Two Men Charged After Admitting Thefts From Six Haskell Stores

Complaints alleging theft were filed against Elbert Lewis, 22, of Midland, and Woodrow Francis Fowler, 37, of Corsicana, Sheriff Bill Pennington said Friday after recovering merchandise taken from six Haskell stores in a recent wave of shoplifting. The two men were taken in custody by officers at Dickens Wednesday, and were returned here Thursday by Sheriff Pennington. After questioning by District Attorney Royce Adkins and Pennington the two men told officers the clothing and other articles taken from Haskell stores and a department store in Stamford could be found. A portable radio taken from one store had been sold to a party in Haskell, officers were told. Checking on this information, officers found Lewis and Fowler in the Stamford area. They were arrested and returned to Haskell.

County and City Officials Attend S-D Conference

Mayor Courtney Hunt, Sheriff Bill Pennington and Chief of Police Tom Paul Barnett were in Abilene last week, where they attended a conference of officials and officers from a 13-county area to lay out plans for Safe-Driving Day on Dec. 1. Annual Safe-Driving Day is proclaimed by the President. On that day the nation's motorists are urged to drive safely in an attempt to achieve a 24-hour period free of traffic deaths. S. Carr of Houston, S-D coordinator for the state, was the principal speaker at the Abilene meeting. Carr urged the representatives at the meeting to set up campaign plans in their communities that would drive home to the people the necessity of safe driving and focus their attention on the safe driving test slated in the nation on Dec. 1.

Choir Rehearsal is Scheduled Sunday For Civic Festival

Choir rehearsal for the Christmas Civic Festival will be held at the First Baptist Church Sunday afternoon at 2 o'clock, it has been announced. This practice session will be in addition to the regularly scheduled rehearsals which have been held each Monday evening at the church. Mr. and Mrs. Hubert Bell are directors of the program, which is being sponsored by the Haskell Harmony Club. The annual Christmas Cantatas presented by the Harmony Club have become a tradition of the Christmas season in Haskell. Members of all church choirs in the city have been invited to assist in presentation of the Christmas program, and they are urged to attend all rehearsals possible.

Indians Blast Throckmorton 26-12; Meet 8A Merkel Badgers Friday

The Haskell Indians maintained their perfect district standing Friday night when they defeated the Throckmorton Greyhounds, 26-12, in the 'Hounds Stadium. It was the Indians third District 8A win and their sixth consecutive victory of the season. To date, the Tribe has amassed a total of 229 points to their opponents' 65. After a scoreless first quarter for the Tribe, the Indians fired up to register a TD in the first and second periods, then Halfback Jimmy Love racked up two in the final game to completely dominate the 'Hounds.

"S-D Day" Proclamation

WHEREAS, President Eisenhower has proclaimed Thursday, December 1st, 1955 as "S-D" day, (Safe Driving) and asked the several governors to cooperate in proclaiming "S-D" day throughout our nation; and, WHEREAS, Governor Allan Shivers has proclaimed Thursday, December 1st as "S-D" day for Texas, and has asked that all County Judges cooperate by proclaiming "S-D" day for their respective counties; I, Alfred Turnbow, County Judge of Haskell County, HEREBY Proclaim Thursday, December 1st as "S-D" day of Haskell County. I respectfully solicit the help of every adult citizen to make "S-D" a national success. I ask that each minister in our county give one to two minutes from his sermon impressing the importance of "S-D" minutes to each school teacher in Haskell County make one or two minutes talks daily, to their students impressing the importance of "S-D" day. I solicit the help and cooperation of each Service Club, each Social Club, Parent-Teacher Associations, to work and talk and see that the importance of "S-D" day is indelibly stamped on the minds of every pedestrian and driver of motor vehicles. The challenge to every community will be: not a single traffic accident during the 24-hour period, in daylight or darkness. "S-D" day 1954 demonstrated that the place to attack the traffic safety problem is in the community, and that the responsibility rests upon each individual. Alfred Turnbow, County Judge of Haskell County

Council OK's New Ordinance Banning Hogs In City Limits

The City Council in a special meeting Tuesday night, adopted an ordinance which virtually prohibits the keeping of hogs within the city limits. The Council transacted other routine business which included approval for payment of bills against the city, and OK'd the purchase of a new water fountain for the City Hall. As a matter of official record, the Council also passed an order designating The Haskell Free Press as the official newspaper of the City of Haskell. Aldermen also heard a report from City Secretary T. J. Arbuckle on the annual meeting in Brownsville last week of the City Tax Collectors and Secretaries Association of Texas, which he attended. The ordinance on the keeping of hogs inside the city limits was adopted as an emergency measure in the interest of sanitation. The statute prohibits the keeping of a hog or hogs within a distance of 500 feet of any residence, park or playground inside the city limits. It also stipulates that in any enclosure not in violation of the distance requirement, one acre of land must be included for each hog kept, and that all such premises must be cleaned once each week. A penalty of a maximum fine of \$200 is stipulated for violation of the ordinance, with each day constituting a separate offense. The ordinance becomes effective from and after its publication, which is being made in this issue of The Free Press. Present at Tuesday's special meeting of the Council were Aldermen Chas. E. Smith, Carl Anderson, Brooks Middleton and Jim Byrd, Mayor Courtney Hunt and City Secretary T. J. Arbuckle.

More Than 450 Ex-Students Return To Mattson for First Homecoming

More than 450 ex-students of Mattson rural high school and the eight rural schools which merged to form the consolidated school returned to their alma mater Saturday, to make the first Mattson School Homecoming a decided success. Among hundreds of Exes were former students of 30, 35 or 40 years ago who attended rural schools which were consolidated with the Mattson district. These included Roberts, Vontress, Cottonwood, Pleasant Valley, Powell, Ferris Ranch, Douglas and Irby. Supt. Elvin T. Mathis, who is in his first year as administrator for the modern rural high school and who was one of the leaders in planning this year's Homecoming, gave the welcome and introduced H. Howard

Scout Troop 35 Will Sell Poppies Here Saturday

Poppy Day will be observed in Haskell Saturday, and members of Boy Scout Troop No. 35 will sell the poppy emblems throughout the business section Saturday and Saturday night. Sale of poppies is sponsored by the local Rogers-Cox Post of the American Legion, as a means of helping disabled war veterans. A part of the proceeds go to the Scouts for conducting the sale. The green and red paper replicas of the poppies, which became the symbol of the supreme sacrifice of World War I soldiers, are made by disabled veterans in Veterans Hospitals.

Wayne Conner and John Pitman Head Indians Squad

Tackle Wayne Conner and Fullback John Pitman have been elected co-captains of the 1955 HHS Indians football squad. The two players were selected by vote of their teammates this week. Head Coach Jess Stiles announced Wednesday. Seniors on the 1955 squad have been alternating as co-captains during each game until the selection of the permanent co-captains this week.

Lions Told Plans for 'S-D' Day Observance Slated on Dec. 1

Traffic safety was given emphasis and the aims of S-D Day (Safe Driving Day) were explained by J. Ross Kemp of Abilene, traffic safety director for State Department of Public Safety, in a talk to members of the Lions Club at their regular meeting and luncheon Tuesday. Dr. Frank C. Scott was in charge of the program for the day. Kemp, a veteran member of the State Highway Patrol, explained that President Eisenhower had officially proclaimed Dec. 1st as Safe Driving Day in an effort to increase public awareness of the possibility of making reductions in traffic accidents. Citing the immense toll of traffic deaths, Kemp pointed out that there were only two days in 1954 on which there was not a traffic death in Texas. Nationally, the toll was 2,431 killed and 101,000 injured. The number of deaths and injuries in 1955 conceivably could be greater, since an increase in traffic of 8.4 per cent over last year has been noted, Kemp said. "If every individual motorist and pedestrian in Texas will drive and walk with strict obedience to the traffic laws on Dec. 1," Kemp said, "we will be assured of a death-free, accident-free period in so far as traffic is concerned." "And," he added, "if we can do it on this specific day we will have proven that it can be done during the other 364 days of the year." The special emphasis program aimed at marking a 24-hour period without traffic accidents will begin on November 20 and culminate in S-D Day on December 1, Kemp explained. The traffic safety observance was endorsed by the Lions Club and also has the support of other civic organizations, along with county and city officials. Sheriff Bill Pennington has been named county coordinator for the program, with Mayor Courtney Hunt and Chief of Police Tom P. Barnett as city coordinators to direct the campaign for observance, it was announced at the meeting. An intensive publicity campaign designed to enlist public support of the Safe Driving Day observance will be carried out, city and county officials said.

6,544 Bales Cotton Ginned, As Harvest Passes Halfway Mark

Harvest of the 1955 cotton crop in the Haskell vicinity continued at peak level during the past week, with the city's three gin plants reporting a total of 6,544 bales processed to Wednesday noon. Receipts at the local gins now are running at about the same figure as last year. Check of last year's ginning reports show 6,519 bales ginned on this date in 1954. Ginners and cotton buyers estimate that approximately 65 per cent of the crop has been harvested in this immediate vicinity, and with increased use of mechanical strippers that the remainder of the crop will be gathered rapidly if weather conditions remain favorable. Haskell Merchants Attend Markets In Dallas Buyers from Haskell stores were in Dallas the first of the week, where they attended market. Among those going from Haskell were Mrs. Claude Wheatley and Mrs. Eva Speer of Wheatley's Store, Gene Hunter of Hunter Men's Wear, R. A. Lane and Viars Felber of Lane-Felber men's department.

Great-Grandson of Haskell Couple is Gunshot Victim

Haskell relatives and friends were advised Monday of the tragic death in Reno, Nev., Sunday of Derrell Leon Allen, 14-year-old son of Mrs. Joyce Birch of that city and great-grandson of Mr. and Mrs. J. T. Robison of Haskell. The boy, who would have celebrated his 15th birthday Nov. 10, was found dead from a gunshot wound in his home at 10 a. m. Sunday, a few minutes after he had telephoned his mother, who was employed in a Reno hotel. Despondent remarks of the boy caused Mrs. Birch to become alarmed, and rushing home she found the youth dead. No further particulars of the tragedy were available to relatives here. Funeral services for the boy, a talented sophomore student in Reno high school, were held Wednesday and burial was in a Reno cemetery. The family had lived in Reno for the past 10 years. Survivors in addition to the mother and stepfather, are maternal grandparents, Mr. and Mrs. Buck King of Lubbock, the great-grandparents, Mr. and Mrs. Robison of this city, and several cousins.

Trailer Load of Cotton Damaged By Fire at Gin

Firemen were called to the Farmers Co-Op Gin No. 2 at 12:40 a. m. Friday, when sparks from the burr burner at the plant set fire to a trailer load of cotton on the gin yard. Gin employees towed the burning trailer a short distance from the yard, and firemen extinguished the blaze after a quantity of the cotton had burned and the trailer had also been damaged by flames. Two of the department trucks answered the alarm, and while one crew was extinguishing the trailer blaze, another crew of the second unit fought a number of small trash fires on the north side of plant which also started by sparks from the burr burner, whipped by the high wind and "nother" which struck shortly after midnight. For a time it was feared that fire might break out in the 40 or 50 trailer and truckloads of cotton on the yard awaiting ginning. However, members of the gin crew and firemen kept the incipient blazes under control.

Haskell County History

20 Years Ago—Oct. 31, 1935

Contracts were awarded Tuesday for the expenditure of approximately \$43,000 by the City to improve the water system of Haskell. Contracts were awarded to two firms, the Vedders Construction Company of Childress being successful bidder on the general contract, and the Pittsburgh-Des Moines Company received the contract for the new tower and water tank.

A total of 16,153 bales of cotton had been ginned in Haskell County to Oct. 18 from the 1935 crop, according to the report of W. P. Trice, special agent for the Department of Agriculture. This is almost double the figure on the same date last year when 8,734 bales had been ginned.

Three youths who told officers they lived in Garland, Texas, entered pleas of guilty to shoplifting Wednesday when they were arraigned in County Court before Judge Chas. M. Conner. Merchandise taken from Fouts Dry Goods Store and Perkins-Timberlake store was recovered from the trio after they had been arrested by officers from the Sheriff's department.

Markets Report Smaller Receipts Of Livestock

By TED GOULDY
Fort Worth — The Monday morning line on salable receipts of livestock around the major circle this week showed about 21,000 fewer cattle and calves, about 10,000 fewer hogs and 9,000 fewer sheep and lambs.

Since this followed a definite tapering off of receipts in the closing days of last week, it clearly indicated that the farmer had taken a hand in righting the upset caused by near record amounts of meat being marketed this season.

There was an uneven sort of stability in the cattle and calf trade reported at most points. At Fort Worth sales men tried hard to recover some of last week's losses but did little better than get steady prices on most kinds.

Comparative prices showed: Good and choice slaughter steers and yearlings \$17.50-\$21.50; common and medium grades \$10-\$16.50. Fat cows \$9-\$11; canners and cutters \$6-\$9.50; bulls \$9-\$12.50; odd head \$13; good and choice slaughter calves \$15-\$18.50; few fancy heavies \$17-\$17.50 and above; common and medium \$11-\$14.50; culls \$8-\$10. Stocker steer calves \$19.50 down; steer yearlings \$18 down; replacement cows \$8-\$12.

Butcher hogs opened 50 cents higher at Fort Worth as receipts here and in the Cornbelt were lighter Monday. The advance was not maintained all the way, some late sales being steady to 25 cents lower, and top hogs sold from \$14.50 to \$15.25, late sales \$14.75 down. Sows were steady at \$13.50 down.

Both of these classes were selling 50 to 75 cents above the low time last week when hogs reached the lowest point since 1942 at the market.

General Telephone And Workers Agree On Pay Increases

General Telephone Company of the Southwest and the Communications Workers of America (CWA-CIO) have reached an agreement on the distribution of \$175,000 in additional annual costs which were agreed to during negotiations in July.

The basis of the distribution is as follows:
1. Increase in the amount of 2c or 3c an hour will be granted to employees whose present wage is less than \$1 an hour.

2. A 4c an hour increase will be granted to employees whose present wage rate is \$1 per hour or more but who are not receiving the maximum wage on the present wage schedule.

3. Employees who are receiving the maximum wage schedule will be granted an increase of 5c per hour.

The improved wages were to become effective Sunday, Oct. 30, 1955, and were applicable to all employees paid on an hourly basis throughout the five state area served by the General Telephone Company of the Southwest. Approximately 2400 employees are affected by the wage increases.

Negotiations on the distribution of the \$175,000 began Monday, Oct. 24, 1955. According to a company spokesman, "An atmosphere of mutual cooperation prevailed throughout the negotiations."

Soil District to Present Land Use Program Nov. 8

A Soil Conservation meeting discussing the Abilene Reporter-News Better Land Use program has been set for the Bethel Lutheran Church at 7:30 p. m. on Tuesday, Nov. 8. The supervisors of the California Creek Soil Conservation District urge all interested farmers and ranchers to attend. Color slides will be shown and discussed. The meeting will be in charge of Lambert Stenholm and Hiram Olson.

Nine hundred and ninety-six acres of winter legumes have been planted in the Stamford work unit portion of the district. This size acreage shows the interest local farmers are taking in improving their soil.

Recent results of feeding trials show rolled guar beans had more "bloom" along with the greater gain. If livestock appears a little reluctant to eat the beans at first add a little cotton seed meal to the rolled guar for about two weeks. Several stockmen in the district plan on feeding guar beans this winter.

Farmers and ranchers in the Hamlin area should go by and see the blue panic grass plantings on the Jerry, Willie and Willard Mayberry farms southwest of Hamlin, and the Hamlin Vocational Agriculture grass plot behind the ball park. These plantings are being used for seed and hay production as well as for grazing.

Terrace lines were run this week on the Jimmy Muehlstein farm north of Avoca and on the J. E. McCoy farm southwest of Hamlin. These lines were run by technicians of the Soil Conservation Service.

Our soil is not just dirt. It is a factory where everything needed to feed plant, animals, and human beings is made.

Rites Held Friday In Throckmorton For W. Y. Damron

Funeral for W. Y. Damron, 85, retired Throckmorton farmer and rancher who died Oct. 27, were held at 10 a. m. Friday in the Throckmorton Methodist Church.

Mr. Damron was the grandfather of Don Roberts of this city, manager of Perkins-Timberlake department store.

The funeral rites were conducted by the Rev. E. L. Yeatts, retired Methodist minister, and Rev. C. R. Hankins, pastor of the Throckmorton church.

Burial was in the Seymour Masonic Cemetery under the direction of Merriman Funeral Home of Throckmorton.

Mr. Damron had been a rancher in Throckmorton County since 1908.

Survivors include two sons, Bill Damron of Seymour, and Carl Damron of Lueders; five daughters, Mrs. Elmer Spence of Seymour, Mrs. Clara Roberts and Mrs. Mary Stroud, both of Throckmorton, Mrs. Ella Spence and Mrs. Lorena Richardson, both of Clyde.

To promote an African jungle movie, the manager of the State Theatre in Minneapolis wanted a man to live like a child of nature in the woods three days. A classified ad gave him a choice of several "Nature Boys."

Nurses Entertained With Hallowe'en Party Monday

Members of the nurses staff of the Haskell County Hospital and the Haskell Clinic were entertained with a Hallowe'en party Tuesday evening, Nov. 1 in the home of Mrs. Thelma Adams.

The house was attractively decorated in Hallowe'en colors. Particularly "spooky" was the living room, where white and orange crepe paper, black cats, and orange witch cutouts were attractively used.

The refreshment table was decorated with replicas of cat heads, made of apples with marshmallow ears, cherry eyes and toothpick whiskers. Nut cups were pumpkins.

One of the outstanding features was the presence of Madame Delores, a fortune teller described as "the mystic who knows all, and sees all." She sat in a darkened room and told fortunes of guests. Then, while fishing for prizes was taking place in another room the "Greatest show on earth" was being presented in an adjoining room.

After a delightful recreation period, refreshments were served and a short business meeting was held.

Present for the enjoyable occasion were Mesdames Williams, Inez Ghobson, Mary Kingston, Bertha Kelsie, Leona Carter, Grace McKelvain, Evelyn Mercer, and children, Bill and Suzanne, Josephine Rodriguez, Lulu Kuenstler, Ann Taylor, and the hostess, Mrs. Adams.

Responsible for the attractive decorations was a committee composed of Evelyn Mercer, Grace McKelvain, Lulu Kuenstler.

CARD OF THANKS

We want to thank each and every one who helped with Wylie while he was in the hospital, or remembered us in any way. Especially do we want to say thanks to the doctors and hospital staff, the Fire Boys, East Side Baptist Church, May God bless each of you, and in time of sickness or trouble may you have the same good friends. The Wylie Quastlebaum Family. 42p

NEWS OF INTEREST WOMEN

MRS. CHARLES B. CRANDALL

Mary Jane Leatherwood, Chas. B. Crandall Repeat Vows in Charlotte, N. C., Ceremony

A wedding of interest to Haskell friends was solemnized in Candler, N. C., recently when Miss Mary Jane Leatherwood, daughter of Mr. and Mrs. Glenn J. Leatherwood of Candler, became the bride of Charles B. Crandall of Charlotte, N. C., son of Mr. and Mrs. Alvah L. Cran-

The candlelight ceremony was held in Montmorenci Methodist Church in Candler, with the Rev. W. P. Waugh, pastor, reading the double ring ceremony. Immediately after the ceremony the bride's parents entertained with a reception at their home. Mrs. Crandall is a graduate of Haskell High School and received her B. S. degree in Home Economics from Berea College, Berea, Ky. She was a member of the faculty of Bethel High School in Haywood County for two years and is now with the McClintock Junior High School in Charlotte, N. C.

Mr. Crandall is a graduate of Haskell High School and Hardin-Simmons University. He was on the research staff of the University of Texas for four years and was also on the staff of the U. S. Testing Company in Hoboken, N. J. He is now connected with the Burlington Industries at Cramerton, N. C. Following a wedding trip to New York City and points in New Jersey, the couple will reside at 2238 Marlborough Road, E. in Charlotte, N. C.

Attending Music Club Federation In Fort Worth

Mrs. Tammy B. Hawkins, secretary of the Haskell Harmony Club, accompanied by her sister, Miss Beryle Boone, is in Fort Worth attending the First Factor Federation of Music Clubs convention.

Mrs. George Hauser Directs Magazine Club Program

Brilliant autumn flowers and a Hallowe'en motif graced the assembly room in the club house when members of the Magazine Club met for regular meeting. Club president, Mrs. Luther Burkett presided for a business session, after which Mrs. George Hauser directed the program on "Consumer Education." She used a chart showing marketing and its relation to the consumer, pointing out the problems to be met in marketing and production.

Mrs. Jack Pippin referred to a chart showing the cost of storage of food and products. She stressed the fact that 40 per cent of consumer goods was bought on impulse.

Mrs. George Tyler spoke of the consumer cost in relation to houses, banks, garages, stores and storage houses. She called attention to the features of each by using her "magic wand" to point to sketches displayed by Miss Jerre Sue Couch.

Mrs. J. U. Fields gave a report on the Babson Conference which she attended in Florida. She gave a vivid description of Mr. and Mrs. Babson, told why Babson established the School of Economics and what it means to those who are statistically inclined. He is considered the most accurate forecaster of this country's economic condition.

Two lessons were learned from the interesting discussions. First, that the consumer is boss; and second, that buying household goods is best for the consumer in January.

Members attending were Mesdames Luther Burkett, George Hauser, Jack Pippin, J. U. Fields, John Rike, O. E. Patterson, A. C. Pierson, Roy Johnson, W. A. Lyles, J. P. Payne, C. O. Holt, George Tyler, R. C. Couch, Sr., R. C. Couch, Jr., J. A. Couch, C. L. Lewis, Virgil Bailey, Wallace Cox, R. L. Harrison, Elmer Turner, N. I. McCollum, Jack Merchant, Mary Sue Wilson, Oliver Cunningham, J. M. Collins, Misses Nettie McCollum, Beryle Boone and Jerre Sue Couch.

Ex-Service Women Present B&PW Club Program

A regular meeting of the Business & Professional Women's Club was held Tuesday evening, with the International Relations Committee presenting the program.

A patriotic theme was carried out in the display of flags of the countries belonging to the United Nations. The meeting opened with the Salute to the Flag, led by LeVeda Ray.

The program subject, "Friend or Foe" was developed by a panel of ex-service women, who told of their duties, work, experiences and travels while serving in the Waves, Marines, and WACS during World War II. Those taking part on the program were Mrs. Bradley Buford of Stamford, Mrs. Rudy Aguilar, Mrs. Omer Ray and Mrs. Walter Klerpka of Haskell.

The meeting was closed with the group singing of "America." Hostesses were Esther Holber, Iadwa Hassen and Ruby Lackey.

Sewing Club Has Business and Social Meeting

The Sunbeam Sewing Club met Tuesday, Nov. 1 at 2:30 with Mrs. Jim Fouts for their semi-annual monthly business and social meeting.

The house was called to order by the club president, Mrs. Maude Lee Jones. The club song was sung with Mrs. Fouts at the piano and Mrs. Claude Ashley directing the song. The minutes were read by Mrs. Ed Cass and were approved as read. The club treasurer gave her report and collected dues and birthday dues.

The members voted to have a 42 party on Nov. 29 in the home of Mr. and Mrs. Calvin Wheeler. Each member is to invite their husbands to be guests. After the business meeting a lively social hour was enjoyed.

Mrs. Hazel Tyler and Mrs. Georgia Mae Fouts brought some interesting as well as lively games. The next meeting will be Tuesday Nov. 15 in the home of Hazel Tyler with Mrs. Maude Lee Jones as hostess.

A nice refreshment plate of Cokes, cookies and cake was served to the following members and visitors: Mesdames Jewel Perdue, Maude Lee Jones, Ora McMillin, Osea Cass, Georgia Fouts, Hazel Tyler, Della Ashley, Mary Fouts, Clara Parks, Lucille McCurley, Trudie Wheeler, and visitors, Johnnie Fouts, Terry Steiwert, Jerry Steiwert and Harold Spain.

Furrh-Anderson Wedding Rites Read in Seymour

A wedding of interest to the many friends of the young couple in this section was solemnized Saturday evening in Seymour, when Mildred Furrh of this city became the bride of Vernon C. Anderson, farmer in the Weinert community.

The Rev. John E. Lewis, pastor of Seymour First Baptist Church, read the ceremony uniting the couple in the church parsonage.

The bride wore a blue knit suit with black accessories. She is the daughter of Mrs. Lena Sadler of Rule. She joined the advertising staff of The Free Press in December, 1952, and is now advertising manager for the newspaper.

Mr. Anderson is the son of Mr. and Mrs. V. R. Anderson of Munday. A veteran of World War II, he is now engaged in farming, and is also an employee of a Weinert gin.

Mr. and Mrs. Anderson will make their home in Haskell.

Haskell Educator at Reading Conference In Edinburg

Mrs. Luther Burkett of this city, president of the Texas Association for the Improvement of Reading, is attending the annual Reading Conference being held on the campus of the Pan-American College in Edinburg, Texas. The meeting is scheduled Friday and Saturday.

Theme of the conference is "Improvement of Reading." Speakers for the conference will include Dr. Martha M. Geisling, Professor of Education, Bowling Green State University, Bowling Green, Ohio, who will discuss "Reading and Its Relation to the Improvement of Instruction."

Also, Dr. Paul McKee, Director of Elementary Education at Colorado State College, Greeley, Colo., will develop the subject, "From Listening to Reading" and "Developing Independence in Coping with Meaning Difficulties in Reading."

Section meetings will be held Friday afternoon with Dr. Geisling, Dr. McKee, Dr. Evelyn Thompson of the University of Houston acting as consultants to the various groups.

The conference will close Saturday evening with a reception given by the Faculty Club of Pan-American College.

English Club Has Regular Meeting Friday Afternoon

"On the Trail" English Club of Room 7 had its regular meeting Friday afternoon, Oct. 28, during the last period.

The meeting was called to order by Ruby Kay Alvis. Since there was no business to be transacted, Hallowe'en games were played. The first was a hunting game, then pin the tail on the cat, another was called the witch and the cat. Final entertainment was a fortune telling game. The meeting was adjourned by Ruby Kay Alvis.—Reporter.

Dallas Ford Plant Sets High Record in Production, Pay

Ford assembly plant operations in Dallas, which have produced sufficient cars and trucks since 1915 to criss-cross the nation twice if placed bumper to bumper, are maintaining a record-breaking pace for 1955 in both production and pay.

Since State Fair time in 1914, a year ago, the plant work schedule has called for two 9-hour shifts five days a week and two 8-hour shifts on Saturdays. Similar overtime is scheduled for this fall to keep up with demand for the new 1956 Ford cars and trucks, Mr. Jessee disclosed. The plant has worked on a two-shift basis since April, 1953.

Best Buick yet

When better automobiles are built Buick will build them

IT COMES upon the heels of the most successful Buick in history—and beats it on every score. In shimmering steel and solid sinew, it's Buick for 1956—and there's never been anything like it for pure automobile.

You get a good hint of what we mean when you take in its sweep-ahead styling—from the air-splitting prow of its V-front grille to the robust rake of its canted rear profile.

You get an even better hint when you open the doors and see the dazzle there.

But it's when you put this beauty to the city streets and the open highways that you learn the best of it. For here is performance without parallel. A new advance in Variable Pitch Dynaflow* goes airplanes one better—steps up your getaway in normal driving without switching the pitch. But when you do need that extra surge, it's there instantly—and in extra abundance.

The might of big 322-cubic-inch V8 engines in every Series brings new record high power to all Buicks—ROADMASTER, SUPER, CENTURY, and the bedrock-priced SPECIAL. And to handle such dynamic driving power, the whole rear end has been endowed with extra brawn and heft and solidity.

We could spread before you an acre of blueprints on the engineering gems that spark the spectacular performance and ride and handling and roadability of these great Buicks for 1956.

But you can get the full and magnificent story right now, at our showroom, in a face-to-face meeting with the best Buick yet—now on display, and setting a dazzling new pattern for 1956.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Are You Driving Half a Tractor?

After only one year of service a tractor can lose as much as 20% of its original power, according to authoritative sources. Think what this means if you've let your tractor go longer than that without a checkover!

It could mean your tractor is delivering only a portion of its original power... eating far more fuel than it should... making you spend longer hours in the field... and cutting your profit.

Obviously it pays to have your tractor given a frequent and thorough checkover! Let our skilled mechanics look it over. They'll clean it up... tune it up. They'll restore the power efficiency and fuel economy. They'll do only the necessary work... do it quickly, efficiently, and at a reasonable price.

Let's talk over your tractor and equipment service needs. Won't you give us a call soon?

Advance Tickets Go On Sale for Colored Classic

With a brisk demand reported, tickets went on sale this week for the annual Texas-Oklahoma Colored Classic, to be played in Indian Stadium Saturday night, Nov. 18.

The annual football contest, featuring outstanding colored football teams of Texas and Oklahoma, was inaugurated in 1931 by the Haskell Quarterback Club.

Returning as opponents in this year's Classic are the Woodson High School Rams of Abilene, and the Frederick Okla., High School Eagles. They were opponents in the initial T-O Classic, and this will be the third meeting of the two teams on the Haskell gridiron.

The grid contest has attracted widespread interest among fans in this section and those on advance tickets for this year's Classic will again expect a sell-out attendance.

A pre-game feature Saturday afternoon will be a downtown parade in which the Woodson High School Band and Pop Squad will take part along with members of the two football teams.

Bands and Pop Squads of the Frederick and Abilene schools will also present special features at half time during the game.

Tickets for the game may be Quarterback Club, or at the Chamber of Commerce office, it was announced.

Colored fans may buy their tickets from Albert Sharp, at Cook's Barber Shop.

Mattson—

(Continued from Page 1)

next year the event will be held every three years.

Elmer C. Watson of Meadow Texas, first superintendent at Mattson when the rural high school district was formed in 1936 was the principal speaker.

He reviewed the early history of the school, recalling a disaster which almost wiped out the school when fire destroyed the main building in 1936. It was replaced with the modern brick structures comprising the school plant today, with some additions through the ensuing years.

Three members of the first graduating class at Mattson, 1938, were on hand for the Homecoming. They were James

Massey, Henry Drucesdow and John McGuire.

Mrs. Jack Ray of Zephyrhills, Florida, who came 1300 miles to attend the reunion, was honored as the student coming the longest distance. Mrs. Ray is a member of the Class of '42, a oldest ex-student attending was A. W. Klose, 61, retired Haskell farmer, who attended the old Irby school east of Haskell as a youth around 1910.

Also honored were members of Mattson's first football team, which was coached by Dick Coody of Avoca, first athletic director at Mattson, Coody was unable to be present for the Homecoming.

A total of 510 persons were served at an old-time barbecue given from 5 to 6 p. m. final event preceding the Mattson-

S-D Day Important Date for Farm Residents

College Station-Safe Driving Day Dec. 1, promises to be a significant date in the annals of traffic safety. It should be of special interest to farm residents, because, points out the Texas Farm and Ranch Safety Committee, motor vehicle accidents account for more than 40 percent of all accidental deaths of farm people.

Last year's S-D Day proved the potential value of such an effort. It brought about, says the committee, activity in communities which had never before cooperated in an intensive safety campaign.

While December 1 is several weeks away, the Texas Committee believes it isn't too early for rural community organizations to begin making plans for the most intensive effort ever undertaken on safe driving. The watchword for this year's campaign will be "Make Every Day S-D Day." Plenty of help will be available, if plans are made early. Local county agents can give advice and assistance on planning the all-out effort.

The members of the Farm and Ranch Safety Committee believe that 4-H clubs and other youth organizations which are active in rural areas can make many worthwhile contributions to the

effort. It brought about, says the committee, activity in communities which had never before cooperated in an intensive safety campaign.

In fact, says the State Committee, 4-H club members should play a leading role in the community effort for they have more at stake than older residents.

"The job is a big one and its success will depend upon the teamwork of all. But keep in mind," says the committeeman, "the life you save may be your own or a member of your family. S-D Day is just that important."

Worries become less fearsome

Within the walls of God's House, worries which loomed large outside, become less fearsome. If this alone were the reward of faith, it would be enough. But there is more.

Faith is a source of strength, a reservoir of power that helps you meet the needs of every day. By worshiping with your family each week, you're giving them a measure of security no amount of money could buy. The faith to hope... to grow... to live by.

Come... worship together this week

Norman, Rule's 'Youngest' Oldtimer Back to Area Before Town Was Founded

Norman, prominent Rule school principal and manager of the Norman farms, is the youngest old-timer in the Rule community. He came to Haskell County from the old home town of Rule, where he was a Rule school teacher, back in the late 1890's. He is the last surviving son of Robert J. Norman, who came to the Wild Horse area in the Pinkerton community in the 1890's. "Uncle Lee" and his wife Laura Jane were the first to settle in the Rule community. They were known with their sons, Emmett, Frank, Virgil, and Lee, and daughter, Della, who populated Haskell with Normans. Each son had children and they all settled in the area. Lee says that he and his wife started families in the Rule community even though many have moved to other parts of the Rule territory. He and his wife had a hundred meet and greet an old fashioned dancing and talking Norman.

Lee was born in Conway, Ark. He married Hattie Dedmon in 1911 and they had six children. Three boys, LeRoy, LeRoy, and LeRoy, and three girls, Mrs. Lois, Mrs. Edna, and Mrs. Edna. Lee and his wife had a large family. He and his wife had a large family. He and his wife had a large family.

Area Couple Now In Germany are Parents of Son

Sergeant and Mrs. Dick Harman of Augsburg, Germany, are the proud parents of a son, born Oct. 25. The young fellow weighed seven pounds, 10 ounces. Mrs. Harman is the former Sue Alexander of Weinert. Grandparents of the new arrival are Mr. and Mrs. R. W. Alexander of Midland and Mr. and Mrs. Roy Harman of Monday.

Lee says that he knows very little about the older Norman sons. "My ranch came from Mississippi via Arkansas shortly after the Civil War and they migrated into Texas in family groups. There are really not very many Normans in this country and I think that they are more likely distant cousins."

Lee tells about working on the "railroad dump" for laying the old Orient (now Santa Fe) railroad. His first big outside job. He says that people worked harder in the covered wagon days although there was not as much hurry. "In fact, while we were migrating west, we often stopped in the middle of the day to make camp if the water and shade were attractive. It took over two weeks to come from Falls County to Haskell County. It took me over a week to get from here to Falls on a good fast horse."

Land was selling from \$2.00 to \$5.00 an acre—depending upon its proximity to good water when Mr. Norman came to Haskell County. Cotton brought 5c a pound. "We didn't think much of the country, then mostly rolling prairie devoid of mesquites, because it was considered too dry." Lee recalls his father choosing the Wild Horse Prairie section because of its being level, leam soil. He says that cattle-men preferred rough breakland around the Brazos River bottoms to land northeast of Rule. "Farm people were not very land-conscious in those early days. A man had his hands full on a quarter section if he cultivated it. My dad refused to buy more good land even though he had the cash to buy it. I suppose that my brother Willie and I were the only Rule Normans who tried expanding very much."

Today around Pinkerton—northeast of Rule—Norman descendants realize that Uncle Bob and his sons knew good land when they saw it. The old Norman home place, now farmed by Oswald Kieke, is still about as productive as any in West Texas and it is worth a hundred times more than Uncle Bob paid for it.

During the past fifty years Lee owned around 12,000 acres of choice farm land in Haskell County, but being a good trader, he always "took a profit" when he could. Lee says that even though good land was cheap in the early days, it was about as hard to acquire as it is today. You have to deny yourself something and take a chance, he says.

R. V. Sass, Engineer On WTU Addition, Goes to Fort Worth

R. V. Sass, construction engineer for the West Texas Utilities Company on the second unit of the company's Paint Creek Power Station, left Saturday for his home in Fort Worth. Mr. and Mrs. Sass plan to move to California in the near future.

The veteran engineer first came to Haskell to supervise construction of the initial Paint Creek Power Station for WTU. After its completion Sass supervised a project for Pacific Power & Light in California and returned to Texas as supervising engineer on a West Texas Utilities Company construction job in West Texas.

He returned to Haskell in April, 1954, when construction was started on the second unit of the WTU Paint Creek generating station.

An unusual record was established on this project when construction work went through without an interruption and without loss of a single day's working time. Despite the fact that numerous sub-contractors were engaged in building the second unit, all phases of construction were completed on schedule. Austin Building Company had the general contract on construction of the second unit, as well as the initial plant.

Unable to contribute to a Red Cross drive for blood because of anemia, a Lincoln, Neb. woman placed a classified ad in the Lincoln Star and Journal offering \$5 for substitutes. More than a dozen donors responded.

Yes Ma'am, you can have a housefull of servants for pennies a day!

Yes Ma'am, they're your electric servants, and you pay their wages with your electric service bill. Total cost—just a few pennies a day for the average family!

You know, you've about doubled your use of electricity in the last 10 years. So your monthly service bill is

more than it used to be. But the average cost of a kilowatt-hour of electric service in homes served by WTU is 22% less than it was 10 years ago.

And when you think of all the things your electric service does for you—don't you agree, it's the biggest bargain in your family budget?

New '56 Chevrolet To Be Displayed Friday, Nov. 4

Continued emphasis on the superior performance and rakish lines that contributed importantly to record-breaking sales this year give Chevrolet for 1956 its most distinguished new passenger cars.

Scheduled for public showing at Burton Chevrolet Company in this city, and at dealer showrooms across the nation on Friday, November 4, the latest models carry increased horsepower, a fleetier, more rugged appearance and are offered in the broadest array of bodies ever produced by the company.

New in the low-price field is a four-door hardtop sport sedan. This car has no obstructing center pillar in the window area and is fashioned with the same styling zest that made the Chevrolet sport coupe a sensation of the automobile market since 1950. Also introduced for the first time are nine-passenger station wagons, bringing the company's total number of 1956 bodies to 19.

Of prime interest to buyers who appreciate the security of ready acceleration is horse power extending from the 6-cylinder V-8. The new model sixes rate at 140 horsepower. The Super Turbo-Fire V-8 which, in a recent performance test, set a new all-time record at Pikes Peak in September, develops 205 horsepower.

Among outstanding safety features in the 1956 Chevrolet line are the availability of seat belts and shoulder harness; improved, precision-aimed headlights and crash-tested door locks to minimize the possibility of doors being sprung open by shock or collision.

Record Attendance Expected at Texas Tech Homecoming

Texas Tech in Lubbock is planning for the largest Homecoming in the history of the college Friday and Saturday, with a number of ex-students from Haskell and vicinity expected in attendance.

Most hotels in the city have been sold out for more than two weeks, motels and other living accommodations are filling up rapidly, it was reported from Lubbock.

Several thousand alumni and friend will return to the campus for the 28th annual affair, which will include a Homecoming Queen coronation, bonfire and pep rally Friday night, a downtown parade Saturday morning, campus buffet luncheon and a Border Conference football battle between Tech and the University of Arizona Saturday afternoon.

Mattson Smacks O'Brien 65-34 in Homecoming Tilt

Paced by Arlon Alexander and Gene Mapes, the Mattson Mustangs galloped to 65-34 homecoming victory over the O'Brien squad Saturday night.

The game, a Dist. 4 Six-Man conference affair, was the climax of the first annual Mattson Homecoming.

O'Brien scored first, but Mattson's high-scoring Alexander tallied 35 points—one more than the entire O'Brien squad—to set the pace for the Mustang win.

O'Brien's Herschel Force tallied on runs of 28, 2, 22 and 20 yards and passed a touchdown aerial to Ray Balenzuela for 45 yards. Lowell Rowan raced 45 yards for O'Brien's final tally. Force's 28-yard gallop gave O'Brien a short-lived lead in the game.

Alexander ran for four touchdowns on scampers of 15, 8, 47 and 32 yards, kicked five extra points and ran one over. Gene Mapes scored four touchdowns also, on runs of 8, 22 and on passes from Alexander for 45 and 10 yards.

Rosalie McCall on Austin College Honor Roll

Sherman, Texas—Rosalie McCall, Austin College junior from Haskell, was one of the thirty-eight students named on the Dean's honor list, for outstanding scholastic honors. Students named for the honor made not less than a B in any subject in the preceding semester and not less than a B average for the entire preceding college year. Miss McCall is the daughter of Dr. R. K. McCall, 304 N. Ave. E.

Kenneth Lane is Pledge in Texas Tech Fraternity

Nine Tech social fraternities pledged 105 men at the end of the fall rush, according to James G. Allen, dean of student life at the Lubbock college announced.

Kenneth Lane of Haskell was among the 14 pledges of Pi Kappa Alpha. He is the son of Mr. and Mrs. Noah Lane of Haskell.

Benjamin and Weinert Battle To 20-20 Tie

Weinert and Benjamin, tied for the top spot in District 4 Six-man football, failed to change their rating Thursday night when they met at Benjamin.

The two teams battled to a

20-20 deadlock in the conference contest. The tie was the first blemish on Weinert's record for the year.

Eddie Swaner scored two touchdowns for Weinert on runs of 35 and 80 yards with Frank Jenkins adding the third. Swaner also kicked the lone extra point of the night. Johnny Hudson matched Swaner with a pair of markers on runs of 3 and 31 yards and Sam Pierce adding the third on a three-yard burst. Wayne Searcy booted the lone placement

Paint Creek . . . Community News

MRS. GENE OVERTON

Hallowe'en Carnival was a success both in fun and in the Queen's race. The grand total was \$251.70 of that, the cor- was one of the prettiest ever had, and is to be compli- for planning and putting the Ag boys built the home now, and much better, but he has had to have substitute preachers while he was hurt.

John Bray, Sr., of Albany, who lived in Paint Creek for many years and raised his children here has been ill for several weeks, and isn't feeling much better now. We thought his friends would like to know and maybe send him a card.

Mr. and Mrs. Jerry Welch of Stamford were Sunday visitors in the homes of their parents, Mr. and Mrs. Ed Welch and Mr. and Mrs. Austin New.

The organization of a Home Demonstration club in the community has been postponed indefinitely because everybody is too busy. At the first meeting at Mrs. Paul Fischer's there were five ladies present, which wasn't enough to organize and the next week at Mrs. Gene Overton's there were only three which wasn't enough, so it was decided to wait till winter when the crop is out and maybe organize then.

Durward Livengood returned to the Plains Sunday where he will help with his combine in gathering the maize crop. Louie Kuenstler has been up there for several weeks with his combine.

Mr. and Mrs. Juan Gonzales of Stamford are the proud parents of a son born Oct. 13th. His name is Ronald, Mrs. Gonzales is the former Gregory Flores and the grandparents are Mr. and Mrs. Mike Flores of Paint Creek.

Mrs. Manuel Thane and Dan-

ny were dinner guests of Mr. and Mrs. H. W. Lindsey in Avoca Sunday.

Mr. and Mrs. Arthur Montgomery have finished remodeling their home and it is beautiful. They added a bed room and a garage on the west side of the house, and put brown asbestos shingles outside, and re-roofed it with asbestos shingles of shades of rose and brown. This week they painted the woodwork brown.

Mrs. Charles Bates and son Randy have returned to Dallas after a visit with her parents, Mr. and Mrs. Glen Medford in Haskell. Randy had surgery last spring for the removal of a tumor on his spine, and the doctors had planned to operate again this fall. They have decided to put him in braces instead and not operate right now. He has not walked yet, but is able to pull up to things by himself, and the parents and grandparents are hopeful he will soon be doing all the things a two-year-old is able to do.

Mrs. Hoyt Perry, Mrs. B. L. Blackstock of Munday and her sister, Mrs. Stella Williamson of Haskell returned recently from San Antonio where they visited the Wayne Blackstock's and little daughter Pamela. The Wayne Blackstock's have just bought a new home and the mothers took gifts for the home.

The Young Married Couples class of the Methodist Church had a party at the home of Mr. and Mrs. Irvin Overton in Stamford on the 4th Monday night in October. This class has decided to have a party on the 4th Monday every month, and every young married couple in the community is invited to come and attend the class and the parties, too.

Miss Mary Helen Bounds and Lt. Harry Logan were weekend visitors in the home of her parents, Mr. and Mrs. Raymond Bounds. Mary Helen will remain home this week before her wedding Friday.

Mr. and Mrs. Doc Raughton spent the weekend in Snyder with their daughter and son-in-law, Mr. and Mrs. Ray Sims. They brought their grandchildren, Karen and Ronald, home for a visit with them and Mr. and Mrs. Frank Sims.

Mrs. Jack Medford is spending the week with Mr. and Mrs. Frank Underwood.

Mr. and Mrs. Gene Mickler and son Jay from Fort Worth were weekend visitors in the home of his parents, Mr. and Mrs. Bill Mickler, and his sister, Mrs. Allen Isbell and family.

Our football team had an open date last Thursday and most of the team and the fans journeyed to Benjamin to see the Benjamin-Weinert game. It ended in a 20-20 tie. Our next game is with Vera this coming Thursday, and we play our last conference game here with Weinert Nov. 10th.

Mrs. Jack Jones of Tuxedo honored her husband with a birthday supper last Wednesday in their home. Guests were their parents, brothers and sisters, and Mr. and Mrs. Sam Hansen and Joe from Paint Creek.

Mrs. John McCown, Mrs. Joe McKeever and Dick Gillespie spent several days last week with their sister and husband, Mr. and Mrs. Gene Martindale at the Jones Ranch at Rule.

Mr. and Mrs. Doc Raughton attended the Baylor-TCU game Saturday and visited with their son, Rudy, freshman in Baylor.

Mr. and Mrs. James Raughton and baby daughter, Jean Ann, spent the weekend with Mrs. Raughton's parents, Mr. and Mrs. Roy Overton.

Mr. and Mrs. J. L. Dilbeck spent several days last week in the home of Mr. and Mrs. Dilbeck's daughter and son-in-law, Mr. and Mrs. J. H. Montgomery.

Mrs. Morris Haynes entertained the young people with a Hallowe'en party Saturday night. Many amusing games were enjoyed and winners were roasted around a big bonfire. Those enjoying the party were Mina Faye Griffith, Sandy Earles, Cynthia Russell, Dan Griffith, William, Wallar and Mike Overton, William Haynes, Mr. and Mrs. Dan Middlebrook and daughter, Mr. and Mrs. Morris Haynes, Jr., of Fort Worth and little daughters, Mrs. Bill Griffith and twin daughters and the hosts, Mr. and Mrs. Haynes.

When romantic 54-year-old Newcomb Chapel in New Orleans was about to be demolished, a classified ad was placed in a New Orleans newspaper to locate a woman who had been wed there, so they might visit it once more. Thirty-five former brides responded to the ad.

An extra pig or two per litter resulted when the diet of the mother sow was supplemented with an antibiotic during her gestation, reports the USDA. The extra pigs were due to birth of more live pigs and better ability of the pigs to survive when weaned.

Davy Crockett may not have shot an Indian, killed a bear, or saved the Alamo—but in 1955 he sure did wipe the spacemen off the map.

Sagerton News

By MRS. DELBERT LEFEVRE

The Sagerton Hallowe'en Carnival, held Monday night, Oct. 31, was a great success. Over \$900 was taken in from the Queen's race, advertising and booths. This money will be used for covering the floors in the classrooms, building a new sidewalk at the front and new duplicating machine.

The climax of the evening's entertainment was the crowning of the Queen and her escort, Janice Hertel, daughter of Mr. and Mrs. Carl Hertel, and Larry Quade, son of Mr. and Mrs. Glyn Quade, were crowned queen and king of the carnival. Other members of the royal court were Mildred Bell, escorted by Richard Gibson; Judy Romero, escorted by Paul Gomez; and Terry Ghoslon, escorted by B. L. Ross. Their attendants were Bob Clark and Sherry Counts. Mike Summers and Ray Clark were crown bearers and Phillip Kay Stanhope and Yvonne Ross were flower girls. Ushers were Jimmy New and James Lehrman, James Wendeborn was the announcer. The stage was trimmed in maroon and white, the school colors, with the background maroon, sprinkled with glitter and the white throne.

Mr. and Mrs. Reece Clark accompanied Mr. and Mrs. J. C. Harwell of Tuxedo to Lubbock last weekend to visit with their daughter, Glenda, and the Harwell's son Jim, both students at Texas Tech.

Mr. and Mrs. Delbert Lefevre and children visited in Coleman Sunday with Mr. and Mrs. J. S. Lefevre and family.

The group that went hunting to Colorado returned from a very successful trip last week. Every one in the group killed a deer and Charles Clark killed a bear,

whose hide he brought home for a bearskin rug. Those in the group were Reece, Whit, and Charles Clark, M. Y. Benton, Yatter Benton of Fort Worth, Pete Kitley, Anton Tichelman, J. W. Threet and Harold Smith of Holliday.

The Sagerton Home Demonstration Club met in the home of Mrs. Will Stegemoeller Wednesday afternoon Oct. 25, for a regular meeting. Mrs. A. C. Knippling, meat leader, showed how to prepare enchiladas. Mrs. F. W. Stegemoeller was a guest. Others present were Messdames C. E. Stegemoeller, A. C. Knippling, Joe Clark, J. A. Hertel, E. J. Neinast, Glyn Quade, and the hostess.

Miss Wirges, Haskell County home demonstration agent, met with the Sagerton 4-H Club girls last week in the school house. Plans for this year's sewing pro-

gram were discussed. Each girl is to equip a sewin gbox before the next meeting. The use of good equipment was stressed by Miss Wirges as a good beginning for everyone learning how to sew.

Mr. and Mrs. Dick Swope arrived here last week in their German-made car, which they bought while in Germany while Mr. Swope was in the paratroops. They brought it back on the boat and drove from New York. It is very small and another unique thing about it is the motor is in the back and the spare tire is in the front. They are visiting Mrs. Swope's parents, Mr. and Mrs. Grady Laughlin and Melvin. She is the former Marlene Laughlin.

Mrs. Cecil Crow of Hillsboro visited with Mr. and Mrs. E. J. Neinast and family last week. Liabon Letz who has been overseas with the U. S. Armed Services is home visiting his parents, Mr. and Mrs. Alfred Letz.

Some people just aren't happy if they haven't the belly-ache.

Lucky Three 4-H Club Will Meet Nov. 12 in Rule

The Lucky Three Girls 4-H Club will meet Saturday, Nov. 12 from 9 to 11 a. m. in the home of Mrs. Rex Murray in Rule.

An instructive program is being planned, with Mrs. Murray as director. All club members are urged to attend, and all girls interested in 4-H Club work are invited.

This will be the Club's first meeting without the County Agent, Miss Wirges having been transferred to Wichita County November 1.

Judging from what we hear more people with coughs go to theatres than to doctors.

Heard the other day about a fellow whose doctor advised him to cut his drinking in half—so he eliminated the chasers.

Group of Friends Pay Surprise Visit To E. G. Graham's

Mr. and Mrs. E. G. Graham of this city were pleasantly surprised one evening recently when a group of 19 relatives and friends from Pampa, Texas, swarmed into their home unannounced for a jolly evening of visiting.

The Graham's had been expecting their son and his wife, Mr. and Mrs. Curtis Graham, and when they thought they heard someone in their backyard they were not concerned. Then when no one came into the house, they dismissed the noise as probably that of neighbor children. Within a few minutes, however, noise and voices were again heard.

Then visitors began pouring in, twos and threes until there were 19 in all. The happy gathering then visited and talked,

had coffee and snacks until almost midnight.

In the party were Mr. and Mrs. Carl Ammons, Derryl and Dianne, Mr. and Mrs. Edwin Ammons, Karen and Dale Kent, Mr. and Mrs. Talmage Oliphant, Jerry Don and Keith, Mr. and Mrs. J. L. Blackard, Donnie and Jay, Mrs. Curtis Graham, Alvin Brewer, all of Pampa, and Mr. Brewer's mother, Mrs. Allie Brewer of California.

At a late hour, some of the visitors left to visit other relatives. Mr. and Mrs. Carl Ammons and family going to the home of Mr. and Mrs. Bill Marr, Mr. Brewer and his mother went to Throckmorton to visit relatives there, and Mrs. Curtis Graham went to the home of her parents, Mr. and Mrs. Lloyd Conner. The others in the party were guests in the Graham home for the night.

Demonstration on Sewing Box Given Paint Creek Club

Members of the Paint Creek Junior 4-H Club enjoyed an interesting and instructive demonstration by their agent, Miss Thelma Wirges, at the club's meeting last week.

Jo Ann Griffith, president, called the meeting to order and Judy Calloway, secretary, read the minutes.

For the program, Miss Wirges gave an interesting demonstration on a sewing box.

Those present for the meeting were Patty Bean, Mary Lou McLennan, Jo Ann Griffith, Margie Earles, Margie Scheets, Ann McLennan, Linda Mciford, Rita Wood, Joyce Wood, Ina Bittner, Wanda Medford, Dorothy Coleman, Marlene Watts, Belva Jones, Helen Pustejovsky, Paulette Fisher, Carolyn Liven-good, Sandra Fought, Charlotte Cook, Joyce Shanafelt, Judy Calloway, Margaret Fisher, Roberta Jones, Barbara Stephens, and two new members, Jane Earles and Judy Medford.

F. H. A. Improves Credit Services To Farmers

Further improvements in credit services to farmers are being made by the Farmers Home Administration is the word William E. Lawson, County FHA supervisor, received today from Texas State Director, Walter T. McKay.

Private lenders are urged to participate in the Insured Lending program. These funds advanced by local banks and private lenders and insured by the FHA along with funds appropriated by Congress are used by farmers to buy, develop and operate family-type farms. Haskell County lenders, in cooperation with FHA, have assisted

eleven farmers to own their own farm.

The increased cost of developing farming systems that will make full use of a farm family's land and labor resources and provide a good income, and the emergency conditions brought on by the drought, were the main reason for the increased credit activity.

Lawson further stated that besides the Insured Loans, the FHA makes and services Regular Adjustment Loans, Emergency Drouth Loans, Soil and Water Loans, and Special Livestock Loans. A total of \$683,210 for all types of loans was loaned through the Haskell County

FHA office during the 1955 fiscal year. The sum of \$573,580 was collected by the Haskell FHA office in fiscal year of 1955.

Lawson gives his county committeemen, David H. Persons, John W. Brown and Audie T. Verner credit for ably assisting in the success of the FHA program in Haskell County.

SAVE AT THE ANNUAL OLD STOVE ROUND-UP SALE

MERRY MODERN says: if your old stove doesn't have all the modern features . . . it's time to trade and save on really modern

automatic gas ranges

everything you've always wanted in a wonderful new *flame-fast gas range* . . . and no wonder! Now so much more than ever before — automatically!

Every satisfying look . . . every exciting new automatic feature tells you here's the only really modern way to cook! Replace that outmoded stove with the magnificent new flame-fast gas range of your choice. Naturally, it's wise to buy and save now while trade-in allowances are greater and terms are so very, very low. It's wonderful to know you'll turn out better meals faster and easier. More economically, too.

don't be fooled . . . gas costs 4 times less to use

You may have heard the average cost of cooking by a non-flame method is only \$2.00 or so a month. We do not know for how many meals or how many persons, but we know flame-fast gas in most areas costs less than one-fourth as much to use as any non-flame cooking method. This means: If you can cook by an artificial non-flame method for \$2.00 per month — you can do the same amount of cooking with gas for only 50¢ a month! What's more, an automatic gas range costs less to buy, less to install, and less to operate and maintain.

For what it costs to cook with non-flame, artificial methods for **ONE YEAR** you can cook more than **FOUR YEARS** with flame-fast GAS!

Mrs. Chas. Haynie and children of Munday visited Mrs. Haynie's parents, Mr. and Mrs. L. B. White Sunday.

Mr. and Mrs. J. D. Smith spent last week in Odessa visiting their children.

Ernest Stanfield spent a few days last week with his daughter, Mr. and Mrs. Glenn Lawson and family at Fort Worth.

Mr. and Mrs. Shelby Worley of Carlsbad, N. M., spent several days last week and this week here with Mr. and Mrs. Kay Worley and Mr. and Mrs. Henry Burleson.

Mr. and Mrs. Leroy Wreyford and children of Enid, Okla., visited their parents, Mr. and Mrs. Lawrence Wreyford several days last week. Other visitors in their home were their daughter and family, Mr. and Mrs. Robert Sadler and children, Mr. Sadler and family will leave soon for Newfoundland where he will be stationed with the U. S. Air Forces.

Mr. and Mrs. L. A. Baxter of Abilene visited Mr. and Mrs. Bud Grant over the weekend.

Mr. and Mrs. Joe Clark hosted a Halloween party at their home Saturday night Oct. 29, which is an annual affair with the Clark's. Mr. Clark's 20x30 work shop had been decorated and converted into a spook's hideout.

The walls were covered with white cloth on which had been arranged all manner of spook figures, such as black cats, owls, witches, stars and a grinning moon. The glaring eyes of a huge goat head furnished the hideout's only light. At the entrance stood a mammoth figure which in dimensions resembled Goliath. Across the room from the giant stood a figure that might be characterized as the Law West of the Pecos. To the left of this character was a woman victim of an ice pick escape.

A number of games were played among which was bingo, as each guest would bingo they were required to school hop

across a 20 foot room to claim their prize, and in this contest Wilson Bean and Mrs. Joe Hudson were declared masters in the art of school hopping.

The hostess then had guests to form a square around a sheet with one hand holding edge of sheet and the other under the sheet. The head of a make-believe dissected cat was passed from hand to hand under the sheet which actually was warm cooked macaroni, ice cold peeled grapes and fur from an old cape.

Among the guests were Mr. and Mrs. E. E. Watkins of Knox City who drove down in a shiny 1922 model T Ford, a courtesy of the Ford House at Knox City; Mr. and Mrs. Watkins were costumed in 1922 designed clothes.

Mrs. Clark served almond punch, homemade cookies and homemade candy to Messrs. and Mmes. Jack Hicks, Palo Speck, Walter Speck, Wilson Bean, Joe Hudson, Dwan Burleson, E. E. Watkins and Mrs. D. W. Hamilton, Mrs. M. M. Clark, Mrs. Jess Adams, James A. Greer and the hosts, Mr. and Mrs. Clark.

Before departing for home, Mr. and Mrs. E. E. Watkins took Mmes. Joe Clark, Joe Hudson and Palo Speck for a spin around town in the model T Ford.

Mr. and Mrs. J. M. Stockton and Mr. and Mrs. Pete Tanner visited Mr. and Mrs. R. L. Kemp at Noodle Sunday.

Mrs. J. D. Forman of Abilene spent Thursday of last week here with her mother, Mrs. Tom Murphy. It was Mrs. Murphy's birthday and Mrs. Forman brought her mother a lovely birthday cake and the ladies had dinner together.

Early last spring Mrs. Sallie Fields had the misfortune of falling and breaking her hip. Since that time she has been in and out of the hospital until several weeks ago. Last Friday she went to the Knox City Clinic for a dismissal checkup and the doctor found her condition good but advised her to come back for X-rays Dec. 20. Aunt Sallie, as she is affectionately called by friends, said she will go prepared to meet Santa Claus there and then she has been told she can come home and walk to town as she has always done previous to her accident.

Charley Mayes of Munday was in Rochester one day last week on his way to his farm about 5 miles west of town. Mr. Mayes was looking after some oil interests there and on his way out to his oil wells he stopped by the home of Mrs. Sallie Fields with whom he boarded while teaching school at Marcy in 1895. honoree with a lovely robe and

Mrs. Fields states that Mr. Mayes was only a 17 year old young man at that time, and she enjoyed chatting over old times with this long-time friend.

Mr. and Mrs. Bud Corley spent the weekend at Comanche with Mrs. Corley's parents, Mr. and Mrs. Norred, Mr. Norred, who has been ill for several months, is still very sick.

Mr. and Mrs. Duane Hinsley and family of Anson spent Sunday here with Mr. and Mrs. Malcolm Steele and Mr. and Mrs. Dalton Hinsley.

Mr. and Mrs. Ocie McGuire, Jr. and son of Odessa spent Sunday with Mr. and Mrs. Pat Martin and Mr. and Mrs. Ocie McGuire, Sr.

Mr. and Mrs. E. J. Martin, Sr. and Mr. and Mrs. E. J. Jr., of Throckmorton visited in the Joe Clark home Sunday evening.

Mr. and Mrs. C. J. Robinson of Jayton visited their daughter, Supt. and Mrs. Robert R. King and family Sunday.

The South Taylor Flying Tigers will meet the Rochester Steers Thursday evening Nov. 3, on the Rochester field for a game around 7:30.

The Haskell County unit of the TSTA will meet in Rochester Monday night Nov. 7, in the first meeting of the year. The meeting will be held in the school cafeteria. Entertainment for the evening will be furnished by students of the different schools in the county.

Mrs. J. L. Richardson returned home last Friday from a visit with her son, Ronald Richardson and family at Seguin.

Mr. and Mrs. R. A. Shaver, Sr. were guests Wednesday night of last week in the home of their son, Mr. and Mrs. R. A. Shaver, Jr., and family.

Rev. and Mrs. Davis Edens and children were in Abilene Monday.

Mr. and Mrs. W. D. White of Lawton, Okla. visited relatives here Sunday.

Mr. and Mrs. Carroll of Redding, Calif. and Don and Phil Savage and Dean Carroll of ACC, Abilene were guests of Mrs. and Mrs. Jerome Savage over the weekend.

Mrs. Davis Edens attended the district meeting of the WSCS at Rule Tuesday of last week.

Friday afternoon Oct. 28, Mrs. Troy Brown was honored with a pink and blue gift tea in the home of Mrs. Dale Graham. Party hours were 3:30 to 5:30.

Mrs. Graham greeted and invited guests in and Mrs. Dicky Robertson registered them in the baby book. Attractive arrangements of mums and dahlias decorated the party rooms.

Mrs. Jack Hicks and Mrs. Worth Buckner served punch and cookies and pink and blue miniature triangles as favors.

Sixteen hostesses present the party.

A more massive appearance, brought about by a new grille treatment and lowered height, is combined with a more powerful engine in the Mercury for 1956. A sweep side moulding adds to the graceful flowing lines, and accentuates the low, road-hugging characteristics of the car. Powered by a big new 312-cubic inch displacement Safety-Surge V-8 engine, the 1956 Mercury has superior acceleration and passing ability. New safety features including an improved door latch, an impact-absorbing steering wheel and safety belts are offered. Shown here is a Custom four-door sedan.

Texas Youth to Win \$8,265 at Ft. Worth Show

Texas members of 4-H Clubs and Future Farmer chapters are eligible to try for a share in the \$8,265 in prize money which is offered to junior exhibitors at the 1956 Southwestern Exposition and Fat Stock Show in Fort Worth. Dates are Jan. 27-Feb. 5.

Junior contestants must have personally fed and cared for their animals under the supervision of a county agent, vocational agriculture teacher or Extension Service staff member for at least three months before the show. Also they must have kept a record on the animals during this period.

The cash awards for the youthful competitors are divided: \$3,687, steers; \$2,000, dairy calves; \$1,153, lambs; \$1,865, pigs; \$160, herdsman's prizes. The Ft. Worth Junior Chamber of Commerce will give a plaque and a Western hat as showmanship awards in each of the junior steer, dairy calf, pig and lamb shows and Williamson-Dickie Mfg. Company, Fort Worth, will give a total of 237 pairs of ranch pants to the first three prize winners in each single class of the junior livestock show. Besides the cash given by the show and by various breed associations, donors include Armour & Company, Fort Worth, \$115; Ft. Worth Milk Distributors, \$750; Fort Worth Poultry & Egg Company, \$250, and Swift &

Company, Fort Worth, \$115.

On opening day of the Stock Show, steers, barrows and lambs will be sifted and the junior show judging will take place next day Saturday, Jan. 28, except the junior dairy calves, which will be judged February 2.

Not only may a steer, lamb or pig owned by a boy or girl win honors and substantial cash awards in the junior competition but champions qualify to meet the open show champions for the grand championship of the entire exposition. Then, in the "auction of champions," owners obtain a rich reward.

All junior show exhibitors are invited to the Sunday School breakfast at 8 a. m. Jan. 29 in Pioneer Palace with the First National Bank of Fort Worth as host. This occasion, unique among expositions, has been observed for years, with an outstanding minister bringing the message and with an excellent musical program.

Whether a junior exhibitor wins or not, he or she will have the thrill that comes of showing at the nation's oldest major livestock show. Livestock entry deadline is December 15.

As an aid to stockmen, dairymen and poultry producers, the extension entomologists have prepared a leaflet, "Guide for Controlling External Parasites of Livestock and Poultry." It is available from the office of your local county agent. Now is the time to get several of the parasites.

A Salute To 4-H...

A dramatic highlight of the National 4-H Club Congress unfolds as delegates parade before a huge audience at the International Live Stock Show in Chicago.

The 4-H spotlight will again be on Chicago when the top 1,200 boys and girls from all 48 states, Alaska, Hawaii, and Puerto Rico join with guests from foreign countries for the 34th National 4-H Club Congress, Nov. 27 - Dec. 1.

Four huge H's are formed by the 1,200 delegates to the National 4-H Club Congress during the 4-H Parade.

ing the Cooperative Extension Service further the influence and membership of 4-H for 34 years.

Congress delegates are selected from the Nation's 2,150,000 4-H'ers through county, state and national competition. In Chicago, 130 will be named national winners in 29 award programs and will receive \$49,050 in college scholarships.

CITY ORDINANCE

An Ordinance Regulating the Keeping of Hogs in the City Limits of the City of Haskell, Texas, Providing a Penalty for Violation Thereof, and Declaring an Emergency.

Be It Ordained by the City Council of the City of Haskell, Texas:

Section 1. It shall be unlawful for any person, firm or corporation to keep, or cause to be kept, within the corporate limits of the City of Haskell, Texas, for any purpose whatever, any hog or hogs, located within a distance of five hundred (500) feet of any building occupied by any person or persons, as a dwelling.

Section 2. It shall also be unlawful for any person, firm or corporation to keep, or cause to be kept, any hog or hogs, within the corporate limits of the City of Haskell, Texas, located within a distance of five hundred (500) feet of any place where the public resorts for amusement or games of any kind.

Section 3. It shall also be unlawful for any person, firm or corporation to keep, or cause to be kept, any hog or hogs at any place within the corporate limits of the City of Haskell, Texas, where the pen or enclosure in which such hog or hogs are kept, has less than one (1) acre of ground per hog.

Section 4. Any person, firm or corporation violating any provision of this ordinance, upon conviction of such violation, shall be deemed guilty of a misdemeanor, and shall be fined in any amount not to exceed the sum of Two Hundred (\$200.00) Dollars, and each day of such violation shall constitute a separate offense.

Section 5. All ordinances or parts of ordinances in conflict herewith are hereby expressly repealed.

Section 6. In the event that any section or portion of this ordinance should for any reason be held invalid, nevertheless all the remaining sections and portions thereof, shall not be impaired or affected thereby, but shall remain in full force and effect.

New Buick Cars For '56 Will Be Shown Friday

Buick this week presented its new line of cars for 1956, featuring a four-door hardtop in every series, more powerful V-8 engines, and fresh new styling in bold design that has made Buick

the third best seller in the nation for the last two years.

The new car will go on display in dealer showrooms Friday, Nov. 4, and will be shown in Haskell in the salesrooms of Richey-Strain, local Buick dealers.

Horsepower has been increased to 255 in the Roadmaster, Super and Century series and to 220 in the Special. For the first time in 1956 the Special is equipped with the 322 cubic inch engine, the same power plant used in the other three series.

The new variable pitch Dynaflo transmission has been improved for 1956 through addition of a second stator which increases the torque multiplication and boosts performance importantly in the 0 to 30 mile range.

Dual exhausts are standard on the Roadmaster and optional on the other three series.

Style highlights include an all-new front end with a handsome new V-shaped grille, a refinement of the rear end design which proved so popular last year, exquisite new interior and a colorful new instrument panel that features the Redliner speedometer in each series.

Safety features include seat belts, available as dealer installed equipment on all models; door locks with an interlocking feature that prevents them from flying open in event of collision; a foam rubber pad across the top of the instrument panel, and more effective brakes for faster stops.

Passed, approved and adopted by the City Council of the City of Haskell, Texas, this 1st day of November, A. D. 1955.

Courtney Hunt, Mayor of the City of Haskell, Texas.

ATTEST: T. J. Arbuicke, City Secretary.

Farm Income in Texas 6 Per Cent Behind 1954

Texas farm income for the first eight months of this year is 6 per cent behind the January-August total of 1954, the University of Texas Bureau of Business Research Reports.

Income from 10 of the 19 major farm commodities — cotton, cottonseed, wheat, oats, flaxseed, rice, calves, hogs, wool and poultry—showed decreases from last year.

Commodities registering increases were grain sorghum, peanuts, cattle, sheep and lambs, mohair, eggs, milk and milk products, and fruit and vegetables.

Income from the sale of corn this year has remained substantially the same as for the comparable period last year. The largest

Texas corn crop in five years, 48,000,000 bushels, has been predicted for the 1955 harvest. The estimated per-acre yield, 22.5 bushels, would be the highest since 1919. A bumper sorghum crop for this year, over 24 million bushels more than last year, also is predicted.

In the cotton crop, heavy losses were caused by insects. In North, East and Central Texas, boll weevils and pink bollworms have destroyed at least 250,000 bales of cotton, valued at approximately \$40 million.

If tests of a new Johnson grass-sorghum hybrid continue to prove successful, an abundant supply of cheap, high quality forage and silage may become available in a year the Bureau predicts. Tests are being made at the Mississippi Experiment Station, where experts believe dairy and beef cattle regions of East Texas and the Gulf Coast in particular may triple production if the crossed plants live up to expectations.
