Shamrock Clinic greets crowd at opening

Robert Lee's Shamrock Clinic opened its doors Monday morning with an official Open House, attended by about 250 community residents.

A beautiful buffet table of cheeses, crackers, cakes, cookies, coffee, and punch greeted visitors. An unusual floral centerpiece featured vegetables such as curly lettuce and dyed turnip slices rolled into blooms.

The clinic is located at 722 South Washington, across from the West Coke County Nursing Home and is an

affiliate of Shannon Medical Center of San Angelo. Regular hours for the facility will be 8 am until 12 noon and 1-5 pm Monday through Friday.

Physician for the clinic will be a San Angelo native, Dr. Chris Mickelson, who will commute. According to personnel, the facility will be operated as a minor emergency and family practice clinic.

Shamrock Clinic offered flu shots and free cholesterol testing during the Open House. Mrs. Janie Munoz,

receptionist for the clinic, said Tuesday that approximately 250 attended Monday, with 216 of those receiving the timely flu shots, along with several who saw Dr. Mickelson or made appointments.

Mrs. Tammy Royall of Robert Lee will serve as the clinic nurse to complete the staff.

The community at large has expressed its pleasure with the clinic opening and believes the convenience and security of having local medical care can sustain the facility.

County voters were against Amendments #2, #5, #6, #7, and #11. They passed #4, to provide for more prison facilities which passed statewide but were one of the few counties to fail #11, permission to conduct a lottery. The lottery issue did pass on a statewide level by approximately a 65%-35% split, while Coke County turned it down 361 to 319.

Sixth grade named Red Ribbon winners

The winner of the Red Ribbon Slogan Contest held during the week of October 19-26 was Mrs. Ensor's 6th grade class. Their slogan was "When one is on drugs, the colors of a rainbow run clear." This is a slogan all of our community can share.

The first place winner in elementary was Mrs. Dyess's second grade class with their slogan, "Let's make drugs extinct." The first place winner in high school was Mrs. McMullan's accounting class with "Don't do drugs on 'account' there's no 'profit' in it."

All of the slogans were excellent and the students worked very hard on them. All classes who participated received a participation certificate. The Kindergarten class had a best performance when they presented their slogan. The posters are at school and most classes have posted them in the classrooms and halls.

Cynthia Turner and Joe Draper did a super job of helping judge the contest. All community members need to join together in the fight against drugs.

The overall winner of the Red Ribbon Slogan Contest held during Drug Free Week at Bronte School was Mrs. Delma Ensor's 6th Grade class.

Dear Hal,

This is more like an open letter to the citizens of Coke County but I hope you will print it in your paper.

Let me say at the outset that I am not a politician nor do I wish to be involved in politics as such. The issue I want to discuss could certainly be considered political, but I prefer to look at it as a measure to help our county in a financial way. Let's face it, our county is in financial trouble.

I would like very much to see us look into the possibility of consolidating our four existing precinct yards into one central operation. This could benefit our county in many ways.

It would eliminate duplication of equipment. This would enable us to upgrade and in some cases have larger equipment such as dump trucks, etc. We could have equipment to be proud of instead of being ashamed to admit that we ask our county employees to work with some of the antiquated equipment they now are asked to use. I believe we could even have our own equipment to seal coat and maintain our paved roads instead of having to depend on million dollar bond issues and outside contractors to do the job.

This would not necessarily

mean that anyone's job would be eliminated. It could possibly mean that we might not need to hire as much part-time help as we now do.

There are many advantages to this plan and it would take several pages to list them all, so just let me say this -- discuss it with your commissioner, your friends, and your family. Then, if you think it might be beneficial to Coke County, ask our commissioners to act upon it. Please do not think of it as a way to help East Coke County or

West Coke County. Look at it as a way to help Coke County, because after all, we are one county.

I firmly believe the people of Coke County can accomplish almost anything when we work together. We need to work together to do anything we can to get our county back on its feet and operating for the good of all our people.

Thank you, Hal, for the time and space. I appreciate it very much.

A concerned citizen,
 J. M. (Mike) Ross

Burns accepted to Beefmaster Ass'n.

Sidney W. Burns of Robert Lee has been accepted as an Active member of Beefmaster Breeders Universal (BBU). At the same time his son, Jeremy G. Burns, was accepted as a Junior member of the organization.

The Beefmaster breed of cattle, which was founded in South Texas in the early 1930s, was developed on selection for traits of economic importance which have become known as "The Six Essentials." These traits are fertility, milking ability, growth, conformation, hardiness, and disposition. Beefmasters were recognized as a pure breed by the USDA in 1954. BBU, headquartered in San Antonio, is the national breed registry for BBU Beefmaster cattle and was chartered in 1961. Since that time, it has grown to rank as the largest of the American Breed registry associations.

With membership in BBU, they join more than 4,200 cattlemen in 36 states and seven foreign countries who hold membership in this progressive association.

ASCS requests spouse info

Beginning with the 1992 year, any ASCS form that requires a husband's signature will also require a spouse's signature. This has come about because Texas is a community property state and is designed to protect the spouse. Whether we are talking about the 1992 Farm Program, ACP request or CRP program, the spouse must sign the document. We have sent out numerous letters requesting a spouse's full name and social security number. If you plan to participate in any ASCS program, we need the information back.

If you return the information now, there will not be a delay in future program applications.

We are trying to make participation as easy as possible within regulations.

Sports Boosters to meet Monday

The Bronte All-Sports Boosters will meet next Monday, November 11, at 7 pm in the school cafeteria. The Boosters will have Parents' Night this Friday at the ballgame against Robert Lee. All parents of the football boys need to be at the football field at 6:45 to be introduced.

There are still volleyball shirts available to be purchased to help support the girls in this successful season. The Boosters wish Coach Bozarth and her team a lot of luck in the game Saturday against Three Way.

Due to the tremendous support of the entire community, the Fall Festival was once again a success.

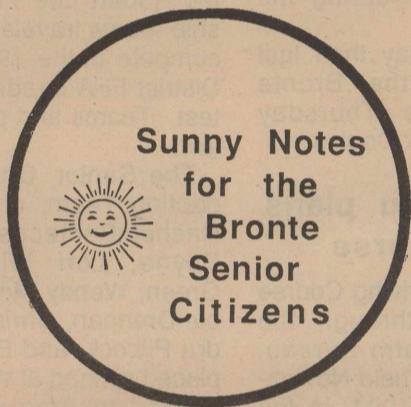

Come and back the Longhorns in their last home game this Friday night at 7:30 pm against Robert Lee.

This world is full of willing people - some willing to work and others willing to let them.

- Robert Frost

Mr. and Mrs. Foy Askins will be honored at a reception to commemorate their Golden Wedding Anniversary Saturday, November 9, from 2 until 4 o'clock in the Recreation Hall in Robert Lee. Their children, who will host the occasion, invite all their friends and relatives to attend.

Only Four Spots Remain in "55 Alive" Class

Christmas at Fort Concho

The history of late 1800s forts in Texas will come to life December 6, 7, and 8 this year during "Christmas at Old Fort Concho" in San Angelo.

During its 10th anniversary, "Christmas at Old Fort Concho" will bring to life the 40 acre, restored, fort site and enable visitors to relive the past. Besides photographs and memories of reenactments by the fort's Living History groups and artisans of the era, guests may take home selected treasures provided for sale by more than 75 arts and crafts merchants.

Food, entertainment, and the opportunity to learn more about how early settlers and the military celebrated the Christmas season will lure visitors from around the world as it has in past years.

One of the largest yuletide

celebrations in Texas, "Christmas at Old Fort Concho" has become a tradition in San Angelo, bringing out hundreds of costumed volunteers who provide western hospitality and a true learning experience as they mix and mingle with visitors to the fort. All sorts of authentic demonstrations, wares and entertainment are available to families and individuals who lose themselves in their trek into the past.

Delicious foods will be available while visitors step back in time. Don't miss a visit to the Arc Light Saloon! Cowboy poets will entertain on Saturday night. Sunday morning will feature a cowboy breakfast and an outdoor church service. Dramas on the parade ground will tell history of the fort as well as the area frontier.

Steers give good effort in loss to GC

By Bill Burns

The Steers went against Garden City last Friday night. Garden City has been ranked #1 most of the year, but that didn't stop the Steers from giving a good effort.

1st Half

The 1st half belonged to Garden City as they scored 35 unanswered points. The Steer offense had trouble getting started as they had only one first down on a 31 yard pass play from Danny Jackson to John Williams.

3rd Quarter

The 3rd quarter was a tie on the scoreboard with no scoring. Robert Lee had two first downs to Garden City's two, but the Steers had two turnovers to the Bearkats' one.

4th Quarter

This quarter was also close. Robert Lee had four first downs, as did Garden City. Millican scored for the Steers from the Garden City 7 yard line, but the extra point kick failed. Garden City scored from the Steer 10 yard line

and made their kick good for the extra point.

The game ended 42-6 in favor of Garden City.

The Steers play Bronte at Bronte for the County Championship this Friday night.

Dogies thrill crowd at GC

The Dogies played such an exciting game that the fans were thrilled and chilled last Thursday at Garden City. They matched the Bearkats touchdown for touchdown and were not sure of the outcome until minutes after time ran out. Although the Dogies came up short in the end, it was one of their best efforts.

The Hood Connection scored on the second Dogie possession with a pass for 30 yards. The PAT attempt failed. The third Dogie possession found Daniel Hayes running a 70 yard kick off return back for a touchdown. Eric Torres scored the 2 point conversion. The first quarter ended with Robert Lee 14, Garden City 16.

Daniel Hayes brought down a Hood pass, resulting in a 25 yard touchdown. With 55 seconds left in the half, Harley Wagner scored on a 55 yard run and then scored the 2 point conversion. The half ended with the Dogies ahead on the scoreboard, 28-22.

With 3:18 left in the third quarter, the Bearkats tied the game at 28 points apiece. The Dogies moved down the field with authority, scoring next on an 8 yard run by Wagner. The 2 point conversion attempt was unsuccessful. The scoring seasawed back and forth with Garden City scoring again. With seven seconds left on the clock, Aaron Hood completed a pass to Eric Hood down to the 3

yard line. A pass interference penalty was called as time ran out. The Dogies were allowed one more play, but couldn't capitalize on the opportunity. The final score was Robert Lee 34, Garden City 36.

The entire Dogie team deserves credit for consistent aggressive play during the game.

The Dogies play their last game against the Bronte Shorthorns this Thursday night. Good Luck Dogies!

The Lady Longhorns have been busy getting ready for their bi-district match, recently facing Grandfalls and Abilene High.

On Halloween, the Horns traveled to Odessa to play 1A Grandfalls, District 5 runner-up.

A sluggish start saw the Horns down 0-5. However, behind the serving of Teresa Vaughn, they took a 7-5 lead and went on to win 15-7.

Amie Parker took charge in Game 2, serving 7 straight points. Grandfalls' only point of the game came on an over-set.

Several Horns had good offensive performances. Tina Smith had 8 kills, Darla Scott followed with 7, and Vaughn had 6.

Alisa Richards and Kristie Cooper each had 11 assists, while Brandi Thomas, Parker, and Vaughn each had two aces.

Tuesday, November 5, the Horns took on powerhouse Abilene High, District 4-5A Champion, losing 15-10; 15-9.

The Horns jumped out to a 5-0 lead, but Abilene raced back to take the lead. Bronte was kept off guard by the quick sets and powerful hits.

Game 2 was disastrous as Bronte fell behind 1-10. However, determination and scrappy defense pulled them back into the game 9-11. Abilene then scored 4 points for the win.

The loss has no bearing on the Horns other than it drops their record to 21-3.

"We needed to play a really good team going into the playoffs," Coach Bozarth said. She also said that there were still a few areas the Horns need to improve on, but overall she was pleased with Tuesday's performance.

The Horns will play Three Way in a bi-district match Saturday, November 9, at Ector Junior High in Odessa at 2 pm.

If they win that match, they most likely will face Harrold for Area Tuesday, November 12, in Aspermont at 7 pm.

The Regional Tournament will be held in Lubbock on Saturday, November 16.

Longhorns fall to Rotan

The Bronte Longhorns were out of their league when they played the Rotan Yellowhammers last Friday night. In the extreme cold, the Horns fell 58-0.

Gary Bilbrey was credited with one interception and 44 of the total 95 yards rushing for the Longhorns versus Rotan's 204 yards. Jacob Golson rushed for 25 yards.

The stats were very lopsided as the Yellowhammers had 11 first downs with Bronte recording only 3, they also fumbled only once to Bronte's 5, and

punted once for 50 yards to Bronte's 5 punts for 26 yards. Rotan also had 15 passing yards with Bronte attempting 5 passes unsuccessfully.

"We were just totally outmanned, they were just quicker than we were," said Coach Keith McCutchen.

The Horns will face Robert Lee in the annual Coke County Championship this Friday night at 7:30 pm on the local field. The young Longhorns deserve the community's attendance and support in their last two contests of this season.

Karschner is WCCCD guest speaker

Gary Karschner of San Angelo spoke to the West Coke County Community Development Monday night as a representative of the United Blood Services. His short program gave many interesting facts about blood make-up and donating blood. WCCCD was the sponsor for the blood drive at the courthouse Wednesday.

First order of business at the general meeting concerned the awesome response to last Saturday's

Hunters' BBQ headed up for the 3rd year by the community development group. An inventory of plates and napkin set-up packets showed a total of 850 were served at the Rec Hall in Robert Lee. Too big to be called a crowd, the mob hailed from 5 states and 102 cities, according to the register at the door. It was a credit to Chairman Bob Wrinkle, WCCCD members, and volunteers that the food balanced out until about the 775th diner and everything

went off very well. Toward the last 50 or 60 hunters, they had to be content with slaw, bread, and plenty of meat. Cleanup went well and workers were home by 10 pm. It was a monumental job well done and hunters were very appreciative of the meal and fellowship.

The remainder of the meeting was spent in the discussion of the December 7 "Christmas In Our Little Town" in Robert Lee. Festivities will include business Open Houses, a parade, drawings, lighting and decoration contest, and a tour of homes.

IRS volunteers needed

The AARP sponsored free income tax counseling service, in cooperation with the Internal Revenue Service, needs volunteers to establish a Counseling Site in Robert Lee to help taxpayers with their returns. This service provides free tax preparation assistance and counseling to the Elderly, Retired, and any other persons in need of help in completing non-complex 1040, 1040A & 1040EZ Federal income tax returns. This service also offers information regarding tax credits for child care and elderly.

Training of volunteers for this very important public service will be provided by IRS

and AARP instructors. Training sessions will be held at the O. C. Fisher Federal Building in San Angelo beginning Monday, January 6, and will end on Thursday, January 9. Lodging and food expenses will be reimbursed by AARP as appropriate.

Upon completion of training, a counselor will be required to offer this tax-aided service one half day per week from February 3 thru April 15, 1992.

For more information, please call or write Harry Hall, 3406 Tanglewood Drive, San Angelo, Texas 76904, (915) 944-2979.

Essay contest announced

An all-expense paid trip to Washington, D. C., next June 4-16, 1992, will be awarded to two (2) young people from the Concho Valley Electric Cooperative service area, according to Alton Rollans, Manager of the system.

Mr. Rollans said winners of an essay-speech contest would be awarded the trip. Any student in the system's area, and who will be 16 years old by June 1, 1992, and not more than 18 years old by September 1, 1992, are eligible to enter the contest.

Contestants will be required to submit a 750 word essay on the subject "History and Organization of Rural Electrification." Deadline for submitting essays will be January 3,

1992. On basis of the essays, twelve finalists will meet on January 16th and read their essay in front of three judges and will be judged on the following: knowledge of subject, originality, composition/grammar, appearance/neatness, and personality.

Winners and runners-up will be announced that night. This is the 7th year that CVEC has sponsored a contest. Winners last year were Tracie Multer of Wall and Jared Eggemeyer of Miles.

The two winners will meet in Lewisville, Texas, on June 4th, along with approximately 60-70 other winners across Texas, and travel to Washington, D. C., by bus.

McClures add stripes

Jerrod McClure, age 9, and Jesse McClure, age 8, have been enrolled in Tae Kwon Do at the Angelo Tae Kwon Do Institute since the end of July. The Institute is affiliated with the International Tae Kwon Do Federation.

On October 28, 1991, approximately 20 students tested for several different color belts. Jerrod and Jesse tested for two yellow stripes on their white belt. The test is divided into three sections: one is the demonstration of a pattern or patterns; the second is an interview with ITS instructors regarding general knowledge of Tae Kwon Do; and the third test consists of the students breaking a 1" x 12" board with a kick. Jerrod was successful in all sections of his test and Jesse was suc-

cessful in two sections. However, Jesse was unable to break his board. Both boys passed the test with Jesse listed as on probation until he completes the third section of the test.

One award for best overall test of all students was given to Jerrod. Congratulations boys and good luck with future tests.

Cervical cancer rates decline

Cervical cancer rates are on the decline because diagnosis and treatment have improved. "Physicians can now detect abnormal cells in the cervical lining before cancer has time to develop," said Dr. Alan L. Kaplan, an obstetrician and gynecologist at Baylor College of Medicine in Houston. Once diagnosed, often through a Pap smear, most of these pre-cancers are easily treated in a physician's office using a laser or a freezing procedure called cryotherapy.

Winters nurse's aide training slated

The Western Texas College/North Runnels Hospital Nurse's Aide Training Course will be held again in Winters beginning November 18 at 3:30 pm at the Winters High School. Registration will begin November 11 at the counselor's office (Winters High School) between 3:30 and 5 pm. Classes will be held primarily on Mondays, Thursdays, and Fridays for one hour each after 3:30 pm.

This particular training program began as a pilot project this past summer with a great deal of cooperation between WTC, NRH, WHS, and Shannon Medical Center in San Angelo. The curriculum

(registered by the Texas Department of Health) involves at least 80 hours of classroom and clinical experience. This training involves developing knowledge and technical skills with the personal care of the patients, mental and physical rehabilitation, safety and sanitation within the facility, infection control, needs of the aging patient, making beds, lifting patients, and every facet of nursing care a patient needs.

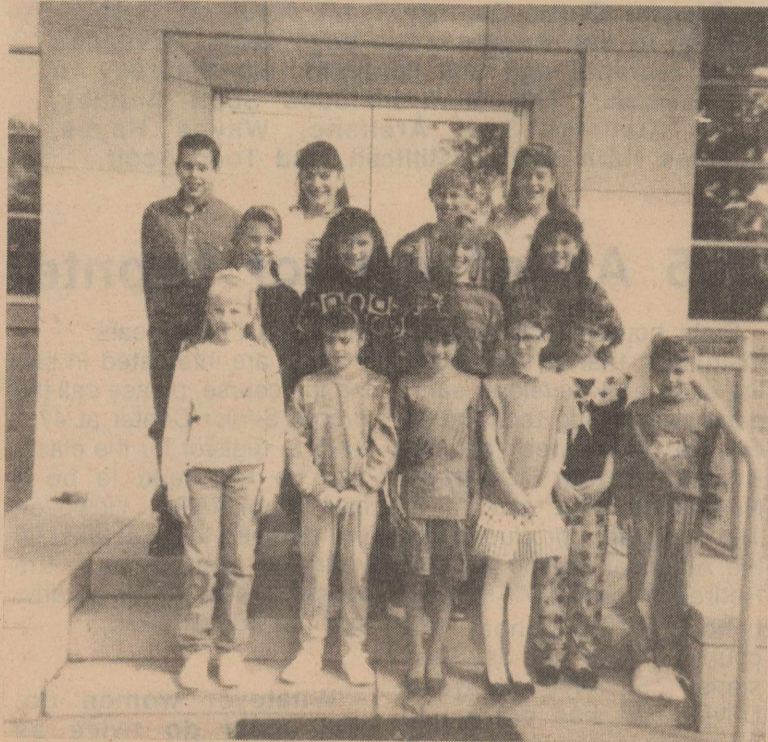

Upon completion of the course, (approximately March 27), each student will take the skills test and written examination administered by the Texas Department of

Health. Tentative exam dates are April 4th and 5th, 1992. The last class had an impressive 100% passing rate with the state exam.

The cost of the program is \$250, which includes books, workbooks, tuition, and state exam fees. Financial aid is available through the West Central Texas Council of Governments. Those students who are in high school and wanting to participate in this program need to contact Susie Johnson at 915/754-5516. Participants who are out of high school need to contact Cheryl Halliburton at 1-800-457-JOBS to apply for financial aid before registration day, November 11th.

In costume for the Halloween party at the Bronte Nursing Home were (back row, l-r) Gladys Baker, Velda Parks, Bennie McRorey, Pauline Blair, Jennifer Sowell, Sherry Eubanks, (front row, l-r) Mary Jane Cooper, Mary Sanchez, and Julia Rogge.

Coke County 4-H'ers gather on the courthouse steps prior to the Food Show Saturday.

Peddler Show set for F'burg

The Country Peddler Show will return to Fredericksburg at the Gillespie County Fairgrounds Friday, November 29, 1-9 pm; Saturday, November 30, 9 am - 6 pm; and Sunday, December 1, 11 am - 5 pm. The traveling crafters show comes twice a year to the area.

Visitors will discover furniture, pottery, baskets, textiles, lighting, carvings, paintings, potpourri, and stencils, as well as fashion items like original design dresses, collars, hats, vests, jackets, sweaters, and jewelry. It is the perfect shopping opportunity for collecting, home decorating, and gift buying.

A Folk Music Dulcimer Concert will follow Saturday's Peddler Show at 7 pm on the grounds, free to those with show tickets.

Bronte merchants dress for Halloween

Mary Hart, and Earlene and Eddie Alexander of Margaret's Flowers & Gifts were among the Bronte Merchants in costume for Halloween.

The second annual Bronte Merchants Halloween celebration was held October 31st in downtown Bronte.

All merchants were in costume for the affair. Businesses were also decorated in the Halloween motif.

Due to inclement weather, the school children did not need to get out, so the merchants, attired in their costumes, took treats to the school and passed them out to students in Kindergarten and 1st and 2nd grades.

BHS Band receives III at contest

By Tanya Kelly

The Bronte Longhorn Marching Band, under the leadership of band director Mike Shafer, competed Saturday, October 28, at the UIL Marching Contest.

According to Shafer, the band did a good job. There were seven bands in their class. Both Baird and Roscoe made ones, no one made a two, the Bronte band made a three, and four other schools made fours.

"I was well pleased with their performance and will look forward to doing better next year," Shafer said.

Kim Blair, one of this year's drum majors also felt that the band did well. Blair also felt that the band did all the major things right, but that the little things needed work. She also stated that this year's band will improve with the more practice they get.

All in all, the Bronte marching band did real well. They'll continue to work hard and keep getting better and better. Next year will bring about new experiences and improved competition.

Elisa Arellano competed well in the Girls' District Cross Country Track Meet on October 29th in San Angelo. The boys' team advanced to regional and will compete this Saturday in Lubbock. The team includes Scott Antilley, Eli Arellano, Saul Arellano, Wayne Hayes, Russ Horn, Bobby Millican, and Todd Scott.

Halloween spooks at Joni-Lynn Sportswear included (back row, l-r) Shirley Denton, Lucretia Arrott, Christine Corley, Wanda Gibbs, Ronda Briley, Pat Shafer, Joyce Broadstreet, (front row, l-r) Pam Parker, Bernice Pruitt, and Sandra Arrott.

Singing is well attended

Once again sixty people joined their hearts and voices in Praise to God through singing, playing instruments, prayer, and fellowship.

Everyone is invited to attend these meetings the first Sunday afternoon of each month from 2-4 pm in the Fellowship Hall of Central Baptist Church in Bronte.

The community of Christoval was represented for the first time. Other communities represented were San Angelo, Miles, Talpa, Carlsbad, Water Valley, Oak Creek, Blackwell, Robert Lee, and Bronte.

Appreciation is expressed to those who brought refreshments.

"55 Alive" set for Bronte

Eight hours of classroom instruction that refines existing skills and develops safe, defensive driving techniques will be presented at the Bronte Senior Center November 14th and 15th. The program, produced by the American Association of Retired Persons (AARP), is conducted throughout the country in two half-day sessions. "55 Alive - Mature Driving" teaches preventive measures to use when driving in order to save lives. The individual and community will benefit greatly from this course.

The classes will be taught on Thursday, November 14, and Friday, November 15, from 1-5 pm each day. The cost of the course is \$8. Also, after completing this course, you are entitled to a 10% discount on your auto insurance

for the next three years.

If you are interested in taking the course, please call the Bronte Senior Center at 473-6471 to register for the class. You do not need to be a member of AARP. However, you do need to be at least 50 years of age to take the course. There will be no driving tests administered.

"Whatever women do, they must do twice as well as men to be thought half as good. Luckily, this is not difficult." - Charlotte Whitton

"It's not the frivolity of women that makes them so intolerable. It's their ghastly enthusiasm." - Horace Rumpole, "Rumpole of the Bailey."
