Voters turn thumbs down on road system

With the bulk of nationwide election returns in, Bill Clinton has been elected President of the United States. When he takes office January 20, 1993, he will be supported by a Democratic Congress. Initial reports at presstime showed Clinton was elected by 44 percent of the vote, George Bush garnered 39 percent, and Ross Perot gained 17 percent for a respectable third place, a decent finish for his on-again, off-again campaign.

George Bush did carry Texas and Coke County in the county presidential voting, Bush gained 640, Clinton had 580, and Perot got a surprising 393.

Senator Bill Sims took the Dist. 25 race but not by as large a margin as expected. In the county he garnered 1058 to Troy Fraser's 532.

Barbara Walther will serve the 51st District as Judge,

gaining county support over Robert Post 825-708. Coke County went for Charlotte Harris as the new 51st District Attorney over Richard Ely Jr. 886-451.

U.S. Representative Charles Stenholm retained his seat and Coke County gave him 1113 votes over 390 for Jeanie Sadowski.

Barry Williamson soundly defeated Lena Guerrero for the Railroad Commission seat. The county supported Williamson 955-521.

All county candidates ran without opposition and voters gave them full support in their respective precincts.

One of the hottest contested questions on the ballot was the Unit Road System proposed for Coke County. The issue was defeated 626-757.

A total of 1629 persons voted in the general election

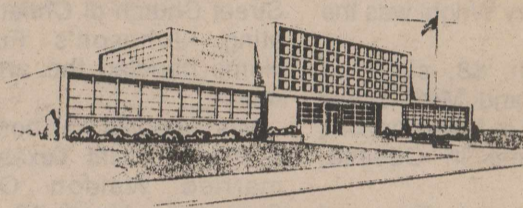

out of 2,168 registered voters, making it a high percentage turnout, as predicted. A record 100 million votes were cast in the nation, surpassing the 92 million Americans who went to the polls in 1988.

Runnels Baptist

The Runnels Baptist Association will meet for a World Mission Banquet November 16, at Robert Lee Baptist Church, Robert Lee. The Executive Board and WMU will meet in regular session at 6:00 pm. At 6:30 everyone will meet in the Fellowship Hall for the Banquet.

The Associational WMU Director, Mrs. Ramona Akins, is in charge of the program. Luke Smith, missionary to Peru, will be the speaker.

Church member families and youth mission groups are invited and welcomed to attend.

Coke County Courthouse News

Chris Wyatt was sworn in as assistant county attorney on Monday, Nov. 2, during the monthly Commissioners' Court meeting. The Commissioners Court ratified an agreement between the county attorney's office and the courthouse for his private law practice.

Wyatt, formerly of Post,

Texas has purchased the law practice of Bill Helwig. He took over the practice on Monday morning and is also filling the present legal needs of Coke County as assistant county attorney.

Helwig has accepted a position with Texas A & M University System and will begin that contract January 1, 1993.

Hunter barbecue slated

Between 800 and 1,000 people are expected for the annual Hunter's Appreciation BBQ this weekend in Robert Lee. Sponsored by the West Coke County Community Development, the event has grown to gigantic proportions. It will be held in the Rec Hall with serving from 6-9 pm on Saturday, Nov. 7, opening day of deer season. The group fed an unbelievable total of over 800 people last year. It is a family affair; many wives and children join the hunters.

Barbecued beef and sausage, with all the trimmings, including dessert, will be served. The big feed spills

over into the park and livestock barn to accommodate the huge crowd.

Actually it is a fun event; the hunters are appreciative, and pretty much of a festive air prevails with lots of visiting and swapping tales.

Volunteers and WCCCD members do the work - preparations, cooking, serving, cleaning up, whatever is required to make the event succeed. More are always needed. If you can help in any way or you need to donate and acquire tickets for your hunters, please call Bob Wrinkle, 453-2414 at Ace Hardware in Robert Lee. Be a part of this community undertaking.

Leach speaks to RL-Silver Lions Club

The Robert Lee, Silver Lions Club met in general session on Tuesday evening at the Gingham Diner. President Joe Brazier introduced guest speaker, Bill Leach of San Angelo, following an excellent dinner. Mr. Leach holds the office of Governor in District 2A-1, which includes 68 clubs and the local organization. A Church of Christ minister for thirty years, he had spoken at Northside in the past and knew a number of Robert Lee people.

Mr. Leach gave an overview of Lionism's focus on service for those in need. Although Lions Clubs work in all areas of need, the organizations'

special interest has always been for all phases of eye care. Lions Clubs International Foundation is now pledging support to Campaign Sightfirst to raise \$130 million to conquer world blindness by fighting reversible and preventable problems.

He spoke of the success of the regional Eye Bank at Midland which provides transplants. A new Eyeglass Recycling Center will soon be in operation in Midland, also.

Mr. Leach urged those present to re-inforce the "We Serve" logo of Lions Clubs, to be aware of specific local needs and reminded members that Lions International is the largest service organization in the world.

In other business, two new

members of the local group were initiated - Melvin Terrell and Tommy Sizemore.

The light bulb sale was delayed until a later date and bulbs will be on sale locally at J&B Lumber where they are stored.

Ticket sales on the .243 rifle drawing have been brisk and will continue through Nov. 9.

Members voted to contribute to the Christmas fund for needy families and to Eli Boxell, son of Mr. and Mrs. Lonnie Bloodworth, who suffered a football injury.

Winton Milliff reported on plans for the annual Christmas Dinner. It will be held at Zentner's Daughters' Steak House in San Angelo, December 1, and will serve as the December general meeting.

Br. Nursing Home News

The last few days of October were busy ones for residents and employees of Bronte Nursing Home. On Thursday several of the residents and employees were invited out to Norma and Jo Gentry's in the Marie Community for a very good home cooked meal. All enjoyed it very much, girls. Josie Sims could tell us some good stories about it, as she went to school out there. On Friday, everyone enjoyed a hot dog lunch for Halloween. Residents that wanted to, dressed for the day along with the em-

ployees. Saturday was also a busy day here. Nine of the residents rode the nursing home float for the Homecoming Parade and threw candy. Then at 6:30 there were 14 ready for the spooks. We had about 75 to visit the nursing home. The weather must have kept the others at home. Thanks to each and everyone that donated candy for the night. It was greatly appreciated.

There has been a Hee Haw night planned for a little later in the month. More about it later on.

Horns trample Lions for Homecoming

An outstanding defensive effort by the Bronte Longhorns held the Roby Lions to 135 total yards, propelling the Horns to a 43-8 Homecoming victory Friday night. The "Charge" was led by hungry Longhorns Rudy Sanchez, Fred Arthur, Ramon Fuentez, and Randy Bilbrey. Aggressive Longhorn defense was displayed by Clint Brasher, Danny Hoyt, Jason Cooper, and Brent Taylor. The Lions were held to 49 yards passing by the outstanding efforts of Gary Bilbrey, Jamie Flores, Cory Robinson, Jason Wilson, Jacob Golson, and Brian Hall.

These outstanding performances forced four fumbles and two interceptions, giving the offense ample opportunity to add points to the scoreboard. The offensive blocking of James Hambricht, Davis Cason, Randy Bilbrey, Edwin Thomas, Devlin Pierce, and Jacob Golson, opened huge holes for the Longhorn backs, Gary Bilbrey, Brent Taylor, Jason Cooper, and Jamie Flores to run through.

They rushed for 274 yards with Gary Bilbrey compiling 210 yards alone, and scored four touchdowns. The Horns racked up 23 first downs in the game while scoring 36 of their points during the first half to quickly put the game away. Jamie Flores added two more touchdowns, along with the safety in the endzone, and the five extra points that were kicked by Nathan Barnett, accounted for the total 43 points that were scored.

Bronte improved to 5 - 4 overall and 2 - 2 in District play. Roby dropped to 3 - 6 and 1 -

3. The Longhorns will play their final game of the 1992 season in Forsan Friday night at 7:30, against the Buffaloes

Homecoming results told

What an exciting happy Homecoming it was in Bronte on Friday and Saturday.

Special Activities began at the pep rally on Friday afternoon as students and exes witnessed fired-up cheers in a flash back scene in a highly decorated gym.

A stadium-filled crowd cheered as the Longhorns defeated the Roby Lions.

Royalty was honored at halftime. Amy Bailey was recognized as Band Sweetheart escorted by Band Beau Casey Thorn and Leslie Markwood was honored as Football Sweetheart.

Three duchesses were presented for Homecoming Queen. Jamie Morrow was announced as the Queen and was crowned. They were escorted by their fathers.

Following the football game a dance was held at the community center sponsored by Future Homemakers of America.

Saturday morning everyone was still enthusiastic as they gathered downtown along the streets for the parade. Those downtown were treated with coffee and doughnuts at First National Bank.

The parade was led by the New Bronte Fire Department fire truck, followed by Dr. Beasley's Six White Horses and riders from Hardin Simmons University, of Abilene. Each school class had an en-

try in the parade and added much enthusiasm and excitement to the parade. J. T. and Sibyl Henry were Parade Marshalls for teaching in the Bronte Schools for a long period of time.

Floats were entered by exes for several years, Retired Teachers Association, horseback riders, dog entries, and Bronte Nursing Home Float and various club float entries.

After the parade approximately 200 people were served a delicious meal by McGowen's Catering Service from San Angelo in the school cafeteria.

Entertainment during and after the meal was provided in the auditorium by Mary Belle Hilliard and Don Edmiaston of Bronte and Brian James of Bronte and Jill Sanford of San Angelo.

A program followed beginning at 2 pm.

Roscoe dodges the Steer bullet "barely"

Roscoe breathed a sigh of relief when the time ran out in last Friday night's game. They had won the game on the scoreboard, but they knew they had dodged a bullet as the Steers gave them a sound beating in all the other statistics.

The Steers can hold their head high, as they head toward the playoffs. The Steers are a good team and they seem to be getting better each week.

1st Quarter

Roscoe received the kick at the 15 and returned to their own 35 yard line. The Steers held them short of a first down. The Steers took over at their own 45, made a first at the Roscoe 39, another at the Roscoe 25, another at the 14, then the 3 yard line. Danny Jackson scored from the 3 on a run. Scot Millican kicked the extra point, and Roscoe was down 7 to 0. Roscoe started a drive of their own as the quarter came to a close.

2nd Quarter

Roscoe continued the drive with two more first downs before scoring from the one yard line. They missed their extra point and the Steers still lead 7-6.

Roscoe forced the Steers to punt on the next possession. Roscoe was able to score and go ahead of the Steers. Roscoe ran for 2

points after the TD and Roscoe led 14-7.

The Steers put together a good drive on their next possession and Blake Pitcock made a 30 yard run to cap it off for the Steer TD. The kick for the extra failed. Roscoe 14 - Steers 13. Roscoe came back and got 7 more on their next drive to make it 21 - 13. The half came to an end.

2nd Half

The Steers put together two excellent drives that moved the ball inside the Roscoe five yard line. Unfortunately for the Steers, they

could not move across the goal line. Roscoe never threatened again until the last minute of the game when they moved inside the Steer 20, down to the 18 yard line. The game ended and the Steers had proven that they could play with a state contender.

RL Homecoming

Homecoming is always an exciting time and this year was certainly no exception. Most Robert Lee residents know by now that the Steers were victorious in the all-important game over Forsan October 16.

If you were fortunate enough to be along the parade route that afternoon you no doubt realize that originality and creativity are alive and well in Robert Lee. Floats were varied in style but all were certainly unique. First place winners were the Third Graders, second place went to the Seniors and third to the FHA.

Halftime activities at the game are always special. The band always seems to be at their best. Halftime culminated with the crowning of Homecoming King and Queen. The high school student body elects the royalty. This year Shelley Burrows was elected Queen and Danny Jackson was crowned as King.

Shelley Burrows and Danny Jackson were honored as Homecoming Royalty for the 1992-93 school year at the Robert Lee Homecoming halftime festivities October 16. Shelley is the daughter of Mr. and Mrs. Tom Lee and Danny is the son of Mr. and Mrs. Lane Jackson. Shelley and Danny are seniors at RLHS.

HEALTH NOTES

Abuse At Work

Abuse in the home has been targeted by private and public groups, but we've only started to hear about abuse in the workplace. Deborah Anderson, president of a Minneapolis consulting firm, has surveyed employees in the private and public sector with similar results - that there is as much or slightly more abuse at work than at home, and the abuse goes back and forth between home and work.

Employees include a broad range of intimidation in their definition of abuse. An article in the Journal of the American Medical Association (3-18) says employees abused at work have similar problems as family members experiencing abuse - they have more health problems, lower self-esteem, poor peer relations and they can't concentrate.

Another report says as many as one in four supervisors run their offices the way their parents ran their households - often screaming, yelling, unfairly criticizing, and engaging in other abusive behavior that seriously undermines business productivity.

Br. Class of '48 reunites

Homecoming '92 at Bronte High School brought together a special group of classmates. The graduating class of 1948 had a reunion following the weekend homecoming activities. The home of the late Floyd and Mabel Modgling was the gathering site with Ida Lou Modgling Oliphant and son, Charles Robert, hosting the evening meal and fellowship time.

Thirteen members of the class of '48 attending were: J. B. and Martha Boatright Arrott; Bill and Betty Pittman Thomas; Bill Luckett; Dorothy Stephenson Collins, and Patsy Luckett Oglesby, all of Bronte; Lee Allen Stewart, and Mary Alexander Crowell of San Angelo; Grace Green Ditmore, Robert Lee; J. L. Alexander, Ozona; Judge Sandusky, Hondo; and Ida Lou Modgling Oliphant, Sugarland.

Former teachers, parents, friends and family members attending were: J. T. and

Sybil Henry, Gladys Mae Sims, Ruth Sandusky, Patsy Stewart, Lou Westbrook, Doug Ditmore, Gerald Sandusky, Noah and Dorthey Pruitt, David Barrett, Genie Thomas, Corky Collins, Eulene Gentry Seago, Snooky and Jean Herring, Cindy Bryan Stuart, Camille Sandusky, Betty Mackey and Charles Oliphant.

Personal

Visiting in Bronte for Homecoming week were Gary, Kathy, and Marc Allen of Liberty, Utah. Kathy flew in earlier in the previous week to attend the Surprise Birthday Party on Friday for her father, Norman R. "Wink" Kiker of Bronte. Prior to the Homecoming events in Bronte, they visited with Gary's mother, Ira Allen in the Sears Memorial Retirement Center in Abilene. Activities were extensive for the family in Utah this summer as Kathy continued to manage the "Wild Waters" water park in Ogden during the warm and dry summer months in Utah. Utah is on the 7th year of a drought that has lowered reservoirs all over the state. Gary was actively engaged in building up a '75 Chevy Monza for the Bonneville Salt Flats this year. Even though the best time for the car this year was only a bit over 176 mph, the family thinks they have identified the adjustments to take the car over 200 mph at the first meet next July. Michael was an active part of the crew even though he did not get to attend the Texas events due to Finals for the 1st Quarter at Weber State in Ogden.

Mr. and Mrs. Allen Clendennen of Robert Lee are pleased to announce the engagement of their daughter, Rebecca Lynn, to Ricky Lynn Halfmann of St. Lawrence, Texas. Becky and Ricky will exchange vows on January 30, 1993 at the St. Lawrence Catholic Church in St. Lawrence, Texas.

Becky is the granddaughter of Mr. and Mrs. Ernest Clendennen of Robert Lee and Mr. and Mrs. Bill Farmer of Granite Shoals, Tx.

Ricky is the son of Mr. and Mrs. Delbert Halfmann of St. Lawrence and grandson of Mr. and Mrs. Leo Halfmann of Rowena and Mrs. Alma Hoelscher and the late Lawrence Hoelscher of St. Lawrence.

Becky is a 1987 graduate of Robert Lee High School and a 1991 graduate of Angelo State University. She is currently employed by ASU as a student Recruiter/Pre-Enrollment Advisor.

Ricky is a 1986 graduate of Garden City High School and attended Angelo State University before starting his farming career in St. Lawrence.

The couple will live in St. Lawrence after their marriage.
