County Championship on the line

There is no formal trophy to mark the winner from year to year, but just ask anyone from

RL City Council meeting held

The Robert Lee City Council met in regular session on Monday, October 9. They conducted a review of the Curfew Ordinance. Mayor and Council members commended the City Law Enforcement Officer and Sheriff's department for their efforts. The following was reported by the City Law Enforcement Officer:

Before the Curfew went into effect, there were 13 M.I.P.s filed after midnight on juveniles and after 24 months of the curfew only 1 M.I.P. has been filed on a juvenile after 12:00 am.

There have been a total of 7 curfew violations in the last 24 months.

Only 1 major felony crime involving a juvenile was filed in the last 24 months.

Since the curfew has been enacted, there have been a total of 2 violations of State Law and 7 City Ordinance violations by juveniles after midnight. This compares with 24 cases involving State Law violations prior to the Curfew Ordinance.

This reflects an 83% decrease in the number of cases handled involving juveniles after midnight in the last 24 months.

Also on the agenda was discussion of a speeding ordinance on Loop 229. The City Council of Robert Lee adopted an ordinance reducing the speed limit on Loop 229 from the city limits to approximately 85 feet west of Washington Street. This change was prompted by concerns of the speed limit near the Nursing Home and the Housing Authority complex. The speed limit will be reduced from 50 mph to 40 mph.

either side of the county who holds the championship and you will get a definitive answer. Of course, I'm speaking of the County Championship. The Bronte Longhorns and Robert Lee Steers will meet Friday (tonight) in Robert Lee to determine who will have bragging rights for the next year.

This promises to be a tough contest for both teams. Both squads are stingy on defense, with neither team giving up a lot of points to any opponent thus far.

Robert Lee comes into the game with a 3-0-1 record. No team has scored more than 15 points against the Steers this year.

Bronte brings a 4-1-0 record to the contest. The Horns were defeated by a tough Roby team earlier in the season (the Lions tied RL).

Some very informal investigating, (if I'm wrong - please don't rub it in too hard), revealed that Robert Lee has lost the championship only once since 1987. The Horns took the championship in 1990 after RL had held it for the previous 3 years. Robert Lee came back to win the annual game in 1991 and has held the championship since that time.

Regardless of who wins this match, the game is always a good one - so come on out Friday night (it's not too cold yet) and watch these District 11 1-A powerhouses duke it out. Support your favorite team and enjoy one of the best games of the season.

Poinsettia sale

Attention: Anyone wanting to purchase poinsettia plants for the holidays, please contact any 4-H member or the County Extension Office. 4-H will be taking orders for poinsettias until October 20, 1995. Each poinsettia plant will have 5-6 blooms. Magic Farm Nursery will provide the plants for this fundraiser. Delivery of the plants will be the second week of December.

Sims makes election announcement

State Senator Bill Sims (D-Paint Rock) has, after much thought and deliberation over the past several months, decided not to seek reelection to the Senate. Senator Sims has served in the Texas Senate since 1983 and has represented 59 counties in Central and West Texas during this period.

In a statement to his colleagues, Sims said, "It has indeed been an honor to serve the people of Texas for almost fourteen years. I appreciate being given this opportunity and have always made a deliberate attempt -- conscience and traditional beliefs dictating -- to represent my constituents in a manner deserved by all of the people of Texas. There is some sorrow that accompanies my decision to not seek reelection, but I will leave with absolutely no regret because I am able to take with me fond memories, enduring friendships, and confidence that I have served the State of Texas honestly and to the best of my ability.

The Senator does plan to fulfill his current term which will end in January of 1997. During that time, he will continue to perform his senatorial duties which include participating in the interim studies assigned to the Natural Resources, Finance, and Criminal Justice committees, and representing his constituents and their interests.

B.N.H. attends statewide convention

Employees from the Bronte Nursing Home spent several days last week in Austin attending continuing education seminars and an exhibitors' trade show at the Texas Health Care Association's 1995 Convention. It was held at the Stouffer Hotel. The theme of the convention, "New Directions" focused on the changes in long-term care delivery and the procedures that providers must learn in order to maintain viability in the industry.

Educational seminars provided participants numerous opportunities to learn about various aspects of long-term care.

The Bronte Nursing Home has been a member of THCA and the American Health Care Association for many years. The Bronte Nursing Home has served the Bronte area for 25 years by offering a safe

and caring environment for those needing nursing facility care.

SS number required for vehicle title

The Texas Department of Transportation (TxDOT) will soon require additional information on title applications for motor vehicles. Beginning November 1, Texans who request title transactions in counties using the Registration and Title System (RTS) must provide their social security number. RTS is an automated system that electronically links county tax offices to TxDOT Headquarters in Austin. The Coke County Tax Office uses RTS to process motor vehicle transactions.

The social security requirement is part of House Bill 1863, passed by the 74th Legislature; the bill addresses fraud prevention in public assistance programs. TxDOT is mandated to collect the social security numbers and make them accessible to other state agencies for the purpose of determining eligibility for those programs. Individuals who do not have a social security number, or are not eligible for one, must complete a statement before their title application is processed.

Questions concerning the new requirement should be directed to the Coke County Tax Office, or the nearest Vehicle Titles and Registration Division (VTR) office.

TxDOT is implementing RTS statewide, with completion expected by December 1996. The computerized system makes it possible for registration records to be updated within 48 hours, which is a major benefit to law enforcement. Customers will also receive their vehicle titles within five days of the date the title applications arrive at TxDOT headquarters.

For more information, contact Kristeen Roe, Coke County Tax Office.

Horns defeat Jackets in a close game

by BHS Business Communications

The Bronte Longhorns defeated the Menard Yellowjackets by playing an exceptionally defensive ball game. Several players assumed new positions, which proved to be successful. Cody Holland changed to inside linebacker, Cory Robinson to halfback, and David Wilson to outside linebacker. Each of these players were outstanding in their new roles.

Defensively, Gary Walker, Kale Beck, and Darrel Sharp played a key role at holding back Menard's offensive team. Keith Treadaway was the leading rusher for the Longhorn team.

In the first quarter, Bronte was able to shut down Menard's drive and triple option with a strong defense which was dynamic throughout the entire game.

In the second quarter, Bronte came out strong in both offense and defense.

Dear Editor,
Here's the check for another year.

I noticed Robert Lee's new trash pick-up. They will do that bi-weekly for a few weeks and double the rates. Well, they don't actually double the rates - they cut the garbage pick-up to once a week. To me that's the same.

October is clergy appreciation month

October is recognized as national clergy appreciation month. The importance of the influences of these men to the communities is immeasurable. These men need encouragement expressed in love and words of kindness, in sharing of one's gifts, in visible signs of following Christian teaching, and in giving of one's self in support of these men.

Several active clergy in our community of Bronte are Central Baptist Church - Randy Johnson; Church of Christ - John Driggers; first Baptist Church - Morris Johnson; First United Methodist Church - Elmer Beck; Harriet Baptist Church - Garry Bivins; River of Life Church - Eddie Sparks; Silver Baptist Church - R.L. Br. honor roll students recognized

The A Honor Roll Luncheon for Bronte Elementary students was recently held at the Homemaking Cottage. Students recognized were Jenna Herold, Sal Randazzo, Jonathan Tomes, Morgan McCutchen, Natasha Reed, and Lacy Schoenfield.

Mrs. Linda Arrott and some of her homemaking students prepared and served the delicious meal. The candlelighting ceremony was conducted by Marty Blair and Holly Reynolds, fourth grade teachers; Pat Lee, fifth grade teacher; and Heather Lee, sixth grade teacher.

George Tomes, Band Director, was the guest speaker. He said that it was

amazing how much of the world's virtue comes from one little word: "Try." He said that trying something for the first time often calls for bravery; "try, try again," on the other hand, requires that sibling virtue - perseverance. He then read the poem, "How the Little Kite Learned to Fly."

Others attending the luncheon were Mr. Terry Myers, elementary principal, Mr. Charlie Uselton, interim superintendent, and Mr. Ray Barnett, school board member.

Steers show-off for Homecoming '95

by Bill Burns

The 1995 Homecoming week was a big success for RLISD and the Steers. It was a week full of activities that ended perfectly as the Steers beat Cross Plains by a score of 26-6.

The Steers had several players out for this game as they were healing up, hoping to be ready for District play against Bronte this week.

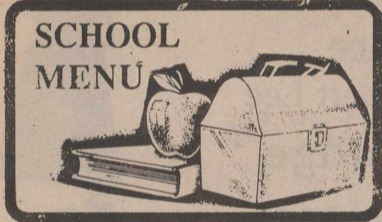

First Quarter

The Buffaloes received the opening kick but could not get a first down and had to punt back to the Steers.

The Steers had a 1st and 10 at their own 41 yard line. A big pass play from Aaron Hood to Eric Hood netted 50 yards for the Steers, but the Buffaloes held on downs and took over on their own 9 yard line. Neither team threatened to score the rest of the first quarter.

Correction . . .

Two recipients of the Steer Award at Robert Lee High School were inadvertently omitted in the Observer/Enterprise October 6 paper. **Mike Conley** was named co-holder of the 1971 award and **Scott Millican** was co-holder in 1993. Our apologies to those former RLHS athletes!

Second Quarter
The Steers threatened early in the quarter but lost the ball to a fumble at the Buffalo six yard line. The Buffaloes could not move the ball and punted to the Steers. The first play from scrimmage, A. Hood completed a 39-yard TD pass to Mike Pentecost. It took a good second effort from Pentecost to make the catch and score.

Eric Hood came up with his first interception of the night which brought the half to a close.

Third Quarter

The Steers opened the second half with a good drive that netted 7 points for the Steers. A. Hood went 15 yards, and Gilbert Torres was good for his second extra point of the night.

The Buffaloes put together their best drive of the night, which took them to the Steer

6 yard line as the quarter came to an end.

Fourth Quarter

The Buffaloes finished off their drive by scoring on a 1 yard run. The Steers came back strong with Adam Morgan scoring on a 4 yard run.

E. Hood got his second interception of the night which set up the Steers' last TD of the night. Gilbert Torres went the last 6 yards to get the six points for the Steers.
GOOD JOB, STEERS! !

Robert Lee teen rushed to Lubbock hospital

Saturday, October 7, around 5:30 pm, Philip Perez was taken to Lubbock to University Medical Center, where he underwent surgery around midnight to place a catheter-like tube in the artery above his heart to connect him to dialysis. He will be in Intensive Care for some time. He will continue to stay in Lubbock where he will wait for a kidney transplant.

For those who wish to help with his medical expenses and cost of living for his family, Robert Lee State Bank has opened a fund for Philip.

Driving the van to Lubbock was David Miracle. He was accompanied by Bobby Cox. Attending nurse was Lana Turner of Snyder. Laurie Miracle followed with Philip's mother.

Robert Lee Elementary students show off the crisp, new dollar bills they received for their achievements in reading in the school's accelerated reading program.

Dogies win again by B.J. Bessent

Last week the Dogies traveled to Cross Plains. The Dogies looked like they had a bundle on their hands after a scoreless first half. Right after the half, the Dogies lightened up with a long TD run from Andrew McCabe. B.J. Bessent took the ball in for the extra two points. The next time, the Dogies got the ball and drove down to about the 3 yard line. Bessent finished off the drive with a short run for the TD. The two-point conversion failed.

The Buffaloes fought back and scored a touchdown but they didn't get the extra point. The Dogies quieted them down with another score from McCabe. The Dogies play Bronte this Thursday at Bronte. The Dogies have done an excellent job so far this season. Keep up the good work.

If you have Medicare - get a flu shot!
Here are 5 reasons why: The flu is serious business. Influenza (commonly called the flu) is not just a runny nose or upset stomach. It is a serious illness that can lead to pneumonia. Many Americans die each year from pneumonia and other health problems caused by the flu. The flu can be very dangerous for people over 65. Almost everyone 65 and older should get a flu shot. It's also important for those with a long-term illness, and for those who spend a lot of time around sick or elderly people. People in these groups are more likely to get very sick if they get the flu. A flu shot is safe and helps you protect others. The shots are safe and effective. And when you get a flu shot you help yourself and others around you. By avoiding the flu, you avoid giving it to friends and family. The flu can make you feel "blue". Even if you don't develop serious problems, the flu can make you feel bad for days. It can cause fever, chills, headaches, cough and sore muscles. Medicare Part B pays for it. You pay no "co-insurance" or "deductible". Also, if the person giving the shot agrees not to charge more than the amount Medicare pays, you pay nothing. (Note: HMO members may be required to get shots from their HMO. Ask you HMO for more information.) Copied from information from the U.S. Department of Health and Human Services.

Rural Public Transportation Van
Wednesday, October 25th, the van will take anyone who would like a ride to the Bronte Family Health Center to receive their flu shot. Give the Bronte Senior Center a call to make reservations on the van, call 473-6471.

Santa Anna "Ex-Student of the Year"

Mrs. Ettie Hubbard of Bronte attended her graduating class's 50th Reunion in conjunction with Santa Anna's Homecoming on Friday, October 6. She was named Ex-Student of the Year for the 1995 Homecoming. Honored in the parade, she rode in a convertible with other royalty and was recognized at half-time of the football game. She was escorted by another classmate, Willard Allen.

The following story appeared in the Santa Anna News last week.

Ettie Marie Windham graduated from Santa Anna High School in 1945. She began her first job in December of that year with F.W. Woolworth Co. in Coleman. Later she worked for Owl Drug Store, first at the fountain and later as a cosmetic saleslady. She married Doyle Hubbard in August of 1950.

For many years Ettie Marie dedicated her time to her four children and their activities in school, church, scouting.

In 1958, she was initiated into the Order of the Eastern Star and has served as an officer each year since that time. She has also held many offices of the Grand Chapter including Deputy Grand Matron to the Worthy Grand Matron of Texas. During her first term as Worthy Matron, Ettie Marie was instrumental in organizing Ballinger Assembly #338, Order of the Rainbow for Girls. She served several years as Mother Advisor, as the first Chairman of the Board and as Grand Visitor of the Grand Assembly of Texas Or-

Nursing home help needed

The West Coke County Nursing Home Auxiliary is in desperate need of new volunteers to help us keep the Auxiliary.

We meet the first Wednesday of each month to discuss the needs of the auxiliary for the nursing home.

There are many areas in which you can help. It only takes a small amount of your time each month. It will make you feel good about yourself. Our little people need you. Just to smile, hold one's hand, or say a few encouraging words means a lot to those who can't help themselves any longer. Robert Lee! We're counting on you to help us out. Remember this: "It's their home today and most likely ours tomorrow."

For more information, call 453-2862 or 453-2670.

Joan Davis of Robert Lee recently accompanied her sister, Billie Wallace, of Ft. Worth to Terlingua on the Rio Grande to try to attain housing for her and her husband. A friend, Mary Lou Broom, of Leakey went with the pair. They picked her up in Del Rio and they traveled up the river as far as Presidio.

Dubb Wallace's employer will build a section of highway in the Terlingua area and also gained a contract for a stretch of highway inside Big Bend National Park.

The travelers stopped to see several interesting sites along the way - the Pecos River high bridge; Judge Roy Bean's court in Langtry; the historic Gage Hotel in Marathon; some abandoned movie sets, churches, and villages; Lajitas; and Fort Leaton. They hired a native who spoke little English to take them to Ojinaga, across the river from Presidio where the city was celebrating Mexican Independence Day.

They returned through the awesome mountain range near Redford where very small highway signs stating simply "Hill" were very understated!

The trio traveled through the Park, driving through a rock tunnel built by the company which employed Joe Broom in the '50's. He and Mary Lou lived in a mobile home inside the park. They once encountered a mountain lion near their trash barrel.

From there, the three wound down a mountainous road to the Hot Springs area where the hot water bubbles up in the edge of the Rio Grande. A bath house once covered the springs for medicinal bathing, which was finally washed away by floods.

The travelers spent the night in the Park at the Chisos Mountains Lodge, a mountain paradise in the desert, complete with pine trees, rare red-barked madrone trees, and pinons.

Billie was fortunate to find a small 2-bedroom house through a real estate agent in the isolated, old mining town of Terlingua.

Twenty-two third through sixth grade honor students were awarded passes that will enable them to attend school activities free of charge. The

Club Pig Sale benefits WTRC

The fifth annual Club Pig Sale benefiting West Texas Rehabilitation Center raised \$15,270 Monday night at the Wylie FFA Showbarn. Addison Upton of Seminole, top buyer at the sale, paid \$1,000 for the highest-selling pig, which was donated by Jon Davidson of Turkey, Texas. One hundred twenty-two pigs were donated by ninety-seven individuals from different areas in the state, including donors from Bronte and Robert Lee.

Jimmy Smith and Don Richburg of Roscoe, Texas, were co-chairmen of the event. Jimmy said, "We set a goal of \$15,000 for this year -- now we have to talk about how we can get that to \$20,000 for next year."

Auctioneer, Kevin Hutson of Sweetwater, was presented the WTRC staff award, given to an individual who devotes an extraordinary amount of time volunteering his services to the Center. Kevin volunteers his services each and every year to the Club Lamb Sale, Club Pig Sale, and Joint Venture Equipment Sale.
