Tommy Bryant's wagon and mule were among the entries at this year's Labor Day Extravaganza parade in Robert Lee, September 5th.

Extravaganza turns out to be an all around fine day in Robert Lee

Last Saturday was just an all around fine day in Robert Lee. It began at the courthouse when parade entries began to line up - about 40 separate entrants. That's not counting multiple groups like the young infantry detachment from Uvalde with uniforms much like the Buffalo Soldiers. Kiddie cars, golf carts, and horsebackers made us smile. The classic vehicles wowed us. We loved the authentic Fort Concho Cavalry, echoing our Texas past. The Ballinger Chamber of Commerce brought their lovely queens and other royalty. The

for a full day of entertainment as a good number of people sang and played. Everyone at the annual Labor Day Extravaganza seemed to have a good time and, as usual, with the extra day of time off many family groups got together to visit before the fall routines set in.

Many returned by 8 pm where the DJ setup, West Texas Sound Machine, played for the dance to finish the day's activities.

Shriners were looking fine in their red Caddy. Four politicians were in attendance; U.S. Congressman Charlie Stenholm, his Republican opponent, Rudy Izzard, State Rep. Rob Junell, who brought his own horse to ride in the parade, and his Republican opponent, Russ Duertine. Our "woman on a mule" was Lynn Green from the Coke County Pageant and the Tommy Bryant family had their wagon, the Helmet Lady, and our fine firetruck and EMS ambulance rounded out the festive parade.

As the parade stopped at the park, smells of great festival food was in the air, booths were open with various goods, and the fun booths such as the dunking booth, face painting, photos with Stomper, and the now famous Seniors' Chicken Drop booth brought laughter and fun.

A carnival atmosphere prevailed under the trees and around the park even though temperatures reached the upper 90's.

Others present were members of our families, children, grandchildren and great grandchildren and friends. A cousin, Richard L. McCutchen and son Eric from Oklahoma City, brought some books of research he had collected for some time of our forefathers. It was quite interesting.

Charlie Belle Bagwell brought a nice crocheted afghan she made to be raffled off. The \$50 proceeds were given as a donation to the Bronte Fire Department.

A nice time was had by all, with lots of visiting, games, good food and a barbecue dinner on Sunday.

Parents urged to visit school libraries

The Library Development Division of the Texas State Library and Archives Commission encourage parents to get involved with their school library this fall by attending library open houses and visiting with school librarians.

"It's important for the library to be the hub of the school," said Library Development Director Jeanette Larson. "School academic success can be directly related to the quality of the school library."

In its last session, the Legislature directed the State Library to develop guidelines for school to enhance their library programs. "These guidelines are now in place," Larson said, "and we urge parents to visit the school library and ask about the qualities of a good library. Voice your support for library programs to your school boards, principals, and superintendents."

Among the qualities needed for a viable library-learning atmosphere are:

*a flexible schedule for access so that learning takes place continuously and when needed;

*collaboration between classroom teachers and library staff;

*new books and other print material on a wide variety of topics that encourage and support reading and learning;

*up-to-date technologies supporting Internet access, automated circulation and catalogs, multimedia production capabilities, and access to an area for group instruction

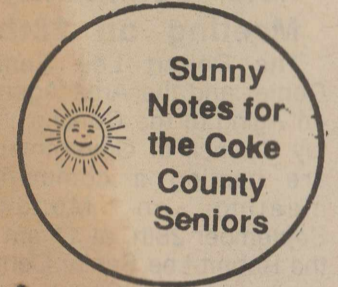

Facts assembled by the Texas Library Association show that:

1. The total average expenditures for school libraries, including staffing and facilities, is \$82 per student, or 50% of the \$164 per student spent for guidance counseling services.

2. School libraries spent less than \$11 per pupil for books in 1994-95, and with the average hardcover book currently costing about \$35, that's less than one book per three pupils.

3. School libraries account for only 1.7% of total school district expenditures.

4. Each school librarian in Texas serves an average of nearly 900 students and over 100 staff.

May Tigers slip past Steers in season opener

by Bill Burns
The Steers opened the season against the May Tigers last Friday night. The Tigers were playing their first eleven football game.

down 9 to 0 at halftime the Steers came back to play the second half, but it was too late. The Steers have a lot of talent and are capable of doing a lot of good things. Looking forward to the Tiger offense. No tries, as

still not what they are capable of overall. Simpson, Munoz, Chad Helwig, and Andrew McCabe produced 70 yards of offense behind the Steer defense, while the Steer defense allowed only 22 yards in the Tiger offense. No tries, as

first victory as an eleven man team. The Tigers showed how badly they wanted that victory. It looked as though the Steers went to May expecting an easy victory and after being

1st Quarter
The Tigers received the opening kick and used over six minutes of the clock to score on a 4 yard run to finish the drive. Will Simpson carried the ball three times for a total of 17 yards and Michael Munoz had 20 yards on three carries, but it wasn't enough for the Steers as the end of the quarter found them down by 6 points.

2nd Quarter
The Steers forced the Tigers to punt early in the quarter and put together a good drive of their own with two first downs, but the Steers drive stalled and the ball went over to the Tigers on 4th down.

The Tigers came back with three first downs, but the Steer defense led by Jeremy Edging, Jeremy Eaton, and Justin Kendall stopped the Tigers on another 1st down. The Steers kicked a field goal and the Tigers were down and the Tigers scored a 27 yard field goal. The half ended Tigers 9, Steers 0.

3rd Quarter
The Steers came back stronger in this quarter, but

4th Quarter
The Steer defense, with big plays from Edging, Kendall, Simpson, McCown, and B.J. Daniels, allowed the Tigers a total offense of 0 yards rushing and one pass completion of 30 yards.

The Steer offense with Simpson, Munoz and Chase Rainwater carrying the ball, and Helwig connecting on two passes to Andrew McCabe, had a total offense of 96 yards.

Munoz scored on a 15 yard run and Derrick Brothers kicked the extra point to make the final score Steers 7, Tigers 9.

Deadline for bidding on forfeited state land Oct. 27th

A catalogue listing 220 tracts of forfeited state land reserved exclusively for bids from Texas veterans is now available from the Texas Veterans Land Board (VLB). Bids will be opened on October 27, 1998, at 1 pm.

"There's always a great demand for these tracts because veterans realize our forfeiture rules enable them to buy land with no down payment," said Texas Land Commissioner Garry Mauro who is chairman of the VLB. "They understand that whether it's for recreation or an investment, these tracts are a very good value."

The catalogue, which contains bidding instructions and

a detailed description of each tract, can be ordered by calling 1-800-252-VETS.

Located in 97 Texas counties, the tracts range in size from five to 100 acres. The tracts, known as Type I tracts, can be purchased with no down payment. Bids are restricted to eligible Texas Veterans.

The VLB will finance the entire loan amount of all winning bids. There is no limit on the amount loaned or on the number of tracts that an individual can bid on. However, eligible Texas veterans are limited to one purchase in the sale.

"The sale gives Texas vets an excellent opportunity to buy good land with 100 percent financing and a low interest rate," Mauro said.

Mauro noted that setting aside new forfeitures exclusively for bids from Texas veterans is a long-time VLB policy.

Tracts not sold in the October sale will be offered to both veterans and non-veterans through local real estate agents.

Texas veterans will receive a 7.64 percent interest rate with a 30-year assumable fixed-rate loan. A \$25 non-refundable fee for each bid is required.

The sale will be by sealed bid only, with a minimum bid set by the board. All bids must be received by October 27 at 1 pm. Details of the sale can be obtained by calling 1-800-252-VETS.

McCown to coach at Sam Houston

Robert Lee High School graduate Ron McCown has been named an assistant track and field coach at Sam Houston State. He is the son of Coach and Mrs. Sid McCown of Robert Lee.

McCown, who was named head track coach at Water Valley during the spring, will be leaving that program for Huntsville. He spent less than two months at Water Valley. The opening at Sam Houston State was too good to pass.

"I love the sport of track and field and to have the opportunity to coach in an up-and-coming program like the one at Sam Houston State is a tremendous thrill," McCown said in a release from the university.

McCown was a standout at Robert Lee during the early 1990s. He won the Class 1A high jump state title in '90 and '91. He went on to Stephen F. Austin where he earned two trips to the NCAA Division I qualifier in the decathlon.
