## Local election results listed

Turn-out for local elections in four of the six taxing entities proved to be light, as early voting totals had indicated. The fact that three of the four entities had candidates running in opposed elections failed to generate much interest in the voting population of Coke County.

The Robert Lee ISD School Board election saw one incumbent ousted in a close contest. Six candidates were vying for three seats in the election. Incumbents Beverly Burdett and Diann Simpson retained their positions on the board. Burdett received a total of 159 votes, while Simpson garnered 155. Newcomer Sally Gloria narrowly defeated incumbent Darrel Pitcock. Gloria took 118 votes, while Pitcock received a total of 110. Buck Duncan received 98 votes and Bill Ballew received a total of 67.

In the West Coke County Hospital District race, incumbents Wayne Vincent and Mary Bessent were running unopposed. Vincent received a total of 88 votes. Bessent received 77.

Bronte's School Board Election saw four candidates vying for three seats. Bob Frazee, a newcomer to the board, won a seat with 180 votes. Incumbent Wayne Coalson will serve another term. He received 177 votes. Jeff Schoenfield, also an incumbent, took a total of 160 votes to retain his seat. Andra

Arrott garnered 146 votes.

In the East Coke County Hospital District race, both incumbents Charles Sonnenberg and Ron Cooper retained their seats on the board. Sonnenberg received a total of 181 votes. Cooper received 208 votes. Newcomer Russell Johnson received 111 votes.

### Smith takes first medalist at State

Melissa Smith may be the happiest girl in Coke County. Melissa returned to Robert Lee Tuesday night with a gold medal after taking the first medalist position at the State Golf Tournament earlier in the day. She not only came home with a gold, she and the other Lady Steer golfers took second at the tournament to bring home the silver for the team.

Smith shot 80's Monday and Tuesday, to take the gold. She had a scare Tuesday, when she had to shoot a playoff hole to take the gold. Melissa is not a newcomer to playoff holes, she was in the same position last year when she faced a playoff to take third medalist. She faced off against Shamrock's Sterling Seward for the first place medalist position. She showed a lot of poise as her drive went right, while Seward's landed squarely in the fairway. Melissa made a 75 yard chip to leave herself only five feet from the hole on 18.

Seward had to take two shots just to get within 4 feet of the hole. Melissa had a golden opportunity to two put and win the hole, which is just what she did. Other golfers in the state can't breathe easy just yet, Melissa, a junior will be back next year.

Robert Lee's girls took second place behind Baird, who had two excellent days of golf. The girls shot a two day total of 767, 16 strokes behind first place Baird. Individual scoring for RL was as follows: Melissa Smith 160; Meagan Hill 189; Kizzie Howell 207; Bree Bolding 211 and Tracy Millican 236.

The RL boys had some tough luck, but still brought home a bronze medal. The Steers shot a two day total of 699 to bring home third place for RL. Jason Tavarez led in the medalist race at the end of play Monday, but fell behind in the second day's play to finish up in fifth place. Individual stats were: Jason Tavarez 162; Rocky Coates, 178, Fred Wojtek 180; B.J. Bessent 180; and Daryl Calder 183.

## Pitcock honored

The United States Achievement Academy announced recently that Matthew Pitcock of Robert Lee has been named a United States National Award Winner in Honor Roll.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

Matthew, who attends Robert Lee High School, was nominated for this national award by Melba Mauldin, a counselor at the school.

Matthew will appear in the United States Achievement Academy Official Yearbook,

which is published nationally. "Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Matthew is the son of Darrel and Sharon Pitcock of Robert Lee. Grandparents are D.J. and Nelia Walker and Winnie Pitcock, all of Robert Lee.

## Correction

In last week's edition of the O/E, Starsky Oleksiuk was inadvertently left out of the regional track results. Starsky, a senior at RLHS, placed third in pole vault at regional. Our apologies to Starsky. Congratulations on your success!

## Spring Trail Ride hosts 300

Almost 300 people attended the Spring Trail Ride for Rehab held on the Chad-

bourne Ranch recently. Riders enjoyed two days of beautiful scenery, great weather, and good fellowship.

In addition to the trail ride, Saturday evening featured a barbecue dinner and entertainment by cowboy poet Sam Davis of Abilene. Trail ride chairmen, Mac Sayles, Kelly Gill, and Thomas Hicks, were pleased with the success of the event, which brought in over \$12,000 to help provide services to patients at West Texas Rehabilitation Center.

The fall trail ride is scheduled for the weekend of October 18 at the Louis Brooks Ranch in Sweetwater. For additional information about Rehab Trail Ride, contact John Thomas at (915) 691-7292 or (915) 949-9535.

## AISE seeks host families

The American Intercultural Student Exchange, a non-profit educational foundation, is seeking local host families for high school foreign exchange students for the 1997-98 school year. AISE's students come from over fifty countries world-wide, and the program recently expanded operations to include Lithuania, Croatia, and South Africa. Every year, AISE places thousands of exchange students with host families throughout the United States. AISE exchange students live with American families and attend local high schools during their ten-month cultural exchange experiences. American host families provide these young ambassadors with a room, meals, and a loving, family atmosphere in which to live. AISE students are eager to learn about our government, history, customs and language, while at the same time leaving a lasting impression of their cultures in the minds and hearts of their American host families and peers. Please call AISE at 1-800-SIBLING or visit the AISE web site at <http://www.sibling.org> for more information on hosting a foreign exchange student in your home.

**Exes game results**

Bronte and Robert Lee exes recently competed in a fun, free-for-all basketball game. The game was held to help raise funds for Keith Treadaway of Bronte, and Jerrod Pitcock of Robert Lee.

The group will make the return trip through Hawaii. They will spend three days there and will play the All Stars of Florida before returning to the US July 8th.

Now, back to the game. The Bronte exes outlasted the RL group and came out on top in the old rivalry 53-43.
