The ceremony is one of many celebrations being held all over the state of Texas throughout the year, with kick off of the 150th Anniversary of Texas Statehood and the issuance of the Texas commemorative stamp that was held in Austin on June 16th.

The ceremony will be held in front of Glenn-Bivins Insurance on Main Street in Bronte, at 10:00 am, on Saturday, June 24th.

The First Baptist Church Youth Group will sponsor the event. A cachet envelope with the Texas stamp and cancellation will be available. The cachet artwork was done by Jake Graves, a member of the Youth Group. Jake is in the 8th grade, and is the son of Jerry and Susan Graves.

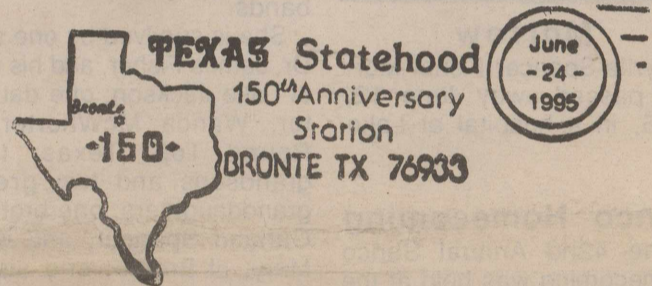

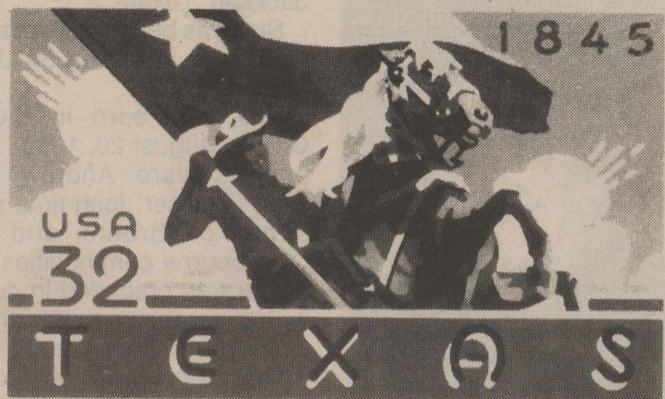

### City honors Havins

The City of Robert Lee hosted a dedication at the Mini Park in memory of Edna Mae Wallace Havins. A black granite memorial plaque was placed in the Park in memory of Mrs. Havins for her service as City Secretary and dedication to the City of Robert Lee.

Edna's daughters, Linda and Jan, were asked to unveil the memorial. Others sharing the moment were those attending the Wallace reunion and friends.

Edna's employment began in May, 1965 as City Secretary and continued until November, 1993. Mayors Robert Vaughn, Wilson Bryan, S.E. Adams, and Jackie Walker served during those years.

This dedication was a combined effort of past and present Mayor and council members. Starting the project were Mayor Jackie Walker and council members Beth Prather, Speedy Brasuell, Jim Dunklin, and Jeff Eubanks. Completing the project were Mayor John Conley, Beth Prather, Kelly Nichols, Donnie Devoll, Kenneth Green, and Kim Hodge.

**Sanco Homecoming**  
 The 42nd Annual Sanco Homecoming was held at the tabernacle at Sanco on June 11, 1995, with well over 100 persons in attendance.

Evelyn McKinley welcomed everyone and Polly Thomas led a congregational hymn. Nolan Pentecost thanked everyone who helped with the program and the meal. Special music was provided by Polly Thomas and Elaine Nowell, and by Edna Lea Killam. Eva Bell Fowler gave the devotion followed by the flower presentation by Mary Jo Pentecost.

The corsage for the woman travelling the farthest went to Dixie Scarborough Larange from Oregon and the boutonniere for the man who travelled the farthest was given to her husband, Tony Larange.

Evelyn McKinley was the oldest woman present, but she deferred to Maudie Killam who received the corsage for the oldest woman present. Ben Scarborough received the boutonniere for being the oldest man present. Evelyn McKinley was also the oldest woman present who was born at Sanco, but once again she deferred to Louise Whiteside who received the corsage. Melvin Scarborough was given the boutonniere for being the oldest man present who was born at Sanco.

Diana and Jerry Frizzell were given a corsage and boutonniere for being the parents of the youngest child present.

Following the program, barbecue, beans, tea, and a variety of covered dishes were enjoyed by all. Everyone is already looking forward to next year's Homecoming.

**Pageant News**

"According to Miss Jessie's book, the County was slow to accept "Law" in the area. After all, the frontier had been wild and free for so long it just didn't seem natural for men to need, much less want, "Law Men". As Miss Jessie put it, "Conduct in the new county seat was not of the Sunday School type." It was a common occurrence for someone to get drunk and shoot up the town, sometimes just to see what the law would do. Eventually, the county settled down into a quieter way of life. A jail house was built in the county seat for the occasional outburst of a liquored up cowboy. Coke County even got a fancy hanging gallows in their little jail house. Some tried to become students of the new laws, but found them hard to remember and abandoned the effort. Then there were those that figured they should just handle it themselves. Take Miss Bessie Mae for example. (Rabbit Twister sighs a long sigh.) "Otis just shouldn't have messed with her prize laying hens," narrates the Rabbit Twister, opening Act II Scene 3 "The Great Chicken Heist" by Lynn Green.

Come enjoy watching Otis squirm while the Sheriff, trying to calm Bessie Mae, interprets the thief's "regrets" for his "highly illogical intentions" as "He says it was a stupid idea and he's sorry." However, Bessie Mae, egged on by the blood thirsty Hush Baby insists on fittin' punishment for the dastardly deed.

Closing: "Hang 'im from that fancy new gallows yer so fond of down at the jail." They never did hang old Otis. In fact, history says that the gallows here have never

been used.

The Sheriff cracks up laughing at this scene being played out before him and so will you!

Experience Coke County History!

Visit the old jail house and see the hanging gallows inside - then come see the play.

Don't forget: your Pageant Association membership cards and tickets to "Ole Coke County - Home of the Rabbit Twisters" are available at S & S Printing in Bronte and Wink Insurance or Forgreens Manufacturing in Robert Lee. See you there!

**Jet lag can be a problem**

Air travelers have two clocks to reset between time zones: the wristwatch and the internal body "clock."

To reduce jet lag, Frost recommends:

\*Adopting the sleep/wake cycle of the destination when you board the plane.

\*Avoiding napping during the day when you arrive at your destination.

\*Spending time in sunlight, a major synchronizing factor.

\*Avoiding or minimizing coffee, caffeine and alcohol consumption. They delay adjustment.

\*Avoiding sleep medications. They delay adjustment and do not allow normal sleep.

### RL Class of '95

The Class of 1995 has become part of the history of Robert Lee High School. Into the history book, Seniors '95 added academic and athletic achievements that will be long remembered, and now each graduate is moving on to his or her future. Whether those futures are in the job markets, college campuses, or trade school, the Class of '95 will leave its mark just as it did at Robert Lee High School.

A nonprofit organization was begun in the spring of 1994 to support activities for the Class of '95. Project Graduation '95 set a year long agenda to provide drug-free, alcohol-free activities for Robert Lee High School students, Seniors 1995 in particular. A garage sale last spring was the first fund raiser for Senior parents to get the project going.

A recap of the past year of Senior 1995 activities includes a swimming party last summer, the challenge softball game of Senior's vs Everybody, the scavenger hunt in the fall, and a hot dog supper for the entire Robert Lee school population. There were the plans and work involved in running the concession stand and the many Seniors and parents who made that work so successfully. There were the Senior Christmas party and hayride of December followed by the Superbowl Party in February and a Steak Supper in May. All of these Project Graduation, drug-free, alcohol-free great times were just a prelude to the super Project Graduation Celebration of Commencement night.

Fundraising and community support allowed Graduation '95 to have the graduation dance at no charge to RLHS students. So many helped so much to make this past Senior year and graduation special and unique for the Class of '95. The Class of '95 and their Senior year are both memorable.

### RLHS Graduation

The RLHS Class of 1995 has at last graduated, joining the ranks of ex-students. The May 26, 1995 commencement exercises and family reception led off the evening of celebration for the 21 graduates. Graduation night was a big success with graduates and guests enjoying a night of fun and surprises provided by Project Graduation '95.

Festivities adjourned from the school following diploma time to the Robert Lee Rec Hall where "Prairie Fire" western band entertained until 1 am when pizza arrived. The pizza party refueled grads, guests and hosts who then grabbed baseball gear to head outdoors for fun in the rain. The wet and soggy night

did not interfere with the softball rematch game which saw several fine demonstrations on the art of "sliding" - right, Mr. T? This game ended the same as the first held last fall - 1995 Grads 0, Guests 1.

Following mud removal and pizza again, project graduation guests began "Casino Time". Blackjack, roulette, and dice helped fortunes grow until 4:30 am when over 30 prizes were auctioned to the highest bidders. Casino entertainment included several unique musical renditions by classmates at the karaoke machine. Glow in the dark golf on a wet course was the last scheduled event with prizes awarded to tournament winners. A visit from Santa and his little elf surprised graduates at 6 am with "Christmas in May". Santa carried in his sleigh 7 TVs, 5 CD boom boxes, 2 telephones, one midget fridge, 4 tires, 2 grill guards, 2 pickup tool boxes, 2 car CD players, and lots of good wishes for the Class of 1995.

## Alcohol Does Not Lead To Sex

Psychologists at the State University of New York at Buffalo have debunked a theory long held by males - that the fastest way to seduce a woman is to ply her with alcohol. Nearly seventeen hundred young people between thirteen and nineteen were questioned by Dr. M. Lynne Cooper and doctoral student Holly Orcutt. They found that eight percent reported having sex on the first date when neither partner drank or used drugs, but that sex on the first date was substantially more likely if the male drank and the female did not.

The researchers, who presented their findings to an American Psychological Association conference on women's health, say alcohol may act as a social lubricant for males, increasing their willingness to disclose things about themselves and decreasing their social anxiety that elicits a more positive response from the female. Not unexpectedly, alcohol or drug use by either partner was related to riskier sexual behavior.

**Scott reunion held**

The Scott family reunion was held at the Bronte Community Center on Saturday, June 17, 1995. There were over 90 people in attendance. All of these people are descendants of Joseph Scott who died in 1817 in Georgia. Many of the visitors were from out of town. Some came as far as Kansas. Everyone enjoyed the food, the singing, playing golf, and swimming. The best event of all was visiting with all of these relatives.

**McCown to compete**

The crowning touch was added last week to Lee McCown's high school career when he was named to participate in the Dan O'Brien Youth Foundation high school decathlon championships July 8-9. A national invitational meet, the championships will be held at Mazama High School in Klamath Falls, Oregon. Sixteen high school multi-event athletes will compete at the national meet in which those attending will be entering ten different track and field events. Winners will be determined by a point system.

Doug Stiles, director of the foundation, said he expects to see several meet records fall due to the quality of the 1995 decathletes. Several are repeats from last year.

McCown, son of Sid and Kathy McCown of Robert Lee, brought home four medals in the Class 1A state track and field meet this spring. He finished first in the discus and the shot, third in the high jump, and second in the 110 hurdles. He signed a letter of intent to attend Stephen F. Austin on a track scholarship before his graduation in May.

Who could wager where the McCown family will be spending their vacation?

**Ballinger fireworks**

Ballinger's 6th Annual Fireworks Display and free watermelon feed will be held at the new City Lake Park on Saturday, July 1st.

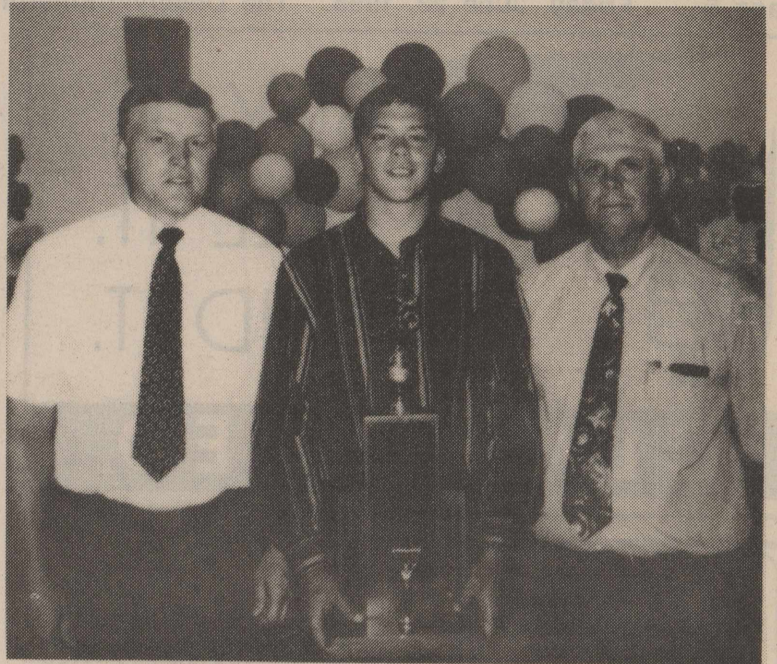

The event is sponsored by the Ballinger Chamber of Commerce. The Chamber officials will be on hand to sell hamburgers, chips, and tea beginning at 6:00 pm, followed by the serving of free watermelon slices at 8:00 pm.

The fireworks display is planned to begin between 9:15 and 9:30 pm and last approximately 20 minutes. In the event of inclement weather, an alternate date of Sunday, July 2, at the same time and place has been set.

Please bring lawn chairs or blankets and join your neighbors and friends in an evening of fun.

**Life is a grindstone. But whether it grinds us down or polishes us up depends on what we are made of.**

Lee McCown, who will compete in the Dan O'Brien-VISA National High School Decathlon Championships July 8-9, is flanked by his father, Coach Sid McCown and Coach Edward Poehls. The picture was taken when Lee was honored with the Steer Award during the Robert Lee Athletic Banquet May 16.

**Gregston honored for help**

Most of the time nowadays, heroes seem to be hard to find. Not so in San Angelo since May 28. That was the day a storm containing several tornadoes struck the city, causing devastating losses to a large percentage of the population, many of them uninsured, poor, and elderly. One of those heroes is a Robert Lee native and RLHS graduate, Earl Gregston (we called him Dwayne when he was growing up).

Earl has been a postal employee for 13 years in San Angelo. Eleven of those has been on the same route - between East Harris Avenue and the river. When he first began to hear the disaster reports, he recognized the streets and addresses; some of the hardest-hit areas were on his route. After 11 years, he knew most of them personally.

Since that time he has spent every waking moment, except while on the job, lending those folks a helping hand. He's hauled off debris, sawed up wood, nailed plywood and plastic over roofs and windows. He's even reached in his own pocket for food, water, ice, and miscellaneous expenses for badly needed items. Many of those he's helped saw that he was honored in a special way and he was chosen as a representative of the hundreds of volunteers who pitched in to help. He was asked to ride on a special float in last Saturday's Fiesta del Concho parade.

Earl credits his family, John and Babe Gregston of Robert Lee, for instilling in him his work ethics and an attitude to help others when you can.

**Personal**

Alyson Ward, daughter of Gene and Ann Carwile Ward, is a 1995 graduate of Abilene Cooper High School. With a gade point average of 100.62, she ranked fifteenth in the class of 468; she was also a National Merit Commended Scholar. At Cooper, she played flute in the honors band, was a member of the All-Region Band, and was a state qualifier for UIL solo and ensemble contests. Alyson was an editor of the newspaper and the literary magazine and this spring participated in the Washington Journalism Conference in Washington, D.C. She was named Outstanding Senior by the Optimist Club and received the D.A.R. Good Citizenship Award. Alyson also received one of only twenty-eight "C" awards, the highest award given at Cooper for leadership, scholarship, and citizenship. She received the Bernard Hanks Scholarship from the *Abilene Reporter-News* as well as the Cooper faculty scholarship. Alyson also received a Presidential Scholarship from Baylor University, where she will be enrolled in the Honors Program and major in journalism.

She is the granddaughter of the late J. L. Carwile and

Wilma Stewart Carwile, who has been in Coronado Nursing Center since suffering a stroke in 1991.

Alyson's grandparents and mother lived on the Foster S. Price Panther Gap Ranch at Robert Lee for many years. Her grandmother, Mrs. Wilma Carwile, worked in the Robert Lee school library and her mother, Ann, was a Robert Lee High School graduate.

**Pack a "medicine bag"**

If you're headed for a foreign country, take along a "medicine bag."

For example, people who normally suffer from constipation should take along laxatives, and those who suffer from headaches will want to pack pain relievers. The same applies for sleeping pills and for motion-sickness medicines.

Of course, if your trip is to a large city in a developed country, local pharmacies will be available just like back home in North America, said Dr. James Runnels of the Travel Medicine Service at Baylor College of Medicine in Houston.

Extra pairs of eyeglasses and contact lenses are also wise items to have. Runnels also suggests taking along written prescriptions for glasses and contacts.
