Voter turn-out predicted to be poor

With no candidates on the ballot for the upcoming Special Election November 7, state election authorities expect only a 10% turn-out of eligible voters. Fourteen proposed constitutional amendments make up the ballot for the statewide election. Most of the propositions concern various taxes or exemptions. Number 8 on the ballot concerns the abolition of the office of constable of Mills, Reagan, and Roberts counties and no. 10 has to do with whether to abolish the office of state treasurer.

WCCCD plans Christmas Open House

West Coke County Community Development will sponsor Christmas plans for downtown Robert Lee. On Friday, December 1, businesses will extend Open House to the public with refreshments. After school, the Robert Lee Stompin' Steer Band will lead Santa Claus into town to visit with local children and hear their Christmas requests. Plans are to get some flyers to the public to direct everyone to the various Open Houses.

In addition, the organization encourages everyone to participate in a month-long lighting and decoration campaign. The WCCCD will be providing more lighting for businesses this year. Over the last few years, some homes and yards in Robert Lee have been beautifully lighted and rivaled much larger towns' participation. Bryan's Barn has drawn thousands of visitors from around the state. The sponsoring group's intent to print maps to show visitors where to view residents' attractions is being planned.

Everyone can get behind this effort and get lighting up early!

Lady Longhorns district champions

The Lady Longhorns are the 1995 district 11-A champions. They went undefeated with a perfect 6-0 record. In the deciding match against Water Valley, the Lady Longhorns knocked them off in two games. The scores were 15-10 and 15-7. The team played with a great deal of confidence. Their overall record going into the state playoffs is 13-10. The Bi-District match will be Saturday, November 4, 1995 at 2:00 pm on the McMurry University campus in Abilene. Hope to see you there supporting the volleyball girls as they go against Lingleville.

The JV finished their season with a winning streak. They defeated the only unbeaten team in district by crushing Miles 15-3, 15-13. They went on to beat Water Valley 16-14, 15-10. They finished district at 5-1 with an overall record of 8-8.

The junior high teams completed their seasons last week. The 8th grade team finished with a 2-3 overall record and the 7th grade did not lose a match and finished with a perfect 5-0 record. Good job.

The Longhorn Varsity Girls volleyball team has had a successful season, winning the district title. Team members are, from l to r., bottom row: Alexa Moore, Manager, Olivia Guzman, Shelly Sims, Brittany Barrett, and Coach Anita Corder. Top row: Jamie Sullivan, Julia Gentry, Kim Hall, and Wendy Johnson.

Steers de-claw Water Valley Wildcats

by Bill Burns

The Steers blew past the Water Valley Wildcats last Friday night on their way to another possible playoff berth. The Wildcats were not expected to be one of the hardest games in district, but the Steers almost made it look too easy.

The Steer defense was stingy once again, allowing the Wildcats a total of 74 yards, while the offense off the Steers gained 368 yards.

First Quarter

The Wildcats received the opening kick but were going nowhere. The Steer defense put good pressure on the Wildcat punter, and the ball only traveled 5 yards.

The Steer offense had their first possession on the Wildcat 21 yard line. Jerrod Copeland broke a tackle at the line of scrimmage and scampered 21 yards for the first Steer touchdown. Gilbert Torres, who has kicked well all year, was good for the extra point.

On the next Steer possession, the Steers moved for three first downs. Harley Wagner capped off the drive with a TD run of 20 yards. Torres made the extra point. As the quarter came to an end, the Steers were mounting another drive.

Second Quarter

Adam Morgan capped the

drive with a four-yard plunge. Torres kicked the extra point. Aaron Hood stopped a Wildcat drive with an interception. Morgan scored on a 21-yard sweep. Eric Hood then stopped a Wildcat drive with an interception. The Steers finished the half with a 28-0 lead.

Third Quarter

The Steers received the kick and started a drive from their own 34 yard line. Morgan got a first down at the Steer 44. Wagner and Morgan combined for another first at the Wildcat 45. Aaron Hood went for seven yards and Morgan added 11 more for a first at the Wildcat 26. Morgan capped the drive with a 26-yard TD run. Torres was good for the extra point.

All of the above took place behind the great blocking of David Sevier, Eric Torres, Marc Owen, Kory Pitcock, and Jeremy Burns.

The Steers recovered a 'Cat fumble but could not capitalize on the 'Cat mistake. The

Wildcats put together their best drive of the night, but in the end it was the Steer defense winning that battle.

Fourth Quarter

The fourth quarter, as well as the game, belonged to the Steers. Copeland got a 13-yard touchdown on a draw play, and the game ended Steers 42, Wildcats 0. **GOOD JOB, STEERS!**

Longhorns impressive in win over GC

by BHS Business Communications

The Bronte Longhorns defeated the Garden City Bearkats last Friday, 30-8. The Longhorns had an exceptional night with total rushing and passing at 463 yards as compared to the Bearkats' 216 yards.

First Quarter

The first quarter started out slowly for the Longhorns. The Horns' first drive ended when a Nicholas Arrott pass was intercepted. The Horns' second drive was erased when the Bearkats forced a fumble.

Second Quarter

The second quarter started off with a touchdown pass from Arrott to Cody Holland. The two-point conversion was successfully completed by Arrott. With 58 seconds remaining in the quarter, Arrott threw a touchdown pass to Keith Treadaway. Cody Holland then received a pass from Arrott, completing an-

other two-point conversion for the Horns.

Third Quarter

The third quarter was also extremely productive for the Horns. Russel Vaughn made a touchdown, followed up with a two-point conversion from Arrott to Michael Blair. On defense, Keith Treadaway stripped the ball and Cory Robinson recovered it. Shortly after that, Arrott completed a pass to Cody Holland for the Longhorns' fourth touchdown. Cory Robinson later got an interception and ran the ball 30 yards.

Letter to the Editor

Dear Editor,

Three cheers for the Bronte Longhorn Marching Band! Hip-Hip-Hooray! Hip-Hip-Hooray! Hip-Hip-Hooray!

Pride abounds in Bronte.

The Bronte band accomplished something that has not, to my knowledge, been reached in Bronte before. Saturday, the 28th of October, the band traveled to Euless to compete in the Area Marching Contest, and to my ears and eyes, did a super job! To be one of the top six bands in the area, and one of the top fourteen bands in the state in Class 1A, is fantastic. Not only did they do such a great job, they did it under difficult situations.

Friday they traveled to Garden City to support the Longhorns in their game against the Bearkats. Leaving the game after half-time still put them home around 11:00. (The football players that march in the band didn't get home until much later.) Then leaving for Euless at 3:20 am, to make sure they would have time to unwind and warm up to perform, made their ability to perform so well, remarkable.

To all the members of the band, the flag corps, and Mr. Tomes we say Thanks for the hard work and the great way you represented Bronte ISD and Bronte itself.

Congratulations Bronte Longhorn Marching Band!

Ray Barnett

Parent & Board Member

P.S. To the bus driver and the parents and friends (over 50 strong) that supported the band in Euless, I also say "Way to Go!"

Br. Jrs. host Barbecue Supper

The Junior class will be serving a barbecue brisket supper, complete with beans, potato salad, and dessert before the Bronte/Sterling City game on Friday (tonight). Serving time will be from 5:00 to 6:30 pm in the school cafeteria. Donations will be accepted.

Fourth Quarter

JV player Courtney Beam came in the game during the fourth quarter and got a head hunter when peeling back to block for Nicholas Arrott, who intercepted a Bearkat pass. Other JV players who played exceptionally well were Chris Keller, Rod Harrel, and Larry Graves.

This Friday, the Longhorns will host Sterling City at 7:30.

Letter to the Editor

Dear Editor:

Us 16, Miles 14; Us 0, Roby 12; Us 30, Santa Anna 6; Us 22, Menard 0; Us 18, Robert Lee 12; Us 22, Rescoe 12; Us 20, Garden City 12. These are the scores of games completed this season by the Shorthorn Junior High "A Team." With a winning record of 6-1, it is evident the Shorthorns have been impressive this year. This success is due to an outstanding offensive line consisting of Jake Graves, Blake McKee, Randy Johnson, Mark Shane Newman, Jeff Reed, Justin Herold, and George Tomes. These linemen have consistently blocked and created lanes for the successful backfield consisting of Mario Minjarez, Sam Sanchez, Shaylon Arrott, and Jarrod McClure. The exceptional running of Sam Sanchez, Shaylon Arrott, and what can only be described as awesome running of Mario Minjarez, has made the backfield impressive. The receiving corps, under the guidance of quarterback Jarrod McClure, adds the final touch to the squad. This receiving corps consists of Harley Hall, Cris Kenny, Josh Butts and Andy Blair. All of the above have also performed on defense. The defensive play of Randy Johnson has been impressive, and the final scores speak for the performance of the whole defensive line. We must further commend the staff of Coach Rocky Rawls and Coach Russell Peterson for assembling this fine group of community representatives. We feel all of the above should receive the recognition they have earned this season. Well done, Shorthorns and future Longhorns. Continue to achieve.

We continue to be excited about our accomplishments thus far this year," comments Mr. Myers. "This award is another tribute to our school and to our community. I can't compliment our staff and our students enough. We hope we can repeat this outstanding performance."

Br. Fall Festival a big success!

Members of the All Sports Booster Club tallied results from their annual Fall Festival and were very pleased with the totals. A good crowd of local folk attended the Fall Festival, despite the band contest taking a lot of students to Dallas.

Winner of the Project Graduation Pig Poop Bingo was Jael Williams.

Postal Service cautions against chain letters

A chain letter is a "get rich quick" scheme that promises that your mail box will soon be stuffed full of cash if you decide to participate. You're told you can make thousands of dollars every month if you follow the detailed instructions in the letter.

A typical chain letter includes names and addresses of several individuals whom

over the Internet, or may require the copying and mailing of computer disks rather than paper. Regardless of what technology is used to advance the scheme, if the mail is used at any step along the way, it is still illegal.

The main thing to remember is that a chain letter is simply a bad investment. You certainly won't get rich. You will receive little or no money. The few dollars you may get will probably not be as much as you spend making and mailing copies of the chain letter.

Chain letters don't work because the promise that all participants in a chain letter will be winners is mathematically impossible. Also, many people participate, but do not send money to the person at the top of the list. Some others create a chain letter that lists their name numerous times -- in various forms with different addresses. So, in reality, all the money in a chain is going to one person.

Don't be fooled if the chain letter is used to sell inexpensive reports on credit, mail order sales, mailing lists, or other topics. The primary purpose is to take your money, not to sell information. "Selling" a product does not ensure legality. Be doubly suspicious if there's a claim that the U.S. Postal Service or U.S. Postal Inspection Service has declared the letter legal. This is said only to mislead you. Neither the Postal Service nor Postal Inspectors give prior approval to any chain letter.

Participating in a chain letter is a losing proposition. Turn over any chain letter you receive that asks for money or other items of value to your local postmaster or nearest Postal Inspector. Write on the mailing envelope of the letter or in a separate transmittal letter, "I received this in the mail and believe it may be illegal."

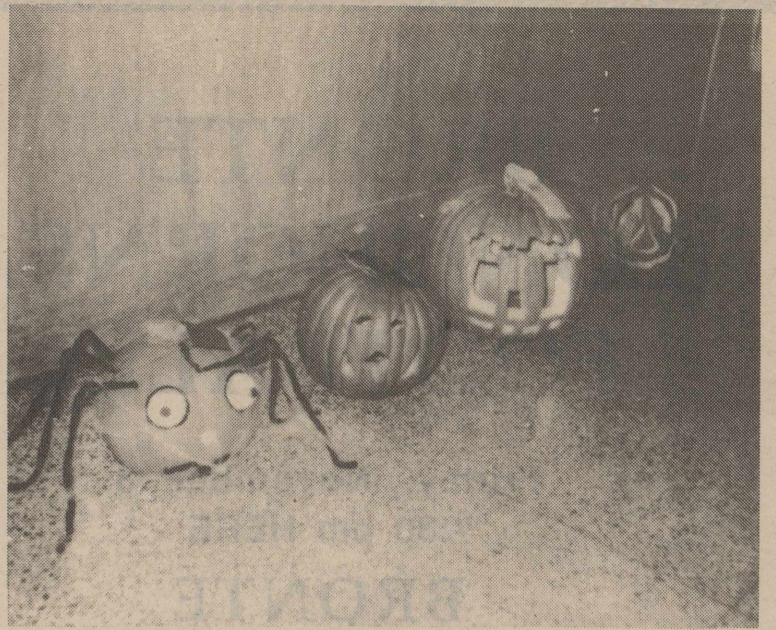

Sorosis Club to hold garage sale

The Bronte Sorosis Study Club will have a garage sale beginning at 8:30 am, Saturday, Nov. 4, at the First National Bank parking lot. All proceeds will be given to community projects.

you may or may not know. You are instructed to send a certain amount of money -- usually \$5 -- to the person at the top of the list, and then eliminate that name and add yours to the bottom. You are then instructed to mail copies of the letter to a few more individuals who will hopefully repeat the entire process. The letter promises that if they follow the same procedure, your name will gradually move to the top of the list and you'll receive money -- lots of it.

There's at least one problem with chain letters. They're illegal if they request money or other items of value and promise a substantial return to the participants. Chain letters are a form of gambling, and sending them through the mail (or delivering them in person by computer, but mailing money to participate) violates Title 18, United States Code, Section 1302, the Postal Lottery Statute. (Chain letters that ask for items of minor value, like picture postcards or recipes, may be mailed, since such items are not things of value within the meaning of the law.)

Recently, high-tech chain letters have begun surfacing. They may be disseminated

4-H held a pumpkin contest October 27, 1995. Cayla Jeffrey placed 1st, Crystal Solis came in 2nd, Stewart Millican took 3rd, and Jeremy Eaton's work claimed 4th place. The pumpkins were then used for table decorations during the Fall Festival.

The Happy Harts Square Dance Club did their highway cleanup Saturday, October 28. Twenty-three people were there to enjoy the work, fun, and fellowship. Afterwards, the group were fed delicious homemade fried pies from Sid and Johnnie Eubanks.

Potatoes potent against disease

When it comes to disarming disease-causing agents in the body, potatoes pack a punch more powerful than many other vegetables.

New research has found that while vegetables such as bell peppers, onions, and carrots remain valuable dietary sources of disease-preventing antioxidants, potatoes rank near the top of that category.

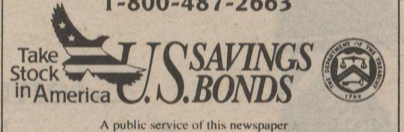

"We were surprised to find that potatoes are second only to broccoli in terms of antioxidant activity," said Dr. Creighton Miller, Texas Agricultural Experiment Station potato breeder based at

Texas A&M University. He said people should not only put potatoes on every plate, but should eat them skins and all.

Discovery of the potato's high antioxidant activity is reported in the current activity is reported in the current issue of the Journal of Food Science.

**District staff
reorganization**

Stephen Haterius, Con-
gressman Charlie Stenholm's
special assistant for agricul-
ture issues in Washington,
D.C., will be returning to the
17th District to serve as Sten-
holm's district director.

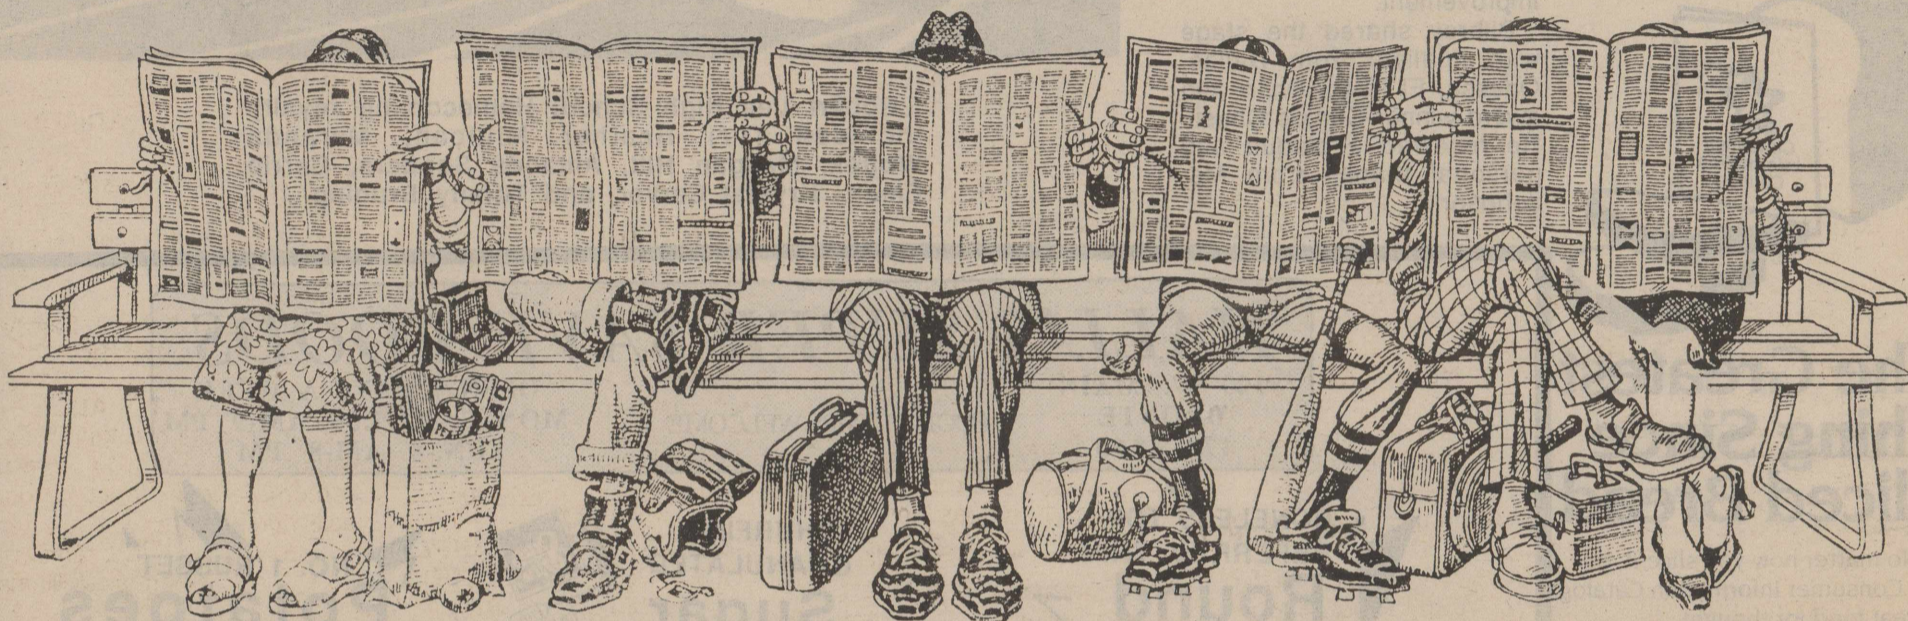

Haterius will replace B.P.
"Beep" Cain, who has ac-
cepted a position with Angelo
State University, and who will
also serve as the southern re-
gional coordinator for Sten-
holm's congressional cam-
paign.

"Stephen Haterius is an ex-
tremely capable individual
who knows the 17th District
and understands the people
and their needs," said Sten-
holm. "Under his able direc-
tion, the needs of my con-
stituents will continue to re-
main first and foremost."

Haterius is a lifelong native
of the 17th District and farmed
and worked both as a teacher
and high school principal in
Stamford before joining
Stenholm's staff in 1992.

"While I regret Beep's deci-
sion to return to the private
sector, I can certainly under-
stand his need to be closer to
the family farm following his
father's recent passing," said
Stenholm. "Beep has been a
real asset, and I look forward
to having his active participa-
tion in the forthcoming cam-
paign."

Gary Bilbrey

Bilbrey honored

Gary D. Bilbrey, Coke County Maintenance Supervisor with the Texas Department of Transportation (TxDOT) was one of six finalists honored for the 1995 Highway Beautification Award at the National Wildflower Research Center in Austin earlier this month.

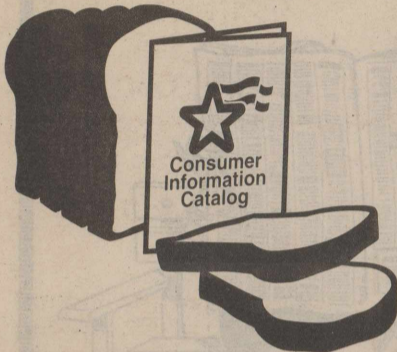

The award, created by Lady Bird Johnson more than 25 years ago and sponsored by Keep Texas Beautiful, Inc. and TxDOT, recognizes maintenance supervisors across the state for their innovative, cooperative, cost-effective and environmentally-sensitive approach to roadway beautification.

Bilbrey's efforts to control erosion in the right-of-way by building and maintaining good grass turf and reducing and preventing siltation and pollutive runoff to the Colorado River system earned praises from master of ceremonies Luci Baines Johnson. Bilbrey also plants wildflowers and makes tremendous use of native trees to beautify roadways. Trees are pruned periodically to improve sight distance, safety, growth, aesthetics, and to allow better access for right-of-way improvement.

Bilbrey shared the stage with finalists from Dallas, Odessa, El Paso, Pharr and award winner Corpus Christi. He received a plaque and personal thanks from Ms. Johnson.

Robert Lee High School Homecoming royalty included (l-r) Heather Millican, Maranda Wojtek, Meagan Hill, Amanda Sanders, Carrie Emert, Krystal Carver, and Tiffany Bruning.
