## Lodge-depot-gazebo dedications slated

June 1st is the date set for three events in the area of the old Santa Fe Depot in Bronte beginning at 10 am.

Bronte Masonic Lodge #962 AF&AM will meet at 10 am in the Lodge Hall for local and visiting Masons for the dedication of the Lodge Building. The Grand Master of the Grand Lodge of Texas, Fred Allen, will conduct the ceremony of Dedication assisted by other Grand officers and members of the local lodge. Area Masons are invited guests.

Following the Lodge Build-

ing Dedication, a short program will be presented and the Historical Marker in front of the Depot will be unveiled. The Marker is in the form of a Texas Historical Landmark Designation, the highest Historical designation with exception of National Designation.

A Flag that has flown over our Nation's Capitol has been provided by Congressman Charles Stenholm will be presented.

Also, a Texas Flag that has flown over our own State Capitol will be presented by

State Representative Rob Junell.

After the unveiling, the group will retire immediately to the "Capitol Gazebo" for a Dedication ceremony of the gazebo to the City of Bronte with the presentation being made by State Representative Rob Junell to J. T. Henry, Mayor of Bronte.

Bronte learned from Senator Bill Sims February 26, 1991 that they would receive the gazebo instead of it being awarded to a group from San Antonio. Discussion regarding the awarding of the gazebo has been going on since 1989.

The gazebo was dismantled in Austin by a local group of six men and transported to Bronte. It arrived March 28.

Pictured above while it still stood on the Capitol grounds is the gazebo which will be dedicated in Bronte Saturday, June 1.

## Rabbit Twister Festival

Bronte and Robert Lee students will provide rhythm and music.

Kids and adults of all ages will enjoy the entertainment, exhibits, and activities throughout the afternoon. These include washer pitching, candlemaking, square dancing, good music, and much more! You can wind the day up by attending the evening fish fry followed by the fifteenth production of Ole Coke County, Home of the "Rabbit Twister."

Ray Broadus hands Bruce Sonnenberg the keys to a new 1991 Collins-Ford Ambulance. Other attendants pictured are Marilyn Bivins, Janet Hurley, Jackie Corley, Brenda Barnett, Fran Sonnenberg, and Sherry Coalson. The new ambulance is replacing the 1981 Ford ambulance, and the ambulance was paid for by donations and charges. The new ambulance is now in service.

## GC youth tour Bronte historical sites

The Quest Gifted & Talented 5th and 6th grade students from Garden City Elementary School enjoyed a Field Trip to points of interest in the Bronte area.

First was a trip to Fort Chadbourne where Garland Richards was tour guide to the old fort buildings, Indian burial grounds, and a cave used by the Indians in the days of their occupation of the territory. They also were guests in the home of Garland and Angie Richards on the Chadbourne Ranch where they viewed the Richards' Indian artifact collection.

At the cave, the group was intrigued by all the various pictographs etched in the rock by the early day Indians.

The writings are prehistoric called Ogam Characters according to archeological research made for many years. These writings have been found in the West Indies dating around 800 BC.

Other Ogam writings have been found in Europe and in the New England states and other places in America.

Later in the afternoon, the group toured the old, recently renovated, Santa Fe Depot. It is a designated Texas Landmark and now the Bronte Masonic Lodge Hall.

They saw the Historical Marker and The Capitol Gazebo being on the grounds.

Mrs. Royce Lee, grandmother of students Amy and Michelle Hoch, was tour guide in Bronte.

Members of the Quest gifted and talented 5th & 6th grade students from Garden City Elementary are pictured on the steps of the old Santa Fe Depot in Bronte.

## Senior memorable events

Each senior class has memorable happenings that make their graduation stand out in their minds for years to come. The Robert Lee High School Class of '91 is no different. It could be classmate Jody Tavarez breaking his foot two days before graduation while goofing off at softball. And how about the no-show of the guest speaker, State Representative Rob Junell, at the commencement exercises? Junell, who was in Austin for the 72nd legislative session, called Superintendent Jerry Gibbs about 35 minutes before showtime to say the small plane he had planned to arrive on had developed a fuel leak (and coupled with bad weather) which forced him to return to Austin. A capable Gibbs was pressed into service and did an admirable job of deliv-

ering the address, mentioning a personal note on each grad.

Or it could be the super Project Graduation Party honoring the class, giving a celebration option to the too-often keg parties.

The night started off with a dance. As the rest of the evening progressed, the Seniors and their guests enjoyed food, beverages, casino games, door prizes, and night-time golf.

Sheree Burns won the 10-speed bicycle donated by Super H Grocery and Lenny Jackson won the color tv.

Everyone in attendance went home with something. The memories made that night will be the best prize of all. Parents and other supporters are to be commended for their efforts for the 1991 RLHS seniors.

## PE teams post records

Robert Lee Elementary PE teams and records are listed below.

Lee; Bronte Elementary Principal, Mr. Robbie Sanford; District Director Bill Allen and wife, Bobbie; District Conservationist Bruce Deere, and wife, Linda Carole; and District Technician, Donna Waldrop, and husband, Riley.

The 5th and 6th grade students of Coke County are to be highly commended for their imagination and artistic ability they portrayed in this contest. This is the first year Coke County Soil and Water Conservation District has ever sponsored a poster contest and these students represented the County well in competition.

The Coke County Soil and Water Conservation District thanked the Robert Lee and Bronte students for their participation and the teachers and principals for their support and enthusiasm in helping make this contest a success.

## - Letter to the Editor -

Dear Editor,

For 43 years, my family operated a grocery store in Robert Lee. For 43 years, they serviced the needs of the people of Robert Lee. For 43 years, they issued credit on groceries to those who were having a hard time. For 43 years, they waited patiently for some people to pay their grocery bills, while those same people were buying new cars, new clothes, and shopping elsewhere - **paying cash!!!** For 43 years, my family was there to donate their time, effort, and money to school and civic organizations. For 43 years, they worked hard to make Robert Lee a better place to live, serving on school boards, hospital boards, coaching Little League. Three children and five grandchildren graduated from Robert Lee Schools. For 43 years, they **bought at home, supporting local businesses.** For 43 years, they were a part of a community who were caring, honest, and supportive of their own people who had given so much of their lives to Robert Lee.

An era is ending and a new one beginning. It will never be the same -- some good changes and some bad. But I hope that some of the people of Robert Lee will remember those who have helped build the town, who helped each other through rough times. That seems to be something too many people in Robert Lee have forgotten or the younger generation just does not care about. It's too bad so many people have such short memories.

So here's to my brothers, Bobby and Ronnie Baker, and to my mom, Opal Baker -- **YOU'RE THE BEST AND I'M PROUD OF YOU!!!**

Dear Editor,

Just a note to say that Felix and I had a nice trip up here, (back to Ft. Collins) with no bad weather at all. It seems that Denver is getting all the snow. We get the "Observer/Enterprise" and enjoy home news.

We have continued to be involved with the RSVP group and attend a senior center regularly. (There are five of them.) Upon our arrival, they gave us a hearty welcome, calling us "Snow Birds" from Texas. I am including our monthly magazine so that you can see just how busy we really are.

Since the Administration On Aging is developing the theme, "Older Americans, Our Greatest Resources," it seems that everybody in Ft. Collins is paying tribute to the elderly.

Last summer, I lectured and showed my slides of Alaska here including "The Colorado Pioneer Club." Now on May 23, I am to discuss my life in Alaska with a group of Methodist women. Since I am to talk to a church group, I shall stress my missionary work and Bible teaching with both adults and young Eskimos.

Since I like to try to write, in teaching the young people, I wrote plays depicting famous Bible characters, which the children dramatized.

I still remember seeing on the front page of the "Denver Post" my picture, dressed in my white-trimmed fox parka and caribou mukluks. The headline read, "A Seventy Year-Old Woman Combats Primitive Forces and Teaches on the North Slope of Alaska."

In this area, at least, it seems that one Texas is dubbed as "A Rugged Old Individualist."

Sincerely,  
Pauline Thyfault

### Baird Festival set for June 1

The 18th Annual Baird Trades Festival is slated for June 1st. This year's event will be highlighted with the grand opening of several small antique malls, hot air balloons, turkey shoot, photography contest, and antique and collectibles auction.

Baird is "on the right track" by kicking off efforts to revitalize the business community and attract many visitors all in one festive day of activities. Also featured during the day are photography displays, art exhibits, chuck wagons and pioneer-style artisans at work.
