County 4-H'ers plan special activities

A lot of special programs and activities are being planned for the week of October 1-7, National 4-H Week, as Coke County 4-H'ers join others in festivities.

Among local planned activities for 4-H Week are a poster contest and a balloon lift off.

Coke County has some 105 4-H members who are among more than 388,000 in Texas and 4.5 million across the nation who will participate in this annual youth celebration.

As we observe National 4-H Week, we recognize that the program is truly a people development program, said Yanez, county 4-H program coordinator with the Texas Agricultural Extension Service. The agency is the parent organization of 4-H.

The program assists youth in developing skills that will be useful in the real world.

Program concepts help boys and girls discover their strengths and weaknesses, and exposes them to activities in a variety of career fields.

Additionally, 4-H helps them build positive self-concepts for directing their lives, while learning and having fun as well. Families can add to the fun by learning and growing together.

Volunteer leaders assisting in the 4-H program also learn new skills while sharing their expertise with young people. Through a valuable network of volunteer leaders, state land-grant universities, state and local governments and the U. S. Department of Agriculture, 4-H continues to stimulate youth to develop life skills and explore many career options.

About 74 adult volunteer leaders work with 4-H boys and girls in Coke County through 4 different 4-H clubs.

The 4-H'ers can choose from some 70 different project and program areas designed to help them prepare for the future.

For more information about the 4-H program, contact the County Extension Office, 453-2461.

Robert Lee's 5th Grade participated recently in a balloon lift-off with their names and addresses attached, hoping for a faraway response.

WCCCD plans hunter bbq

West Coke County Community Development continues to make plans for a barbecue supper to welcome hunters to the county on Friday night, Nov. 3. Discussion of the project and other items of business were on the agenda of the monthly general meeting Monday, evening, Sept. 25, in the county courtroom. Chairman of the barbecue committee, Bob Wrinkle, was out-of-town and will report on the progress at a later date.

A good number of interested citizens were present along with board members President Robert Wink, D'Ann Eubanks, Edna Havins, Joe Brazier, and Joan Davis.

Dave Hughes will serve on the industrial board being formed by Coke County to investigate possibilities of attracting industry to the area.

Speedy Brasuell, city councilman, spoke to the group about recent ordinances enacted to enhance the appearance of the city by taking steps to eliminate unsightly refuse on vacant lots and either to repair or demolish

long-vacant houses and buildings. A panel has been formed to review the sites in question and recommend what should be done. The WCCCD agreed to support the moves and aid the city any way possible.

Texas Parks & Wildlife game warden Sparks Burdett was also a guest speaker for the organization. He recited some general rules for the upcoming hunting season and made an estimate on hunters who come to Coke County during hunting season as over a thousand, some once, some a number of times, for tremendous economic impact.

Members voted to again sponsor a Big Buck contest with details to be worked out. Dave Hughes will chair that committee.

Board members and committee heads will meet soon in a called session. The next general meeting is scheduled for Monday, October 23, at 7 pm in the county courthouse in Robert Lee. A speaker on drug awareness will present the program at that time.

4-H Posters

October 1-7 is National 4-H Week. To celebrate this event the Extension Office is encouraging all 4-H'ers to participate in a poster contest. Prizes will be offered all winners. If you would like to enter, please come by the Extension Office and pick up your poster board. Deadline for turning in posters will be October 2nd. If you have any questions please call our office 453-2461.

Gospel Singing

The Ole-Fashion Gospel Singing will be held Sunday, October 1, at the Bronte Senior Center.

The singing will be held from 2-4 p.m.

Persons of all ages are invited to attend.

This program is funded in part by the area agency on aging through a grant from the Texas Department on Aging.

FB Team Roping

The Coke-Sterling County Farm Bureau will be having a Team Roping for Texas Farm Bureau Members only on October 7, 1989 in Bronte, TX.

The books will open at 12:00 P.M. and the roping will start at 1:00 P.M. sharp.

A buckle will be awarded to Hi-Money Winner in No. 5 roping.

For more information please contact 915-473-3241, 915-786-2077, or the local County Farm Bureau office 915-453-2812. Memberships available.

Br. Flu Shots

Dr. Guno Kletter, Coke County Health Officer, and volunteers will give the immunizations.

The cost will be \$4.00 per immunization.

Any adult may participate in this program.

Br. UMW Sale

The annual Bronte United Methodist Women Bake Sale and Garage Sale will be held October 6th and 7th.

It will be held at the First United Methodist Church on Friday from 8 am until 5 pm and Saturday from 8 am until noon.

C/W Musical

The monthly Country/Western Musical will be held at the Rec Hall in Robert Lee at 7:30 pm on Thursday, October 5. The October get-together will feature a visiting group, the Hayden Ellis Band from San Angelo.

Bronte Dance

A dance will be held at the Bronte Community Center Saturday, September 30, from 8 - 12 p.m. featuring DR TOON'S and his video equipment.

Everyone is welcome.

No Commodities

Coke County Auditor Stover Taylor announced Wednesday morning there would be NO commodity food distribution in the county on the first Thursday of October.

Br. BP Clinic

Ballinger Home Health Inc. will conduct a free Blood Pressure Screening Clinic at the Bronte Senior Center on Thursday, October 5 from 8 until 9:30 a.m.

In Feb. 1942, she enlisted into the US Army where she served with the W.A.C.S. in England, France, Germany and Scotland. In 1957, Mrs. Mahon moved to Weimar and worked at the Youens Hospital for many years as an Accredited Medical Records Technician. She moved to Eagle Lake in 1978 and worked in Medical Records for Eagle Lake Community Hospital for 3 years before retirement in 1980 and moving back to Weimar. Preceding her in death were her parents; a son, Roy Paul Mahon; sisters, Mildred Ligon, Sylvia Kennemer,

Jane Goldsmith and Ruth Goode; a brother, James Mac Taylor; and a grandson, Russell Keith Johnson. Her survivors include, a daughter and son-in-law, Bobby Jean and Ralph Johnson, Eagle Lake; a son, William James (Bill) Mahon, sisters, LaVelta Eubanks and Beatrice Counts, both of Robert Lee, Texas, Katherine Martin, Animas, NM, Patty Sheppard, Spearman, TX, and Dixie Jones, Brownfield, TX; 5 grandchildren, Ellana Japsen, Arlington, VA, Bryan Johnson, and Joy Johnson, both of Eagle Lake, Shane Mahon, Round Rock, TX, and Joshua Mahon, Muscogee, Ok; 3 great-grandchildren, Todd Matthews and Eric Johnson, both of Eagle Lake, and Molly Jepsen, Arlington, VA; and a host of nieces, nephews, other relatives and loved ones.

Funeral services were held 2:00 pm, Wednesday, Sept. 20, from the Dulany Funeral Home Chapel with Rev. David Mann, Pastor, First Baptist Church of Eagle Lake, Rev. Richard Eifert, Pastor, Lissie United Methodist Church and Rev. Howard MacAllister of Gonzales, TX officiating. Grave-side services and interment followed in the Robert Lee Cemetery, Robert Lee, TX on Thursday, Sept. 21 at 2:00 pm. Honorary pallbearers named were brother-in-laws: Ivey Eubanks, J.Q. Counts, Wayne Kennemer, Jack Goldsmith, Kenneth Goode, Bert Sheppard, Coy Jones and Mark Slay. In lieu of flowers, the family had requested that memorial contributions be made to the M.D. Anderson Cancer Center; Attn: Memorial Donations-197; 1515 Holcombe Blvd.; Houston, TX 77030.

Anderson

Justin David "J.D." Anderson, 7, was killed Sunday, Sept. 24, in a traffic accident on the Interstate 20 north service road east of Big Spring in Howard County about 5:55 p.m.

Justin David Anderson of Big Spring died after the bicycle he was riding was hit by a passing pickup truck, the Department of Public Safety reported.

The boy was pronounced dead at 6:33 p.m. by Peace Justice William Shankles at Scenic Mountain Medical

...Obituaries (cont'd.)

Center in Big Spring. The body was taken to Nalley-Pickle-Welsh Funeral Home in Big Spring.

State Trooper Mike Dawson said the collision occurred when Anderson darted out of a private driveway into the path of the truck, which was driven by Paul Cooper Martinez of Coahoma.

Services were held at 2 p.m. Wednesday in Nalley-Pickle and Welch Funeral Home with burial in Mount Olive Memorial Park.

He was born Oct. 30, 1981 in Midland. He was a second-grade student at Coahoma Elementary School, and played Little League baseball.

Survivors include his parents, Andy and Leta Anderson of Sand Springs; two brothers, Kason Anderson and Brandon Anderson, both of Sand Springs; his maternal grandparents, Jack and Dorothy Stovall of Sand Springs; and his paternal grandparents, Dee and Lil Anderson of Ackerly. Dee and Lil are presently living in Robert Lee.

Leady

James Frank Leady, 55, of Winters, died Tuesday, September 26, 1989 in Humana Hospital in Abilene.

Services were conducted Thursday, Sept. 28, at 2 p.m. in Winters Funeral Home chapel with burial in Ruff Creek Cemetery near Novice.

He was born July 28, 1934, in Santa Anna. He was an employee of Union Texas Petroleum at the time of his death. He was a Baptist and an Army veteran.

Survivors include his wife, Susie Patton Leady of Winters; one son, Frank Johann Leady of Winters; one daughter, Susan Jamie Leady of Winters; seven sisters, Alene Palmer of Coleman, Mary Brown of San Antonio, Christine Scott of Walnut Creek, Calif., Billie McClain and Ouidi Brown, both of San Angelo, Lucille Blakney of Colorado Springs, Colo., and Ruth Akins of Melvin.

Lamb symposium set for Ozona

On October 19, beginning at 9:00 am at the Ozona Civic Center there will be a day long symposium on lean lamb production. Interested persons should send their \$10.00 registration fee to the Crockett County Agent by October 7. I have several registration forms in our office.

The program will begin that morning with presentations from Dr. Gary Smith, Dr. Dan Hale and Dr. John Edwards from Texas A&M. They will be discussing Red Meat Production Trends, Lean Lamb Criteria, Live Lamb Evaluation and Evaluation of Lambs With Ultrasound. Following a lean lamb lunch, there will be several producers, meat specialists, feedlot operators and Sheep Industry leaders discussing carcass fabrication, merchandising lean lamb, West Texas ewe types and feeding and sorting for lean lambs.

W. Coke Senior Schedule

October, 1989 Senior Citizens' schedule in Robert Lee will begin with an advisory board meeting the 2nd from 12-1. The food stamp representative will be at the senior bldg. on October 3, 1-3 pm.

A W.I.C. advisor will be available for aid from 9 AM - 2 pm on the 12th. Oct. 17, 10-2 pm Beltone Hearing Aid will send a representative to Robert Lee from San Angelo. Help with food stamp information will again be available 1-3 pm on that day, also.

The third Thursday Senior Citizens Dance falls on October 19. A volunteer country/western band provides music for the occasion each month for those 60 years and over plus their guests. On Sept. 21, 109 attended the

dance and enjoyed refreshments and fellowship in the Rec Hall.

The American Cancer Society will provide a spokesman on Oct. 20, following the meal, and will update benefits and answer questions concerning provisions by the society. They do provide certain aids to cancer patients and their families.

Girling Health Care will conduct a Blood Pressure Clinic from 11:30- 1pm on Oct. 27.

West Coke County Senior Citizens coordinator Neta Schnabel reminds everyone that October has been designated as "Talk About Prescriptions" month. Have complete knowledge of the medications you take.

Letter to the Editor

Dear Editor,

As a concerned person, I would like to address the school board concerning the air-conditioning system. It is a shame that we, as a community, cannot change the classrooms to make the environment more conducive to learning. The teachers are at a disadvantage trying to teach a roomful of hot, irritable young people. I wonder how many of us would be willing to sit in the classrooms all day, as these people have to. I know for myself I would certainly not

enjoy it. Why is there no workable solution to this problem? Surely our tax dollars could go toward purchasing air-conditioning units for the class-rooms or putting in central heating & cooling throughout the buildings. It seems like a small item to review for a big return for our educators and our children. We need to keep our schools repair and conditioning at the top level - there is no reason for our children & teachers to have to settle for second rate.

Grim, Garringer marry in RL services

Melissa Grim and Tim Garringer were united in marriage on September 2, 1989, in the First United Methodist Church of Robert Lee. The Rev. Hervey Garringer, grandfather of the bridegroom, officiated.

Maid of honor was Shelbi Grim, sister of the bride. Bridesmaids were Ami Havins of Pleasanton and Sheri Hood of Robert Lee.

Best man was Jonathan Garringer, brother of the bridegroom. Groomsmen were Scott Robertson and Jim Bob Jacobs, both of San Angelo.

Melissa wore a formal dress of white satin. Lace inserts accented with pearls adorned the bodice and train. Bridesmaids wore white cotton drop-waisted dresses and carried single roses. The groom and his attendants wore black tuxedos with white and red cummerbunds, respectively. The church was decorated with white ribbons and greenery. Guests entered through an archway covered in greenery and white ribbons.

Melissa is the daughter of Kay Taylor and George Grim, and the granddaughter of the late Fern Havins and Mrs. Fern Havins, all of Robert Lee. Tim is the grandson of Rev. and Mrs. Hervey Garringer of Robert Lee. Both are 1987 graduates of Robert Lee High School. Following a wedding trip to Austin, the couple resides in San Angelo.

Br. VFD urges furnace caution

With the cool weather setting in upon us, it is time to start thinking about lighting those furnaces, heaters and fireplaces.

The Bronte Fire Department wants to caution people about using safety precautions before and after lighting you heating devices. Be sure to clean spider webs and any lint that may have accumulated since you last used it. Check the hoses on your heaters and make sure they are still in good shape. After you have cleaned your heating devices and are ready to light them, be sure to watch the heaters and make sure they are burning properly.

By being careful and taking a few extra minutes of your time, hopefully it will cut down on the possibilities of a house fire occurring.

Sorosis Study Club begins year

The 1989 club year for the Sorosis Study Club in Bronte began last Thursday evening in the home of hostess Peggy Hembree. A delicious salad supper was served before the business meeting was conducted by President Bobbie Lee. Vice president Jean Fancher presented members the new club books and reviewed the program plans for the year. A rummage sale will be held Nov. 4.

A Texas Heritage theme will be carried out at the next club meeting which will be in the Texas Historical Commission designated home of Norma Gentry. Diane Lockett will present the program "History of Coke County and Highlights of the Centennial Celebration."

Club members attending were Ann Hamilton, Pat Oglesby, Fancher, Mary Frances Glenn, Lee, Mary Glenn, Lockett, Betty Lee, and Hembree.

Horns lose very close match to Steers

The Longhorns traveled to Robert Lee to play the Steers in the Coke County shootout. This week's captains for the Horns were Jason Pierce and Tim Sims.

The Horns took the opening kickoff on their own 25 yard line and moved the ball to Robert Lee's 29 yard line before losing a fumble with 8:31 left in the 1st quarter. After three possession changes, Bronte held the Steers to a fourth and goal on the 2 yard line. The Steers took a time out and then scored with about an inch to spare with 1:31 in the 1st quarter.

In the second quarter the Horns recovered a fumble on the 42 yard line of RL. The Longhorns' Tim Davis was the work horse, grinding out tough yards behind the de-

termined offensive line. Brandon Marshall scored on a fourth and one with 5:29 left in the half. The two point conversion was good, Bronte led 8-6. On the Steers next possession, they scored on a quarterback keeper over the right side with 1:58 left in the half. The Longhorns trailed 12-8.

In the third quarter, the Steers scored after a miscue on a Longhorn punt. Steers 18 - Horns 8. The Longhorns took the ball on their 28 yard line and moved to the Steer's 9 yard line on 13 plays before quarterback Justin Phillips connected with John Seals on a touchdown pass with 7:44 left in the game. The

Horns closed the gap to within four points Bronte 14 - Robert Lee 18. The next defensive series was a hard-hitting and determined Longhorn effort led by Windham, Pierce, Badgett, and Lucas. The Horns took over on their 27 yard line after holding RL on the 4th down with 2:08 remaining in the game. Four plays later on the Horns' 42 yard line, Phillips suffered his second interception of the night and the game ended. Robert Lee 18 - Bronte 14.

Tim Davis had his first 100 + rushing game this year. He gained 142 yards on 24 carries. The Horns had a good game but came up short this week. Cross Plains comes to Bronte Friday night at 8:00. Come out and support the Longhorns. GO HORNS

Volleyball teams compete

Continuing their winning ways, both Bronte High School volleyball teams brought home victories Tues. night.

The JV faced a tough Colorado City team, taking 1 1/2 hours to defeat the Wolves 15-10; 12-15; 15-3.

Aime Parker and Ree Baldwin led the Horns on offense with numerous kills. Susan Culp was lead server with 7 points in Game 3.

The JV is having an excellent year, sporting an 8-1 record.

Thirty minutes was all it took for the Varsity to defeat C-City 15-4; 15-3.

Fine offense was turned in by Eboni Taylor, Kelly Webb & Donya Cooper. Defensive standouts were Teresa Vaughn, Angela Reyes & Melinda Gentry. Jennifer Robinson racked up 10 service points in Game 2.

The Lady Longhorns now have a 4-2 record. Each week new improvements are made as the team gears up for district play.

Their final tune-up came this weekend as they participated in the Colorado City Tournament. This tournament is probably the toughest 1A tournament in the state. Three of the last State Champs (Plains, Bronte, Water Valley) participate.

The Longhorns met up with Clyde early Sat. morning. It didn't take long as the Horns won 15-0; 15-4. Next they faced Plains.

It seems the black uniforms pack a lot of intimidation. The Horns never got on track and lost 7-15; 7-15.

Bronte played Colorado City for third, winning 15-7; 15-6.

"Naturally I wished we had been in the Championship but overall I'm pleased with our performance," said Coach Bozarth. "This was a good tune-up for district."

Ladies open with district wins

District volleyball opened with a bang as both JV & Varsity took wins over Water Valley Tues. night.

In JV action Sophomore Aime Parker led the attack in a 15-2, 15-6 victory. She had 6 kills. Kristie Cooper took serving honors with 10 pts in Game 1. Several Freshmen saw some playing time in Game 2.

The JV record is 9-1.

It took 3 games for the varsity to finish off the Wildcats. The Lady Horns had an 11-1 lead in Game 1. However, they let their opponents score 8 straight points to get back in the game. The Horns won 15-10.

In Game 2 the Horns led 9-4, but once again they relaxed too much. The Cats raced back & took a 15-10 win.

With determined looks the Horns began Game 3 with 4 straight points by Jennifer Robinson. They never let up as the powerful offense kept Water Valley scrambling on defense. Melinda Gentry served the last 8 pts. as the Horns won 15-1.

The Horns are now 7-3 on the season; 1-0 in district.

They will face Water Valley here Sat. at 2:00.

Tuesday Miles will be here for games at 6:30.

Personal

Margaret Martin of Bronte returned home Friday after visiting for a few days with her daughter, Dorothy Ruth Mitchell, and husband Dan of Houston.

Dan flew her to Kerrville on Tuesday of last week and she joined the members of the Texas Silver-Haired Legislature for a four-day meeting. The meeting was held at the M. O. Ranch located outside of Hunt, Texas.

Steers capture county championship

by Bill Burns

The Steers captured the "Coke County Championship" last Friday nite, but not without a battle. This game was not over until time ran out.

1st Quarter

Bronte received the ball at the 10 yard line and returned it to their own 25. Bronte quickly made 3 1st downs to the Steer 34 yard line, but the Steers forced a fumble and Ricky Wheat recovered for the Steers. RL made two 1st downs to the Bronte 44 yard line before punting to the Bronte 16 yard line. The Steer defense went to work forcing Bronte to punt the ball back to RL. The Steer drive started at the Steer 47 and three first downs later RL had six points on the board. With 1:18 left in the quarter Wink went over from the one yard line for the T.D. As the Quarter ended Bronte had the ball on their own 35 yard line.

2nd Quarter

The Steer defense stopped Bronte again and Bronte kicked to the 36. RL then fumbled at the Steer 42 with Bronte recovering. Bronte went to work and four 1st downs later Bronte had six points on the board. They went for the two points for the extras and made those. The score was RL 6 - B. 8, RL took the kickoff and started another scoring drive from their own 41 yard line. The drive included 5 first downs and featured Brasher carrying for 11 yards, McCowen running for 13 more yards, Wink ran for 28 yards and 10 of that for his second TD. Another important part of this drive was

the excellent blocking by the linemen. RL 12 - B. 8.

3rd Quarter

RL received the kick at the 10 and returned to the Steer 39. Bronte held and RL punted to Bronte 25. RL held and Bronte set up to punt, but RL got to the punter and tackled him at the Bronte 14 yard line. Two plays later Brasher scored from the 11 yard line. This was not a good night for extra points and the quarter ended RL 18 - B.8.

4th Quarter

Bronte, on their 1st possession went for 5 first downs and a touchdown. However, the extras failed and the score was RL 18 - B. 14. RL then had their turn with the ball and went for 4 first downs to the Bronte 14. Things were looking real good for RL. Time running out and RL had the ball on Bronte's 15, but RL ran out of downs and Bronte had

the ball and another chance to score. With a 1st at the 42 yard line they seemed to be on the way, but McCowen picked off a Bronte pass and RL ran the clock out. RL 18 - B.14.

Next game in Sterling City Friday, Oct. 6th.

Calendar sales

The Robert Lee Band Boosters are currently selling Community Calendars. This is an excellent opportunity to remind the public of club meetings for the year, or perhaps birthdays, anniversaries, etc. If you have not been contacted and wish to purchase a calendar, you may phone any of the following Band Booster Members: Mary Beth Drennan 453-2143, Barbara Jameson 453-2939, Sheila Carver 453-2074, Mimzi Horn 453-2186, Judy Shook 453-2743, Carolyn Hayes 453-4605, or Linda Burns 453-4305.

Deadline for ordering the calendars is October 1st. The project is a major fundraiser for the Band Boosters.

Only Band Booster members are selling the calendars. Band students are no longer taking orders, so if you are missed, call one of the Boosters above for calendars.

Degree received

A Robert Lee student at Angelo State University was among 209 students to receive degrees during summer commencement at the University.

Patricia Anne Ballew received a Master of Education Degree with a Major in Reading Specialist. She is a junior high teacher in the Robert Lee school system.

Fifth releases balloons

The 5th graders of Robert Lee have been studying the different states in Social Studies. Each child has been assigned a state on which he or she will do a report. As an addition to their studies, the members of the class, taught by Suzie Wilson, participated in a balloon lift-off. Each child wrote a letter asking for a response and attached it to the balloon.

Meagan Hill said, "I want my balloon to go to Washington, D.C." Kannan Millican hoped for a closer return. "I hope mine goes to Louisiana, and I want a letter back," she said. Rachel Shook was not as particular "I hope I just get a response from anywhere," she stated.

With a sideways grin and his hands on his hips, Jerrod

Copeland summarized his feelings on the subject by saying, "I think Mrs. Wilson's doing a great job to put up with twenty-seven kids and to let us do this balloon lift-off."

The fifth grade class includes: Soyla Barrera, Dona Bell, Sabrina Brock, Brandi Brosh, Cody Brotherton, Daryl Calder, Jerrod Copeland, Donny Edging, Chad Goodman, Laine Gregston, Meagan Hill, Cheryl Kapchinski, Bobby Longoria, Kannan Millican, Heather Nichols, Starsky Oleksuik, Michael Pentecost, Jerrod Pitcock, Corey Pitcock, Jennifer Scott, Lance Shandley, Rachel Shook, Jason Tavarez, Gilbert Torres, Shalon Waldrop, Fred Wojtek, Heather Ybarra, and Teacher: Suzie Wilson.

Jr. High opens season

Robert Lee Junior High opened its season last Thursday against a tough Bronte Junior High. The first game of the season for both teams contained a number of penalties and miscues, however, the level of play was relatively high.

After the first quarter of play the score was deadlocked at 0. Early in the second quarter Scot Millican went around left end for six points. The two point conversion failed. On Robert Lee's next possession Joe Blair connected with John Williams on a pass that covered forty-two yards. The two-point conversion by Millican around right end was good.

Bronte was forced to punt on their next possession as a result of a solid defensive play by Dean Burns. After punts by both teams, Robert Lee scored on a fifteen yard run. The two point conversion failed. The half ended with the score 20-0. Both teams were scoreless in the third quarter due to good defensive play. Robert Lee's last score came late in the game on a touchdown by Lee McCowen that

covered ten yards. Millican ended the night with 18 carries for 108 yards, Jason Benton had 8 carries for 50 yards, and McCowen had 25 yards on 4 carries. In the passing department, Blair was 4 of 8 for 50 percent. Our defense was led by Jason Benton, Dean Burns, and John Williams. Penalties and fumbles stopped early Bronte drives, and enabled our defense to rebound during the first half. The Dogies take next week off, but return to action at home against Sterling City Oct. 5.

MC golf winners

Recent action on the Mt. Creek Golf Course included the Wednesday evening, 9 hole, members only tourney on Sept. 20. Winning the event with a 31 were Gary Williams, Ron Ledbetter, and Dale Wojtek. Robert Mathers, Dean Jones, Rama Jones, and Mona Mathers took second place at 33. Third place went to Bill Rowoldt, Leigh Ann Stephens, and Don Hodge.

Cracker Barrel Restaurant and Adams Land and Realty were the sponsors for the ABC tournament on Sunday, Sept. 24.

Ron Ledbetter, Bill Kohutek, Jim Aden, and Donny Porter whipped the field with a 64 for first place. Don Elliott, Fabian Minjarez, and Jackie Walker shot 66 for 2nd. Third place was taken by Stevie Ebenstein, Bob Vaughan, and Adam Zapata.

Drinking mugs were given for closest to the pin contests. Winning the honors were Jim Alveson #9 and Donny Porter on #8.

Personal

Mr. & Mrs. Eugene Hollis returned home to Robert Lee Sept. 21 from Houston where he has been under medical care for an extended time.

First Ever Concho Valley Deer Hunters' Short-course

Deer hunting, the top avocation of many Texans during the fall and winter months will be the topic of discussion September 30th at a special deer hunter's shortcourse. Site for the event, dubbed the Concho Valley Deer Hunter's Shortcourse is Angelo State University's Management Instruction and Research Center located just off Hwy. 87 north of San Angelo.

Dale Rollins, San Angelo based Extension Wildlife

Specialist and coordinator of the event said the short-course will feature points of interest for the old pro or the aspiring nimrod.

"One of the highlights of the program will be Horace Gore, White-tailed Deer Program Leader for Texas Parks and Wildlife, sharing his forecasts for the upcoming season," said Rollins. "Others include Dr. Steve Demarias, wildlife researcher from Texas Tech University reporting on buck behavior during hunting season; and Bob Ramsey from Hunt, a legendary outdoorsman and deer "rattler"

providing tips on antler rattling and other means to call deer.

"Also included will be rules and regulations, tips on shooting with a camera, deer biology and venison processing."

Rollins added that a trade show will round out the course featuring commercial exhibits of everything from deer calling paraphernalia to hunting leases.

The shortcourse is being sponsored by the Extension Service, The Outdoorsman and Field and Stream Sporting Goods. A \$2.50 registration fee is being charged with the proceeds going to benefit the 4-H Field and Stream Program and the San Angelo Nature Center.

For further information, contact Dr. Dale Rollins, Extension Wildlife Specialist, 7887 North Hwy. 87, San Angelo, Tx 76901 (915) 653-4576.

Math wizard club slated

This year to provide incentive to students to learn the basic addition, subtraction, multiplication, and division facts a Math Wizard Club has been established at Bronte Elementary School. In order to become a member of this Club, a student has to be able to write their facts in a set number of minutes according to their grade level. Primary grades not learning facts will be using shapes, colors and counting skills. When students master the facts, they are presented with a Wizard Pin stating which area they have mastered. Each grade has a Wizard Banner in the hallway on which the student's name will be listed on mastery of the math facts.

Addition Wizards in First grade will know their facts to sums of nine. Second grade through Sixth will know their facts to sums of eighteen. Third grade through Sixth will have 2 minutes to solve 56 problems.

At the end of each six weeks, a class champion will be chosen and classrooms will compete between each other in a contest to see how many correct problems can be worked in each area.

This week the following Third Graders have mastered their addition facts, sums to 18: Brandy Denton, daughter of Mr. and Mrs. Kerwin Denton, Brian Woodward, son of

Wallace reunion additions told

In last week's article about the Wallace Reunion, two family members and two guests' names were inadvertently omitted. In addition to those listed in the write-up, others attending were Calvin and Mildred Wallace, Cecil Schooley, and Tommy Williams, all of Robert Lee.

Personal

Bill Brown of Robert Lee remained a patient in St. John's Hospital in San Angelo at presstime Wednesday after suffering a severe heart attack last week. Doctors are considering heart surgery for his condition.

Mr. and Mrs. Charles Woodward, Daiman Weaver, son of Mr. and Mrs. Robert Weaver, and Julie Martinez, daughter of Ms. Janie Martinez.

Singing Winds winners told

The Singing Winds golf course was the site for a 27 Hole Select Shot Tournament held on Saturday, September 3.

The winners were: **Championship Flight:** Corkey Collins and Steve Williams, 106, Barry Corley and J.W. Caudle, 107, Cecil Walston and John Akins, 111. **First Flight:** Wayne Adams and Clint Adams, 108, Scotty Belew and Donus Belew, 111, Vernon White and Fernando OrVananas, 112.

Second Flight: Gwen and Mack Baker, 114, Jay Scott and Richie Cravens, 116, Wade Stautzenberger and Richard Hembree, 118.

This was the last scheduled tournament. The club expressed its appreciation to the Lions Club for having the concession stand.

GA's introduce new teachers

The Bronte First Baptist Church held a G. A. Roundup Saturday, September 23. There were sixteen children and several mothers in attendance. They were served refreshments and viewed a film from G. A. Camp last summer.

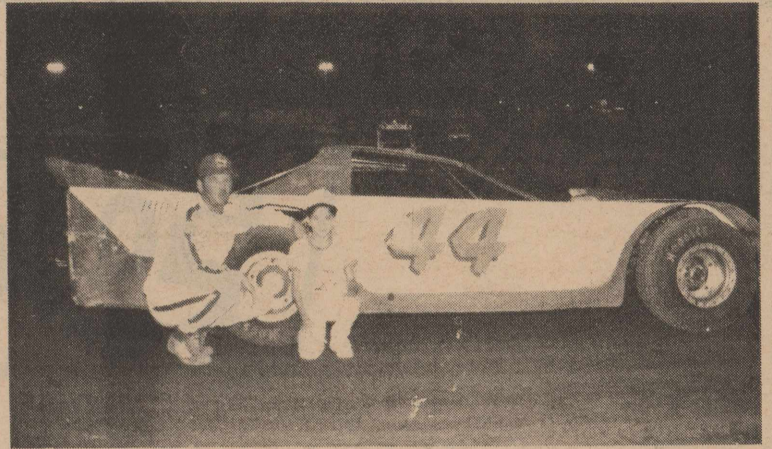

The new teachers were introduced. They are:

Pam Randazzo who will be teaching Mission Friends for boys and girls ages 4 and 5.

Donna Poehls will be teaching G. A.'s who are in the first and second grades.

Susan DeLaGarza and **Michelle Sanchez** will teach the girls who are in third and fourth grades and **Roenna Thomas** will teach the fifth and sixth grade girls. **Peggy Hembree** is the G. A. Director.

G. A.'s & Mission Friends will start Sunday, October 1. They will meet from 6-7 each Sunday evening in the First Baptist Church Fellowship Hall.

Harvey Wojtek and his son, Freddy, of Robert Lee pose in front of his #44 Late Model division race car. His whole family are avid supporters and fans.

Letter to the Editor

Sept. 17, 1989

Dear Editor,

I would like to brag on my brother, Harvey Wojtek. Harvey has been keeping himself, his family, plus Mom and Dad, quite busy on the weekends with his car racing.

Harvey began racing at 21 at Dead Cow. Next, he raced consistently at Angelo Speedway in both mini-stock and the Sprint car division until these tracks were closed down. He began this year in April competing in the Late Model Division at Amarillo, Dallas, Odessa, McAllen and Lubbock. Harvey has won numerous trophies, along with money for season championships and winning races. He completed this year at the West Texas Speedway in Lubbock in the top three of his division and was chosen "Driver of the Week" in September.

This has been an expen-

sive hobby Harvey has loved since I can remember. And believe me he's not the only one, brother Terry has won many races in his career. He recently retired from racing.

Terry, Harvey & I get this "love for racing" honestly, from our Mom and Dad - Sue and Dale Wojtek.

I would like to say "Hats off to you, Harvey" for a wonderful year of racing.

Carla Kristinek

Personal

Mr. & Mrs. Royce Lee of Bronte were in Ft. Worth over the weekend to attend a birthday party for their grandson, Barrett Lee. They also attended the christening of their newest grandson, John Preston Lee. The children's parents are Mr. & Mrs. Royce L. Lee of Ft. Worth. Also attending were Mr. & Mrs. Michael Hoch, Amy, Michelle, and Jessica of Garden City.

PUBLIC NOTICE

Pursuant to Procedural Rule 21.24 (c) (1) of the Public Utility Commission of Texas (PUCT), West Texas Utilities Company (WTU) herewith gives notice that it has requested a Certificate of Convenience and necessity from the PUCT for the construction of 4.75 miles of 69kV transmission line within Coke County of Texas. The proposed line route originates at West Texas Utilities' existing Cedar Hill Substation located 3/10 of a mile northeast of the intersection of FM 2059 and FM 2742 and proceeds northeast for 1.3 miles, crossing the Colorado River. The line route then proceeds east for 1.3 miles, and turns northeast for 1.6 miles, traversing rural pastureland within the Jameson Oil Field. The line route then turns north for 1/2 of a mile, paralleling a county road, and then terminates at West Texas Utilities' existing Silver Substation located 1.3 miles south of the Community of Silver. The estimated cost of this project is \$273,962.

Persons who wish to intervene in the proceeding or comment upon action sought, should contact the Public Utility Commission of Texas at 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or call the Public Utility Commission Public Information Division at (512) 459-0223, or (512) 458-0227 or (512) 458-0221 for teletypewriter for the deaf within 15 days of this notice.

Coffee fetes Susan Hartman

Susan Hartman, bride-elect of Waid Davis, was honored with a coffee on Saturday morning, Sept. 23, in the home of Bobbie Allen in Robert Lee. Hostesses for the occasion were Alene Key, Sarah Green, Linda Carol Deere, Dolores McCabe, Evelyn Flanagan, Gay Sawyer, Cynthia Metcalf, Kei Antilley, Debbie Wilkes, Pansy Bloodworth, Addie Jeffries, Rita Munoz, Winnie Pitcock, Carolyn Davis, Kay Lackey, Carolyn Long, D'Ann Eubanks, Dolores Roe, Carolyn Simpson, Margaret Epperson, Wanda Smith, and Bobbie Allen.

Special guests at the coffee were Mrs. Peggy Davis, mother of the prospective groom, and his sister, Sherill Black of Arlington. The bride-elect's chosen colors of peach and blue were carried out in appointments. A fresh fruit tree highlighted the serving table. Fresh fruit, brunch foods, cookies, coffee, and punch were served to a large number of guests.

Notify SS of address change

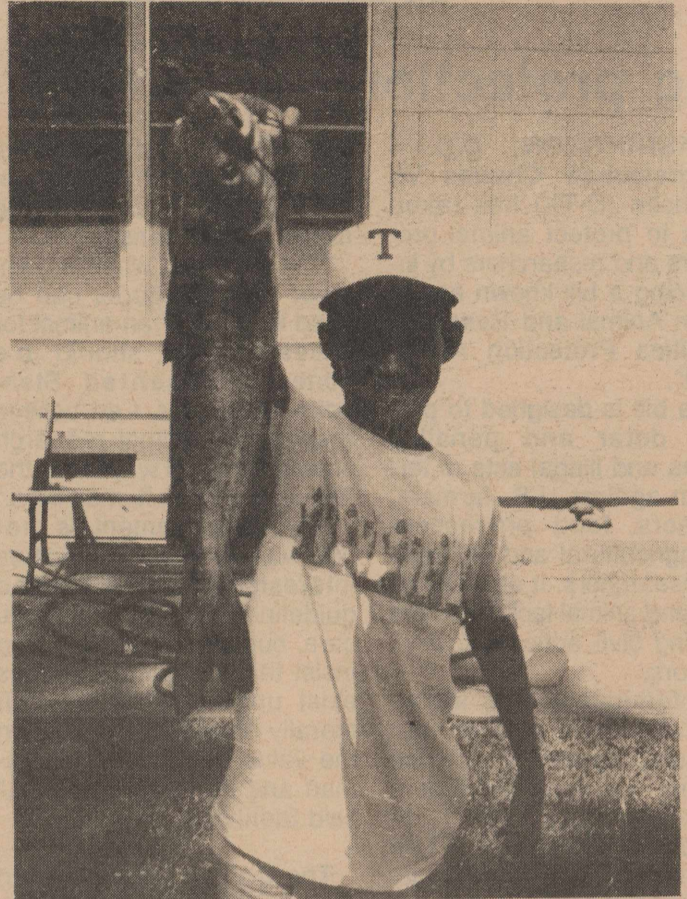

People who receive Social Security or Supplemental Security Income (SSI) payments very often forget to notify Social Security when they move or change address, particularly if they have direct deposit. Failure to notify Social Security of a change of address is one of the most frequent causes of failure to receive the monthly payment. One reason for this appears to be the fact that many people assume it is enough to notify the post office when they change their address. However, the post office only forwards the mail to the new address for a short period of time. Then, it automatically sends back any mail that is not properly addressed.

Many people have their checks sent directly to their accounts in a bank or other financial institution. Direct deposit makes it unnecessary to wait in line to cash their check and may avoid the risk of theft or loss.

However, Social Security also sends out important information to beneficiaries that may affect their benefits. If Social Security does not have your current address, the beneficiary may not receive important information that could result in their payment being reduced or stopped without first receiving prior notice.

SSI recipients may have additional problems if they do not report their new address. Their living arrangements are part of the basis on which their payments are granted. Failure to report a change in living arrangements could result in an overpayment -- receiving benefits to which they are not eligible or even an extra payment. The law requires overpayments to be paid.

A change in address may be reported by telephone, mail, or by visiting any Social Security office.

daughter of Mr. and Mrs. Jimmy D. Stitt of Rural Route 2, Dover, Oklahoma.

The airman is a 1984 graduate of Blackwell High School.

Drug stamps explained

Sept. 21, 1989

Dear Editor:

They say there's always two percent who don't get the word.

That's certainly been the case on the new drug stamps. Obviously we failed to get the message across, so let us try again:

1. The drug tax stamp was not the Comptroller's idea. It is a new law passed by the Legislature. We are simply administering it just as we do all other laws they hand us.

BUT, that is not as important as...

2. Of course, nobody expects criminal drug dealers to actually come in and buy the stamps. That's really not the point.

The point is that when a dealer is busted, his failure to have these stamps makes it quicker, easier and legally sound for lawmen TO IMMEDIATELY SEIZE EVERY PIECE OF PROPERTY THEY CAN GET THEIR HANDS ON.

That's the point: GIVE LAWMEN A TOOL TO SEIZE DRUG DEALERS' PROPERTY their cars, their homes, their radios, their cash, their bank accounts, their storefront business...you name it.

This is not a great deal different than the perjury law. Of course a criminal isn't going to tell the truth. Of course a criminal isn't going to incriminate himself.

So what do you do when he lies? You hit him with the perjury law - a law against lying.

The drug stamp law has been called the Al Capone law. That's because Big Al was never convicted of running a protection racket. He was never convicted of promoting prostitution. BUT HE WAS CONVICTED AND SENT TO THE PEN FOR EVADING TAXES.

I'm sorry we obviously didn't get this message across in our original announcements about how we would administer this new law. If you have any questions, please don't hesitate to call us at 1-800-531-5441. The call is on our nickel.

Sincerely,
Tony Proffitt

Ag protection introduced

WASHINGTON, D.C. -- Congressman Charles W. Stenholm (D-TX) has taken steps to protect animal producers and researchers by introducing a bill known as the "Farm Animal and Research Facilities Protection Act of 1990".

The bill is designed to prevent, deter and penalize crimes and illegal acts of terrorism against U.S. farmers, ranchers, food processors and agricultural and biomedical researchers. It also allows farm and animal facility owners to bring civil actions against violators.

"Unfortunately, it is apparent that current laws are not discouraging acts of violence against our food producers and researchers," said Congressman Stenholm. "The true victims of these illegal acts of terrorism are not just the owners targeted for attack, but all members of society who rely on producers for food and on researchers for vital medical breakthroughs."

Stenholm pointed out that polio, drug addiction, cystic fibrosis, cancer and Alzheimer's treatments, as well as surgical techniques,

pacemakers and many vaccines and antibiotics are dependent on research using higher animal forms.

"I believe that when a computer or cell cultures can be used in place of an animal for research this should be done," commented Stenholm. "However, I do believe responsible animal research should be used when it is the only way to save human lives."

"My disagreement is not with animal rights advocates interested in established guidelines for proper animal care, but with extremists who insist that no circumstances exist under which we can morally differentiate between the value of the life of a human and that of an animal," said Stenholm.

The Congressman pointed out that the acts of terrorism that have occurred around the country, including Texas Tech University in Lubbock, are hindering medical research and putting lives in jeopardy as people await medical breakthroughs to help them "beat the odds" while fighting disabling and terminal diseases.

Mammogram tests urged

During October, National Breast Cancer Awareness Month, the Cancer Information Services (CIS) of The University of Texas M. D. Anderson Cancer Center urges all women age 40 and older to have regular mammograms to detect breast cancer early, when it is most treatable.

Emily T. Parnell, manager of the CIS, says information specialists staffing the 1-800-4-CANCER number are prepared to answer questions about early detection of breast cancer and send callers a free brochure on mammography. Mammography, an x-ray of the breast, can detect breast cancer in its earliest stages.

"One in 10 American women will develop breast cancer," Parnell says. "Mammograms can improve

Hwy construction

D. I. J. Construction, Inc., of Bertram, has begun work placing raised reflective pavement markings and traffic buttons on highways which were seal coated this summer, according to Joe Lane, P.E., Supervising Resident Engineer for the State Department of Highways and Public Transportation.

The contractor expects to complete the work in the fifteen counties of District 7 by the first of December. The work will generally move down the highway at a slow but steady pace.

Motorists, upon approaching the work area, should slow down, watch for equipment, and follow any directional signs. The pavement markings will provide safety to the travelling public on the highways of Texas. In Coke County these areas include two areas on US 277 and one on SH208.

their chances of survival by finding the cancer before it can be felt."

Dr. Eva Singletary, assistant professor of general surgery at the UT M. D. Anderson Cancer Center, say 11 major medical organizations, including the National Cancer Institute, agree that women should have a mammogram every one to two years and an annual clinical breast exam beginning at age 40. At age 50, both exams should be done annually.
