In response to a petition presented by residents of the Mattson Rural High School District, the board of trustees of the district has ordered an election on Saturday, March 22, on a proposed \$20,000 bond issue and on a proposal for levying an ad valorem tax for maintenance of the school system.

## Elementary P-TA Donates \$500 for School Facilities

Members of the Elementary School Parent-Teacher Association voted at their regular meeting March 5, to donate \$500 in cash toward purchase of equipment and furniture for the elementary school. The money was raised at the Fall Festival sponsored by the P-TA group.

Of the total amount, \$100 was to be used in purchasing a large dictionary and stand, casters, also a portable book case for reference books. The remaining \$400 was to be given the school to help pay for new furniture which has been placed in the classrooms. Miss Madalin Hunt, chairman, gave the report on community projects.

Mrs. Ira Hester, president, presided for the business session of the meeting, and Mrs. Wallace Stark was program director. Hostesses were the 4th Grade room mothers, and the room count was won by Mrs. Opal Rich-ey and Mrs. Vivian Roberson's room.

Nominating committee was appointed, consisting of Mesdames Martha Harper, Ruby Smith, and Buck Bland.

Members of Mrs. Terry Diggs' speech class presented the one-act play, "Moon Calf Muggford" which will be given in the Inter-scholastic League contest this spring. Members of the cast were Barbara Lackey, Laquita Young, Peggy Williams, Jimmy Vaughn, and Donnie Hojins.

## Seven-Inch Snow Blankets Area

Heavily snowfall in more than a decade covered Haskell and this area with from six to seven inches of fast-melting snow Wednesday morning which slowed high- way traffic and made some rural roads impassable, resulting in closing down at least one rural

high school and halting school bus schedules of others.

Snow here had amounted to five inches at 8 a. m., with a moisture content of .55 inch, local Weather Observer Sam Herren reported. Continued heavy fall during the morning brought additional two inches of snow, he reported.

Highway department workers were called out early Wednesday, and at 8 a. m. Highway Maintenance Foreman Ray Lusk had crews operating six snow plows and two motor graders in keeping county highways open.

School bus runs from Haskell to rural areas were cancelled, but the regular class schedules were observed in local schools, the office of Supt. Robt. King reported.

At Paint Creek rural high school, Supt. Dan McRae dismissed all classwork for Wednesday, because of impassable condition of roads due to the heavy snow.

A large part of the snow melted Wednesday afternoon, but the resultant slush created a traffic hazard on roads and highways Wednesday night and Thursday morning, when temperatures dropped near the freezing point.

## Senior Class to Present Play Friday Night

The Senior Class of Haskell High School will present its annual play Friday night, March 14, 7:30 p. m. The play, "Who Dunit" is a comedy-mystery by C. B. Gilford, and was originally published in Ellery Queen's Mystery Magazine, and performed on television by Alfred Hitchcock.

It is unusual in that in the first and last scenes of the play we meet Michael, an archangel, and one of his helpers as they greet Alexander Arlington, a famous mystery writer, who has just been murdered. Michael allows Arlington to return to earth to relive the last day of his life on the condition that he return at the proper time and in the proper way. From there we see the hilarious predicament of Arlington as he tries to determine who has a motive to murder him only to find that all of the people under his roof would like to see him dead. There are eleven characters in the play, each adding his bit to see that you thoroughly enjoy this entertainment Friday night in the Haskell High School auditorium.

## Welcoming Our New Citizens

A commendable project has been proposed by the Progressive Study Club, which we trust can be carried through to a successful conclusion.

Working with the Haskell Chamber of Commerce, the Study Club proposes to assemble a file on all new residents of Haskell. Then, through cooperation of Haskell merchants, welcome to the new citizens would be extended by representatives from the women's club, with appropriate gifts being presented each newcomer as a courtesy of Haskell business concerns.

Full details of the plan remain to be worked out by the two organizations, after which cooperation of merchants will be solicited, and the project placed in actual operation.

Members of the Study Club are to be commended for their initiative in advancing this project to make new citizens feel welcome in our community. In carrying out whatever program is decided upon, we feel certain that the two organizations will be given the full cooperation of local businessmen in making it a success.

## A Free Press . . . and Censorship

America is at peace. While we have men in uniform stationed over the world, we are not at war. In every way, we are working to preserve our peaceful relations with other people whose idealogies and aspirations differ from ours.

Figuring largely in that huge undertaking is America's Free Press. Even during the peaceful years, it has become necessary that certain information regarding discoveries and inventions be protected. Security has become big business.

"Keep this out of the newspaper," are fighting words to any newspaper editor who is a conscientious craftsman. Yet, editors of all newspapers, large and small, realize the responsibilities facing them, to help preserve the securities that are so important to all of us.

Government, the military, and the scientific fields, receive full cooperation from the men and women, who, by training, are accustomed to dig out and know the news . . . and who, by instinct, strive to keep the people fully informed.

Americans have a right to expect that full freedom of the press be preserved, within the bounds drawn by these securities.

For a completely free press is the only safe foundation on which government of the people can build all other freedoms.

## Key Role of Advertising

Wichita Falls Times

This crucial role of advertising in providing driving power for our economy is gaining greater recognition every day. In his book, "People of Plenty," Professor David M. Potter of Yale University remarked: "Advertising is not badly needed in an economy of scarcity, because total demand is usually equal to or in excess of total supply, and every producer can normally sell as much as he produces. It is when potential supply prevails—that advertising begins to fulfill a really essential economic function."

Today, abundance so completely prevails in the United States that it has been conservatively estimated that as much as a third of everything offered for sale falls in the realm of "optional consumption." That is, consumers can "take it or leave it" without any immediate personal inconvenience. But if they decide to "leave it," a terrific economic depression will not be far behind. In such circumstances, advertising—in which, in all forms, we are now investing \$10 billion annually—clearly is of crucial importance to our continued prosperity.

In performing its key role in past years, American advertising never realized its full potential. But it never was called upon to promote an over-all economic stability as a direct outgrowth of increased sale. By successful stability, as it did in the 1924 recession, advertising added new strength to the American economy.

## PEOPLE, PLACES, AND THINGS

BY A. PATE

As a result of the community-wide observance of Public School Week, more Haskell people now have firsthand knowledge of the facilities of our public school plant and a better understanding of the educational methods employed in modern-day schools.

Although no figures on the number of persons visiting Haskell schools during the week are available, the turn-out of patrons and visitors was far greater this year than for any previous observance. It was a valuable experience for every adult visitor to see so many "grown-ups" interested in them and their work, while for the teachers the throngs of visitors constituted public recognition of our educators and the important role they occupy in our community.

Haskell and the observance of the Haskell County Centennial this year received widespread publicity in the February issue of "Sonde Off" monthly publication of Schlumberger Well Surveying Corporation.

The magazine cover carries a picture of H. M. (Bud) Rike, pioneer Haskell resident, in front of his home, a well-known Haskell landmark. A feature story in the attractively printed magazine is entitled "Haskell: Centennial City" was written by Mrs. Dorothy Shatto, and is an interesting narrative of the history of the county from earliest days to the present.

happened when he was helping build a transmission line for REA in the east part of Haskell County. That was before he began work for WTU and Correll was a member of a crew stringing wire on the new REA line. A two-man crew would hit a pole, climb to the top, bolt the cross arm and braces on, leaving everything in readiness for the line.

Earl's teammate in pole climbing was an easy-going Joe who seldom had anything to say, the sort of fellow who was always on the receiving end of a prank. One day, working on their last pole before taking out for noonday lunch, Earl had a brilliant idea. Finishing his part of the work on the pole, he pretended to be taking great care in pounding a spike into a crossarm brace. In reality he was driving the heavy nail through Good old Joe's safety belt.

Descending ahead of his partner, Earl watched his co-worker unclasp his belt, only to find it fast to the pole. After finally getting his belt freed and climbing down, Earl saw that the prank had soured. "Evidently he'd been taking all the other jokes until he had enough, because he convinced me he meant business," Earl declared. "Took all my lunch hour convincing that guy I didn't really mean to cause him any trouble," he recalled.

R. T. Landess is a fellow who really enjoys a cigar occasionally, and like most smokers, he has his favorite brand. At least, there was one brand more to his liking until recently—now he's not so sure.

Puffing away on one of his favorites recently while having coffee with several friends, R. T. tapped the end of the cigar in the ash tray and heard a metallic sound as he knocked the ashes off the end of the cigar.

Looking closely, he noticed something protruding from the end of the cigar. Probing further,

## Haskell County History

20 Years Ago—March 8, 1918

Mrs. Angie Herren returned Monday from Spur, where she had spent the past two weeks visiting relatives and friends.

Clearing of ground on the site of the proposed Haskell County Hospital will be started this week. Contractor C. H. Mothes said Tuesday he expected to start work of excavating for the foundation and basements the latter part of the week.

Mrs. Joe Thomas has returned to her home in Corpus Christi after a visit here with her parents, Mr. and Mrs. I. N. Simmons.

Addition of new equipment that will enable them to give their patrons the best of service is announced by D. A. Jones, owner and proprietor of Jones Shoe Shop.

H. A. McNutt of Rankin delivered 100 head of two and three-year-old Ramboulett ewes to R. B. Guess of the Matison community this week. He plans to run the flock on pasture land on his large farm.

Mr. and Mrs. John W. Pace have returned from a several months stay in San Antonio, Cuero, and other points in South Texas.

Mart Clifton, chief deputy under Sheriff Gies Kemp for the past three years, resigned his post last Sunday. He stated he would make a definite statement concerning his future plans at an early date.

Miss Lois Fouts and her roommate, Miss Reba Copeland, who teach school in the Floydada public schools, spent the weekend with the former's parents, Mr. and Mrs. Jim Fouts.

One of Haskell's newest business enterprises, Crandall's Cafe, was opened last Friday on the southeast corner of the square. A. L. Crandall, proprietor, says he has enjoyed a good business since opening.

Surplus food and clothing commodities having an estimated retail value of \$1,343 were distributed to relief clients in Haskell County during the month of January. Food distributed included 1,194 pounds of dry skim milk.

he extracted a medium size safety pin which had been rolled into the cigar.

"If this is a hand made cigar like it's supposed to be, something undoubtedly came unhooked while it was being made," R. T. reasoned as he examined the blackened safety pin.

From time to time, complaints are made to county officials about indiscriminate parking on the bridge over Paint Creek at the upper end of Lake Stamford.

Sometimes, when weather is ideal for fishing, parking on the bridge and its approaches completely obstructs traffic, making it impossible to cross the bridge. Farmers and residents in that section have complained.

Highway patrolmen and county officers have checked on the situation and given out warning tickets for flagrant violations, but no prosecution has been made on any instances. However, officers indicate that fines are in prospect for those who deliberately block bridge traffic in the future.

A technicality which has been mentioned in connection with the bridge traffic problem concerns the question of jurisdiction. Some claim that since Stamford annexed the lake area, the traffic problem is that city's responsibility. Others declare that since it is a public road, it is the county's responsibility.

Regardless of any jurisdiction involved it is a well known fact that Texas highway patrolmen take a dim view of traffic law violations no matter where they occur. So, when they start issuing tickets it's our guess that those on the receiving end will wind up before a magistrate.

297 pounds of dried peas, 5,193 pounds of Irish potatoes, 246 pounds of dried prunes, 198 pounds of milled rice, 386 pounds of shortening, 886 cans of vegetables.

40 Years Ago—March 16, 1918  
W. H. Murchison, chairman of the local Draft Board, informs us this week that regulations now permit any registrant who has not been called, to enlist in the Coast Artillery at this time by proper application to the local Board. This allows recruits to choose this branch of service if they desire, rather than be subject to assignment in other branches when called.

Two cars of the best Hereford calves ever shipped from Haskell County were consigned this week from the Ballard Ranch to the Fat Stock Show in Fort Worth.

J. V. Hudson, another Haskell County cattleman, also shipped two cars of fine white-faced cows to Fort Worth this week.

Cards have been received by relatives and friends here from Raleigh Lemmon, Cole Menefee, Gordon Odell and Earnest Sloan stating "I have landed in France." These boys were among the first to be called from Haskell County, and everyone is proud of them.

Constable R. B. Wilson of Munday, while visiting the Fat Stock Show in Fort Worth, reported to police of that city that he was robbed of cashier's checks and currency in the amount of more than \$500 by pickpockets who jostled him in a railway station in that city. Wilson's loss was considerably less after he notified his bank not to honor the checks stolen from him.

Three West Texas farmers, confessed members of the F. L. P. A., were convicted in Federal Court in Abilene this week on charges of conspiring against the Government. On seeking appeal from the conviction, bonds for the defendants were set at \$10,000 each, which they were unable to perfect.

Haskell's Spring Style Show will be given at the Magazine Club Library Thursday, March 21, under auspices of the Ladies Aid of the Christian Church.

50 Years Ago—March 7, 1908  
W. H. Parsons returned Tuesday from a prospecting trip to California.

J. P. Moeller, who was here

some time ago and purchased a tract of 716 acres of land in this county, has moved to his new home from Coryell County and is putting in improvements and preparing to put in crops.

Messrs. Sanders & Wilson informed us the other day that they had just completed 45 abstracts of land titles of 96 pages each, for Judge Weibert of Seguin and H. E. Sparks of Stamford. This is probably the largest order for abstracts ever filled by a Haskell firm.

Yesterday, Deputy Sheriff Tobe Edwards informed us that by liberal use of telegraph and telephone he had located a fugitive from Haskell officers in Wichita Falls, where the culprit was arrested. Sheriff Parks has gone to the Falls to return the prisoner to Haskell.

A number of the young men of this city met Tuesday night and organized a baseball team, of which W. C. Robertson was made manager.

The following want ad appeared in this issue: "Wanted—1,000 live snakes of all kinds. Bring them to W. J. Barr, at the Candy Kitchen."

T. B. Russell and J. W. Meadors, who attended the 89th convocation of the IOOF grand lodge in Fort Worth as delegates from the Haskell lodge, returned home last night.

W. D. Garren of Van Horn was in the city Friday. He is an oil-timer here, living here for many years before moving on west.

Roy Shook came in Saturday morning from Waco, where he has been attending school.

Mr. and Mrs. J. S. Boone spent several days this week on their ranch 16 miles northeast of Haskell. Mr. Boone states that considerable land in that section is being put under the plow for the first time this year.

Junior High P-TA Officers Elected For 1958-59

Regular meeting of the Junior High P-TA was held Thursday, March 6 at 3 p. m. in the Visual Aid Room. Mrs. J. D. Weaver called the meeting to order, minutes were read and approved and the treasurer gave the financial report.

Mrs. Cleve Farrell is the former Shelly Pennington, daughter of Mr. and Mrs. John Pennington of Haskell. Mr. and Mrs. Farrell were married March 1 in Duncan, Okla., in a ceremony solemnized in the First Baptist Church in

that city. The couple will make their home in this city, where both are students in Haskell High School. Mr. Farrell is the son of Mr. and Mrs. Willie Farrell of Haskell.

Rites Read in Hereford Feb. 28 Unite Donna Buttrill and Billy V. Davis

Wedding vows uniting Miss Donna Buttrill and Billy Vern Davis were solemnized in the First Methodist Church in Hereford, Texas, at 7 p. m. Friday, Feb. 28.

Following the ceremony the bride's parents were hosts at a reception in Fellowship Hall of the church, honoring the couple. The bride's table was laid in lace over blue and centered with an arrangement of white feathered carnations.

Homemaking Class At Paint Creek Entertains Board

In spite of the weather the Sophomore class of Paint Creek Rural High School entertained Paint Creek School Board at a luncheon held in the cottage, on March 8 at 12 noon. The event was to pay tribute to board members and their wives, as the climax of Public School Week.

Parents of the couple are Mr. and Mrs. M. D. Buttrill of Hereford and Mr. and Mrs. A. L. Davis of Haskell.

The Rev. S. M. Dunning, pastor of the Dumas Methodist Church, performed the ceremony.

Mrs. William J. Stanford, organist, played a brief concert of nuptial selections and accompanied Miss Colline Brown of Dumas who sang Because, and Always.

For traveling the bride wore a spring suit in blue knit with black accessories and she wore a small black straw hat with brown veil.

Alvadee Buttrill attended her sister as maid of honor and Paula Beth Corbett served as bridesmaid. Her princess styled dresses were waitz length in blue and pink respectively, and they wore head bands and shoes to match their dresses.

Mrs. Davis graduated from Hereford High School and attended Bob Jones University of Greenville, S. C. and West Texas State College.

Wearing a gown of Chantilly lace and bridal satin, the bride was escorted and given in marriage by her father. The dress featured a lace bodice coming to a deep point in the front, with a square neckline outlined in sequins and long petal point sleeves.

Davis graduated from Haskell High School and attended Texas Western College. The couple plan to make their home in Farmington, N. M., where he will be employed by the El Paso Natural Gas Co.

The Junior Class had a Yeast Bread Lab. and put a loaf of fresh bread in the deep freeze to use at their next lab. Labs are planned and prepared once a week.

A St. Patrick's theme was carried out on the individual refreshment trays served to Mesdames Ann Taylor, Sally Patterson, Essie Bland, Flo Rogers, Annie Thomas, Eva Pearsey, Stella Josselet, Ethel Edwards, Ginger Flournoy, Grandmother Betts and Eddie Johnson.

Freshmen Class is studying quick breads and planning a breakfast with hot biscuits. Each lab is carried out with each class preparing an entire meal.

**Public School Week**  
We are grateful to our white citizens and parents who visited us during Public School Week with a series of interesting and helpful programs.  
On March 3 Mr. and Mrs. J. M. Crawford gave an educational lecture plus fruit, candy, money, flowers and corsages to the school and teachers. Tuesday our Superintendent of Schools, Robert R. King and eight girls from the high school speech department brought a fine program of readings and songs.  
Wednesday, from 8:30 to 9:15 Miss Madalin Hunt, Third Grade teacher in Elementary School shared with us her experience of travel abroad, and Courtney Hunt, well known businessman, made an interesting talk.  
Mrs. J. F. Cadenhead gave interesting reports on health and talked on Music Appreciation. Mrs. R. C. Couch Sr., talked on Hobbies and also brought along a collection of shells for the school to see. "Finding One's Place in the World" was the theme of a talk by Postmaster Harold R. Spain.  
We are grateful also to our parents, Meses. Verna Johnson, Lorene Henson, Mable Hill and Odesa Riley who served the entire school ice cream and cookies at 12:30 Wednesday as an appreciation of Public School Week. Thursday's program climaxed the series with Principal Brembry giving The History and Reason for Public School Week.  
The First, Second, and Third Grades along with their teacher Mrs. L. J. Walker made a guest book and pot holders as a project for Public School Week and Mrs. Ellis' Fourth, Fifth and Sixth Grade made aprons and welcome notes to persons visiting Central Ward during the week.

Miss Buehla Mae Summers of Fort Worth was here last weekend visiting Mrs. John L. Brooks and family. Mr. and Mrs. Jack Tabor and family were also guests in the Brooks home. They have been living in Denver, Colo., but they are moving back to Fort Worth.  
Mr. and Mrs. Cecil Baumbach and family of Taylor visited in the home of Mr. and Mrs. Werner Tielchman and other relatives last weekend.  
Delores Bell of Stamford visited with her cousin, Mildred Bell Sunday.  
Guests in the home of Mr. and Mrs. Carl Hertel Sunday were Mr. and Mrs. Paul Anderson and girls of Lueders.  
A revival will be held at the Sagerton Methodist Church beginning Sunday, March 23, and it will run through the next Sunday. Rev. Robb, pastor of the Methodist Church in Hamlin will hold the revival.  
**Haskell Seaman on Attack Transport**  
PACIFIC FLEET (PHITNC)—Mouny O. Bouldin, seaman, USN, son of Mr. and Mrs. W. W. Adams of 104 S. Ave., Haskell, is serving aboard the amphibious force attack transport USS Pickaway with the Pacific Fleet.  
The Pickaway marked the 16th anniversary of the Naval Amphibious Force on Feb. 29 by cutting a birthday cake which was shared by all on board.  
**SPEND WEEKEND IN FREDERICKSBURG**  
Mr. and Mrs. Desmond Dulaney and Brian Lynn spent the week end in Fredericksburg, where they were guests in the home of Mr. and Mrs. Milton Wilfong.

**Sue Rhoads Named Promotion Chairman H-SU Student Union**

Sue Rhoads of Haskell has been elected promotion chairman of the Baptist Student Union at Hardin-Simmons University for 1958-59. Marvin Flowers, junior student from Perryton, was elected president.  
Miss Rhoads is a sophomore religious education and secretarial science major. She is a member of BSU Greater Council, Life Service Band and is an ROTC Company sponsor. She is sophomore class favorite. She is the daughter of Mr. and Mrs. Thurman Rhoads of Haskell.  
Other BSU officers elected from this area include Sharon Tucker of Rule, stewardship chairman; Sammy Seifres of Rule, music chairman.

**Livestock Price Rise Is Boost To Farm Income**  
By TED GOULDY

FORT WORTH—For the month ending February 15, Texas farmers' income was up 1 1/2%, despite the decline of 1 per cent in all crops during the period. What made the difference was the increase of nearly 4 per cent in livestock prices? Recently strong markets on all kinds of livestock at Fort Worth have reflected these gains, which USDA figures at \$2 per hundred on cattle, 90c on calves, 30c on sheep and 20c on lambs.  
The trade at Fort Worth Monday again reflected the strong current position of livestock. Cattle and calves continued to set the pace with an active trade and strong prices. Some sales of cows and replacement cattle and calves were 25 to 50 cents higher. Clearance was affected well before noon on most all offerings.  
Comparative prices: Good and choice fed steers and yearlings \$24 to \$28, latter figure on club steers from Spur; medium and lower grades \$16 to \$24. Fat cows \$17 to \$19, few to \$20. Canners and

cutters \$12 to \$17.50. Bulls \$16 to \$21. Good and choice fat calves \$25 to \$27.50, and lower grade killers \$14 to \$24. Good stocker calves \$25 to \$28, and steer yearlings \$27.50 down. Feeder steers \$25 down. A few stocker cows \$15 to \$20.  
Choice meat hogs opened on a little strong basis at Fort Worth Monday, with sales in the \$21.50-\$21.75 bracket. Mixed grades and weights cashed at \$18 to \$21, with most of the heavyweights \$1 to \$1.50 under the more desirable kinds. Sows were steady at \$17 to \$19.

**ATTEND FARM BUREAU DISTRICT MEETING**

Adell Thomas, president of the Haskell County Farm Bureau, headed a group of local members attending a district Farm Bureau meeting in Wichita Falls Friday night. Representatives from a number of towns throughout the Wichita Falls area were present, they reported. Attending from Haskell in addition to the local president, were J. A. Glover, C. H. White, Frank Martin, H. D. Gammill, C. H. Herren.

**ACCOMPANIES FATHER TO HOUSTON CLINIC**

City School Supt. Robt. R. King left Wednesday to accompany his father, W. S. King of Hamlin to Houston where the elder King will undergo treatment at the M. D. Anderson Clinic. A victim of leukemia, the Hamlin man is showing some improvement as a result of periodic treatments at the Houston clinic.

**VISITING IN FT. WORTH**

Eugene Toon is in Fort Worth for a several weeks visit in the home of Mr. and Mrs. Sidney Lee, while taking treatment from a specialist. Mrs. Toon accompanied her husband to Fort Worth, and visited with her children in Dallas before returning home.

**VISITORS FROM CALIFORNIA**

Mr. and Mrs. W. V. Gaston and son Butch, and Mrs. Gaston's brother, Lynwood Booth of San Diego, Calif., visited in the Carroll Thompson home this week. Mr. Gaston is Mrs. Thompson's brother.

**MORE SIZE IN AND OUT MERCURY**

Now you don't have to be rich to own a really BIG car. For Mercury is not only the biggest, roomiest car in the medium-price field—it compares in some dimensions with the most expensive cars built.

And you get more power to match The Big M's bigness—up to 360 hp. Entirely new Marauder V-8's with Cool-Power design cut heat and friction, give you more power from less gas.

More styling news, too! Mercury's design is keyed to the style of those modern homes and furnishings you so much admire. We call it Clean Line Modern Styling.

More comfort—this longer, wider, heavier Mercury gives you a ride that feels expensive, but isn't, as you'll discover. Stop in today.

### Leroy Russell, Knox County, Announces Candidacy for State Representative

Third entry in the race for State Representative from the 83rd Legislative District is Leroy Russell, native of Knox County, who authorized the announcement of his candidacy this week.

Mr. Russell, graduate of Knox City High School and the University of Texas, is a veteran of the U. S. Air Force. His home is in the Sunset community, near Munday.

In announcing his candidacy, Russell released the following statement:

"To The People of The 83rd Legislative District:

"I would like to take this opportunity to announce my candidacy for Representative of this district.

"My great-grandfather, James Partridge, was one of the early settlers of Knox County, and I have lived in Knox County all my life with the exception of time spent in school and in the U. S. Air Force. I am now 27 years of age and reside in the Sunset community near Munday, Texas.

"I am a graduate of Knox City

High School and the University of Texas and feel that my educational background fully qualifies me to represent the people of this district adequately.

"Also, having worked in the 55th Legislature and the two special called sessions which followed, I feel that I have learned enough of the legislative procedure to fully represent the people.

"Since this area has always been my home I have the welfare of the people of this district as my main consideration in running for this office. I feel that the people are entitled to representation in the State Legislature which can only be brought to them by a young, aggressive person.

"I am in favor of legislation which will benefit our schools, farmers, and businessmen and, if elected, my representation will be based fully on the opinions expressed to me by the people of this district.

"I feel that my youth, as well as my educational and business background, fully qualifies me to represent the people of this district in a manner best suited to their interests, and I will appreciate your vote in the Democratic Primary in July.

"I will attempt to see as many of you as possible before the election to make your acquaintance and to discuss prospective legislation.

Leroy Russell."

### A. L. Blair Enters Race for Prec. 4 Commissioner

A. L. (Arthur) Blair, well known resident of this city has authorized the announcement this week of his candidacy for County Commissioner in Prec. 4, subject to the action of the Democratic primary.

Mr. Blair stated that his decision to enter the race for Commissioner was made after careful consideration of the responsible duties involved and with a sincere belief that he is qualified to handle the affairs of the office in a dependable and satisfactory manner. He said he had no formal statement to make at this time other than to acquaint the people of Prec. 4 with his candidacy and to invite their investigation as to his qualifications.

A resident of Haskell County 35 years and in Precinct 4 for 12 years, Mr. Blair needs no introduction to the people in his precinct, being personally acquainted with a majority of the voters. He has been engaged in road building, terracing and similar dirt construction work all his life and as a result is thoroughly familiar with the needs of the entire area. If elected Commissioner, he will endeavor to serve all sections of the precinct impartially, and will appreciate and respect the suggestions of the citizens and taxpayers concerning the business affairs of the precinct.

As time permits, Mr. Blair intends to see every voter in Precinct 4, if possible, in order to discuss his candidacy with them personally. In the meantime, he will appreciate any consideration given his candidacy.

### Joe Harper Named To Fill Vacancy On School Board

Appointment of Joe Harper to fill the vacancy on the school board caused by the recent resignation of Fred Gilliam was announced following the last regular meeting of the board of trustees.

Harper, well-known businessman, is manager of the Haskell National Farm Loan Association office. Active in civic affairs, he is a member of the Lions Club and a director in the Chamber of Commerce. His term on the school board extends until April, 1959.

**IN APPRECIATION**

We take this method to express our sincere appreciation to our friends and to all who have been so loyal, kind and generous with material assistance during the illness of our little daughter and sister. We are also grateful for the many flowers and messages of cheer and comfort which have meant more than words, can express. We shall always be grateful for everything you have done for us.—Mr. and Mrs. Tom Watson and family. 11c

### Members of Rotary Club, Ministers, Visit City Schools

Members of the Rotary Club, with their wives of several members as guests, toured Haskell Schools Thursday in joining the community-wide observance of Public School Week.

Rotarians, including several out-of-town visitors, assembled at the Elementary School cafeteria where they joined members of the Ministerial Alliance in taking the noon meal in the school lunchroom.

Meeting in one of the school classrooms for a brief business session, Rotary President Bob King told of plans for the district conference in Mineral Wells, and announced the club's gift of \$50 to the Rotary Foundation Scholarship fund.

Then, following a visit to several classrooms, a majority of the Rotarians boarded a school bus and with Supt. King as driver, visited other sections of the city school system.

Present for the meeting in ad-

dition to members, were H. C. King, Mesdames Jean Elliott, C. M. Conner, R. A. Lane, Carl Anderson, J. A. Bynum, guests, and visiting Rotarians Cliff Cobb, J. L. Hill, James High and Art Sellers of Stamford, Morris Neal of Rule.

Members of the Ministerial Alliance visiting the school jointly with the Rotarians were Rev. Oscar Bruce, Rev. Guy Harris, Rev. Robert Berry and Rev. Roland Williams.

**Final Rites for Mrs. Larry Smith Held Here Mar. 2**

Final rites for Mrs. Larry Smith, 62, former Haskell resident who died in a Temple hospital, were held at the graveside in Willow Cemetery Sunday, March 2.

Mrs. Smith, whose husband is a patient in Veterans Administration hospital in Temple, had been in failing health for some time. Mr. and Mrs. Smith had previously lived in Abilene, and funeral services were held in that city for Mrs. Smith preceding the graveside rites here. Mrs. Smith was the step-mother of Mrs. Arthur Watson of Paint Creek and Mrs. Fred Gilliam of Haskell.
