## LADY HORNS WIN STATE!

Competing in Austin Nov. 20-21 for the Class A State V.B. Championship the Lady Longhorns were successful for the fourth time since 1976.

The Longhorns faced the Flatonia Bulldogs on Friday at 9:00 a.m. The Flatonia team had a height advantage of about 2" on the Longhorns.

In Game 1, the Longhorns rose to the occasion continually blocking the taller players. Outstanding performances were turned in by Melinda Parker, Misti Taylor, Dorinda Scott, Tina Hines, Kim Robinson, and DeAnn Parker.

M. Parker had 3 kills out of five attempts, 1 block and 4 pts. Taylor consistently set the hitter, who in turn put the ball down for a kill. She also had 1 kill and 1 ace. Scott had 3 kills, 1 ace and 5 blocks. Hines had 2 kills, 1 ace and 3 blocks. Robinson had 2 kills and 3 blocks. Parker had 1 kill and 1 block. The score was 15-10.

In the second game, the Longhorns continued to dominate at the net. Parker and Scott led the offensive attack with 3 kills each. Melissa Arrott came off the bench to spark the team with 2 kills and great defensive play. Michelle Jones also made key saves on defense. Bronte won 15-8

to advance to the finals at 10:00 Saturday.

Facing a talented small team from Plains, Bronte for once had the height advantage. However, the Cowgirls quick defense caused some problems for the Longhorns.

Game 1 saw only 4 kills by Bronte. Taylor had 1 and Scott had 2. However, there were 7 aces scored. D. Parker had 3, M. Parker 1, Scott 1 and Hines 3. The score at the end of game 1 was 15-11.

Game 2 proved to be a heart-stopping one as Bronte was defeated 2-15. Numerous passing and hitting errors plagued the Longhorns.

However, the girls managed to get back on track in Game 3. Going for a shutout, the girls scored 8 points before Plains got on the board. Four kills and 1 ace by Melinda Parker paved the way. Scott followed with 3 kills and 4 aces. Taylor had 3 kills and Hines had 2 kills and 1 ace. The Horns ended their season with a 15-4 win and the

State Championship Crown.

For their outstanding play, Juniors Tina Hines and Dorinda Scott were named to the All Tournament Team.

Team members and fans alike celebrated as gold medals were awarded and the Championship trophy was presented to the five seniors.

Members of the team going to Austin were: Srs. DeAnn Parker, Melinda Parker, Kim Robinson, Alysa Bilbrey and Michelle Jones. Jrs. Misti Taylor, Dorinda Scott, Tina Hines, Melissa Arrott, Michele Parker, Kim Sims, Anissa Gibbs, Christy Bivins, Corinda Juarez and Michelle Jones. High School Principal Bert Johnson accompanied the girls.

The team is coached by Connie Bryan.

KIDY-TV Station in San Angelo interviewed the Lady Longhorns Wednesday evening. They will be viewed on "Coach's Corner" on Channel 6 this Sunday, Nov. 29th at 9:00 p.m.

MICHAEL WOOLEY WAS the recent Best of Show winner in the 4-H Pumpkin Carving Contest held at the Annual Coke County 4-H Clubs/Robert Lee/Silver Lions Club Pancake Supper. There was a total of 15 entries, each receiving a blue ribbon.

### Large turnout noted

An overwhelming turnout at the Bronte Community Center Monday night kicked off the membership drive for the

newly formed Bronte Chamber of Commerce. Some two-hundred people attended and were treated to a supper donated and prepared by local Bronte merchants. The FHA girls from Bronte High School served pumpkin treats, El Vaquero Restaurant served chips and dips and Gallaways' Super Save coordinated the donations of specialty deli meats, Cokes, coffee and miscellaneous items.

Drawings were held for gifts donated by local merchants. KRUN Radio of Ballinger gave the grand prize of a trip to their Tree House Cabin in the Texas Hill Country.

Speakers at the dinner were Dick Funk, Mayor of San Angelo and Grady Elder with the San Angelo Chamber of Commerce. They spoke on the merits of a Chamber of Commerce. Bronte's Mayor J.T. Henry emceed the program with Bronte Chamber President Martin Lee aiding. The drawing was held by Luis Charles and Susan Arrott.

KLST Television of San Angelo was present to film the event and a clip was shown on the 10:00 news Monday night.

### RL Appreciation held

The proclaimed APPRECIATION DAY in Robert Lee and West Coke County in honor of the West Coke County Emergency Medical Service and the Robert Lee Volunteer Fire Department was a huge success.

Citizens of Robert Lee and West Coke County began arriving early Saturday evening, November 21, 1987, at the Robert Lee Recreation Center in the County Park. By 6:00 p.m. between 150 and 200 people were on hand for the covered dish dinner to honor the two special groups. Special tables were prepared for the nine E.M.S. members, their two drivers, the fifteen active volunteer firemen, ten retired firemen, two widows of retired firemen and all their families. There was enough food to feed the entire county. The people and the amount of food was an act to show these members how much they are appreciated.

The combined effort of 10 Robert Lee area organizations which was headed by Opal Jacoby and the West Coke County Community Development Board was shown in the final results.

Edwin (Butch) Davis was the master of ceremonies and speaker. His father, the late

Emory (DooDad) Davis, was one of the original Volunteer Firemen.

Davis read the PROCLAMATION written by Wilson Bryan, Mayor of Robert Lee and attested by Edna Havins, City Secretary. He summarized the background and stressed the need of each organization.

The Robert Lee Fire Department was established and organized in 1947 with the late Sam Jay serving as the first Fire Chief. They began with a 1946 Model Ford, 200 feet of hose, 1 ax, a fire extinguisher, two oxygen masks and a 24-foot extension ladder. Only three of the original firemen still reside in Robert Lee. They are Calvin Wallace, O.B. Jacobs and Bill Tom Roach. J.C. Wallace, Jr., current Fire Chief, joined the department in 1950 and has served continuously for 37 years, a record.

The capacity number of membership is 25. There is a great need for more members with only 15 active members on call.

In 1979, a few people in Robert Lee saw a need for the Emergency Medical Service. Fern Havins, who served on

**Hull**

Orby Elton Hull, 64, of Sterling City died at 1 a.m. Sunday, Nov. 22, in Shannon Medical Center in San Angelo.

He was a retired lab technician.

Services were at 2:30 p.m. Tuesday at the First Methodist Church in Sterling City. Burial was in Robert Lee Cemetery in Robert Lee, directed by Ross Funeral Home.

Survivors include his wife, Geneva Martin Hull of Sterling City; his mother, Alma Childress of Fort Worth; three sisters, Evelyn Hayworth of California, Hazel Vautrin of Fort Worth and Myreta Buckholt of Houston; and one brother, Wayne Hull of Big Spring.

**Dumas**

Funeral services were held on Saturday, Nov. 21, for David A. Dumas, Sr. of Brady. Rites were held at the First Baptist Church with burial in Resthaven Cemetery, officiated by the Rev. Ray Ash.

Mr. Dumas, 72, died at his home on Wednesday, Nov. 18. He was born Oct. 25, 1915 in Miles and was a retired stock farmer.

Survivors include his wife, Ella Mae Tinkler Dumas of Brady; two sons, David A. Dumas, Jr. of Brady, Richard L. Dumas of Early; two sisters, Alma McAdams of Midland, Hazel Lockett of Eden; 11 grandchildren and six great-grandchildren.

Mr. Dumas was the son-in-law of Mrs. Mattie Tinkler of Robert Lee. A number of local relatives attended the services.

**League shops til drop**

The Robert Lee Junior League had 7 members attend their annual "Shop Till You Drop" Extravaganza in Austin this past weekend. Upon arriving, the Leagues were treated to a spectacular Italian feast featuring delicious breadsticks.

After visiting points of interest, including the State Volleyball Tournament, the Gun and Knife Show and the Austin malls, the group is

happy to report the Austin economy experienced a rise over the weekend.

"Esther's Follies" provided each member with a delightful cultural experience on Saturday night. The Leagues concluded their trip with a tour of the home of their local league sister, Nan, who gave them a warm send-off. Upon returning home, the group reported a good time was had by all.

**OES official visits**

Pat Clark, deputy Grand Matron of District 5, Section 1, Order of the Eastern Star of the Grand Chapter of Texas made her official visit to Bronte Chapter #1048 at their November meeting.

She brought greetings from the Worthy Grand Matron of Texas.

Joy Ehl, worthy matron, and Ed Ehl, worthy patron,

presided during the meeting.

Hosting a salad supper following the meeting were Dorothy Ruth and E.G. Collins and Betty and Royce Lee.

Some people thought they could create rain by throwing ashes into the air.

(cont'd from front page)

the hospital board at the time and the late Sam Williams pushed until this dream came true. Four Robert Lee citizens - Pack Wright, Gene Hinnard, Lou Wright and Dorothea Helen Wright became Certified Emergency Medical Technicians. A nine member board was organized and a 1976 Chevrolet Suburban was used as the first ambulance.

It takes 120 hours to become a Certified E.M.T. which includes 80 classroom hours, 40 hours in-service in the Emergency Room in a hospital and five hot runs. Robert Lee trainees have to travel to San Angelo hospitals for this training and have been highly commended for their ability and skills in this training.

In 1984, the West Coke County E.M.S. received the top state award for the basic

life support system. This is presented by the Texas Association of Emergency Medical Technicians and just one is presented per year. They were honored over a number of organizations who had paid employees.

In 1985, Lou Wright was presented the E.M.T. Award for the State of Texas. This recognized her for her knowledge, dedication, and distinguished service in that field.

Davis recognized each member individually. He told the audience "that we all take alot for granted, but you know in a small town and community such as ours, those dedicated volunteers (EMS and Firemen) have to pick up close friends, neighbors or loved ones. It may be their house on fire; the seriously ill, hurt, or dead may be theirs. This

makes their jobs much harder than those who live and work in large cities." Davis stated, "These are the kind of people we are rubbing shoulders with each and every day in Robert Lee and West Coke Co."

The road has been very rocky for the West Coke County E.M.S. and Volunteer Fire Department because of so few volunteers. Robert Lee and West Coke Co. have been very supportive with money, but they are lacking volunteers.

Lou Wright said, "I left the dinner feeling like the whole town and West Coke Co. were behind us. I felt so positive, it couldn't have been better."

She added, "Just as my mother, Dorothea Helen, and I were approaching home after attending the dinner our buzzer sounded and we were off on another run to San Angelo with an emergency transfer." Lou and Dorothea Helen Wright were assisted by Brenda Skinner and driver Cecil Cherry. This was the ambulance's 144th run for the year. Approximately 150 runs are made per year.

**Pops Concert slated**

The Christmas Family Pops Concert will be presented in the San Angelo City Auditorium on Saturday, December 5, 8 p.m. and Sunday, December 6, 2 p.m.

The 120 member San Angelo Symphony Chorale and soloist Charlotte Philley of New Jersey will join the orchestra in presenting the 1987 Christmas Pops Concert. A variety of classics, old fashioned carols and special renditions of holiday favorites will be performed. Dancers from the San Angelo Ballet will add another Christmas touch with excerpts from Tchaikovsky's NUTCRACKER Ballet. The festive spirit will be escalated with the appearance of Santa Claus and a Sleigh Bell Sing-A-Long featuring traditional songs of the season.

The Chorale will be led by James Queen who is currently in his third year as the director. They have performed at past Christmas concerts, Spring Pops Concerts, the Beethoven NINTH SYMPHONY, I PADLIACCI, and the Fourth of July Pops. The Chorale will be joined by guest artist, Charlotte Philley, a native of Texas

who performs extensively throughout the eastern United States. Her appearances include musical comedy, operatic and concert works.

San Angelo Symphony goers will be delightfully enticed into the Christmas spirit with the beautiful songs of Handel MESSIAH, O HOLY NIGHT, A FEAST OF CAROLS, JINGLE BELL FANTASY, and A CLASSICAL CHRISTMAS featuring familiar songs that Ed George has adapted to the style of the great musical masters. These and more! The Sleigh Bell Sing-A-Long, always enthusiastically received, will conclude the program but not before the audience is visited by Santa Claus. Tickets are available at Holland Jewelers and Sloper Jewelry.

**Ballew tonsillectomy**

Bret Ballew, 4-year-old son of Mr. and Mrs. Bill Ballew of Robert Lee, underwent a tonsillectomy last Thursday in San Angelo's Shannon Medical Center. He returned home on Friday and is doing well, with no complications.

Max Anthony is the coach for the Jr. High boys and Bobby Bolding will guide the Jr. High girls teams for the season.

## 4-H Food Show results

Area 4-Hers from the Texas Agricultural Extension Service's 17 County West Central District exhibited their food projects and knowledge of nutrition November 21st at the District 4-H Food Show. More than 150 youngsters exhibited food in the Houston Harte Center Ballroom on the Angelo State University Campus.

Competing from Coke County, were Blue ribbon winners, Audra Pitcock, Senior; Intermediate, Danielle Glenn; Juniors, Christy Hendry, Laura Thomas, Red ribbon winners, Senior, Janet Pentecost; Intermediate, Stephanie Tuttle; Juniors, Kannan Millican and Heather Millican.

4-Hers participating in the district show have already won on the County level. These county food shows provide an excellent opportunity for 4-

Hers who participated in foods and nutrition projects to display their knowledge and skills and be recognized for their accomplishments.

4-H Food Projects are designed to encourage youngsters to develop sound eating habits and to understand the connection between good health and proper diet.

### Personal

Mrs. Jeanell Cole of Bridgeport was a weekend guest in the home of Nadine Davis of Robert Lee. The two teachers worked together at Irion County School in Mertzon for 3 years and have continued to visit regularly.

## Retired teachers meet in Bronte

The regular monthly meeting of Coke County Retired Teachers Association was held Monday, November 16, First United Methodist Church in Bronte.

After the covered-dish luncheon W.F. (Dub) Hagler from Oak Creek Lake showed a number of his wood carvings. A retired petroleum engineer, formerly from Midland, Mr. Hagler began wood carving four

years ago. However, from the number of pieces he has created and the quality of his work, one would assume that he had been at it much longer. His presentation was clever and humorous as well as interesting and informative.

Attending the meeting were the following members: Hervey Latham, Jean Fancher, Joyce Rives, Laura Herford, Ronda Wojtek, Virginia Lass-

well, Jack and Nina Brewer, Luther and Marie Guffy, J.T. and Sybil Henry, C.B. and Wanda Barbee, and Mary Frances Glenn. Also present were three guests: Mr. and Mrs. Hagler and Rev. Bill Hutchinson.

Since there is no meeting scheduled for December, the next meeting will be January 18, First Baptist Church, Bronte.

## Jr. High girls kick off season with WV wins

The Bronte Jr. Hi girls basketball teams kicked off their 1987-88 season Thursday with victories over Water Valley.

In B team action the Short-horns took a close 12-10 win over the Wildcats. Jami Morrow led all scorers with 6 pts.; Tina Smith had 4 and Michelle Levins 2.

The A team outscored Water Valley 38-8. Amie Parker had a big 12 pts. followed closely by Darla Scott with 10. Teresa Vaughn put in 6 and Kristie Cooper and Alisa Richards each had 4.

## Rees hosts Ext. club

Bronte Extension Homemakers met November 20th in the home of Louvenia Rees. Opening exercise was a poem written by Dr. Charles L. Allen. Roll call was "Safety Tips for the Home".

A business meeting was held and the program was given by County Extension Agent Jan Hohensee on

"Safety in the Home".

Present were: Drexel Lee Ragsdale, Beulah Coral, Annie Laurie McShan, Virginia Boatright, Marie Arrott and Lela Parker.

A Christmas dinner was planned for December 10 at the Bronte Senior Center. The next meeting will be in the home of Marie Arrott.

## Historical meeting set

The San Angelo Genealogical and Historical Society which meets the first Tuesday of each month, will meet Tuesday, December 1, in the Sunset Inn "Meeting Room" 4613 S. Jackson (Corner of South Bryant Blvd. and South Jackson).

All members are invited to bring family records and note-

books so others can get ideas for their books.

Those wishing to dine in the Sunset Inn Restaurant before the regular meeting, please call Jim Ames, Pres. at 653-1998 by Monday noon. The meal will be served at 6 p.m.

Bring your favorite dessert to the meeting. We'll have refreshments.

## Ladies wrap up title

Bronte's Lady Longhorns wrapped up the State Volleyball Tournament this past weekend in Austin. They played Flatonia in the semi-final game and Plains in the championship game. They

downed Flatonia Friday 15-10 and 15-8 and beat Plains Saturday morning 15-11, 2-15, and 15-4.

Watch next week's paper for action photographs and complete results.

## Sales tax changes told

State Comptroller Bob Bullock today said Texas businesses and residents should remember that if their offices and homes are sprayed for fleas, termites and other pests, they'll pay state and local sales tax on the service.

"Same goes for garbage and waste collection. These services and others have been taxable since the first of October," Bullock said.

All pest control services are taxable, including the identification, control and elimination of insects, nuisance birds and animals, and weeds, Bullock said.

The tax applies to the service when performed both indoors and outdoors.

Garbage and waste collection is also taxable, unless the service is funded by local taxes and is provided as a basic service by a city or county, Bullock said.

Fees charged for the use of a landfill are not taxable, unless the fee is included in or billed as a charge for garbage collection.

Bullock said fees for some garbage collection services are exempt from the sales tax. These include removal of hazardous wastes, domestic sewage such as septic tank waste and waste water, and waste materials produced from oil, gas and geothermal exploration or production.

Cities, counties, municipal utility districts and other government agencies are exempt from paying tax on fees charged for waste removal.

Pest control and waste removal services businesses must have a sales tax permit. Applications are available from the Comptroller's office or by calling 1-800-252-555, ext. 3-4600. The fee for a permit is \$25.

## Euterpean Club meets

Friday, Nov. 13, 1987 proved to be a Good Luck Day for approximately forty-five attending the November meeting of the Euterpean Club held in the Fellowship Hall of the United Methodist Church of Blackwell.

The program was on Holiday Delights 1987 presented by Doris Lampley of the West Texas Utilities Company. Lori Griffin, director of Home Economic Department of the Blackwell CISD, along with her students and the hostesses, prepared the many cakes, cookies, candies, various finger foods and dips for the occasion.

Mrs. Lampley also offered many ways to display these items for Christmas giving, as well as, decorations for the holidays and exciting inexpensive hand crafts.

### Personal

Mrs. Bobby Roberts and Mrs. Floyd Harmon of Robert Lee drove to the Midland Airport Saturday to pick up their daughter and granddaughter and family - Sheila, Bob, Crystal Lea and Lauren Michelle Hammerton of El Paso. The Hammertons are here for the Thanksgiving holidays.

## Gallaway presents Study program

After opening the meeting of the '64 Study Club on Nov. 10, second Vice President Opal Jacoby called upon Irene Newell to lead the members in the Club Collect. The meeting was then turned over to Cookie Burns who introduced Robert and Marylyn Gallaway who presented the program, "Using Your Grocery Dollars Wisely". Marylyn opened the program with a short film presentation which showed the newest, most hygienic method of the commercial canning of vegetables. After a "taste test" of products of different brands, an interesting survey of opinions was tallied. It was interesting because the members of the club were more "brand-name" conscious than other groups who took the test previously.

After the program, a delicious variety of refreshments

were served. In spite of the taste test, the members had no problems with a lack of appetite. Appetizing stuffed cherry tomatoes along with chips, dips, punch, and delicious pumpkin and pecan pies were thoroughly enjoyed. The hostesses, Maybelle Stewart, Jessie Faye Russell, and Reba Tabor graciously donated the charming turkey centerpiece to be used

for the party at the nursing home on the 17th of November.

The nursing home and Christmas parties were discussed. Members were urged to attend the EMS appreciation supper. It was also decided the club would decorate a portion of the nursing home for Christmas. Eighteen members and two guests attended.

## Exercise and diabetes

by Jerry L. Cochran, MD  
Midland Orthopedic Clinic

At the beginning of the 20th century, a diagnosis of diabetes meant certain death for the patient. In fact, the average patient would have had only 16 months of life remaining after the diagnosis was established. Patients who managed to live longer were those who ate low carbohydrate diets and exercised regularly.

In 1921, a Canadian orthopedic surgeon, Dr. Frederick Banning and a medical student, Charles Best, working together discovered insulin. Almost overnight, the almost certain death sentence for these patients was lifted.

In those days, it was understood that patients with diabetes mellitus had a problem with their pancreas which decreased the production of insulin. This hormone was found to control the serum level of glucose (sugar). Decreasing levels of insulin caused increasing serum levels of glucose. Once Banning and Best had made their discovery, patients could be given daily injections of insulin and thereby keep their serum glucose levels down to normal levels. With this miraculous new discovery, diabetes was cured!!! Or so it was thought. As it turns out, the glucose defect was only the tip of the iceberg with this disease.

Even though insulin helped bring glucose levels back to normal, patients kept having complications from the disease. These included strokes, heart attacks, gangrene of the feet, and blindness. This continues to this day.

As it turns out, the metabolic defect in diabetes affects much more than just the serum levels of glucose. There are profound changes in the blood vessels, nerves, kidneys, eyes, and general metabolism.

Since the 1920's, it has been appreciated that exercise was one of the three components of good diabetic therapy (the other two being diet and insulin). However, very little work has been done to establish what type of exercise program is the best and what effects an exercise program would have on the complications of diabetes. It is well known and appreciated that a regularly performed exercise program may prevent heart attacks, decrease high blood pressure, and improve the peripheral blood flow in non-diabetics.

In the world medical literature over the past five years, there have been approximately 150 scientific papers concerning exercise and diabetes. Several interesting facts have become apparent:

1. there are definite health benefits with exercise for non-insulin dependent diabetes (diabetic patients who do not require insulin for treatment),
2. exercise improves insulin sensitivity in diabetics,
3. exercise improves the lipid profile (lowers cholesterol),

4. exercise improves coagulation profile (blood clots more normally),

5. exercise provides an improved sense of well being,

6. exercise decreases premature bone loss (osteoporosis),

7. exercise lowers blood pressure,

8. exercise improves the efficiency of the circulatory system.

These eight positive effects are very important. Four of them directly effect the circulatory system. Would not it be wonderful if exercise could help prevent the heart attacks, high blood pressure, strokes, blindness and amputations that are such a big problem with diabetes?

I think it can.

## FACTS & FIGURES

Studies indicate that between 80 and 90 percent of the chronic lung disease in this country could be avoided if not for cigarette smoking. In 1983, an estimated 62,000 Americans died of chronic lung disease.

\*\*\*  
A 515-page report from the Surgeon General of the United States concludes that there is now very solid evidence that nonsmokers have suffered lung disease from exposure to cigarette smoke. Cigarette smoking, the report states, can make a significant measurable contribution to the level of indoor air pollution. Children with parents who smoke appear to have small, but measurable differences in tests of pulmonary function when compared to children from families whose parents are nonsmokers. Eighty other studies support this data.

RICK CRAIN, VIVIAN Ybarra, Chad Teachout, and Sandy Torres, placed fourth in the FFA Quiz, Concho District FFA.

## Hunters return home

Mr. and Mrs. Drew Roberts and Mr. and Mrs. Lewis Roberts have returned to their homes in Pinedale, Wyoming following a week's visit as hunting guests of Randy Bessent in Robert Lee. They enjoyed West Texas hunting and killed several deer and turkey as well as a big rattlesnake which impressed

them.

Bessent trades hunts with the brothers and their wives and recently spent two weeks there. He killed a big elk bull and a large mule deer buck. The Roberts brothers are hunting guides in Wyoming while their wives feed the cattle and help with the hunting camps.

# Bring back the "Good old days" ...with GTE CLASSIC SERVICE.

### GTE TURNS BACK THE CLOCK WITH CLASSIC SERVICE.

Remember "the good old days?" Whatever problems you had with your phone service, you'd just call GTE and we'd take care of it. No second thoughts. No repair bill. Your regular phone bill covered everything.

Now, under recent FCC rulings, you're responsible for the cost of repairs to the wiring and jacks inside your home or business. This makes things a little more complicated.

### CLASSIC SERVICE HELPS KEEP THINGS MORE LIKE THEY USED TO BE.

We can't bring back "the good old days" entirely but, with new CLASSIC SERVICE, we can make things more like the way they were.

With CLASSIC SERVICE, you pay only \$1.25 per month to have GTE repair your telephone wiring and jacks during normal working hours, at no additional charge.

Just \$1.25, per telephone number, on your monthly phone bill (about 4¢ a day) covers you, no matter how many jacks you have. And if you sign up before JANUARY 1, 1988, you can avoid the one-time sign-up charge.

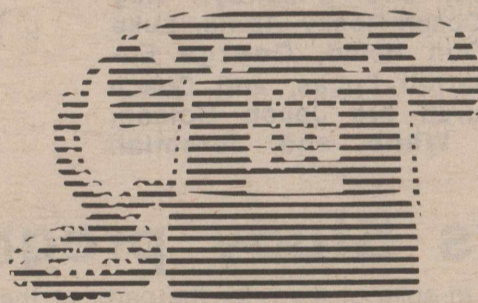

Here's how you'll save with CLASSIC SERVICE ...

#### NO SERVICE CALL CHARGES

Without CLASSIC SERVICE, if you have a problem with your phone service, and a GTE service call is needed to locate the trouble, you will be charged for the visit if the problem turns out to be in your wiring, jacks, or telephone instrument.

With CLASSIC SERVICE, there is no service call charge during normal working hours.

GTE  
CLASSIC SERVICE

#### NO REPAIR COSTS

With CLASSIC SERVICE there is no additional charge for repair or replacement of inside wiring and jacks\*. If you elect not to subscribe to CLASSIC SERVICE and need inside wiring or jack repairs, you have three options:

- As a full-service telephone company, GTE will be happy to make the repairs. But under the new FCC ruling, if you have not subscribed to CLASSIC SERVICE, you will be charged.

- Or, you contract with a third party for repairs, but rates and qualifications vary widely.

- Or, you can make the repairs yourself, but you'll have to supply your own materials. With CLASSIC SERVICE, there is no service call charge. No repair charge. No worry. That's why we call it "CLASSIC."

### HERE'S WHAT CLASSIC SERVICE COVERS ...

- Service call charges
- Identification of the problem.
- Repair or replacement of inside wiring and jacks.

Like anything else, your telephone wiring can deteriorate with age and exposure to air and humidity. CLASSIC SERVICE covers this damage, as well as damage caused by natural disasters such as floods or lightning.

\*Coverage does not include ...

- Willful damage
- Damage due to negligence
- Telephone instrument repair

### AND NOW, NO SIGN-UP CHARGE UNTIL JANUARY 1, 1988.

Whatever problems you may encounter with your phone service, we urge you to call GTE first, even if you don't have CLASSIC SERVICE, because in many cases we can correct the problem from "our end." But if the problem does turn out to be inside your premises, won't it be nice to have CLASSIC SERVICE protection?

**PREPARING TENDER VENISON**

If the venison's tough, don't blame the cook. It could be due to what the hunter did -- or didn't do -- in the field.

In addition to the age and sex of the animal, hunting and field dressing practices are extremely important in determining the quality of venison.

An undisturbed animal which is cleanly shot will yield more tender meat than a stressed animal. Field dressing the carcass as soon as possible and letting it hang for a full 48-hours will also increase tenderness by allowing muscles to stretch.

Aging the carcass in cold storage just above freezing for about a week will add to the tenderness and possibly the flavor of the venison. After that, the tenderness is up to the cook.

The key to preparing tender venison is to cook it as you would lean beef.

Most game has little fat and so is very similar to lean beef. The naturally more tender cuts, such as the loin and rib can be pan fried or roasted. But round steak, meat from the leg and the less tender cuts are best when cooked by braising, stewing or pot roasting.

Game meat should never be overcooked. It has short fibers that toughen quickly if overcooked or cooked at too high a temperature. Plan to serve it medium-to well-done rather than rare or overcooked.

Marinating venison for stir-fry, or fajitas and before pan

frying or roasting will also make it more tender. Marinate the meat in an acid-based sauce for at least 24 hours.

If you use a sauce with the venison, reduce the amount of sugar in the recipe. The natural flavor is sweeter than other meat, so sauces made for domestic meats may be too sweet.

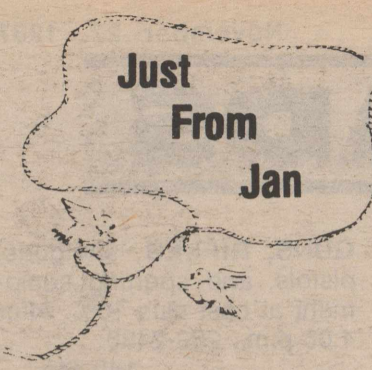

It is recommended to remove all visible fat before cooking, since it will exaggerate the gamey flavor. If some fat is required, ground pork or beef fat can be substituted.

Some people like to add chunks of beef fat or bacon to self-baste and moisten venison as it roasts. If you're trying to cut back on your intake of fat, however, you'll be better off sticking to low-fat cooking methods such as marinating and stir-frying the meat.

Venison has an under-served reputation for toughness. Yet, in a recent research study using taste panels, Texas A & M University graduate student Dan Moczygemba found that venison was rated as tender as lean beef and only slightly less tender than lean pork.

When the beef, pork and venison were compared for fat and cholesterol levels, Moczygemba says preliminary analyses indicated no significant differences.

From a health standpoint that means venison, like other lean meats, can make a significant contribution of protein and other nutrients to the diet without adding extra fat.

The State of Texas v. Beulah Mae Votaw, et al, wherein the State of Texas is Plaintiff and Beulah Mae Votaw; Jaynell Cope Bodine; Edwina B. Cope; Melinda Bodine, A minor; Amanda Bodine, A minor; Unborn or Future Children of Jaynell Cope Bodine; Johnny Copeland; Jeff Copeland; Frank Nelson Bynum, Jr.; Bobby Bynum; Tommy Bynum; the Unknown Heirs of J.E. Bynum, Deceased, All of whose addresses are unknown; and the Unknown Heirs of Buford Bynum, Deceased, All of whose addresses are unknown, are Defendants, which Petition was filed with the Judge of the District Court of Coke County, Texas, on the 10th day of November, 1987, and the nature of which suit is as follows:

The suit is a proceeding in eminent domain in which the State of Texas is condemning, at the request of the State Highway and Public Transportation Commission, for highway purposes, which are public purposes, the following-described tract of land situated in Coke County, Texas, to wit:

**Field Notes for Parcel No. 4 (Fee Title)**

Being 0.161 of one acre of land, more or less, in Coke County, Texas, out of and a part of that certain 143 acre tract of land out of the East part of Survey Number 195, Abstract Number 250, Block 2, H. & T.C.R.R. Company, original grantee, being the same 143 acre tract of land described in that certain deed from Frank N. Bynum, a single man, to Annie B. Bynum, wife of J.E. Bynum, dated January 4, 1946, of record in Volume 66, pages 614-615, deed records of Coke County, Texas, said 0.161 of one acre of land, more or less, being more particularly described by metes and bounds as follows:

BEGINNING at a stake, near a fence, in the existing northerly right of way line of State Highway No. 158, said stake being 50 feet right of

and normal to said S.H. 158 centerline station 1088+00, said stake further being South 41 degrees 06'02" East 7,060.22 feet from a fence corner post marking the northwest corner of Survey No. 195.

(1) THENCE with said existing northerly right of way line North 89 degrees 28' West a distance of 588.84 feet to a stake, near a fence corner, in the intersection of the said existing right of way line and the west property line of said Bynum 143 acre tract which is the east right of way line of a private road bearing northerly;

(2) THENCE North 0 degrees 26' West a distance of 23.89 feet with said property line to a point of intersection with the proposed northerly right of way line of S.H. 158 and a point for corner;

(3) THENCE with the said proposed northerly right of way line of S.H. 158 South 87 degrees 08'45" East a distance of 589.73 feet to the PLACE OF BEGINNING, and containing 0.161 of one acre of land, more or less.

You and each of you are further notified that you may appear and answer said Petition at or before said time, if you choose to do so, by filing your answer at the District Clerk's Office, Coke County Courthouse, Robert Lee, Texas.

The interests of said above-named Defendants are that they either own or claim an interest in said property subject to unpaid accrued taxes.

If this citation is not served within ninety (90) days after its issuance, it shall be returned forthwith.

GIVEN UNDER OUR HANDS at Coke County, Texas, this 23rd day of November, 1987.
