### FSA Office recommends small grain certification

Producers are encouraged to certify all small grain grazing and small grain for harvest. Based on 1998 disaster programs it is to your advantage to certify for eligibility purposes. We never know when another disaster year will be upon us. Also, once you have received a NAP payment on a crop, it will protect your yield to certify each year. Failure to do so will amount to a reduction in your yield.

Producers who intend to harvest small grain need to come to the office before harvest and sign up for a possible LDP payment.

If you have insurance or not, if your small grain fails, you need to file an ASCS-574 for future programs.

June 1, 1999, is the final date to certify all small grain crops in Coke and Sterling Counties.

Hood's introduction of this year's speaker, former Robert Lee Baptist Church youth director Bobby Cox, will follow.

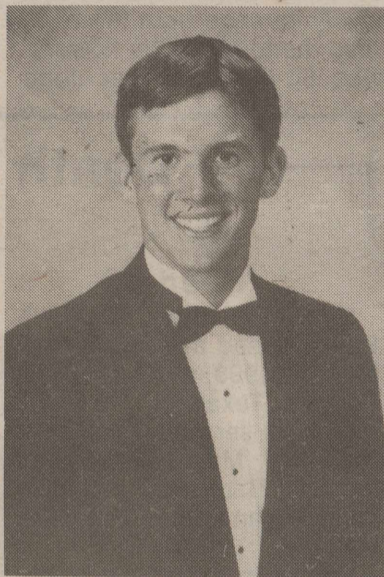

The Senior Slide Show is next on the program, followed by the awarding of diplomas by school board members Darrel Pitcock and Dianne Simpson. Justin Francis will then lead the benediction to conclude the evening's ceremonies.

This year's class members include Angela Abalos, Tony Bell, Jose Colon, Holly Copeland, Brandie Cragg, Amanda Cunningham, Jeremy Edging, Lori Eubanks, Justin Francis, Kim Gloria, Jenny Grace, Chad Helwig, Justin Kendall, Kyla Long, Whitney Montgomery, Michael Munoz, Jaime Olguin, Jeremy Ortega, Samantha Padgett, Jami Patterson, Isaiaz Ramirez, Jr., Caio Salomao, Melissa Sanders, Ross Schultz, Joseph Shandley, Will Simpson, Bill Torres, and Sondra Van De Venter.

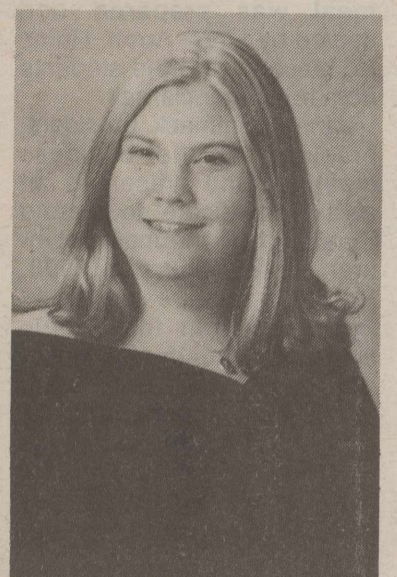

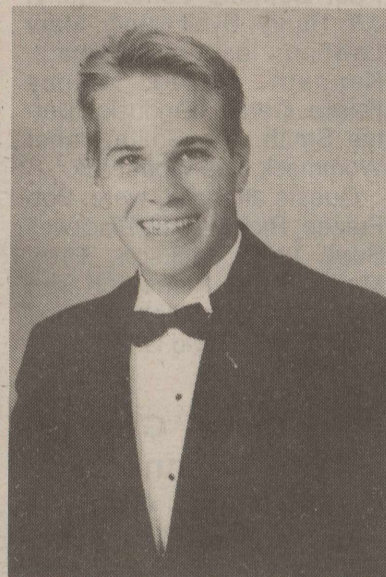

Ushers for the evening will include Audrey Arledge, Macy Hill, Joel Gallegos, and Matthew Pitcock.

### Fund set up for DeLaGarza

An account has been established at First National Bank in Bronte to assist the Martin DeLaGarza family to defray medical expenses for their son, Lorenzo DeLaGarza. For more information please contact anyone at the bank.

### Fort Chadbourne Days coming

The Annual Fort Chadbourne Days, sponsored by the Bronte Chamber of Commerce, will be held Saturday, June 26. Many of this year's events will be focused on Fort Chadbourne itself, with guided tours to the fort, an artifacts display, and a dance and dinner at the fort.

Other slated events include a softball tournament, a fishing rodeo sponsored by Texas Parks & Wildlife, a three on three basketball tournament, and a ranch rodeo. In addition, the traditional parade, auction, arts & crafts & food booths, music, and live entertainment will also take place.

Most of this year's events will be in or around the Bronte City Park to ensure plenty of shade, space, and activities. The Bronte Chamber is seeking individuals, groups, or organizations to participate in or volunteer to help with the festivities. For more information please contact Kay Gothard at 473-6246.

### 4-H Horse Show slated for May 29

The Coke County 4-H Horse Show will be held at the Coke County Arena in Bronte, Texas, on Saturday, May 29, 1999. Books will open at 9 am, with the show getting underway at 10 am.

The show is open to all Coke County 4-H'ers and will include the following classes: Mares - Under 5; Mares - 5 & Over; Geldings - Under 5; Geldings - 5 & Over; Western Pleasure; Western Horsemanship; Pole Bending; Barrel Racing; and a Stake Race.

### Carper brings home gold, silver

Bronte Senior Natasha Carper brought home a gold medal and a silver medal from the State Track Meet in Austin last week.

In the shot put, she took the gold with a throw of 40 feet, 7 1/4 inches. This throw was almost 3 feet longer than the second place throw.

In the discus, Natasha threw 138 feet, 5 inches to clinch the silver medal.

This wasn't Natasha's first time at the state meet. Last year, she brought home a silver medal in shot and was third in discus.

### Steers place at State Track meet

Three Robert Lee Steers placed at the State Track Meet recently. Dan McCown placed 6th in the 110 hurdles with a 15.0, Tony Bell placed 5th in the pole vault with 12'6" and DeShira Dickey placed 8th in the 400 meter run with a time of 63:28.

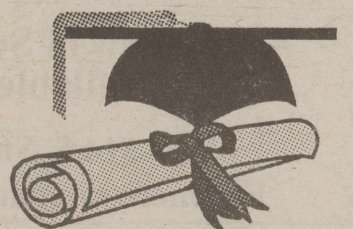

Robert Lee High School is very proud of these state contestants. Good job, Steers and Lady Steers!

### CC Family History Book

The Coke County Family History Book was published in 1984, with the hope that "the thread of the past might not be lost." In the past 15 years, copies of this book have become scarce. With the increased interest in genealogy, books such as these become more and more important.

Some members of the Coke County Historical Committee have considered having the book republished. Such a venture will require subscriptions amounting to about \$40 each due to the high cost of printing. It is estimated that several hundred subscriptions will be needed.

Anyone interested in this project should contact the Coke County Judge's office at 453-2641 or the Coke County Library at 453-2195. A copy of the book is in the Coke County Library for viewing.

These students graduated from Coke County Head Start Tuesday evening at the Head Start Center in Robert Lee. They are (from left) Diana Vera, Jonah Saucedo, Raquel Rojas, and Linsey Arellano.

**Retired teachers hold meeting**

Thirty members and nine guests attended the May 17 meeting of the Coke County Retired Teachers Association. Supt. Alan Richey and his staff at Bronte ISD hosted the luncheon in the Home Economics building. A delicious meal was prepared and served by Linda Arrott, Home Ec teacher, and the students from two of her classes.

Janet Wommack, president, presided at the business meeting. She presented an award certificate to Gerald Sandusky for the most volunteer service hours in 1998. President Janet read a thank-you note from the Bronte Early Childhood and Pre-K classes that were recipients of books from members of the RTA unit. She also told of the excitement and joy on the faces of the children as they picked out their very own books.

Janet, Bettye Smith, and Garland Davis attended the Leadership Training Workshop in Brady on May 7, 1999. Bettye Smith was appointed to serve as district retirement education chairman. Garland Davis reported that a major theme of the meeting concerned current legislation now under consideration in the present session.

Paul Gothard distributed Legislative Update No. 17. Paul also passed around a sign-up sheet for workers at the RTA Coke Wagon at Fort Chadbourne Day, June 26.

Garland Davis, at the request of Jimmy Bickley, read an entertaining essay entitled "Fried Flies, Please and Easy on the Garlic" by Patrick McManus.

At the conclusion of the meeting, Supt. Alan Richey led the group on a tour of the buildings under construction at Bronte High School.

**Southern Gospel Night planned at Heritage Oaks**

Heritage Oaks Estate Skilled Nursing and Rehab Facility in Ballinger will be hosting a night of Southern Gospel Music on Saturday, May 22nd at 7 pm. The public is invited to join residents, friends, and family for an evening of singing and family ministry with Heaven's Jubilee.

The all-male quartet began singing together in 1995. They formed Heaven's Jubilee Ministries, Inc., in 1996 and began sharing the gospel of Jesus Christ with others through Southern Gospel Music. Calling themselves "weekend warriors for Christ," Heaven's Jubilee performs at concerts, crusades, revivals, benefits, and special events.

"A performance by Heaven's Jubilee is a heartwarming experience. I encourage everyone to come enjoy their music with our residents," said Heritage Oaks Estate Activities Director Vonda Charles.

**District president visits local TFWC**

Ruby Schuman, Heart of Texas District President of the Texas Federation of Women's Clubs, was the honored guest when Sorosis Study Club members met at 7:30 pm, May 13, 1999, in the home of Peggy Hembree in Bronte.

Several club members met President Schuman for dinner at a local cafe, and took her on a tour of the city prior to the club meeting.

When Mrs. Schuman spoke to the club members, she used a clever analogy which likened club work to constructing a garment. She also reminded members of the District Workshop to be held at Rio Concho Manor in San Angelo on June 19th.

As a gift to the club, Mrs. Schuman presented a beautiful book "101 Dalmatians," which will, in turn, be donated to the Bronte Elementary School Library. In appreciation, Mrs. Schuman received a lovely corsage from the club. Also honored, with flowers, was 50-year member Jean

### Local FHA Chapter wins top honor

The Blackwell High School chapter of Future Homemakers of America (FHA/HERO) has been selected as the Texas state winner of the 1999 FACTS (Families Acting for Community Traffic Safety) Award national competition.

Chapter members developed and planned their winning project, "Safety Belts Are Lifesavers." It focuses on the importance of using safety belts and the consequences of drinking and driving. The winners selected are based on a written presentation describing how their chapter recognized a specific community traffic safety problem and carried out an innovative project to address that need, using their family and consumer science skills.

Each state winner received a \$100 state award and the opportunity to compete for the national awards. The national winners will be recognized at Future Homemakers of America's 1999 National Leadership Meeting, to be held July 4-8 in Boston, Massachusetts. The top national winner will receive a \$1,000 award. Each of the two national runners-up will receive a \$500 award.

Upon receiving notification of the award, chapter president Jennifer Dove remarked, "Every community needs concerned citizens to address local problems. As family and consumer sciences students and active FHA/HERO members, we have developed

Among other items discussed was a Foam System, which was tabled for further discussion.

They adjourned to work on the trucks and check out the air fans they received from the Forest Service.

Future Homemakers of America is a dynamic and effective national student organization that helps young men and women become leaders and address important personal, family, work and societal issues through family and consumer sciences education. The organization has involved more than nine million youth since its founding in 1945.

Future Homemakers of America is unique among student organizations because its programs are planned and run by members. It is the only in-school organization with the family as its central focus. Participation in national and state programs and chapter activities helps members become strong leaders in their families, careers, and communities.

### Coke County Library News

The Coke County Library has received three new Texas history books. They are Paisanos: A Folklore Miscellany, edited by Francis Abernethy; A Personal Country, by A.C. Greene; and Letters by Lamplight: A Woman's View of Everyday Life in South Texas, 1873-1883, by Lois E. Myers.

Also biographies of Lucille Ball, Hillary Clinton, Walter Cronkite and Waylon Jennings are available. Several non-fiction books have arrived. They are as follows: Keeping Kids Reading, Emergency: True Tales from the Nation's ERs; Guilty: The Collapse of the Criminal Justice; Active Faith: How Christians Are Changing the Soul of American Politics, and Clicking: 16 Trends to Future Fit Your Life, Your Work and Your Business.

The review of the week provided by a steadfast library patron is Clive Cussler's Flood Tide.

Stories by this author are fast-paced, modern adventure stories. In this book, slavers are using Chinese immigrants as disposable parts in a manufacturing plant. U.S. Immigration comes to the rescue with the help of NUMA. It is a chilling story with lots of intrigue and international political corruptness. A wonderful reading book. Check it out of the library.

# BRONTE SCHOOL NEWS

## Bronte loves cake almost as much as they love their Longhorn Band!

The Bronte Band was honored by a most generous show of support at the Spring Concert, Tuesday, May 18th.

Everyone would love to know who baked the top selling cake! A German chocolate cake decorated beautifully with pecan halves and fresh, white coconut brought in the high bid of the night of \$200 from partners in pastry, Wayne Worley and Gary Shaffer. These two gentlemen gave up a \$100 dollar bill each then turned right around and said, "Do it again!" They donated the cake back and it was auctioned off for a second time for \$70 bid and bought by Mark and Cindy Saunders. The crowd really did go wild!

The auction excitement started off with Elmer Hurley's winning bid of \$55 for the first German chocolate cake by Sharon Gibbs. That beautiful bid set the tone for the rest of the auction.

Auctioneer Bob Frazee put the crowd at ease and got the fun rolling.

Wayne Worley's \$100 bid was upped to the winning bid of \$105 by Randy Pieper for a much coveted, cherry-laden black forest cake baked by Vanessa Sparks.

David Rawlings bid \$22.50 for the "strictly strawberry" pound cake. Lana Richards beat out everyone else and proved herself to be the most

serious chocolate lover in Bronte with her bid of \$70 for Louise Graves' "chocolate on chocolate" cake. Mayor Martin Lee started his collection of delectable goodies with a pecan pie for \$25. He quickly raised the bid on Eleanor Rodriguez's "chocolate cake with Reeces" to \$50 to take it home, too. Then Mayor Lee and Garland Richards partnered up and decided to split Ray Flores' "double chocolate" cake for a winning bid of \$100. (Word around town is that Mrs. Lee is going to try to smuggle some of the collected items to students at school!)

Bruce Sonnenberg tried to take Patty Frazee's "turtle cake" home with a bid of \$60, but Julie Springer likes caramel a little bit better and won with her bid of \$70. Tony Holland bought his own sweetheart's "BHS" embellished "swirl cake." That's right, baked by his own lovely wife, Debbie, for a whopping \$100. That's either true love, or Debbie is one talented baker!

Jeff Schoenfield couldn't resist the lemon pound cake garnished with real lemon wedges, so he took it home with a bid of \$20. Kenny White was eyeing the chocolate pound cake. He persisted in the bidding and won with a bid of \$55. Cindy and Mark Saunders bid another \$30 to add brownies to their loot.

What a fantastic evening! Great music by great bands under a great director, and an auction, too!

With all the excitement, the organizers didn't get some of the names of the bakers who helped the band by donating delicious cakes that were either sold or auctioned off. The Bronte Bands and Band Boosters sincerely appreciate all who were a part of this extremely successful evening. All of you who performed, led, coordinated, bid, bought and baked, God bless you!

## Fury to Freedom

From the violence of hate, to the tenderness of love, this incredible five award-winning film portrays the true story of Raul Ries. Abusive of his wife and hateful of his father, Raul's name stood for fear, fighting and fury. He went from the court room, to the Marines, to Kung Fu and became a time-bomb ready to explode. Then, one evening, Raul met the one thing he couldn't fight. A miracle. His heart went from blind rage to inner peace. How could anyone be so totally transformed?

What could change a young man from the desire to kill his own wife and his own father, to reaching out to help others? What force was powerful enough to take a man from "Fury to Freedom"? See Fury to Freedom Saturday, May 22nd, 7:30 pm, at the Texas Theatre in Bronte. Admission is FREE. For more information call 473-5901 or 473-7302.

and remove stains as soon as possible.

\*Read the care labels and follow instructions.

\*Sort clothes before washing and drying.

\*Follow the instructions on laundry products.

**Removing stains:** Spots and stains are easier to remove if they are treated quickly. To remove a stain, use a blotting motion, do not rub the stain. Retreat stains that are not completely gone. Do not dry stained clothes in the dryer or the stains may become permanent.

**Read the care labels:** Following the manufacturer's recommended instructions can mean the difference between a garment that lasts and one that can be ruined easily. Read the care labels in your garments. They contain care procedures recommended by the clothing manufacturer.

**Sorting:** Sort clothes before washing to keep colors from fading onto other colors, to prevent transfer of lint and soil, and to make it easier to

choose the best water temperature and detergent for your clothes. Sort clothes by color, fiber content of fabric, texture, construction, and soil.

**Laundry Products:** Many choices of laundry products are available today. Follow the manufacturer's instructions for amounts to use. Soaps are designed for light, gentle washing. Detergents work to remove a variety of soil amounts. Granular detergents work well on mud and clay soils. Liquid detergents are usually effective in removing grease and oil stains. All detergents work better in water temperatures above 65 degrees. Fabric softeners reduce static cling, minimize wrinkling and soften clothes.

**Drying:** Choose a drying cycle that fits the care label instructions. Generally if clothes can be washed together they can be dried together. Do not overload the dryer. Keep lint filter clean. Air drying is recommended for some garments.

### Class of 1999 Project Graduation

Members of the Robert Lee Senior Class of 1999 will be participating in Project Graduation after their graduation ceremony on May 21, 1999. Early in the year, parents of the seniors organized as a group effort to provide an end of the year activity for these students. Because the class was small, there was an attempt to raise funds for a senior trip, but the large amount of funds needed to accomplish this were short. Plan B was put into effect. This involved making plans for a drug free-alcohol free night with the purpose of keeping the kids safe on the night of their graduation.

A large amount of funds was raised by the parents and the students by contracting the school concession stand during football, basketball, track, and the UIL academic meet. The community also supported the students and parents by participating in many fund raisers, such as bake sales, raffles, and Steer blanket and koozie sales.

The parent and student organization did not solicit donations this year because of the initial plan to go on a senior trip, but donations were given to support that effort. Now that the seniors and their parents have planned a project graduation activity, donations have been graciously accepted for that purpose. Plenty of funds have been

raised and donated to provide the participants with a fun night together.

They were also allowed to have a wish list, and these gifts have been purchased. The Texas State Department of Transportation donated t-shirts and key rings to the students that are participating in the project graduation activities. Also, the Mesquite Council of Drug and Alcohol Abuse has offered their services as chaperones for the late night activities.

This has been a busy year for the Robert Lee seniors and their parents. The time has finally come for them to enjoy the benefits of their hard work.

Nadine Davis of Abilene and Joan Davis of Robert Lee attended graduation ceremonies in Comanche, Oklahoma, last weekend for their cousin and niece, Lacy Reed. The ceremony was held on Saturday at 10 am in the football stadium. Lacy's grandparents, Dubb and Billie Wallace of Ft. Worth and Mrs. Helen Reed of Waurika, Oklahoma, also attended.

Lacy was honored as co-valedictorian of her class of 81 students. She will seek a college career as a music major and has already received several offers of full scholarships. A flutist in the school band, she plays the saxophone in the jazz band and sings with the honor choir. She has been a member of the National Honor Society for three years and in Who's Who Among American High School Students for four years.

On Saturday afternoon, the Davises went to Ft. Worth to spend the night with the Wallaces. The family attended the wedding on Sunday afternoon of their cousin, Andy Phillips to Sarah Manser. The ceremony was held on the patio of the River Cafe on the Mandalay canal in Las Colinas. The reception and wedding supper followed in the River Cafe.

Andy is the son of Mark and Betty Phillips of The Colony and the grandson of Earl and Dovie Childress of Brownwood. The Rev. Marc Childress, the groom's uncle, officiated the ceremony.

The Davises returned home Sunday night following a very pleasant weekend.

ally presented to the outstanding first year teacher in the district, Lori was selected from 150 beginning educators. Selection criteria included student motivation, instructional methods, teaching inspiration and creativity, and professional cooperation. Recommendations of administrators, co-workers and parents were also factors in determining the award recipient. Lori was commended for implementing a "ZAP" program (Zeros are not permitted) to help students improve grades. The plan meant extra hours of one on one with students for the first year teacher, but it also drastically reduced the failure rate of her students.

A 1998 graduate of Texas Tech University, Lori began her teaching career at Allen last fall. Allen is a fast growing city north of Dallas with a school district employing 1100 people at eight elementary schools, two middle school campuses and a 5A High School. Lori teaches freshman English and coaches girls basketball and track at Allen Ford Middle School. She will be at Allen Freshman center next year teaching and serving as Girls Sports Coordinator.
