## UPCOMING

### Bronte Big Buck Contest

The annual Big Buck contest is ready for another hunting season.

Bronte Chamber of Commerce is sponsoring the annual event that is open to all licensed hunters.

Hunters must pre-register at most of the Bronte businesses to be eligible to win. Registration is in effect now.

Seventy percent of the proceeds will be split between first, second, and third place. Fifty percent will go to first place, 30% to second, and 20% to third.

Thirty percent of the proceeds will be retained by the Chamber to benefit Coke County's youth.

All bucks will be scored by Gross Boone and Crockett.

### Senior Citizen Pot Luck

Robert Lee senior citizens are having a pot luck supper at 6:00 pm on October 26 at the Senior Center (small rec hall) with games to follow.

### RL Cub Scouts

Cub Scout Pack 461 is beginning another exciting year of scouting. The Cub Scouts are expecting to participate in the annual pushmobile races,

pinewood derby, Cub Scout camping, and other fun and worthwhile activities.

The Webelos Den (4th and 5th grade boys) will meet at 5 pm every Monday at the scout hut located at the County Park in Robert Lee. The Tiger (1st grade), Wolf (2nd grade), and Bear (3rd grade) den meeting times and places will be announced later.

Get your boy into Scouting! To join contact Jeff Eubanks, Steve Whiteker, or Jim Clendennen.

### Norton Homecoming

The Norton Homecoming will be Saturday, October 16, at the Norton Community Center. The event is set to begin at 5:00 pm.

The Lions Club will have drinks and sandwiches for sale. All residents, ex-residents, and ex-students are urged to be present.

Troy Van Compton is president and vice-president is Milton Shelburne.

### Coke Co. Retired Teachers

The Coke County Retired Teachers Association will meet Monday, October 18. The noon luncheon meeting will be held at the First United Methodist Church in Bronte.

### 4-H Christmas Card Sales

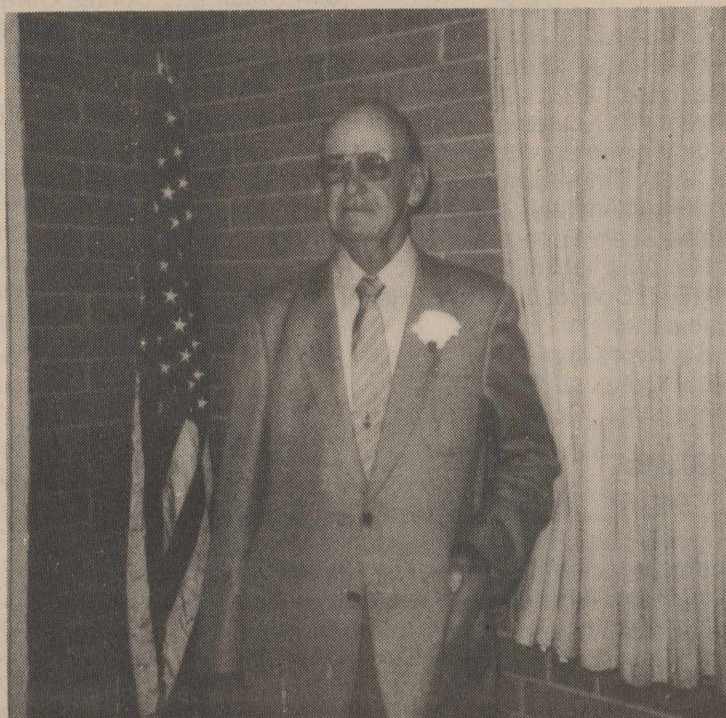

Attention, 4-H members. Your Christmas cards are now ready for pickup at the County Extension Office. Please come by as soon as possible.

If you are interested in purchasing Christmas cards, please contact the Extension Office at 453-2461 or contact any 4-H member.

### H&F Guide

The 1993 edition of the annual Hunting and Fishing guide will be published as a supplement to the Observer/Enterprise on Friday, October 22. This publication is well known and received year after year in West Texas and has proven to be a valuable vehicle for advertisers.

If you are inadvertently missed as we call on merchants and businesses in Robert Lee and Bronte, please call our local offices, 453-2433 or 473-2001.

## Open House to honor Henry

There will be an "Open House" for the public on Saturday, Oct. 16, at 7:00 pm at the Masonic Lodge Hall in Bronte.

Bronte Masonic Lodge is hosting the occasion for the purpose of presenting the

"Golden Trowel Award" to J. T. Henry of Bronte for his excellent service over the past years to Masonry and the community.

Bronte's Eastern Star Chapter #1048 and Mason's wives will serve refreshments.

## New car sticker goes inside windshield

Introducing the latest in anti-theft devices from Texas.

The Texas Department of Transportation (TxDOT) is issuing a new vehicle registration sticker -- for placement inside windshields instead of outside on license plates. The program begins with registrations expiring January 1994.

The sticker is larger and of a different design. Its main purpose is to deter theft -- bringing up another important feature.

If the sticker is peeled off the windshield, the word

"VOID" appears on it, making it a useless scrap of paper. It's not even worth stealing.

In 1992, 568,885 replacement license plates and stickers were used. TxDOT estimates that 60 percent of replacement stickers issued were due to theft. At \$5.30 per replacement, replacing the stickers cost the public \$1.8 million and a lot of time and aggravation.

"When the word gets out that these stickers are useless when peeled off the glass, incidence of stolen stickers will drop quickly, as will the cost of replacing stolen stickers," said Jerry Dike, director of Tx-

DOT's Division of Motor Vehicle Titles and Registration. "But the savings don't stop there. If all stolen stickers were used on vehicles that would otherwise be legally registered, state and county revenue losses could exceed \$17 million. Recouping these losses could mean savings passed on for use on other projects."

The 72nd Texas Legislature passed a law in 1991 mandating the sticker change to lower vehicle registration theft. Drivers whose vehicles have no windshield will continue using the license plate stickers.

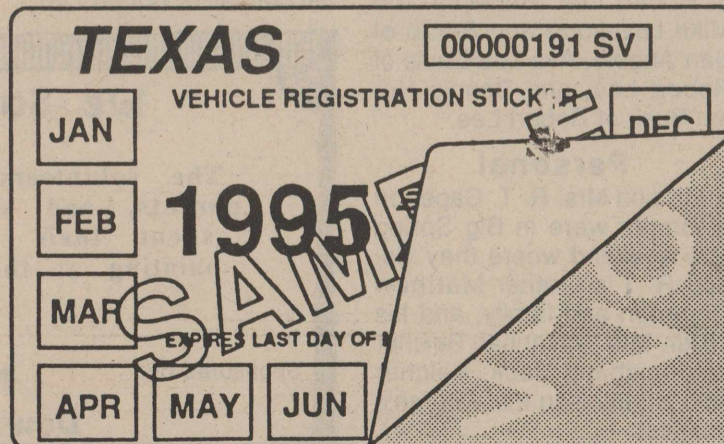

### Bike-a-thon cancelled

The Cystic Fibrosis Bike-a-thon was cancelled due to the weather. Contributions that have already been collected need to be turned in by Friday, Oct. 22, to Teresa Millican or Debbie Wilkes.

If anyone would like to make a contribution to the Cystic Fibrosis Foundation, please contact either Teresa Millican or Debbie Wilkes at 453-2545.

The Coke-Sterling Farm Bureau presented a check and certificate to Robert Wink, President of the Robert Lee Volunteer Fire Department, on the behalf of Keith Eubanks' successful completion of the Texas Firemen's Training School at Texas A & M.

**Smith Reunion**

Descendants of the late Hugh and Maude Smith met in Robert Lee for a reunion on Oct. 9. Several relatives got together the day before to play golf at Riverside in San Angelo. Playing on Friday were Wesley Smith of San Angelo; his son, Barry Smith of Hereford; Barry's son-in-law, Jared White, also of Hereford; and Wayne Smith of Houston.

On Saturday, a grilled brisket lunch was served to relatives and friends at the Rec Hall.

Attending the reunion were: Wesley and Jolene Smith, San Angelo; Rick Smith, Pleasanton; Robin C. Smith, Midland; Judy Berry, San Angelo; Cecil and Margaret Smith, Odessa; Ray and Allene Donaley, Christoval; Vickie, Dean, and Corie Williams, Eldorado; Shanon, Kathy, Amber, and Clayton Williams, Houston; Ronnie and Jan Williams, Alpine; Marcie and Jared White, and Barry, Becky, and Jennifer Smith, all of Hereford, Texas.

Attending from Robert Lee were: Janet, Chris, and Jennifer Woods, J. L. and Margaret Jones, Daryl, Myna Kay, Jerrod, Holly, and Tiffany Copeland, and Lucille Carwile.

Visitors included: Vivian Taylor, Kenneth Daily, Jim and Donna Berry, all of San Angelo; Cleo and Helen McDorman, Olympia, WA; and Verna McDorman, Zera Fields, Bill and Evelyn Harmon, and John Jacobs, all of Robert Lee.

**Personal**

Mr. and Mrs. R. T. Caperton of Bronte were in Big Spring last weekend where they visited R. T.'s brother Matthew Caperton and family, and his sister, Mrs. Savannah Belcher and husband Jack Belcher who is very ill in the veteran's hospital.

**RL Class of '43 holds fiftieth reunion**

Eight members of the Robert Lee graduating class of 1943 met recently for their 50th class reunion. The classmates held their reunion in conjunction with the Homecoming activities in Robert Lee.

The Robert Lee High School graduating class of 1943 held their 50th class reunion October 1 and 2, 1993.

Eight class members, most with their spouses, met Friday at the Robert Lee School an hour before the game time to attend the Homecoming football game together. Some had not seen each other the entire 50 years. The only other reunion this class has had came after 30 years. Six members met Labor Day, 1973. Four of these members attended that reunion.

The class met Saturday afternoon at the Masonic Lodge building for visiting, reminiscing, taking pictures, and looking at old school annuals. The class members of 1943 were Freshmen in the very first annual Robert Lee School ever published.

After singing some old songs of their day; with Edna Havins at the piano; letters were read from classmates who were unable to be with them. One school teacher, Charlotte Wojtek, also wrote to the class.

The Class Prophecy was read by Rex Scoggins; the Class Will read by Nita Allen Archer, and the Class Poem was read by Marie Wallace Allen who composed the poem. The same people read these articles at the graduation.

A delicious steak finger and chicken strip dinner was catered by the Cracker Barrel.

Members of the class then gave a brief family history for the past 50 years.

Those present for this reunion were 1943 graduates: Mariè Wallace Allen, Englewood, Colorado; Louise Hamilton Gaddy, Roswell,

New Mexico; Nita Allen Archer, San Angelo; Clema Cowley Rampy, San Angelo; Rex Scoggins, El Paso; and Kenneth Lackey, Jessie Ray Robertson, and Winnie Pitcock, all of Robert Lee. Spouses present were: Travis Allen, Bill Archer, Pete Rampy, Nelma Scoggins, Kay Lackey, Betty Robertson, and Teddy Pitcock.

Former class members present in the afternoon were: Tommie Conger Fowler of Llano and J.W. Denman of Robert Lee. Graduating class members unable to attend were Wallace Clift, Denver, Colorado; Charlene Dean Escue, Prairie Grove, Arkansas; Agnes Walker Hardin, Burnet; Rev. Wayne Hulse, Leaky; Bryan Jolly, Danbury; and Addie Fish McDonald, Longview.

Deceased members of the 1943 graduating class are Floyd Higgins, Morgan Cox, and Ima Faye Landers Hudson.

It was suggested we hold our next reunion in the year 2000.

**Fall Festival**

Fall Festival time is here again. Saturday, October 30, 1993, is the date and the time is 5:00 until 9:00. We need to know how many classes or organizations will have booths this year.

This year the All-Sports boosters will sponsor the Fall Festival and will have a Chili Supper and the cake walk in the cafeteria. Also the sports boosters will sponsor the football and basketball throws. All other games and booths are open to any organization on a first come-first serve basis with the exception of the Junior class who has first choice of fund raisers because of the money needed for the Junior-Senior banquet in the spring.

For more information contact Jerita Taylor.

**AARP Presents... 55 Alive**

November 9 & 10 are days that we are scheduled to hold another defensive driving course. The course runs for two days from 1:00 pm to 5:00 pm, and there is a very minimal cost for the course. Call the Bronte Senior Center for more information. It is also approved for auto insurance discount of 10% for three years. So you get your fee back in your insurance savings. You need to reserve a spot for yourself ahead of time. We cannot take more than 24 at a time. No tests and no driving, just classroom work with plenty of information and a good refresher course. This is for drivers 50 years of age and over.

**Knock out the flu, Get your flu shot**

Since Medicare is now paying for flu shots, you will need to go to the Shamrock Clinic in Robert Lee or another facility that gives flu shots this year. We will not be having someone come to the Center to administer the shots. All you need to take with you for your shot is your Medicare card. Call the Bronte Senior Center if you need transportation for your shot, and it will be provided.

**Elder Alert**

This is part of a newsletter for senior concerns from the Office of the Attorney General. The Texas Lottery offers the following advice on protecting yourself from lottery scams: Don't deal with individuals. Only deal with licensed retailers. They can tell you if the numbers on the ticket are valid and how to collect your winnings. No sensible person will sell you something for half its value. If someone tries this, it's a good tip that it's a SCAM. If you suspect someone is trying to sell you a bogus ticket, report it to your local law enforcement agency, to the nearest regional office of the Attorney General, or to the Lottery Commission hotline at 1-800-37-LOTTO.

**Meals for the Week Monday, Oct. 18**

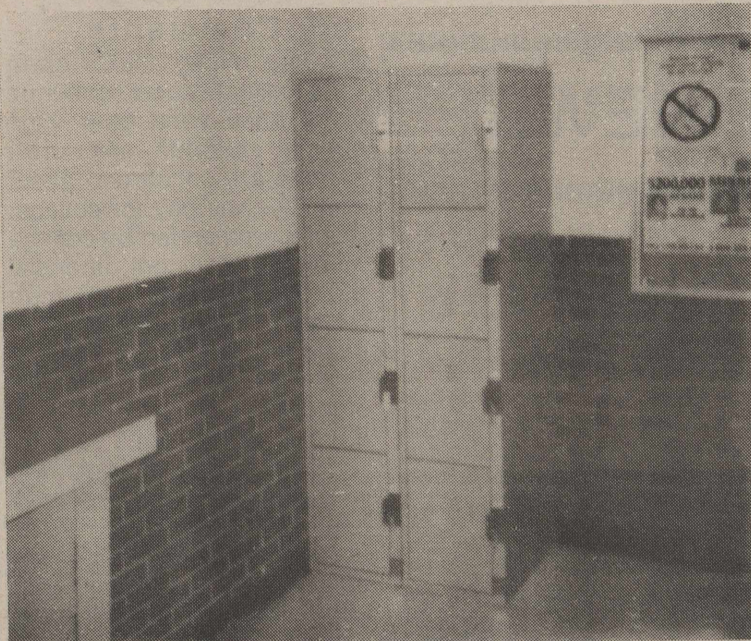

Chicken fried steak, white sauce, broccoli, cauliflower, hot rolls, fresh apple.

**Wednesday, Oct. 20**

**Friday, Oct. 22**

Sloppy Joe, bun, pinto beans, okra gumbo, sliced onion, pickles, fruit jello w/topping.

The Bronte Post Office now has parcel boxes. These lockers will make it easier for customers to pick up their parcels. A key will be left in your PO box that will unlock the locker that contains your parcel. The keys and lockers are numbered to indicate which locker your parcel will be in. Once you have unlocked the locker, the key will remain in the lock. These lockers are located in the southeast corner of the lobby.

We hope this will aid customers in picking up parcels during the day and also after hours. If you have any questions about the lockers, please contact anyone at the post office.

**Plumlees celebrate 65th Anniversary**

S.B. and Willa Plumlee of Robert Lee were honored with a surprise 65th Wedding Anniversary party on Saturday, October 2. The party was held in the Recreation Hall and hosted by the couple's children Don and Wanda, and Shurman and Betty. A fish dinner was catered by the Cracker Barrel Restaurant. The surprised honorees dressed and thought they were going out to eat with their children.

S.B. Plumlee and Willa Walker were married at the old courthouse in Robert Lee September 29, 1928. Thirty years of their married life were spent farming at Roscoe and at Snyder where S.B. was employed as an oilfield pumper. They moved back to Robert Lee in 1973 when he retired. The couple has two grandchildren, Becky and Larry, and three great-grandchildren, Cindy, Shelby, and Timmy.

They said they really enjoyed the surprise celebration, visiting with friends, and the delicious dinner.

Those who attended the anniversary party were: Mable Walker, Weldon and Wanda Ford, Willie and Jesse Eads, Lillie Gaines, Jack and June Slaton, Mary E. Ross, Jack and Margrette Burton, Brooke and Matthew Tounget, Finis and LaRue Harmon, Alfred and Ethel Harmon, Tom Rives, R.B. **Watts completes training**

Marine Pfc. Vanessa M. Watts, daughter of Frank W. Watts of Bronte, Texas, recently completed recruit training at Marine Corps Recruit Depot, Parris Island, S.C.

During the training cycle, recruits are introduced to typical daily routine and study personal and professional standards traditionally exhibited by Marines. In addition to an active physical conditioning program, close-order drill, first aid, teamwork and self-discipline are also included in the training cycle.

The 1992 graduate of Sandoval High School joined the Marine Corps in March, 1993.

## Longhorns lose squeaker to Robert Lee

by Stover Taylor

The Robert Lee Steers came to Bronte Friday night to challenge the Bronte Longhorns to a head to head battle of the undefeated. What is the difference between a Longhorn and a Steer? Well, in the first place they are both obviously full of bull. It depends on how you look at it, but you could say they are both full of bologna, or you might say they are both full of weiners or roast. Another difference is their horns. A Steer has short horns and a Longhorn has Longhorns (I mean longer horns). However, Friday night it was none of the above. It was all T-bone and sirloin steaks. It was a typical classic battle of two excellent Class A football teams. The Longhorns won the first half and the Steers won the 2nd half plus one point. In this close rivalry mistakes and penalties almost always play a factor in the final outcome of the game, and this year was

no different. The Horns had four turnovers while the Steers had two. The most decisive factor for the Longhorns was the loss of running back Gary Bilbrey. You cannot lose the heart of your offensive game (150 yards per game average) and not have a serious adverse effect on your ability to move the football and win games. Gary played one quarter and rushed for 45 yards on 7 carries.

In the 1st quarter Gary Bilbrey takes the opening kick-off for the Longhorns and returns the ball 36 yards to the Horns 40 yard line. Six plays later after Bilbrey rushes for 24 yards and Jason Wilson caught a 3 yard pass, Brent Taylor carries the ball into the end zone on a 2 yard run. Rudy Sanchez kicked the extra point. The Horns kick off to the Steers and run 14 offensive plays before they are forced to punt. The Longhorns get the ball on their own 10 yard line. Four rushes nets 23 yards and the 1st quarter ends with the score 7-0.

In the 2nd quarter on the 1st play Gary Bilbrey leaves the game with a dislocated shoulder. Gary is a tremendous athlete and a team leader, we wish him a speedy recovery. On the next series of downs Jay Parker caught a pass for 7 yards, Jacob Golsin and Jason Cooper combined rushes for 16 yards. On the next play Brent Taylor rolls out to the left side of the Longhorn offensive line for a 40 yard touchdown run. The play was nullified because of a penalty. Three plays later Brent Taylor went back to pass but all receivers were covered, so he ran the ball up the middle of the field for a 27 yard touchdown. Rudy Sanchez's extra point attempt was good. The Steers take the kick-off and march down the field on 8 plays to the Horns 35 yard line. Jason Cooper picks off a Steer pass and the Longhorns have the ball on their own 3 yard line. On the next play Jason Cooper takes a hard hit as he crosses the line of scrimmage and the ball pops back into the end zone where Brent Taylor fell on the ball and the Steers are awarded a 2 point safety. The Longhorns had to punt from their own 20 yard

line giving the Steers good field position. Seven plays later Brent Taylor picks off a Joe Blair pass and returns the ball 15 yards to the Horns 40 yard line. After a 15 yard pass to Jay Parker and 2 incompletes passes, the Steers pick off a Brent Taylor pass on their own 15 yard line. One play later the 1st half ended with the score 14-2.

In the 3rd quarter the Steers took the opening kick-off and 10 plays later Lee McCown scored on a one yard run. The extra point attempt failed. On the next Longhorn possession the Horns Brent Taylor fumbled the ball and the Steers recovered it on the Longhorns 40 yard line. The Steers drove down to the Longhorns 6 yard line and the 3rd quarter ended with the score 14-8.

On the 3rd play of the 4th quarter Lee McCown scored his 2nd touchdown on a 6 yard run. The extra point attempt was good.

The remainder of the 4th quarter was a defensive battle. Neither team was able to mount a substantial drive. Brent Taylor had a good night punting the football, 2 punts for a 42 yard average. Rudy Sanchez did another great job kicking the ball on kick-off and extra points. The Bronte fans could not have asked for a more exciting game. The Longhorns travel to Sterling City Friday night to take on the Eagles who are undefeated this season with a 6-0 record.

### Lady Horns win again

On Oct. 9 the Bronte Lady Longhorns rolled over Santa Anna's Mountaineers 15-1, 15-2. Bronte's record is 13-8, 6-0 at home, and 3-0 in district play.

The Lady Horns have another round to play against all the other teams in the district. Having the winning edge plays an important role in this year's team. They have won every district game in two straight. Miles is 1-2, Water Valley is 2-1, and Santa Anna is 0-3.

Next, the Lady Longhorns play Miles there on Tuesday, Oct. 12. JV plays at 6:00, and varsity plays at 7:00. Saturday the Lady Longhorns will take a break. Their next game will be against Water Valley at home on Saturday the 23rd.

### Counselor Comments

by Vicky McCutchen

As college costs continue to increase each year, high school students and their parents are concerned about how they will pay for college. It is recommended by college admissions officers, financial aid advisors, and college testing programs that parents begin and maintain a College Savings Plan by the time the students reach their 7th and 8th grade year, or as early as possible. Another important step for parents to take is to apply for financial aid. Many families think they will not meet eligibility requirements for financial aid and will fail to apply for assistance. As a result, they may choose a college on the basis of cost or decide that their student should not apply for college admissions at all.

There are several ways for families to obtain information they need to make decisions about financial aid needs. The ACT (American College Testing) program offers to parents and their students a service that helps them identify costs for up to three schools they are considering for college. This will help them by giving them an estimate of how much that family would be expected to pay at those particular schools, if they are likely to qualify for federal need-based financial aid, identifies major sources of aid, and it helps them to project estimated educational expenses and sources of funds over a calendar year. It also provides information about scholarships and financial aid opportunities in their state. General information about financial planning and federal aid programs is also provided.

There is a fee for this service. Information concerning this service can be obtained from your child's school or the ACT program. Many schools are informing parents and students of this service if they

are concerned about college costs.

All students and their parents should apply for federal financial aid and financial aid from the college of their choice, even if they think they would not qualify. By applying, students are eligible for many sources of aid.

# HEALTH NOTES

## Nicotine Inhaler

After a long line of products designed to help people stop smoking, nicotine gum was introduced. Then, the nicotine patch. Now, tests of a nicotine inhaler show significant success rates among a group of smokers trying to quit, compared to smokers using an inhaler with no medical ingredients. The nicotine inhaler, not yet on the market in the U.S., is a plastic tube with a plug impregnated with nicotine at one end. It could be called a smokeless cigarette, in fact, both groups were instructed to inhale deeply, but more often than if they were smoking a cigarette.

Participants in both groups could replace the inhaler when they felt it had no more effect. The inhalers were phased out after six months, but follow-up visits to doctors' offices continued for a year, about fifteen percent of the men and women who had used inhalers containing nicotine were not smoking, compared to only five percent in the group using the placebo inhaler. The Danish researchers reported in the *Journal of the American Medical Association*, that increased success rates could be expected if the nicotine inhaler were combined with behavioral modification programs.

# ROBERT LEE SCHOOL NEWS

## Steers retain county championship

by Bill Burns

Some were saying that this might be the best game of the week. Some were saying that this game might decide who would make the playoffs. Some said Bronte could not win. Some said Robert Lee could not win.

Well, it was a great game. Well, district sure has not been decided. Well, either team could have won.

Two things are certain, both teams are very good, and the Steers are still **Coke County Champions!!!**

### 1st Quarter

Bronte received the kick and returned to the Bronte 39 yard line. Bronte made four 1st downs then scored from 3 yards out. The Steers started their first drive from their own

18 yard line. The Steers made four first downs to the Bronte 33 yard line, but they got a penalty, the drive stalled and John Williams punted for the Steers. Bronte made one first down and the quarter ended. Bronte-7 - RL-0.

### 2nd Quarter

Bronte made 3 more first downs then scored on a twenty-seven yard run. The Steers started their second drive at the Steer 31 yard line. The Steers made three first downs, but Bronte intercepted a Steer pass at the Bronte one yard line. Bronte fumbled the ball in the end zone and the Steers got a safety. Eric Hood intercepted a Bronte pass to kill Bronte's next drive. The half ended Bronte-14 - RL-2.

### 3rd Quarter

The Steers received the kick and returned to their own 34 yard line. The Steers got 3 first downs, then Lee McCown scored on a one yard TD run. The extra point failed. Bronte fumbled the ball and Charles Hayes recovered for the Steers. The quarter ended with the Steers in possession of the ball at the Bronte 7 yard line.

### Stephens retires

September 30, 1993, marked a turning point for the Texas Department of Transportation. In April, the State Legislature passed Senate Bill 81, which enabled eligible state employees to take advantage of a retirement incentive. Statewide, an estimated 1500 TxDOT employees were expected to retire at the end of September.

Fifty employees in the 17-county San Angelo district took advantage of this incentive. John E. Stephens, Roadway Maintenance Supervisor III, of Robert Lee retired from the department after 35 years of service.

John was first a summer employee in the Eden Maintenance Section, and in 1958, came to work full time. In 1961, he was drafted into the U.S. Army, returning to work in Eden after his military service. In September 1974, he was named supervisor of the Robert Lee Maintenance Section. In 1980, John received the coveted "Lady Bird Johnson Award" for beautification, and in 1990, received the "Twelve Months of Color" Award.

San Angelo District Engineer Walter McCullough, P.E., praised John, and thanked him for his years of dedicated service to the department, and to the people of Texas.

### Farmer's Fund Refunds

Recent legislation has made the refund payments made to the Young Farmer Loan Guarantee Program refundable. Those fees paid at the time of registration of Texas farm trucks and farm truck tractors beginning January 1, 1992, through August 29, 1993, are subject to refund through the Comptroller of Public Accounts beginning August 30, 1993, and continuing through November 1, 1993.

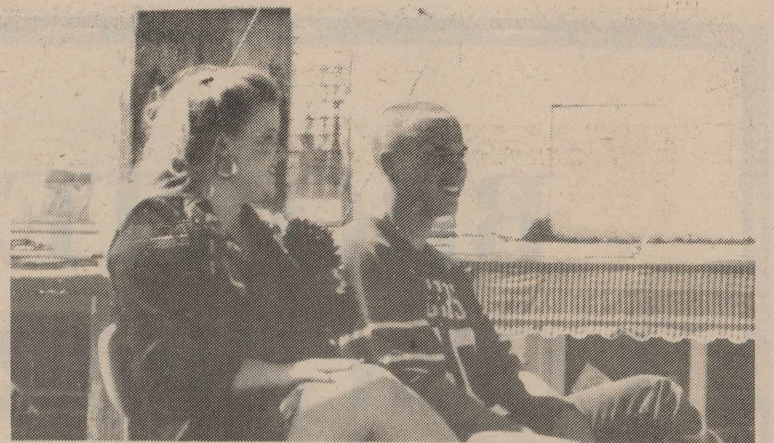

Application forms for these refunds are now available in the Coke County Tax Office. For more information, please come by the tax office or call Kristeen Roe at 453-2614.

### LOOK WHO'S NEW

#### Janzen Chase Digby

Joe David and Nikki Digby of Del Rio are the delighted parents of a baby son, Janzen Chase Digby. He arrived at Laughlin AFB Hospital in Del Rio October 6. His weight was 6 pounds, 12 ounces and he measured 19 3/4 inches long. His pleased grandparents are Mario and Sheryl Tavarez

of Robert Lee, Linda Roberts of Lamesa, and Rick Digby of Odessa. Mr. and Mrs. J.C. Digby of Odessa, Mr. and Mrs. Jerry Lyon of Kingsville, and Mr. and Mrs. Billy Evans of Snyder are the new baby's great-grandparents.

Jody and Jason Tavarez of Robert Lee are Janzen Chase's proud uncles.

## Physician Assistants fill medical gap

from David Dickensheets, PA-C  
Physician Assistants are increasingly involved in West Texas communities like Robert Lee where access to primary health care is a major concern.

### Casey Reunion

Forty-one family members and six guests met at the Robert Lee Recreation Hall for the 17th annual Casey Reunion, Oct. 2, 1993. The afternoon was spent visiting, catching up on family news, and taking snapshots.

Emily Talley, 5 weeks old, came by to get acquainted with the family. There were four generations present, Cova Sparks, Jackie Walker, Pamala Talley, and Emily. This young lady experienced the comfort of several arms and had to endure lots of compliments passed her way. There was very little that got by her alertness. Maybe she will follow her mother into the legal profession.

Arlene and James Pritchard, Joan Koller, Kyla and Jacob Beddo were also special guests. Arlene's father, Claude Parker, and Joan's mother, Iva Parker Vestal, had two sisters, Mary and Phebe, that married Casey brothers, Cleve and Hosea, respectively, as well as their eldest brother, Monroe, who was married to Belle Casey.

A pot luck supper was enjoyed by all, followed by a short fun-filled business meeting.

Benny and Barbara Casey of Reno, Nevada, were awarded a pair of mugs for coming the longest distance. Otis Smith received a mug for being the oldest present, and Cova Sparks was presented a mug by her son, Bucky, for having the most family present.

Each family member shared the news of the past year at which time Cleo Havins officially introduced his new bride, Chatchie.

Those present by families were:

**Cleve:** Ruth Williams, Irene Maples, Sherman and Judy Williams, Gary Williams, all of Robert Lee; Benny and Barbara Casey, Reno NV; Leroy and Karen Casey, San Angelo; Lori Casey.

**Bessie:** Lib and Bill Rosenbaum, Clinton, Okla.

**Hosea:** Mona Casey, Abilene; Irma Casey, Barbara and Add Davis, Robert Lee; Cindy and Kacy Ward, Cleburne.

**Lillie:** Cova Sparks, Jackie Walker, Bucky, Barbara, and Bobbie Sparks, Dale Fields, all of Robert Lee; Pete and Clema Rampy, Pamala and Emily Talley, San Angelo; Otis and Flora Smith, Bronte.

**Addie:** Cleo and Chatchie Havins, Basil and Judy Havins, Jack and Shirley Brownfield, Wells Havins, all of San Angelo; John and Lynda Davis, Kingsland.

**Martin:** Tommie and Carl McDaniel, Midland.

**Visitors:** Thelma Watson, Robert Lee; Arlene and James Pritchard, San Angelo; Joan Koller, Kyla and Jacob Beddo, all from Ballinger.

When elected officials on the federal, state and local levels begin wrestling with the question of how to provide quality, affordable health care, the central question is always who will be the providers of our health care services. There are not enough primary care physicians, and it takes about seven years to train a doctor.

The answer that more and more communities are turning to is the Physician Assistant (PA). The profession is one of the fastest growing health careers in the country, and the U. S. Department of Labor projects the number of PA jobs in the United States will increase by 44% through the year 2005.

PAs can provide a broad range of medical services that, in the past, were performed only by licensed physicians. PAs take medical histories, perform physical exams, order and interpret tests, make diagnoses, establish and carry out treatment plans, suture wounds, and, in 32 states plus the District of Columbia and Guam, write prescriptions. Last year, PAs handled more than 149 million patient visits.

This month, thousands of PAs around the country celebrate National Physician Assistant Day. Its history began October 6, 1967, when three former medical corpsmen, who wanted to transfer the skills they had learned in the military service to a civilian profession, graduated from the first PA program at Duke University.

Today there are more than 25,000 PAs in the country who perform an essential role by improving public access to health care. More than half of all PAs provide primary care - which is defined as family and general medicine, internal medicine, pediatric care and OB/GYN care. PAs are not independent practitioners, though; they practice medicine with supervision by licensed physicians.

About 70% of all PAs work in public and private clinics, for health maintenance organizations or medical offices. About 30% work in hospitals. PAs also serve as commissioned officers in all branches of the military.

To become a physician assistant, an individual must graduate from one of the 57 accredited programs in the nation. A typical PA program requires 102 weeks training, compared with 153 weeks for a medical student. Most states also require PAs to pass a national certifying board examination before they can practice medicine. PAs are required to accumulate 100 continuing medical education credits every two years, and to maintain their certification, they must retake the certifying exam every six years.

I am pleased to be a part of this profession providing access to primary health care in rural West Texas. During this week of special recognition, on behalf of my fellow practitioners, I wish to express my gratitude for your support.

Nicole Marie St. Pierre and Bruce Kade Westmoreland, both of Baton Rouge, LA, will exchange wedding vows November 6 at Blythewood Plantation in Amite, LA. Parents of the engaged couple are Mr. and Mrs. Mitchell Crenshaw of Robert Lee and Warren St. Pierre of New Orleans, LA, and Mr. and Mrs. Bruce Dale Westmoreland of Leesville, LA.

### Br. After-game fellowship

Bronte Central Baptist Church hosted an after-game fellowship for junior high and high school students last Friday night after the Bronte-Robert Lee football game. Sandwiches, chips and

dips, cookies and soft drinks were served to the large number present.

### Dance

The Coke County Cavaliers will provide C&W music for the Third Thursday Dance at 7:30 pm on October 21 at the Rec Hall in Robert Lee. The event is open to dancers of all ages and tickets are available at the door.

### Sparks honored by TxDOT

Billy D. (Bucky) Sparks, Maintenance Technician II with the Texas Department of Transportation (TxDOT), was recently recognized for 15 years of service to the department. Bucky is involved in all phases of highway maintenance.

Bucky and his wife, Barbara Ann, have two children; Peggy, 19, and Bobbie, 10. They attend the Baptist Church. Bucky is a member of the Volunteer Fire Department. In his spare time, he enjoys playing golf, fishing, and family get-togethers.

Acting Supervisor Gary Bilbrey presented the award, along with a letter of congratulations from San Angelo District Engineer Walter McCullough, P.E.

### Project Graduation

The senior parents sponsored a car bash as a spirit booster before the Robert Lee vs. Bronte football game. Mr. Jay Henderson, senior sponsor, donated and painted a car for this project. The Bronte student body participated in this spirit booster on Thursday at noon, the Thursday night bonfire, and again at noon on Friday. This was a fun event that was enjoyed by the students and faculty.

All seniors and one guest of their choice are invited to a Hayride Cookout on Saturday, Oct. 23, at 7:00 pm. We have a fun evening planned and hope to have all seniors present. Please get your accident release forms signed and returned to Mr. Henderson by activity period Wednesday, Oct. 20. This form is very important and you will not be allowed to participate without returning it.

### Services for the Elderly

Services for the Elderly is a two hour pre-employment lab designed to equip students with skills to care for the elderly. Services for the Elderly is a unique new program offered at Bronte High School in cooperation with Bronte Nursing Home.

The program is under the direction of Home Economics teacher Julie Massey, High School Principal Scott Turner, Bronte Nursing Home Administrator Pam Shaffer, and Social Services Director Sherri Eubanks.

The program consists of classroom hours and lab hours. Seven seniors and one junior will visit the nursing home on Wednesdays and Thursdays.

Sherri Eubanks has coordinated the program at the nursing home. Visiting each resident and helping with activities introduces the students to the nursing home setting. Study will consist of job opportunities; physical, emotional, and social needs of the elderly; transportation; clothing needs; nutritional; exercise; safety; vital signs; terminal illness; death and dying.

The students who complete the course will have the opportunity to take the state

nurse's aide exam. Upon successfully passing the state exam, the students will be certified nurse's aides, and can seek employment in the field of endeavor.

### Personal

On Saturday, October 9, 1993, a meeting of persons working on Scott family genealogy met at the Midland air terminal to share information. Those attending were Jolene Bracken of Florida, Roberta Ford of Sylvester, Betty Nelson of Odessa, Brenda Hines of Bronte, Jesse Adams of Abilene, Dean and Sharon Scott of Austin, and Ken and Linda Scott of Odessa. Those who also contributed vital information were Kim Wright, Claude; Susan Cathey, Abilene; Cleo Morrison, Borger; Jerri Scott, South Carolina; Dan Knight, Georgia/England; Phillip Scott, Georgia; and Sandy Garrison, Arizona.

Several in attendance also visited the Ector County Library where the Ector County Genealogy Society was having their fall conference. Others attended the Annual Confederate Air Show held at Midland International Airport. Plans are being made for a World Wide Great Scott Day to share research information on Scott genealogy.

# PAY LESS PER FILL UP.

Now you can fill the tub again and again without getting soaked. Because a propane water heater can save you \$2,000 over the life of the heater. And a propane water heater pays for itself in about two years. It heats twice as much water as an electric water heater in the same period of time. And propane is better for the environment. So get more hot water for less cold cash. Switch to propane. For more information call 1-800-64-CLEAR.
