## County Seniors to sponsor Health Fairs

### Bronte

The Bronte Senior Center and the Texas Department of Public Health are sponsoring a Health Fair at the Bronte Community Building from 9:30 am to 3:30 pm on Tuesday, September 24th. The public is invited to attend and you are urged to take advantage of these free services. The Health Department will provide the following screenings: height & weight, blood pressure, hematocrits (for anemia), diabetes, cholesterol, a health risk profile, and nutrition counseling.

A representative from Shannon Medical Center will demonstrate the "Lifeline" program. A licensed pharmacist from Angelo Community Hospital, "Ask a Pharmacist," will be on hand to answer your questions about prescriptions and over-the-counter medicines. Jan Yanez, Coke County Home Extension Agent, will also be there to

provide useful information. Bronte Nursing Home will have a table set up and someone to answer your questions about their facility.

The Breast Cancer Detection Unit from Odessa will be providing mammograms for those who make appointments. Appointments may be made by calling the Bronte Senior Center at 473-6471. Cost of the mammogram will be \$65.

The Health Fair is open to all ages and the community is urged to take advantage of this opportunity.

For more information, call Mary Percifull at the Bronte Senior Center at 473-6471 or 473-2166.

ter from 9:30 am to 3:30 pm Wednesday, September 25. The public is invited to attend and are urged to take advantage of these free services.

The Health Department will provide the following screenings: height & weight, blood pressure, hematocrits (for anemia), diabetes, cholesterol, a health risk profile, and nutrition counseling. Jan Yanez, Coke County Extension Agent, will also be there to provide useful information.

The Health Fair is open to all ages and we hope you will take advantage of this opportunity.

### Robert Lee

The Robert Lee Senior Center and the Texas Department of Public Health are sponsoring a Health Fair at the Robert Lee Community Cen-

Chester Hallmark is pictured with the 60 lb. watermelon grown in the Bon Spoons patch. Bon has furnished watermelons for the Nursing Home this summer. Chester should get all the melon he wants out of this one.

## Monsoon season continues

Coke County's monsoon season began the first weekend of September and miraculously hasn't let up. No total measurement is available but Bronte has received an average of almost 4 inches since last Friday. At presstime Wednesday, the Robert Lee area claims 5 inches for the same period.

About 2 pm Wednesday, the first arctic cold front hit the county, lowering the temperature some 15° in about 20 minutes. Abilene reported temps in the 50s.

More rain is forecast and will be welcomed. Although the ground is saturated, not much running water has been generated. While the weather is on a roll, full stock tanks would be welcomed. Everyone is hoping for some runoff for drinking water supplies.

A spokesman for the local ASC office said that Coke County doesn't have enough cotton producers for rains to be detrimental. Many small grains are already up and pastures couldn't be better for this time of year.

## Smith has reserve steer

Local 4-H members placed very well in the steer and barrow show during the West Texas Fair in Abilene last week. The prospect steer show was the largest ever held in Abilene with over 400 steers competing.

Dane Smith exhibited the Reserve Champion American Breeds and Cross steer and also had the eighth place Heavy Maine-Anjou and the eleventh Lightweight Shorthorn. Russel Vaughn exhibited the eighth Middleweight Limousin and Teresa Vaughn

had the eleventh Mediumweight Maine-Anjou. Shea Kelton showed the third Light Simmental and the eighth Lightweight Shorthorn. Casey Antilley exhibited the sixth place All Other Breeds steer and Scott Antilley exhibited the ninth Light Shorthorn and eighth medium heavy Hereford.

In an extremely competitive Market Swine show, Dusty Arrott placed eighth in the light Hampshire class and ninth in the Light Other Pure Breeds class.

### Silhouette Shoot

Red Canyon Gun Club will have a 22 pistol silhouette fun shoot Sunday at 1:30 pm at the Red Canyon Range. This will be a fun shoot with new shooters in mind.

Anyone interested, bring your 22 Rimfire pistol and 1 box of 22 ammo. No 22 magnums will be allowed. Any type sights, including scope may be used.

The course of fire will include 10 chickens at 40 yards, 10 pigs at 60 yards, 10 turkeys at 75 yards, and 10 rams at 100 yards.

No entry fee will be charged. Come out and shoot Sunday.

### Brush Tour

There will be a tour of the Brush Control Result Demonstrations conducted in Coke County on Tuesday, September 24, beginning at 8:15 am at the conference room of the county courthouse.

Registration and refreshments will be from 8:15 until 8:30 at which time the tour of result demonstrations will begin. These tests include control of Willow Baccharis, Basal and Foliar treatments of mesquite and prescribed burn for brush and prickly pear control. All interested persons are invited to attend.

## Upcoming

### Reg. Cancelled

Due to budget reductions, the Coke County Tax Office must discontinue the registration and titling service that has been offered at the First National Bank in Bronte.

We regret any inconvenience to the taxpayers of Coke County and hope to be able to re-instate the service later in the fiscal year.

### Aerobics Offered

The Coke County Extension Service is offering a Low Impact Aerobics class for all those interested. Classes will be held in the Robert Lee Rec Hall on Tuesdays, Wednesdays, and Thursdays from 5:15 to 6 pm.

Those interested need to come by the Rec Hall Tuesday, September 24th, at 5:15 to sign up.

For more information, please contact the County Extension Office at 453-2461.

### Br. All Sports

The Bronte All Sports Booster Club will meet Monday night, September 23, at 7 pm in the school cafeteria. Everyone is invited to attend.

### Tuesday Dance

September 24 is the scheduled date for the 4th

Tuesday Special Dance. Dancers of all ages are welcome to dance to the music of the Coke County Cavaliers at the Rec Hall in Robert Lee at 7:30. Tickets are available at the door.

### Br. Open House

Bronte Masonic Lodge #962 is sponsoring an Open House for the public on Sunday, September 22, 1991, from 2-5 pm at the Lodge Hall (old Railroad Depot).

Billy Joe Luckett, Master of the Lodge, said an open invitation is extended to the public and to anyone interested in learning more about Masonry and what Masons do. A short informative film will be shown and refreshments will be served.

### RL Open House

Members of Hayrick Masonic Lodge in Robert Lee will be participating in the Second Statewide Masonic Open House Sunday, September 22, 1991, from 2 to 4 pm. The public is cordially invited to come tour the nice building on Commerce and 9th Street, learn more about Texas Masonry, and enjoy the fellowship and refreshments.

For more information, call John Jacobs at 453-4652, Scott Stephens at 453-2917, or Bobby Blaylock at 653-7182.

**WCCCD drive underway**

The West Coke County Community Development is continuing its efforts to sign up new members in a drive to increase numbers. It is difficult for any organization to carry on progressive work without enough manpower to maintain several projects at once. The same core of folks are assigned all jobs.

Good things have evolved from the community development group since it was formed in 1987 with a purpose toward service to the businesses and residents of West Coke County. One of the first projects tackled by the group was to promote tourism by being instrumental in the paving of roads to the marinas at Lake Spence. Backbone of the organization has been the support of other local worthwhile groups such as the WCCEMS, the Robert Lee Volunteer Fire Department, the West Texas Rehab, Little League baseball, Scouting, Students Against Drunk Drivers, the Robert Lee Bass Club, and Ole Coke County Pageant Association.

Other important projects include adopting a 2-mile stretch of Hwy. 158 West for periodic cleanup, establishing the Hunters' BBQ each fall to promote the hunting industry in West Coke County, hold annual festivals to attract people to town, printed informative brochures on what the

area has to offer, paid for and installed permanent electric plugs at the county park, and aided the county and city with various celebrations.

The West Coke County Community Development has also sponsored the downtown Christmas party, decorating contests, Big Buck contests, Food for the Needy projects, Yellow Ribbon project, blood drives, Career Day at the local school, and held a dinner to honor volunteers. One present project is the building of new barbecue pits at the county park in Robert Lee.

Community service work can be enjoyable and rewarding. The current board, which includes Jo Runnion, Kenneth Green, Phelan Wrinkle, Randy Bessent, D'Ann Eubanks, Elane Francis, Bob Wrinkle, Beverly Burdett, Dee Anna Harmon, and Joan Davis, urges community residents to join them in their effort to make West Coke County a better place to live. All those interested in the promotion and development of the area are invited to join by memberships of \$10 for singles, \$15 for couples, and \$20 for businesses.

The WCCCD meets the first Monday of each month at 7 pm in the county courtroom. Periodically guest speakers are present and an effort is made to keep meetings short.

**Bronte Nursing Home Family Nite**

Friday the 13th may mean bad luck to some, but for the people at Bronte Nursing Home, it was good luck.

Three of the volunteers in the Home, Mamie Parker, Gladys Baker, and Julian Herndon, accompanied the administrator, Charlzie Byrd, and activity director, Dean Pope, to the 10th annual Awards Luncheon in San Angelo for the Concho Valley RSVP where they enjoyed a good lunch and a good time together.

Upon returning from the luncheon, they all began to prepare for the Family Night covered dish supper to be held later that evening.

In spite of the rain, twenty people registered and enjoyed a delicious meal.

Don Jones of Ballinger entertained after dinner.

**OBITUARIES**

**Reese**

Mildred Alice "Bo" Reese, 61, died Friday, September 13, 1991, in Shannon Medical Center in San Angelo after a lengthy, courageous battle with cancer. Services were held at 2:30 pm in the Northside Church of Christ, Robert Lee, with burial in the Robert Lee Cemetery, directed by Shaffer Funeral Home. Tommy Williams and Kenneth Green, both of Robert Lee, officiated. Nephews serving as pallbearers were Morris Wallace, Wade Wallace, Jacky Wallace, Buddy Wallace, Jackie Smith, and Troy Millican.

Mildred was born to Calvin and Leona (Roberts) Wallace March 16, 1930. They both preceded her in death.

She was employed by the Coke County Clerk's office for 30 years, retiring in September, 1990, as first deputy. Prior to her employment with Coke County, she had worked for 10 years as a telephone operator in Robert Lee with the San Angelo Telephone Company.

Bo was a member of the Northside Church of Christ, and was a lifelong resident of

Coke County. She attended and graduated from the Robert Lee Schools in 1947.

Bo and Bob Reese were married in Robert Lee February 8, 1974, and spent their entire married life here.

Survivors include her husband, Robert Reese, Jr. of Robert Lee; two brothers and sisters-in-law, J. C. and Jewell Wallace and Royce and Alice Wallace, all of Robert Lee; one sister and brother-in-law, Marie and Travis Allen of Englewood, Colorado, and a sister, Edna Havins of Robert Lee. She is also survived by her step-mother, Mildred Wallace, of San Angelo; one uncle, Gib Wallace of Robert Lee; and a number of nieces and nephews.

Lawhaven Memorial Gardens with Reuben Stanley of the Church of Christ officiating. Services were directed by Johnson's Funeral Home.

He was born October 17, 1910, in Fort Chadbourne, Texas, and had lived in San Angelo since 1934. He was a Navy veteran of World War II, serving in the South Pacific as a chief petty officer. He was a machinist for the Texas Highway Department, retiring in 1975. He was an avid golfer and enjoyed bowling and baseball. He played baseball for the Shepherders.

He was married to Clara Lee July 28, 1951, in New Mexico and was a member of the Baptist church.

Survivors include his wife, Clara Spoons of San Angelo; a daughter and son-in-law, Karen and Willie Romine of Sweetwater; a sister, Viridis Fancher of Bronte; four brothers, Pete, Rob, and Roy Spoons, all of San Angelo, and Bon Spoons of Bronte; two grandchildren, Kevin and Ashley Romine, both of Sweetwater.

**Spoons**

W. D. "Dobbin" Spoons, 80, of San Angelo died at 3:44 am Thursday, September 12, 1991, in Angelo Community Hospital.

Military graveside service was conducted at 10 am Saturday, September 14, at

**Upcoming**

**Cemetery Assoc.**

The annual meeting of the Bronte Cemetery Association will be at 5 pm Thursday, September 26, at Bronte City Hall.

All persons owning cemetery lots or claiming an interest in lots formerly owned by relatives, now deceased, are requested to attend this meeting.

The agenda is as follows: election of new directors and officers; discussion of new incorporation pertaining to per-

petual care; and discussion of current prices of cemetery plots.

The Cemetery Association's address is PO Box 594, Bronte. The office is located at 423 S. State and the phone number is 473-2157.

**EMT Classes**

EMT classes will begin at 6pm Monday, September 23, at the Bronte High School Homemaking Cottage.

Will and Pat Lenoir of Blackwell will be instructors for the classes.

## Sterling City class of '28 gathers at RL

Six of the twelve surviving members of Sterling City High School Class of 1928 met Saturday, September 14, 1991, for a reunion at "Bryan's Barn," located one mile west of Robert Lee on Messbox Creek with the Robert Lee Dam on Lake Spence in the background. The members and seven guests were greeted by property owners, Wilson and Lucile (McWhorter) Bryan.

The Class of 1928 was Sterling City High School's largest class to date with 23 students (12 boys and 11 girls). The following year (1929), they met and vowed to host a class reunion every four years. They also launched the SCHS Alumni Association which is still active. They kept their vow except during a war when several classmates were overseas. In 1976, they decided to meet every other year.

The group was small but memories were enormous - 63 years displayed in pictures and scrapbooks, one's high school class ring, and a leather covered diploma were among the treasures. They spent time exploring the Bryan's flower and garden area, also enjoying picking tomatoes and peppers. A telephone call was placed to secretary Rev. Ross Welch (Ret.) who resides in the Health Care Center, The Forum, in San Antonio. Each of the class members talked with him and his wife, Frances.

A fish dinner was catered by Chris Ertresvaag, owner of the Cracker Barrel Restaurant in Robert Lee. A cornucopia overflowing with fresh veg-

Pictured above are members of the Sterling City High School Class of '28 who attended the recent reunion at Bryan's Barn. They are (l-r) Doris (Crawford) Durham, Wanda (Collins) Becker, W. Y. Bengé, Lucile (McWhorter) Bryan, Hazel (Edwards) Beam, and Edwina (Bynum) Cope.

Photo taken by Jeffie Roberts.

etables and fruits grown by the Bryans was the centerpiece. Balloons, one reading Friends Until The End, were attached to a bowl of roses.

Class members present were Hazel (Edwards) Beam of Boerne; Wanda (Collins) Becker, and Doris (Crawford) Durham of San Angelo; Edwina (Bynum) Cope, and W. Y. Bengé of Sterling City; and Lucile (McWhorter) Bryan of Robert Lee. Friends present were Eloise Davis, widow of classmate Lawrence Davis, of Coahoma; Irene Lane of Sterling City; Ala B. (Collins) Davidson, Carmen Salinas, and Chris Ertresvaag, all of San Angelo; Jeffie Roberts and host Wilson Bryan of Robert Lee.

The Class of 1928 is making plans for the 1992 reunion and all future reunions to be held at "Bryan's Barn" in Robert Lee.

Members of the class who were not able to attend were: B. Helen (Wade) Drake of Ft. Worth; Avis (Askey) Logan of Dallas; Helen McCabe of Arvada, Colorado; Evelynne (Stamps) Murray of Houston; A. C. Peays of Magalia, California; and Ross Welch of San Antonio. Deceased members are Claud Collins, Jr., James Conger, Lawrence Davis, Truman Davis, Worth Durham, Gladys Newcomb, Wayne Munn, Vernon Phillips, James Rushing, Mary Stone, Guinn Welch, and class sponsor, Miss Johnnie Weyerts.

## BREAST CANCER DETECTION UNIT AVAILABLE TO AREA WOMEN

FRIDAY, OCTOBER 4th  
WEST COKE COUNTY  
NURSING HOME  
307 West 8th  
ROBERT LEE, TEXAS

A Service of  
Transamerican Diagnostic Services  
(Providing Mammography Services for over 5 years)

CALL 453-2511 FOR APPOINTMENT

According to the American Cancer Society, one out of nine women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, ● even before it can be felt.

### Guidelines For Screening Mammography Established by the American Cancer Society.

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. Asymptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$65.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Now filing Medicare (for your reimbursement)

## BRONTE SCHOOL NEWS

### Horns surprise Bulldogs in rainy game

By Shayne Crumpler and John Johnson

It was a rain-soaked win for the Bronte Longhorns as they defeated the Miles Bulldogs, 28-21 Friday night in the Bronte Stadium.

Bronte's offense was a little shaky at first, but the Horns loosened up and poured on the heat, scoring three times in the first half.

After a first play fumble by Bronte, the Bulldogs jumped on the scoreboard first. The Longhorn line then opened holes for running backs Jamie Flores and Gary Bilbrey, and also provided great pass coverage for quarterback Brent Taylor. Flores, who had a great running game, romped for a five yard touchdown in the first quarter. The PAT attempt failed, leaving the Horns trailing 6-7. Jay Parker had an excellent game defensively as he broke up several pass plays, as well as offensively when he connected on a Brent Taylor pass in the second quarter for a 23 yard touchdown. Bilbrey had gained excellent yardage driving up the middle and catching a pass. He also caught the pass on the two-point conversion to put the Longhorns on the scoreboard at 14-7.

Playing for the first time this season due to a pre-season injury, Lee Reyes turned in an outstanding offensive and defensive game. Reyes scored on a 30 yard touchdown pass from Brent Taylor in the second quarter. The PAT failed, but Bronte still led 20-7. Reyes also covered two Bulldog fumbles, an on-side kick attempt, and he marked up a key interception of an Eggenmeyer pass in the third quarter.

The Longhorns lone senior, Trevor Lowe, had a super game as he defensively attacked the Miles ballcarriers and quarterback. In what proved to be the winning touchdown, Lowe intercepted a deflected pass during the third quarter and scampered 35 yards to pay dirt.

#### Fall Festival set in San Angelo

St. Margaret's Catholic Church in San Angelo will hold its annual Fall Festival Sunday, September 29, at the Knights of Columbus Hall on North Bryant. Included in the festivities will be a BBQ brisket dinner and fun for the entire family - raffles, auction, games, and entertainment.

Taylor ran for the extra points and the Horns were out in front 28-7.

After moving the ball well in the first half, the Horns were plagued with mistakes and injuries in the second half which allowed Miles to slowly creep back into the game. The Bulldogs tried to rally back in the final quarter, but just couldn't get by the Longhorn defense. Miles raised the score in the last half to 28-21. Then it became a waiting game to see how fast the clock would run out, but the young Longhorns held onto their slim lead in spite of a last minute try by the Bulldogs. Jason Cooper led the defensive attack by making the final tackle of the game, ending the Miles comeback.

The Horns recovered five Bulldog fumbles which turned the game around when three turn-overs resulted in scores. Longhorns playing outstand-

ing defense all night were Jason Cooper, Devlin Pierce, Gary Bilbrey, Lee Reyes, Jay Parker, Trevor Lowe, Brent Taylor and Rudy Sanchez. Sanchez sacked the Miles signalcaller twice in a row causing the Bulldogs to come upshort in the first half.

Brian Hall, James Ham-bright, Danny Hoyt, Daniel Pullen, Jowell Bullard, Edwin Thomas, and David Cason also had an excellent night, disregarding the inclement weather for the winning team effort of the Longhorns.

"When those youngsters can win ball games like that, I'm very pleased," Coach McCutchen said, "This is a big win for us." McCutchen added the team felt they had a chance of winning and they showed that they could do it.

The win evened the Horns' record at 1-1. Tonight they will face the Water Valley Wildcats in Bronte at 8 pm.

### Lady Horns post wins

Defeating the Lake View Maidens last Tuesday 15-4; 15-2, the Lady Longhorns raised their record to 8-2.

After a somewhat slow start, Darla Scott reeled off five straight points to put the Horns in front 9-5. It never got any closer and Brandi Thomas closed out the game with 3 straight points.

In Game 2, the Lady Horns didn't even make a full rotation, thanks to the strong serving of Alisa Richards (7 points), and Thomas (5 points).

Amie Parker and Tina Smith turned in some excellent play at the net.

Kristie Cooper and Teresa Vaughn had key digs to spark the defense.

The JV handily defeated Lake View 15-8; 15-2. Misty Mackey served for 7 points in the first game, while Marci Reyes had 8 in the second game. Fine offense was turned in by Jennifer McCorkle, Tamara Richards, and Vanessa Halstead. Kim Blair turned in a superb setting performance.

On Saturday, both teams upped their records with wins over Big Spring.

The varsity won 15-10; 15-11 to raise their record to 9-2.

The JV needed three games to defeat the Steers, winning 15-8; 11-15; 15-2. Their record is 5-0.

### BJH volleyball teams split wins

Serving was the key in both victory and defeat for the Shorthorn volleyball teams when they traveled to Miles Monday night.

The 7th grade team, all 18 of them, raised their record to 2-0 with a 15-10; 12-15; 15-0 win.

Both Olivia Guzman and Danielle Parker turned in a fine setting performance. Heather Knisely also had one kill.

Missed serves kept the 8th grade from winning a close game. They fell to 1-1 with the 7-15; 15-7; 10-15 loss.

**PUBLIC NOTICE**  
BRIEF EXPLANATORY STATEMENTS  
OF PROPOSED  
**CONSTITUTIONAL AMENDMENTS**  
SPECIAL ELECTION  
NOVEMBER 5, 1991

**PROPOSITION NO. 1  
ON THE BALLOT**

House Joint Resolution 114 proposes a constitutional amendment that would authorize home rule cities having a population of 5,000 or fewer inhabitants to amend their city charters by a majority vote of a city's qualified voters at an election held for that purpose. The amendment makes clear that home rule cities that have declined in population below the population required to initially adopt a charter may nevertheless continue to amend their charters.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment allowing home-rule cities with a population of 5,000 or less to amend their charters by popular vote."

**PROPOSITION NO. 2  
ON THE BALLOT**

House Joint Resolution 10 proposes a constitutional amendment that would allow the legislature to authorize the Texas Department of Transportation to expend money, from any source available, for the costs of the turnpikes, toll roads, or toll bridges of the Texas Turnpike Authority, provided that any monies expended from the state highway fund shall be repaid to the fund from tolls or other turnpike revenue.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment mandating the repayment to the Department of Transportation of monies expended to assist the Texas Turnpike Authority in the construction, maintenance, and operation of turnpikes, toll roads and toll bridges."

**PROPOSITION NO. 3  
ON THE BALLOT**

Senate Joint Resolution 26 proposes a constitutional amendment that would authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Land Fund which are not immediately committed to the payment of principal and interest on bonds issued by the Veterans' Land Board, the purchase of lands, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment would also authorize the Veterans' Land Board to invest, as authorized by law, moneys of the Veterans' Housing Assistance Fund which are not immediately committed to the payment of principal and interest on general obligation bonds issued by the Veterans' Land Board for the benefit of the Veterans' Housing Assistance Fund, the making of home mortgage loans, or the payment of expenses. Investment of such moneys would no longer be restricted to investments in bonds or obligations of the United States. The proposed amendment gives the legislature power to implement the amendment and to delegate such duties and authority to the Veterans' Land Board as it deems necessary.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment to authorize the legislature to further implement and enhance the administration of the veterans' housing assistance and land programs and to expand the investment authority of the Veterans' Land Board."

**PROPOSITION NO. 4  
ON THE BALLOT**

Senate Joint Resolution 4 proposes a constitutional amendment that would allow the legislature to authorize the issuance of a maximum of \$1.1 billion in general obligation bonds. The proceeds of the bonds are to be used to acquire, construct, or equip new prisons and substance abuse felony punishment facilities, mental health and mental retarda-

tion institutions, and youth corrections institutions, to repair and renovate existing facilities of those institutions and to acquire, repair, or renovate other facilities for use as state prisons or substance abuse felony punishment facilities. The \$1.1 billion is in addition to the \$900 million currently authorized by the constitution to be expended on bond issues for facilities of correctional and mental health and mental retardation institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the state treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the issuance of up to \$1.1 billion in general obligation bonds for acquiring, constructing, or equipping new prisons or other punishment facilities to confine criminals, mental health and mental retardation institutions, and youth corrections institutions, for major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or other punishment facilities."

**PROPOSITION NO. 5  
ON THE BALLOT**

Senate Joint Resolution 39 proposes a constitutional amendment that would allow a county, junior college district, or municipality to exempt tangible personal property from ad valorem taxation if: (1) the property is acquired or brought into the state in an enterprise zone to be forwarded outside the state, (2) the property is assembled, stored, repaired, maintained, manufactured, processed, or fabricated in the enterprise zone, (3) the property is transported outside the state not later than 175 days after being acquired or brought into an enterprise zone, and (4) the person who acquired or brought the property into an enterprise zone is a qualified business. A county, junior college district, or municipality may exempt such property by entering into a written agreement with a qualified business that states the duration of the exemption and the terms on which the exemption is granted. Any action to exempt property must be taken before April 1 of the first year in which the property would otherwise be taxed. The term "enterprise zone" means an area that (1) has been designated as such by a state agency responsible for economic development, and (2) has pervasive poverty, unemployment, and economic distress. The term "qualified business" means a business that meets the qualification established by general law, and requires that the qualified business is actively engaged in a new business in the enterprise zone or is expanding a business that is already active in the enterprise zone. An enterprise zone is created to foster economic development in an area of pervasive poverty and unemployment.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the exemption for ad valorem taxes of certain property in an enterprise zone."

**PROPOSITION NO. 6  
ON THE BALLOT**

Senate Joint Resolution 8 proposes a constitutional amendment that would establish a Texas Ethics Commission with the powers and duties provided by law. The commission would consist of eight appointed members selected as follows: two members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the house of representatives from each major political party; two

members of different political parties appointed by the governor from a list of at least ten names submitted by the members of the senate from each major political party; two members of different political parties appointed by the speaker of the house of representatives from a list of at least ten names submitted by the members of the house from each major political party; and two members of different political parties appointed by the lieutenant governor from a list of at least ten names submitted by the members of the senate from each major political party. A major political party is a political party required by law to hold a primary. With the exception of the initial appointees, commission members would serve for four-year terms. A member who has served for one term and any part of a second term would not be eligible for reappointment. The commission would be authorized to recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. If the commission recommends a change in salary, the voters would be authorized to accept or reject the salary change at the next general election for state and county officers. If the voters approve the recommended salary, that salary would take effect January 1 of the next odd-numbered year; if the voters reject the recommended salary, no change in salary would occur. The commission would set the per diem of the members of the legislature and of the lieutenant governor. The per diem could be raised or lowered biennially as necessary to pay members' costs, but could not exceed the amount allowed as of January 1 that year as a federal income tax deduction for living expenses incurred in a legislative day in connection with a member's business as a legislator, disregarding any federal income tax exception for legislators residing near the Capitol. The commission would have other powers and duties provided by the commission's enabling act (Senate Bill 1, 72nd Legislature, Regular Session). The amendment would also provide that an increase in the emoluments of the office of Lieutenant Governor would not make a legislator ineligible to serve in the office of Lieutenant Governor.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment creating the Texas Ethics Commission and authorizing the commission to recommend the salary for members of the legislature and the lieutenant governor, subject to voter approval, and to set the per diem for those officials, subject to a limit."

**PROPOSITION NO. 7  
ON THE BALLOT**

Senate Joint Resolution 6 proposes a constitutional amendment that would allow the board of trustees of each statewide public retirement system to invest the funds of the system in such manner as the board considers prudent. The board would no longer be limited to investing the funds of the system in securities.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to allow the board of trustees of a statewide public retirement system to invest the funds of the system in a manner that the board considers prudent."

**PROPOSITION NO. 8  
ON THE BALLOT**

Senate Joint Resolution 21 proposes a constitutional amendment that would permit the legislature to create debt by or on behalf of the state if the legislature submitted the debt question to the voters of the state in the form of a proposition and a majority of those voting approved the proposition. The legislature may call the election, by joint resolution approved by at least two-thirds of the members of each house, during any regular session or during any special session if the subject of the proposition is included in the Governor's proclamation for that special session. A proposition must clearly describe the amount and purpose for which debt is to be created and must describe the source of payment for the debt. The amount of debt stated in the proposition may

not be exceeded and may not be renewed unless the right to exceed or renew is stated in the proposition. The legislature may enact laws necessary to implement the authority granted by a proposition. A law enacted in anticipation of the election on a proposition is valid if, by its terms, it is enacted subject to approval of the related proposition. State debt that is created following voter approval of a proposition and that is approved by the Attorney General is incontestable for any reason.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the voters of this state to consider state debt questions in the form of ballot propositions that must clearly describe the amounts, purposes, and sources of payment of the debt only after approval of the propositions by a two-thirds vote of each house of the legislature."

**PROPOSITION NO. 9  
ON THE BALLOT**

Senate Joint Resolution 11 proposes a constitutional amendment that would authorize the commissioner of the General Land Office to issue patents for certain public free school fund land for which there is not a valid transfer of title from either the State or the Republic of Texas to a private party. A patent is a document of title issued by the state. On application to the School Land Board, a person is entitled to receive a patent if: (1) the land is surveyed public free school fund land, (2) the land was not patentable under the law before the adoption of this proposed amendment, (3) the person acquired the land without knowledge of the title defect out of the State of Texas or the Republic of Texas and held the land under color of title, the chain of which dates from at least January 1, 1941, (4) the person has a recorded deed on file in the county courthouse and, in conjunction with his predecessor in interest, has claimed the land for at least fifty years as of January 1, 1991, and (5) the person, in conjunction with his predecessor in interest, for at least 50 years has paid taxes on the land together with all interest and penalties associated with any delinquency. If the applicant is denied a patent, the applicant may file suit against the School Land Board in a district court in the county where the land is located within 60 days from the date of denial. The proposed amendment does not apply to beach land, submerged land, or islands, and may not be used to resolve a boundary dispute. The proposed amendment also does not apply to land found by a court to be state-owned or to land on which the state has given a mineral lease that is in effect when a patent is sought. A patent under this proposed amendment for land within five miles of mineral production shall reserve minerals to the state in the manner provided by law for reservations of minerals in sales to claimants of unsurveyed school land within five miles of production. An application for a patent under this proposed amendment must be filed with the School Land Board before January 1, 1993.

This proposed constitutional amendment is similar to the version of article VII, section 4A, that was in effect between 1981 and 1990. The main difference is that under the earlier version the applicant for a patent to land had to have a chain of title that dated back to at least as early as January 1, 1932.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years."

**PROPOSITION NO. 10  
ON THE BALLOT**

Senate Joint Resolution 15 proposes a constitutional amendment that would allow the legislature to pass general laws to exempt property owned by a nonprofit corporation organized to supply water or provide wastewater service from ad valorem taxation. A nonprofit corporation would be eligible for the exemption if its bylaws provide that

on dissolution, the assets remaining after the discharge of the corporation's indebtedness will be transferred to an entity providing water supply or wastewater service, or both, which is exempt from ad valorem taxation. The transferred assets must be property that is reasonably necessary for and used for water supply and wastewater services.

The proposed amendment will be described on the ballot as follows: "The constitutional amendment authorizing the legislature to exempt from ad valorem taxes certain property of a nonprofit corporation that supplies water or provides wastewater service."

**PROPOSITION NO. 11  
ON THE BALLOT**

House Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to pass laws to authorize the State of Texas to operate lotteries and to enter into a contract with one or more legal entities that will operate lotteries on behalf of the State of Texas.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment authorizing a state lottery."

**PROPOSITION NO. 12  
ON THE BALLOT**

Senate Joint Resolution 34 proposes a constitutional amendment that would increase the total amount of bonds that may be issued by the Texas Water Development Board to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state. The proposed amendment increases the maximum principal amount of the bonds from 20 percent to 50 percent of the \$500 million amount authorized by article III, section 49-d-7, of the Texas Constitution. The proposed amendment would increase the maximum aggregate dollar amount of bonds that the Texas Water Development Board could issue from \$100 million to \$250 million.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment to increase from 20 percent to 50 percent the percentage of Texas water development bonds previously authorized by Texas voters that may be issued for economically distressed areas."

**PROPOSITION NO. 13  
ON THE BALLOT**

Senate Joint Resolution 2 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance education loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interests.

The proposed amendment will be described on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds not to exceed \$300,000,000 to continue existing programs to provide educational loans to students, with repayments of student loans applied toward retirement of the bonds."

*Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el día 5 de noviembre de 1991. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.*

# ROBERT LEE SCHOOL NEWS

## RLJH runs over Wildcats

Robert Lee Junior High outdistanced the Wildcats 8-0 at Water Valley Thursday night. Robert Lee scored on their first possession traveling 80 yards in 12 plays. Harley Wagner scampered the last nine yards for the game's only touchdown. Wagner also scored the two point conversion. One score proved to be enough as the RLJH's defense held Water Valley scoreless with defensive stands that held three times inside Robert Lee's ten yard line.

The coaches insisted that they were proud of the team effort shown. For the first game of the season, it was surprisingly almost penalty free. Realizing there's plenty of room for improvement, the coaches were pleased with the overall performance.

Thursday, September 19, the Jr. High travels to Mertz for their next contest. Playing time is slated for 6 pm.

## RLJH Student Council Officers

Tracie Blair is the new 1991-92 president of the Robert Lee High School Student Council. She was automatically chosen after being vice president 1990-91.

Other officers were elected Monday by the student body. They are John Fluhmann - Vice President; Lori Wink - Secretary; J. J. Tennison - Treasurer; and Elaine Gibbs - Reporter.

## Prather presents review

The GFWC '64 Study Club of Robert Lee met at Bryan's Barn September 10th for its first regular meeting of the '91-'92 season. President JoAnne Harrison opened the meeting by leading the group in the reading of GFWC's Collect. Secretary Opal Jacoby called the roll with 17 members present.

A review of an Erma Bombeck book was presented by special guest, Beth Prather of Robert Lee. Beth has a wonderful background for a travel story such as Bombeck told in her book, because Beth is a seasoned traveler herself. She has visited England, France, Portugal, Spain, Italy, Greece, Yugoslavia, Denmark, Switzerland, Germany, and Holland extensively, and others in passing. Like Bombeck, she is a close observer with a wonderful sense of humor. Each woman is an artist in her field; Erma writes the story and Beth tells it with equal skill. Each of the women is able to make her audience feel she is there to hear, see, and feel everything described. As is always the case after hearing Beth review a book, each listener hoped to read the story herself, which is what Beth suggests.

Refreshments were served, followed by a business meeting. Co-hostesses with Lucile Bryan were Thelma Jo Hinnard, Fay Roe, and Maybelle Stewart.

## Hospital receives Life-Pak system

North Runnels Hospital and North Runnels Hospital Emergency Medical Service are very pleased to announce an addition to their advanced care for cardiac patients. A Life-Pak 10 monitor/defibrillator with external pacing capability has been placed into use. This state of the art equipment adds to the advanced level of care that can be provided in both the pre-hospital and hospital setting for persons having problems with their heart.

The Life-Pak 10 provides a record of treatment given as well as a continuing monitoring of cardiac activity. In addition, the unit can be used to defibrillate a heart that is fibrillating and thus perhaps restore normal cardiac function. The external pacing capability will allow patients in whom the heart beat is too slow to be treated prior to and during transfer to a larger hospital for definitive therapy.

## Ybarra clan meets in RL

The 21st annual Ybarra Family Reunion was held Sunday, September 1, at the Robert Lee Rec Hall. The seven surviving children of Eduardo and Rosa (Gutierrez) Ybarra were present. These being - Pedro Ybarra, Regina Santibanez, Isabel Ybarra and Santiago Ybarra from Abilene, Ynez and Olivia Ybarra from Ozona, Maria and Claro Pena from San Angelo, and Sara Lara from Robert Lee. Deceased children are Eulalia Monjaras and Cruz Gloria.

Sara Lara walked away with the trophy for "Most Family Members Present." She had seventeen children and spouses, twenty-seven grandchildren, and nineteen great-grandchildren present for the special occasion.

Joseph Renea Lara, son of Luther III and Julie Lara from Dallas, received the trophy for "Youngest Family Member." He is 1 1/2 months old.

Pedro Ybarra (aka Uncle Pete) from Abilene received the trophy for "Oldest Family Member." He is the first born of the Ybarra children.

Eddie and Elizabeth Lara and their two children from Amarillo received the trophy for traveling the farthest dis-

tance.

After a delicious dinner, fun was had by all at a softball tournament. First, second, and third place ribbons were awarded to team members. After hitting the showers, a dance was held with "Los Navegantes" from Sweetwater providing the music for family and friends to enjoy.

Those present came from Abilene, Austin, Dallas, San Angelo, Midland, Miles, Amarillo, Wichita Falls, Lubbock, Ozona, Hobbs, New Mexico, and Carlsbad, New Mexico.

Appreciation is expressed from the entire Ybarra family to Lori Sevier, Lucy Gloria, and Isabel Ortega for helping serve, clean up, etc. Muchas Gracias!

Hosting the reunion were the following Robert Lee family members: Jimmy and Janie Munoz, Alberto and Julia Garza, Manuel and Christine Abalos, Ynes and Doris Lara, Joe and Rosa Longoria, Ernest and Vicky Ybarra, Roy and Lee Clawson, Felipe and Betty Rangel, Jesse and Jeanette Eads, Abel and Martha Trejo, and Mike and Mary Rodriguez.

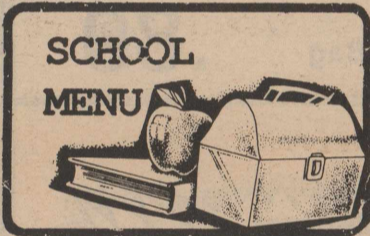

## Menard celebration set

The Menard County Chamber of Commerce has set Friday and Saturday, September 27th and 28th, for their annual Jim Bowie Days Celebration. The weekend will include arts and crafts booths, Fire Department supper, and Homecoming football game Friday, September 27th.

On Saturday, September 28th, there will be a pancake breakfast. All during the day, there will be gun fights and children's games. Beginning

at 1 pm, there will be a fiddlers contest. Arts and crafts booths will be open all day along with a county fair. Food and drinks will be available.

Saturday night, the outdoor theater production of "Song of Silver" will retell Jim Bowie's story. Then at 9 pm, there will be a dance with the music by Southern Image. At the first intermission of the dance, a 1991 Chevrolet Extended Cab Pickup will be given away.

**Exercise Enhances Weight-Loss Programs**

Exercise is an essential part of weight control for more than just burning extra calories. Regular exercise solves that most difficult problem -- making sure the weight never returns.

The most effective strategy for losing weight is healthy eating with lower calorie choices from the basic food groupings combined with a gradual increase in exercise. "The best solution for keeping it off is to keep active," says Peter Wood, Ph.D., professor of medicine at Stanford University and associate director of the Stanford Center for Research in Disease Prevention, in Palo Alto, California.

Wood and co-workers have done studies showing that ei-

ther reducing calories or exercise can result in lost pounds. Reducing calories should be accompanied by regular exercise and occasional reinforcement by a friend or family member. Exercise also results in the following:

- Temporary increases in resting metabolic rate (the rate the body burns calories), which persist for several hours after vigorous exercise. These increases may offset the natural slowing of resting metabolic rate that occurs when calorie intake is cut.
- Stress reduction since stress often triggers overeating for some people.
- When combined with calorie cutting, exercise increases the rate of weight loss. Walking briskly for a half-hour each day burns about 175 calories -

- a potential 15-pound weight loss after a year.

Whatever the exercise -- whether it's racquetball, swimming, bicycling, jogging, walking or aerobics classes -- exercise becomes increasingly fun for people as they become fit. Why not start enjoying exercise and feel better doing it. Try it, you may like it.

**Blackwell VFD receives grant**

Governor Ann Richards has announced that 39 fire departments in Texas recently received grants totalling over \$850,000 for fire fighting facilities, equipment, protective clothing, and training.

A bill introduced in the 71st Legislature created the Fire Department Emergency Board to award the state-funded grants "as an initial step to decrease fire insurance rates," said Richards.

Included in the grants is a

\$157,003 award to fire departments in Guadalupe County to construct a fire fighters' training facility in Seguin. "The training facility will provide low cost education and training for many of the 54,000 fire fighters in Texas, and the equipment and protective clothing will provide greater protection for fire fighters who risk their lives to help others," said Richards.

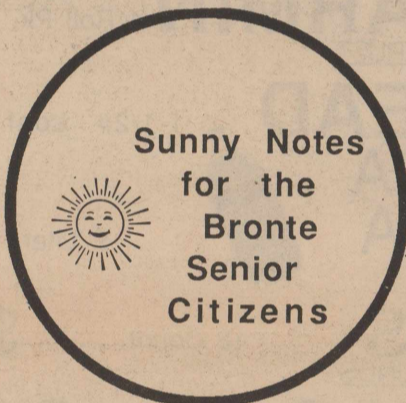

Among those receiving grants was Coke/Nolan County in Blackwell. The Blackwell VFD gained a \$10,500 grant.

**Health Fair**

A Health Fair will be held from 9:30 am to 3:30 pm Tuesday, September 24th, at the Community Center in Bronte.

The Fair is open to all ages and is being sponsored by the Texas Department of Health and the Bronte Senior Citizens.

The van will provide transportation to the Health Fair after 11:30 am. The number to call for reservations on the van is 473-6471.

**Potluck Luncheon**

Thursday, September 26th, is the day set for the monthly potluck lunch and dominoes. The doors open at 8 am and

**Personal**

Doug Herford and his children, Jacob and Bree, of Ventura, California, spent a week's vacation in Robert Lee visiting with his parents, Mr. and Mrs. James Herford. They visited one day with Doug's grandmother, Mrs. B. C. Vardy of Midland. They also enjoyed Saturday at the park at the Labor Day Extravaganza.

They returned to California on Sunday because Doug had to go back to work and Jacob and Bree started to school on September 5.

lunch is served at 11:30. Several members of the local Gospel Group will entertain. Bring a potluck dish and come join the fellowship.

**Meals For The Week**

**Monday, Sept. 23**

**"Now you can pay the same amount every month of the year for your electric bill!"**

**It's easy with WTU's Equal Payment Plan.**

Electric bills peak in the Summer and Winter when demand is up and are lower in the Spring and Fall. With the **Equal Payment Plan**, you can level out your electric bill because the monthly payments are averaged and adjusted over a year.

Any WTU residential customer or church with approved credit and a monthly bill of \$15.00 or more can qualify.

"Level out your electric bills with the Equal Payment Plan."
