WTRC Round-up nears

Ed Cumbie, Linda Arledge, and Clifton Reed are serving as Coke County area chairmen for Cattlemen's Round-Up for Rehab - a program through which ranchers donate cattle, horses, sheep and goats to be sold at special auctions during September and October.

This unique brand of support helps West Texas Rehabilitation Center provide outpatient services to more than 14,500 disabled children and adults each year without regard for their financial circumstances.

The first 1995 sale in the Concho Valley region will be a cattle sale September 21 at Producers Livestock Auction in San Angelo. A horse sale is set for October 14 at Abilene Auction and on October 23 Junction Stockyards will host the Rehab sheep and goat sale at noon, followed by their regular monthly sale.

Also, speciality sales (all animals) will be conducted in the next two months at auction houses in Colorado City, Ranger, Stephenville, Coleman and Eastland.

Approximately 135 volunteers, including General Chairman Jim Alexander of

Abilene and Concho Valley Chairman Carter Behrens of San Angelo, are assisting this 36th annual Round-up effort by promoting sales and asking their neighbors to join them in donating to this year's drive which has set a goal of \$300,000.

"I hope every rancher in our area who is able to do so will donate one or more head to this worthwhile program," said Cumbie, "because every day Rehab treats 500 people who are our family members, friends, and neighbors.

"By working together, we can make a difference to Rehab...just as Rehab makes a difference to Coke and surrounding counties."

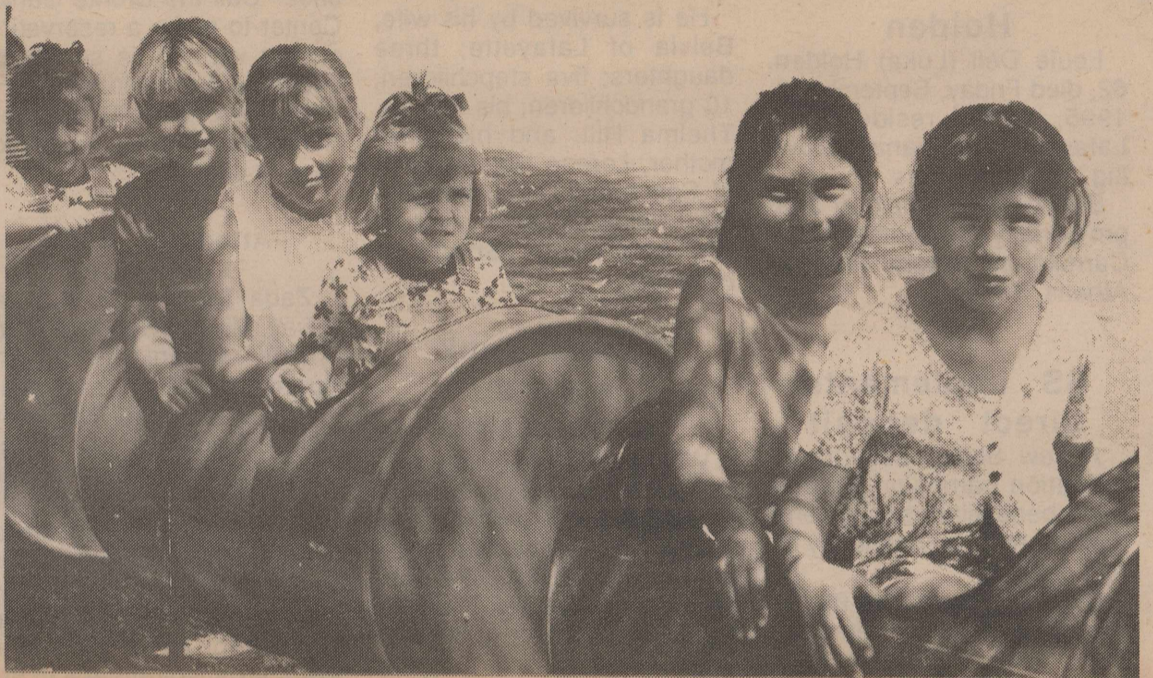

Interested persons wanting to donate livestock or those needing additional information about the sale may contact one of the chairmen or Rehab at (915) 949-9535.

Now in its 42nd year of operation, West Texas Rehab Center has a staff of approximately 200 trained professionals providing physical therapy, occupational therapy, speech pathology, audiology, orthotics, industrial rehabilitation and numerous support services at its facilities in Abilene and San Angelo.

Career Center opens

Are you looking for employment? Possibly searching for a new career? Do you need training to get back to work? And help paying for the training? If so, then visit the Coke County Career Center, located in the County Courthouse, 2nd floor, where you can find potential employment & training assistance as well as other helpful information to assist you in your career exploration and development needs. This center is funded through the Council of Governments (COG) Dislocated Worker Program and was established with the assistance of county judge Jackie Walker. A TV/VCR combination with educational video tapes, 486 80MHz computer with fax/modem/printer capability form the hardware of the center. Various modules include information on: Employment Training assistance programs

offered through the COG, info on the Texas Employment Commission, Texas Rehabilitation Commission, Texas Dept. of Human Services, Quality Work Force Planning, Tech Prep, Economic Development, Angelo State's Small Business Development Center, Career Exploration & Development, Job Banks, Software Programs, and finally something much in demand today - Stress & Financial Management. A customized program was written at the COG, which provides access to this information on computer in a very user friendly format. (International Notebooks and hand-outs are also available for those not inclined to access the information via computer at first.) Initially a person is asked some questions to see if they are potentially eligible for one of the COG programs. If they are, then they can proceed to

Anna Lee Gallegos & cousin, Amelia Herring, Cassidy Wink, Katie Bessent, and Amanda Herring enjoyed this AON-sponsored train ride at the Labor Day Extravaganza. Funds from the attraction went to the AON Scholarship Program.

complete their eligibility requirements. Whether eligible or not, a person can still review the information contained in the different modules. Whereas the initial intent of the center is to provide better access to employment and training program services to those who are unemployed and seeking, additional information as listed above was added to provide a one-step center concept to locate information on various public agency assistance within the Concho Valley. Updates to the program as well as additional information will be incorporated as it becomes available. Customer Service

Surveys are located in the center so that suggestions and comments can be solicited from the users. You are cordially invited to visit your new Career Center and see what new information you can discover.

WCCCD Meeting

The West Coke County Community Development will meet in general session the third Tuesday, September 19, at 7:00 pm at the Ranchland Restaurant. Drinks will be paid for by WCCCD and members may order from the menu if they choose. New and old members are urged to meet with others who are interested in our community.

New trash collection system in RL

Effective September 30, 1995, the Robert Lee Landfill will close. Trash collection will be provided by Trashaway Services out of San Angelo, Texas.

Customers will be provided a roll out container to be picked up at curbside. Customers will be notified by Trashaway Services of routes and pickup days.

The following rates have been adopted by the City Council:

Residential: Once per week pickup

Inside City - \$10.08 per month

Outside City - \$11.15 per month

Commercial: Once per week; extra pickup negotiated

3 yard dumpster - \$30.19 per month

4 yard dumpster - \$34.48 per month

Watch this paper for further details.

RL Cemetery work day

Hayrick Lodge #696 and the Hayrick Cemetery Association have planned a work day at Robert Lee Cemetery Saturday, Sept. 23. The day is scheduled to begin at 8:30 am. Bring your tools and lend a hand in helping keep the cemetery clean and attractive.

Coke Co. Retired Teachers

The Coke County Retired Teachers will meet Monday, September 18, 1995. The noon luncheon will be held at the First United Methodist Church in Bronte.

Third Thursday Dance

The Coke County Cavaliers will provide C&W music for the Third Thursday Dance at 7:30 pm on September 21 in Robert Lee. The event is open to dancers of all ages and tickets are available at the door.

Blackwell Homecoming

Blackwell Homecoming will be held Saturday, September 23. The day's events will begin at 10:30 with registration, visitation and refreshments. Visitation and registration will conclude at 12:00.

Classes of 1925, '35, '45, '65, '75, '85 and '95 will be honored at the registration. These classes will elect a man and woman to run for Coming Home King & Queen. The annual parade is set for 1:30 pm with the nominee election and registration following at 2:00. The pep rally will begin at 3:00. A dinner will be held at 4:30 pm with the football game to follow at 7:00 pm. The fire department will sponsor a dance following the game.

Sunny Notes for the Coke County Seniors

Quilters
 Thursday, September 21 is our next quilting day. The quilt belongs to Virginia Boatright. Doors open at 9:00 am.

Flu Shots
 On Wednesday mornings beginning November 1, the Rural Public Transportation Van will be taking those senior citizens who want to have a flu shot to the Bronte Family Health Center for their annual shot. Call the Bronte Senior Center to make a reservation on the van. This service is available from November 1 until the end of December. Remember, Medicare pays for your flu shot.

Attended RSVP Luncheon
 Zada Denman, Dora Galloway, Mildred Sanders, Marie Arrott, Virginia Boatright, Juanita Bradley, and Mary Percifull attended the recognition luncheon on Friday, September 8 at the Convention Center in San Angelo. The above mentioned are all retired senior volunteers with one exception and she serves on the Advisory Council for RSVP. Six hundred sixty volunteers in the Concho Valley RSVP area donated 113,621 hours this past year. RSVP estimates a payroll of about \$482,889 if these volunteers had been paid minimum wage. We have about 25 volunteers in Bronte between the Bronte Nursing Home and the Bronte Senior Center.

Menu for the Week
Monday, Sept. 18
 Pork chops, turnip greens, wheat bread, cucumber/onion salad, apple.
Wednesday, Sept. 20
 Baked ham, corn/tomato casserole, green beans, bread, baked pear crisp.
Friday, Sept. 22
 Baked chicken, pork-n-beans, zucchini, wheat bread, applesauce.

These programs are funded in part by the Area Agency on Aging, Concho Valley Council of Governments, through grants from the Texas Department on Aging.

Coke Co. Juvenile Justice Community Council

The CCJJCC met August 7 at the Robert Lee Court House. Present at the regular monthly meeting were: Mary Percifull, Pat Lee, Stover Taylor, Stephen Lee, Ettie Hubbard, R. T. Caperton, Zelma Caperton, Janet Hurley, Edith Rolls, Elmer Hurley, Leslie Rolls, C. B. Barbee, and Odalia Martinez, all from Bronte.

It was reported that the booth set up at Old Fort Chadbourne Days by the CCJJCC gained a new member, Zada Denman. Janet Hurley and Stephen Lee were thanked for their part in setting up the booth. Pat Lee suggested that the residents of the facility be asked to make some arts and crafts to display at the Fort Chadbourne Days booth next year. This idea will certainly be considered when the arts and crafts program gets organized.

R. T. Caperton, Ways and Means chairman, reported two additional donations by Glenn-Bivins Insurance Co. and Cumbie Mercantile. The CCJJCC appreciates all your donations.

The membership discussed the fact that the CCJJCC has been in existence almost a year and not much has been accomplished due to not knowing the rules and regulations of Wackenhut and what is expected of the volunteers. Odalia Martinez, Mary Percifull, and R. T. Caperton met with the administrator, Erika Olsen and Ms. Baugh. It was a very informative meeting that will assist in

getting the programs organized. Mrs. Olsen is in the process of issuing handbooks that will give us guidelines to go by. Mrs. Olsen expressed her concern for the residents as well as the community.

Fifty watermelons were purchased for the watermelon feast at the Juvenile Justice Center in August. Mr. C. B. Barbee drove to Munday, Texas to pick up the watermelons. Mr. Martin Lee donated towards this event.

Due to Labor Day falling on the first Monday of the month of September, the membership voted to skip the September meeting. The next regular meeting will be October 2 at the Juvenile Center in Bronte at 6:00 pm. The October meeting is especially important to elect new officers, and all members are urged to attend and to have nominees in mind. Board of Directors meeting is scheduled for Tuesday, September 19 at the city hall in Bronte at 6:00 pm.

The birthday parties are continuing successfully. The names of the new group of volunteers that will be responsible for the cakes for the months of September, October, and November will be announced in the near future.

Death Notices

Holden

Louie Dell (Luke) Holden, 62, died Friday, September 8, 1995, at his residence in Lafayette, Louisiana, following a lengthy illness.

Services were held at 2:00 pm Sunday, September 10, at Carroll-Lehr Funeral Home in Athens, Texas.

He is survived by his wife, Belvia of Lafayette; three daughters; five stepchildren; 10 grandchildren; his mother, Thelma Hill, and his step-mother, Lorene Holden, both of San Angelo; and two sisters, Patsy Cason of Robert Lee and Peggy Shariff of Houston.

Annual Book Award Competition

Writers of Texas history who will publish books in 1995 are invited to submit nominations for the Texas Historical Commission's 1995 T. R. Fehrenbach Book Award. Up to three cash prizes of \$1,000 each will be awarded to winning authors.

Nominated books, which should reflect a serious effort to add to the knowledge of Texas history, will be judged by a panel of Texas scholars. Books must have been published between January 1 and December 29, 1995.

The book award, established in the 1960s, is named for author and historian T. R. Fehrenbach of San Antonio. The author of 18 books, including the acclaimed Lone Star, Fehrenbach is considered one of Texas' leading authorities on Texas history.

The award is co-sponsored by The Dow Chemical Company.

The Texas Historical Commission is the official state agency for historic preservation. For more information about the book award or to request official guidelines and nomination form, contact the THC, Publications Department, P.O. Box 12276, Austin, TX 78711-2276, 512-475-4960.

SS implements direct deposit

A new Social Security information campaign encourages beneficiaries to receive their monthly payments by direct deposit.

Currently, more than 26 million Social Security beneficiaries receive their monthly benefits by direct deposit. By choosing this safe, reliable, and convenient method of payment, individuals never have to worry about lost or stolen checks, or having to make a special trip to the bank to deposit checks, in good weather or bad.

The campaign includes television and radio public service announcements featuring the noted actor Ricardo Montalban. The announcements have been produced in both English and Spanish and are sponsored jointly by SSA and the National Automated Clearing House Association. Direct deposit leaflets, also printed in both English and Spanish, will be available at banks and other financial institutions.

Beneficiaries who receive checks directly can now switch to direct deposits by contacting the customer service representative where they bank. They also can contact Social Security's toll-free number 1-800-772-1213 any business day between 7:00 am and 7:00 pm. When calling Social Security to sign up for direct deposit, please have your Social Security number and a personal check or bank statement handy.

Spence Fishing

Water Temperature - 82°
Kermit Bass Club held a two day tournament on Lake Spence. It was headquartered in the Paint Creek area.

Twenty-nine anglers reeled in 27 fish during the two days. Dalton Arnold came in with a 3 lb. bass, largest fish the first day.

Don Rice weighed in a 3 lb. 14 oz. bass, the largest fish the second day.

Dalton Arnold came in first Saturday with 3 fish weighing 6.1 pounds.

Doug Watts took second with 3 fish weighing in for a total of 3.14 pounds.

David Norwood came in to take third place with 2 fish weighing 2.14 pounds.

Dalton Arnold took first place Sunday with 2 fish weighing a total of 4 pounds.

Don Rice reeled in 1 fish weighing 3.14 pounds to take second place.

Steve Steen took third place with 2 fish weighing in at 2.8 pounds.

Paint Creek Marina

Doug Watts - Monahans - reeled in a 7 lb. 10 oz. black bass on a plastic worm.

Angie Lane and Alfred Smith - Midland - stringer of stripers totaling 24 pounds (ranged from 9 lbs. 14 ozs. to 2 lbs.)

Jimmy Williams, Chris Williams, and Bob Evans - Odessa - 10 stripers, 1 weighing 7 lbs. 6 ozs. They were fishing by top water and trolling.

Jonie Parker - Odessa - 13 lb. striper on live bait.

Letter to the Editor

Dear Editor,

Will you please send me ten copies of your paper for Friday, September 11. Being a great-grandmother of the McMullan girls featured in that issue, I am anxious to have copies.

I enclose a check for the ten issues and postage.

Thank You,
Mrs. Laura McMullan
Iraan, Texas

CEUs for pesticide recertification

In the next few months there will be numerous opportunities for producers to receive CEUs to recertify their pesticide license.

There will be a two-day

Ten free trees

Ten free trees will be given to each person who joins The National Arbor Day Foundation during September 1995.

The free trees are part of the nonprofit Foundation's Trees for America campaign.

The ten trees are the American Redbud, White Pine, Sugar Maple, White Flowering Dogwood, Pin Oak, Red Maple, Birch, Silver Maple, Red Oak, and Colorado Blue Spruce.

"These trees were selected to provide benefits every season of the year: lovely spring flowers, cool summer shade, spectacular autumn colors, winter berries and nesting sites for songbirds," John Rosenow, the Foundation's president, said.

The trees will be shipped postpaid at the right time for planting between October 15 and December 10 with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

Members also receive a subscription to the Foundation's colorful bimonthly publication, Arbor Day, and Arbor Day calendar, and The Tree Book with information about tree planting and care.

To become a member of the Foundation and to receive the free trees, send a \$10 membership contribution to Ten Trees, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by September 30, 1995.

seminar covering Coyotes of the Southwest held in San Angelo December 13-14, which will be worth 12 CEUs. Some other locations and hours include:

9-29-95 Callahan County Range Tour - 2 hours

9-29-95 Taylor County Cotton Field Day - 2 hours

10-17-95 Taylor County Brush Control Workshop - 2 hours

10-31-95 Doss Predator Appreciation Day - 6 hours

11-15-95 Taylor County CEU Conference - 5 hours

12-4-95 Coleman County - 5 hours

Also, sometime in late October we will have a two-night program worth 5 hours of CEUs in Robert Lee. More information on this will be given in the newspaper and newsletters.

For additional information on any of these CEU training opportunities, please contact the County Extension office at 915-453-2461.

Tips for special travelers

Special travelers, such as people with diabetes or heart disease, should take special precautions when traveling.

Diabetics should discuss with physicians how time zones will affect insulin schedules, said Dr. James H. Runnels of the Travel Medicine Service of Baylor College of Medicine in Houston.

For international trips, an insulin insulator pack is recommended. If the destination is a particularly hot climate, an insulated cold pack is advisable.

People with heart disease should guard against infectious diseases by getting appropriate vaccinations and preventive medicines, and they should be prepared to fight traveler's diarrhea, Runnels said.

High elevations can also be a problem for heart-disease patients suffering from shortness of breath or similar symptoms.

BRONTE SCHOOL NEWS

Longhorns race past Buffaloes 35-13

The Bronte Longhorns were hitting on all cylinders Friday night at their home-opener, as they used a balanced running and passing attack to crush the Cross Plains Buffaloes.

The Horns didn't waste any time, scoring two touchdowns in each of the first and second quarters to Cross Plains' one TD in the second.

Russel Vaughn started the scoring with 7:50 left in the first quarter on a four yard run, with Kale Beck making the point after. Then, with 1:46 still left in the opening stanza, Keith Treadaway posted the longest run of the night with a 52 yard TD run, followed by Beck's successful PAT.

Cross Plains got on the scoreboard in the second quarter with a 14 yard pass play for a touch and the PAT, but the Horns came back strong for two more TD's before the end of the first half. Beck's 2 yard run with 8:17 left in the second quarter was followed by a 2 yard scoring run by quarterback Nick Arrott with 1:02 left in the second. Both PAT's were good, mak-

ing the score 28-7 at halftime.

After a scoreless third quarter, Vaughn hit paydirt on a 5 yard run with 11:25 left in the 4th, and with the successful PAT by Beck, the Horns were through scoring for the night. The Buffaloes put another touchdown on the board with 2:18 left in the 4th with another pass play, this one going for 28 yards.

On the night, the Horns looked very good on both sides of the ball. Keith Treadaway led all rushers with 93

Longhorn Roster

The roster for the 1995 Bronte Longhorn football team has been released. The Horns started their season last Friday night with an impressive win over the Cross Plains Buffaloes. They hope to make it 2-0 in the win column when they face off against the Miles Bulldogs this Friday.

Suiting up for the Horns this year are: Nick Arrott, Russel Vaughn, David Wilson, Michael Martinez, Michael Blair, Casey Gibbs, Keith Treadaway, Kale Beck, Courtney Beam, Cody Holland, Dustin Holland, Michael Sallee, Scott Graves, Gary Walker, Chris Keller, Cody Harris, Cory Robinson, Robb Harrell, Blake Hoyt, Rod Harrell, Arron Carper, Dustin Johnson, Shea Kelton, Dustin Scott, Drew Peterson, Trey Holland, Billy Arthur, Darrell Sharp, Ben Huckabee, and Dusty White.

Gladden chosen for A&M soccer

Jerrod Gladden, son of Linda and Pat Gladden and grandson of Ed and Jane Cumbie, has won a position with the Texas A&M University soccer team.

Jerrod, a freshman at A&M, also played soccer for San Angelo Central and was a part of the summer Sweden Soccer Tournament team in international competition.

Playing center midfielder, Jerrod will play this weekend as A&M meets ACU and ASU. Southwest Conference games begin in October.

Br. "Project Graduation" Meeting

All parents of the Class of 1996, Bronte, are requested to attend a "Project Graduation" meeting, Thursday, Sept. 21, at 6:00 at the school lunchroom.

There will be an All-Sports Booster Club meeting every Monday evening at 7:00 at the Bronte school lunchroom. All interested parents and fans are invited.

yards on six carries, with Vaughn carrying 14 times for 78 yards, and Beck 72 yards on 10 carries. Arrott was 6 of 8 passing for a total of 99 yards.

Follow the Horns to Miles tonight as we take on the Bulldogs at 8:00 pm at their place.

Br. volleyball preseason

The Lady Longhorns returned home from the Andrews Tournament with one win against Hobbs (15-13, 15-12) and one disappointing loss to Grandfalls (9-15, 15-6, 10-15). Their overall win-loss record is now 4-6. The next contest is the Colorado City Tournament on Saturday, Sept. 16. Their first match is at 10:00 am versus Tahoka and then again at 2:45 pm.

The road warriors will finally stampepe into their home gym again on Tuesday, Sept. 19, at 5:00 pm against Snyder. Come out and support the volleyball teams.

Senior Wendy Johnson says, "We have a lot of teamwork this year, and we are improving quickly as a team."

The first junior high match is Monday, Sept. 18, here at 5:00 pm against Santa Anna.

Gem of the Day: Criticism is something you can avoid by saying nothing, doing nothing, and being nothing.

Ann Landers

McCutchens celebrate annual reunion

The Annual McCutchen Reunion was held September 3 & 4 at the Bronte Community Center. 102 attended on Sunday, Sept. 3.

Those present of the Monroe McCutchen children were Thresa Butner, of Bronte; Georgia Gibbs, of Crews; Annie Forbes, of Grand Prairie; and Jeff Randall McCutchen, of Mertzson. Unable to attend were Vera Mae Saunders, of Grand Prairie and Janie Kyle, of Seattle, Washington.

Others present were relatives, grandchildren, great grandchildren and great, great grandchildren, to make up the 102 individuals. We were so happy to have, for the first time, the Frank McCutchen grandchildren (Larry McCutchen family), from San Antonio; also, granddaughter Jean McCutchen McCarver and her husband, Kermit, from Stafford. We all had a great time picture-taking, looking at pictures, and reminiscing with plenty of good food and domino games. We all hope to be back next year and have more of the McCutchen friends attend.

Personal

Jim Rawlings, of Bronte, received a certificate of appreciation for his service as a volunteer this summer at the Lions Club "Others Before Me" summer camp, held near Kerrville.

The summer camp had two sessions, from June 2-10 and

from July 9-22. Mr. Rawlings participated with children in an overnight camp-out, rodeo, Hawaiian Luau, sports & games, swimming, church campfire night, dance night, arts & crafts, barnyard "animal study," nature crafts, play night, and various classes, including air gun and bow hunting.

Mr. Rawlings was presented with the certificate of appreciation by Stephen Mabrey, Program Director, on July 22, 1995. He was honored for "outstanding service to the children of the Texas Lions Camp."

SA Genealogical Society

The San Angelo Genealogical and Historical Society will meet Tuesday, October 3, 1995 at 7:30 pm in the West Texas Collection room of Angelo State University Library, 2nd floor. The program will be on the West Texas Collection. Speaker for the evening will be John Ferguson, assistant director of the West Texas Collection. Open hours for the collection during school term are 1-5 pm weekdays and Thursday evenings 7-10 pm.

The Beginners Genealogical Class, taught by Billy Scattergood, will meet at 6:30 pm on the first floor of the ASU Library.

Visitors are always welcome.

The value of marriage is not that adults produce children, but that children produce adults.

Steers defeat Bulldogs in home opener

by Bill Burns

The Steers started their season with an impressive win over the Bulldogs of Miles. The score was 21-0, but the stats were more impressive - First Downs - Steers - 20, Miles - 3; Total Yards - Steers - 371, Miles - 22.

This being the first game of the season, there are still some things to be improved on, but that is to be expected.

The Steers will have a tougher opponent this week with Santa Anna.

First Quarter

The Steers received the opening kick and had a return to their own 19 yard line, but a penalty put the ball at the Steer 9 yard line with a 1st and 10.

The Steers moved the ball for the five first downs with excellent running by Adam Morgan, Aaron Hood, Harley Waggoner, and Jerrod Copeland. Blocking provided by linemen Jeremy Burns, David Sevier, Eric Torres,

Marc Owen, and Donnie Edging opened the holes for the backs, and Adam Morgan scored from 5 yards out. The extra point was added by Gilbert Torres.

Second Quarter

The Steers rolled up 70 total yards with three first downs. The Steers gave up the ball on a fumble but held Miles to 17 total yards and 1 first down. Copeland and Eric Hood each had a pass reception.

The Steer defense led by Burns, Kory Pitcock, Rob Smith, Marc Owen, and Rocky Coates, continued to do a great job.

Third Quarter

Miles could not get a first down in this quarter as the Steer defense continued to dominate. The Steer offense produced five first downs with 2 penetrations but could not score. Gaining 100 yards combined on the ground were Adam Morgan, Aaron Hood, Harley Waggoner, and

Jerrod Copeland.

Fourth Quarter

With 77 yards rushing and 15 yards in the air the Steers had 7 first downs and two touchdowns. Aaron Hood scored on a QB keeper from 4 yards out and Waggoner scampered across from 21 yards out for the second TD of the quarter. Gilbert Torres added both extra points.

Gilbert Torres had 40 yards on three carries and Jeremy Burns had a fumble recovery for the Steers.

Good Job Steers!!!

dren's Nutrition Research Center.

Parents can help their children master the three Rs by providing them with a healthy start.

"Breakfast is still the most important meal of the day," said Montandon, an assistant professor of pediatrics at Baylor College of Medicine.

"Children who eat breakfast get a head start on essential daily nutrients because breakfast provides one-fourth to one-third of the day's energy and nutrient needs. Children who skip breakfast usually fall short of their daily dietary needs."

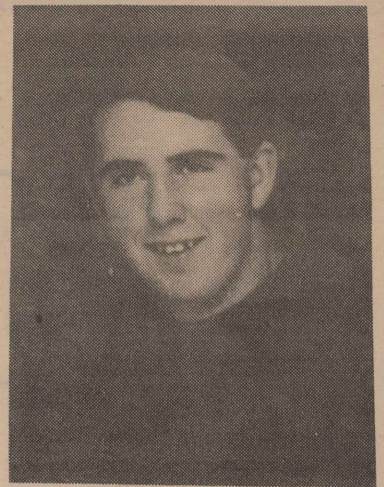

It doesn't matter if children are first-graders or freshmen, breakfast gives students an energy boost and improves classroom behavior, overall attitude and mental and physical performance.

Montandon believes that even the most hectic household can find time for breakfast.

"In some cases, it might require waking the family 10 to 15 minutes earlier than usual. But, when you consider you are giving your children a classroom edge and helping them learn a lifetime of good eating habits, it is well worth the effort."

A balanced breakfast should include a dairy product such as low-fat milk or yogurt, a grain such as a high-fiber bread or a cereal, a protein such as peanut butter, cheese or a lean cut of meat, and a fruit or 100 percent fruit juice.

"It's alright to occasionally serve sweetened cereals and

Anthony Wink

Wink receives scholarship

Anthony Wink has recently moved to Lubbock where he has enrolled at Texas Tech University. Anthony has been selected by the Texas Tech University College of Agricultural Sciences and Natural Resources to receive a \$1200 scholarship for the 1995-96 academic year. An active FFA member who served as local chapter president his senior year, Anthony enters Texas Tech's agronomy department for the fall semester. Anthony has also been named to receive a Texas Tech Academic Scholarship and the Texas State Valedictorian Award at Tech.

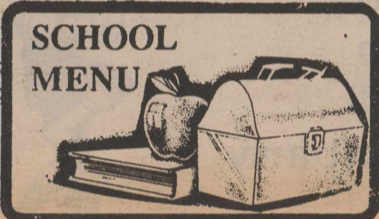

A May graduate of Robert Lee High School, Anthony was Valedictorian of the Class of 1995 and is the son of Robert and Marsha Wink of Robert Lee, and the grandson of Erma Wink and Joyce Dodson also of Robert Lee.

RL FFA news

by Stacy Hendry

The Robert Lee FFA Chapter held a meeting on August 29, 1995, at 8 pm. Eighteen members were present. The chapter elected Jaclyn Waldrop as the Chapter Sweetheart for the 1995-96 school year. The chapter also elected Greenhand Officers. The Greenhand Officers for the 1995-96 school year are: Carrie Emert, President; Will Simpson, Vice President; Misti Williams, Secretary; Samantha Padgett, Treasurer; Whitney Montgomery, Reporter; and Justin Kendall, Sentinel. With these people as officers and Jaclyn as sweetheart, the chapter is looking forward to a successful year.

What's for breakfast?

Are your children too cranky for school work? Then, make sure they eat breakfast.

"Without breakfast, children are usually hungry by mid-morning. They are often irritable and too tired to concentrate on school work," said Dr. Corinne Montandon, a nutritionist with the USDA's Chil-

Farm & Ranch Safety & Health Week

County Judge Jackie Walker has proclaimed September 17-23, 1995, as Farm and Ranch Safety and Health Week in Coke County at the request of Bobby Roberts, Coke-Sterling County Farm Bureau president. This year marks the 52nd annual observance of National Farm Safety and Health Week, co-sponsored by the National Safety Council and the U. S. Department of Agriculture, with the theme "Sow the Seeds of Health... Practice Safety."

Protect yourself and others by making safety part of every activity - on the job, at home, at leisure and on the road. Machines are replaceable if damaged or destroyed in an accident. But, that's not true for people!

Protect by knowing how to prevent farm injuries and illnesses. Read and follow instructions in manuals and on labels. Note safety and health articles in magazines and newspapers. Read booklets on the subject and pay attention to safety reminders on radio/TV. But, just knowing isn't enough - you must act on that knowledge to reduce risk of costly injury and illness.

Protect by inspecting all equipment and facilities for hazards on a regular basis. Then, correct them without delay. Learn the proper safety precautions when dealing with hazards that can't be eliminated.

Protect by always keeping shields and guards in place, and by stopping machines before servicing or dealing with operating problems. When the job dictates, use the appropriate personal protective equipment - gloves, hard hat, safety shoes, respirator, safety goggles, etc. - to reduce risks to your health and safety.

Protect at harvest time by training workers to operate all equipment appropriately. Take breaks to fight fatigue, especially during hot weather. When hauling harvested products or moving equipment on public roads, drive with care and courtesy.

Protect by being prepared for each activity. Have the right tools, equipment and/or supplies on hand. Know and respect your limitations as well as your strengths.

Protect by staying fit and seeking care for health problems. Take some time to do things you enjoy to refresh, relax, and add balance to life.

Protect by posting a "Policy Statement" and "Safety Rules" for your operation as constant reminders to be careful.

Protect by doing a hazard hunt on a regular basis - weekly - monthly - to locate danger areas, then correct them immediately. Contact your insurance carrier for assistance in these areas.

Never allow "extra riders," especially children, on any motorized or trailed agricultural equipment. This includes grain and hay wagons.

When repairing power-lifted equipment such as combine

headers, cultivators, etc., "lock it, block it or don't get under it."

Agricultural chemicals should be stored in a locked building away from stored grain or hay. Some chemicals should be stored separately. Use proper protective clothing and equipment when working with chemicals.

Properly dispose of unused agricultural chemicals and used containers as soon as possible.

We've Got A Good Thing Growing

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1995

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 50 proposes a constitutional amendment providing that the legislature by general law may authorize the Texas Higher Education Coordinating Board to issue general obligation bonds of the state in an amount not exceeding \$300 million to finance educational loans to students. The maximum interest rate to be borne by the bonds must be set by law. The legislature may provide for the investment of bond proceeds and may establish an interest and sinking fund to pay the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of \$300 million in general obligation bonds to finance education loans to students."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitutional amendment that would authorize the legislature to exempt from ad valorem taxation the property of an organization chartered by the Congress of the Republic of Texas if the property is used primarily for the charitable, benevolent, or public service activities of the organization as defined by general law. The Comptroller's Property Tax Division has identified the Grand Lodge of Texas, also known as the Masonic Lodges, as the primary organization which would qualify for this tax exemption.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt from ad valorem taxation property of an organization chartered by the Congress of the Republic of Texas that is used primarily for the charitable, benevolent, or public service activities of the organization."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 51 proposes a constitutional amendment that provides that the farm and ranch finance program fund shall be administered by the Texas Agricultural Finance Authority and not by the Veterans' Land Board, as provided by current law. In addition, the proposed amendment provides that the proceeds of \$200 million of the \$500 million in bonds authorized by the Texas Constitution for the farm and ranch finance program fund may be diverted to the agricultural fund and the rural micro-enterprise development fund, also authorized by the Texas Constitution, to be used for agricultural and rural economic development programs.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing the use of existing bond authority of the farm and ranch finance program to include financial assistance for the expansion, development, and diversification of production, processing, marketing, and export of Texas agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 46 proposes a constitutional amendment that would allow an encumbrance to be fixed on homestead property for an owelty of partition. In divorce and probate situations, a piece of property may be owned jointly by two

or more people, and each person owns an undivided interest in the property, as opposed to a specific portion of the property. If one owner wishes to purchase the other person's interest in the property and wishes to obtain a loan to finance the purchase, the lending institution requires all interests in the property to be used as security for the loan; this is called an owelty of partition. Senate Joint Resolution 46 would allow the lending institution to foreclose on the homestead property for an owelty of partition if the purchaser defaulted on the loan. In addition, the proposed amendment would allow the refinancing of a lien against a homestead. Finally, the proposed amendment would allow a purchaser or lender to rely on an affidavit that states that the property to be conveyed or encumbered is not the homestead of the affiant.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment permitting an encumbrance to be fixed on homestead property for an owelty of partition, including a debt of a spouse resulting from a division or award of a homestead in a divorce proceeding, and for the refinancing of a lien against a homestead, including a federal tax lien resulting from the tax debt of the owner."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 34 proposes a constitutional amendment which would increase by \$500 million the constitutional authorization of the Veterans' Land Board to issue and sell general obligation bonds of the state to provide housing financing to Texas veterans. The proceeds from the bonds authorized by this amendment shall be used to augment the Veterans' Housing Assistance Fund II to be administered and invested as provided by law. The bonds authorized by this amendment shall be incontestable after execution by the Veterans' Land Board, approval by the attorney general, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to increase by \$500 million the amount of general obligation bonds that may be issued to augment the veterans' housing assistance fund II."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 64 proposes a constitutional amendment which would extend the tax exemption under article VIII, section 1-b(b) of the Texas Constitution for the residence homestead of a person age 65 or older to the surviving spouse of a person who received the exemption. The surviving spouse must be age 55 or older when the deceased spouse died, and the property must be the residence homestead of the surviving spouse when the deceased spouse died and remain the surviving spouse's residence homestead. A surviving spouse who already receives an exemption under this section of the Texas Constitution is not entitled to an additional exemption under the amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting from ad valorem taxation the residence homestead of the surviving spouse of an elderly person."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 73 proposes a constitutional amendment that would reduce the amount of general obligation bonds authorized for the superconducting super collider fund from \$500 million to \$250 million.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment reducing the amount of general obligation bonds authorized for undertakings related to the superconducting super collider research facility from \$500 million to \$250 million."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 80 proposes a constitutional amendment abolishing the office of constable in Mills, Reagan, and Roberts counties. In Mills County, the office of constable is abolished, and the powers, duties, and records of the office are transferred to the sheriff. In Reagan and Roberts counties, the office of constable is abolished and the powers, duties, and records of the office are transferred to the sheriff only if a majority of voters in each of the respective counties favors the proposed amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the abolition of the office of constable in Mills, Reagan, and Roberts counties."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 7 proposes a constitutional amendment that would allow investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia. Currently, such investments are prohibited by article XVI, section 70(r) of the Texas Constitution, which would be repealed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that would abolish the constitutional office of state treasurer effective September 1, 1996. The transfer of specific constitutional powers and duties to the comptroller of public accounts takes effect on that date. The statutory powers and duties and the property and other obligations of the state treasurer are transferred to officers and agencies of state government as the legislature provides by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of state treasurer."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 72 proposes a constitutional amendment requiring that land devoted to wildlife management be taxed on the basis of its productive capacity. The proposed amendment also adds a temporary provision to the Texas Constitution validating the changes to the law made by Chapter 560, Acts of the 72nd Legislature, Regular Session, 1991, which amended the Tax Code to allow land used for wildlife management to be appraised as agricultural land. The temporary provision also provides that a property owner is not authorized to claim a refund of taxes paid unless the tax payment was challenged before the effective date of the proposed amendment. The temporary provision expires on January 1, 1998.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow open-space land used for wildlife management to qualify for tax appraisal in the same manner as open-space agricultural land, subject to eligibility limitations provided by the legislature."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 31 proposes a constitutional amendment providing that the legislature may exempt from ad valorem taxation income-producing personal property and mineral interests that have a taxable value which is insufficient to recover the costs of administering the tax.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the legislature to exempt from ad valorem taxation personal property and mineral interests having a value insufficient to recover the administrative costs of collecting the taxes."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution No. 35 proposes a constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life."

PROPOSITION NO. 14 ON THE BALLOT

House Joint Resolution 68 proposes a constitutional amendment that allows the legislature to raise the current ad valorem tax exemption for disabled veterans and their surviving spouses and minor children. The tax exemptions would be raised based on a veteran's disability rating as follows:

Disability	Maximum Tax Exemption
10%-30%	\$ 5,000
30%-50%	\$ 7,500
50%-70%	\$10,000
More than 70%	\$12,000
Age 65 and 10% or higher	\$12,000
Loss or loss of use of limb	\$12,000
Blindness or paraplegia	\$12,000

The spouse and children of any veteran who dies while on active duty may be granted an exemption of up to \$5,000. The amounts of the exemptions provided for in this proposed amendment may be repealed by the legislature by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to raising the limits of the exemption from ad valorem taxation of property owned by disabled veterans or by the surviving spouses or surviving minor children of disabled veterans."

Este es el informe explicatorio sobre la enmienda propuesta a la constitución que aparecerá en la boleta el día 7 de noviembre de 1995. Si usted no ha recibido una copia del informe en español, podrá obtener una gratis por llamar al 1/800/252/8683 a por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711

WTU settles on rate review, other issues

Glenn Files, president and chief executive officer of West Texas Utilities Company, today announced that WTU has reached a settlement in principle regarding the company's rate review, the pending court appeal of WTU's 1987 rate case and deferred accounting issues now before the Public Utility Commission of Texas.

Under the terms of the settlement in principle, WTU would lower its base rates by \$13.5 million a year, of which \$5.9 million has been in place on an interim basis since October 1994. WTU also would freeze its base rates for three years and make a refund of \$21 million. The \$21 million refund would include the effect of the retroactive reduction in base rates back to October 1, 1994.

The settlement would resolve both WTU's rate review

as well as the deferred accounting issues. The PUCT was scheduled to consider the deferred accounting issue during its final orders meeting Sept. 6. Testimony on WTU's rate review was scheduled to begin Sept. 7. The specific provisions of the settlement are subject to a final written agreement being reached and the approval of the settlement rates by the PUCT. The timing of the PUCT's approval cannot be predicted, officials for WTU said.

WTU had filed testimony with the commission showing a \$14.6 million retail revenue deficiency but later revised the amount. On Oct. 1, 1994, the company had implemented a \$5.9 million interim decrease in base rates and began settlement discussions by offering to make that reduction permanent.

The deferred accounting issue stems from a PUCT administrative judge's recommendation to overturn an

eight-year-old commission decision that the financial treatment known as deferred accounting was required in order to maintain WTU's financial integrity.

The PUCT in 1987 had granted WTU deferred accounting by allowing it to capitalize and defer costs of financing and operating its Oklahoma Power Station from Dec. 24, 1986, the date the unit went into service, until it was included in rates. WTU was also allowed to adjust its rates to pay for the plant in December 1987. During this regulatory lag period, WTU incurred \$32 million in expenses, taxes and costs to operate the plant.

"We're pleased to have reached a settlement to resolve the current rate review, the court appeal of WTU's last rate case dating back to 1987 and the deferred accounting issues," Files said.

"This settlement will allow WTU to maintain its rates at a competitive level, while striking a balance among the concerns of all the parties," Files said. "It also eliminates the need for lengthy and expensive hearings."

Who is this guy, FICA?

"Who is this guy FICA and why is he getting part of my pay?" asks a young man who has just received his first pay check. That's a good question. The young man should know why money is being deducted. And, he should know that the letters FICA are the initials for the Federal Insurance Contribution Act, the law that authorizes withholding Social Security tax.

It's important that the young man knows FICA will be deducted from his salary for as long as he works in a job that's covered by Social Security. It's even more important that

he knows the value of Social Security in his life.

The young man is a long way from retirement, but he may not be a long way from disability. Studies show that a 20 year old worker stands a nearly one-in-four chance of becoming disabled before reaching age 65. A person under age 24 who becomes disabled could begin receiving cash benefits after just one and a half years of work.

Few workers have private, long-term disability. But nearly all workers have Social Security disability protection. More than 4 million disabled workers under age 65 and 1.6 million dependents (including more than a million children) receive Social Security. Monthly disability benefits could, over the years, equal a \$203,000 disability policy for a worker with an average income who has a spouse and two small children.

Although most people don't like to think of death, especially when they're young, they need to understand the value of Social Security benefits. More than 7.4 million people are receiving survivors benefits because a wage earner in their family has died. Monthly Social Security survivors benefits for a worker with an average income who leaves a spouse and two small children could, over the years, equal a \$295,000 life insurance policy.

And some day, our young worker will retire and enjoy the fruits of his labor. Although Social Security isn't intended to be his sole source of retirement income, the young man should consider its value as he plans his financial future. By the year 2000, all workers will automatically receive an annual statement from Social Security showing the amount of earnings posted to their record and an estimate of the benefits they and their family are eligible to receive.

In the meantime, a worker can request this information by calling Social Security's toll-free number 1-800-772-1213 at any time to ask for an SSA Form-7004 (Request for Earnings and Benefit Estimate Statement).

Cats used in fight against AIDS

They chase mice, play with balls of yarn and claw at the sofa, but researchers say household cats may also hold the key to a new weapon in the fight against AIDS.

A team of researchers in Texas A&M University's College of Veterinary Medicine are studying feline immunodeficiency virus (FIV), an organism that attacks cats' immune systems in much the same way the human immunodeficiency virus (HIV) affects humans' immune system to cause AIDS.

They hope to find ways to fight the feline disease that would also prove effective against the human one.

Virologist Dr. Ellen Collisson and a team of researchers are trying to develop ways to boost cats' immune systems so the animals can better defend themselves against FIV.

Shannon Regional Clinics: Bringing A New Health System To West Texas.

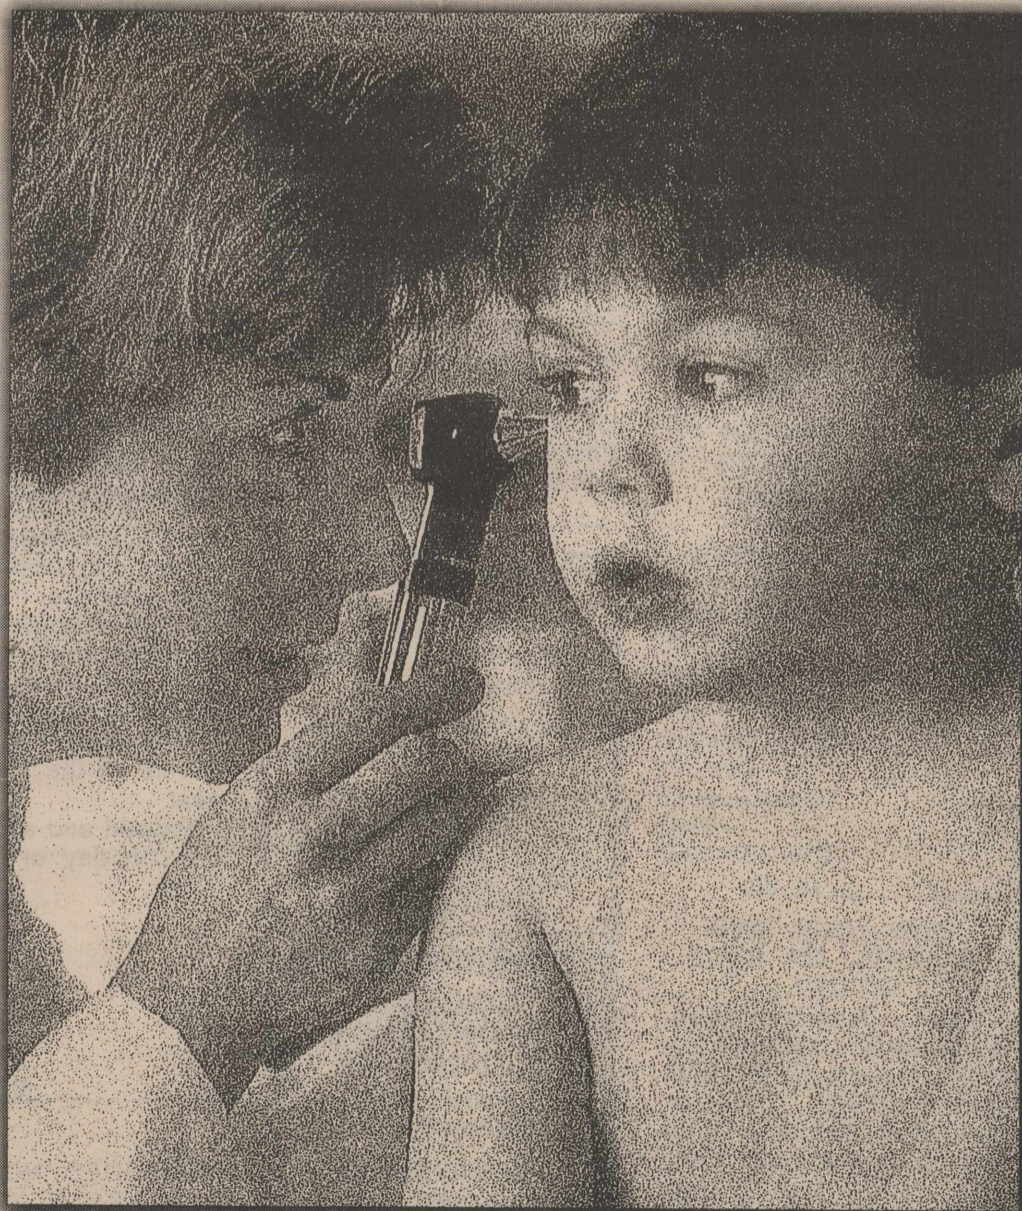

J.M. and Margaret Shannon... the original healthcare pioneers of West Texas.

The new Shannon Health System isn't just for San Angeloans. Because a Shamrock, Clinic or rural health clinic brings Shannon quality to a 19-county area

in West Texas. If need be, your clinic doctor can always call on the specialist physicians and resources of Shannon Medical Center.

In addition to bringing Shannon Health System to your hometown, we can also bring you to Shannon — at 150 miles an hour, using our Medivac I helicopter for air emergency medical transport.

So no matter where you live in West Texas, don't settle for anything less than Shannon Health System. We're pioneering a new health system in West Texas. Shannon Clinic, Shannon Health Plan, Shannon Regional Clinics and Shannon Medical Center form the area's first integrated network of high quality, affordable healthcare services. Call 657-6222, or outside of San Angelo call 800-640-6222 for information on Shannon Health System and how we can bring better healthcare to your hometown.

AMENDED NOTICE OF APPLICATION

Notice is hereby given that the Applicant, Exxon Corporation, PO Box 1600, Midland, TX 79702, has made application for a spacing exception permit under the provisions of Railroad Commission Statewide Rule 37 (16 Tex. Admin. Code Section 3.37). Applicant seeks exception to the distance between wells requirement to plug back if completed in the Bronte (Capps Lime) field, Bronte

Capps Unit, Well No. 210, 1023.7 Acres; if completed in the Bronte field, Bronte Palo Pinto Unit, Well No. 210, 2411.3 acres; if completed in the Bronte (Gardner), Wildcat and Bronte (4800 Sand) fields, Well No. 210, R.E. Hickman C Lease, 309.6 acres, C.&M. R.R. Co. #5 Survey, A-62 Field(s), Coke County, being 1.5 miles in a southwest direction from Bronte, Texas. The location of this well is as follows:
IF COMPLETED IN THE BRONTE (CAPPS LIME) FIELD, BRONTE CAPPS UNIT LOCATION IS AS FOLLOWS:

5682' from the north line and 2033' from the east line of lease. 2882' from the southerly northeast line and 650' from the northwest line of survey.

IF COMPLETED IN THE BRONTE FIELD, BRONTE PALO PINTO UNIT LOCATION IS AS FOLLOWS:

4409' from the northeast line and 3193' from the southeast line of lease. 2882' from the southerly northeast line and 650' from the northwest line of survey.

IF COMPLETED IN THE BRONTE (GARDNER), WILDCAT AND BRONTE (4800 SAND) FIELDS, R.E. HICKMAN C. LEASE LOCATION IS AS FOLLOWS:

2503' from the southwest line and 650' from the northwest line of lease. 2882' from the southerly northeast line and 650' from the northwest line of survey.

Field Rules for the Bronte and Bronte (4800 Sand) fields are 330/933, 40 acres.

Field Rules for the Bronte (Capps Lime) field are 330/933, 80 acres.

Field Rules for the Bronte (Gardner) and Wildcat fields are 467/1200, 40 acres.

This well is to be drilled to an approximate of 5333 feet.

PURSUANT TO THE TERMS of Rule 37 (h) (2) (A), this application may be granted administratively if no protest to the application is received. An affected person is entitled to protest this application. Affected persons include owners of record and the operator or lessees or record of adjacent tracts and tracts nearer to the proposed well than the minimum lease line spacing distance. If a hearing is called, the applicant has the burden to prove the need for an exception. A protestant should be prepared to establish standing as an affected person, and to appear at the hearing either in person or by qualified representative and protest the application with cross-examination or presentation of a direct case. The rules of evidence are applicable in the hearing. If you have questions regarding this application, please contact the Applicant's representative, Alex M. Correa, Sr. Regulatory Specialist, at (915) 688-6782. If you have any questions regarding the hearing procedure, please contact the Commission at (512) 463-6718.

IF YOU WISH TO REQUEST A HEARING ON THIS APPLICATION, YOU MUST FILL OUT, SIGN AND MAIL OR

ORDINANCE #291

AN ORDINANCE LEVYING AD VALOREM TAXES FOR USE AND SUPPORT OF THE MUNICIPAL GOVERNMENT OF THE CITY OF BRONTE FOR THE 1995-96 FISCAL YEAR; PROVIDING FOR AP-PORTIONING EACH LEVY FOR SPECIFIC PURPOSES; AND PROVIDING WHEN TAXES SHALL BECOME DUE AND WHEN SAME SHALL BECOME DELIN-QUENT IF NOT PAID.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRONTE:

SECTION 1. That there is hereby levied and there shall be collected for the use and support of the municipal government of the City of Bronte,

upon all property, real, personal and mixed, within the corporate limits of said City subject to taxation, a tax of \$.43 on each \$100.00 valuation of property, said tax being so levied and apportioned to the specific purposes here set forth:

For the maintenance and support of the general government (General Fund), \$.43 on each \$100.00 valuation of property.

SECTION 2. That taxes levied under this ordinance shall be due October 1, 1995, and if not paid on or before January 31, 1996, shall immediately become delinquent.

SECTION 3. All taxes shall become a lien upon the property against which assessed, and the City assessor and collector of the City of Bronte is hereby authorized and empowered to enforce the collection of such taxes according to the Constitution and laws of the State of Texas and ordinances of the City of Bronte shall, by virtue of the tax rolls, fix and establish a lien by levying upon such property, whether real or personal, for the payment of said taxes, penalty and interest, and the interest and penalty collected from such delinquent taxes shall be apportioned to the General Fund of the City of Bronte. All delinquent taxes shall bear interest from the date of delinquency at the rate as prescribed by state law.

SECTION 4. That this ordinance shall take effect and be in force from and after its passage.

PASSED this 7th day of September, 1995, at a regular meeting of the City Council of the City of Bronte, there being a quorum present, by 5 yeas and 1 nays, and approved by the Mayor on the date above set out.

APPROVED:
Martin Lee, Mayor

NOTICE OF REQUIRE-
MENT TO COMPLY WITH
THE SUBDIVISION
SERVICE EXTENSION
POLICY OF COKE
COUNTY RURAL WATER
SUPPLY CORPORATION

Pursuant to Chapter 13.2502 of the Texas Water Code, Coke County Water Supply Corporation hereby gives notice that any person who subdivides land by dividing any lot, tract, or parcel of land, within the service area of Coke County Water Supply Corporation, Certificate of Convenience and Necessity No. 11382, in Coke County, into two or more lots or sites for the purpose of sale or development, whether immediate or future, including re-subdivision of land for which a plat has been filed and recorded or requests more than two water connections on a single contiguous tract of land must comply with the Subdivision Policy contained in Coke County Water Supply Corporation's tariff policy.

Coke County Water Supply Corporation is not required to extend retail water utility service to a service applicant in a subdivision where the developer of

the subdivision has failed to comply with the Subdivision Policy.

Among other requirements, the Subdivision Policy requires:

Applicable elements of the Subdivision Policy, depending on the specific circumstances of the subdivision service, may include:

Evaluation by Coke County Water Supply Corporation of the impact a proposed division service extension will make on Coke County Water Supply Corporation's water supply and payment of the costs for this evaluation;

Payment of reasonable costs or fees by the developer for providing water supply;

Payment of fees for reserving water supply;

Forfeiture of reserved water supply for failure to pay applicable fees;

Payment of costs of any improvements to Coke County Water Supply Corporation's system that are necessary to provide the water;

Construction according to design approved by Coke County Water Supply Corporation and dedication by the developer of water facilities within the subdivision following inspection.

Coke County Water Supply Corporation's tariff and a map showing Coke County Water Supply Corporation's service area may be reviewed at Coke County Water Supply's office at Hwy. 158 W., Robert Lee, Texas; the tariff/policy and service area map also are filed of record at the Texas Natural Resource Conservation Commission in Austin, Texas and may be reviewed by contacting the TNRCC, c/o Utility Rates and Services (Certification and Rate Design) Section, Water Utilities Division, PO Box 13087, Austin, Texas 78711.

Blackwell school board meets

Notice is hereby given that a regular meeting of the Board of Education of Blackwell Consolidated ISD will be held on Sept. 15, 1995, beginning at 7:00 pm in the Board Room of Blackwell CISD.

Sports Beat

by Ted Tovias

Blackwell kicked off their first game of the season by beating Westbrook 36-30 at home! Sr. Joe Blackburn led the team with the high score of 24 points and 117 rushing yards. Other points came from So. B. J. Marshall and Jr. Nathan Hayes, with one touchdown a piece.

Blackwell head coach Duane Hyde commented, "I felt like we were very lucky to win the game. You don't win many ball games turning the ball over 5 times. We are going to have to do a better job at controlling the football."

Coach Hyde continued, "defensively, we played pretty well. We stayed in position to make the plays, but we didn't get them made a few times. Westbrook has got a good team, and I feel fortunate we got out of this one with a win."

Will the Hornets' good fortune continue? Check it out at Blackwell's next head-bashing game against Highland at Highland Friday at 7:30 pm.

Hamburger supper will kick off RL vs. Santa Anna

The Santa Anna Livestock Association is sponsoring a hamburger supper before the Robert Lee vs. Santa Anna football game Friday, September 15, from 5:30 to 7:30 pm, at Santa Anna.

Hamburgers with all the "fixins", chips, dessert, and tea will be served at the Santa Anna High School Ag. Building. (Enter at stadium parking lot.)

Proceeds will go to the local livestock shows and other youth-centered ag. activities.

wedges—for grilling. Toss reserved dressing with mixed greens and serve topped with sliced grilled chicken and vegetables. Delicious!

These and more exciting recipes for the grill are all in the new 20-page booklet, "Wish-Bone® Quick & Easy Marinating and Grilling." For your free copy write to WB Marinating and Grilling, P.O. Box 1100, Grand Rapids, MN 55745-1100.

Chicken Grilling Tips

- Chicken parts should be marinated from 3 to 24 hours; skinless, boneless chicken breast halves up to 3 hours. Use only glass or stainless dish as acid in marinade might pit other metal dishes.
- Marinate in refrigerator, never at room temperature.
- Grill chicken parts over medium coals for 35 to 40 minutes or until chicken is tender and no longer pink, turning once and brushing frequently with reserved marinade, but not during last 5 minutes of grilling (raw chicken juices can carry bacteria, so they have to be cooked thoroughly).
- Be sure to boil any leftover marinade if you plan to serve it with grilled chicken.

THRILL of the GRILL

Great Ways with Chicken

Chicken has always been a favorite on the backyard grill. With its new popularity among the health conscious, it's even more in demand. Welcome now are more new and flavorful ways of grilling chicken, and here are some great ideas for delicious—and easy—chicken on the grill.

In the satisfying summer meal shown, chicken is teamed with two seasonal treasures—fresh corn and luscious tomatoes—to turn out an all-American feast. And it's all so simple, with the flavor-adding marinade already put together for you in the prepared dressing.

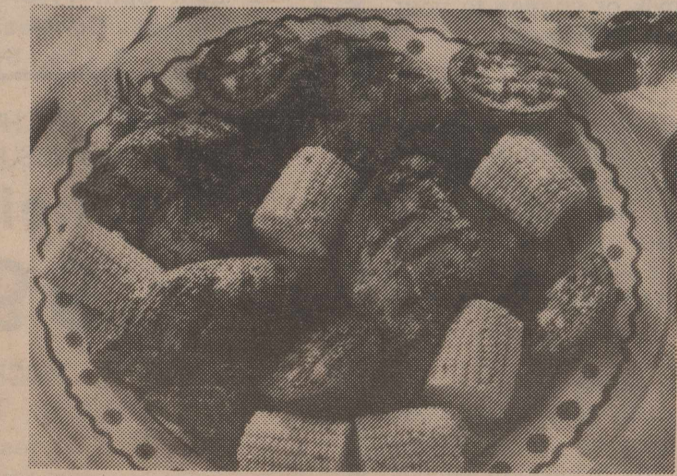

Grilled Summer

Chicken & Vegetables

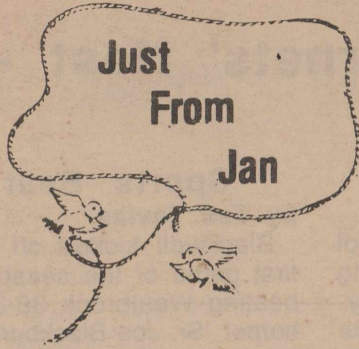

- 1 cup Wish-Bone Italian Dressing
- 4 chicken breast halves (about 2 lbs.)
- 4 ears fresh corn
- 2 large tomatoes, halved crosswise

In large shallow baking dish or plastic bag, pour 1/2 cup Italian Dressing over chicken. In another large shallow baking dish or plastic bag, pour remaining 1/2 cup Italian Dressing over corn and tomatoes. Cover, or close bag, and marinate chicken and vegetables in refrigerator, turning occasionally, 3 hours or overnight. Remove chicken and vegetables from marinades, reserving marinades.

Grill or broil chicken and corn 20 minutes, turning once and basting frequently with reserved marinades. Arrange tomato halves cut-side-up on grill or broiler pan and continue cooking chicken and vegetables, turning and basting frequently with reserved marinades, 10 minutes or until chicken and corn are done. Good nutrition and seniors

Americans are certainly getting older. In the next 10 years, the largest population growth in the United States will occur in people 85 years old and older. That is because of improved living standards, technology and education. Since good nutrition and exercise are equipment for health maintenance, what accounts for the 25 percent of Americans 65 years old and older who still suffer from poor eating habits and irregular activity?

Older Americans have malnutrition because of the following contributors: Poverty or reduced income; loss of appetite due to depression and social isolation; taste diminished due to drugs; lack of taste buds and reduced ability to smell; and poorly fitting dentures.

Seniors and their caregivers need to ensure that they eat enough food each day by planning ahead and using food dollars wisely. Remember to include enough grain products such as breads, cereals, pasta and rice everyday. If chewing is a problem, choose soft cereals and breads. Remove the bread crust, if present. Then check to include vegetables whether fresh, canned, dried or frozen every day. If chewing is difficult, then slice, chop or grate fresh vegetables so you can eat them raw or cooked. Try a variety of preparation methods when preparing them. Experiment with a variety of seasonings to add interest and variety to the vegetables. Don't forget to add at least 2 servings of fruit. Fruit tastes delicious and certainly contributes minerals and vitamins as well as carbohydrates and fiber in the diet.

Another food group needed by older adults includes at least 2 or more cups of milk, yogurt or cheese. That is the best known source of calcium in the diet. Calcium is so important for older adults in order to prevent osteoporosis - porous bones. So try to add extra milk or cheese to your daily food preparation.

Many elderly have loss of appetite because they are bored with eating, their sense of smell has diminished, or they feel that food is too bland. Eating alone is also a factor in diminished appetite.

Start eating wisely by following the daily food guide. Your body as an older adult needs the following servings per day from each of the food

groups; Breads & Cereals, 6-11 servings per day; Vegetables, 3-5 servings per day; Fruits, 2-3 servings per day; Milk, 2-3 servings per day; and the last food group, Meats, in which you need 2-3 servings per day.

Winters church to host singing

An afternoon of community-wide hymn singing will be Sunday, Sept. 17, beginning at 2:00 pm, hosted by First United Methodist Church, Winters. The church is located at 141 North Church Street, on the corner of North Church and West Parsonage Streets. All denominations

are welcome. In addition to congregational singing, vocalists and instrumentalists from several churches will present specials. A nursery will be provided and refreshments will be served in the fellowship hall following the singing.

Plan now to attend! Please bring a staple food item for the Winters Food Pantry.

Global Communities workshop scheduled

In an effort to assist Texas communities understand the changing nature of competition, the Texas Department of Commerce has developed a multi-level community training initiative called Global Communities. Designed to help communities prepare and support their businesses for global opportunities such as exporting, help foreign direct investment and tourism, the Global Communities workshop series is slated across Texas.

The first level workshop, "Regional Cooperation: Eco-

nomics Development Strategies for Success," will be held in San Angelo September 22. The workshop will demonstrate how forming economic regions can help communities strengthen resources and succeed in a global economy. Workshop topics will cover global trends such as industry clustering, marketing communities via the Internet, travel and tourism, bench marking, and comparative advantages. During the training, participants will learn how to translate concepts into realistic economic development strategies and projects that will strengthen and diversify their local economies.

"Healthy local economies and community survival are dependent on the success of existing business expansion and growth of new business," says Kevin Walker, director of Commerce's Office of Community Assistance and Small Business. "By demonstrating how working together benefits all communities involved, we hope to create regional partnerships statewide that can build the necessary infrastructure, provide first-class assistance to businesses, and market Texas' com-

munities to sustain development in the global marketplace," he adds.

Hosted by the San Angelo Chamber of Commerce and Convention and Visitors Bureau, the workshop will begin at 9 am in the Holiday Inn Convention Center. There is no charge for attendance. Economic development professionals, city and county leaders, chambers of commerce members, and utility company personnel are encouraged to attend. The second and third level workshops will begin in March 1996.

For more information, please call the Texas Department of Commerce at 512-936-0296.
