It's important

Although women should get an initial mammogram by age 40, it's especially crucial for older women to have regular screenings because the risk of developing breast cancer increases with age.

Women ages 40 or above should have annual screenings, because early detection is a key factor in successful treatment.

Medicare will pay for an annual mammogram for eligible women.

Evangelists to come to FBC-Bronte

This Sunday, May 24, Bronte's First Baptist Church will be hosting Donnie and Madeline Jones for two very special services. These services will be held at 10:55 a.m. and 7:00 p.m.

Donnie and Madeline Jones are full time evangelists from Longview, Texas. This couple has scheduled over 40 revivals and concerts each year for the past 13 years in the United States and 17 foreign countries testifying and singing for their Lord. Donnie and Madeline have touching testimonies of how God called them out of the peak of their careers into full time service for Him. They have been featured at numerous state conventions including the Southern Baptist Convention, Texas Baptist Convention, Texas Baptist Evangelism Conference, and the Baptist World Alliance.

A native of Baton Rouge, Louisiana, Donnie is a former middle school principal of one of the premier middle schools of that city with an enrollment of 1,200. After 13 years in Baton Rouge, Donnie accepted God's call to preach and moved to Longview, Texas.

Madeline is a coloratura soprano. She gives God credit for her voice, which can reach G above high C and G below middle C. She is the daughter of evangelist Clift Brannon, who was privileged to lead General Manual Noriega to a saving relationship with Jesus Christ. Each family present will receive a free copy of Brannon's biography *The King Can Do No Wrong*.

Madeline grew up in Longview, Texas, and took voice lessons at an early age because they thought it would help her to breathe. When she was 4, her breastbone began to grow out until it stuck out about six inches from her chest, which was causing her lungs to collapse. She was not expected to live. At the age of 10, she still did not weigh 30 pounds. Because she was reared in a Christian home, many people in her church, First Baptist Church of Longview, were praying for her to be healed. Her father asked the 4,000 in attendance at a Texas Baptist Men's rally to pray for her also. "In two or three weeks, I began to feel better, and the growth went down," Madeline says. "That year, I gained about 30 pounds."

The morning service will include a children's time with Donnie and Madeline, Madeline singing "I Bowed on My Knees and Cried 'Holy'" with the church choir, Donnie and Madeline singing "There Is Healing in His Hands," and Donnie bringing a message entitled "Life's Greatest Question." The 7:00 p.m. service will be a concert featuring Donnie and Madeline Jones with an emphasis on faith and the family.

Pastor Morris Johnson invites and encourages everyone to take advantage of this opportunity to hear and meet this evangelist couple. There will be no admission charge, but a love offering will be received.

A June 20th wedding is planned at Cottonwood Baptist Church in Cottonwood, Texas, for Natoschia Renee Roberson and James Michael Tennison.

The bride-elect, daughter of Dennis and Dorthy Roberson of Hamilton, will be a 1998 graduate of Hamilton High School. Natoschia will be attending Coryell Cosmetology College in Gatesville.

The prospective bridegroom, son of Jackie and Marilyn Tennison of Cross Plains, is a 1995 graduate of Robert Lee High School. He is employed by the Hamilton County Sheriff's Department in Hamilton, Texas.

Parker completes basic training

Marine Pvt. Gerald Jay Parker, son of Gerald and Beth Parker, both of Bronte, Texas, recently completed basic training at Marine Corps Recruit Depot, San Diego, California.

Parker successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally.

Parker and fellow recruits began their training at 5 am by running three miles and performing calisthenics. In addition to the physical conditioning program, Parker spent numerous hours in classroom and field assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and operated as a small infantry unit during field training.

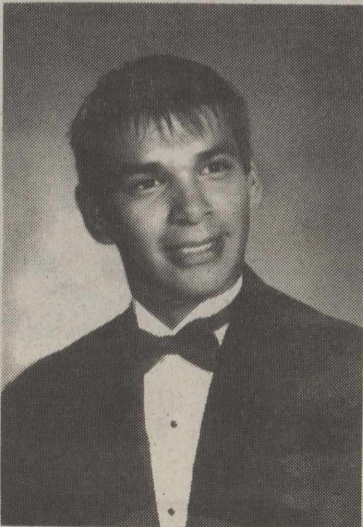

Parker and other recruits also received instruction on the Marine Corps' core values - honor, courage and commitment, and what the words mean in guiding personal and professional conduct.

Parker and fellow recruits ended the training phase with The Crucible, a 54-hour team

effort, problem solving evolution which culminated with an emotional ceremony in which the recruits were presented the Marine Corps Emblem, and were addressed as "Marines" for the first time since boot camp began.

Parker joins 41,000 men and women who will enter the Marine Corps this year from all over the country.

He is a 1994 graduate of Bronte High School.

Michael Martinez has been named to the Texas Association of Basketball Coaches Academic All State Team.

Homecoming planned for Bronte

The big "Turn of the Century Bronte High School Homecoming" date has been set for October 9-10, 1998. This will be the first school reunion since 1994, when the exes voted to have Homecoming every four years instead of two. It was hoped that the longer interval would spark more interest and higher attendance. The homecoming committee is hard at work and needs your cooperation to make this the best and biggest reunion ever.

The activities will begin Friday, October 9, with a high school football game at Elbert Stephenson Field pitting the Longhorns against the Santa Anna Mountaineers. The Bronte band will be featured at half-time when the Homecoming Queen and her court will be announced. Plans are being made to introduce some former football players that proudly wore the maroon and white.

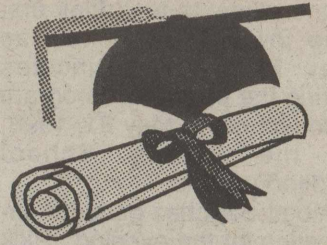

Most of the Friday night activities will center around the current high school students, but exes will be invited to participate in all activities. More details will be announced as planning is finalized.

A big parade will march through downtown Bronte on Saturday morning, October 10. It is hoped that all classes from former years will be able to sponsor a float. School, social and business organizations are welcome to put an

entry in the parade that will begin at the Nursing Center and disband at the Gazebo. From there everyone will go to the Bronte School for a catered lunch, business session, recognition assembly and class group reunions.

A complete updated locator list is being made of all former students, not just graduates, and the committee needs your input in making this list accurate. It is hoped that a first notice will go into the mail to all available addresses in

June. Several of the classes are already putting together plans for class parties, and it is hoped there will be many more. Start saving pictures and stories to bring. If you have suggestions, addresses or information about former classmates or teachers, please notify Bill P. Thomason at (915) 786-2015, Martha Boatright Arrott (915) 468-3574 or Jean Smith Herring (915) 288-4207 or give it to Pat Martindale at the City Hall.

PUBLIC NOTICE ORDINANCE #310
AN ORDINANCE PROHIBITING THE SOLICITING OF SUBSCRIPTIONS FOR NEWSPAPERS, PERIODICALS AND MAGAZINES AND SOLICITING SALES FOR THE MERCHANDISE AND/OR SERVICES OF ITINERANT VENDORS WITHOUT FIRST HAVING OBTAINED A WRITTEN PERMIT FROM THE CITY OF BRONTE, PRESCRIBING THE PREREQUISITES AND PROVIDING A PENALTY AND DECLARING AN EMERGENCY.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BRONTE, TEXAS:

1. It shall be unlawful for any person to solicit sales, orders, subscriptions, or services within the City of Bronte, Texas, for any paper, newspaper, periodical, magazine, merchandise, or service, excluding agricultural supplies, without first having obtained a permit as hereinafter provided;

2. Any person (s) soliciting or selling in the City shall obtain from the City of Bronte written authority containing the name of the company or individual presented and effective dates of such permit. Such permit shall also show the item (s) to be authorized to be sold;

3. Any person (s) making request for such permit shall provide a State Sales Tax Number, proper identification (i.e. driver's license and/or other proof of identification), current address, and license and description of vehicle to be used. Failure to provide the above shall be due cause to disallow the issuance of a permit;

4. A payment of \$25.00/day or \$100/year period shall be paid to the proper authorizing officer of the City of Bronte, for door-to-door solicitors or peddlers;

5. Regular hours for door-to-door solicitation shall be from 8:00 am to 30 minutes before sunset; however, any resident, at the resident's request, can allow any home solicitation in his home at any time;

6. Any person who solicits door-to-door in the City without a valid effective permit at the time of solicitation or who solicits after the allowable hours without the express permission of a resident of the City, shall have violated this ordinance and shall be guilty of a Class C misdemeanor and may be fined up to \$200.00;

7. This ordinance supercedes any previous Peddler or Solicitor's Ordinances set forth by the City Council or the City of Bronte, and declares such prior ordinances null and void.

8. School, church and local civic organizations are exempt from this ordinance. Participants in events sponsored by civic organizations are also exempt.

The fact that there is now no law sufficiently protecting the citizens of said City from the persons unlawfully represent-

ing themselves to be authorized to make sales in the City of Bronte creates an emergency and public necessity and this ordinance is effective immediately.

PASSED AND APPROVED THIS 7TH DAY OF MAY, 1998.
