Steers bring home bi-district trophy

The Robert Lee Steers challenged the Eden Bulldogs last Friday night for Bi-District and, after the battle, brought home the 2-foot high trophy. Never mind it was Friday the 13th or that the game could have been styled David vs. Goliath. Eden had tremendous size on the line, ranging from 175-285 lb. When the fans arrived, some ventured that we had wan-

dered into a college stadium.

These Steers don't care. It probably didn't cross their minds they couldn't win, so they did. They never quit till the final whistle and it's been that way all year. They play with enthusiasm and what sports announcers used to call "abandon", meaning no regard for life and limb.

Coach Ed Poehls and his staff have viewed films of area

play-off opponents, Alvord, and have studied all statistics available. Coach Poehls ventured Tuesday evening that the Alvord squad would outweigh Eden 40 lb. per man over all. Excuse me - did I misunderstand you, Coach? Unfortunately, it's true, he said. Looks like the Steers will face more Philistine giants.

Alvord has scored 410 points this season on power running and are undefeated. They pass well, too, Poehls said, but haven't had to alot. They are big, tough, experienced, and went to the play-offs last year. Their defense has some outstanding individuals including the quarterback who has made nine interceptions as a free safety.

Coach Poehls said his men must start aggressively and capitalize on opportunities. In this caliber of game, mistakes are crucial.

He was complimentary of the Steers' total dedication, team effort, and sportmanship and is obviously proud of them as a group. He expressed appreciation he and his staff have for the parents who have shared "these fine young men with us".

Asked about reported injuries, Poehls related that sophomore fullback Lee McCown is still two weeks away from recovery from a lung problem. Senior quarterback Danny Jackson is suffering from a deep thigh bruise but will probably play with an injury that would sideline less aggressive players.

Douglas Stwitty of Teague took this fine 11 point buck on opening day on the Jim Terry Divide Ranch near the Sterling-Coke County line. The antler spread measured 18 7/8 inches. State biologist Don Davis from Winters, working at Skinner's storage, toothed the buck at 6 1/2 years old.

Horns make all-district

The Lady Longhorns were honored Monday, Nov. 16th, with two all-district selections plus two honorable mentions. Jill Johnson and Jennifer McCorkle were named on the all-district team, along with Water Valley's Holly Cole and Bridget Jones, and Mile's Kim Blalock and Gera Burrus.

Jill Johnson and Jennifer McCorkle have many dominating characteristics. With the help of Vanessa Halstead, Kim Blair, Joni Barret, Gina Clayton, Wendy Johnson, Micah Arrott, and others next year will be promising.

Miles will be graduating five seniors and Water Valley nine. In the past, it has been unusual for all three teams to have two selections each. Although Bronte did not make it

out of district this season, while rebuilding they should dominate district play and advance far in the playoffs.

Honorable mentions for the district were Vanessa Halstead (Bronte), Kim Blair (Bronte), Sherian Ashely (WV), Rachel Morrow (WV), Linda Salinas (Miles), and Melissa Asbell (Miles).

Early Deadline

The Observer/Enterprise will print and mail out the newspaper a day early next week to allow our employees to enjoy the Thanksgiving holiday with their families. To accomplish this, it is necessary to ask advertisers and those who have new items to turn in their copy by 5 pm on Monday, Nov. 23.

Lady Shorthorns by Angie Shultz and Joy King

Monday night the Lady Shorthorns traveled to Sterling City to meet the Lady Eagles. There they were met by a tough defense and strong offense. Unfortunately the Eagles came out ahead.

In the seventh grade game, Courtney Arrott was an aggressive player. Joining Courtney for the starting team were Cara Barrett, Sommer Beck, Miranda Scott, and Leia Brunson.

During the eighth grade game, Kim Hall and Becky Sanchez were two important players in the Shorthorn "A" team. Tandy Briley played a strong game also. The other starters were Laura Stevens and Shelly Sims.

The next game will be against Garden City, Monday, Nov. 23rd, in Bronte. Come support the Shorthorns.

Br. PTA

The Bronte PTA was a great success at last Tuesday night's meeting. The program featured the 4th grade band students performing several arrangements and Officer Dave Caudle from the DARE program, which is a drug education program for our youth. There were approximately 61 adults present and 40 students. Mr. Caudle held his audience captive with some very interesting events that have taken place in his career. The knowledge of drug events happening in our country was discussed and the concern of what we can do as parents about drugs in our community. Officer Caudle stated that parents need to set boundaries for their children and be consistent. All information was very valuable and helpful to all who attended.

by Bill Burns

The Steers have now advanced to the area playoffs after last week's defeat of Eden. The Steers are doing great. The coaches are doing great. Everyone is doing great. Even Ronnie Baker is doing great, so good that he wrote a little something for this article, and it goes like this:

This is why General Jackson and his troops are surprising people.

1st Quarter

Eden received the kick but could not move the ball and had to punt to the Steers. The Steer's first play from scrimmage turned out to be an interception, but again the Steer defense stopped Eden cold. Eden then recovered a Steer fumble. Eden got one 1st down. Then scored from their own 30 yard line. The kick for the extra point was good and Eden was up by seven points.

The Steers then put together a good drive and Danny Jackson scored on a two yard run. Scot Millican kicked the extra point and it was Steers 7 - Eden 7.

2nd Quarter

Eden put together a good drive and scored on a 14 yard pass play. The rest of the half was a defensive battle as the Steer defense led by Dane Smith, John Fluhmann, Johnathan Torres, and Danny Jackson stopped Eden for only short yardage.

3rd Quarter

The Steers received the kick but could manage only

one 1st down and had to punt. Eden took over at their own 4 yard line. Eden made a first down at their own 15 yard line. Then another at their 25. Dean Burns then stripped the ball away from an Eden ball carrier and John Williams recovered for the Steers. Blake Pitcock scored on a one yard run, but the kick failed. Steers 13 - Eden 14.

4th Quarter

The fourth quarter was a defensive battle until 2:32 left in the game when Jackson scampered down the right side line for a 45 yard TD. The try for 2 points failed. Steers 19 - Eden 14.

Eden could not get a first down and the Steers took over on downs at their own 40 yard line. A couple of plays later Jackson ran the quarter back draw and went 55 yards for another TD. Millican's kick was good and the Steers led 26 - 14.

Joe Blair intercepted an Eden pass to bring the game to an end.

The Steers play Alvord in Eastland at 7:30 Friday night. Good Luck, Steers.

Up sluggard, and waste not life; in the grave will be sleeping enough.

Halloween Carnival

Our Fifth Annual Halloween Carnival almost set a record! We had 43 residents, 20 volunteers, and a lot of friends and visitors. As crowded as it was, everyone managed to circle the room and play all the games.

The Rec room and dining room were decorated with ghosts, bats, witches, spooks and pumpkins, and black and orange balloons on the floor separated the booths. Once again the favorite was the cake walk. The Pumpkin Pitch was popular with the weekly basketball bunch.

Wheel of Fortune was back again this year.....It got lost in the move to the new Rec Room last year. And we had Apple Bobbing, Ring Toss, Goblet Throw, Magic Ball, a Fortune Teller, the Haunted House and Witch's Brew.

The Gypsy Fortune Teller amazed everyone with her crystal ball and her astounding fortunes. The Haunted House had some new additions this year. Most startling was the lady with glowing-in-the-dark spots on her cheeks. New this year was the magic ball. You threw the ball at a circle on the wall, and if the ball hit the circle, it stuck. We had several that were pretty good at this. They must have been old baseball players.

Everyone had fun and we appreciate all the volunteers and family members for all the work they did at the carnival.

Birthday Party

A. O. N. hosted the October Birthday Party, and brought along their children dressed in Halloween Costume. The kids sang several songs for us, and served punch and homemade cookies. Janie Naizer entertained us with her flute solo. This is the first time we have had anyone play the flute for us, and Janie plays beautifully. Those having birthdays in October were: Pearl Ditmore, Bill Preston, Dollie Davidson, Roy Braswell, Jerry Johnson, Lennie Jackson, Melvin Childress and Ruth Wilkes. Ditmore, Preston, Davidson and Wilkes all turned 90 in October!

Tasting Party

The October Tasting Party featured cheese and crackers. We tried Swiss, Monterey Jack, Mixed Colby & Monterey Jack and Jalapeno. We had to follow up the Jalapeno with coke and root beer and lots of crackers. Most decided to re-taste the Monterey Jack and Colby mix, but a few hardy souls went for the Jalapeno again.

Another Surprise

Teresa Hall gave us an October treat one day. She played the piano while Mildred McAdoo sang some old hymns. Quite a crowd gathered to join in when they heard the music.

Music & Videos

October was a full movie

and video month! We saw "North to Alaska", Football Bloopers, "Three Men and a Little Lady", "Africa Screams" with Bud Abbott and Lou Costello, "You're in the Army Now" with Ronald Reagan, "The Signs and Rhymes of Burma Shave", and two short films of animal babies in the wild.

Coming up

Monday, November 9, at 6:30 pm in the Rec Room we will celebrate Sadie Hawkins Day with a dance. Billy Newman will be here to play for us. It's been awhile since Billy has been here, and we are looking forward to having him here again.

Tuesday, November 17, at 3:00 in the Rec Room the 64 Study Club will host the Birthday Party. Those having Birthdays in November are: Mary Deere and Ruth Jenkins.

Personal

Bryan's Barn was the site of a celebration for Wilson Bryan on Sunday, November 15, the day before his birthday. A number of friends and relatives attended the afternoon affair, with special guests being former Robert Lee citizens, Frank Dean Bryan and his wife, Doris (Simpson) Bryan, of Fortuna, CA.

Others present were Lucile Bryan, Thelma Jo Hinnard, Loyd Sevier, and Cookie, Jeremy and Molly Burns, all of Robert Lee; Della, Noah Jeff and John David Dean of Rankin; Richard, Stephanie and Timothy Wilson Bryan of Ballinger; Terry Frank Bryan and children, Joey, Jessica, and Julie; and Katherine Paris and Mamie Lee Latimer of San Angelo.

Frank Dean and Doris arrived in Robert Lee and San Angelo on Nov. 5, and they visited relatives and friends in the area until Nov.19, when they began their trip home. They reported very little damage to their home in the most recent earthquake, though some local business buildings were demolished and many windows broken. When asked where they will be when "the big one" comes, Doris said quite convincingly, "Oh, we'll be on the island that breaks off!"

Personal

Linda Keesler, Enid, Oklahoma, and Zola Hatley of Robert Lee, traveled to Conroe recently for several days' visit with relatives. They spent their time with Steve Hatley and family and Mr. and Mrs. Tommy Hatley, all of Conroe. Steve Hatley is a victim of Hodgkins Disease and takes periodic chemotherapy treatment.

PUBLIC NOTICE

GTE Southwest Incorporated (GTESW) and Contel of Texas Inc. (Contel) have filed an application with the Public Utility Commission of Texas to seek approval to provide two new private line services and to change rates for existing services. GTE's intraexchange DS1 Service will be offered pursuant to the rates proposed with this filing and will no longer be available through concurrence with GTE's interLATA access tariff rates which are lower. Contel's intraexchange DS1/DDS Service will be offered pursuant to the rates proposed with this filing and will no longer be available through Contel's current private line tariff rates. Existing customers with DS1/DDS Services will not be affected by these rate changes. DS1 1.544 Megabits per second (Mbps) Service and Digital Data Service (DDS) will normally be used for the transmission of data communications or large volumes of voice communications between two locations. These services are optional and will not affect the existing rates of customers who do not order these services. The estimated annual effect on GTE-SW's revenues in the first year is \$1,080,567. The estimated annual effect on Contel's revenues in the first year are \$42,383.

DS1 Service

DS1 Service is an intraLATA Private Line Service which provides a dedicated, high capacity channel which may be used for simultaneous two-way transmission of voice data or other digitally encoded customer information signals. DS1 Service provides a transmission speed of 1.544 Mbps and is designed to provide an average performance of at least 95 percent seconds of transmission over a continuous 24-hour period.

DS1 Service is available in and between all exchanges of GTE-SW where digital facilities exist. DS1 Service is available on a point-to-point, intraLATA basis between two Customer Designated Locations (CDL), between a Serving Wire Center (SWC) and a CDL, between a CDL and a point-to-point connection with another service provider or between two SWCs.

The OPP plan allows the customer to select a term of service (1 YR, 3 YR and 5 YR) with lower monthly rates associated with longer term contracts. If the customer selects an OPP, additional DS1 Local Loops may be ordered and installed at the Additional DS1 Local Loop rate between any SWC and CDL covered by the OPP, at any time during the term of that OPP.

DS1 Transport

This rate element is for the mileage sensitive charges for transporting a signal between Serving Wire Centers. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DS1 Transport Termination

This rate element is for the equipment to terminate DS1 Transport at the SWCs. This charge applies only when DS1 Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the DS1 Transport.

Proposed Rates and Charges for DS1 Service are as follows:

	Nonrecurring Charge	Monthly Rates
DS1 Local Loop		
Month-to-Month		
First System	\$ 1,000.00	\$ 298.00
12-month term		
First System	-0-	\$ 283.00
36-month term		
First System	-0-	\$ 255.00
60-month term		
First System	-0-	\$ 226.00
Additional System	\$ 130.00	\$ 130.00
DS1 Transport		
Per airline mile	-0-	\$ 16.00
DS1 Transport Termination		
Per Termination	-0-	\$ 40.00

Digital Data Service

Digital Data Service (DDS) is an intraLATA Private Line service which supports synchronous, full-duplex transmission between the CDL and the SWC or the point of connection with another telephone company at transmission speeds of 2.4, 4.8, 9.6, 19.2 and 56 kilobits per second (Kbps). DDS provides a transmission path for digital data signals within the same LATA.

DDS Service is available in and between all exchanges of GTE-SW and Contel where digital facilities exist. DDS Service is available on a point-to-point intraLATA basis between two CDLs or between a CDL and a point of connection with another service provider.

IntraLATA DDS Private Line Service is comprised of three rate elements: DDS Local Loop, DDS Transport and DDS Transport Termination. Each element is described below.

DDS Local Loop

This rate element is for the cable facilities from the CDL to the SWC. The customer may establish and disconnect DDS Local Loops without penalty other than the minimum service interval of one month's service, as his/her needs demand.

DDS Transport

This rate element is for the mileage sensitive charges for transporting a DDS signal between SWCs. Transport occurs only when the two CDLs being connected are served by two different SWCs.

DDS Transport Termination

This rate element is for the equipment to terminate DDS Transport at the SWCs. This charge applies only when DDS Transport is required for the service configuration of the customer. One transport termination charge applies at each end of the service.

Proposed rates and charges for DDS are as follows:

	Nonrecurring Charge	Monthly Rates
DDS Local Loop		
2.4, 4.8, 9.6, & 19.2 Kbps	\$ 85.00	\$ 85.00
56 Kbps	\$ 85.00	\$ 95.00
DDS Transport		
Per airline mile		
2.4, 4.8, 9.6 & 19.2 Kbps	-0-	\$ 1.60
56 Kbps	-0-	\$ 3.20
DDS Transport Termination		
2.4, 4.8, 9.6, 19.2 & 56 Kbps	-0-	\$ 20.00

This filing has been assigned Consolidated Docket Nos. 11408/11435 and the deadline to intervene in this docket is January 1, 1993.
