Farm safety week - Sept. 18-24

County Judge Royce Lee has proclaimed September 18-24, 1994, as Farm and Ranch Safety and Health Week in Coke County at the request of Bobby Roberts, Coke-Sterling County Farm Bureau president. This year marks the 51st Annual Observance of National Farm Safety and Health Week, co-sponsored by the National Safety Council and the U. S. Department of Agriculture; with the theme, "Safety and Health... A Way of Life".

Protect yourself and others by making safety part of every activity - on the job, at home, at leisure and on the road. Machines are replaceable if damaged or destroyed in an accident. But, that's not true for people!

Protect by knowing how to prevent farm injuries and illnesses. Read and follow instructions in manuals and on labels. Note safety and health articles in magazines and newspapers. Read booklets on the subject and pay attention to safety reminders on Radio/TV. But, just knowing isn't enough - you must act on that knowledge to reduce risk of costly injury and illnesses.

Protect by inspecting all equipment and facilities for

hazards on a regular basis, then, correct them without delay. Learn the proper safety precautions when dealing with hazards that can't be eliminated.

Protect by always keeping shields and guards in place, and by stopping machines before servicing or dealing with operating problems. When the job dictates, use the appropriate personal protective equipment - gloves, hard hat, safety shoes, respirator, safety goggles, etc. - to reduce the risk to your health and safety.

Protect at harvest time by training workers to operate all equipment "appropriately". Take breaks to fight fatigue, especially during hot weather. When hauling harvested products or moving equipment on public roads, drive with care and courtesy.

Protect by being prepared for each activity. Have the right tools, equipment and/or supplies on hand. Know and respect your limitations as well as your strengths.

Protect by staying fit and seeking care for health problems. Take some time to do things you enjoy to refresh, relax, and add balance to life.

Protect by posting a "policy

Coke County Judge Royce Lee signs a proclamation declaring the week of September 18-24, 1994 as Farm and Ranch Safety and Health Week in Coke County.

statement" and "safety rules" for your operation as constant reminders to be careful.

Protect by doing a hazard hunt on a regular basis, weekly - monthly to locate danger areas, then correct them immediately. Contact your insurance carrier for assistance in these areas.

Birthday Party

Our August Birthday Party was celebrated on the 16th. Mary Bessent sponsored the party honoring her Mom and Dad, they both have August birthdays. Seven others also celebrated. Those with a special day in August were: Pearl Morton, Edna Adkins, Doris Marley, Myrtle Lasswell, Mildred McAdoo, Jo Ella Leeper, and Josie Schooler. Thirty two residents, six guests and helpers were present for a large beautiful birthday cake served with ice cream punch. Gifts were presented to all celebrants. Music was furnished by the ever-popular One Man Band, Marvin Kelsey, from San Angelo. He put out some real toe-tapping music.

A good time was had by all, and everyone helped to make our Birthday people feel special.

Luau - Cook-out

September 19 we're planning our last outside party, all the kinks haven't been worked out, but we'll get there with grass skirts on! Last year we had a big rain on our night outside, needless to say we had an inside party. We can do the same this year, but we'd rather have an outside party. Oh well, we always need the rain. We will be issuing tickets for those who will be coming for the meal. Tickets will be issued so we will know how many to cook for. The staff that is working on the evening shift is welcome to join us, but you must get your tickets in advance.

Exercise

We're going to have more of a good thing! Exercise will be offered twice a week, Mondays and Wednesdays at 10:00 am. We're hoping that we're going to get in better shape quickly. Come join us!

Sing Along

Our monthly sing along is still a big deal on our agenda. Les and Bonita Copeland didn't make our regular August sing along. Les had surgery and we had to let him have some time to recuperate. We're glad he'd doing okay. Lucile Bryan came and played piano, Louise Walker and Maudie Conley led the singing.

Surprise Activity

The residents received a nice surprise from Cleta Timmons and Barbara Davis. The two made homemade ice cream. Cleta made strawberry and Barbara made vanilla. Both kinds were devoured. Twenty-nine residents came and enjoyed the ice cream and Dixie Rencher entertained by playing the piano. A very good surprise!

Tasting Party

Twenty-three residents gathered in the dining room to do some serious tasting. Blue Bell ice cream!! Chocolate sundae, strawberry cheese cake, and just plain vanilla. Strawberry and vanilla tied for first place. Teresa Romine furnished the tasting material. She knows how to get the best stuff!

Watermelon

Watermelon signals summer. We've had watermelon outside and watermelon inside and anywhere we have it - it's wonderful! Evelyn Flanagan donated several for our pleasure and we've still got some - maybe one more time...

Books

We can hardly wait for our next time to read our book titled "Where the Red Fern Grows". After our last book, we decided we would like a little romance to read about, but instead we settled on a book about a boy and two hound dogs. If you haven't read it you should, it's wonderful. Come listen in!

Nail Care

Twice a month, we have nail care in the rec room. We always have a full house; looks like we're gonna have to make appointments. Somehow we get around to everyone.

Admissions - Mary Tyler
Dismissals - Sidney Knight, Evelyn Taylor, and Jack Barnes

Good news - no hospital admissions for August!

Steers put on a show for homecoming

by Bill Burns

The Steers made it two straight with a big win over Santa Anna last Friday night. It was Homecoming and the Steers put on a show for the Exes. The Steers put 41 points on the scoreboard to Santa Anna's 0.

1st Quarter

The Steers received the opening kick-off at the Steer 15 yard line and had a return to the Steer 36 yard line. After three 1st downs Aaron Hood tossed a 7 yard pass to Jeremy Vincent for the 1st TD of the night. Jonathan Torres was good on the extra point attempt.

After a scoreless series by each team, the Steers scored again on a 7 yard run by Lee McCown. Torres kicked the

extra point and the quarter ended Robert Lee 14, Santa Anna 0.

2nd Quarter

On the first series of downs Adam Morgan raced eleven yards for a Steer TD. Torres kicked the extra point. The Steers held Santa Anna on their next possession and Santa Anna punted to their own 49 yard line. Aaron Hood passed to Eric Hood for a first down at the Santa Anna 9 yard line. Morgan scored his second TD of the night from the Santa Anna one yard line.

On the next series for the Steers, Hood flipped a pass into the flat to Bart Goodman

who carried the ball 55 yards to score a Steer TD. The kick failed.

2nd Half

On the first play from scrimmage Lee McCown burst through the middle and outraced Santa Anna for a 75 yard TD. Torres was perfect on the kick after.

Eric Hood intercepted a Mountaineer pass and the game was in the bag.

The reserves would play the rest of the game. They did an excellent job and got some more valuable experience.

Good Job Steers! Robert Lee 41, Santa Anna 0.

The third grade class took first place in the float contest in Robert Lee's Homecoming parade last Friday. The class is taught by Mrs. McCown.

Jami Logan (l), was crowned Homecoming Queen at the halftime ceremony Friday night in Robert Lee. She is shown here with escort, Wayne Hayes, candidate for Homecoming King. Jeremy Fluhmann (far right) was crowned Homecoming King for the 1994-95 school year. He escorted Laura Chesshir, also a candidate for Homecoming Queen.

RL Elementary has 100% attendance

Robert Lee Elementary, on September 8, 1994, had no one absent from school. All 188 kindergarten through sixth graders were present and accounted for. "That's an anomaly, and we're extremely proud of our students and their desire to be in school", Lane Jackson Elementary Principal said. "Our attendance is not an enigma. It is attributed to dedicated students and parents who understand the importance of education, and to the teachers who strive to make learning enjoyable," Jackson stated. Jackson went on to say, "Our attendance has been running around 98% since school began on August 15th, but this is the first time we've reached 100%. Hats off to all the parents, students, and teachers."

RL Sophomores PLAN Program

Robert Lee High School tenth graders will take part in an exciting program this fall offered by ACT. The program, called PLAN, includes academic tests, a survey of interests, and an assessment of study skills knowledge. Students who participate in PLAN get a head start on career and educational planning. PLAN results help them plan their remaining two years of high school and set career and educational goals for their life after high school.

The PLAN program will be available to all sophomores and will be offered on October 12, 1994. Students and parents can receive more information on PLAN by contacting Melba Mauldin in the Robert Lee ISD counseling office. All sophomores are encouraged to participate in this program.

BRONTE SCHOOL NEWS

Longhorns swarm all over Miles, 32-0

by Stover Taylor

The Miles Bulldogs came to Bronte Friday night looking for a bone in the endzone. After forty eight minutes of football, they had not found the endzone, much less a bone or touchdown or anything else.

The Longhorns sent the dogs back home in the doghouse tired, hungry, and defeated. The Bulldogs had been limited to 46 yards rushing on 40 carries, lost 2 fumbles and had been intercepted 3 times. The Horns defense swarmed the Bulldogs all evening long, shutting down their offense. Cory Robinson, Keith Treadaway and Nick Arrott had interceptions to stop the Miles passing attack. In two games the Horns have intercepted six passes and recovered five fumbles. The entire Longhorn squad played great defense.

Offensively the Horns played great, while using nine different running backs on 60 carries for 366 yards. Russel Vaughn had 157 yards on 22 carries; Keith Treadaway had 85 yards on 18 carries; the ball was snapped over his head on a punt, and Keith was charged with a 30 yard loss. Brent Taylor had 52 yards on 6 carries; Michael Sallee had 43 yards on 4 carries; Cory Robinson had 10 yards on 1 carry; Nick Arrott had 14 yards on 5 carries; Cody Holland

had 3 yards on 1 carry; Jason Wilson had 1 yard on 1 carry; and Courtney Bean had 1 yard on 1 carry.

The Longhorns had 7 fumbles and lost 3, while sustaining 120 yards in penalties. Three touchdowns were called back due to penalties. A lot of young men had an opportunity to play, and it was a fun night for the athletes and moms and dads.

1st Quarter

The Horns took the opening kick-off and returned the ball to the Horns 40 yard line. Six plays later the ball was on the 1 yard line after Treadaway, Vaughn, Robinson, and Taylor had picked up 59 yards. On the next play Taylor scored from 1 yard out. The PAT failed. The Bulldogs were unable to move the ball and punted. One of Miles' players was removed from the game after 2 straight unsportsman-like conduct violations. After the penalty the ball was placed on the Miles 40 yard line. Three carries by Vaughn and Treadaway and the line of scrimmage was the 9 yard line. Treadaway went into the endzone on the next play. The 2 point conversion by Treadaway was good and the score was 16-0 with 5:38 left in the 1st quarter. On the Bulldog's next series of downs they could not keep the Horns out of their backfield and were forced to punt. The Longhorns began moving the ball again with good runs by Treadaway, Vaughn, and Taylor. On this series of downs Brent Taylor suffered a dislocated shoulder. Nick Arrott replaced Brent and did an excellent job leading the Horns for the next 3 quarters.

2nd Quarter

The next six plays Treadaway and Vaughn moved the ball to the 6 yard line. Treadaway carried the ball across the goal line on the 7th play of the series and the Horns are up 20-0 with 9:18 left in the second quarter. The Bulldogs fumbled the kick-off return and the Horns were in business again. The drive stalled on the Miles 10 yard line. Nick Arrott picked off a pass and returned it 20 yards. Four plays later Russel Vaughn scored from 5 yards out. The PAT failed, and the score was 26-0 at the half.

3rd Quarter

New faces appeared in the lineup as more players were given the opportunity to play. Nick Arrott completed a 30 yard pass to Jason Wilson for a TD, but it was nullified by a penalty.

4th Quarter

On the first play of the 4th quarter Vaughn carried the ball 15 yards for 6 points. The PAT failed and the scoring is over for the night at 32-0. Keith Treadaway intercepted a pass and returned it 20 yards. Cory Robinson intercepted a pass and returned it 80 yards for a TD, but it was called back because of a penalty. Michael Sallee picked up 43 yards rushing in the 4th quarter.

For the Longhorns there were no punts and no passing yards in the game. It was a good night for the Horns offensively and defensively.

The Longhorns travel to Roby Friday night (tonight).

Bronte "See you at the Pole" set

Youth from Bronte area churches have met and organized the program for "See You At The Pole". Worldwide, over 2 million teenagers are expected to gather at their school flagpole on Wednesday, September 21 at 7 am.

Brent Taylor, Jamie Sullivan, Cara Barnett, Angie Wilburg, Terry Queen, Laura Thomas, Alexa Moore, and Clint Scott will lead the program with selected scriptures. All youth are invited to attend to pray for their campus and community, as well as to claim God's power over negative influences in the lives of their peers.

Area churches have joined together to provide a continental breakfast on the school grounds following the program. Students have invited Mr. Turner, high school principal, and Mr. Myers, elementary principal to share their musical talents during the breakfast.

Parents and other interested adults are encouraged to meet at the downtown park to pray for the students and our community at 7 am, also.

Why not go out on a limb? Isn't that where the fruit is?

Pictured are (back row) Lloyd Noland, George Eubanks (front row) Lydia Casares, Rosa Fuentes, and Elvia Casares. Not pictured are: Victor Fuentes, Chad Teachout and Olga Reyes. Awards were presented by Candace Phillips Asst. Administrator.

Bronte Volleyball

Pre-season volleyball play at Bronte last week was a little disappointing. The Varsity team lost to Central High School 7-15; 6-15. Coach Fox has been trying different line-ups and giving the girls a chance to show their abilities in different areas during the pre-season games. In the first game Laura Thomas and Jill Johnson were the only players to serve an ace and no kills were made. But in the second game, the girls played a little harder defensively. Laura Thomas, Joni Barrett, Wendy Johnson, and Mandy Dunn all had a kill and Jill Johnson had three.

Junior varsity scores were 3-15 and 3-15. The Freshmen team lost 7-15, 15-8 and 7-15.

Lakeview Tournament

The Junior varsity went to Lake View to play in a tournament. They placed eighth by losing to Water Valley. They were defeated by Central Sophomores, Permian Sophomores and last, the Water Valley Wildcats.

Going into the last match with the Water Valley Wildcats, neither team had won a game all year. It was a battle for the win. Bronte put up a tough fight but lost 0-15, 15-9 and 8-15.

Next the Junior Varsity and Varsity teams will play Lake View at home Tuesday, September 13th at 5:00 p.m. Saturday the Varsity team will travel to Colorado City to play in a tournament. The Lady Longhorns will defend their title as champions from last year. Tuesday, September 20th they will travel to play Snyder 9th at 5:00, J. V. at 6:00, and Varsity at 7:00. Good luck Lady Longhorns.

A Visitor From The Past

I had a dream the other night, I didn't understand.
A figure walking through the mist, with flintlock in his hand.
His clothes were torn and dirty, as he stood there by my bed.
He took off his three-cornered hat, and speaking low, he said:

"We fought a revolution to secure our liberty.
We wrote the Constitution as a shield from tyranny.
For the future generations this legacy we gave
In this land, the land of the free and the home of the brave.

"The Freedom we secured for you, we hoped you'd always keep.
But tyrants labored endlessly while your parents were asleep.
Your freedom gone, your courage lost, you're no more the slave.
In this, the land of the free and the home of the brave.

"You buy permits to travel, and permits to own a gun.
Permits to start a business, or build a place for one.
On land that you believe you own, you pay a yearly rent.
Although you have no voice in choosing how the money's spent.

"Your children must attend a school that doesn't educate.
Your Christian values can't be taught, according to the state.
You read about the news, in a regulated press.
You pay a tax you do not owe, to please the I. R. S.

"Your money is no longer made of silver or of gold.
You trade your wealth for paper so your life can be controlled.
You pay for crimes that make our nation turn from God in shame.
You've taken Satan's number, as you've traded in your name.

"You've given government control to those who do you harm,
So they can padlock churches, and steal the family farm.
And keep our country deep in debt, put men of God in jail,
Harass your fellow countrymen, while corrupted courts prevail.

"Your public servants can't uphold the solemn oath they've sworn.
Your daughters visit doctors, so their children won't be born.
Your leadership artillery and guns to foreign shores.
And send your sons to slaughter, fighting other people's wars.

"Can you regain the freedom for which we fought and died?
Or don't you have the courage, or the faith to stand with pride?
Are there no more values for which you'll fight to save?
Or do you wish your children to live in fear and be a slave?

"People of the Republic, arise and take a stand!
Defend the Constitution, the supreme law of the land!
Preserve our great Republic, and God-given right!
And pray to God to keep the torch of freedom burning bright!

As I awoke he vanished, in the mist from whence he came.
His words were true, we are not free, we have ourselves to blame.
For even now as tyrants trample each God-given right,
We only watch and tremble, too afraid to stand and fight.

If he stood by your bedside, in a dream, while you're asleep,
And wonders what remains of our rights he fought to keep,
What would be your answer, if he called out from the grave:
"Is this still the land of the free and the home of the brave?"

HEALTH NOTES

Morning Stiffness

Morning stiffness in our bodies may be more obvious as we get older, but if the stiffness lasts more than fifteen or twenty minutes and a warm bath or shower does not help, the problem may be more than just being out of shape. You should think about talking to your doctor.

Dr. Melvin C. Britton, a clinical professor at Stanford University Medical Center, says the reason to be aware is that persistent stiffness at any age may be an early sign of rheumatoid arthritis. It is an inflammation of the joints that occurs when the body's defenses against infection become disturbed. Most commonly affected are fingers, wrists and shoulders.

Dr. Britton says rheumatoid arthritis tends to run in families, and is most common in women of childbearing age. He says early diagnosis and treatment of arthritis, before permanent damage to the joints occur, may prevent later complications and pain.

Cattlemen's Round Up Sale scheduled

Cattlemen's Round-Up for Rehab is revving into "high gear" as Concho Valley ranchers and volunteer chairmen pool efforts to ensure the success of the San Angelo cattle sale which is set for Thursday, September 22 at Producers Livestock Auction.

Beginning at 1 pm in conjunction with Producers' regular weekly sale, the event will feature donated cattle which will be sold to benefit West Texas Rehabilitation Center.

"So far, we have pledges of livestock from Winters, Miles, Barnhart, Eldorado and San Angelo," said Carter Behrens, Concho Valley Round-Up chairman. "We have several head of heifers, bulls and fat cattle, but we still need some more stock and will be receiving animals up until sale time."

Anyone needing information or livestock picked up may contact local chairman, Behrens at 949-5434 or the Rehab Center at 949-9535. Also, those coming in for Producers' special sale on Monday -- or anytime prior to the Thursday sale -- can leave livestock for Rehab at Mid-West Feed Yards, which is donating feed and animal care to this project.

"The Center's chuckwagon will be on hand at Producers," Behrens added, "and donors are invited to come by at noon and enjoy some beans and cornbread -- and brand the wagon, too."

The September 22nd sale at Producers is the first in a series of ten regional Round-Up auctions scheduled through October. Proceeds from donated cattle, sheep, goats and horses -- as well as cash gifts -- are used to help Rehab provide comprehensive, out-patient treatment services to more than 13,500 disabled children and adults annually.

Abilene agri-businessman Jim Alexander serves the Round-Up effort as general chairman while veteran entertainer Rex Allen lends his support as honorary national chairman.

IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND FAIRNESS HEARING

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

Russell Price, et al vs. Ciba-Geigy Corporation
NO. 94-0647-CB-S

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON®

and Their Spouses, Children, Other Relatives and Legal Representatives:

GALECRON® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETED IN THE U.S. BY CIBA-GEIGY CORPORATION. IT WAS NOT MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER A PROPOSED LEGAL SETTLEMENT.

You may belong to a class of people covered by a proposed settlement of a legal action ("Settlement"), and you may be entitled to receive the benefits of the Settlement. This Notice tells who is covered by the Settlement, and describes the litigation, the benefits of the proposed Settlement, and your legal rights. All Settlement Class members who do not timely exclude themselves from the lawsuit will be bound by the Settlement if it is approved.

PLEASE READ THIS NOTICE CAREFULLY - IT MAY AFFECT YOUR LEGAL RIGHTS - FOR MORE INFORMATION CALL 1-800-565-3126

By Order of the United States District Court for the Southern District of Alabama, a class action has been conditionally certified for settlement purposes on behalf of Settlement Class Members (as defined below) who may now or later have claims against Ciba-Geigy Corporation arising out of work-related exposure to Galecron®. On January 30, 1995, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph St., Mobile, Alabama, 36602, at 9:00 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Settlement summarized in the Notice should be approved as fair, reasonable and adequate. This hearing may be continued without further notice.

I. DEFINITION OF CLASS

Under the Settlement, Galecron® is defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product, or any metabolite of Galecron®, including the substance known as 4-COT or 5-CAT.

The Settlement Class is defined as:

- (1) All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Galecron® ("Exposed Persons")
 - a. **Plant Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment at Ciba-Geigy Corporation's St. Gabriel, Louisiana or McIntosh, Alabama sites, was exposed to Galecron®, including, without limitation, individuals who worked in manufacturing, formulating or packaging Galecron® or in the waste disposal of Galecron®, or worked in the construction, demolition or maintenance of any facilities used for the foregoing activities at such St. Gabriel, Louisiana or McIntosh, Alabama sites; or
 - b. **Formulators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Galecron®; or
 - c. **Applicators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment, was exposed to Galecron® while involved in the application of pesticides which contained, in whole or in part, Galecron®, including, without limitation, aerial and land applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; and
 - d. **Other Covered Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® at the Clean Land, Air, Water Corporation or Environmental Purification Advancement, Inc. disposal sites located near Bayou Sorrel, Louisiana; at Empak, Inc. in Deer Park, Texas; or in a testing or research laboratory, whether or not owned by Ciba-Geigy Corporation; or
- (2) The spouses, parents, children or other relatives of the Exposed Persons described above.

(Collectively "Settlement Class Members"). Note: If you are an Exposed Person, you are a Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children or other relatives are Settlement Class Members but the claims they are settling are limited to those arising from an Exposed Person's exposure.

Relevant Dates

Galecron® was registered for use from 1968-1989. Some Exposed Persons may have been exposed before or after those dates.

II. IMPORTANT MEDICAL NOTICE To Plant Workers, Formulators, Applicators and Other Covered Workers (as defined above):

You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Galecron®. Workers exposed to Galecron® should participate in a medical monitoring program because early detection of bladder cancer can result in more effective treatment. As part of the Settlement, Ciba-Geigy has agreed to establish a medical monitoring program for the detection of bladder cancer for those individuals who do not exclude themselves from the lawsuit. Within six months, this program should be available free of charge to all Exposed Persons who do not exclude themselves from the lawsuit.

If you had on-the-job exposure to Galecron®, it is recommended that you or your doctor call 1-800-565-3126 to learn how you can obtain further medical information or enroll in the medical monitoring program.

III. BRIEF SUMMARY OF LITIGATION

On February 8, 1994, a class action lawsuit was filed against defendant, Ciba-Geigy Corporation ("Ciba-Geigy"), in Alabama State Court, which lawsuit was later removed to the United States District Court for the Southern District of Alabama. The Complaint, as amended, alleges that the Settlement Class as defined above is entitled to damages for medical monitoring and other compensation as a result of Exposed Persons' exposure to Galecron®.

Ciba-Geigy has filed an Answer denying all essential allegations of the Complaint, and asserting affirmative legal defenses. The Court has decided that the case can proceed as a class action for purposes of settlement only. This does not mean that the Class Representatives would have been successful had the case gone to trial. The Court has made no such determination, and the proposed Settlement is not to be construed as an expression of any opinion by the Court as to the merits of any of the claims asserted against Ciba-Geigy.

IV. PROPOSED SETTLEMENT

A Settlement has been entered into between the Class Representatives, Class Counsel and Ciba-Geigy, which will resolve all past, present and future claims against Ciba-Geigy arising out of Exposed Persons' exposure to Galecron®. The Settlement provides for the establishment by Ciba-Geigy of two funds to provide medical benefits and compensation to Exposed Persons or their legal representatives.

(1) **The Medical Monitoring and Treatment Fund ("The MMT Fund").** If the Settlement is approved, Ciba-Geigy will make an initial deposit of \$5,000,000 into the MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money Ciba-Geigy can be required to contribute over the life of this Fund.

The MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The MMT Fund also will pay for all medically necessary treatment not paid for by Medicare or Medicaid if the Exposed Person has been or in the future is diagnosed with such bladder cancer.

The MMT Fund will pay for medical monitoring to Exposed Persons for a period of 20 years, and will pay for medical treatment until one full year passes with no claims for treatment being filed but in no event less than 20 years. Ciba-Geigy will have no obligation to continue the medical monitoring and treatment program if the Settlement is not approved. Only Exposed Persons, i.e., eligible Plant Workers, Formulators, Applicators and Other Covered Workers, as defined in this Notice, will be entitled to medical monitoring and treatment.

(2) **The Disease Compensation and Administration Fund ("The DCA Fund").** If the Settlement is approved, Ciba-Geigy will also make an initial deposit of \$30,000,000 into the DCA Fund. In addition to medical treatment paid for by the MMT Fund, the DCA Fund will make cash payments of up to \$410,000, as set forth in more detail below, on behalf of an Exposed Person who, after exposure to Galecron®, has developed or in the future develops the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. Cash payments will vary depending upon the Exposed Person's age, smoking status and participation in the health screening program. For Exposed Persons who are non-smokers and participants in the health screening program, the cash payments will be as follows: (a) \$10,000 in the event of treatment involving an invasive procedure (this is a one-time payment regardless of the number of procedures); (b) up to \$150,000 in the event of a radical cystectomy (bladder removal) with diversion of the urinary tract, which amount will decrease with a person's age to a

minimum of \$10,000 if the Exposed Person is 85 years or older; and (c) up to \$250,000 in the event an Exposed Person's death is found to be caused by bladder cancer, which amount will decrease with age to a minimum of \$17,500 if the Exposed Person is 85 years or older. An Exposed Person may collect separately for (a), (b) and (c) above, so that the maximum payment to an Exposed Person is \$410,000. The cash payments described above will be reduced by 12.5% if the Exposed Person had smoked in the five years prior to diagnosis. A separate 12.5% reduction will be made if he or she had failed to participate in the health screening program in each of the three years prior to diagnosis (or in each year that the program was available, if less than three years). The DCA Fund also will pay \$1,000 to any Exposed Person who was diagnosed with hemorrhagic cystitis within three months following exposure (this is a one-time payment regardless of the number of manifestations). In addition, the DCA Fund will pay for administrative costs, and class counsel's attorneys' fees, costs and expenses as determined by the Court. All cash payments from the DCA Fund are paid only on account of a compensable claim of an Exposed Person, i.e., an eligible Plant Worker, Formulator, Applicator or Other Covered Worker, as defined in this Notice. Cash payments to a spouse, parent, child or other relative will only be made if they are the legal representative of an Exposed Person.

The benefits of the DCA Fund will continue as long as the MMT Fund continues, or until the DCA Fund is exhausted as set forth below. Ciba-Geigy has agreed to pay up to a maximum of \$45,000,000 for the benefits afforded by that Fund. If the DCA Fund is exhausted, Ciba-Geigy may continue paying for compensable claims. If Ciba-Geigy does not continue to pay, Settlement Class Members will be able to opt-out of the DCA Fund and will regain their right to pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer, because medical monitoring and treatment will continue to be available.

(3) **Other Conditions.** The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible); medical treatment; and cash payments. The cash payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

(4) **Administrator.** A nationally recognized entity or entities with substantial investment and medical claims administration experience will be appointed by the Court to administer the Settlement. The Administrator will determine whether a Settlement Class Member is eligible for benefits under the settlement. Any disputes concerning a Settlement Class Member's entitlement to benefits will be resolved by a Medical Advisory Panel or by a single arbitrator, depending upon the issue in dispute. The decision of the Medical Advisory Panel or arbitrator each have the effect of an arbitration decision and shall be binding upon all parties, including the Settlement Class Member.

(5) **Release.** Settlement Class Members who do not exclude themselves from the Class release all past, present and future claims: (i) relating to the covered medical conditions listed above; and (ii) relating to an Exposed Person's exposure to Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Galecron®. This means that claims that Galecron® exposure caused any condition other than those medical conditions listed above will be released, but will receive no compensation or treatment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure. The release is effective as against Ciba-Geigy and certain additional releasees as defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy.

If you believe you are a member of the Settlement Class, and have any questions regarding any of the benefits set forth above, you are urged to call 1-800-565-3126 for further information.

V. CLASS REPRESENTATIVES AND CLASS COUNSEL

The Court has designated the following Settlement Class Members, Russell W. Price, Leslie E. Hoven, Grady W. Brown, Jennie Ropp Brown, Jack Harley Woodward, Alta Woodward, Joe H. Bowman and Martha Annie Bowman, as class representatives to represent all Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble; J. Cecil Gardner; Joseph J. McKernan; S.C. Middlebrooks III; Charles W. Patrick, Jr.; and Patrick W. Pendley.

The Class Representatives and Class Counsel believe that the proposed Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel have entered into the proposed Settlement after weighing the substantial benefits against the probabilities of success or failure, and the long delays that would be likely if the case proceeded to trial.

There has been no agreement between the parties regarding attorneys' fees. At the fairness hearing, Class Counsel will request the Court to award attorneys' fees and reimbursement of costs and expenses, to be paid from the DCA Fund. Class counsel will request a percentage fee award not to exceed 20% of the benefit conferred on the class, half of which will be requested to be paid over a 4-year period while legal work continues.

VI. RIGHTS AND OPTIONS OF SETTLEMENT CLASS MEMBERS

If you are a Settlement Class Member, you have the following options:

- (1) **You may do nothing and remain a Settlement Class Member.** If you choose to take no action, your interests as a member of the Settlement Class will be represented by the Class Representatives and Class Counsel, at no cost to you individually. You will be bound by any judgment or final disposition of the litigation, and may participate in the benefits available as a member of the Settlement Class. It is important, however, to fill out the REQUEST FOR INFORMATION FORM in order to learn how to receive benefits.
- (2) **You may remain a Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost.** You or your attorney must file an Entry of Appearance with the Clerk of the Court and send a copy to Class Counsel and Ciba-Geigy, at the addresses set forth below. Such Entry of Appearance must be filed by December 16, 1994.
- (3) **You may remain a Settlement Class Member and object to the Settlement.** Any Settlement Class Member who does not elect exclusion from the Settlement Class and who objects to the proposed Settlement must mail such objections and any supporting papers to the Clerk of Court, at the address set forth below, on or before December 16, 1994. If the person filing the objection intends to appear personally at the January 30, 1995 Fairness Hearing described above, he or she must file with the Clerk, on or before December 16, 1994, a Notice of

Intent to Appear. Any Settlement Class Member who does not file objections in the time and manner described above is forever foreclosed from raising any objection to such matters. Any Settlement Class Member whose objection is overruled will still be bound by any judgment or final disposition of the litigation. Copies of all objections and Notices of Intent to Appear that are mailed to the Clerk of Court must also be mailed to Class Counsel and to counsel for Ciba-Geigy at the following addresses:

Class Counsel Galecron Class Action P. O. Box 974 Charleston, SC 29402	Counsel for Ciba-Geigy Henry B. Alsbrook, Jr. Adams and Reese 4500 One Shell Square New Orleans, LA 70139
---	---

(4) **If you choose to remain a Settlement Class Member (under Options 1, 2 or 3 above), you may receive the benefits afforded by this Settlement within six months of the Court's Order directing this Notice.** Ciba-Geigy has agreed to make all benefits afforded by this Settlement available to Settlement Class Members on an interim basis prior to final Court approval of the Settlement. The appropriate Proof of Claim forms will be required (see Section VII below), and an appropriate release will be required for any cash payments made. During this interim claims procedure, class counsel's fees and expenses will be paid upon approval of the Court and ultimately deducted from the DCA Fund initial deposit.

(5) **You may request exclusion from the Settlement Class.** If you elect to be excluded from the Settlement Class, you will not be bound by any judgment, disposition, or settlement of the class action, but you also will not be able to participate in the Settlement. You will retain and be free to pursue any claims you may have. If you wish to exclude yourself from the Settlement Class, you must mail a request for exclusion to the following:

VII. PROOF OF CLAIM PROCEDURE

In order for an Exposed Person to receive medical monitoring, he or she will be required to submit proof of certain employment-related exposure to Galecron®. In order to receive medical treatment or the disease compensation outlined above, a Settlement Class Member will also be required to have been diagnosed, subsequent to exposure, with one of the covered medical conditions listed above. A Proof of Claim to participate in medical monitoring may be submitted at any time during the duration of the program. A Proof of Claim for a covered medical condition must be submitted within one year of diagnosis (or, if the condition has already been diagnosed, within one year after approval of the Settlement).

The Proof of Claim is designed so that you may complete it yourself. Class Counsel is available to answer questions you may have about claims procedures, without charge to you. If you desire legal assistance, you are free to retain an attorney of your choice.

To obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, please call 1-800-565-3126 or fill out the REQUEST FOR INFORMATION FORM below and mail it to Class Counsel at P.O. Box 974, Charleston, SC 29402. No benefits will be available to any member of the Settlement Class unless he or she submits the necessary Proof of Claim Form.
