Commission sets centennial activities

Activities are planned for the south lawn of the courthouse square in Robert Lee for the Centennial Celebration July 22, as announced by Fran Lomas, Chairman of the Coke County Historical Commission. The celebration will commemorate the founding of Coke County in 1889.

A space has been reserved for a quilting demonstration by the Senior Citizens group of Bronte. The ladies have been creating quilt blocks repre-

senting the first 100 years of the county. The finished quilt will be on display and sold by auction Centennial Day.

Dave McMullan is planning a horseshoeing demonstration and LeDrew Arrott, a sheep-shearing, according to Susan Arrott, commission member of Bronte. McMullan and Arrott are also Bronte residents. Texas Longhorns will be on exhibit by Sid Eubanks. Due to the heat of July, C. L. Lee of the Cedar Mountain Ranch regrets the buffalo cannot be

on display.

Other demonstrations and exhibits, especially those used by settlers, are desired. Some examples would be blacksmithing, corn grinding, saddle making, weaving and butter churning.

Booths of arts and crafts are also welcomed.

Reservations for an area must be confirmed by calling 453-2894 weekdays before 5 pm. There is no charge for spaces.

CITIZENSHIP SEMINAR

Coke County students who attended the Farm Bureau Citizenship Seminar in San Angelo recently were Brooke Boone (l) and Kelly Webb.

Snead slated for pageant

Doak Snead, native Coke Countian from Bronte, will attend OLE COKE COUNTY, Home of the Rabbit Twisters, during its first week of production July 21 and 22. He will participate in the scene of the play regarding creation of A COUNTY OF OUR OWN. It is a re-enactment of area ranchers and farmers as they met for a barbecue under the hackberry trees on the Colorado River to plan strategy for achieving their goal.

Doak will sing his composition, THE FIVE COUNTY SEATS OF COKE COUNTY. This is a real treat, for Doak has made quite a name for himself and Coke County in the field of music, primarily in composing and performing songs of many types.

Those who wish to see and hear Doak and his tapes and records may do so at Mt. Creek Amphitheatre on Friday and Saturday nights, July 21-22, and at Bronte's Chamber of Commerce booth on the Court House lawn on Saturday afternoon.

Bronte and Robert Lee can be proud of Coke's native son. He has become well

Doak Snead

known over a wide area, as verified by the following publicity: Sam Pendergrast, journalist and editor of OESTE Magazine said, "Doak is one of the best of the West Texas mockingbirds. OESTE isn't big enough to list the bitter-sweet insights of his repertoire and reproduction of the lines without the hurts and occasional joy of Doak's tales, and this wouldn't do credit to his act or his message. Doak is a contemporary Texas music treasure".

- Letter to the Editor -

June 26, 1989
 Dear Editor,
 At no time has the West Coke County EMS ever refused emergency care to any one regardless of race, color, creed, sex, national origin or inability to pay. The policy established ten years ago limits us from taking stretcher patients to a doctor's office. The

policy exists for three reasons:

1. Taking the patient to an appropriate facility to meet the patient's need or anticipated needs is a priority.
2. Patient safety. Some officers are not designed to accommodate stretcher patients.
3. An all-volunteer EMS taking time from family or work. It is not fair to ask a volunteer to wait at a doctor's office when the wait could be three or more hours.

Despite rumors to the contrary, the EMS was willing, able and ready to take the patient to the emergency room of her choice.

The EMS reputation as an effective and compassionate member of the community must rest upon those who have benefited from EMS care since June of 1979.

Congressman Charles Stenholm will be in Bronte on Thursday, July 6, at the City Hall beginning at 10:45 A.M. He is our representative in Washington D.C. and it is very important that every citizen have the opportunity to meet and talk with him. There are many voices clamoring to be heard at all levels of government.

"I see more clearly every day the importance of staying in close contact with the people who honored me with this great responsibility", Stenholm said.

"Your views must be my views if I am to effectively serve. Please give me the benefit of your council".

Congress Stenholm is in the district during the July 4th recess and plans to be in Roscoe, Albany, Snyder, Rotan, Coleman, Winters, Ballinger, Paint Rock, and Eden for similar public meetings during the week following July 4th.

Now in his sixth term, Charlie has gained national prominence in many areas. Serving on both the Agriculture and Veterans Affairs Committees, experience gained is most helpful with rural problems and health care delivery in particular. As founder and leader of the Conservative Democratic Forum since the early 1980s, he has led the "boll weevils" in communicating conservative common-sense ideas in budgetary matters. Make your plans to attend this and any other meeting to insure that our congressman gets the message we want him to carry to our nation's capitol.

Cheerleaders attend camp

Tuesday morning (June 13th) six Bronte High School girls loaded a school bus headed for TCU (Texas Christian University) in Fort Worth, where they attended Universal Cheerleading Association's Cheerleading Camp. The cheerleaders; Kristie Cooper (head), Donya Cooper, Jami Morrow, Eboni Taylor, and Misty Mackey, were taught many cheers, chants, and dance routines throughout the week. The squad was evaluated Wednesday and Thursday nights and Friday morning over the cheers they had learned. They were awarded two red excellent and four blue superior ribbons. They also received the spirit stick each night and were able to take it home on Friday - Congratulations!

Misty Golson attended classes for mascots each day. There were nineteen mascots who attended the UCA mascot program with her. She was evaluated on Wednesday and Thursday nights with her

squad. They judged on how well she used her props and how she worked with the cheerleaders and the crowd. Misty was awarded two blue superior ribbons for both nights. Friday, the mascots did a short dance routine and acted out parts to Barbara Streisand's song "Memories" as a good-bye gesture to the cheerleaders. Misty received a gold superior ribbon for her performance. The camp presented a superior trophy to two mascots whom they felt really showed spirit through their uniforms and were able to portray their mascot to the fullest. Misty Golson, as the Bronte Longhorn, was awarded one of the trophies for her creativity and mascot spirit! Congratulations!

Misty spent many classroom hours developing a personality, a walk, and a name for the 1989-90 Bronte Longhorn. The name is Brand 'em. To see the rest you'll have to wait until football season! BHS - ALL THE WAY!!!

The treasurer reported that the year will end with a debit balance of just over \$1,000, and accounts have been paid. All other monies gained during the year went back into community activities and support of other local organizations.

WCCCD will assist with the Centennial Celebration Saturday, July 22 with the balloon lift, and perhaps hay rides if a wagon can be located.

Committee plans continue for the Labor Day Extravaganza at the park Sept. 2.

Nell Kennedy reported no response to the offer by she and Nola Miller to print a community calendar the first of each month. Organizations and individuals who have upcoming activities are asked to turn in dates and times to them the last week of each month.

Monday, July 24, will be the next scheduled regular meeting date for West Coke County Community Development. Everyone is urged to renew their membership and join in the effort to keep the community healthy.

-- Letter to the Editor --

Brownwood, Tx 76801
June 24, 1989

Dear Observer, Editor, & Staff,

Congratulations on your One Hundredth Anniversary. Time sure flies, it was fifty years ago this month that Bob Hall and I published the Fiftieth Anniversary of the Robert Lee Observer, and a mighty fine job we did - we thought.

Everything was set by hand - letter by letter and word for word, made up of two pages each and run off on the Old County Campbell, Cylinder Press.

Albert Puett acquired the job of Editor in 1924, I think, from Berryman and Lamb. Mr. Lamb stayed on as typesetter for several years, I guess until 1927 when a tornado destroyed our house.

That was the year three tornadoes struck and demolished the Methodist Church and the Primitive Baptist Church and our house, Buchanan's garage,

Personal

Lillian and Carroll Robbins of Bronte have returned home after visiting in Amarillo with her sister, Lenora Good, and daughter, Lois.

and a house of Mrs. Brummet and other buildings. In 1928, the Observer put on a contest for subscriptions and gave away a 1927 Chevrolet to the winner. Miss Myrtle Hurley won the car.

Originally, on being moved from Hayrick, the Observer set on the site where Key Feed Store is now.

Not long after electricity came to Robert Lee, the Wjtek Boys, Otto, Victor and Frank, wanted to build a movie theater on the lot, so the Observer Office was moved to a lot just across the street on the west side of the courthouse, where the agriculture building is now.

By the way, the tall steeple on the old courthouse was toppled in the tornado in 1927 and replaced with a short type dome.

In those days the presses were run by a gasoline engine that had to be cranked by hand. Long belts from the engine to the ceiling on wheels, another belt to the Press and another to the Job Press. So when electricity

came to Robert Lee (I don't remember the year) my dad got an electric motor to run the presses.

The reason the old copies of the Coke County Rustler and the Observer were in such bad condition was because they were rolled up and kept in open shelves built all the way to the ceiling and after the fire in 1937 or 38, I took them all down and placed them in an old trunk, but I put the Volume 1, #1 copy in a large scrap book that I had and forgot about it. It moved with me to Houston, San Diego, Los Angeles, and San Bernardino, California and finally to Brownwood, Texas.

I came across it one day while looking for something in the book, so I brought it back about 1981 and gave it to the Observer office.

I see somebody has painted the Old Buchanan house, I understand it is the only house left that was moved from Hayrick to its present location.

Sincerely,
Felix W. Puett

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is, currently estimated

that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. **The cost is only \$50.00.**

A mammogram can detect a cancer this small, even before it can be felt.

Holland named MVP

Kristen Holland

Kristen Holland was an exceptionally busy student this past school year in River Oaks School. She was the "Most Valuable Player" in a volleyball tournament and then was chosen "Most Valuable Player" for her school at the annual sports awards banquet. She is also on the school's tennis team. During the annual school-conducted class historical trip to Austin and San Antonio, she was selected "Best Camper". She is also on the yearbook staff.

very busy with her athletic endeavors throughout the year, she obviously found time to study, staying on the honor roll all three trimesters. She also qualified to take the college S.A.T. exam through Duke University talent search conducted by their math division.

Kristen Lynn Holland is the thirteen year old granddaughter of Polly Holland, a lifetime resident of Coke County, Texas, and daughter of Robert and Dona Holland of Houston, Texas. Robert graduated from Robert Lee High School in 1964, and practices law in Houston. Dona is an artist in her own company.

She rounded out the year by being elected cheerleader and then, at the final school awards program, she received the Student Council Citizenship Scholarship Award. It is a five hundred dollar scholarship awarded annually to one outstanding student in the school.

She looks forward to summertime including visits with her grandmother in Robert Lee.
