350 attend centennial

Over 350 citizens and visitors attended the Coke County Centennial Celebration Saturday, July 22, according to Fran Lomas, Coke County Historical Commission Chairman, co-sponsor with the County Commissioners' Court, of the day.

Festivities began at 1:30 p.m. with a balloon lift-off by the West Coke County Board of Community Development and released by Phelan Wrinkle and Mrs. Lomas.

The program, in the courtroom, began with the invocation by county Judge Aubrey Denman, who led the standing-room only crowd in the pledge of allegiance. Wilson Bryan, mayor of Robert Lee, welcomed the group by recalling his arrival in the county in 1920.

The day, as well as the first century, was dedicated by Mrs. Lomas to "those men

and women whose efforts and foresight developed our county . . . who stayed, endured and devoted their lives. . . who came in later years and those who have returned. . ."

Mrs. Lomas also recapped the history of the county, recalling some of the natural beauty of the county and the legends.

Guests included State Representative Robert and Mrs. Junell, District Judge Royal and Mrs. Hart and District Attorney Gerald Fohn. Delegates of the Tom Green County Historical Commission, with chairman Golda Foster, presented the county with a proclamation from that county's commissioners court and historical commission.

Joyce Lucas of Blackwell was introduced by Judge Denman as the County Logo

Dignitaries laud county

"Unfortunately due to a previous commitment on this date" Governor and Mrs. William P. Clements could not attend. "Best wishes for a most successful event."

Senator Lloyd Bentsen wrote "I regret that my commitments are such that I will be unable to join you. Your thoughtfulness in thinking of me is most appreciated and I hope you will express my regrets and best wishes to those in attendance."

Congressman and Mrs. Charles Stenholm expressed "best wishes for a very successful event." To the Citizens of Coke County:

You have my warmest congratulations as you gather to celebrate your county's 100th Anniversary.

From its earliest day, Coke County has nurtured the lives and accomplishments of countless individuals -- individuals united through the years by a common love for the place they call home. That deep sense of community, of responsibility toward one's

neighbor and the common good, is the tradition of this county. To survive rough pioneer days demanded a people with pride and determination. Those strong characteristics have not been lost on succeeding generations of Coke County residents

This milestone gives you a splendid opportunity to reaffirm that spirit, to take just pride in the past, and to rededicate yourselves to the promise of a bright future.

Barbara and I send best wishes for a joyous celebration. God bless you.

George Bush.

Dear Editor,

Last week I received my tax appraisal note from the Coke County Appraisal District. After checking it over, I noticed that the taxpayers of West Coke County are still being taxed for West Coke County Hospital which we have NOT had for several years!

In the past letter to the Editor, some from "concerned citizen", too ashamed to sign their name(s), and a few that did sign their name, asking for an accounting of what the Hospital District owed? And how long are the taxpayers of West Coke County going to be taxed at the highest amount possible under law? One letter written even made it easy for ANY board member with access to the book-keeping to answer. All they had to do was fill in the blanks. But the only half answer the Hospital gave was a very long, boring statement that very carefully avoided stating any answers to any questions, on

anything.

Is the board scared to inform the taxpayers that elected them? Are they scared we will vote them out? Or what?

Mr. Editor, do you think you can get ANY member of the West Coke Co. Hospital Board to answer ANY of these questions?

1. How much does the West Coke Co. Hospital District owe at this time?

2. How long are the taxpayers of West Coke Co. going to be taxed for a "Hospital" we DO NOT have?

3. Are ANY tax funds collected being used to support the West Coke Co. Nursing Home?

4. If answer to question #3 is yes - is it legal to use Hospital tax collections for that purpose?

If the West Coke Co. Nursing Home can not make ends meet on its own, it should close, instead of being another burden on each and every taxpayer of West Coke Co.

There are several nursing homes in San Angelo, Tx., and other towns that can and do make it without taxing everybody they can.

I think each and every taxpayer in Coke Co. deserves to have an honest, SIMPLE, and reasonable accounting of just how much money is owed, and for what, and how long we are to be taxed, and just how OUR tax collection funds are being spent.

Dear Editor:

In 1984, five short years ago as history goes, a group of dedicated Coke Countians helped assemble a very complete and very well-done history of the families of Coke County. I would not take for mine; to me it is a priceless book. If you have seen "histories" done in other counties by other publishers, you can be especially proud of the book we received.

Now, according to the Observer-Enterprise, another firm is wanting to also publish a book. History wise, I feel this is not a valid undertaking so soon after the 1984 edition. What was written then has not changed so much that we need another book at this time. Perhaps in ten to fifteen years, yes; but for now, NO!

Sincerely, Hervey Latham

Our Apologies:

We, the Observer/Enterprise staff, are extremely proud of our Centennial edition of the paper published last week. However, we are not proud of a few errors made in the mass of material we gathered. One in particular was the inadvertent omission of Coke County Attorney Bill Helwig's name on the congratulatory ad placed by the county. We apologize for this and any other error made. Also, your gracious response to our plea for the use of your wonderful old pictures literally overwhelmed us. Space did not permit as many as we had hoped; many old pictures are quite large. If you would allow us to keep them until next week, we will copy a number of them and publish them in the next few weeks as space allows. We want to thank everyone who contributed in any way to this historical 100th Anniversary celebration.

W. Coke Senior Schedule

West Coke County Senior Citizens' August schedule will begin with the visit of the Food Stamp representative on Aug. 1 from 1-3 p.m. Food commodities will be distributed August 3 from 8-12 noon.

Cooling contract signed by DHS

A contract between Texas Department of Human Services and Coke County has been signed for a Heat Stress Relief program (cooling).

Applicant households may apply for assistance at Bronte and Robert Lee Senior Centers on Monday, Wednesday, and Friday mornings until Sept 30.

Applicants must meet eligibility requirements of

1. Medical need
2. Income
3. Residence
4. Citizenship
5. Resources

The applicants may pick up a form to verify medical need at the centers. A medical doctor or an RN must verify and sign the form.

To verify income, the applicants must present pay check stubs, pay or benefit checks, written statement from employers, W-2 or other tax forms or benefit award letters from Social Security or VA. The award letters from Social Security were received the first of the year.

Other eligibility rules must be followed. Information may be obtained at the center.

As funds allowed, service will be provided on a first-come, first serve basis. Assistance is provided on behalf of eligible applicants in date order of submission. Completed documents necessary to make an eligibility decision. Because of funding limitations, some eligible households may not receive benefits.

Runnels Home Health Care will conduct a free blood pressure clinic 8-10 a.m. during the distribution. A WICK program representative will serve the group from 9-12 on August 10. On Tuesday, August 15, food stamp information will again be available 1-3 p.m and a speaker from Bel-tone Hearing in San Angelo will present a program from 10-2. Most Senior activities are conducted in the Senior Citizens Building at the county park.

One exception is the Senior Citizens Dance Club which convenes at the Rec Hall each 3rd Thursday evening at 7:30 p.m. This month, the social event will be August 17. An area band volunteers each month to provide music for the Senior Citizens group. The band includes Johnny Sevier, Matt Wilson, and Add Davis, all of Robert Lee, Troy Blackshear and Sammie Duncan, both of San Angelo, Slim Trent of Kermit, and, often, Ozzie Wilson of San Angelo. Attendance for the last three months has been in the 80s. Everyone over 60 years old and their guests are encouraged to attend.

On August 18, a speaker will be present from River Crest Hospital in San Angelo for a program following lunch.

Congregate meals are served each Monday, Wednesday and Friday followed by games of 88, reminded Coordinator Neta Schnabel.

NOTICE OF ORDINANCE

Dilapidated - Hazardous - Substandard Buildings
Notice is hereby given pursuant to the terms and provisions of Section 52.01 of the Local Government Code, Texas Statutes, that the City of Bronte is considering the adoption of an ordinance regarding dilapidated, substandard, and hazardous buildings within the city limits of the City of Bronte and authority to give notice of demand of repair or demolition and in the event there is no compliance, the right of the City to proceed to demolish buildings and impose a lien upon the property.

The proposed ordinance creates a Building Standards Commission which will review properties on a semi-annual basis and make recommendations to the City Council as to existing substandard, dilapidated, or hazardous buildings which are unfit for human habitation and/or create a danger to the public health and welfare. The ordinance defines various criteria for ascertainment of dilapidated or substandard buildings as to particulars of the residential property, lot, and condition of the same. The ordinance states that a recommendation will be prepared and submitted to the City Council at which time the City Council will give notice to the owner of the proposed demand for repair or demoli-

tion. A public hearing will be scheduled to determine whether the City should order the repair or demolition and how long should be given to allow the same to occur.

The ordinance further states certain rights of rehearing in the event demolition is required. Additionally, notice is provided to the owner of the property in regard to the actions of the City.

The ordinance states further that in the event repair or demolition is not completed, the City may act to demolish the same and may impose a lien upon the property to the extent of expenses incurred in demolition. The ordinance specifies parties authorized to file the lien claim as well as releases at times of reimbursement.

A copy of the ordinance may be obtained at the City Hall, City of Bronte, Bronte, Coke County, Texas.

RL bake sale set August 4

Football season will soon be here and RLHS cheerleaders are making plans. The 1989 cheerleaders have scheduled a bake sale for Friday, August 4, at Robert Lee State Bank. Bring your sweet tooth to the bank Friday morning. Also on the agenda for Friday is a dance to be held at the Robert Lee Recreation Center. Students from Robert Lee and the surrounding area, will be welcome to dance to music provided by D. J. Tim Dacus. Watch for details.

A meeting to organize Spirit Elf activities for the school year has been set for Monday, August 7, 1989 at 10 a.m. at the RLHS School Tennis Courts. A recent tradition established at Robert Lee High School, the Spirit Elf program is a way for the RLHS girls to support the football program, boost individual spirit, and be a part of the Steer Team. Each girl has one or two football players or coaches that she will secretly support throughout the season. Means of support in the past have included decorating lockers, providing food, writing letters of encouragement, giving little spirit boosters, and just

rooting for that player or coach as each game is played. Any RLHS girl interested in helping in the Spirit Elf effort, please come to the meeting on Monday, August 7, or call a cheerleader to be included. 1989-90 cheerleaders are: Brande Burrows, head cheerleader, 453-2995, Jody Brasher, 453-2320, Nikki Tavarez, 453-2336, Lori Wink, 453-4551, and Shelley Burrows, 453-2995.

Also on the August agenda is the cheerleading mini-camp. The RLHS cheerleaders will hold a week long camp August 14 through 18 at the RLHS Tennis courts. Area youngsters will be taught yells, chants, and spirit dances from 10 to 12 A. M. at the cost of \$1.00 per student per day. Be sure to put the mini-camp on your calendar.

The cheerleaders are hard at work in preparation for the 1989-90 school year. Team spirit and school pride are what the Steers are all about and it takes players, students, and fans alike to be winners. There is still lots to be done before the Steers take the field and your support is appreciated.

Mrs. Ronnie Calda

Phillips, Calda wedding

Mrs. Susan Denise Phillips and Ronnie Calda were united in marriage on Saturday, July 15, 1989 at seven o'clock at Bear Creek United Methodist Church in Houston. Reverend Robert Long performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Rudy Phillips of Houston. Her grandmothers are Mrs. Ozella Wilkins and Mrs. Irene Phillips, both of Bronte. The groom is the son of Mr. and Mrs. Richard Calda of Houston.

Given in marriage by her father, the bride chose a white satin cathedral length gown fashioned with a sweetheart neckline and bishop sleeves. The elongated bodice was intricately beaded with bridal pearls and iridescent paillettes over imported lace. The back of the gown was embellished with a bow. From the elongated waist swept a train which featured jeweled cut-outs and a scalloped hemline bordered with lace. To complement her gown, she wore a wreath of silk blossoms and pearls which was enhanced with puffs of illusion. The tiers, scattered with clusters of pearls, fell softly over her shoulders. She carried a cascading bouquet of stephanotis, roses, lilies, and baby's breath.

Miss Stacie Phillips, cousin of the bride, of Austin served as maid of honor. Other attendants were Miss Rhonda Kimball of Houston; Miss Amy Parnell of Houston; Miss Sheri Gill of San Marcos; and Miss Angela Hamilton of Houston. The attendants wore fitted, floor length fuchsia satin gowns.

Best man was George Navarro of Houston. Groomsmen were Keith Calda, brother of the groom, of Houston; Randy Calda, brother of the groom, of Houston; Cody Reeves of Houston; and Brad Phillips, brother of the bride, of Houston. Trainbearer was Scott Sturtevant of Houston.

Ushers were Mike Chaney of Dallas and Wesley Bolch of College Station.

Special music was provided by Tina Hinze of Houston. Registering guests were Tracy Tyler of Houston and Mrs. Cindy Houchin of McGregor.

A reception followed at Spring Shadows Pavilion. Serving in the houseparty were Marla Thompson of Houston and Jennifer Bauman of Houston. Rice bags were distributed by Teia Blackshear, Tyra Blackshear, and Brooke Lane, all of Houston.

Susan is a graduate of Jersey Village High School. She attended Southwest Texas University and is currently attending North Harris County College. She is employed by Waist Basket.

The groom is a graduate of Milby High School and is employed by Landmark Chevrolet.

Following a honeymoon to Hawaii, the couple will reside in Houston.
