Bronte ISD Agriculture Bldg. named in honor of J. T. Henry

(Editor's Note: The following article appeared in the April 20, 2001 edition of the O/E, without the picture(s). We recently received the picture(s), and thought it a nice tribute to Mr. Henry to re-run the article and the pictures together).

J. T. Henry was honored Tuesday, April 17, 2001 when the Coke County Retired Teachers Association met at the Ag building at Bronte High School. The building has been named in honor of J. T. Henry.

The staff of BISD hosted the luncheon prepared by the current Ag students under the direction of Jay Henderson, present Ag teacher. Preceding the meal, Henderson introduced Eric Johnson, FFA president, who extended the welcome to unit members and visitors. He spoke of the many changes Mr. Henry experienced in his 38 years as Bronte Ag teacher. He taught from 1936 to 1974.

Following the consumption of good food, Rick Howell,

BHS principal, spoke on the importance of the Ag program in building character as well as teaching skills. He stated that J. T. Henry did this as a teacher and continued to serve the community upon retirement through a fraternal group, city government, his church, and coffee shop talk.

Bill Gentry, a Henry student of the class of 1950, spoke of Henry's influence on his life.

J. T. Henry responded by telling how he came to Bronte in 1936. His future wife, Sybil, came to Bronte to teach in 1937. They found each other and were married in 1938. Their marriage of 63 years has been sustained by their service in teaching and service to the Bronte community. Sybil was the commercial teacher and later 6th grade teacher. Their daughter, Linda Boyer, a music teacher in San Angelo, attended the Tuesday celebration.

J. T. stated that his success as a teacher was due to the students who responded to the teaching and to the sup-

Ed Cumbie (left) and Louis Bridges (right) were two of J.T. Henry's students in his very first class at Bronte High School in 1936. In honor of the long years of service (1936-1974) as the Agricultural Teacher at BHS, the BHS Ag Building has been named after Mr. Henry and commemorative plaque displayed.

port of the community. Under his direction they built the concession stand, the ticket booth, and seating at the high school stadium. His students learned how to give to the community. He stated that his program was not about livestock but about students. He didn't teach the subject - he taught boys and girls.

There were 27 RTA members present and at least 20 visitors including a dozen who had been students of Henry.

Louis Bridges and Ed Cumbie both spoke of being in J. T.'s first class in 1936. Ed told of going with J. T. and Sybil on their honeymoon. It was a trip to El Paso for the state FFA meeting. Others who lauded Henry and told of experiences with him were: Royce Lee, Jimmy Bickley, C. B. Barbee, and Benny Corley.

Janet Wommack presided at a brief business meeting where Kenneth Rasco was appointed to serve as vice president for the coming year. The next meeting will be May 21 at the home of Jerry and Bette McCutchen on Humble Road.

The plaque by the front door of the Ag building sums up the deep appreciation and affection held for J. T. Henry. It reads: This building is dedicated to J. T. Henry for his unmatched zeal and dedica-

tion in furthering the skills and excellence in his students. Agricultural Teacher, 1936 - 1974 FFA Seal, presented Sept., 2000.

RL Senior Citizen news

The Robert Lee Seniors will be playing 80 (dominoes) at the Robert Lee Senior Citizen

building the first Thursday of each month.

This month's date is June 8, starting at 6:30 pm. Everyone is welcome.

Public hearing slated

Coke County Commissioners Court will hold a public hearing at 9:00 am on June 11 for the purpose of redistricting the County Commissioners Court, Justice of the Peace, Constables and election precincts according to state and federal law.

The court met May 18, 2001, and worked on maps regarding the distribution. The Commissioners have come up with a map they feel is best for the county. The main changes came about between Pct. 1 and 2. The court hired the firm of Allison, Bass, and Associates to assist with the redistricting. The court is looking at reducing the number of election precincts to four. This is being done to reduce the cost of elections. With early voting increasing each year, the numbers voting on election day is decreasing and the need for seven election sites is no longer necessary.

If you have comments to make or questions regarding the process, please attend the meeting June 11 at 9:00 and voice your opinion.

Sybil and J. T. Henry are shown in front of the commemorative plaque on the Bronte High School Ag Building that now carries his name in honor of his long career as the Ag Teacher at BHS.

*"Walk tall and keep your head up,
unless you're in a cow pasture."*

If you're short of milk, you can always borrow some from Ernie Tapia. He's got lots. He and his family have been Texas dairy farmers since 1986. The electric milking machines at the Tapia's three barns milk 4,000 cows to produce more than 200,000 pounds of milk - a day.

The Tapia family depends on co-op power to keep their business running. They belong to a Smart Choice cooperative. What's "Smart Choice?" We're a coalition of Texas co-ops committed to making the right decision on electric deregulation.

When you need electrical maintenance or repair work to keep things running around your place, you can count on your cooperative service crews to do the job not just right - but right away. As a rural enterprise, we're used to problems that don't come with easy-to-locate street addresses or convenient hours. We're on call 24/7, ready to roll in any weather. We know the back roads and the shortcuts, we know how to find the trouble and, most important, we know what to do about it.

Electric cooperatives in Texas have been providing power to Texans since 1937. As co-ops, we are non-profit and member-owned. To learn more about deregulation, visit us at our web site, or call your local Smart Choice cooperative.

Ivey Motor receives award

Billy Wayne and Dolores Roe, owners of Ivey Motor Co. Inc., recently were rewarded with a trip to Amelia Island, Florida, to accept the 2000 President's Award, the highest honor that Ford Motor Company can bestow upon its dealers. On Wednesday, May 16, they flew out of San Angelo on Continental Express to Houston where they boarded Continental for the flight to Jacksonville, Florida.

They traveled to Amelia Island, which is located just off the northeast coast of Florida, on a barrier island, with a mile and a half of pristine beach. They stayed at the Ritz-Carlton on Amelia Island where each guest room has a spectacular view of the ocean and the white sands. Billy Wayne played golf with most of the Ford men, receiving instructions from Rick Smith and his "A" team of golf professionals both Thursday and Friday. Rick is instructor to pro golfers, Phil Mickelson and Vejay Singh. Thursday, before striking out for the golf club, there was a business meeting and the speaker was Stuart Varney of CNN. Dolores took a boat tour to Cumberland Island on Thursday and a sight seeing tour of St. Augustine on Friday. Both trips were great.

Friday night was the awards presentation and formal dinner and they were entertained by Carly Simon along with her two children, Ben and Sally Taylor. They had a wonderful trip even though they had to get to the airport and leave for home at 6:45 am, Saturday the 19th.

Shoes for orphan souls

You may not be able to walk a mile in the shoes of an orphan child, but you can help orphan children walk into a brighter future.

Robert Lee Baptist Church is teaming up with Buckner Orphan Care International in asking for help with a project seeking to collect thousands of new shoes for orphans around the world. The annual "Shoes for Orphan Souls" project is seeking to surpass last year's total by collecting more than 50,000 donated shoes, socks and shoestrings.

Tiffany Taylor, director of the project for Buckner, said the drive "meets a desperate need of children living in orphanages" overseas. "Millions of children reside in orphanages throughout the world," said Taylor, "and those orphanages are not receiving enough money to care for the children's most basic needs." Among those basic needs, Taylor said, is something most Americans take for granted: "I've been in orphanages where I've seen the shoes falling off the feet of the children."

Locally, shoes are being collected at Robert Lee Baptist Church, 22 W. 11th St., Robert Lee, Texas 76945, beginning Monday, June 4th. Donated items should be for children, ages birth - 18 and, due to customs regulations, the shoes and socks should be brand new. Needed are warm shoes and winter boots.

Mr. and Mrs. Billy Wayne Roe

For individuals or groups preferring to make cash donations, a \$25 gift will allow Buckner to buy a new pair of shoes and cover distribution costs.

Taylor emphasized that no donation is too small. "Most of the donations to the shoe drive have come from families giving one or two pairs of shoes. Every one pair of shoes makes a big difference to that one child who receives them." Volunteers also are being sought to sort shoes and to travel to Russia (Nov. 1-11), Romania (Nov. 7-18), China (Oct. 4-15) and, possibly, to Kenya to meet the chil-

dren who benefit from the shoe drive. Taylor said that volunteers are needed for each team and invited individuals to participate. Waide Messer, pastor of Robert Lee Baptist Church in Robert Lee, Texas will be going on the team to China to help lead in Vacation Bible School and to help in the distribution of the shoes. For more information about the drive and volunteering, call Waide Messer at 453-2724, Buckner toll free at 1-877-7ORPHAN or visit at www.shoesfororphansouls.org on the Internet.

RL student receives award

"The college congratulates these students on an award for which they can be truly proud."

Hill's parents are Billy and Cynthia Hill from Robert Lee. She is a freshman commercial music major at SPC.

Personal
 Friends were delighted to see Jeff, Melodie, Tim, and Josh Barnes in Robert Lee recently. They returned in mid-May in time for their daughter's (Shawn Barnes) graduation in De Leon. Jeff and his family have been in Bosnia for 8 months and Shawn remained in Texas in order to graduate. Jeff, formerly a Coke County sheriff's deputy for several years, first went to Bosnia 14 months ago after taking a job with the United Nations. At this time, he is in the Criminal Investigation Division and advisor to the local police service in the province where he resides in Bosnia.
 The Barnes family has taken the golden opportunity to do a great deal of traveling during their time off from Jeff's job. They have traveled to Austria, Italy, Belgium, and Switzerland, as well as other locations. It's been a great education for the boys, and for Jeff and Melodie.
 Melodie and the boys will not return to Bosnia with Jeff at this time. They hope to attend Robert Lee schools this fall. Jeff left May 30 and will be stationed at the present location until September.
 Mrs. Bryan Barnes, Jeff's mother, of Blackwell was especially thrilled to see the family. Shawn is really happy to see her family, too. She plans to attend Ranger Junior College, beginning soon.
