Residents show "colors" to support military

Not since the early 1940s, during World War II, has the United States seen such open displays of patriotism and support for military personnel engaged in war efforts. Flag makers across the nation have been working day and night since the Desert Storm operation began January 16 and are hard pressed to turn out enough for the public. Dixie Flag Manufacturing Company in San Antonio said this week, mills cannot even begin to make enough red, white, and blue cloth to meet demands.

Yellow ribbons, the symbol for 200 years of faithful waiting

for the return home of loved ones, are visible everywhere.

Advertising signs proclaim support, along with prayer vigils, and patriotic rallies of every description. Troops have been plied with cards, letters, packages, and scrolls of messages erected in public places.

On the local level, flags and ribbons are much in evidence, post offices in the county have sponsored messages on lengths of paper and sent to the Middle East, the Observer/Enterprise has carried a list since Thanksgiving of county military in the Persian Gulf, ad signs are devoted to

support, and many wear various types of pins, ribbons, and slogans.

Most of us want to exhibit every show of appreciation and concern we can for those who, ultimately, are defending our freedom. Many of us are realizing for the first time what it is like to deal with loved ones in danger of their lives and the stress and agony involved with all-out war. With hindsight, the nation can now look back and see how we failed the participants of other conflicts.

Let us work as individuals and Americans to show our "colors" until our military are safe at home.

Pictured above are Rhonda Hood (l) and Judy Blair of the Flower Sak in Robert Lee. The red, white, and blue ribbons with the yellow rosette are being given out to area citizens in remembrance of our military people in the Persian Gulf. Butch Davis, of Davis Grocery and Gas, contributed to the cost of the materials and the ladies at the Flower Sak contributed their knowledge and labor in producing them.

WCCCD plans activities

Highlight of the West Coke County Community Development monthly meeting Monday evening, February 4, was a fascinating program by Gary Levine, a partner and manager of the North American Ostrich Breeders farm at Tenyson. Expansion of the farm is now underway. Several Coke County residents are employed there and Levine expects other ostrich companies to migrate to the area due to what he says are ideally-suited conditions for the birds.

President Beverly Burdett asked for committee reports which touched on upcoming events and projects.

The Valentine Dance fundraiser for the organization is set for Saturday, February

9. Tim Dacus, a Hermleigh disc jockey will provide the music. Volunteers were secured to help with decorating, setting up of tables and chairs, and providing snacks.

WCCCD has plans to set new barbecue pits at the county park utilizing donated tanks by Clendennen, Inc. and volunteer welders. More on the project will be announced later.

The business directory is forthcoming and is under the direction of Bill Helwig, Burdett, and Debbie Smith.

Treasurer D'Ann Eubanks gave the monthly report and advised the bank balance totals \$1,240.59.

The meeting was adjourned until the next appointed time, the first Monday of March.

The patriotic sign above is located at Davis Grocery and Gas in Robert Lee.

Payne places first in class at Ft. Worth

Blake Payne of the Robert Lee 4-H Club placed 1st in his Rambouillet Jr. Breed Sheep class at the 95th annual Southwestern Exposition and Livestock Show held at the Will Rogers Complex in Ft. Worth, Texas.

Blake was among more than 6,000 entries in the Stock Show's Junior Division. These Texas young people are competing for almost \$60,000 in premiums in classes for heifers, steers, breeding sheep and lambs, barrows, dairy and wether goats.

TAB says make TEXAS FIRST!

Texas business leaders have been challenged by Texas Association of Business (TAB) to make TEXAS FIRST by helping develop good public policy for the state.

The challenge came from TAB State Chairman Paul Kerr, President of American Desk Manufacturing Company in Temple, who said greater participation by business leaders is needed to develop good public policy required to make TEXAS FIRST in business climate and its ability to compete for new jobs.

Kerr's comments were made as he and other association officers symbolically opened the door to a new TAB headquarters building, three blocks from the Capitol. During the dedication ceremonies held on Wednesday, Kerr said the 68-year-old association is inviting every business leader who is concerned about the future to join TAB's efforts to address public policy issues. "Our door is open to every business owner and manager in Texas," Kerr declared.

Joining Kerr in the dedication ceremonies was Lt. Governor Bob Bullock, who said the new building symbolizes change, and that TAB has always been willing to change to keep up with the times. He said that state government has not done the same in the past. "I question whether over the same number of years if your state government has changed as much, and I fear it hasn't. But I am convinced that it must be because unless state government changes, and changes drastically, it will become a dead weight on all other changes for the good going on in Texas," Lt. Gov. Bullock stated.

Noting his working relationship with the Texas Association of Business over many years, Lt. Gov. Bullock added that "members of TAB do not conduct business-as-usual in times of change, and government must not either. That's why I have called for changes in how we put together the budget."

Kerr invited business leaders who are interested in joining the statewide business and industry group's TEXAS FIRST campaign to visit the headquarters at 1209 Nueces St., Austin, or call TAB President Dane Harris at 512/477-6721.

Regional confab attended

February 1 and 2, twenty members of the Robert Lee chapter of the Future Homemakers of America attended the Region II Leadership Conference. The theme for the year's conference was "Yippe YiYo - Success Is Yours Through FHA-HERO."

Sean Barrett, member of the stage decorating team, worked with other members of the crew to create a beautiful background for the conference. Carlene Bewick and Wendy Lamar were selected as members of the regional team to represent their region at the state convention.

The conference began with Brandy Hayes, 1990-91 regional president, calling the meeting to order. Harvey Saucedo then sang the National Anthem for the group of approximately 1,000 FHA/HERO members and friends. Each member attended exciting teen work-

shops which the officers had planned. Brandy presided over the meeting as well as a workshop which dealt with eating disorders. She was also elected as a state officer for 1991-92. On April 12, she will attend the state conference to be appointed to a specific office. While each member was busy attending workshops, the sponsors attended a workshop that our sponsor, Sheri Millican, presided over and helped present. The conference was a great success and each member that attended will have memories that will stay with them throughout his life.

Gartman named all-state

Ken Gartman, a senior at Snyder High School and son of Dennis and Linda Gartman, recently was named to the fourth consecutive year. Audition and judging for the All-State positions were held January 5 in Midland. He reached the level through competing with 4A and 5A school programs. His choir director, Bill Lyon, has him in choir and music theory classes and Ken credits Lyon with his measure of success. Lyon said he had taught for a long time and had never had a student take all-state honors for four consecutive years. In 1990, out of 256 all-staters, only 2 were there for the 4th time.

He is first tenor in the school choir and sings and enjoys all music, especially contemporary. A piano and music student since 3rd grade, Ken's natural talent is enhanced by hard work and determination. He practices both at school and at home. In addition to his own Baptist Church activities, he plays the organ for St. Elizabeth Catholic Church. Next on his agenda is the All-State Concert beginning February 7 in San Antonio when he will sing with 255 other state winners.

Aside from his music, Ken is active in a number of student activities. He has served on the Student Council and Classmates In Action (for a drug-free school), is a member of the National Honor Society, participates in the UIL contests, and plays tennis.

The versatile young man hopes to attend Baylor University in Waco as a music major following his graduation this spring from Snyder High

School. His long-range plans lie with singing opera and perhaps teaching music.

Ken is the grandson of Mr. and Mrs. Douglas Gartman of Robert Lee and the great-grandson of Mr. and Mrs. L. E. Wink, also of Robert Lee.

Angelo scouts camp on Spence

The San Angelo Girl Scout Troop #20 camped out at Wildcat on Lake Spence last weekend. The 5th and 6th grade girls had planned to earn their badges for Troop Camping, Cooking, Outdoor Surroundings, and Outdoor Fun. However, they unexpectedly earned another special award. Our unpredictable West Texas temperatures dropped to 22 degrees, rather than the mid-30's that had been forecasted. The girls all earned a "Polar Bear" patch for sleeping in temperatures below 32 degrees on Friday night.

On Saturday afternoon, the troop leaders contacted Rev. Kary Wilshusen at Robert Lee's First United Methodist Church. Kary and several church members extended a helping hand in offering the church basement for the second night of the troop "camp out".

The girls headed back to the lake bright and early Sunday morning to complete their weekend outing. Under the supervision of their adult leaders- Cheryl Gambal, Cheryl and Ron Coleman, and Rick and Lawanda Gust, they set out bird feeders, cleaned up around the lake and their campsite, and left Spence a little better place for their having been there!

The Texas Agricultural Extension Service urges families to recognize the annual Child Passenger Safety Awareness Week from February 10-16, 1991.

The theme, "Buckle Up for Love!" is designed to encourage parents and others to protect their children in child safety seats and safety belts by using them correctly. The goal of 1991's awareness week is to urge correct use of these protection devices. "When used correctly," Yanez said, "child safety seats are extremely reliable in preventing deaths and injuries to young passengers."

Motor vehicle crashes are the number one killer andcrippler of children. Correct use of child safety seats and belts is 71% effective in preventing death and 67% effective in preventing serious injuries to children four and under.

McPherson named to Dean's List

Christi McPherson, a 1990 graduate of Bronte High School, was named to the Dean's List of honor students. She is a freshman at Angelo State University majoring in pre-medicine. She attends the university on an academic scholarship.

In 1989, highway crashes killed 723 child passengers under the age of five. Parents can help reduce the number of deaths caused by such crashes by buckling in their loved ones every time they drive. Child restraint systems saved 238 lives in 1989 and 1,324 children since 1982.

All 50 states and the District of Columbia have laws requiring infants and young children to be placed in safety seats and secured with safety belts.

The Texas Agricultural Ex-

tension Service joins law enforcement agencies and citizens' groups throughout the nation in recognizing February 10-16 as Child Passenger Safety Awareness Week, a time for everyone to get into the habit of correctly using child safety seats and safety belts.

For more information about Child Passenger Safety, contact Jan Yanez, County Extension Agent at the County Extension Office.

BRONTE SCHOOL NEWS

Horns win 7th straight district title

With a perfect 7-0 district record and a 20-3 season record, the state-ranked Bronte Longhorns have won the District Championship for the seventh time in as many seasons. This is also the seventh straight year they have won 20 games in a season.

The sleet and cold temperatures did not cool the Horns off as they romped to another victory over Sterling City, 81-38 last Tuesday evening, January 29.

Justin Phillips led the Horns' stampede with a big 32 points, 12 rebounds, and 8 assists. Sean Conway laid in 14 points and had 5 rebounds; Bill Windham scored 7 points, had 7 rebounds and 12 assists; Jason Pierce 4 points and 3 steals; Brandon Marshall 3 points and 5 as-

sists; Billy Magness 6 points; Darrell Lucas 5 points; Shayne Crumpler 2 points; and Luke Robbins 8 points and 4 assists.

Friday evening, February 1, the team travelled to Garden City to take another victory, 66-40.

Conway took top scoring honors with 26 points and 7 rebounds. Winham added 12 points, 5 rebounds and 8 assists. Pierce contributed 10 points, 5 rebounds, and 3 steals. Phillips was right behind with 8 points, 14 rebounds, 12 assists, and 3 steals. Marshall had 6 points and 5 steals; Magness 2 points; and Crumpler 2 points.

The Lady Longhorns both won and lost last week. Sterling City defeated the Ladies 43-38 last Tuesday, January 29, and the Lady Horns defeated Garden City, 61-40, last Friday, February 1. The Bronte Ladies have a district record of 5-2 and a season record of 16-7.

In the Sterling City game, Eboni Taylor led the way with 11 points and 6 rebounds, Jami Morrow 9 points, Darla Scott 8 points, Teresa Vaughn 6 points, and Amie

Parker and Angela Davis had 2 points each.

In the Garden City game, Jami Morrow had 15 points and 6 assists, Darla Scott 14 points and 10 rebounds, Angela Davis 12 points, Teresa Vaughn 6 points and 5 steals, Eboni Taylor 6 points, Amie Parker 6 points, and Alisa Richards 2 points.

The Lady Horns will advance to the first round of the playoffs after defeating the Robert Lee Lady Steers 72-46 Tuesday evening. They are the runner-up team in their district.

The Longhorn Junior Varsity team took two victories last week by defeating Sterling City, 47-42, and Garden City, 39-32.

In game one against Sterling City, Gary Bilbrey was leading scorer with 27 points, followed by Nathan Barnett 6 points; Justin Stensby 5 points; Brian Hall 3 points; Jason Cooper 2 points; Jay Parker 2 points; and Jacob Golson 2 points.

The Garden City game saw Bilbrey again top scorer with 15 points; Parker 11; Cooper 7; Golson 4; and Stensby 2.

The JV record now stands at 10-4.

Youth named as finalists

Misty Golson and Lee Sonnenberg, seniors at Bronte High School, are among 1000 finalists in The Jostens Foundation Leader Scholarship Program for 1990-91.

They are two of more than 38,000 high school students throughout the United States who applied for one of Jostens' \$1,000 scholarships made annually to 300 students. Scholarship winners will be announced in late April. "The students selected as scholarship finalists are the leaders of tomorrow," said Ellis F. Bullock, executive director of The Jostens Foundation. "They stand apart not only because of their superior academic achievements but because they've taken leadership roles in bettering their communities."

Selection of the finalists and winners is based on outstanding achievements in school and community activities, leadership experience and academic excellence.

Jostens' Leader Scholarship Program, which is ad-

ministered by the Citizens' Scholarship Foundation of America, St. Peter, Minnesota, has awarded \$2.3 million in scholarships since the program's inception in 1977. The program has grown to include the United States, its territories and American schools overseas, and Canada as well.

Funds for The Jostens Foundation are provided annually by Jostens Inc., a leading provider of products and services for youth, education, sports award and recognition markets.

Luncheon honors students

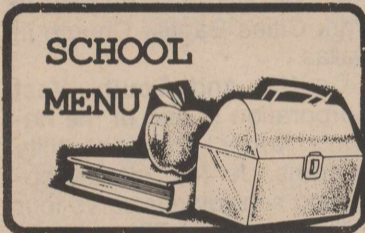

The Bronte Elementary students on the 3rd Six Week's "A" honor roll and Mrs. Virginia Lasswell, the Speaker at the Luncheon given in their honor are pictured above. The students include (l-r, bottom row) Rod Harrell, Mica Carper, Brandy Denton, and Brittany Barrett, (l-r, top row) Mrs. Virginia Lasswell, speaker, Bonnie DeLaughter, Angie Shults, and Amye Peel.

Bronte Elementary students recently honored for making the "A" honor roll for the 3rd Six Weeks include Rod Harrell, Mica Carper, Brandy Denton, Brittany Barrett, Bonnie DeLaughter, Angie Shults, and Amye Peel.

These students were treated to a most delicious meal prepared by the Homemaking I class. Then Mrs. Virginia Lasswell presented an outstanding talk to the honorees.

She challenged them to think about five ideas to help them improve themselves, thus improving their school year. These five ideas were appreciation, enthusiasm, happiness, smiles, and perseverance. She finished by saying, "If you can learn to show your appreciation, develop enthusiasm for your work, learn how to create happiness within yourself and for others, practice smiling a lot, and practice perseverance, or the ability to keep on trying when at first you fail, this time next year you will have grown and will be much happier." She challenged them to try it and see.

HLS schedule announced

George Strait returns for his 10th and 11th performances to open the 1991 Houston Livestock Show and Rodeo Sunday, February 17, 4 pm, and Monday, February 18, 7:45 pm. The week continues with 7:45 performances nightly: Alabama, Tuesday, February 19; K. T. Oslin and Travis Tritt, Wednesday, February 20; Garth Brooks, Thursday, February 21; and The Judds, Friday, February 22. The weekend is filled with variety: Kathy Mattea and Vince Gill, Saturday, February 23, 11 am; Charley Pride, Saturday, February 23, 7:45 pm; Mazz and Little Joe y La Familia, Sunday, February 24, 1 pm; and Bill Cosby, Sunday, February 24, 7:45 pm.

Clint Black opens a second star-studded week at 7:45 pm, Monday, February 25. Tuesday night, February 26, at 7:45, legendary performer Roger Miller hosts a phenomenal group of country's fastest rising new stars, featuring Carlene Carter, Mark Chesnutt, Shenandoah, Marty Stuart and Doug Stone. The fast-paced weeks continues with performances at 7:45 each night: Steve Wariner and Lorrie Morgan, Wednesday, February 27; Frankie Beverly and Maze, and the Isley Brothers with Angela Winbush, Thursday, February 28; and, Ricky Van Shelton, Friday, March 1. The final weekend brings another great mixture to the Astrodome: Stevie B and C&C Music Factory, Saturday, March 2, 11 am; the Oak Ridge Boys and Larry Gatlin and the Gatlin Brothers, Saturday, March 2, 7:45 pm; and, Reba McEntire, Sunday, March 3, 4 pm.

Corporate sponsors once again play a big part in keeping ticket prices low for the public, starting off with the fifth-year team of Bud Light and Channel Two sponsoring the first George Strait performance, February 17. Another returning team of sponsors is Miller Lite and Channel 11, sponsoring a star for their fifth and fourth years, respectively. This year, it's the February 25 performance, featuring Clint Black. Returning for their third year is Chevy Chase, who will be sponsoring the February 21 Garth Brooks performance. Also returning for a third year is SNICKERS Brand, partnered with first-time corporate star sponsor, the Houston Chronicle. They'll be behind the final Sunday performance of Reba McEntire, March 3. The Texas Gulf Coast GMC Truck Team comes back for a second year as a corporate sponsor, supporting the Judds performance, February 22.

Dick Graves, Show president, noted that all early indicators lead Show officials to expect a great year. "We've got the biggest star line-up in our history, we've kept ticket prices low and we're helping young people all over Texas. That's a real winning combination!" he said.

Ticket prices remain at \$5, \$10, and \$12, depending on seat location. Tickets are available at all Rainbow Ticketmaster and Ticketron locations, including the Astrodome box office.

The 1991 Houston Livestock Show and Rodeo opens with horse show competition Thursday, February 14 and other livestock competition and Go Texan activities begin Saturday, February 16. All events conclude March 3.

Snuff is unsafe as alternative

Snuff is not a safe alternative to smoking. Smokeless tobacco contains 10 times the amount of nitrosamines, the same cancer-causing substance found in cigarettes. This is more than 100 times higher than the FDA permits in other products.

According to the American Cancer Society, cancer of the mouth will afflict some 31,000 Americans and kill 8,650 (including 475 Texans). In the United States, less than half the patients with oral cancer are cured.

Doris Scales, RN, of Methodist Hospital's Hodges Cancer Center said, "Early detection and prevention play a key role in protecting yourself against oral cancer. It's up to you to keep an eye on your mouth, be alert to the warning signals and have annual oral exams by your dentist or physician."

The American Cancer Society provides the following list of warning signals of oral cancer:

- A swelling, lump or growth anywhere that does not heal.
- White or red patches inside the mouth.
- Loose teeth for no apparent reason.
- Earache, swelling, facial pain or persistent sore throat.
- Difficulty in swallowing or difficulty in opening your mouth.
- A nagging cough or persistent hoarseness.
- Unusual oral bleeding or a bloody nasal discharge.
- Numbness or tingling in your lips or tongue.

If you notice any of the warning signals, see your dentist or physician promptly.

1988. A mother of two, she and her husband reside in College Station.

Dr. Bielamowicz has extensive experience in the field of nutrition having served as the therapeutic dietician for the Wesley Memorial Hospital in Chicago, for the Veteran's Administration Hospital in Big Spring, and as a research associate for the Texas Agriculture Experiment Station's Consumer Research Center. Young Women of America in 1970. In addition, her research interests have included areas related to the cholesterol and fatty acid content of meat, muscle, and fat.

WTU request to be filed

West Texas Utilities Company will file a request early next week with the Public Utility Commission to reconcile historical fuel costs and increase our fixed fuel factors to reflect expected increases in the cost of fuel.

The new factors are not expected to affect customers' bills until later this year or early in 1992. The actual date will be determined by the time it takes to complete the regulatory process.

Rodger B. Wilkins, Robert Lee's WTU manager, and Paul Sublett, Bronte's WTU manager, said the new factors will increase the average residential customers' bill by \$1.44 a month, or 2.5%, based on consumption of 660 kilowatt-hours per month.

"Our cost to residential customers is essentially divided into two major parts, the base rate and the fuel factor," said the managers. Fuel factors make up about 40% of the total cost to customers.

The company is requesting the increase now primarily for three reasons. First, it has under-recovered retail fuel and purchased power costs through December 1990 by \$3,050,015.

Second, the PUC has recently expressed the opinion

**SA Seniors slate
Valentine Dance**

Area seniors who've only dreamed of an "Evening in Paris" can experience the next best thing when they attend the Seniors Valentine dance of the same name at the San Angelo Convention Center, Tuesday, February 12th from 7:00 - 10:00 p.m.. Tickets are four dollars and should be purchased in advance at the Central Recreation Center located at 200 S. Magdalen.

Costumed characters from Napoleon to Parisean can-can dancers will greet Seniors as they arrive at the dance. A twenty foot replica of the Eiffel Tower will catch their eyes as they move into the hall. In addition to recreating the Eiffel Tower, Recreation Department staff and volunteers have also recreated the Left Bank District complete with a sidewalk cafe selling fresh pastries, roving artists drawing caricatures of guests, the Moulin Rouge and a Parisean theatre showing the French film classic, "GIGI."

A ten piece orchestra under the direction of Gene C. Smith will be playing the hits of the 1920's, 1930's, and 1940's beneath a replica of the famous Arc de Triomphe.

Seniors wishing to experience an "Evening in Paris" without ever leaving West Texas should get their tickets now at Central Recreation Center. For more information on the dance call 657-4490.

Our Aggie Medical Dictionary defines serology as the study of English knighthood.

that fuel costs should be reconciled at least every three years through either a rate case or a fuel reconciliation case such as we are filing. WTU's fuel costs were last reconciled in a rate case which covered a period ending with March 31, 1987, almost four years ago.

Third, while WTU may be over-recovering during some of this year (partly as a result of renegotiated terms in a major gas contract), they expect that will change to some extent during 1992. In other words, by the time a decision is reached in Austin the company expect the new fuel factors will be necessary.

The company is not asking to collect its present under-recovery balance at this time. Instead it is asking to update the balance just prior to conclusion of the case and make a refund or surcharge over a twelve month period if that is warranted.

During the upcoming proceeding, the company will present information on all fuel and purchased power costs since April 1987 to demonstrate that it has generated electricity efficiently, used effective cost controls, and negotiated fuel-related contracts in a manner that produced the lowest reasonable costs for customers.

The company's cost control efforts include construction of a gas pipeline to the Fort Phantom power station near Abilene to provide access to more suppliers, renegotiation of supply and transportation contracts for gas and coal and improvements in the efficiency of some plants so that they burn less fuel to make electricity.

Legal notices of this filing will be published in newspapers of general circulation in WTU's service area. In addition, customers will receive individual notice by post card according to requirements of the commission.

**Gospel Singing
well attended**

Approximately fifty people attended the Gospel Singing at the Bronte Central Baptist Church Fellowship Hall Sunday evening. The communities of Blackwell, Miles, San Angelo, Robert Lee, and Bronte were represented.

The meeting opened with prayer and singing "I'll Fly Away" led by Johnnie Eubanks.

Pianists were Pearl Mae Andrews and Mary Patterson. Organist was Mary Belle Hilliard.

Other music specials included harmonicas with Irene Phillips playing the guitar.

Spirits were lifted through all the gospel songs and specials that were sung, also the testimony of Mr. Anderson from San Angelo.

Edwin Forehand led the closing prayer, remembering our troops in Saudi Arabia.

A time of fellowship was enjoyed by all and the refreshments were served.

March 3rd will be the next Gospel Singing - same place - same time.

Let's remember our servicemen...

If you have a son or daughter or a husband or wife from Coke County stationed in Saudi Arabia or on board a ship somewhere in the Persian Gulf, the Observer/Enterprise would like to print their name and mailing address so that our readers can send letters and cards of encouragement during the time they are stationed so far away from home.

Martin phones home from gulf

Margaret Martin, grandmother of Eric Martin, was elated to hear that her son, Gary of Waxahachie, had received a phone call last Saturday morning from Eric.

Eric is serving in Saudi Arabia with the First Cavalry. This call was the first correspondence of any kind the family has had in 45 days.

Eric reports he is fine and hoping to come home soon. He was proud to get to make the phone call and to get a Coke!
