## Enthusiasm marks RL Extravaganza

Several hundred people lingered in the county park at Robert Lee last Saturday at the annual Labor Day Extravaganza, sponsored by the West Coke County Community Development.

A noisy, happy crowd, made up of all ages, enjoyed the cool, cloudy day under the shade trees. Mother Nature continued to smile on the event as the sound of thunder rolled away and a good breeze cooled the park. Most folks stayed much of the day while they ate from the food booths, shopped the arts & crafts, watched the beach volleyball, visited with old friends while the kids played, and enjoyed the stage enter-

tainment.

The Saucedo Family team captured the beach volleyball tourney while the Copeland team was runner-up.

1991-92 Miss WCCCD Shelby Roe and 1991-92 Little Miss WCCCD Lindsey Roe were crowned by the 1990-91 Miss WCCCD Meagan Hill. Parents of Shelby and Lindsey are Mr. and Mrs. Kevin Roe of Robert Lee. The newly crowned royalty will represent the organization at various functions in the coming year. Angela Abalos, daughter of Mr. and Mrs. Manuel Abalos, was named 1st Runner-Up Miss WCCCD and Jamie Luna, daughter of

Mr. and Mrs. Junior Luna, was named 2nd Runner-Up. 1st Runner-Up Little Miss WCCCD is Casey Carper, daughter of Mr. and Mrs. Danny Carper, and 2nd Runner-Up is Brittany Garringer, daughter of Mr. and Mrs. Jim Herring and Mr. Tim Garringer.

At the 8 pm dance, featuring Shade Tree with Steve Stewart, the door prize giveaway began. The two grand prizes were won by Linda Eaton of Robert Lee, the electric grill, and Lana Gideon of Abilene who was awarded the jam box. About 225 people attended the dance which wrapped up the day's festivities.

The Bronte and Robert Lee Senior Centers have both received copy machines for their centers. The funds for these machines were fiscal year 1990 carryover funds for the expansion or enhancement of supportive services. They will be used to better inform our senior citizens about programs and services. These copy machines will be made available for use to our senior citizens for a small fee to help cover the costs of paper, toner, and general maintenance on these reconditioned machines.

## Chairmen named for Crippled Children

Five Coke County community leaders are among 220 area chairmen assisting the 1991 Cattlemen's Round-Up for Crippled Children. They are Ed Cumbie, Joe Rawlings, and Clifton Reed of Bronte and Bill Helwig and Daryl Copeland of Robert Lee.

This annual fall fundraiser, benefiting West Texas Rehabilitation Center in Abilene and San Angelo, will include 11 regional livestock sales beginning in late September, according to General Chairman James (Jim) Alexander of Abilene.

Donated livestock is collected at designated points in various communities and transported to scheduled auction events where pro-

ceeds are converted into "treatment dollars" for WTRC.

"As a donor-supported institution, the Rehab Center is dependent on such events to help provide funding for facilities and personnel to serve handicapped children and adults," said WTRC President Bill Snowden. "Also, the Round-Up is a symbolic, independent effort initiated by livestock producers who consistently have shown their support despite problems of their own."

Area chairmen assist by promoting the event and by asking their neighbors to join them in donating to this year's drive which has a goal of \$304,000.

Scheduled sale dates for

1991 Round-Up are as follows: September 28 - Special sale, Haskell Auction; September 30 - Cattle sale, Abilene Auction; October 2 - Special sale, Coleman Auction; October 9 - Special sale, Stephenville Cattle Company; October 10 - Special sale, Jordan Auction, San Saba; October 12 - Horse sale, Abilene Auction; October 26 - Special sale, Colorado City Auction; October 28 - Sheep and goat sale, Junction Stockyards; October 29 - Special sale, Brownwood Auction; November 8 - Special sale, Central Texas Auction, Lometa; November 15 - Sheep and goat sale, Goldthwaite Auction.

Ranchers who sell their stock at other times of the year are encouraged to make a pledge now, then ask their local auction to send the Center a check when the stock does sell.

Persons wanting to make a donation of livestock or cash, or those needing to arrange for transportation of animals should contact their local chairman or call the nearest WTRC facility -- Abilene at (915) 691-7201 or San Angelo at (915) 949-9535.

Since 1953, West Texas Rehabilitation Center has provided out-patient rehabilitation treatment services to individuals without regard for age, race, origin or financial circumstances. Approximately 160 trained professionals

S., requires that all marks and brands registered after August 30, 1981 and before August 30, 1991, must be re-registered within six months of the later date, and the pre-registration process must be repeated at subsequent ten year intervals for then current owners."

ber 3, 1991. You will have until Friday, February 28, 1992, to have your brand registered in your name. **UMW meets at Bryan's**

United Methodist Women of Robert Lee met August 28 for the group's annual Salad Supper to begin the 1991-92 season. "Bryan's Barn" on Messbox Creek was the meeting place. Lucile Bryan, hostess, was assisted by Joyce Rives, Dianne Simpson, and Lois Dunklin. Eighteen members and four visitors attended. Janie Naizer was welcomed as a new member.

Some of the ladies toured the grounds surrounding the red-topped barn before the meeting began. Many adjectives were heard from the viewers, such as "beautiful, restful, unique, wonderful, and surprising." Nobody took time to pick blackeyed peas, but some did smell of the flowers. Wilson Bryan, the creator of the landscaping, left his gardening long enough to eat with the ladies. He did not seem to mind the compliments showered upon him.

After the meal of delicious salads brought by members, Nina Brewer held a business meeting designed to lay down plans and policies for the next nine months. A very busy and interesting year is anticipated. This organization is a vital part of Methodism's world-wide activities in both home and foreign missions.

The program ended with a

devotional concerning generosity of giving -- "giving of ourselves through our prayers, our presence, our gifts, and our service."

UMW meets the 2nd and 4th Wednesdays each month at the church's Fellowship Hall or in a pre-announced home. Visitors are always welcome.

### Detection Unit to be in Bronte

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year, over 37,000 women die as a result of breast cancer.

"The death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists," reported a spokesman from the Regional Breast Care Center at Women's & Children's Hospital in Odessa. By using modern state of the art x-ray equipment, breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast cancer at this early stage has a 90%-97% survival rate. However, a woman who is not diagnosed until a lump can be felt has approximately a 50% survival rate in 5 years.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a mobile breast cancer detection unit will be made available to local women on Tuesday, September 24, at the Community Center in Bronte. Appointments may be made by calling 473-6471.

For more information, you may call the Regional Breast Care Center at Women's & Children's Hospital at 915/334-8888 or 915/561-9999.

### Longhorns to meet Jim Ned in opener

Bronte Head Football Coach Keith McCutchen reports that the Longhorns will travel to Jim Ned this Friday, September 6, at 8 pm to open the 1991 football season. The Indians return six offensive and seven defensive starters back from last year offering the young Horns a stiff challenge in their opening campaign. The Longhorns will counter with three defensive and three offensive holdovers.

Their scrimmage with Wall last Thursday night saw improvement in both the offensive and defensive units. However, more improvement will be needed this week in order for the Horns to start off with a win. Show your Longhorn spirit by traveling to Jim Ned Friday night.

According to the American Cancer Society, one out of nine women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, ● even before it can be felt.

### Guidelines For Screening Mammography Established by the American Cancer Society.

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$65.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

A graduate of Robert Lee High School, Pentecost placed sixth in the 1991 UIL State Meet Literary Criticism contest. She has also participated in UIL Literary Criticism, Editorial Writing, and Ready

Writing contests. Her high school activities and honors include Beta Club; Honor Roll award; Who's Who Among American High School Students; FHA; Band Council; US National Band Award 1991; basketball team for four years; cross country team; and the track team.

Pentecost attends Angelo State University and is majoring in pre-law. She is the daughter of Mr. and Mrs. James Pentecost of Sanco and the granddaughter of Mr. and Mrs. Nolan Pentecost, also of Sanco.

Roy Brent Gibbs of Robert Lee has been awarded a two-year \$3,000 Abell-Hanger Foundation scholarship by the Texas Interscholastic League Foundation. This year, the Abell-Hanger Foundation awarded 55 grants to students who have participated in the UIL Academic State Meet Contests and who have compiled an outstanding

record of academic and extracurricular achievement. Five of the Abell-Hanger grants were awarded to students who plan to major in nursing.

## RL Steers to face Miles

Twenty-six players who began the Steer football program are still in the game, Coach Ed Poehls pointed out Tuesday evening. He said although they are young and inexperienced, they are enthusiastic and are not discouraged with a less than brilliant scrimmage against Ft. Davis (a quarter final team in 1990) August 22. Against Irion County August 29, he said they showed improvement.

Three players, Todd Scott, Judd Pitcock, and Ronnie Lott, are nursing ouchy injuries but do not look serious right now. They are suffering from knee and ankle strains and sprains.

The Steers will compete with Roby, Sterling City,

Roscoe, Garden City, Bronte, and Rotan in District 9-A this season. They will play a non-district season opener against Miles on Friday night, September 6, at 8 pm in Miles. Poehls predicts Miles will be a handful and added "there isn't an easy game on the schedule."

Coach Poehls hopes to see some team leaders emerge from the young squad who now need game experience. Positions have not jelled completely and coaches need to see the 1991 Steers under fire.

Parents and fans are encouraged to support the young Steers and watch them develop.

## Lewis' hold final reunion

Fifty relatives and friends came to be together August 24th at the Robert Lee Recreation Center for the final planned Samuel Gilbert and Sarah Miriah (Wallace) Lewis Reunion. As the individual families have increased over the years prompting separate reunions, it was decided in 1990 to discontinue the S. G. Lewis Reunion in 1991.

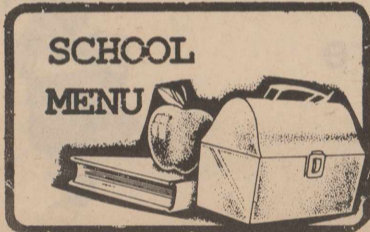

There were many pictures brought to share. Memories were stirred with numerous incidents shared, some humorous and some sad. Pictures were taken in family groups and many by special request with a favorite relative.

Family history information was displayed by generations with the information compiled to date by Barbara Davis.

There are six generations and five generations which were represented. The only living child, Pearl Ditmore, was present. The oldest family member, Laura Jones, was also present and she is a niece to Pearl. The youngest family member present was Mason Ross, which is a great-grandson to Laura and Pearl.

Coffee and donuts were available at 10 am, sandwiches and chips for lunch, and bar-b-que goat and brisket for the evening meal. The bar-b-que was cooked by Add Davis. Others brought side dishes and desserts.

The day was concluded with everyone singing happy birthday to Barbara Davis.

Round-Up

The Big Round-Up from the West Coke County Nursing Home, a super newsletter by Mary Cherry and Joyce Wilson, made everyone sorry they missed the Three Ring Circus. From the balloons and the lemonade wagon to the clowns, animals, and performers, it must have been quite a show. Efforts from a large number of people made the circus a marvelous event for nursing home residents.

Tasting Party

The July Tasting Party was on Tuesday at 3 pm. We had different kinds of potato chips - regular, ranch, and bar-b-que. We washed them down with lemonade. It seemed the most preferred was the bar-b-que. Tasting parties are held each month.

Craft Classes

Our class out-did themselves once again with circus items. Baby food jars were used to make darling clowns when filled with sand and balloons attached turned into the perfect centerpieces for the tables. Plastic plates, colorful paints, and gobs of flowers turned into hats worn to the circus. Crafts classes are held each Monday morning. Do join us and see what clever thing Trudy Scott has in mind next.

Video and Movies

We had a good variety for July. The Nursing Home Auxiliary supplied us with a new National Geographic video "Love Those Trains." From the old wild west, we watched Hopalong Cassidy in "Colt Comrades" and to round it all out we had "Sports Bloopers."

Coffee & News

Friday morning coffee and news starts right after exercise at 10:30. Joyce still makes the best coffee in town and we usually enjoy it with "something from the oven." Edna Adkins' great-granddaughter sent scrumptious chocolate chip cookies that were just great. Thanks, Clara. Our news comes from the Observer/Enterprise and is read every Friday after coffee is served.

Corral Note

When you're in the corral, please enjoy the new windmill kindly given to us by the local Lions Club. Does a windmill bring back memories or what?

Resident of the Month

Resident of the Month for the month of August is Wilda Collins and Employee of the Month is Patience Pinson.

Game Day

Games started at 3 pm Tuesday, August 9. Our Beachball Throw had really turned into a pro-group. Maybe we need a smaller basket? Myrtle Lasswell just

couldn't miss.

New Upholstery

The West Coke County Nursing Home Auxiliary is once again working for you. They have bought the material used to cover the chairs in both the dining room and the recreation room. The arm-chairs are being covered by Fields Upholstery in San Angelo and the others have been done by members of XI Alpha Beta Alpha. The Auxiliary paid Fields Upholstery and the sorority donated their time and efforts. Thanks to everyone -- sure makes a wonderful home.

Singing Winds lists winners

Singing Winds Golf Course in Bronte was the site of a Labor Day 18 Hole Select Shot Golf Tournament sponsored by the Red Barn Restuarant in Bronte and by American Printing Company of Bronte. Fifty teams participated in the tourney.

Second with a 64 score were Scotty Chaistain, Mary Morrow, Martin Lee, and Peggy Jackson.

Wayne Coalson, Corky Collins, Ed Forehand, and Marvin Landers placed 65 for third place.

Winning fourth after a card playoff were Wade Stautzenberger, Terry McCutchen, David Bastista, and Dee Eubanks with a 66 score.

This past Thursday night, 32 entrants participated in the golf tournament held at the Singing Winds Golf Course in Bronte.

Winning first after a card playoff were Russell Johnson, Richard Hembree, Wayne Coalson, and Dee Eubanks with a 30 score.

Placing second, also with a 30 score, were Ealy Baker, Jim Morrow, J. W. Caudle, and Ed Martindale.

Two teams tied for third place with 32 scores. Placing third after a card playoff were Tom Ensor, Adam Minjarez, Wade Stautzenberger, and Brad Conner. Pete Perciful, Ken Coalson, and Mike Johnson placed fourth.

Personal

Paul Williams of Bronte is in ICU at Hendricks Hospital in Abilene following being bitten by a rattlesnake near Winters on Tuesday.

Personal

Weldon Fikes of Robert Lee is able to be out and around town while recuperating from recent heart bypass surgery. He visited in the courthouse last week where he served for many years as county auditor.

Brooks honored on 95th

Mrs. Eugene (Elizabeth) Brooks was honored Sunday in the home of her daughter and son-in-law, Mary and R.C. Patterson, with a party celebrating her 95th birthday. Co-hosting the event was her daughter, Emmagene Mitchell of Abilene.

Mrs. Brooks was born in Indian Territory, Oklahoma, September 1, 1896, having moved from there with her parents in a covered wagon to Coke County the last of August, 1899. She has resided in Coke County continuously for 92 years.

Homemade ice cream and cake were served to the

guests.

Those in attendance included Cathy, Christy, and Nathan Ferguson of Conroe; Wilbur and Mary Anderson, Lola Rutledge, Mildred Green, Gladys Hideman, Lenora Keel, San Angelo; Tommye Holingshead of Big Spring; and Kenneth and Kay Lackey and Lorraine Brooks, all of Robert Lee.

American Heart Association

Gospel Singing

The Community Gospel Singing had a very enthusiastic crowd of 56 registered attendants. There were 2 guitars, a harp, a harmonica, as well as the piano.

Ruth Cheesman of Miles opened with "I'll Fly Away" and Elizabeth Rosser, also of Miles, led the opening prayer. M. E. (Pete) Patterson of Poynor, Texas, led the closing prayer.

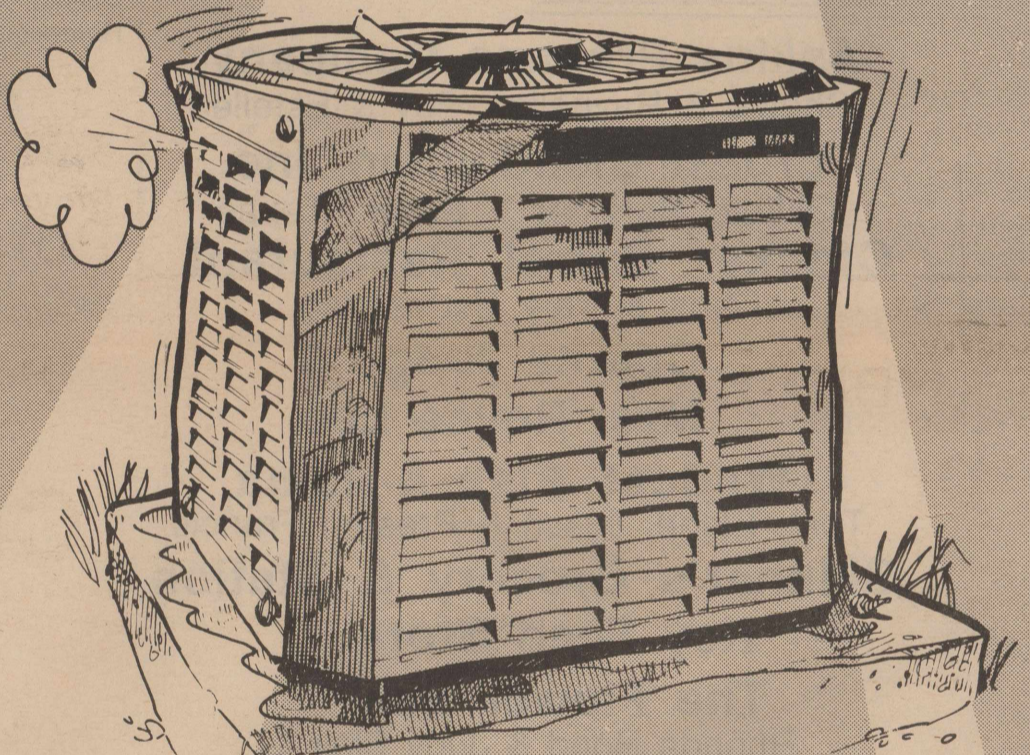

Solos, duets, and quartets were enjoyed.

Refreshments and visitation followed.

People attended from San Angelo, Blackwell, Miles, Water Valley, Poynor, Tennyson, Carlsbad, Robert Lee, and Bronte.

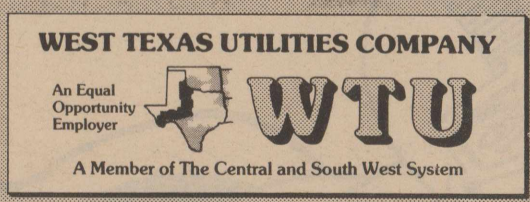

All are urged to attend.

**Bird seen as inspiration for writer**

[Editor's Note: The article below was written by Bill Whitaker and published May 7, 1991, with references concerning the late Ulmer Bird, Sanco native. Mr. Bird, author, historian, and gentleman, was a one-time owner and publisher of the Robert Lee Observer.]

**Old man had deep faith in written word**

If there's one thing that brings joy to a writer's heart, it's the realization somebody out there gives a hoot about the glory of the written word, whether in newspapers, books, or thoughtfully penned letters.

That's why my colleague, aviation columnist and author Nancy Robinson, considers Ulmer S. Bird of Sanco not only her mentor but her inspiration.

Sometime after the Big Country's death in February 1988, Nancy received something of an inheritance from the old man. Now it's true some folks might say it was simply boxloads of old, yellowing newspapers - the *Abilene Reporter-News* among them - but Nancy's thrilled.

"It was probably the highest compliment he could've paid me," she said. "He could've left me his ranch and it wouldn't have meant as much. He really believed in newspapers."

Maybe it's not so surprising. A one-time Methodist minister, Ulmer also toiled on behalf of the *Reporter News* and its sister paper, the *San Angelo Standard-Times*. And he put stock in things many of us either take for granted or show skepticism about.

For instance, Ulmer subscribed to the notion of space travel. He decried what he saw as the abuses of labor unions. And he believed in the Indian spirits some folks insist haunt the Sanco community, a wide spot located between Spence Reservoir and Horse Mountain, just south of Nolan County.

He once credited the area crash-landing of a plane to those same spirits - so strongly, in fact, that Nancy, who first met Ulmer while checking out the accident, believes it herself now. She also calls him "probably the most practical person I ever talked to."

Ulmer also saw newspapers as pages of history in the making - which is why he kept select editions of the *Reporter-News*, *Standard-Times*,

**LOOK WHO'S NEW  
Sydney A. Skeen**

Sydney Alyse is the new daughter of John and Shari Skeen of Farmer's Branch, Texas. She arrived at Arlington Memorial in Arlington, Texas, August 26, 1991, and weighed 8 pounds, 14 ounces.

Sydney has a 3 year old brother, Clayton. Her grandparents are Reid and Kay Stewart Biggs of Arlington and John and Nancy Skeen of Abilene. Great-grandparents are Mrs. Myrtle Biggs of Georgetown and John T. and MayBelle Stewart of Robert Lee.

and *Fort Worth Star-Telegram*, plus editions of small weeklies, all dating from the time of World War II.

One paper is sure a collector's item: the August 31, 1945, evening edition of the *Reporter-News*, the front page of which "hand-typed" because the typographical union's local, angry over wages, decided not to report for work. In fact, the paper's morning edition wasn't even issued that date.

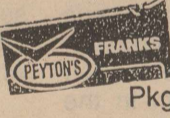

Far more importantly, the old papers show how personal history in the making can be.

"I'm struck by the fact the stories in the newspaper involving the war never failed to include the homefront and what local boys were doing," Nancy said. "It might have been a world war, but it was also something involving boys from home."

The papers will be displayed in the hangar being built at Elmdale Airpark. The 8,800 square foot facility of the Confederate Air Force Big Country Squadron includes a museum and library. But in a way, I imagine some of it will also stand as a memorial to Ulmer and his love of words.

### Ladies take 2nd at Pecos Tourney

Being the only Class A team in the field of sixteen didn't daunt the Lady Longhorns as they took 2nd place in the Pecos Volleyball Tournament this past weekend.

Competing against 4A and 5A schools, the seven girls proved that talent doesn't require large numbers and the Horns have plenty of talent.

Friday was entirely pool play, where the teams divided into four groups that play each other. Instead of regulation two out of three games, they play two games to eleven. The winners of each pool are determined by their win loss record.

The Horns faced Presidio first and split with them, winning 15-8 and losing 10-15. Next, they faced Midland High again splitting 13-15; 15-12. In the final match, the Horns defeated Monahans 15-7; 15-11 to take first place in their pool and place them in the championship bracket.

Their first opponent, Ft. Stockton, was not an easy one but the Horns won in two games 15-9; 15-12.

The semi-final match against Killeen proved to be one of the most exciting as it pitted the Horns against a much taller team.

However, the Horns were able to neutralize the hitting of a 6'2" outside hitter and defeat Killeen 15-9; 15-11.

That win put the ladies against Seminole, who had captured first place in the Monahans Tournament two weeks earlier.

Three minutes before the game was to start, Tina Smith injured an ankle and was unable to play. The team made some quick adjustments, but was not quite able to get on track and fell 12-15; 7-15 to the hustling Seminole team.

"I am very proud of how the girls performed in the tournament," said Coach Connie Bozarth. "They impressed a lot of teams."

Annie Faye and Jimmy King, Wingate; Lauri, Robert, and Jessica Hall, Anson; Sharon, Joe, and James Glaze, and Patsy Webb, Merkel; Loucille Middleton, Katie and Waymond Dixon, Karla Kay, Kari, and Kylan Wilson, San Angelo.

Also present were Alene and David Key, Teri, Joe David, Teri, and Jason Key, Dee Anna and Joe Harmon, Robert Lee; Dorothy and Jess Gaines, San Angelo; Belinda, Richard, Stephanie, and Stephen Biddle, Randy Gaines, Midland; Rena Dee and Garland Gaines, San Angelo; Terry Teresa, Lauren and Megan Gaines, Arlington; Eugenia Smith, Angela Smith Sparks, Stephen, and James Sparks, Carlsbad, New Mexico; Gwyn and Raymond Smith, Robert Lee; Robin, Frank, Lori, and Teri Smith, San Angelo; Laverne Summers, Robert Lee; Adrienne Hernandez, San Angelo; Marty and Pam Baker and Megan Goodgion, San Angelo; Marcia, William, Crystal, Cindy Cudd and Melanie Baker, Alvarado.

Also attending were Trudi Green, Sun Lakes, Arizona; Bessie Brice, Robert Lee; Shirley Strakos, San Angelo; Judy Brice Snowden, Odessa; Darline Brice Gower, Eddie, and Christa Gower, Ballinger; Pam Brice Gandy, Aaron and Sarah Kay Gandy, San Angelo; Amy and James Gunn, Odessa; Sam and June Plumlee, Carlsbad; Bertie and Forrest Wanker, Fairview, Oklahoma; Tracy, Willie, and Laura Embrey, Midland; Willie and Jesse Eads II, Jeanette, Jesse III, Marie, Kayla, John and Jesse Eads IV, Robert Lee; Billie, David, and Jen-

### Baugh family gathers in RL

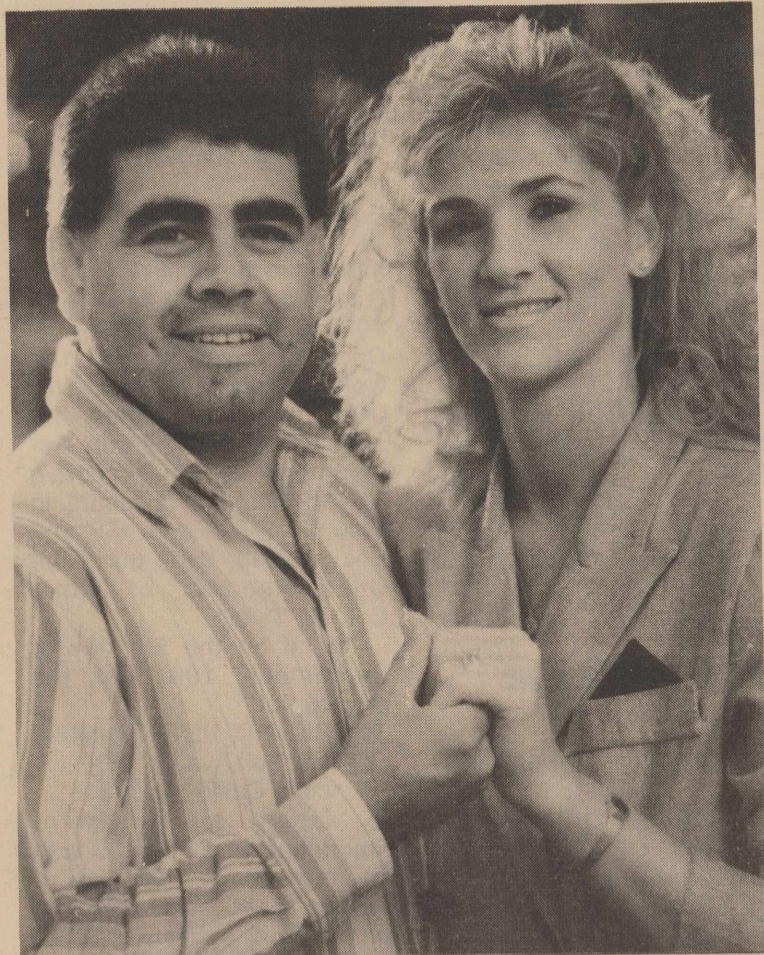

The children, grandchildren, and great-grandchildren of the late Lee and Willie Baugh held their annual reunion Saturday, August 31, 1991, in the Bronte Community Center.

There were only 19 present, but they all enjoyed visiting looking at past reunion pictures and snapping cameras for new pictures. Of course, all enjoyed lining up at the table for the delicious foods.

All present were from Texas towns: Big Spring; Snyder; Stanton; Weatherford; Bangs; Santa Anna; and Bronte.

Next year, they plan to combine the Baugh and Crow families together.

Ona Hughes and Inez Gilmore are hostesses for the reunion.

Mr. and Mrs. Royce Dyess of Bronte are pleased to announce the engagement and approaching marriage of their daughter, Lesa, to Rudy Balderas, son of Mr. and Mrs. Alfonso Balderas of Robert Lee.

Friends and relatives are invited to attend.

## NOTICE OF COMPARABLE TAX RATES AND REVENUES

The Legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (S.B. 1), the tax rate for last year provides \$5,600 per student in state and local revenues. Under this statute (S. B. 351), that same rate now provides \$6,000 per student in state and local revenues.

State law only requires a minimum tax rate of \$.7272 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The Board of Trustees of the Bronte School District hereby gives notice that it is considering the adoption of a tax rate of \$.58 that will provide \$6,000 per student in state and local revenues.
