the old envelope stuffing scam every day.

THE SCAM

Chances are if you send your money to a company that promises to teach you how to stuff envelopes for big bucks, what you will get is an instruction sheet that describes how to get others to send you money for the same scam. The instructions will look something like this:

"Place a classified ad in a national magazine or tabloid that has a high response to its classified ad section. You may use the example below as a model for your ads.

AMAZING PROFITS! Selling information by mail. Earn BIG MONEY without leaving your home. For details, send a self-address stamped envelope to _____ (put your name and address in this space).

What the instructions don't tell you is that placing such an ad can get you in trouble with the U.S. Post Office, local criminal prosecutors, or my

Consumer Protection Division.

Some operators have begun to send envelope stuffing offers, as well as other business opportunity advertisements, through the mail. But whether the come-on is read in a classified ad or arrives in the mail, people who actually send in money and then place an ad will end up competing with others who have fallen for the same trick, not to mention the company that placed the original ad. But whether the scam is pitched via on the mails or through classified ads it amounts to the same thing—deception.

THE WARNING SIGN

One of the biggest warning signs for this kind of fraud or deception is the statement that in order to get more information about the job or opportunity you must send in a fee. Anyone who wants money before giving you this kind of basic job information is someone to avoid. Regardless of the "guarantees" that accompany the ad, if you answer one of this type by sending your hard earned cash, you are very likely to get burned.

FOR MORE HELP

If you have had a problem with envelope stuffing, any other business opportunity solicitation, or any other consumer problem, please contact your nearest Consumer Protection Office. Consumer Protection offices are located in Austin, Dallas, Houston, San Antonio, McAllen, Lubbock and El Paso. The Attorney General's Office is the people's law firm. We're here to help you.

LOOK WHO'S NEW

Glenn and Loretta Bridges of Eden proudly announce the arrival of their second son. Cody Scott was born on October 1 at Angelo Community Hospital. He weighed 8 lb. and 6 oz. at birth.

He has a brother, Marshall Glenn, 6 years old. His grandparents are Jackie Walker, Robert Lee, and Jim Bridges of Hermleigh. Calvin and Cova Sparks of Robert Lee are his great-grandparents.

VA NEWS

Q-- I understand that the VA provides a headstone for the grave of a deceased veteran at no charge. My husband recently died and was buried in a private cemetery. The cemetery has sent me a bill for \$275. Is this correct?

A-- The VA does provide a headstone or marker without charge. However, the cost of placing the marker in a private ceremony must be borne by the family.

Q-- What is a Presidential Memorial Certificate?

A-- A Presidential Memorial Certificate expresses the country's grateful recognition of an individual's service in the armed forces and bears the signature of the President. These certificates are made available to the next of kin of deceased eligible veterans or to persons who are on active military duty at time of death. Next of kin need not apply for a certificate. Relatives or friends are asked to make application at any VA regional office.

Violence Hurts. The Family Shelter of San Angelo provides confidential counseling and referrals, as well as a safe place for victims of family abuse. For more information, Call 655-5774. You don't have to take it any longer.

Postal Pointers

by: Coe Lewis,
Postmaster

With Christmas just around the corner, perhaps we should talk a little about sending parcels overseas. There are two kinds of personal parcels which you can use; (1) PAL (parcel airlift mail) and SAM (space available mail). You can only mail PAL and SAM to military personnel. PAL mail can weigh up to 30 pounds and be 60 inches in combined length and girth. These parcels are flown to a military mail dispatch center where it is airlifted overseas on a space available basis. The charge for this service is the regular parcel post rate to the military dispatch center, plus 30c up to two pounds, 60c up to three pounds, 90c up to four pounds and \$1.20 over four pounds, up to 30.

SAM mail can weigh up to 15 pounds and be 60 inches in length and girth. This mail is transported by surface to the military mail dispatch center, then is flown from the United States to the overseas destination. Parcels meeting these specifications are eligible for SAM mail and you should ask the postal clerk to so mark your parcel. All SAM parcels leave the United

States on a space available basis. There is no extra fee.

The time is here for getting your parcels ready for overseas, whether or not it is military. A schedule for mailing to different countries is now available at the post office and deadline dates range from October 17 for regular surface parcels to Armed Forces in Australia, Far East, and South and East Asia to December 8 for Priority Mail to Alaska and Hawaii.

We realize that not everybody mails overseas, but for those who do, this information is very important and we are ready to help in any way to get your parcels and letters there on time. Another reminder—be sure to enclose your name and address inside your parcel just in case something happens to the outside address. This way you will be sure to at least get your parcel back if something should happen to the outside address and you won't be wondering six months from now what ever happened to your package. Make sure your wrapping is good too and that you use something besides masking tape or scotch tape. Just ask us—we'll tell you the best way.

Lake Spence Fishing News

PAINT CREEK MARINA
Guy C. Hall-Midland, 1 Black Bass, 4 lbs.
Mr. & Mrs. C.L. Crosby, 19 Blue and channel cat up to 5 1/2 lbs.

Herb Minzermayer, San Angelo, 1 Striper, 8 lbs.
Jay Mullins, Lamesa, 1 Striper, 13 1/2 lbs.
Bill Mayes, Odessa, 1 Yellow cat, 27 lbs.

WILDCAT FISH-A-RAMA
Ed & Raymond Williams, Kermit, 50 catfish up to 3 lbs.

Justin Francis (5 yrs) Wildcat, 1 white bass.

HILLSIDE GROCERY
Kevin Roe, Robert Lee, 2 black bass up to 3 3/4 lbs.
Steve Hendricks, Midland, 1 Striper, 22 lbs.

Charles Sherrill, 1 Black bass, 3 lbs.; Bobby Williams, 1 black bass, 1 1/2 lbs.; Monroe Crawford, 2 catfish to 2 1/2 lbs. & 1 crappie, 2 1/2 lbs.

Spence fishing conditions: water muddy upriver portion; 78 degrees; black bass

good on worms and spinners to 4 lb.; stripers fast to 22 lb. on live perch and Hellbenders; crappie slow and scattered; white bass fair on topwaters; catfishing picking up, live perch trotlining and rod & reel on nightcrawlers especially in upper lake.

A smaller-than-expected entry of 75 participated in Coca-Cola's Striper Quest tournament last Saturday at Lake Spence. Despite miserable fishing weather, most of the entries stuck with it and it paid off well for some lucky anglers. High wind and rain plagued the fishermen most of the day but a regular on the choppy lake came through. Darrell Sorey of Midland weighed in 2 stripers totaling 16 lb. and claimed the \$3,000 top prize. Other winners were: 2. Treva Davis, Brownwood, two fish for 13 pounds 14 ounces, \$1,000. 3. Herbert Sorey, Midland, two fish for 10 pounds 9 ounces, \$600. 4. Robert Hampton, Sweet-

water, one fish for 7 pounds 3 ounces, \$400. 5. Carol Minzermayer, San Angelo, one fish for 7 pounds 2 ounces.

Sixth through 15th places received \$100 apiece. 6. David Hodnett, Big Spring, one fish for 6 pounds 13 ounces. 7. Johnny Vandiver, Midland, 6 pounds 12 ounces. 8. Robert Essery, Snyder, 6 pounds 6 ounces. 9. Gary Motl, San Angelo, 6 pounds 5 ounces. 10. Tom Wideman, Sweetwater, 6 pounds 2 ounces.

On October 11-12, the annual Open Bass Tournament, hosted by the Concho Valley Bass Club, will utilize four area lakes for their tourney. Lake E.V. Spence near Robert Lee will be one of these, along with Nasworthy, Twin Buttes and O.C. Fisher in San Angelo. Entry fee for the 2-fish, 14 inch minimum black bass contest is \$40. The tournament will pay \$1,500 for 1st place and a \$750 second as well as other cash and merchandise prizes. More info is available at the Mike Brauns Memorial Bldg., Mary Lee Park, Lake Nasworthy.

Bronte Enterprise --1948

October 1948-----

Bronte adopted its 1948-49 city budget at a public hearing with about 50 persons in attendance. Total amount required was \$6,262.51. Figures were based on a total evaluation of \$840,000 with a tax rate of 75 cents on \$100.00 valuation. City officials said this represents the smallest amount of money that can possibly be used to run city business in an efficient manner.

Dr. John Harris has leased the Karen-Gayl Hospital from Mr. and Mrs. J.M. (Mac) Rippetoe.

Two Bronte women, Mrs. C.E. Arrott and Miss Gladys Waldrop were in charge of several exhibit departments in the women's division of the West Texas Exposition and Race in San Angelo.

The 51st Judicial District Court will convene in Robert Lee with Judge J.F. Sutton presiding. On the docket are 53 suits of trespass to try

title, one suit with The State of Texas as plaintiff to confiscate 3000 bottles of alcoholic beverages, two divorce actions and two adoptive hearings.

Lawrence Pittman, Bronte boy who is a senior student at Texas A&M was injured in a motorcycle-auto collision on the campus. He was expected to be hospitalized 2 or 3 weeks.

L.F. McCutchen recently bought a laundry which will offer wet wash, dry wash and finished work. He said the laundry has soft water, plenty of steam and a mangle.

Victor Bermudez was given a 7 year prison sentence for burglarizing the home of E.L. Caperton of Bronte.

Food Specials from Cumbie & Co.-your Red & White Store: 10 lbs sugar, 89c, New crop honey, 2 lb. jar 54c, 25 lb. sack flour, 79c, 1 lb. can coffee, 53c.

Kennedy named manager

Nell Kennedy has been named Branch Manager for Heart O' Texas Savings Association in Robert Lee. She has been a Robert Lee resident for the past fifteen years and has been employed with Heart O' Texas Savings for the last four and one half of those years.

Her previous duties included teller, staff appraiser, and most recently a loan processor in San Angelo. "Mary Beth Drennan, former Robert Lee manager, retired. This provided an opening which we felt would best be filled by Nell Kennedy. The fact that she has been a resident of Robert Lee and is already familiar with the city

Nell Kennedy

is just a bonus," cited John Hendley, Regional Vice President.

Reporting SS changes

People who get Supplemental Security Income (SSI) payments do not have to visit a Social Security office to report significant changes in their situation, Franklin H. Upp, Social Security manager in San Angelo, said recently. Changes may also be reported by mail or phone.

The important thing is to include all pertinent information. This includes the name of the person about whom the report is being made, the person's Social

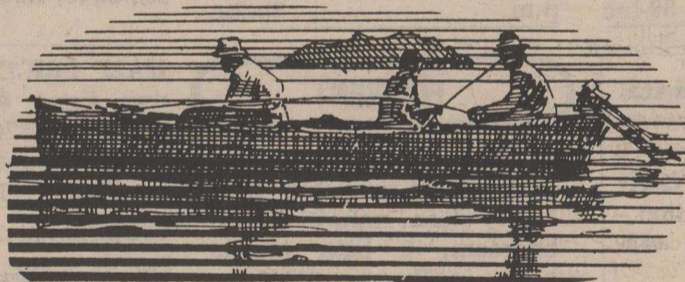

Security number, the date the change occurred, and the address and phone number of the person making the report. If the report is made by mail, the person's signature should also be included.

For the public's convenience, a form for making such reports can be obtained from any Social Security Office. The San Angelo Social Security Office is located at 2214 Sherwood Way. The telephone number is 949-4608.

Margaret Martin returned home Friday after attending a special session of the Silver Haired Legislature in Austin. Prior to the session she visited with her son Gary Martin and family of Ft. Worth. Her son took her to Austin on Sunday and accompanied her to a reception at the Governor's Mansion.

Mrs. Martin reports she had a very interesting and enjoyable time in Austin. She was interviewed by the media and was quoted in the Houston Post and San Angelo Standard-Times and appeared on a Houston television program. She will have a more complete report of her experiences in next week's paper.

Clinic hours extended

Ms. Jo Alexander, Clinic Manager of Planned Parenthood Center of San Angelo, Inc. announced today the expansion of the clinic hours to help meet a goal to make family planning information and services affordable, accessible, and understandable to any person desiring those services.

The new hours include one evening clinic a week in addition to opening one half hour earlier in the morning. The new hours will be as follows: Monday thru Wednesday-8:00 am-5:30 pm; Thursday-8:00 am-8:00 pm; Friday-8:00 am-5:30 pm.

All services are offered without regard to age, race, color, marital status, sexual preference, or national origin.

Ms. Alexander states that "Fees for service are based on family size and income, using a sliding fee scale. The fee range for a complete physical exam and contraceptive supplies would be from \$25 to \$70. All services to all patients are strictly confidential. We respect your right to privacy.

Appointments may be made by calling Planned Parenthood of San Angelo at (915) 944-1909 or by using our toll free number (in

Texas) at 1-800-237-2161.

Ms. Dustin Munro has been hired at the clinic as the center's new nurse practitioner. Ms. Munro sees her role at Planned Parenthood of San Angelo as one of providing a complete range of medical services to every person of reproductive age. She recommends that a woman have her first gynecological exam and Pap smear when she becomes sexually active, begins to have gyn-related problems, or turns 18, whichever comes first.

Ms. Munro further states that, "The clinic has undergone a series of dramatic changes that will greatly improve the quality of care that is provided and reduce the amount of time a patient spends in the clinic receiving services. It is now possible for patients to call for appointments and receive them either the same day or within five working days. Also, the amount of time a patient spends in the clinic has been reduced from an average of two hours to a maximum of one hour, with the staff striving for the time to be reduced further to forty-five minutes of less."

Reducing dietary fats

REDUCING VISIBLE AND HIDDEN FATS IN THE DIET - Consumers may associate fat with meat because it is visible, and tend to ignore the hidden fats in other types of food, says Texas A&M University Agricultural Extension Service nutritionist Mary K. Sweeten. "Unless people read food ingredient labels, they are often unaware that coconut oil, palm oil and other saturated fats are frequently used in baked goods and other processed foods," she remarks. Both the U.S. Dietary Guidelines and the American Heart Association Dietary Recommendations advise Americans to cut back on their consumption of fat so that it is no more than one-third of their daily calories. In addition, the Heart Association recommends reducing saturated fats to under 10 percent of daily calories. "That means consumers need to be thinking in terms of their total fat intake" says Sweeten. "They may want to watch their intake of saturated fats from processed foods and baked goods as well as select lean

meat." Using a minimum of fats and oils and choosing to broil, bake, poach or steam foods instead of frying will also help reduce total fat consumption, she says.

TEXAS PECAN CROP SHORT BUT OF HIGH QUALITY - The 1986 pecan crop will be short in Texas as well as in other pecan-producing states, but the quality of the Texas crop will be the best in 10 years, says a horticulturist with the Texas Agricultural Extension Service, The Texas A&M University System. The Texas crop should be between 25 and 30 million pounds, about 40 percent of normal. Prices to growers should be good due to the shorter crop, but consumer prices should be about the same as last year.

New crop pecans should hit the market about the first of November. The lighter the color of the kernel, the better the quality. Pecans should be stored in the home freezer to preserve quality and can be used as needed.

OCTOBER IS FISH AND SEAFOOD MONTH

Fish and Seafood Month is the perfect time to enjoy fish meals that are both nutritious and tasty.

Seafood provides protein, vitamins and minerals and has the extra advantage of having low levels of fat and cholesterol.

Fish also fits well into today's active lifestyle. Seafood cooks quickly, requiring little time in the kitchen. It can be poached and served with a low-calorie sauce, broiled and basted with melted butter or margarine and lemon juice, baked in a casserole or breaded and fried.

For good eating and good nutrition, try some fish or seafood this month.

FAT AND SODIUM IN FISH

The amount of fat and calories in fish go hand in hand. Fattier fish - meaning a higher oil content - include herring, mackerel, trout, catfish, sardines, tuna and salmon. In general, the darker the color of the flesh, the higher the fat content.

Shellfish, snapper, drum, cod, sole, flounder, haddock, halibut and other white finfish are low in fat. However, the level of fat in all fish is not always constant. Some species put on more in the

summer and fall than at other times. The fat content of certain fish may be as much as 4 times higher in summer than in winter.

But the primary source of fat calories in fish is the butter, margarine, oil, sauces or breaded and fried coatings we add when cooking. For example, a breaded, fried fish fillet may have 4 or 5 times more calories than the white fish broiled alone.

Canned fish packed in oil has double the calories and more than five times the fat of the same fish packed in water. Even though water-packed fish is lower in calories, it's usually not lower in sodium. Both oil-packed and water-packed versions are high in sodium chloride, or salt.

A large portion of the salt that is added in processing can be removed by rinsing and draining the fish in a sieve or colander. Rinsing will not remove the other valuable nutrients.

Some manufacturers have begun to eliminate salt by offering tuna with about half the sodium. If you're on a low-sodium diet, beware of smoked or dried fish because it is preserved with salt. Otherwise, fresh fish, in general is quite low in sodium.
