Voter turnout termed "poor" for elections

The lines have been drawn in the Texas Senate race. Republican Kay Bailey Hutchison surprised lots of folks by coming in ahead of interim Democratic Senator Bob Krueger, 593,479 to 592, 982. Many expected a hands-down win by Krueger who was appointed by Governor Ann Richards to finish the unexpired term of Lloyd Bentson when he stepped up to United States Treasury Secretary.

Krueger and Hutchison received roughly 29% each of the total vote over 22 other candidates in Saturday's election. The pair will now go head to head in a runoff election at a date not yet set, said to be projected for June 5. Winner of the runoff election would serve out Bentson's original term and would then have to run for his or her own full term.

The three proposed constitutional amendments dealing with Texas school finance were trashed by voters in the Special Election.

In Coke County, only 764 voters cast ballots, for a poor showing in Saturday's Special Election. Robert (Bob) Krueger received 275 votes while the overall leader, Kay Bailey Hutchison, gained 126 ballots. Jack Fields was in 2nd place in county ballots with

168 votes.

Following the state trend, Coke County turned down the school finance proposals by large margins - Prop. #1, 493-219; Prop. #2, 413-272; Prop. #3, 487-210.

In Robert Lee's taxing entities' elections, the West Coke County Hospital District seated two new directors on its board. Mary Bessent and Elaine Lee were elected to the panel with 297 and 212 votes respectively. Olene Sims gained 160 votes.

Robert Lee city council members elected by voters are Garland Davis, 148; Jeffrey Eubanks, 148, and Beth Prather, 138. Manuel Abalos garnered 35 votes.

Elected to the Robert Lee ISD board of trustees in Saturday's election were William Burns (174) and Mark Riley (130). Kim Hodge received 83 votes and Steve Whiteker gained a total of 121.

Fred H. McCabe, Jr. was re-elected to the board of directors in Pct. 3 with 68 votes while R. S. (Bud) Johnson was returned to the governing panel in Pct. 4 with 104 votes in the Coke County Underground Water Conservation District election.

Voter turnout was light in Bronte for the special election held Saturday, May 8. A total of 188 persons in Bronte cast

ballots for local candidates.

Four candidates ran for the two 2-year term Alderman positions; Pete Percifull and Gerald Sandusky were elected to serve in those positions. Pete Percifull received 155 votes; Gerald Sandusky, 147 votes; Donald O'Banon, 16 votes; and Loy Wrinkle, 8 votes.

Sheri Jordan was unopposed in the bid for the 1 year term Alderman seat. She received a total of 93 votes.

Ray Barnett and Wayne Coalson were re-elected to serve on the Bronte ISD board of trustees for three year terms. Barnett received 152 votes, Coalson, 170, and Harold Dunn 135. Elected for the one year unexpired term was Martin DeLaGarza with 155 votes. Linda Tampke received 74 votes in that race.

Bowen Named Conservationist of the Year

Don Bowen was recently named Conservationist of the Year for 1992 by the directors of the Coke County Soil and Water Conservation District.

Don operates 8,000 acres on two ranches in the Coke County hill country. On both ranches the country is diverse, ranging from shallow rocky divides to steep rocky slopes to deep draws and outwash flats.

The diversity presents quite a management challenge to Don and his manager, Kent Nehring. Their livestock mix and short-duration grazing system are specifically designed to best use available forage while protecting their range resource. In order to make it work, they have built miles of fences, and are building more. They have updated watering facilities and improved water distribution to better manage grazing pressure.

Despite past control measures, brush encroachment, particularly cedar and prickly pear, is an ever-present problem. Don and Kent use a tractor-mounted hydraulic grubber to control regrowth cedar and small mesquite, and maintain his pasture in good shape. Other practices such as prescribed burning are

RL burglaries investigated

According to the Coke County Sheriff's office, personnel answered 24 reports in April alone. A rash of break-ins has accounted for much of their time, Sheriff Marshall Millican reported. The first of a series of burglaries occurred during the nighttime hours March 31 at Ranchland Restaurant on Commerce in Robert Lee. Entry was gained to the building through the ceiling. A cash loss of approximately \$338.00 was suffered by the owners in addition to the damage to the building.

The night of April 16 a break-in occurred at the Cracker Barrel Restaurant; entry was gained by prying open a rear door. About \$300.00 was taken from the office. The same evening West Texas Utilities was bur-

glarized by forcing open the side door. Loss there was \$8.00 cash plus damage.

Coin-operated machines were burglarized at Super H on April 23 with a loss of \$35 change and an unknown amount from the changer with damage to the units. The drink machines at Bronte's Super Save had a loss of \$70.00 the same night with no forced entry.

A burglary of a building was reported at Bronte recently at the landfill office. Loss of a portable refrigerator, a 12" TV, and two electric heaters were taken with a loss of \$105.00.

A number of thefts have also occurred, involving habitations, cars, a boat, and property on premises.

On March 27, a boat was burglarized, losing loose property; on April 3 burglary of a habitation loss amounted to about \$1,500, including damage; criminal mischief to a cabin on the

Kent asserts that aggressive, informed range management not only improves the land but reduces supplemental feeding to the minimum needed for managing livestock. Such a philosophy put into practice makes Don's country a place of flowing springs, clear creeks, full waterholes, and green grass. He sets an example for us all in his tradition of wise use of precious resources and in his dealing with nature and his fellow man.

RL A's continue winning

The Robert Lee A's have continued to win ball games in a big way. The team defeated the Lake View Pirates 10-4 Thursday, April 29 in Robert Lee. The team hosted the Lake View White Sox Monday, May 3 and completely dominated the play; defeating that team 16-4.

The team got off to a slow start offensively this season, but as the scores indicate they have steadily improved that area of play. The defensive side of the game is the strong suit of the A's and they continue to improve and grow in that area. They show a great deal of consistency and team work on the field.

A's team members are: John Burdett, Jeff Carper, Nick Pinson, Colby Eubanks, Beau Blair, Zeke Montgomery, Mike Sockwell, Casey Eubanks, John Galamore, Clifton Bohannon, Matthew Tinkler, Lewis Samaniego, and James Galedos. The boys are coached by Danny Carper and Jeff Eubanks.

McGee speaks to Bronte Students

On Wednesday, April 21, Boyd McGee from the Texas Alcohol Beverage Commission held presentations throughout the school day. Topics discussed were facts about the law and alcoholic beverages. A film was also shown to the students in grades 5-12 concerning individuals whose lives had been affected by alcohol use involving car accidents and loss of life.

Johnson qualifies for State Meet

One of the top eight hurdlers in the state of Texas, Jill Johnson had outstanding performances at the Regional track meet in Abilene. Jill qualified for state in the 100 M hurdles. She placed first with a school record time of 15.79, edging Blackwell's Christy Williams (15.86). Johnson also placed third in the 300 meter hurdles running a 47.5.

The state qualifiers meet will be held at ACU, Friday, May 7 at 5:00.

Bronte TAAS Tests

Throughout the state of Texas this week, grades 4, 8, and Exit Level (10,11, and 12) were administered the Texas Assessment of Academic Skills test (TAAS). The writing test was administered on March 16 so there would be time for scoring results to come back before graduation. The reading and math portions were administered on Tuesday, May 4, and Wednesday, May 5. This is an extremely important test, especially for the Exit Level. All Exit Level testers must pass all three sections of the TAAS in order to graduate from high school. The test will be administered again in July for all students who have not mastered all sections.

HEALTH NOTES

SEXUAL EQUALITY

"When it comes down to the human race, men almost always win the sprints. But in the marathon, women get the gold." Those are the opening words of an article in the *Journal* of the Methodist Hospital System in Houston. It debunks sexual stereotypes, especially in matters of health. Here are a few statistics from the magazine: Even though there are five overweight women for every three overweight men, eleven women in twelve will outlive their husbands. Men buy sixty-one percent of all snack foods and consume twice as many non-diet soft drinks as do women. Male alcoholics outnumber female alcoholics two to one.

During the last Winter Olympics, women won nine of the eleven medals won by the U.S. — and all five of the U.S. gold medals. Some of the characteristics of longevity are beyond our control, but in matters of healthy living, women appear to take better care of themselves.

Jones Celebrate 60th Wedding Anniversary

Yvonne and Bud Jones, longtime Robert Lee residents, and now of Hermleigh, will celebrate their 60th Wedding Anniversary with an Open House at the Robert Lee Recreation Center on Saturday, May 8, at 2 pm.

Hosts for the occasion will be their children, Pat Jones Watson of Ruidoso, New Mexico, Kaleta Jones Torti of Irving, and Jann Kyle Jones, also of Ruidoso.

Edith Yvonne Kerley and Jim (Bud) Jones were married at Green Mountain southwest of Robert Lee on May 13, 1933. The couple stock-farmed, ranched, and were in the restaurant business before leaving Coke County in 1952. Bud became involved with training race horses and was in the trucking business in Dallas in the late '70's. They later made their home in Hermleigh and Ruidoso, New Mexico where he raced as an owner/trainer for many years.

Professing to be "retired", he is still involved with race horses and helps his son, Jann, out with his horses.

Bud and Yvonne may make their home in Hermleigh but come to Robert Lee often to see old friends and neighbors. They also visit with their family regularly, including the 14 grandchildren and 13 great-grandchildren.
