Bronte group discusses chamber

A crowd of about thirty Bronte citizens and businessmen met Monday, Sept. 28th in the Bronte School Library to explore the possibilities of forming a Chamber of Commerce. Guest speaker, Grady Elder of the San Angelo Chamber spoke on the steps necessary to form a functional chamber. Among the items that would be necessary were a phone that would be listed as Chamber of Commerce. someone to answer that phone during posted hours, someone to answer any inquiries received by the chamber, a budget. It was decided by attendance vote that a four member committee would nominate a nine member board. That board would among itself elect its officers, ie.- president, vice president, etc. Also, the four member committee would find a place with a phone and a person or persons who might be willing to answer the phone and any mail requests if received.

Ideas for a budget would also be formulated. The committee will report at the next general meeting Oct. 12, at 8:00 p.m. in the school library.

The people chosen for the committee were Susan Arrott, Royce Lee, Jeanna Lee and Mike White. Any suggestions or opinions pertinent to the formulation of a Bronte Chamber of Commerce should be brought to the attention of one those committeemen.

After the board is set, it will decide on what committees are necessary for each function.

Though the meeting's primary goal was to decide whether to form a Chamber, several subjects were raised where a Chamber would clearly be of value to Bronte. One such item was the possible decision by Shannon Medical Center to close the Bronte Shamrock Clinic

because of the small amount of revenue reported. A chamber could possibly step in and point out to Shannon's board some other benefits the clinic provides, such as the ambulance service recommending Shannon.

Another issue raised was the rumor about the Union Texas office being either reduced or moved.

These items went on the list for the board to take action on. The four member committe would also research and report on the clinic and Union Texas at

(cont'd on page 2)

Clinic opinions sought

Mr. Tom Alexander, President, of Shannon Medical Center met with the Board of Directors of the East Coke County Hospital District Monday night, Sept. 28th. Mr. Alexander explained to the board that the Shamrock Clinic has lost approximately eighty-five thousand dollars (\$85,000) since June 1986. In order for Shannon Medical Center to continue to provide doctors for our clinic, the ECCHD would have to subsidize the Shamrock Clinic approximately seventy thousand dollars (\$70,000) per year. This would mean a tax increase of approximately 27%. The effective tax rate is .26179c to the one hundred

dollars (\$100.00) valuation. The tax rate would need to increase to .36342c to the one hundred dollar (\$100.00) valuation to meet the amount needed.

The Board of Directors are soliciting your opinion as a taxpayer in the East Coke County Hospital District. If you want to voice your opinion, for or against, you may do so by contacting one of the following: LeDrew Arrott, R.W. Blackmon, Eddie Alexander, Jane Cumbie, Noel Percifull, or Pam Stokes (at the Bronte Nursing Home). Please respond before Oct. 9th.

Hunting, Fishing Guide upcoming

The 1987 Coke County Hunting & Fishing Guide is scheduled for publication October 24th. This guide, published annually by the staff of the Observer/-Enterprise, has been hailed as the leading county guide for hunting and fishing in the Edwards Plateau.

According to Observer/-Enterprise editor Joan Davis, this year's guide will include a classified section which will help match up buyers and sellers of hunting and fishing gear throughout the area. Advertising deadline for this year's guide is rapidly approaching; so don't miss this important marketing tool for your hunting and fishing related merchandise.

EMMA LEE MILLICAN of Robert is dwarfed beside a huge 118 lb. pumpkin raised by Larry Jameson of Silver. Called a Big Moon variety, he said the garden was only fertilized with mulch. Jameson will leave the "punkin" at Key Feed Store this week and next week it will be displayed at Silver Peak Grocery.

... Upcoming-

4-H Shooting Sports

There will be a 4-H Shooting Sports Organizational meeting, Monday, October 5th, at 6:30 p.m. in the County Show Barn. All parents and 4-Hers interested in shooting sports are encouraged to attend. 4-Hers must sign up for the new year.

Shooting Sports project stresses safety at all times, and with hunting season coming up, now is a good time for youth to take part in the project. Shooting safety training for all new shooters and the continued promotion of safe gun handling habits for experienced shooters is the key part of the 4-H Shooting Sports project. Safety first, safety always is the most important lesson taught in the program.

Flu vaccination

The annual flu shot program will be conducted on Tuesday, Oct. 6, from 9 a.m. until noon at the Senior Citizens Bldg. in Robert Lee. The shots will be available to those 55 years old and up at a reduced price.

Tourney canceled

Dair Sherilll, secretary, has announced that the local Robert Lee Bass Club's Sunday, October 4, fishing tourney has been canceled and will be re-scheduled later. The Lone Star Bass Club had scheduled their tournament for that date and will be held on Lake Spence.

Public meeting

A public meeting of the West Coke County Board of Community Development will take place on Monday, Oct. 5, at 7:30 p.m. Meeting place will be the county courtroom in Robert Lee. All residents interested in keeping the community alive and growing are encouraged to attend.

40 Plus Dancers

The 40 Plus Dance Club will meet on Tuesday evening, Oct. 6 for their twice-monthly dance. It will begin at 7:30 p.m. in the Rec Hall in Robert Lee. Those 40 years old and over, along with their guests, will be welcome. Tickets are available at the door.

Flu vaccination

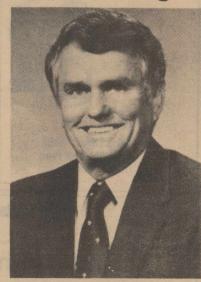

The Shamrock Clinic in Bronte will be giving flu vaccine on Tuesday, Oct. 6, from 8 a.m. & 12 noon, at a cost rate of \$3.

Sims plans RL meeting

Senator Bill Sims will host a town meeting in the city of Robert Lee. The senator plans to hold the meeting in Robert Lee, Tuesday, October 6, 1987 at 10:30 a.m. at the courthouse.

Senator Sims hopes a good number will attend in order to be able to discuss and answer questions about recent changes in Texas law made during the regular and special sessions.

The senator kicked off his two (2) month tour of the 25th district on September 1, 1987 and will attend the county seat of each of the districts' 35 counties. Senator Sims has invited each of the representatives from the

Senator Bill Sims
counties he represents to
attend these meeting with
him.

Homecoming slated in Robert

The whole town of Robert Lee has gone orange and black-- it's Homecoming week! The beautiful fall weather is adding to the carnival air. Activities will begin on Tursday evening with the annual bonfire at the school. Time for the beginning cheers are tentatively set at 8:30 p.m. It will begin when the Junior High returns from the Dogie game at Miles.

On Friday afternoon, the Homecoming Fever will rise when the parade floats line up downtown at 2:45 for the march to the school. Parade theme is "Choice of a New Generation". Once there, the big pep rally will begin at about 3:15.

The Steer-Miles Bulldog match-up promises to be an exciting game starting at 8 p.m. District 6-A has again gotten into its traditional scramble. At halftime, the Homecoming King and Queen will be revealed. Candidates for the honors are Tracy Hubbard, Karen Smith, Kristi Wrinkle, Randy Gartman and Robert Runnion. Mr. and Miss RLHS will also be presented. Already named to these honors are Lisa Bower and Jason Herring.

Immediately following the football game, a reception will be held at the Recreation Center for all who would like to gather and visit. The get-together is sponsored by

the Robert Lee Ex-Students Association and refreshments will be served.

Last Homecoming event will be a dance, sponsored by the RLHS Student Council. A DJ will provide the music at the county show barn following the football

house

Glenn-Bivins Insurance held an open house at their new office location at 123 West Main St. in Bronte on Friday afternoon, Sept. 25, 1987. Over 125 people were present at the drawing that was held. Mrs. Henry (Miss Vera) Raney won the grand prize of a \$50.00 gift certificate. There were five \$20. cash prizes for Tony Flores, Margaret Martin, Janet Eubanks, Karla McClure, Sandra Arrott. There were several other door prizes won by people present at the drawing.

This agency was established in the 1920's by Mrs. Carrie Williams and L.T. Youngblood. Except for a short period, it was located in the First National Bank in Bronte until

this building was built. When Mrs. Williams became Bronte Postmistress in the 1930's, Mr. Youngblood became sole owner until his son-in-law, Earl F. Glenn returned to Bronte after the Korean War. Garry and Marilyn Bivins entered the agency in 1982 expanding the agency from a fire & casualty agency to include selling of life and health insurance. Shalon Gibbs was employed in the agency in 1985.

The downtown merchants and others associated with Bronte businesses are looking forward to continued growth in Bronte over the next 5 years. Appreciation is expressed to area friends and customers who support this

growth.

ROBERT LEE SCHOOL NEWS

Steer defense stops Bearkats

It would be hard to give the Steers enough credit for their defensive efforts for this season. It seems as if they are improving in leaps and bounds every week. Last week against Garden City, it almost seemed as though Robert Lee was homesteading in G.C.'s backfield. With that kind of pressure on the opposing quarterback, Garden City had a very limited passing attack. Curt Gardner, Michael Lee, Billy Smith and Clint Smith all

produced big plays up front for Robert Lee. On the few occasions when G.C. did get by the line they were forced to deal with Anthony, Runnion, Herring, Ebenstein, and Randy Gartman. A little of the medicine seems to go a long way on the opposing running backs.

1ST QUARTER

The ball went back and forth with both defenses working well. The only score in this quarter was a 35 yard field goal by G.C. as the Steers managed only two first downs.

2ND QUARTER

line. Fourth and long. Hood back to punt and he gets a good one, 57 yds. Sometimes it takes a big play like that to really get a team started. It worked Friday night as Garden City could not get a first and had to punt. Gardner blasted his way through the line and blocked the punt. RL got the ball at the Garden City 9 yd. line and moved in for their first score. Ebenstein went over from the one for six pts. Ebenstein then kicked the extra and it was RL 7- GC 3. Later in the quarter Runnion hit Jon Roders on an eight yd. pass for another six. Ebenstein again was accurate and it was RL 14-GC 3.

SECOND HALF

The second half was all defense by both teams with bright spots by RL including a 56 yd. punt, an interception by Jason Herring and a fumble recovery.

It was another big win by the Steers. Homecoming is this week against Miles. Let's have a crowd supporting the Steers.

ers, coaches and managers and is donated by Tickets may be purchased

at certain merchants in Steers ball at Steer 36 yd. town or at the club booth at the ballgame. Proceeds go to support our Robert Lee athletes. The club would like to take this opportunity to encourage everyone to participate in the victory line before the game. Let's see how long we can make it this week and show our boys how much we support and back them.

Class of '84 meeting

The Robert Lee Class of '84 will hold a class meeting in Room 10 at the Robert Lee High School immediately af-

ter the Homecoming pep rally on Friday, Oct. 2. The purpose is to discuss the management of class funds.

The Robert Lee Dogies opened their 1987 football season at Water Valley on Sept. 17 and battled the hosts to a 0-0 tie.

In their second outing on Sept. 24, the team was beaten by a strong Garden City team at home, 36-14. Chris Marquez scored both the first touchdown and extra points on 5 yd. and 3 yd. runs. Danny Jackson completed a 35 yd. pass to Pete

Coffey for the Dogie's second TD. The try for extra point failed.

According to Coach Max Anthony, "The Dogies were outmanned by the Bearkittens in both size and speed, but they did not quit and continued to try to the best of their ability until the end of the game."

The Dogies will travel to Miles Thursday night (Oct. 1) for a 6 p.m. game.

Dogie football players noted

BRONTE SCHOOL NEWS

Horns frustrated by Buildogs

The 1987 Bronte vs. Eden High School football game will long be remembered as one of the most exciting and frustrating ever played. Bronte won it, lost it, won it, lost it and almost won it again. The final score was Eden 27-Bronte 22 and it will go down simply as a win for Eden and a loss for Bronte, but that hardly tells the story.

Eden opened the scoring with 9:11 to go in the 1st quarter with a 33 yard TD pass. Bronte took the following kickoff and on the third play, #12 Stephen Lee ran for a 71 yd. TD around his left end. Bronte missed the extra point and trailed 7-6.

Bronte's John Morrow had a spectacular night on both offense and defense. He was responsible for stopping two of Eden's drives with tackles in their

backfield, and again he was the primary receiver scoring on a 35 yd. TD pass with .15 seconds left in the half and again on a 10 yard pass with 3:18 to

After scoring, just before halftime, Bronte led 14-7. Eden came back to tie in the third quarter on a 33 yard run to make it 14-14.

In the fourth quarter Bronte stopped Eden at the Bronte 45 yard line. Eden punted to the two yard line. Bronte lost the handle in the end zone and Eden recovered for a TD. They kicked the PAT and it was 21-14 Eden. It looked like Bronte lost it, but no, Bronte passed their way to the Eden 24 where Stephen Lee hit John Morrow with a high looping pass for a TD. Bronte called time out then, came out and ran a

quarterback draw for the 2 But no. Eden got the ball clipping penalty at their own 13. On the next play, they ran a sweep around their right end for an 87 yard TD. The kick was no good and with 2:55 to go

Again it looked like Eden was sure to win. Bronte took the following kick and in five plays moved to the Eden 40. With 1:13 to go, Lee passed to the 13 yard line where the ball was intercepted. Eden was able to run the clock out and the score ended 27-22 Eden. The loss dropped Bronte to 0 and 2 in district and 2 and 2 on the season.

points. It looked like Bronte had it won with only 3:18 to go in the game. after the kickoff and a

Eden led 27-22.

Bronte is open this week and will play Water Valley, there on Oct. 9th.

Lady Horns place third

The Lady Longhorns volleyball team brought home the third place trophy from the Colorado City tournament Saturday. Bronte drew a bye for the first round which put them up against the Water Valley Wildcats, ranked #1 among Class A volleyball teams. After losing 10-15 in the first game, the Longhorns stormed back to win the second game 15-8. Tied 9-9 in the third the Longhorns lost their momentum and the game 9-15. Playing #6 ranked Aspermont for third place the team totally dominated the match, winning 15-6;

"The girls passed well as a team and showed they do have that killer instinct by beating Aspermont 15-0", said Coach Bryan, "I'm very pleased with their performance."

The Longhorns record is

Jr. High volleyball

The Bronte Jr. Hi volleyball team traveled to Miles Monday to take on their district rivals. The 7th grade team lost 2-15; 3-15; Members of the 7th grade team are: 7th- Misti Mackey, Tamara Richards, Aimee Easterly. Marcy Reyes. 6th- Wendy Huckabee, Kim Blair, Jennifer McCorkle, Michelle Levins, Daphone Balderas, Athena Black, Amy Bailey, Carrie Hoyt and Mae Baldwin.

The 8th grade won the 1st game easily 15-4. Amie Parker had 4 pts. In the second game, Miles took a 15-9 win, forcing a third game. The Shorthorns found themselves down 11-4 when they began their comeback.

Six consecutive points by Darla Scott helped put the Shorthorns ahead and pull out a 15-11 win. Jami Morrow had an excellent night setting and passing. Tina Smith, Darla Scott, Amie Parker and Teresa Vaughn all had good nights offensively.

Members of the 8th grade team are: Darla Scott, Teresa Vaughn, Kristie Cooper, Alisa Richards, Brandi Thomas, Amie Parker, Stephanie Tutle, Tina Smith, Elaine Moore, Sonya Salser. Shauna Minton and 7th grader, Jami Morrow.

The 7th grade team is 0-2 while the 8th are 2-1 overall and 2-0 in district.

Mrs. Clarence Arrott and Mrs. J.C. Boatright of Bronte went to the State TEHA at Fort Worth Tuesday through Friday, Sept. 22-25. They attended some excellent workshops and listened to the interesting speakers.

Varsity

Bronte High School Varsity and Junior Varsity teams traveled to Water Valley last Tuesday night, Sept. 29 to capture their first district wins. In the Junior Varsity match, Bronte won 15-5 and 15-11. Angela Reyes scored 9 straight points in the second game and Kim Sims had 4 kills.

In the exciting Varsity match, Bronte won 15-9, 8-15, 15-8. Tina Hines had five kills. The Varsity record is 1-0 in district and 6-5 in season play.

Water Valley will come to Bronte Saturday, Oct. 3rd at 2:00 p.m. to again play Varsity and Junior Varsity

Headache on wheels

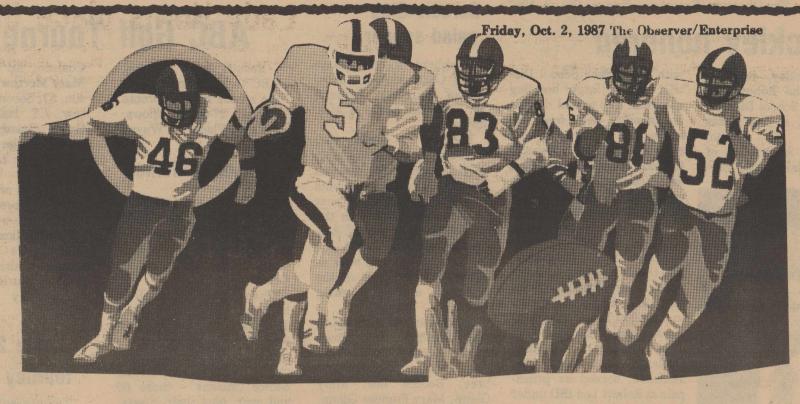

Is your present transportation a constant headache . . . costing more than it's worth? If so, see one of our installment loan officers. We can show you convenient terms and interest rates that could put you behind the wheel of a new or different car today.

Bickley honored

Jimmy Bickley, Superintendent of the Robert Lee Independent School District, was honored at the Texas Association of School Board/Texas Association of School Administrators con-

Jimmy Bickley

vention awards dinner Sunday, September 20, 1987, in San Antonio.

Mr. Bickley was selected Region 15's regional winner in the 1987 Superintendent of the Year awards program.

He received his Bachelor's Degree in Business Administration and Master's Degree in Education from Sul Ross College in Alpine, Tex. He began his teaching career in Stanton, Texas, in 1954. He served as teacher for four years and High School Principal for three years. Moving on to Marfa, he served two years as High School Principal in the Marfa School district. Blackwell Independent School District hired Mr. Bickley to serve as Superintendent. After two years of service there, Robert Lee Independent School District hired him as Superintendent. Mr. Bickley is beginning his twenty-third year with the Robert Lee

During his 22 years at Robert Lee, he has experienced the consolidation

with Silver Peak School District and a large building program. The school district is currently debt free. He values the importance and contribution of small schools in Texas. Mr. Bickley served as President of the state organization, Texas Small Schools Association. During the year of his presidency, 1976, the Small Schools Association was reorganized into the Texas Association of Community Schools. Since that time, TACS has grown to over 800 Texas schools as institutional members. Two other presidents of TACS, Garland Davis and Bob Jameson, served as principals at Robert Lee ISD under Superintendent Bickley.

Mr. Bickley also served two years on the TASA Legislative Committee, two years on the TEA advisory committee for community schools which was formed during his year as president, one year on the advisory committee to TEA on HB 246 and is currently serving as Texas Association of Community Schools Audit Committee Chairman. He also is a member of the Executive Committee for TACS.

A strong believer in community service, he attended and assisted with the adult leadership training in Boy scouts; he is a Lions Club member, served as President on three occasions, and held zone and district offices; and he is a Master and 32nd degree Scottish Rite Mason.

He and his wife, Emma Lee, have three daughters, Elizabeth, Stella and Martha. The Robert Lee Methodist Church is his second family-- he has served in several capacities from assistant custodian to Chairman of the Administrative Board.

"To teach is to learn twice." Joseph Joubert

Sorosis Club salad supper

Members of the Sorosis Study Club enjoyed a salad supper Thursday, September 17 in the home of Mrs. Royce Lee.

Plans for the coming year were discussed and the 1987-88 yearbooks were reviewed by vice president Bobbie Lee. Projects for the year include contributions to the Bronte Nursing Home, Abilene State School and the Ambulance Fund as well as assisting with some of the activities at the Nursing Home.

Attending the meeting were Dorthey Pruitt, Virginia Boecking, Ann Hamilton, Jean Fancher, Peggy Hembree, Bobbie Lee, Mary Glenn, Mary Frances Glenn, the hostess, and one guest, Norma Gentry.

Gospel Singing

The Bronte Super Seniors will sponsor the Ole-Fashioned Gospel Singing on Sunday, October 4 from 2-4 p.m. at the Bronte Senior Center.

"Last month the singing was a big success and we are looking forward to a good one this time," Margaret Martin Bronte Senior Center Coordinator said. "Come one, come all regardless of age."

Bring your solos, duets and quartet specials.

ABC Golf Tourney

Results from the last ABC Golf Tournament of the season held in Bronte on Sept. 27 are as follows: First Place - Wayne

Senior Activities

Nita Schnabel, coordinator for West Coke County Senior Citizens, has announced several of the coming events for the group in October.

The monthly dance will be held on the regular third Thursday, Oct. 15, at 7:30 p.m. Area country/western musicians will again volunteer to provide music for the Senior Citizens -- those 60 and over, plus their guests. It will be held at the Kecreation Center in Robert Lee.

On Oct. 16, Lou Wright will hold a blood pressure clinic at the senior building from 11 a.m. until 12 noon. After the Friday congregate meal, she will speak to the gathering on health related subjects.

A Beltone hearing representative will conduct tests and repair hearing aids from 10-12 on Tuesday, Oct. 20.

Ms. Schnabel issued a reminder to Senior Citizens to come and eat on Monday, Wednesday, and Fridays on the congregate meal program. A menu for the month is included elsewhere in the paper.

Coalson, Ed Martindale, Mary Morrow, Shea Coalson, 57; Second, Jim Morrow, J.T. Henry, Calvin, Gwen Baker, 61; 3rd, Lonnie Taylor, Mack Baker, Hervey Latham, Sue Caudle, 62.

The set of golf clubs from Hembree's Custom Golf Shop was won by Jackie Walker of Robert Lee at the Labor Day Couples Tournament. The drawing was held at Bronte Sunday afternoon, Sept. 6th.

Bronte 2-man tourney results

Twenty-seven teams were entered in the 2 person golf tourney in Bronte Suday, Sept. 27.

Results were:

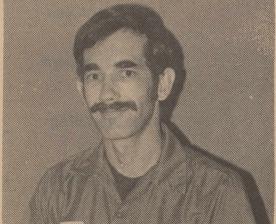

Championship Flight 1st, Bill Blair and Sue
Caudle with 96; 2nd, Pam
Talley and Paul Talley, 97;
3rd, Mary Morrow and
J.W. Caudle, 98.

First Flight - 1st, John Heck and Glen Jones, 100; 2nd, Jim Morrow and Jolene Barrett, 105; 3rd Mike Martinson and Karen Martinson, 106.

Second Flight - 1st, Mickey Pierce and Ed Martindale, 106; 2nd, Bill Brown and Jerrie Robinson, 114; 3rd, Royce Clark and Billy Hamilton, 114.

SCS election set

An election for a director to serve in Zone 3 on the Coke County Soil and Water Conservation Board is scheduled for October 13, 1987 in the conference room of the Coke County Courthouse announced Joe Rawlings, chairman of the board. The election will be held at 10:00

State law decrees that to be eligible to vote in a soil and water conservation district director's election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming and ranching. He must also live in a county all or part of which is in the district. Soil and water conservation district directors serve four-year terms of

Zone 3 of the district lies in the southwest part of Coke County and has the same boundaries as Commissioner's Precinct No. 3. Paul Burns is the current member of the board who represents

The purpose of the Coke County SWCD, with headquarters in Robert Lee, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations. The board has authority to enter into working agreements with these governmental agencies and private concerns to carry out its

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

Arellano elected rep

Thomas Arellano, Jr., of Robert Lee has been elected to serve as a freshman representative in the Western Texas College Student Senate this year.

Arellano is a graduate of Robert Lee High School and the son of Thomas Arellano, Sr. of Robert Lee and Patsy M. Giron of San Antonio. He is a Criminal Justice major at

The WTC Student Senate is made up of representatives from the freshman and sophomore classes. It provides opportunities for students to practice self-government and to regulate their social activities within the framework of the policies of the college. Mickey Baird, Student Activities Director, serves as faculty advisor for the body.

Retired teacher luncheon

The Coke County Retired **Teachers Association opened** the 1987-88 year with a covered-dish luncheon, Monday, September 21. First Baptist Church, Bron-

Following the meal, a video tape explaining the TRS Health Care program was presented and a discussion dealing with questions concerning the program was led by J.T. Henry.

Present for the meeting were one guest, Reverend Bill Hutchinson and members Ronda Wojtek, Laura Herford, Joyce Rives, Jean Fancher, Mary Frances Glenn, C.B. and Wanda Barbee, J.T. and Sybil Henry, Jack and Nina Brewer, Luther and Marie Guffey, Henry and Vera Raney.

Timmons engagement

Mr. and Mrs. Charles Timmons announce the engagement and approaching marriage of their daughter, Tina Annette Timmons, to David Alan Matthews of Fort Worth.

The wedding will take place the 7th of November, 1987 at the Central Baptist Church in Bronte.

New items, services now taxable

State Comptroller Bob Bullock Thursday said many new services will become taxable on October 1, when the state's sales tax rate increases from 51/4 percent to 6 percent.

"The tax change will not only hit items which are now currently taxed, but a number of newly taxable items and services," Bullock said.

The expanded sales tax base was a major element of a \$5.7 billion tax bill approved by the Legislature this past summer.

October 1 is also the effective date of an increase in taxes on cigarettes, going up from 20.5 cents a pack to 26 cents a pack.

The Legislature extended the sales tax to several broad categories of services such as real property services, including landscaping, janitorial, garbage collection and pest control; security services, including private investigators and armored car services; information furnished by credit bureaus; and debt services, such as adjustments and reposses-

It will also include infor-

mation services like financial research, specialized information and insurance services including damage appraisals, investigations and claims adjustments, but not premiums paid for insuran-

The expanded tax base is expected to add more than 64.000 Texas businesses to the state's tax rolls, joining the more than 420,000 merchants and businesses already collecting sales taxes.

Newly taxable items include custom computer programs, labor on installations to tangible property, some transportaion charges on the sale of goods, telephone service and membership and dues to private clubs.

"Businesses need to reprogram cash registers and alert workers and staff of the new rate taking effect October 1," Bullock said.

There is no increase in the

one-percent local option tax collected in some areas of Texas.

A fee for getting a sales tax permit and an increase in the state's motor vehicle sales and hotel/motel room taxes went into effect on September 1.

A rollback in the state's motor fuels tax from 15 cents to 10 cents a gallon was also cancelled on September 1.

Starting January 1, 1988, the sales tax will be further extended to data processing services, including word processing, data entry, retrieval and search as well as payroll and business accounting, data production, time sharing and computer management.

Taxes will also be due on repair and remodeling services, except on new construction and owner-occupied residences starting January 1, 1988.

ANNOUNCEMENT!! Only 84 shopping days till Christmas! I know you probably think I'm rushing it but there is a reason. If you plan on mailing any packages to countries overseas in Europe, South America, North Africa, Asia, or Australia, you need to start planning now. Some deadlines of mailing in time for Christmas delivery are only weeks away.

There are two methods of shipment out of the United States. One, air mail, requires the least time frame, but will cost more per pound. The other is surface mail. These packages are sent by truck to the East or West Coast and then by ship from there. This method sometimes takes up to 2 months during the Christmas season for delivery but is the cheapest way if your package is very heavy.

There are a few points I want to emphasize. 1. Some countries have restrictions as to what is allowed to be mailed. If you're not sure

about something, stop by or call us. All packages entering a foreign country are subject to inspection by customs. If the item is illegal, they will confiscate it. 2. Speaking of customs, almost all of your packages will require some kind of customs form. Check with us and get the form you need. If you have already wrapped your package for mailing, bring a complete inventory of the items inside it including their approximate value with you to the Post Office. 3. Remember, your package is going a long way. Put extra padding such as styrofoam or shredded newspaper around each item. You should have to force the lid of your box shut. 4. Put your address or the recipient's address INSIDE your package before sealing. 5. Refrain from using paper to wrap your box. Although acceptable, it is not recommended. Do not use masking tape or cellophane tape to seal your box -- these will not be accepted. Use a box with very little, if any, writing on block letters but only on one side. And remember to use a box sturdy enough for the weight of your items. 6. We have padded bags and 3 sizes of boxes available for sale at our office.

If you are still not sure of something, please call us. We're here to help.

Baugh family reunion held in Bronte

by Ruby Payne
The descendants of William Lee and Willie Stacy
Baugh met for a family
reunion at Bronte, Texas on

Aug. 22.

Lee and Willie Baugh had 12 children and the late Edgar A. Baugh of Stanton was their oldest son. Their youngest son, Dick Stacy Baugh of Santa Anna, Texas, was in attendance. The two living daughters, Ruth Hibbits of Santa Anna, and Eula Bigham of California were not able to attend.

Several grandchildren, great-grandchildren and great-great-grandchildren were in attendance, including their oldest grandchild, Ona Baugh Hughes of Bronte and their youngest grandchild, Nancy Baugh Lowery of Bangs.

One of the topics of the reunion was the Stacy Dam under construction near Paint Rock and Ballinger.

But who was Stacy, the pioneer whose name is being spread throughout the land from maps to newspapers and magazines; and will ring in halls of the legislature forever more?

He was Morgan Stacy, born in Tennessee, son of Jesse and Carolyn Stacy, who left for Texas with their family in 1952, in the train of wagons with other relatives was James Madison Stacy, nephew of Jesse and first cousin of Morgan.

Now hereby hangs my story, Morgan and all of his children have been lost trace of but James Madison Stacy left a whole crew of descendants in Winters.

James Madison Stacy was drafted in the Confederate Army, leaving a wife and three small children at home to struggle for a living. He received no pay from the service and had to furnish all of his own clothes. He didn't come home during his three years of service but his wife Emily Ellen, visited him once. She had the complete responsibility for the farm. At night when the children were asleep, she spun cotton and wool and made all the clothing for her children, herself and her husband.

Personal

Eddie and Carolyn Braswell and son Gentry of College Station visited Mr. and Mrs. George Braswell of Bronte last weekend.

Don't delay, subscribe today.

Bronte

After securing a certain tree bark for the dye, she dyed, cut and sewed the cloth into a beautiful brown suit and sent it to her husband in the Army; an officer insisted that Stacy sell him the suit, thinking his wife needed the money, he sold the suit and sent it to her. She was so deeply hurt that she cried and said she made the suit for her husband and no one else.

When the war was over. Stacy like all the men in the Army, walked home to La Grange, Texas. The later part of the 1865 they moved to Old Moulton. Nine more children were born to them. October 23, 1892 they moved near Trickham, just as the big ranches began cutting up their land into 160 acre blocks for farm land. James Madison bought 160 acres of the vast Brooksmith Ranch. They lived there until he died in 1913. His wife died the following year. They raised 12 children and in 1956 there were over 400 descendants.

The children remembered visiting their grandparents when they lived just outside of Trickham. They had to cross a creek by walking over a swinging bridge and having dinner in their kitchen—which had a dirt floor. The floor was always swept clean and was as hard as a rock.

The Jesse Stacy family sold their farm in Fayette County and moved to the Trickham area where they bought five sections of land. They later sold this and moved west of Rockwood to buy land on both sides of the Colorado River. The town of Stacy was established on this property by his son Malcom.

Reaching his twenties, Morgan Stacy was intrigued by the profits and excitement of the little village. Teamsters' wagons came almost every day, bringing the plows, the shoes and coal oil, the white sugar and calico, all necessities. He had the larges business, selling everything the growing prosperity of the valley might name. For awhile, the post

office, name Stacy, was in a corner of this store, though later it was a small house to the north.

Morgan Stacy's home was one of the finest, with gables, a porch rail and touches of wooden lace. For almost a generation there was prosperity but as hard times came the town declined until there was only a post office and cemetery remaining. The well kept Stacy Cemetery is around a curve. Not a Stacy gravestone is found. The Stacys have scattered so that not a one of their descendants has been discovered.

The dam being built there will be hundreds of yards long and three hundred foot high, made of rock, concrete and steel, a fabulous memorial carved in stone for Morgan Stacy.

A far greater memorial marks the life of James Madison Stacy-- a living memorial that stands to bless the lives of others in his memory. Winters is fortunate to have so many of his descendants living there.

Medicare payments

Medicare medical insurance can help pay for physicians' services, outpatient hospital care, outpatient physical therapy and speech pathology services, home health care, and other health services and supplies.

Medical insurance generally pays 80 percent of the approved charges after the patient has incurred the first \$75 of approved charges; this is the medical insurance deductible. The patient is responsible for the remaining 20 percent of the approved charges and any amount above the approved charges.

Medicare medical insurance payments can be made in either one of two ways. The payment may be made to the physician or to the supplier of medical services, or the payment may be made directly to the patient.

U.S. Postal Service

If payment is made to the physician or to the supplier, the method of payment is called "assignment".

The assignment method can be used only if both the physician or the supplier and the patient agree to it. When this method is used, the physician or the supplier agrees that his or her charge for the service will be no more than that approved by the Medicare carrier. Medicare will then pay 80 percent of the approved charge after subtracting any part of the \$75 deductible that the patient has not met.

Not all physicians will accept assignment. A list of those who have may be obtained from the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-4608.

FALL ARMY WORMS CAN THREATEN LAWNS, PASTURES

Fall armyworms left uncontrolled can wipe out entire lawns and cause heavy damage to pastures.

While fall armyworms have been light this year, the pests often increase following a local or general rain. They prefer to feed on well-fertilized lawns and other lush grasses.

I suggest frequent and careful inspections to locate infestations before extensive damage occurs. Control measures are most effective against young larvae.

Fall armyworm adults are ash gray moths with mottled forewings which have irregular white or light gray spots near the extreme tip. They lay batches of white eggs on foliage which hatch in about five days. Young larvae are white with black heads. They become darker in color as they grown older and can devour forages and lawn grasses.

Larvae are about 1½ inches long at maturity and light gray to almost black in color with several light stripes along the body. The front of the worms head is marked with an inverted white "Y".

Worms are full grown in two to three weeks and then burrow an inch or two into the soil to pupate. Moths emerge 10 days to two weeks later and the cycle repeats. There may be as many as six generations a year, and it is common to find various sizes of larvae infesting pastures at any one time.

Pesticides labeled for control of fall armyworms in lawns are carbaryl (Sevin 80 percent wetable powder and Sevin XLR), calathion, diazinon (Spectracide), Dylox and various products containing Bacillus thuringiensis.

Use sufficient water for complete coverage. Also, read the insecticide label for rates and follow all directions, instructions and restrictions.

The information given herein is for educational purposes only. Reference to commercial products or trade names is made with the understanding that no discrimination is intended and no endorsement by the Cooperative Extension Service is implied.

LORA HEFLIN AND Roxie Ross were elected Resident and Employee of the Month of West Coke Co. Nursing Home. Gifts were presented to Lora and Roxie at the party held to announce the winners.

Special clothing tips

Arthritis Affects Clothing Choices -- With the variety of fabric and clothing styles available, most people who have special requirements for ease in dressing need to select carefully when they shop," says Dr. Ann Beard, a clothing and textiles specialist. "Light weight clothes are easier to put on and take off without tiring the wearer," she points out. Beard. who is a home economist with the Texas A&M University Agricultural Extension Service, says that fabrics with give or elasticity are also more comfortable to wear and easier to put on.

"Since the effort required to complete routine tasks may cause people with arthritis to perspire more heavily. choose absorbent fabrics and those which wick moisture away from the skin. Cotton, linen, ramie, rayon and blends containing these fibers are among the best choices," she adds. Beard says that texture is important, since it can cause skin irritation, especially if the clothing is difficult to put on. Stiff, unyielding fabrics, such as sailcloth or denim that has not been pre-washed, are generally not good choices.

Choose fruit instead of sweets

CHOOSE DRIED FRUIT OVER CANDY FOR SWEETS

Dried fruit can be a sweet and nutritious alternative to a candy bar for your child's sack lunch or after-school snack.

Like candy, dried fruit tastes sweet and has a chewy texture which appeals to children, but it also contains fiber and some vitamins and minerals.

Most dried fruits have 3-5 grams of fiber per 100 calories, so they can make a real contribution to the 20-30 grams of fiber needed each day. A 100-calories serving

of dried fruit also provides 3-11 percent of the Recommended Daily Allowance for iron

Some dried fruits, including apricots, peaches and prunes, contain significant amounts of vitamin A.

One big advantage of dried fruits over candy is that they contain virtually no fat and do not have artificial colors or flavors.

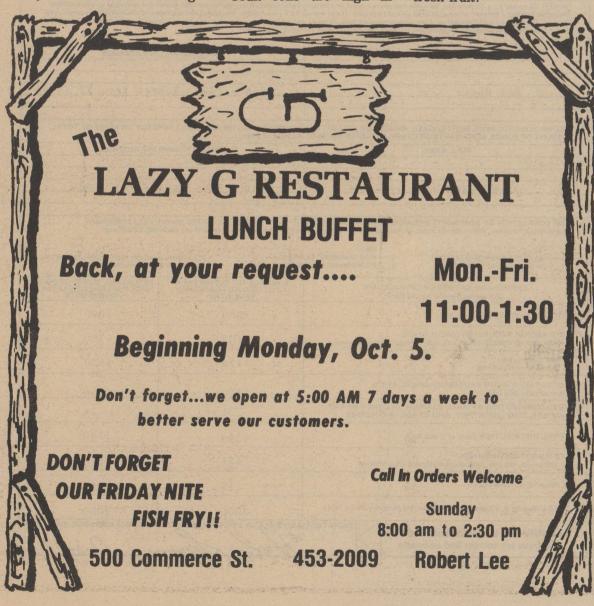

Commercially prepared fruit rolls, wrinkles and bars are conveniently packaged for lunches but do not measure nutritionally to dried fruit.

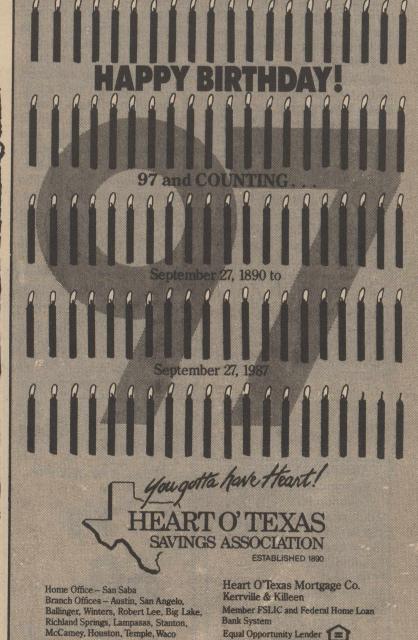

Fruit rolls are high in

sugar and starch, and typically contain less then 2 percent of the Recommended Dietary Allowance for vitamins or minerals. They are, however, often fortified with added vitamin C.

Fruit rolls do not contain the fiber that is found in fresh or dried fruit either.

Dried fruit and fruit rolls should not replace fresh fruit in the diet of adults or children. The process of drying causes fruit to lose water content, so it contains more calories and less vitamins, minerals and fiber than an equal amount of fresh fruit.

National 4-H Week

Coke County 4-H members are gearing up for a lot of special programs and activities the week of Oct. 4-10, National 4-H Week.

Theme of this year's observance is "4-H for Youth for America".

Some of the planned activities for 4-H Week include a 4-H poster contest. Watch you local merchants for viewing of the 4-H posters!

Coke County boasts some 135 4-H members who are among more than 305,000 in Texas and 4.5 million across the country who will participate in the week long celebration.

In celebrating National 4-H Week, we recognize that 4-H is truly a people development programs, says Ms. Hohensee, County 4-H Program Coordinator with the Texas Agricultural Extension Service, the parent organization of 4-H. 4-H helps young people develop skills that will be useful in the real world. It helps them discover their strengths and weaknesses. It exposes them to activities in a variety of career fields and helps them to build positive self concepts for directing their lives. And, most important, 4-Hers learn and have fun doing it. And families can add to the fun by learning and growing together.

Learning doesn't stop with the 4-H member and family. Volunteer leaders learn new skills while sharing their expertise with young people, notes Ms. Hohensee. Through a network of volunteer leaders, state land grant universities, state and local governments and the U.S. Department of Agriculture, 4-H has been able to stimulate youth to develop life skills.

Some 25 adult volunteer leaders work with 4-H boys and girls in Coke County through 5 different 4-H clubs.

4-Hers can choose from some 70 different project and program areas designed to help them prepare for the future, add Ms. Hohensee.

More information about the 4-H program is available at the County Extension Office.

Wilcox, Maiorca engagement set

Mr. and Mrs. Robert Wilcox of Tennyson, Texas would like to announce the enagement of their daughter Rebecca Joy Wilcox to Daniel Kirk Maiorca of Colorado Springs, Colorado. He is the son of Dr. John Patrick Maiorca of Durant, Oklahoma and Mrs. Penny Lynn Allen of Colorado Springs, CO.

Rebecca is currently enrolled at American Commercial College in San Angelo and Daniel is serving in the U.S. Army stationed at Goodfellow Air Force Base. The couple will exchange vows on Saturday, October 17, 1987, 2:00 p.m., at the Tennyson Baptist Church. The ceremony will be performed by Rebecca's uncle, Steve Sweet of Goldthwaite, Texas.

A wedding shower will be

Rebecca Wilcox and Daniel Maiorca

given in honor of the couple 1987, 2:00 p.m. at the Tenon Saturday, October 10, nyson Baptist Church.

Elderly care

Parent Care And The Work-

ing Woman -- "Contrary to popular belief, numerous studies show that families provide 80 percent of the care for their elderly relatives," says Dr. Judith Warren, a gerontology specialist. "Only 5 percent of those 65 and over live in nursing homes, usually because they are too ill to be cared for at home." She says that the responsibility for this care falls primarily on women -the wives, daughters and other female relatives in the family -- and that many of these women work outside the home. According to Warren, a specialist with the home economics program of the Texas A&M University Agricultural Extension Service, caregiving tasks range from providing companionship, shopping transportation and household chores to personal care, such as bathing and dressing or giving medicine. Employers are becoming more aware of the problems associated with elder care, reports the gerontologist. A recent survey of employees from five diverse companies conducted by the American Association of Retired Persons showed that 24 percent are caregivers. In a separate survey, the Travelers Corporation found that 20 percent of the company's employees are providing some form of care for an older person.

Ownership changes

A change of ownership in one of Robert Lee's downtown businesses occurred this week when C & L Specialty was purchased by Doug and Peggy Robertson. The Robertsons, also of Robert Lee, acquired the ladies clothing shop from Mrs. Leta Caston and were open for business on Monday.

Mrs. Caston opened in the former West Texas Cablevision office in March and offered women's clothing, jewelry, and accessories.

The new store owners have changed the business

name to Danielle's-- "where your dreams come true". They named their shop for their 5-year-old granddaughter, Shelly Danielle Maxwell of Abilene, daughter of Mr. and Mrs. Danny Maxwell. She first wanted to name the shop "Wendy's Velcro Door Shop" but settled for Danielle's.

Plans call for a wider selection of merchandise and the couple have already enlarged the building's interior store area. A Grand Opening is planned soon to acquaint area residents with the shop.

NOTICE OF NEW TARIFF OFFERING CENTRANETSM SERVICE

General Telephone Company of the Southwest gives notice of its proposed new tariff offering, CentranetSM Service, which is to be offered in all company wire centers where such facilities exist to provide the service.

Centranet is a central office based service which provides PBX type features to multi-line business customers. Basic operating features include Direct Inward Dialing (DID), Direct Outward Dialing (DOD), Station-to-Station Dialing, Automatic Identified Outward Dialing (AIOD), and Touch Calling. The tariff is designed for Centranet customers with a minimum of 2 and maximum of 100 main station lines.

Effective with this tariff, ECENTREX Service will be limited to existing installations only.

The proposed new tariff offering has been assigned Docket No. 7652, and will become effective upon approval of the Public Utility Commission of Texas.

Rates for service will be applicable to customers who subscribe to the service, therefore, there will be no effect on any other rates of the company. The new offering will increase the company's gross annual revenues by approximately \$423,013 or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission within fifteen (15) days of the date of this notice. The deadline to intervene in this docket is November 9, 1987

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

Date: Sept. 18, 1987
To: Owner or lienholder of
the below described vehicle
From: Marshall Millican,
Sheriff

RE: Vehicle No. VIN# E26AHK23659 Lic.# 360 IHZ

Model 1971 Ford Van

Make Ford Registered Owner Abel Magana, 305 E. 10th Sweetwater TX 79556 Lienholder None

To Whom It May Concern

The above described vehicle has been abandoned in Coke County for some period of time. At the present time it is in storage with Coke Co. Sheriff's Dept. Robert Lee, Texas. Because of failure to give notice or attempt to claim this property the vehicle will be sold as "abandoned vehicle" pursuant to the laws of the State of Texas.

If this vehicle has not been claimed no later than the 20th day after the date of this notice, or payment of all

towing, preservation, and storage charges, resulting from placing this vehicle in custody, then said vehicle will be sold at public sale to the highest bidder, Monday, Oct. 26, 1987, 10:00 a.m. at the steps of the Coke Co. Courthouse. Failure of owner or lienholder to exercise their right to reclaim the vehicle within the time provided, constitutes a waiver by the owner and lienholder of all right, title, and interest in the vehicle and their consent to the sale of the abandoned vehicle at a public auction. The sale proceeds will be used to initially deter storage fees, sheriff's selling expenses and other fees incurred in this sale.

Should you desire to make payment and redeem this, please notify the Sheriff's Office at 915/453-2717 to determine the amount of fees due and owing to receive the car.

Respectfully yours, Marshall Millican, Sheriff, Coke Co. Robert Lee, TX 76945 8-1tc

REQUEST FOR BIDS ON TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 8.428 miles of reconstructing grading, structures, flexible base, two course surface treatment and pavement marking from 8.4 miles E. of Sterling Co. Line to Sterling Co. Line on SH 158, covered by CSR 406-2-24 in Coke County, will be received at the State Department of Highways and Public Transportation, Austin, until 2:00 p.m., October 7, 1987, and then publicly opened and read.

Plans and specifications including minimum wage rates as provided by Law are available for inspection at the office of T.C. Atchison Resident Engineer, San Angelo, Texas, and at the State Department of Highways and Public Transportation, Austin Texas. Bidding proposals are to be requested from the Construction Division, D.C. Greer State Highway Building, 11th and Brazos Streets, Austin, Texas 78701. Plans are available through commercial printers in Austin, Texas, at the expense of the bidder.

Usual rights reserved.

Cattle branding was practiced 4,000 years ago. Old tomb paintings show Egyptians branding their cattle.

NOTICE OF ELECTION

The Farmers Home Administration (FmHA) County Committee election this year will be held on October 5, 1987. The ballot below must be filled out, detached and mailed and received or returned in person to 103 S. Irving, Rm 510, San Angelo, TX. not later than October 5, 1987. If you do not vote in person you should mail your ballot inside a blank envelope marked ballot to ensure a secret ballot. This blank envelope should be placed inside the envelope. Failure to provide this information will render your ballot invalid. Ballots and envelopes may also be obtained from your local FmHA office.

The slate of nominees for Coke are listed in the ballot below. The qualifications of persons voting are described in the "Voter Certification Statement". For further information regarding voting and voter eligibility, see the county office listed above. FmHA elections are open to all eligible voters without regard to race, color, religion, national origin, age, political affiliation, marital status,

sex, and/or handicap.

SS registration mandatory

The federal government's largest employer - the Postal Service - recently announced Selective Service registration requirements for employment.

This requirement follows the Thurmond/Montgomery Amendment to the Fiscal Year 1986 Department of Defense Authorization Act. The Amendment prohibits a young man who is required to register from being appointed to a position in an executive agency of the federal government unless he has registered. The intent of the legislation was to ensure that all men required by law to register do so.

Rep. Gerald Solomon (R-NY), a strong supporter of Selective Service, introduced legislation in July requiring registration as a prerequisite to employment with the Postal Service. Technically the Postal Service was not included in the original Thurmond/Montgomery Amendment because they are not an executive agency of the federal government. Commenting on the legislation, Mr. Solomon said, "If a young man is going to accept the benefits of this country then he should be ready and

willing to accept the responsibilities as well. Registration is one of these responsibilities."

As of mid-August, all young men who are 18 through 25 years of age must show proof of registration before being considered for a position with the Postal Service. Those young men who do not reach 18 until after appointment will be asked to submit proof within 30 days of their 18th birthday. Men who fail to provide proof of registration will be considered "not available" and will receive no further consideration for employment.

Along with federal employment, Selective Service registration has been linked to federal student aid and job training benefits. Many states also require registration as a prerequisite for state student aid, entrance into a state supported college or university and state employment.

All young men must register with Selective Service at any local post office within 30 days of their 18th birthday. Failure to register is a felony punishable by up to 5 years in prison and/or up to a \$250,000 fine.

MRS. SHERI MILLICAN'S Home Economics class from Robert Lee High School, while studying their Child Care Unit, visited the Robert Lee Playschool for a hands on experience with the lively day care students on Wednesday.

Finding contentment in old age is no easier than finding satisfaction at any other stage of life.

Research on life satisfaction, morale, successful aging and happiness has produced no magic formulas. But sufficient income, reasonably good health and someone to talk to and confide in, are factors identified with contentment in old

Some adult children think an aging parent would be happier living with them, although research studies indicate that most older people prefer to live close to but not with their children.

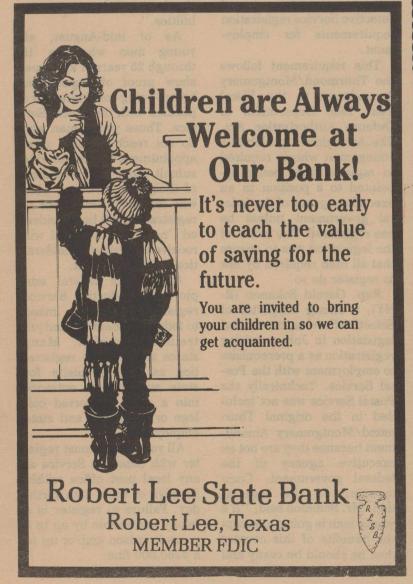

Elders in good health may prefer to live independently and to have their own friends, who are more often found among the old than among the young.

Contradictory attitudes about aging often interfere with feelings of content-

Some elders feel that they ought to act a certain way or dress a certain way because of their age. These age norms can inhibit them from being themselves and being as outgoing as they might
