Bryan's Barn to celebrate "Tis the Week Before Christmas"

"Tis the Week Before Christmas" will be celebrated at Bryan's Barn on Friday, December 17, Saturday, December 18, and Sunday, December 19. Santa Claus will be at the Barn from 7:00 pm to 9:00 pm to hear Christmas wishes from children of all ages. Treats will be distributed among the children as well.

"Tis the Week Before Christmas" is scheduled as a special event in the month long celebration at Bryan's Barn. With the help of a Texas Department of Agriculture's TexasYes! Program, five new signs and several thousand brochures were acquired to promote and publicize Santa's visit and the treasures and lights of Bryan's Barn. A survey will be handed out among the visitors on these three nights to evaluate the effectiveness of the new publicity aids.

Visitors come to Bryan's Barn from all over West Texas and bring visitors from all over the world who are home for the holidays. Many visitors return year after year and are as awed as are the first time visitors with the spirit and color of Bryan's Barn. What began as a tradi-

tion for one family is now a tradition for hundreds.

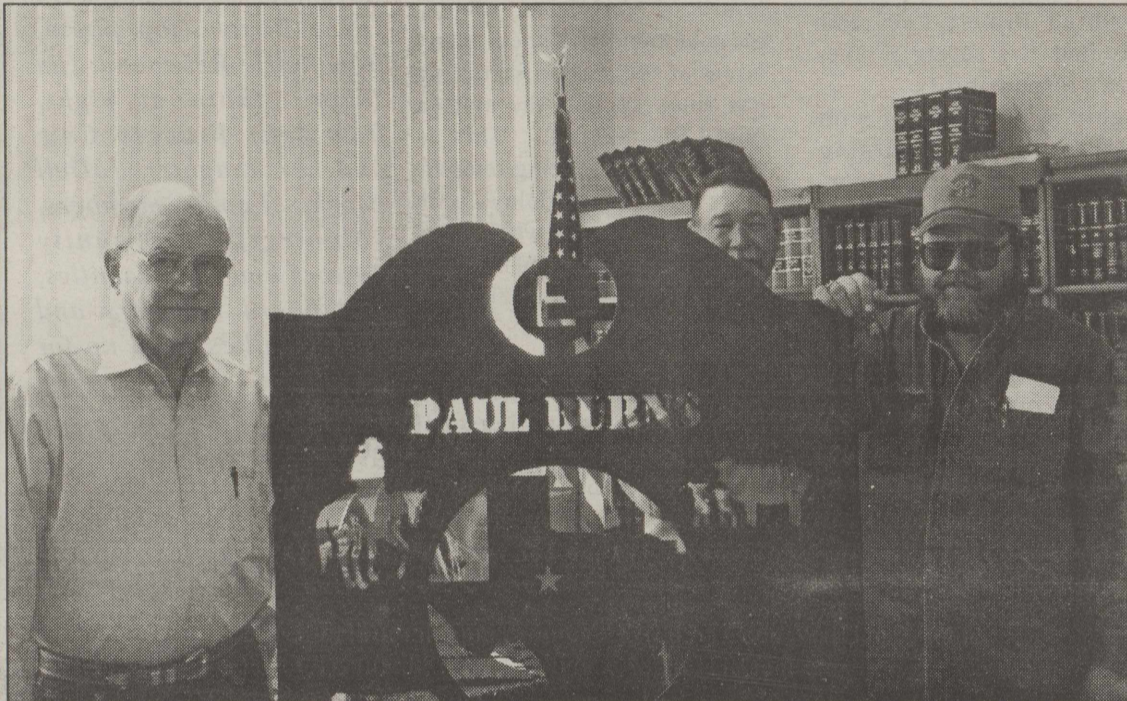

"Tis the Week Before Christmas" will give the children an opportunity to talk to Santa Claus and the adults an opportunity to get in the holiday spirit.

RL City Council adds \$2 charge for new fire station

The Robert Lee City Council extended the \$2.00 addition to the water bills at the regular monthly meeting December 6, 2004.

In July of 2003, based on construction costs, a goal of \$92,000 was set to build a fire station in Robert Lee. The San Angelo Health Foundation offered a \$45,000 matching grant and gave the City one year to raise the match. As the need for a new station was crucial due to crowding and lack of storage after the old filling station roof collapsed, \$2.00 was added to each water bill to help pay for the building. Through community supported fund raisers, a grant from the Robert Lee EMS, corporate, business, memorial and individual donations, the goal of \$92,000 was reached and everyone breathed a sigh of relief.

Within that year, however, the global economy became chaotic and construction costs increased from 60-

Fire safety tips

by Bud Thompson,
City Fire Marshal

Bud Thompson would like to remind Robert Lee residents that fire safety is everyone's responsibility.

Lightning is common with winter storms. Lightning kills more people than tornadoes, hurricanes, and floods combined. Since lightning kills one at a time, it does not get media attention. Seek shelter when a storm with lightning is in the area. Do not stand under a lone tree as it can attract the lightning. When lightning strikes nearby, be careful and do not touch anything metal or use your phone, except in case of emergencies. It could strike a telephone pole and follow the line. If the phone is at your ear, you can take the strike or get badly burned.

Be sure to check your extension cords when you put up your Christmas decorations. Do not use them if they are frayed or cracked. A Christmas decoration burned last year due to a faulty extension cord.

When using space heaters or a fireplace, keep the area around them clear. Heat alone can ignite fabric. Do not block exits, and have a fire plan worked out with the children. They should know where to meet and above all, do not re-enter the house.

Winter is the time to change the batteries in your smoke detectors. They are only good for about a year. If you know someone who does not have smoke detectors, they would be a useful Christmas gift.

After Christmas, comes New Year's. Fireworks are prohibited within the city limits of Robert Lee. Persons caught setting off fireworks within the city can receive a citation.

If you plan to set off fireworks, read the instructions and warnings and have water available in case the grass is ignited. Have a safe holiday.

RLVFD news

by Marian Thompson
Secretary

Thirteen fire department members met at the fire station on December 6th for the regular monthly meeting. The minutes of the previous meeting and the Treasury report were accepted as read.

Bud Thompson gave the monthly report for November. 1 business meeting, 1 extracation class, 83 hours of activities, incomplete as members spent many hours at the station installing gas lines so that the station could be heated. This is necessary as freezing temperatures can cause delays with starting the trucks when there is an emergency and to keep the pumps from freezing. 2 fire department calls, 2 county, 47 man hours, 11 1/2 truck hours, 44 miles one way per trucks and personal vehicles.

On November 22nd, the men were called out to assist with a search & rescue. A deer hunter did not make it back to the camp and was out overnight. On November 28th, the BVFD had their hands full at a motor vehicle accident on 277 South. Traffic had backed up and a 5 car pileup ensued. RLVFD responded to assist them.

The group discussed the 2 incidents at length. The deer hunter got disoriented with the darkness and fog and spent the night in a deer blind. The 5 car wreck was caused by motorists speeding, not heeding flashing lights, and slamming into the cars already stopped for the rollover.

Skywarn Classes will be held on February 7th at 7 pm at the fire station. The general public is invited to attend the classes.

The business meeting will remain the first Monday of the month. Work night will be the 3rd Saturday at 6 pm for the winter months.

Robert Lee Care Center Thanksgiving Luncheon! Enjoying the RLCC Thanksgiving luncheon Sunday, November 21, 2004, were Joyce Roach (top photo, from left), Reba and Jim Tabor, (photo at right, from left) Frances Cole and her daughter, JoDell Block. Family members, volunteers, community pastors and their families, and board members lined up for the buffet that fed more than 200 people.

Training classes will be announced.

The fire department needs volunteers. Anyone interested in becoming a volunteer fireman can contact any fireman or call Bud Thompson at 453-4423. We also have a program for young adults. Cadets ages 16 to 18, with parental consent, receive Fire and Rescue training. Visitors are always welcome at the meetings and training classes held at the fire station.

City of Bronte seeks donations for Christmas decorations

The City of Bronte is trying to make the downtown more beautiful for the Holiday Season (which is just around the corner). Last year several people and organizations donated money so that the City of Bronte could purchase Holiday Flags.

This year the City of Bronte has purchased four 7.5 feet tall lighted Christmas decorations which will be placed on the light poles on Main Street. Through many

donations, we have almost reached our goal to have them all paid for. We have deposited \$980.00 to date toward the purchase of these displays.

City officials are very proud of the response we have gotten from the citizens

of Bronte (and Robert Lee). Our downtown area needs to look inviting and attractive if we want people to come and shop here.

If you have any questions, or would like to help with this project, please call the City Hall at 473-3501.

Out of the Ordinary

by Jane Austin Bruckner
Fragrant Memories of Past Decembers

Each winter, I remember four things that make my Fort Worth house smell like the comfort of our Coke County ranch home during the Decembers of my growing up there. Comfort is full of delightful fragrance that comes from simple pleasures, like mesquite wood smoke from the fireplace. Or from some cedar branches on the mantel.

Another simple pleasure is the bowl of fresh oranges on my breakfast table. Every time I pass by, the whiff of citrus makes me smile and feel relaxed.

Finding the delicious, old recipes from grandmother and mother, I made warm soft cookies: the white sugar ones, the brown molasses ones, the criss-crossed peanut butter ones, the cinnamon-scented oatmeal-raisin ones. There's a pleasure, almost like meditating, in mixing butter, sugar, flour and aromatic spices. Once the cookies are formed on the cookie sheet and placed in the oven, there's no turning back. All the goodness and happiness of home are quickly transported to the here and now.

Ranching families had hard times but we knew we were not alone. We could count on family, friends and neighbors. We knew we were loved and that we would not go hungry. We understood God's great love in sending his son to save us. With this understanding, came gratitude for life. Now, fifty years later, with a fire in the fireplace, freshly cut cedar on the mantel, a just-peeled orange or a fresh baked oatmeal- raisin cookie, I taste the wonderful fragrance of comfort. May I always value precious memories, pray for peace and comfort others with the comfort I have received.

Remember, when you gift a friend with the book, Grandmother Stories from the Heart of Texas, proceeds go to the Old Jail Museum restoration. Book is available at the Library and Observer office.

... RL City Council

(Continued from Front Page) 120%. The \$92,000 goal that was reached fell short of the construction costs for the bare-bones metal building planned. The shortage amounted to \$17,000.

At that time, it was decided that a delay in construction would only increase the eventual cost for the fire station. The City Council and the RLVFD agreed that funds for completing the building would be borrowed from the City's reserve funds. This decision met with the approval of the San Angelo Health Foundation as the agreement with them had initially been to raise \$92,000.

As of today, a balance of \$11,000 remains to be paid back into the City's reserve accounts.

The City's water/sewer rates, nor City taxes, have been increased since 1999. While costs have risen for almost every aspect of city services, the decision not to raise rates or taxes has been due to the Council's consideration of the necessity to add \$2.00 to the water bills to cover the expense of the fire station.

Small communities cannot be granted E-rate insurance status unless they support a volunteer fire department. Without an E-rate, household insurance would increase from \$300 and up a year. For \$2.00 a month, the fire station's funds can be repaid within approximately 11 months.

For the friends and family members who have everything, a Christmas donation to either the Robert Lee EMS or the Robert Lee VFD building fund, or the Coke County Food Closet, in his or her name would be of help on many levels. Without these volunteer organizations, our community could not survive the economic pressures over which local communities have no control.
