First load of wheat harvested this year in the Haskell trade territory was brought in Thursday by Seet Cox, farmer living southeast of town. He brought in 3,222 pounds of wheat, the first harvested from a 42 acre field on his farm. The wheat tested 56 pounds with moisture content of 15 per cent and was bought by the Haskell Mill & Elevator at \$1.02 per bushel.

Moving of the Perry Bros. stock and fixtures from the northwest corner of the square to the firm's newly remodelled quarters in the Fields Building on the west side of the square will be started Monday, according to Clyde Raley, store manager.

Construction is to be started this week on a modern six-room duplex apartment house, which will replace the old Baldwin place in the north part of town. It was badly damaged by fire several months ago.

Hard showers which fell in several parts of the county Tuesday night were accompanied by flurries of hail which damaged the small grain, farmers report.

Some of the grocery items advertised by Atkelson Food Store included: 100 pounds No. 1 red potatoes, 25c; 10 pounds of sugar, 48c; 8 pounds compound, \$1.00; Maxwell House coffee, 3 pounds, 80c; hamburger meat 12 1/2c pound; bananas, pound 4c.

the little flame that freezes... secret of today's most amazing refrigerator

Thirty years ago came the first "electric ice boxes" ... costly, complicated, noisy, liable to break down, wear out and gluttons for current. Two Swedish chemists decided there must be a better way. And, in their Stockholm laboratory, discovered The Little Flame That Freezes. A tiny gas flame replaced all those moving parts ... makes all other refrigerators old-fashioned. No noise! Nothing to wear out! They had discovered the refrigerator that was 30 years ahead of its time! It still is!

Shower the bride with **Lifetime Gifts** Give her gifts of steel

WHEN a special friend or relative is taking that important step from Miss to Mrs., show her your delight: Give her gifts of steel. For steel gifts are stylish gifts that last a lifetime.

When you buy them for a shower or wedding, you're giving the bride much more than just an expression of your affection. You're giving gifts that will endure as long as she needs them.

Showering the bride with gifts of steel means choosing from countless items made to give stylish service—from coffee makers to canisters, folding chairs to flatware, trays to toasters, clocks to cutlery. No matter what you choose to give, she'll appreciate your good taste and thoughtfulness.

And any bride would glow with pleasure to see the lustrous quality shining through every gift of steel. And she can be assured these good-looking items will go to work in a thousand ways to prove their lasting value. For only steel can do so many jobs so well.

So when you shower the bride, make it a Steel Shower. And when you shop for the bridal gifts, make an investment that is fashionable and practical. Look for the store displaying the Steel Shower symbol—and get the gifts that will last a lifetime.

This symbol identifies the store that's a Bridal Center, where you can get a variety of gifts styled in steel... to last a lifetime.

"We Were Amazed"

Says CAR LIFE, The Family Auto Magazine

We were amazed as we drove the Special four-door hardtop, to find that an automobile could be completely changed yet retain so much of its former appearance and character. The 1957 models have all the familiar, solid Buick virtues.

THE ABOVE brief clipping tells you worlds about the '57 Buick.

It tells you we went all out to make this car completely new—yet we didn't sacrifice a single Buick virtue.

So you still get that unmistakable Buick styling.

You still get that big-car room and comfort and that solid Buick quality.

But you also get so complete a change in the vitals of this car that the driving of it is a wondrous new experience.

You get a brilliant brand of performance that's different from anything else that goes on four wheels.

Words won't describe it. Telling you there's an all-new engine, an instant new Dynaflow,\* a completely new power train—none of that will convey this news to you.

What you have to do is get in this car and drive it. Drive it around the block, through town, out on the highway. Actually feel what happens when you press the gas pedal, turn the steering wheel, touch those powerful new brakes.

Then—and not till then—will you know why folks call this "the dream car to drive."

The best advice we can give you, by far, is this: Ask your dealer for a trial run today.

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick build today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special. Safety-Buzzer is standard on Roadmaster, optional at extra cost on other Series.

### FHA Loans to Haskell and Stonewall Farmers Total \$756,905 in 10 Months

More than \$756,905 has been loaned to farmers in Haskell and Stonewall Counties by the Farmers Home Administration during the ten months ended April 30, 1957, the agency's county supervisor, William E. Lawson, announced this week.

Of this amount, \$103,570 has gone to purchase seven farms for borrowers under the Farm Ownership Program. The heaviest demand for other credit has been for feed, seed, fuel, fertilizer, spray and other items of farm operating expense. The prolonged drought cut down the amount of requests for loans to buy livestock.

During this same ten months' period, Farmers Home Administration extended credit in operating, emergency and real estate loans to some 18,500 Texas farmers and ranchers for a total of \$54,773,000, the agency's state director, Walter T. McKay, reported. This is an increase over the same period last year of about \$6,500,000. "This increase is due primarily to the demand from family-type farmers for credit needed to place their farming operations on an efficient basis," McKay explained. "In fact," he added, "agency records reveal that there has been a slight decline in the demand for emergency credit so far this year. Long-term credit, to develop balanced systems and make full use of resources available, has been extended to a number of operators of family-type farms who previously obtained emergency loan assistance."

McKay and members of his staff are meeting this week with the National Administrator Kermit Hansen to go over agency operations for next year. This meeting is preparatory to training meetings to be held for county office staffs throughout the state. The objective of these meetings will be to insure that maximum service is rendered to Texas farmers and ranchers promptly and efficiently.

### Legion Honors Haskell Students With Awards

The American Legion, Rogers-Cox Post 221, honored four of Haskell's outstanding young citizens at the graduation ceremonies of Haskell High School recently.

Receiving the senior awards were David Duncan, son of Mr. and Mrs. J. Belton Duncan and Gail Brown, daughter of Mr. and Mrs. Lee Brown.

The junior awards were presented to Ted Dement, son of Mr. and Mrs. A. G. Dement and Dorothea Rueffer, daughter of Mr. and Mrs. Martin Rueffer.

The awards are presented annually by the Legion after selections are made on the basis of scholarship, leadership, citizenship and character.

The awards were presented by Dennis P. Ratliff, local attorney and former district judge.

### Break in Weather Needed, O'Brien Cotton Man Says

Paradoxical as it may seem, the cotton ginning industry in this immediate area might have enjoyed a better season in the drought year, 1956 than it will have in 1957.

"That fact was pointed out Saturday by S. N. Reed, owner of the Northern Star Seed Farms around O'Brien and prominent in the cotton industry. He is also one of the principal stockholders in the O'Brien Co-Op Gin.

Continued rains, Reed said Saturday, could delay planting of the cotton crop to such a late date that it might be lost to insects and early frost.

However, he was not pessimistic, and like other farm operators of that section, was elated over the fine moisture now in the ground.

"Right now, we need about a month of bright sunshine in order to save the grain crop and get cotton and other row crops planted," Reed said. "And I believe we'll get a break in the weather in time to get the crops seeded," he added.

He says the grain crop in the O'Brien area, which gave promise of a bumper yield, had suffered considerable damage during the past two weeks.

Considerable farm irrigation has been developed in the O'Brien section, and the 1956 cotton yield as well as other farm production was way above the average for the other sections of Haskell County.

The O'Brien Co-Op Gin processed more than 12,500 bales of cotton from the 1956 crop, Reed reported. Incidentally, this was more than the entire yield in neighboring Jones County, which has no irrigation.

### Egg Prices Due To Improve in Months Ahead

College Station—Egg production in Texas has dropped only slightly during the recent months while total production in the nation was up by 2 per cent. Too, points out Extension Economist John G. McHaney, stored holdings for all kinds of eggs on April 30 were greater than on the same date a year ago.

Cold storage holdings on April 1, 1957 were below the 5-year average with the exception of shell eggs which were 8.6 percent above the average. But, points out McHaney, 88.9 per cent more shell eggs were in storage in April 1957 than a year ago.

The outlook for improved prices in the months ahead is good, says the economist. Commercial hatchery output of egg-type chicks in Texas for the first four months of 1957 was 23 per cent below the output for 1956. In the nation, the drop was 21 per cent for the same period and eggs in incubators on May 1 numbered 7 per cent fewer than a year ago.

Haney says it is reasonable to expect a decrease in production with a corresponding increase in price. Prices, he adds, should be much stronger during the latter part of 1957 and the first four months of 1958.

Because of economic stress in the broiler industry, many cases of hatching eggs for broiler purposes may be switched into channels of trade. This would increase the supply of market eggs and could influence future prices. The extent to which this may happen will depend upon the demand for broiler hatching eggs. Currently, broiler hatching and placements in the nation are running ahead of the 1956 figures, says McHaney.

Bonded indebtedness of the City of Haskell amounts to \$117 for each resident, based on estimated population of 4,000. In addition, \$56 per capita will be required to pay interest until maturity.

Jerry Hannaz, shown above, takes the role of Chief Spotted Horse in the Haskell historical film being produced in celebration of the 100th birthday of Haskell County.

### County's Wheat Acreage for 1958 Upped Slightly

Haskell County's 1958 wheat allotment has been set at 52,880.1 acres, a slight increase over the 1957 allotment of 52,356 acres, the county ASC office reported this week.

"We will have 522 acres more than we had this year," Miss Grace Bisbee, assistant ASC secretary said. "However this will reflect only a fractional increase on any individual farm."

The individual farm allotments were mailed out last Friday and should be in the hands of all grain producers.

### WEEKEND GUESTS IN A. M. TURNER HOME

In Haskell to attend the wedding of Jimmy Turner and Miss Frankie Kelley Sunday, and spending the weekend in the home of A. M. Turner, were: Mrs. Carrie Turner, Mrs. Mary Pike, Mr. and Mrs. Ted Turner, Mr. and Mrs. Dewey Drennon and sons, Ralph and Rex, Mr. and Mrs. Pete Weeks and children Jim and Sue, all of Welch, Texas; and Mr. and Mrs. Wes Owen and children, Jane, Betty, and Jerry of Tahoka, Texas.

Cost of operating the city street department amounts to approximately \$1,050 per month.

### Former Haskell Family Now in Sweden

Relatives and friends here received messages last week from the Payne Hattox family telling of their arrival in Sweden and that they had established residence in the city of Stocksund.

Mr. and Mrs. Hattox and their two children, Tommy and Laverne, sailed from the port of New York May 12 for Sweden. Mr. Hattox, minister of the Munday Church of Christ for the past three years, is also a former Haskell business man.

He was associated with his brother, Gaston Hattox, in the grocery business and later the hardware and furniture business here. Another brother, Clay Hattox, also lives here.

Mr. and Mrs. Hattox went to Sweden as missionaries of the Church of Christ. Their support and traveling fund was made possible by the Churches of Christ in different areas.

In one letter to friends here, the former Haskell man said it was "a little difficult" getting accustomed to the brief hours of darkness and long daylight period. "We close the blinds at bedtime, and it's still light outside, and when we awaken the sun is still shining," he wrote.

The weather in Sweden seems like the dead of winter to the Texans, and heavy wraps are comfortable, he related.

For the benefit of friends who desire to write the former Haskell people, the address is: R. P. Hattox, Pensionat, Solhall Alpstigen 4, Stocksund, Sweden.

### ATTEND SWEETWATER GRADUATION EXERCISES

Mr. and Mrs. Jesse L. Collier, and Mr. and Mrs. Bob Herren and daughter, Jan, attended baccalaureate services of Sweetwater High School May 26, where their grandson and nephew, Kent Collier Comolli was a member of the Senior Class. Mrs. Collier and Mrs. Herren returned to Sweetwater May 28, and attended commencement exercises for the Senior Class, and were accompanied home by Jan Herren, who had remained there for a visit.

### Negro Man Suffers Broken Leg In Rochester Wreck

A 39-year-old Negro man suffered a broken leg early Monday morning after a one-car accident south of Rochester.

The victim, Tom Thomas, overturned his car and skidded into a field about 2 a. m. Monday. A man passing by took Thomas to Knox City, and he was transferred to a Warren Funeral Home ambulance and rushed to Hendrick Memorial Hospital in Abilene.

An unidentified man was riding with Thomas. He was not injured.

### SPENDING VACATION IN CALIFORNIA

Mr. and Mrs. Loyd Feemster and children, Sissy and Skeeter, left last week for an extended visit in Pittsburgh, Calif., in the home of the Haskell couple's grandparents and other relatives and friends. Mr. Feemster is executive secretary of the ASC in Haskell County and will return to his office June 17.

### Atomic Power in Napoleon's Day?

Certainly! The raw materials were there. The only thing missing was knowledge of how to rearrange them. Today we know that trained minds can make our lives longer and better. We must strengthen the sources of knowledge—our colleges. Yet these are already overcrowded and applications will double in ten years.

Where Parking is No Problem

## Get in the fine-car swim at the low Ford price!

There's no need to pay a "fancy price" to enjoy fine-car luxury. Ford is lowest priced\* of the low-price three, yet offers values you'd expect only in cars costing far more!

To start with, you can easily pay twice the money, and not find lines that can hold a candle to Ford's for lowness, loveliness, or just plain good taste.

But step inside. That's when you'll find the real evidence of Ford's quality!

And, on the way in, note that Ford offers door checks that hold doors open in either of two positions—for easy entrance or exit. A little thing. But, in a fine car, why not? Then, inside, notice how comfortable those plush, foam-rubber seats are. They'll stay that way. And on long trips. For they're scientifically contoured over non-sag springs. Your rear-seat passengers are treated extra kindly, too—with spring assists to help them open and close the doors—with the most leg room in Ford's field!

Fine cars are smooth—and that's another place Ford really shows its stuff!

Ford delivers its famous V-8 power smooth as a whisper. That's because only Ford takes the pains to electronically balance each engine while running under its own power. Not even the makers of the most expensive automobiles go this far to bring you super-smooth performance.

Ford rides fine-car smooth and quiet, too. You can thank the new "Inner Ford" for that. Ford, for instance, has a swept-back front suspension actually "rolls with the punch" of road bump.

Ford's rear springs automatically just to give the right ride for road. And Ford keeps things quiet, the most sound insulation in its field!

Fine cars are built to stay solid. So's Ford!

Ford has the only frame in the field that makes use of rugged tubular steel. No car at the price offers so many strengthening beams. Expensive aren't built of thicker body steel or sounder engineering skill. Then, of course, in Ford you can have all power assists and other conveniences found in fine cars. And they cost less in Ford. Yes sir! In every feature, in part, Ford is the fine car at half fine-car price. Come in and see!

MR. AND MRS. JIMMY TURNER

### Frankie June Kelley Becomes Bride Of Jimmy Turner In Ceremony Sunday

Nuptial vows were exchanged at 2 p. m. Sunday by Miss Frankie June Kelley, niece of Mr. and Mrs. James Kelley, and Jimmy Turner, son of A. M. Turner and the late Mrs. Turner of Haskell. Rev. M. D. Rexrode officiated at the double ring ceremony in the First Baptist Church. The wedding was performed before an arch entwined with greenery and white gladiolas. Baskets of white gladiolas were placed at either side of the altar. White satin bows marked the pews.

Mrs. Wilda Medford, organist, played a program of pre-nuptial music and accompanied Mrs. Thomas Ingram who sang "My Happiness" and "The Lord's Prayer."

Given in marriage by her uncle, the bride chose a white ballerina length gown of sheer dotted nylon over taffeta. The bodice was accented with velvet ribbon through an insertion and fashioned with a scoop neckline. Her fingertip veil of nylon tulle fell from a crown sprinkled with seed pearls and iridescents. She carried a bouquet of fringed white carnations centered with symbidium orchids.

The bridesmaids were Miss Mary Lee Carter and Miss Myrna Cooper. The junior bridesmaid was Miss Vickie Loftis. They wore similarly styled gowns of blue net over nylon. The bouffant skirts were of ballerina length and the fitted bodices were covered with blue lace and fashioned with wide net shoulder straps.

Bill Kurk attended the bridegroom as best man. Ushers were

Albert James Foster, and Rajah Hassen.

Assistants at the reception in the church annex were Mrs. Al Arend, Mrs. Lea Harris, Mrs. Robert Dumas, Mrs. B. C. Cooper, Mrs. Henry Harris, Mrs. Clois Thomas, Mrs. Otto Cariker and Mrs. James Adkinson.

The couple will establish a home at 406 N. Ave. E. Haskell, following a wedding trip to New Mexico and Yellowstone National Park.

Mr. and Mrs. Turner are both graduates of Haskell High School and he is a graduate of Texas Technological College, Lubbock. He is employed by W. O. Smith Nevada Co. of Haskell.

### Mrs. J. T. Ellis Is Hostess for Annual Family Reunion

Mrs. J. T. Ellis entertained in her home last week with a reunion for her sisters, when five of the six sisters in the family were together for the annual event.

In addition to Mrs. Ellis, they were Mrs. C. L. Irwin of Houston, Mrs. C. W. Morehead of Norman, Okla., Miss Lavena James of Washington, Okla., and Mrs. Alla Deering of Hugoton, Kans. Another sister, Mrs. J. H. Low of Los Angeles, Calif., who was unable to attend this year's reunion, is the first absentee at the family gatherings which have been held in their different homes annually over a period of twelve years.

The sisters are the daughters of the late Rev. D. James and his wife, Mary James, who were early day residents of Haskell.

The Rev. James was a pioneer missionary who worked untiringly to establish the rural church program in this section of West Texas when the area was first being settled in the 60's.

### Mrs. Guy Harris Has Program for Missionary Society

The Missionary Society of the Christian Church met June 3 in the home of Miss Beryl Boone and Mrs. Tommy Hawkins for a program entitled "Nickel's in Action" led by Mrs. Guy Harris.

Mrs. Harris opened the missionary study with prayer. The devotional was taken from Acts 8:26-40.

Hot punch and cookies were served by the hostesses to Mesdames R. F. Piman, Lynn Pace, Jr., J. E. Zimmerman, V. W. Meadors, Sr., James Crawford, Courtney Hunt, C. O. Holt and Miss May Fields.

Two visitors were present: Mrs. Connie Jones of Wichita Falls and Mrs. George Dean of Anaheim, Calif.

County Attorney and Mrs. Curtis Pogue and children, Tommy and Kay, left Thursday on a two-weeks vacation trip. They plan to visit to relatives in Clarendon and Dumas, and then will tour points of interest in Texas and New Mexico.

### Barbara Ann Mullins, Jas. Frank Clarkson Recite Nuptial Vows Sunday, June 2

Seven candelabra supporting white labers at four intervals illuminated the altar decorated with white gladiolas, aster and fern centered with a wedding arch for the wedding Sunday, June 2 of Barbara Ann Mullins and James Frank Clarkson, II, at the Pinkerton Baptist Church.

The Rev. Bill Pemberton, pastor, read the double ring ceremony at 3 p. m. The bride is the daughter of Mr. and Mrs. J. W. Mullins, Sr., and the bridegroom is the son of Mr. and Mrs. Chester R. Hemsell of Greenville.

John Stone was pianist and Mary Jane Campbell was soloist. Her selections were "Because," "I Love Thee," and "Wedding Prayer."

A white satin prayer bench and satin bows marking the pews completed the wedding adornment.

Mr. Mullins accompanied his daughter to the altar. She chose for her wedding a model of white chantilly lace and nylon tulle over net, taffeta, and satin. The fitted bodice featured a Sabrina neckline, outlined with scalloped

lace embroidered with seed pearls and iridescent sequins, long sleeves, ending in points over her hands. The bodice terminated with a point at the center front waistline. A wide tier of chantilly lace with an scalloped edge frosted with seed pearls and iridescent sequins, and a second tier of nylon tulle with applique of scalloped lace formed the bouffant skirt which ended in a chapel train. Taffeta and crinoline worn beneath the gown emphasized its fullness.

The bride's veil of sheer illusion was caught by a tiny crown outlined in nylon tulle, accented with iridescent sequins and seed pearls. Two orchids and white feathered carnations formed the bride's bouquet, highlighted by white satin streamers. She carried the flowers over a white Bible.

Norma Dale Mullins, sister of the bride, served as maid of honor. Mrs. Jerry Dale Wheatley and Betty Jane Melton served as bridesmaids, Janice Kay Mul-

lins, niece of the bride, was junior bridesmaid.

Each feminine attendant was gowned in brocaded satin of a pale yellow shade. Their full skirts terminated at waist-length. A round neckline in front and ending in a point in the back, with a slight sleeve, marked the fitted bodice. Their headpieces were matching bandeaux of satin with puffs and nylon lulle accented with seed pearls and sequins and they carried bouquets of white feathered carnations.

Candlelighters were Rip Hemsell and Robert Hemsell, brothers of the bridegroom. Janice Hosea, gowned in yellow embroidered nylon organdy and yellow bandeaux, served as flower girl, and John Kerry Mullins, nephew of the bride, carried the wedding rings on a white satin and tulle pillow.

The bride's mother selected a blue lace over taffeta with white accessories, and white carnation corsage. Mother of the groom chose a gray lace dress over pink taffeta with pink accessories and a pink carnation corsage.

Tommy Robison was best man, and groomsmen were Don Roberts of Winters and Charles Burnett.

Completing the entourage were ushers Mabry Brock, Robert Wilson, of Ballinger, Leon Chester of Andrews, and Bailey Mayo, of Winters.

Yellow net and taffeta cloth covered the bride's table at the reception held at the church. Silver appointments and the bridesmaid's bouquets decorated the table with the three-tiered wedding cake in the center.

Mary Jane Campbell registered the guests and Robbie Nell Mullins and Mrs. Manuel Mullins, cousins of the bride, presided at the bride's table. Others in the house party were Meses. Carl Norman, Hollis Pitman, Bill American ambassador.

MR. AND MRS. ALTON GEORGE PEISER Maurice Fouts Becomes Bride of Alton Peiser in Double Ring Ceremony

Miss Maurice Fouts and Alton George Peiser were united in marriage in a double ring ceremony at 6 p. m. in Trinity Lutheran Church May 25. Rev. Robt. Berry, pastor, officiated.

Miss Fouts is the daughter of Mr. and Mrs. Bill Fouts, and the bridegroom is the son of Mr. and Mrs. Alton A. Peiser, all of Haskell.

Setting for the ceremony was the church altar decorated with an archway of greenery with blue and white daisies.

Mrs. Robert Berry, organist, accompanied Mrs. Elton Klose, soloist as she sang, O Promise Me, Because, and The Lord's Prayer.

Given in marriage by her father, the bride wore a ballerina length dress of pale blue, embroidered cotton satin. The fitted bodice was fashioned with a portrait neckline and tiny sleeves. The softly pleated full gored skirt fell from a princess waistline. A crown of soft pleated tulle trimmed in pearls held a shoulder length veil of illusion.

For the traditional something old she wore a locket belonging to her mother; something new a cross, gift of the bridegroom, her veil was borrowed and for something blue she wore a blue garter. She carried a basket of white daisies.

The matron of honor, Mrs. Dorothy Presswood, sister of the bride, Abilene, wore a gown of blue cotton satin fashioned identically to that of the bride. She carried a basket of blue and white daisies.

Wayne Peiser, Kansas, served his brother as best man. Candelights were Huey Peiser, brother of the bridegroom, Haskell; Bobby Druessow, Haskell, and Clarence Presswood, Abilene.

At the reception in the church annex following the ceremony, the bride's table was covered with white linen and centered with an arrangement of blue and white daisies. All appointments were crystal and silver.

Presiding at the bride's table were Jeanette Jones, Mary Lou Roberts and Barbara Druessow. Barbara Johnson registered the guests. Others in the house party were Mrs. Olan Dotson, Mrs. Bill Flournoy, Mrs. Alvis Bird and Mrs. Clyde Bland.

For the wedding trip to Dallas, where the couple will reside, the bride chose a traveling costume of imported cotton in a beige shirt dress accented with a yellow belt. Her accessories were of a lighter beige than her dress and she wore a corsage of yellow roses.

The bride is a graduate of Haskell High School. The bridegroom is employed with the Austin Building Co., of Dallas.

### Cowboy Reunion Set July 2, 3, 4 At Stamford

A giant parade at 11 a. m. on July 2 will open the 27th annual Texas Cowboy Reunion at Stamford with a matinee performance in the afternoon. Night performances will be held on July 2, 3 and 4 with hundreds of cowboys and cowgirls who will participate in the parade and rodeo events. Directors and chairmen of the annual affair are predicting this year will be one of the best shows ever, according to W. G. Swenson who has been president ever since the beginning in 1930.

Over 500 contestants entered last year's shows. Mrs. Jack Mills, wife of the vice president and general manager of Rule Jayton Cotton Oil Co., will be hostess to the visiting cowgirl sponsors this year and Miss Judy Metz, daughter of Dr. and Mrs. L. F. Metz, will be the Stamford sponsor. Judy is a Junior at the University of Texas where she is a member of Kappa Kappa Gamma sorority and is actively associated with the University Rodeo organization.

Homer Merriott, principal of one of the Stamford schools and father of three daughters who are excellent riders, will be sponsor chairman. Ryland Gleaton is chairman for the Sponsors Ball to be held on the night of July 2.

### Rabies Shots Given Pets Tuesday

Tuesday's "V-Day" resulted in rabies vaccinations being administered to 54 dogs and 3 cats. Ninety-two dogs were vaccinated last year during the mass inoculation at the city fire station.

The dogs were vaccinated and city dog tags issued in accordance with the city ordinance passed last year by the City Council.

Dr. Dave Ballard, Stamford veterinarian vaccinated the pets and tags were issued by Ora Stovall, assistant city secretary and Margaret Herren.

FLOOD BATTERED, BUT IT'S HOME

ABILENE, TEX. — Familiar surroundings outweighed all flood discomforts with Mrs. Gertrude Hurd, 75-year-old blind resident of the flood-struck North Park area here, who insisted on returning to her home as soon as waters went down sufficiently, despite urging from friends and Red Cross workers. Here she sits in her favorite chair from which she says she can find her way to anything in the house. Helping her is Estell Johnson, one of the 56 trained Red Cross national disaster workers who have been dispatched to the Southwest storm area to assist chapter volunteers in helping disaster stricken families restore homes, furnishings and other living necessities. Red Cross relief operations have been constant throughout the month of April in Texas, with workers now spread through eight tornado swept counties and 18 other counties affected by floods.

Sagerton News

By MRS. DELBERT LEFVRE

Guests in the home of Mrs. John Clark over the weekend were Mrs. Lorin Buck of Wichita Falls, Mr. and Mrs. Charlie Clark and Mrs. Floy Moss of Holliday, and Mr. and Mrs. Chas. Clark and sons, Mr. and Mrs. Reece Clark and Whit Clark. Mr. and Mrs. Leslie Cobb and family of Midland visited with Mrs. Clark Friday of last week. Mr. and Mrs. Edgar Jennings and daughters, Linda and Anne, of Whiteface, former residents of this community, visited with Mr. and Mrs. Ben Hess and other friends here Sunday and Monday.

Mrs. Jack Monse was honored with a birthday party in her home Saturday night June 1. Those present were Mr. and Mrs. Herbert Stremmel and family, Mr. and Mrs. August Stremmel, Mr. and Mrs. Edwin Stremmel and sons, Mr. and Mrs. Adolph Helm and Jeanette, and the honoree and her family.

Ronald Rinn, son of Mr. and Mrs. Roland Rinn of Fort Worth is here visiting with his grandparents, Mr. and Mrs. Emil Kainer and other relatives. Mr. and Mrs. Herbert J. Kainer were in Fort Worth recently, and he came back with them.

Albert Stremmel was a patient at the Hamlin Hospital several days last week. He has returned home and is getting along nicely. Guests in the Franklin Mrazek

home in Aspermont were Mr. and Mrs. Leo Monse and Mr. and Mrs. Norvell Lehrmann and sons of Sagerton, Mr. and Mrs. Frank Ramby and daughter, Mr. and Mrs. Paul Maxwell and sons of Aspermont, Mr. and Mrs. John Mrazek and Mr. and Mrs. Emil Mrazek and children of Driscoll. Barbecued chicken, beef, and rabbit were served to the guests. Their daughter, Frances Ann Mrazek is going back with Mr. and Mrs. John Mrazek, her grandparents, to spend a few weeks in Driscoll.

Mrs. Ala Pitman of San Francisco, Calif., was a guest of Mrs. John Clark Wednesday of last week. She is a former resident of this community several years ago. Mrs. Clark also entertained the Stitch and Chatter Club Wednesday afternoon with a quilting party.

Bible School at St. Paul's Lutheran Church, which was scheduled to start Monday of this week, has been postponed until next Monday, June 10, because of the bad weather.

Mr. and Mrs. Walter Bredthauer and family, who have been living in Sweetwater, are moving back to this community. They will live on the Herbert Dippel farm on the Stamford highway.

Mr. and Mrs. Dick Gibson of Idalou and Mr. and Mrs. David Gibson and son of Lockhart visited with relatives and friends here last weekend. They were here for the annual Gibson reunion held at the Cowboy Reunion grounds at Stamford Sunday.

Mr. and Mrs. F. A. Stagemoeller went to Lubbock Monday to attend the graduation exercises at Texas Tech where their son, Kenneth is a member of the graduating class.

Mrs. A. C. Knippling, accompanied by her daughters, Mrs. Bill Askew of Fort Worth and Miss Dorothy Knippling of Lamesa, attended the graduation exercises at Texas Lutheran College at Seguin last week where Lois Knippling received her degree. Carla Ann Askew, little daughter of Mr. and Mrs. Bill Askew, came back with her grandmother for a short visit.

Dorothy Knippling has returned to Lamesa where she will teach eight weeks of summer school in the Lamesa Public School.

Mr. and Mrs. Edwin Franke and sons attended the graduation at Texas Lutheran College in Seguin last week. Their daughter, Doris, received her degree there. Jerry Kainer, who visited here with his parents, Mr. and Mrs. Eddie Kainer last week, has returned to Texas Lutheran to attend summer school.

New Publication is Handbook on Lawns

College Station—A beautiful, well-kept lawn adds to the material value of a home and is a basic requirement for an attractive yard. Too, says E. M. Trew, extension agronomist, a properly established and well-kept turf gives an aspect of spaciousness, provides a cool, restful cover and prevents soil blowing and washing.

Establishing and maintaining a beautiful home lawn requires careful management just as do growing crops and pastures, points out the specialist. As an aid to those interested in establishing a new lawn or renovating an old one, Trew has revised Texas Agricultural Extension Service publication, B-266, Home Lawns, and it is now available at the offices of local county agents or from the Agricultural Information Office, College Station, Texas.

Trew points out that such basic fundamentals as the choice of adapted grasses, good drainage, proper watering, fertilizing and mowing cannot be ignored if a successful job is to be done in building and maintaining good turf. These fundamentals are all treated in the revised publication in an easy to read manner along with recommendations for doing various lawn jobs.

The bulletin is available at no cost from the above listed sources.

SERVICE TO ALL... One of the basic aims of The Salvation Army is to provide help when and where help is needed without red tape or delay. When disaster strikes, the Salvation Army answers the need for help immediately, providing food, clothing, shelter, and spiritual comfort. Mobile canteens from throughout the state are rushed into emergency relief service wherever disaster strikes to furnish help as long as the need continues. All Salvation Army officers are trained in emergency disaster service and are dedicated to the service of others.

4-H Club Roundup Set Next Week At Texas A&M

College Station—It's roundup time in Texas the 4-H kind that is. On June 11-13 4-H Club members from all sections of the state will be on the Texas A&M College campus for their annual meeting. The big day will be the 12th when state winners will be determined in 21 different judging and team demonstration contests.

Floyd Lynch, state 4-H leader, says that each county may send two boy and girl delegates and one adult man and woman who will act as chaperons. In addition, members of district winning teams who will participate in the state finals may attend. Total attendance, according to Lynch, should approximate 2,000.

Registration is scheduled from 1 to 6 p. m. on June 11 with the first general assembly set for 8 p. m. Extension Director G. G. Gibson will be the keynote speaker.

On Wednesday, delegates and their leaders will participate in a general assembly and later in discussion groups developing ideas for use in launching the People to People Program among the 4-H clubs of the state. All judging and team demonstration team members will be vying for state honors and the right in several instances to represent Texas in national contests.

The Chuckwagon Barbecue sponsored by the Texas 4-H Recognition Committee, will follow the completion of all contests. The final program will be held in the G. Rollie White Col-

iseum following the barbecue and will feature Chancellor H. T. Harrington of the A&M College System; entertainment provided by the Sears-Roebuck Foundation and the Heart H by 4-H club members.

County Council Makes Plans for H. D. Camp

The Home Demonstration Club County Council met Saturday, June 1 in the district court room. Lucky Club was in charge of the program. Mrs. Rex Murray gave a reading "Keep Your Dreams."

Plans were made for H. D. Camp to be held in Lueders July 11-12. Mrs. C. H. White, county chairman, asks all clubs in Haskell County to attend. An attendance prize will be given to the county having the most clubs represented. There will be crafts, swimming, singing, recreation, and plenty of fun promised.

Miss Wanda Greenhill urges that each club be ready to present their State THDA nominee at the meeting to be held June 29.

When weather conditions become favorable for farm and ranch work, farmers and ranchers will be busier than in many years trying to catch up with all the jobs which are now behind schedule. The Texas Farm and Ranch Safety Council passes on this word of warning. "Fatigue plays a most important part in farm accidents—don't drive yourself nor your farm workers to the point of exhaustion. It will pay to conserve your health and well-being just as it does to conserve other resources. Just plain be careful," advises the Council.

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD Texas Press Association Austin, Texas—Fifty-fifth Legislature will have a shorter than usual "vacation." Gov. Price Daniel says he will call them back, probably about October, for a special session.

Final score showed 47 out of 51, or better than 90 per cent, of the governor's recommended bills passed in the regular session. But the missing 100 per cent are vital, says Daniel. He still wants:

1. His law enforcement commission, a sort of statewide grand jury to investigate official misconduct.
2. A lobbyist registration act, registration of persons who represent others before state agencies, and, possibly other "better government" bills previously advocated.
3. A state plan for buying water storage space in federal reservoirs. A constitutional amendment to do this died in the past

session. Since Amendment cannot be considered in a special session, the governor said he is working on a statutory plan—possibly the creation of a statewide water district with authority to issue bonds and levy taxes.

4. Action on "other matters that may arise" after the Travis County grand jury reports. Jury is looking into irregularities that might have caused the ICT Insurance Co. to collapse and alleged payoffs to legislators by the Texas Naturopathic Association.

So, instead of the usual post-session lull, the Capitol faces a summer of suspense followed by a frenzied fall.

New Jury at Work

Texas has generated more troubles than one grand jury could see to in two months. Hence, a brand new Travis County jury begins this week where the old one left off after digging away all during April and May.

Its study of ICT's past and naturopathic legislation will probably last all summer.

A Dallas grand jury already has indicted Benjack Cage, one-time ICT manager, on charges of theft and embezzlement. Authorities are trying to get him returned from South America so he can be tried.

Who, Where What and When? Texas' off-again, on-again, Insurance Commission is still a prime source of speculation.

Past legislature passed laws abolishing the old board and enabling the governor to appoint new members. It also directed the commission to move within three years from its leased office quarters into a building to be erected with insurance tax revenue. And it passed dozens of new restrictive insurance laws for the new commission to administer.

Old board members Mark Wentz and John Osorio promptly resigned. But Gov. Daniel refused to accept their resignations. He said they'd have to stay on until their successors were named.

Then Atty. Gen. Wilson ruled the insurance revenue couldn't be used for a new building. It goes into the general revenue fund and is already earmarked for other things, he pointed out. And, until the new commission gets going, insurance men over the state are uncertain as how to comply with some of the new laws.

Hobby Club Plans Program Series For Year

Programs for the remaining meetings of this year were planned by the members of the Neighbor's Hobby Club when they met Wednesday, May 15 in the home of Mrs. Charlie Urban.

The meeting places were set as follows:

June, Mrs. Fred Hodges, making ivy planters; July, Mrs. Henry Harris, copper ware; August, copper ware; September, bead weaving; October, towel weaving; November, ornamental candle molding; and December, Christmas party.

The neighbors present made yarn octopus dolls for the children present. Extra dolls were made as gifts.

The hostess served cake and tea to the following neighbors: Mmes. Buck Calloway, Fred Hodkins and Lonnie Wayne, Roy Smith and Vicky, Henry Harris, Pam and Pat and Charles Urban.

The club met at Mrs. Buck Calloway's home April 17 for an Easter party and Easter egg hunt for the children.

The super-carrier USS Forrestal is almost 10 stories high, keel to flight deck, with a five-story superstructure, giving it an overall height of approximately 15 stories.

Robinette Named District Manager Of Phone Company

F. A. ROBINETTE

F. A. Robinette will replace J. A. McCrum, Jr., as district manager for General Telephone Company of the Southwest, effective June 1, according to Mills Roberts, division manager at Memphis. McCrum will become manager for the company's Weslaco district.

Robinette, who is now serving as plant supervisor in Dickinson, has been associated with General of the Southwest and its predecessor company since 1929 when he was first employed as a lineman and stationed at Lubbock. He also served as construction supervisor at Lubbock and as district manager in Guymon and Robstown before serving as district manager in Seymour from 1945 until 1954. He has been located in Dickinson since 1954.

Twenty exchanges are included in the Seymour district, some of the larger ones being Seymour, Haskell, Olney, Aspermont, Crowell, Knox City, Munday, Newcastle, Rochester, Rule, and Throckmorton.

He is a member of the Lions Club in Dickinson and is married and has one son.

State President Installs New B&PW Officers

Mrs. Claudia Hazelwood, Midland, State President-elect of the B & PW Club was the honor guest at the dinner meeting of the Haskell group Tuesday in the Texas Cafe dining room.

Mrs. Hazelwood, accompanied by Miss Fannie Bess Taylor, installed the new officers of the Haskell B & PW Club for the coming year. This is the beginning of the third year of the club in Haskell.

The new president, Mrs. Leon Pearsey, was presented with a gold club emblem of "Nike" by Mrs. Hazelwood and the outgoing president, Dr. Gertrude Robinson, presented her with the club gavel.

Preceding the installation service, Mrs. Hazelwood briefly addressed the members. Mrs. Opal Nanny, program committee chairman, introduced the speaker. During the business session, members voted to send Mrs. Rose Aguilar to the State Convention in Lubbock, June 14-16 as a delegate of the membership committee. Several other members are planning to attend, it was reported.

Haskell became an incorporated city in April, 1907. A. J. Smith, now a retired Anson lawyer, was the city's first mayor.

ARE YOU CURIOUS? You've seen this symbol many times in advertisements—sponsored by this newspaper or by one of its advertisers—trying us to help our schools, prevent forest fires, stop traffic accidents...

Did you realize that, in the words of Charles E. Wilson, "through the Advertising Council American business supports more causes, solves more problems and serves more people than is possible through any other single institution?"

We congratulate our advertisers—we are proud, ourselves, to be a part of this national endeavor. Published as a public service in cooperation with The Advertising Council.

## LANKART 611 COTTONSEED

IT'S GETTING LATE and Lankart 611 is one of the earliest maturing varieties. It makes lots of cotton and makes it fast.

IT IS STORMPROOF and fruits close to the stalk which makes it the ideal cotton for mechanical harvesting. Due to the weather the crop this fall will probably come off at one time. Hands may be scarce but this cotton will stay in the burr until they get to it.

I have a good supply of State Certified Seed in my warehouse at this time. Buy now while they are still available.

1917 Registration Card Recalls Incident In Which Haskell Man Received Nickname

A prized memento of World War I days—a 1917 draft registration card—was recently found by Went Adkins, well known farmer of this city, who ran across the card while looking through some old papers.

Despite the passing of 40 years, the card is perfectly preserved and all printing and writing is as legible as the day it was filled out, June 5, 1917. It was signed by the late M. B. (Bunyan) Howard, as registrar.

Vigorous Pasture Grasses Crowd Out Undesirable Weeds

College Station—A "keep out" sign won't scare undesirable weeds from your pasture. A carefully-planned mowing or chemical control program is the only efficient answer to the pasture weed problem.
