Indians Defeat Seymour, 30-14, Meet Tough Bulldogs Friday Night

The Haskell Indians racked up their second win in conference play and their fifth victory of the season Friday night when they stormed over the Seymour Panthers, 30-14 before a record crowd in Indian Stadium.
The Redskins, striking quickly for two TDs in the first period to ice the game, hit by Anderson on the Haskell 31 set the stage for the Indian final tally. Anderson picked up 20 on a pitch-out from Wolfe, and on successive ground plays the Tribe moved to the Seymour 8, where Mullins broke through for his second TD. Attempted pass conversion was blocked.
In the fourth period the Panthers moved from the Haskell 35, with the aid of a 10-yard aerial from QB Eldon Welch to End Wayland Jones, to the Haskell 2, where Billy Carlock carried through for a TD. Carlock plunged through the line for the two point conversion. A desperate passing attack late in the fourth netted the Panthers' second TD, when Welch connected with Back Travis Clark from the Haskell 15, with Clark stepping off two yards for the TD. Pass conversion attempt was blocked to leave the Panthers trailing, 14-30.
In the fading minutes of the game, the Indians threatened again, driving to the Seymour 15 as the game ended.
Band Sweetheart
Colorful half-time feature of the game was the presentation of the Band Sweetheart, Robbie Mullins, daughter of Mr. and Mrs. G. W. Mullins. Her escort was John Gannaway, Band Captain.

Hunt In Colorado Nets 2 Deer For C. G. Burson Sr.

A three-day hunting trip in Colorado last week netted two large black-tail deer for Mr. C. G. Burson Sr., of this city. They returned home Friday.
Mr. Burson killed both deer on the third morning of his hunt, in the region near DeLores, Colo. Deer were fairly plentiful this year, Burson said. However, there were no moose or elk in the section where he was hunting.

Final Rites Held Here Tuesday For M. H. Guinn, 80

M. H. Guinn, 80, retired farmer and longtime resident of Haskell County, died Sunday at 7 p. m. at his home in this city. He had been in failing health for several months.
Mr. Guinn was born May 2, 1878, in Georgia, and came to Texas when a young man. He married the former Miss Stella Fouts on Dec. 12, 1900 at Iredell, Texas, and the family moved to Haskell County in 1904 from Hamilton County. They settled in the Sayles community southwest of town where Mr. Guinn farmed until 1950, when he and Mrs. Guinn moved to Haskell.
Mr. Guinn was a member of the Baptist Church.
He is survived by his wife; two daughters, Mrs. R. N. Morris of Denton and Mrs. W. F. Greider of Arlington; four granddaughters and four great-granddaughters; and one sister, Mrs. Ida Mitchell of Iredell.
Funeral service for Mr. Guinn was held at 2:30 p. m. Tuesday in the First Methodist Church. Officiating were the Rev. J. B. Thompson of Tahoka, former Methodist minister here, the Rev. Oscar Bruce, First Methodist pastor, and the Rev. M. D. Rexrode, pastor of the First Baptist Church.
Burial was in Willow Cemetery under direction of Holden Funeral Home.
Pallbearers were Shelby Johnson, Bob Melton, Bill Wiseman, Raymond Roberson, Joe Harper, Thos. B. Roberson, Erban Harris, O. W. Tooley.

Wage Findings On Cotton Pulling Announced

Wage findings which became effective Oct. 27 for the Haskell County cotton harvest have been announced by Ed McDonald, Dallas regional director of the Bureau of Employment Security, and forwarded to the Texas Employment Commission.
For the first pulling of dryland cotton the rate is \$1.60 to \$1.75 per hundred weight, and second pulling of dryland \$1.65 to \$1.75 per hundred. On irrigated cotton, the rate for first and second pulling is \$1.55 per hundred.

Stamford JC's Urge Lions Vote For Amendment 1

Merits of proposed Amendment No. 1, providing for annual sessions of the Legislature and full-time pay for members were advanced in talks at Stamford Jaycees in talks at Stamford meeting and luncheon in the Lions Cafe dining room. Lion W. M. Gattis also spoke briefly, emphasizing the importance of retaining new members who come into the club. His talk was one in a series being presented on Lionism.
Lion Allen Reeves was in charge of the day's program and introduced Stamford Jaycees Herschel Kelley, Carnegie Moritz and Bill Terry. The trio, in separate talks, endorsed Amendment No. 1 and urged its support in Tuesday's election. Some of the points stressed included a comparison of the salaries of Texas legislators and lawmakers of other states; higher salaries would induce better men to seek legislative office; better paid officials would be less susceptible to bribes; would lessen the turnover and loss of experienced legislators.
Other visitors and guests at the meeting were Ed Hecht, Robert T. Bridges, and Rev. J. B. Thompson of Tahoka, former pastor of the First Methodist Church here.

Bids Called For On F-M Stretch In Haskell-Knox

The Texas Highway Department has called for contractor bids on the proposed construction of 6.437 miles of farm-to-market road from O'Brien to the Knox County line, and from F-M 2366 to the Haskell County line.

Fairly Heavy Balloting Due In General Election Nov. 4

Haskell County voters will ballot Tuesday, Nov. 4 in the final major election of the year, when they will register their choice of party nominees for offices ranging from Govern-

Proposed Amendments

The nine proposed constitutional amendments are listed in the order they appear on the ballot. Briefly stated, they would:
1. Provide for annual legislative session and full-time pay for members.
2. Authorize retirement programs for county officials.
3. Prevent county officials from seeking other offices during four-year terms.
4. Permit cities to establish four-year terms for officers.
5. Provide pensions for retired Texas Rangers.
6. Require county judges and justices of the peace who are serving out appointive terms to stand for election at the next general election after their appointment.
7. Authorize an "Advertise Texas" program to attract new industry, tourists and residents.
8. Provide for direct state payment of medical bills for those on the rolls of Texas welfare assistance programs.
9. Authorize creation of four new hospital districts in Amarillo, Beaumont, and Wichita counties.

Spooks, hob-goblins, boys and girls will be roaming the streets tomorrow night, Hallowe'en. Motorists should be extra careful to avoid these little goblins, so as not to make ghosts of them before their time.

Mexican Braceros Heading Home Afoot Halted Here

It would have been a long journey for 14 Mexican braceros who had started to walk from Munday to their homes in Old Mexico, had not Haskell Sheriff Bill Pennington interrupted their trip here Saturday night.
Sheriff Pennington provided lodging for the braceros, none of whom could speak English, and kept them at the county jail until circumstances surrounding their plight were worked out.
Noticing the group standing around, all carrying luggage, at a Mexican dance here Saturday night, Sheriff Pennington made some inquiries.
With the aid of an interpreter, the Haskell officer, learned that the braceros had left Munday that morning to return to Mexico. Lacking bus fare, they were making the trip on foot, carrying all their possessions.
According to their story, the braceros had signed a contract to work in the cotton harvest for a Munday farmer, unaware that their contract called for them to "pick" cotton at \$2.05 per hundred. Unable to earn more than \$2 to \$3 per day, they became dissatisfied and told their employer they were leaving. According to their story, no objection was made by their employer, and the braceros headed south.
Sheriff Pennington got in touch with a Munday gin and employer of the braceros, with the result that the situation was ironed out. Monday morning transportation was provided to return the braceros to Munday.

New Officers Of Farm Bureau Installed

New officers of the Haskell Farm Bureau were installed at the county convention meeting Tuesday night in the Elementary School Building. Members also adopted a series of resolutions to be submitted at the State Farm Bureau convention next month.
New officers installed are: H. W. Smith, president; Thurmond Rice, first vice president; T. A. Grogan, second vice president; A. R. Eaton, Rule director; A. O. Jones, Rochester director; and A. R. Helm, Sagerton, director. These three directors replace Jess Glover, C. H. White and F. A. Ulmer, whose terms had expired.
Re-elected as secretary-treasurer was Mrs. Eugene Tonn of Haskell, while Pat O'Keefe was re-elected as Irby-Mattson director. Hold-over directors are C. G. Hammer of Weinert, E. A. Schaake of Paint Creek, and Alvin Dornier of Haskell.
Out-going president, Adell Thomas, thanked the group for their cooperation the two years he has served and urged their continued support of the new president.
C. H. Herren presided as chairman of the Resolution (Continued on page 10)

Downtown Pep Rally Slated Friday, 5:45

This is it, football fans and Indian supporters! A gigantic pep rally is scheduled at 5:45 p. m. Friday on the courthouse lawn as a send-off for the HHS Indians for their game with the Stamford Bulldogs. For all practical purposes this game will determine the district winner.
Everyone is urged to turn out for the rally and show the Indians the whole town is behind them.

Hubert L. Watson, Stamford Attorney Accidentally Killed Monday Night

Hubert L. Watson, 43, prominent Stamford attorney and the son of Mrs. Emma Watson of Haskell, was killed instantly about 8:40 p. m. Monday in his home by the accidental discharge of a shotgun.
Mr. Watson was found shot in the chest by his wife, Doris, who heard the shot while she was upstairs with the couple's children.
He was planning a trip to South Dakota to hunt pheasants and had taken the gun out of its case to clean it, when it discharged, killing him instantly.
Mr. Watson had suffered a heart attack six weeks ago while hunting on a ranch near Stamford. It was thought that the shotgun was placed back in its case loaded, at that time.
Funeral service for Mr. Watson was held at 10 a. m. Wednesday in the Central Presbyterian Church in Stamford.
The Rev. Jerry Boles, pastor of the church, officiated, assisted by the Rev. Newton Starnes, pastor of St. John's Methodist Church.
Burial was in Highland Cemetery, Stamford, under direction of Kinney Funeral Home of that city.

Mattson-Harrod Matched in 8-Man Football Game

Football fans of this section will have their first opportunity to see an 8-man game Saturday night, Nov. 1, at Mattson.

Ginner Hurt When Pulled Against Moving Belt

Walter Viney, 74, Haskell ginner, suffered an injury to his left leg Friday evening while working at the Haskell Co-Op Gin No. 1.
The mishap occurred when a part of his clothing became entangled in a moving belt, pulling him against the belt before the machinery could be stopped. He received a deep cut and severe bruises on his left leg.
Mr. Viney had minor surgery Wednesday morning at the Haskell Hospital and is reported improving satisfactorily. He has been employed at the local gin plant for a number of years.

Mattson-Harrod Matched in 8-Man Football Game

Mattson high school, which plays 8-man football, will field an 8-man team against Harrod high school of Wilbarger County, where 8-man football has been played this season.
With the exception of playing on a regulation 8-man field and the requirement of 15 yards for a first down, 8-man football is virtually all other respects is the same as 11-man, Mattson Supt. Bill Baker said.
Saturday night's game will get underway at 7:30 o'clock.

Your Vote Is Important

Because nomination in the Democratic primaries means virtual election of office seekers in Texas, voters as a rule take little interest in the general election, particularly in an "off year" like the present when no presidential race is involved.

However, this year's general election on Tuesday, Nov. 4, is important for at least two reasons, and every qualified voter should make it a point to participate with his ballot.

First is the fact that indirectly, voting this year will have an important bearing on who is the Democratic nominee for President in 1960. The vote for Governor in next Tuesday's election will determine the number of delegates Haskell County will have at the State convention.

Maximum vote in Tuesday's election will give Haskell County a larger delegation at the 1960 State convention, and a stronger voice in the decisions to be made there.

Another important reason for voting Tuesday is the decision to be made on the nine amendments proposed to the State Constitution.

At least five of these amendments will require an increase in State expenditures, all of which must come from tax revenues.

Regardless of the merits or demerits of the proposed amendments, their adoption or rejection should be by a majority of the qualified voters expressing themselves at the polls.

The Roundup a Community Celebration

Although date for the 1959 Rice Springs Roundup is fully six months away, a suggestion that the event be made Haskell's major community celebration each year, justifies consideration at this time because it would require several months of advance planning.

The Roundup and Horse Show already rates among the top events of its kind in this section of the state. Since its inception, the three-day event has been a success from both an entertainment standpoint and financially, having been able to "stand on its own feet" money-wise.

To make the Roundup the community's major celebration each year would be a simple matter. It would mean broadening the advance planning to the extent that the entire community could participate in advance activities promoting the event.

We believe that if Roundup sponsors desire and will outline a program for community-wide participation, they can be assured the full cooperation of Haskell people.

Service Pipe Line Helps Out

A measure of fire protection for ranchers and rural residents has been made possible in the recent addition to the local fire department of the Haskell County Rural Fire Truck.

Primarily responsible for securing the equipment is the Commissioners' Court, which made \$1,000 available for the truck purchase, and this was supplemented by money given by ranchers and landowners.

However, a major share of credit for making the new equipment possible goes to Service Pipe Line Company and their employees in Haskell. Without cost, these men gave of their time and skill in helping local firemen design and build the new equipment.

Haskell has every reason to be proud of Service Pipe Line Company and its employees for the splendid spirit of cooperation they have always shown in meeting community problems.

PEOPLE, PLACES AND THINGS

By A. PATE

Presence of mind and quick thinking of Jiggs Edwards of Weintert recently saved the life of a 16 year old Mexican girl, and probably that of her companion, a younger Mexican girl.

The incident occurred when a traffic light on Highway 277, in the central part of Weintert, was short circuited and charged a guy wire on one of the poles supporting the traffic light.

The 16-year-old girl and her companion had stopped at the light and the older girl grasped the guy wire, receiving a heavy charge of electricity. Standing on wet ground, she was unable to turn loose of the wire and screamed for help.

Edwards, a short distance away realized what had happened and called to the younger girl not to touch her companion. Meanwhile he took a section of rubber hose out of his pick-up truck and ran to the helpless girl. Looping the hose over her, a quick pull freed her from the charged wire.

Other than a slight burn and shock, the girl suffered no ill effects from her experience, which could have resulted fatally. Her companion, too, could have been injured or killed but for the presence of mind of the Weintert man.

The man named to replace Sherman Adams as No. 1 assistant to President Eisenhower, Major General Wilton Persons, is well qualified for the job, particularly from the standpoint of family background.

For one thing, he is a Southerner by descent. Another factor is that some of his forbears were staunch Democrats, while another important angle is the fact that he is related to a Haskell man, Dave H. Persons, himself an out-and-out Democrat from away back.

Blood relationship between Six-man teams, and the abbre-

the Haskell man and Gen. Persons stems from the fact that their grandfathers were brothers, members of a pioneer Kentucky family.

"I'd feel right proud of my kinsman if he wasn't a Republican. Somewhere down the line he must have strayed off in his political ideology," Dave commented sympathetically.

The Haskell man thinks there's a possibility that it may work out to Ike's advantage anyway. Subconsciously, Gen. Persons may give the President some good sound Democrat advice, something that never could have happened while Sherman was in the advisor's post.

An almost-forgotten deal made in the early 30's by Jim Darden while he was Commissioner in Prec. 4, may result in a big saving to the county in purchases of gravel and caliche.

Back in the depression days, road building material was cheap. A man on whose property an abundance of caliche and gravel was located, furnished the material for work being done by Prec. 4. In order to be sure that ample material would be available, Commissioner Darden secured an easement under which Prec. 4 was to be allowed to get all the material needed in the future at a specified price.

Whether the easement remains in effect now is questionable. But if it does, the "depression days" price would prevail also, resulting in almost unbelievable savings on the purchase of road materials.

First it was Six-Man and now Eight-Man football, devised for smaller schools without sufficient players and reserves for the regulation 11-man game.

Pupils Visit Fire Station, Given Ride on Truck

Pupils of the Kindergarten department of Haskell schools visited the fire station at the City Hall Thursday morning, Oct. 24. They saw the trucks and fire fighting equipment, learned how fire alarms are received, and enjoyed a ride on one of the pumper trucks.

Those enjoying the trip were Trey Burson, Wayne Davis, Paulette Dick, Keith Everett, Andy Gannaway, Vickie Hargrove, Larry Hartsfield, Jerry Henshaw, Gary Mayfield, Sherry Loper, Cindy Smethie, Cella Smith, Ronnie Wehba, Rinky Denker, and their teacher, Mrs. D. E. Hiebert.

They were also accompanied by Mrs. Calvin Smethie and Michael, Mrs. H. H. Hartsfield and Linda, and Mrs. Charles Wehba.

Stamford Soldier Trains With Signal Unit In Italy

Vicenza, Italy (AHTNC)—Pvt. Alfred L. Adams, 19, son of Mr. and Mrs. Lyle Adams, Rt. 3, Stamford, recently participated in a field training exercise with the 124th Signal Company in Italy.

A teletype operator in the company in Vicenza, Adams entered the Army in December 1956, completed basic training at Fort Carson, Colo., and arrived in Europe in June 1957. He attended Sante Fe High School, Alta Loma.

Eight bridges crossing the Willamette, and Columbia rivers, near Portland, Ore., have been painted eight different colors to become better traffic guides.

Haskell Airman Completes Basic Training

AIRMAN RUSSELL

Lackland AFB, Texas—Airman William A. Russell, son of Mr. and Mrs. Hastin Russell of Haskell, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training School for Metals Products Specialists at Chanute, Ill.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interest and aptitudes. They are reassigned to the school after four weeks of basic, and are given additional military basic training along with the technical subjects.

Stronger Law On Mailing Obscene Material Enforced

The Post Office Department's enforcement powers to keep obscene material out of the mails have been greatly strengthened through a new law, approved by President Eisenhower Aug. 28, post office officials point out.

The new law gives the people of the community where the obscene material is received the right to evaluate such mail in accordance with their own standards of morality and decency.

It also permits them, through the Post Office Department, to refer the matter to the United States Attorney in the United States judicial district where the obscene material is received for possible criminal prosecution.

Previously, obscene mail could be inspected only at the point of mailing. This permitted those trafficking in obscenity to concentrate their mailing activities in metropolitan areas where indictment against them were often difficult to obtain.

The new law also permits punishing second offenders with a fine up to \$10,000 and imprisonment up to ten years.

The Post Office Department, already applying the law, is requesting the assistance of citizens in forwarding any obscene material or circulars to their local postmasters.

Haskell's first cotton gin was placed in operation in October, 1889, by J. L. Jones, and N. C. Smith. The plant ginned 149 bales of cotton its first season.

Hunting, Fishing License Sales Show Increase

Anticipating a record year, more than 41,000 Texas sportsmen bought hunting licenses during September, according to the Fiscal Director of the Game and Fish Commission. September 1 began the second year of the \$3.15 hunting license fee.

On the basis of the revenue collected, the director reported receipt of \$123,443.45 from hunting license sales. This is an increase of approximately \$14,000 for the same period in 1957.

Remitting agents had until October 10 to pay for licenses sold during September; therefore, this does not include money on all licenses sold, the director explained.

Fishing license sales totaled \$154,275.60 for the month. This figure represents more than 77,000 resident fishing licenses. Sales of all types of licenses is expected to increase this

Treasure Chest Is Theme of Study Club Program

The contents of The Progressive Study Club's Treasure Chest was further enriched on Thursday, Oct. 16 when members uncovered the location of the "Precious Jewels" information. Led by Mrs. R. W. Herren, the members exchanged ideas for hobbies and Christmas gift suggestions through a novel roll call. Each member identified herself as she proposed ideas for the creation of gifts and decorative accessories to be featured in a Christmas Novelty Gift Show and Sale to be sponsored by the club on December 4.

The Jewel of Information increased in value as Mrs. W. E. Woodson, Federation Counselor, disclosed the many facets of federated club work and gave a brief history of the Progressive Study Club. Mrs. Bill Holden gave the jewel light and color as she explained "How to Live 365 Days a Year." In this most enlightening discourse Mrs. Holden entreated those present "to learn to live with yourself in order that the outlook for each day be brighter and contain more meaningful goals."

Presiding for the business meeting, Mrs. Bailey Tolley, president, expressed the desire that all be present for the next phase of the Treasure Hunt when Mrs. S. R. Davis of Throckmorton would assist the search for the jewel of Fellowship at which time members of The Magazine Club would participate.

Also to participate in the remainder of the Treasure Hunt are the three new members elected, Mrs. H. V. Woodard, Mrs. Gabri Berns, Mrs. Gerald McCoy.

Mrs. Arlos Weaver and Mrs. W. C. Johnston served as hostesses for the evening.

Josset H. D. Club Meets With Mrs. Bailey

The Josset Home Demonstration Club met Tuesday, Oct. 28 in the home of Mrs. Carl Bailey.

The meeting was called to order by the president, Mrs. Marvin Walters and roll call was answered with hints for Safety on the Home or Farm.

Mrs. J. P. Perrin talked on Farm Machinery Safety, Mrs. Layton Robertson discussed Safe Use of Hand Tools, and Mrs. Paul Cothron talked on Fire Prevention and Safety in the Home.

Mrs. Carl Bailey played the THDA song for group singing.

During the business meeting annual reports of the club were filled out and a Thanksgiving Supper was planned for Nov. 25 in the home of Mr. and Mrs. Carl Bailey.

The meeting was closed with all repeating the THDA Prayer.

Refreshments were served to one visitor, Mrs. Kenneth McWhorter of Austin, and members Mesdames Ardonia Tolley, Eloise Perrin, Layton Robertson, Lee Walters, Bonnie Cothron and the hostess, Phyllis Bailey.

The next meeting of the club will be in the home of Mrs. J. P. Perrin on Wednesday, Nov. 12.

NEWS OF INTEREST WOMEN

MRS. JAMES L. FOWLER

Helen Marie Barwick, James L. Fowler Repeat Wedding Vows In Martindale

A candlelight ceremony in the home of the bride's parents in Martindale, Texas, Saturday, Oct. 18, united in marriage Miss Helen Marie Barwick and James Larry Fowler, both of Grand Prairie.

The Rev. Ernest V. May officiated at the double ring ceremony. The bride, daughter of Mr. and Mrs. James Emmitt Barwick, attended Baylor University. Mr. Fowler is attending North Texas State College and is working toward a Bachelor of Science degree in Physical Education. He is the son of Mr. and Mrs. W. A. Fowler, Haskell. Both the bride and groom are employed by Chance-Vaught Aircraft Corporation, Grand Prairie.

Two arrangements of giant white chrysanthemums flanked by candelabra and brass stippled cathedral tapers was the setting before which the couple spoke their vows.

Mrs. Ernest V. May, organist, played the nuptial music and accompanied Mrs. T. E. Eyring, Hitchcock, sister of the bride, as she sang "I Love You Truly" and "The Lord's Prayer."

Mr. Barwick gave his daughter in marriage. She wore a ballerina length gown of de-lustered satin and alencon lace. Designed on empire lines the lace bodice featured a rounded neckline and long sleeves that tapered to petal points over the hands. The bouffant skirt fell semi-straight in front with fullness at back and sides and featured a bustle effect edged with lace. Her veil of illusion fell from a cap of lace and satin edged with seed pearls. She carried a white Bible surrounded by staphanotis.

Matron of honor was Mrs. Charles Weisinger of New Braunfels, who was dressed in a light tangerine pleated tulle dress and wore matching headband and shoes. She carried a cascade arrangement of yellow rosebuds and English ivy. The groom's honor attendant was Fred Rodewahl, Denton.

Immediately after the ceremony the reception was held on the terrace which was decorated with bougainvillea and greenery. A hand embroidered cloth covered the table which was centered with an arrangement of carnations and yellow rosebuds. A miniature bride and groom topped the tiered wedding cake.

Members of the house party were: Miss Charlotte Williams,

Mrs. M. M. Harper of Martindale, Mrs. Sidney Lord, Mrs. W. N. Garrison of San Antonio, Mrs. B. B. Brown of Van Vleet, and Mrs. A. S. Cartwright of Goree, sister of the groom.

After a short wedding trip the couple will reside at 501 S. W. 4th St., Grand Prairie.

Among the out of town guests were: Mr. and Mrs. W. A. Fowler of Haskell, Mrs. A. S. Cartwright, Lou, Pat and Lisa of Goree, Fred Roewahl of Brownsville, Bill McGary, Wayne Collins and Bob McGary of Grand Prairie.

Martha SS Class Meets In Home Of Mrs. Burson

Members of the Martha Class of the First Baptist Church met Monday night in the home of Mrs. C. G. Burson Jr., for their monthly business meeting and social.

Mrs. John Larned led the opening prayer. The class teacher, Mrs. I. N. Simmons gave an inspirational devotional on "Others." The class voted to postpone a Thanksgiving basket for a needy family. During the short business session Mrs. R. C. Couch Jr., discussed the new proposed church budget.

Mrs. Dude Mercer directed games and Mrs. John Larned was awarded the prize for the "tackiest" costume.

Refreshments were served to Mesdames Royce Adkins, Joe Williams, Frank Cadenhead, Buster Gholson, Jean Yearwood, Annie Mae Houston, Lavenda Herrington, Dan West, R. C. Couch, W. E. Huss, Thurman Howeth, W. D. Larned, John Larned, Dude Mercer, I. N. Simmons and the hostess.

The bridegroom is the son of Mr. and Mrs. Roy Herricks of Weinert. The newly weds will make their home in Weinert.

Local P-TA Units Have Important Role In Welfare Of Nation's Youth

In connection with the observance of October as the birthday month of Texas Congress of Parents and Teachers, Mrs. Bob Herren, past president of the 18th District, P-TA, has provided the following summary dealing with the background, aims and accomplishments of P-TA on both state and local levels.

On Oct. 19 the Texas branch of P-TA entered its golden anniversary year, having been in existence 49 years.

The national branch of P-TA was organized 63 years ago, first as a Mother's Club. Later, its leaders and sponsors realized that with the help of the fathers and the teachers co-operating together much more could be accomplished. With this thought in mind, they then became the Parent-Teacher Association, an organization which has grown into a membership of more than 11,000,000 today.

Perhaps you can do for your child the things P-TA endeavors to provide, and maybe your neighbor can for his child—but what of every child?

The P-TA organization was formed to develop between educators and the general public such united efforts as will secure for every child, the highest advantages in physical, mental, social and spiritual education; to bring into closer relation the home and the school; to secure adequate laws; to raise standards, and to promote the welfare of our youth.

This has been done for more than 62 years and there is a great list of accomplishments to the credit of P-TA.

The teachers would not have the salaries they have today had it not been for the united efforts of these 11,000,000 members. Youth would still be working in factories instead of going to school. The P-TA has seen the needs of our youth and has filled these needs un-

til the schools have to do so or become financial liabilities. There is no doubt that today the P-TA is the mightiest organization that can be formed. Money that can be put into the national organization into the local community. The money is used and promote a program in our land and in where the purposes of the National Congress are. Every local unit of ever small, shares in loved prestige and responsible for it. The old proverb: warm by a fire we build."

We have the privilege of enjoying these things shouldn't we lend and support such a program that one from the principles and the Parent-Teacher Association, developed in half a century of devotion by millions and loyal teachers. These principles cover far more own community.

Let us never be involved within our that we lose sight of program of service child—the highest P-TA in its far-reaching over the nation.

Grain Producers Lose Millions to Plant Diseases

Small grain producers in Texas lost an estimated \$15,471,000 because of plant diseases in 1958. Harlan Smith, extension plant pathologist, said rusts accounted for most of the losses but that blights and smuts also were of considerable importance.

Wheat growers lost an estimated 6,410,945 bushels; oat producers 5,138,293 bushels and barley losses due to diseases were estimated at 193,821 bushels. These losses, pointed out Smith, were suffered by producers but others also lost because the grains never entered the channels of trade.

Too market grades of the harvest ed crops were lowered due to the plant diseases.

Smith said disease losses were overlooked by many growers in 1958 because of the high total state production. Rusts became established in South Texas on oats during the early part of the growing season and increased fairly rapidly during late fall and early winter.

Cool weather during the spring season slowed the spread to the north. Light infections of wheat stripe rust developed in south and central Texas and later reached epidemic proportions in the major wheat areas of north west Texas.

Five From Haskell On Grid, Cage Teams At RJC

Four students from Haskell and one from Rochester are on the football squad of Ranger Junior College at Ranger, while a fifth Haskell student is a mainstay on RJC basketball team.

On the college football squad are: Jimmy Don Brock, son of Mrs. Robert L. Brock; Jerry Fancher, son of Mr. and Mrs. H. H. Fancher; Lyndon Harris, son of Mr. and Mrs. R. A. Harris; Douglas Davis, son of Mr. and Mrs. Hollis Davis, all of Haskell; and James Pope, son of Mr. and Mrs. Luther Pope, Rochester.

A regular on the college basketball team is Jerry Larned, son of Mr. and Mrs. Joe Larned, Haskell.

The Ranger college has a 4-2 record in the current football season. In its last game, RJC defeated Paris Junior College, rated in fifth place in the nation's junior collegiate ranks. This week Ranger Junior College meets Tyler Junior College, currently in the No. 1 spot in junior college grid ratings.

Relief Pharmacist At Oates Is Native Of Haskell

Returning this week for a two weeks' stay as relief pharmacist at Oates Drug Store is Witt Springer, retired druggist of Amarillo and a native of this city who left here almost 50 years ago.

The town has changed entirely from the way he remembers Haskell, Springer says. "But the people are the same—friendly and easy to meet, just as they were when I was a boy here," he declared.

His parents were the late Mr. and Mrs. Ned Springer who lived here in the 90's. He recalls their home was about where the present Christian Church building stands.

He left Haskell in 1909, and later owned and operated drug stores in Amarillo and Albuquerque, N. M. until his retirement from active business a few years ago.

Treasurer's Books Must Be Inspected Quarterly—Wilson

Attorney General Will Wilson, in an opinion given at Austin last week, said that it was mandatory that each county commissioners' court inspect the county treasurer's books each quarter and publish the results in a newspaper.

The opinion pointed out that non-compliance is punishable by fines of \$25 to \$500.

Wilson gave his opinion at the request of Refugio County Attorney Gerald T. Blissett.

The attorney general said it was mandatory "that the order of the commissioner's court approving the county treasurer's

er's quarterly report recite separately the amount received and paid out of each fund since the preceding report and the balance of such fund, if any." Then affidavits of compliance by the county judge and each commissioner must be made, filed with the county clerk, and the affidavit published in a newspaper in the county.

Protect Cotton Quality Q To Get Top Price

Keep cotton dry, loose and clean during harvesting process. This is the word from Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service, and author of a new publication dealing with cotton harvesting problems.

Elliott in MP-297 "Keep Cotton Dry, Loose and Clean" points out that the condition of seed cotton at the time it reaches the gin largely determines the final grade of the lint in the bale. That final grade is of major importance

for it in turn determines the selling price of the bale.

In the new publication, Elliott gives hints and factual information on such subjects as when to harvest, loading the cotton, transporting cotton, clean cotton, when to defoliate, servicing equipment, green boll separation devices and weed control. All are subjects which play a part in determining that final grade.

Copies of the publication are available at the office of the local county agents or from the Agricultural Information Office, College Station, Texas.

Gerald Pinkstons, Former Residents, Now At Baptist Mission in Indonesia

Haskell friends of Mr. and Mrs. Gerald Pinkston, who lived here a few years ago when he was pastor of the Paint Creek Baptist Church, have received an interesting letter from the couple, now Baptist missionaries in Indonesia.

Mrs. Pinkston will be recalled as Homemaking teacher in Paint Creek school while her husband was pastor of the church there and assistant pastor of Haskell's First Baptist Church.

Excerpts from their letter follows: "Dear Friends: The weeks and months are passing so quickly that we

hardly realize we have been gone from home for a year now. Soon we will be making our move from Bandung, where we have been studying Bahasa Indonesia so that we can continue the work of evangelism in Semrang.

"This year has brought many new and thrilling experiences to our lives, a few of which I shall try to mention. We have gained a new and greater appreciation for the place and power of prayer in the life of a Christian. Certainly we have felt a deep need for the intercessory prayers of you at home and know that you have not failed us. May we request your continued prayers for us and the work here.

"Aside from the thrill of arriving in Indonesia to begin our witness here, I believe that the experience of working in Vacation Bible School has been the highlight of our year. We felt joy in our hearts as we watched the eager shining faces of boys and girls standing expectantly in front of the church preparing to march in to the triumphant strains of Onward Christian Soldiers. We enrolled 217 in our Bible School and we feel that many of the decisions made since then have been a result of what they learned in Bible School. There was a total of 2,269 enrolled in our seven churches in all of Indonesia.

"Another highlight of our year was the Mission meeting in Kediri when all the missionaries in Indonesia came together to hear reports of progress during the year just completed, discuss plans and policies for the years ahead and enjoy the moments of quiet inspiration and fellowship.

"Perhaps you would be interested in knowing how many churches and members we have. There is a total of 793 members in the seven churches with an average attendance in Sunday School of 1,730 and Training Union of 496. There were 323 baptisms during the past year. Many have made professions of faith in Christ but for various reasons have been unable to follow in baptism. Many of them face persecution and ridicule among their friends and families.

In and Out The Tee-Pees

BY SUZANNE LANE

By Suzanne Lane

How! What is your IQ? Not Intelligence Quotient. I mean "Indian Quotient." What do you know about the chiefs who work in your tee-pee? Mr. King, for instance, who is head chief of the Indian tribe, has been in Haskell for three years. This year he has taken on another duty, he is teaching a Texas History class.

Did you know that Assistant Chief McCollum has been principal of Haskell High for the last 13 years. He is one of the Senior sponsors. He also teaches Algebra I.

Did you know that Mrs. Couch teaches business, math and typing for five periods a day? For "pass time and play" she is Junior class sponsor, which includes selling tags, the Junior play, and the Junior-Senior prom and banquet!

Did you know that this is Mr. Blakley's second year in Haskell? He is from Fairfield, Texas. He teaches Algebra I and II and Plane Geometry. At mid-term he will teach a class of trigonometry. He coaches the Indian B team.

Did you know that this is Mr. McCoy's second year here? He is the chief in our science department. He teaches biology and physics. For his "pass time" he inspects bugs!

Two of our other chiefs who are with us for their second

call to service in this place where the laborers are so few and there is such need.

"Though we would like to write to each of you personally, time just does not permit. We would be happy to hear from you. Our present address is Djalan Karangasari 15, Bandung, Indonesia. After Dec. 1, our address will be Dji. Simongan 1, P. O. Box 205, Semarang, Indonesia.

"We shall be praying for you as many of you study about Indonesia in your Mission study classes and we hope that this study will make you more aware of the need here. Please pray that the work here might continue to grow as others come to hear the Gospel of Christ.

"Your missionaries in Indonesia—Florence and Gerald Pinkston."

year are Chief Gaines and Chief Porter. Chief Gaines is assistant coach of our Indian football team. He also teaches American History. He is one of our Junior sponsors.

Chief Porter is band director. He has helped to build up the band into something of which we can be proud. He teaches Civics, too.

Some of our chiefs have been with us longer.

Did you know that Chief Overton was reared in "good ole" Haskell? He is head coach of our football team and teaches shop.

Did you know that Mrs. Weaver has taught in HHS for 12 years? She also sponsors the War Whoop which fact we mentioned last week. She and Mrs. Diggs sponsors the Owl Club and Quill and Scroll.

Mrs. Middleton teaches sophomore and junior English, and typing. She is also one of the senior sponsors.

Did you know that Chief Stone teaches agriculture and has taught in HHS for thirteen years?

Mrs. McCollum is teaching Homemaking and has for seven years. She is one of the sophomore sponsors, along with Mr. Blakley and Mr. McCoy.

Did you know that Mrs. Diggs is our librarian this year instead of teaching civics and Texas History? She also sponsors "The Chieftain." She has one class of World History and one of Blab. She has taught in HHS for nine years.

Did you know all about the chiefs? How high was your I. Q.? (Indian Quotient.) See you in seven moons.

Sagerton News

BY MRS. DELBERT LEFEVRE

A Reformation celebration is being planned for Friday night Oct. 31, at St. Paul's Lutheran Church at 7:30 p. m. Prayers will be offered and the topic of the Church of the Anti-Christ will be discussed.

The Women's Missionary Federation and the Lutheran Brotherhood of St. Paul's will meet next Sunday, Nov. 2, at

2:30 p. m. instead of their regular meeting time.

The date for the annual carnival at the Sagerton School has not been set, but will probably be held during November.

Mrs. Barney Ross spent part of last week in Abilene with her daughter, Mrs. Barney Arnold, who is ill.

Mrs. Johnny Tichelman is a patient at St. Ann's Hospital in Abilene where she underwent surgery last week.

Mr. and Mrs. Joe Clark and Mr. and Mrs. George Olsen of Stamford left last weekend for Colorado on a deer hunt.

Mrs. Minnie Koch and son of Lueders and Emil and Hilda Stremmel were guests in the home of Mr. and Mrs. August Angerman Sunday.

Mrs. Mary Hess and son, Joe Bennett, and Mrs. Ellen Reising of Midland spent last weekend with Mr. and Mrs. Ben Hess.

Mr. and Mrs. Martin Follstedt and family of Haskell were guests of Mr. and Mrs. F. A. Stegemoeller Sunday.

Mr. and Mrs. Will Neinaast and Edward Neinaast, who live near Littlefield, visited here Thursday of last week with relatives. They also visited in Haskell with Mrs. Herman Neinaast.

Mrs. Herman Neinaast, a former resident of this community, and her daughter, Mrs. Cecil Crow of Hillsboro, attended services at St. Paul's Lutheran Church here Sunday.

On Tuesday night, Nov. 4 the Sagerton six-man football team will play an inter-squad game here at 7 p. m. This will be their last game this season, and everyone is urged to come since all the boys will get a chance to play.

Witt, Charley and Reece Clark and J. W. Threet, Yater and M. Y. Benton, Pete and Ewell Kittley, and Anton Tichelman returned from a very successful deer hunt in Colorado Wednesday of last week. Each man was able to kill a deer and they reported very pleasant weather up there in the mountains near Durango, Colo.

Harold Smith of Seymour visited in the home of Mrs. John Clark Wednesday of last week.

Tommie Jo Simpson and Judy Jones of Rule and Jana Ulmer were guests in the Delbert Lefevre home Sunday night.

LETTERS... To The Editor

To The Editor: The proposed constitutional amendment No. 1 should be defeated Nov. 4th because it will increase our taxes which are already too high. This is a very tricky and costly proposal.

They, the "lawmakers," are asking us for \$15,000.00 for two years pay for six months service. The other eighteen months are for staying at home and attending to their own private business at the taxpayer's expense. They want something for nothing. Worst of all this infamous amendment calls for office expense, but it doesn't say how much or what it is for with no limit to it. No one can predict the cost of office expense. It could run into millions of dollars. This should be stated in the following words: "The office expense not to exceed \$3.00 per day"—instead of blank check. Still another provision in it—to provide living quarters in the Capitol building for the Lt. Governor and for the Speaker of the House to stay in the State Capitol with life-long lease free with expenses paid for by the State taxpayers. The Treasury is already in the red with one hundred and forty million deficit, paying with hot checks.

In closing let me remind you that if a person is not basically honest, money doesn't make him any better. I had the honor to serve the Texas Legislature for \$10.00 per day with some of the best men and women in Texas and we balanced the budget and placed the State on a cash basis. Some of these \$10.00 a day members included such men as the now Secretary of U. S. Treasury, Supreme Court Judge, eight Congressmen and over twenty-five district judges. When we raised the pay to \$25.00, we got less for our money. The lawmakers should do something for our elder citizens. They need more cash to help to get by on decently during this high cost of living.

Respectfully,
Cecil A. Lotief,
Rotan, Texas.

Safe or Sorry Can Be Verdict In Hunting

The upcoming big game hunting season in Texas should be a good one, reports Ed Cooper, wildlife specialist for the Texas Agricultural Extension Service. Favorable weather throughout the year has provided plenty of food for game animals, birds and waterfowl.

But, warns the specialist, when thousands of hunters take to the highways and byways and then to the woods and fields, there'll be many who will never go home again under their power unless the rules of safety are followed.

Approximately two-thirds of all hunting accidents can be traced to three causes, says Cooper. He lists these as humans in the line of fire, mistaking humans for game and careless handling of firearms which includes hunting with the safety catch off.

Safe hunting depends on the common sense, courtesy and vigilance of all those who engage in this sport. Accidents can be reduced, says Cooper, if the most common causes are avoided.

Treat your gun as if it were loaded, even when you are positive it is empty. Keep it empty whenever possible with the action open except when you are ready to shoot, advises Cooper.

Keep the muzzle pointed away from anything you do not intend to shoot and wear distinctive clothing to keep other hunters from picking a mistaken target.

Cooper warns against climbing trees or crossing fences or jumping ditches with a loaded gun. Never, he adds, pull a gun toward you by the muzzle and never engage in horseplay.

Slaughter Cattle Prices Steady At Fort Worth

BY TED GOULDY
In the cattle yards cows were slow and steady to weak at Fort Worth Monday. Other grade and classes of cattle and calves were generally steady, with some spots stronger on stocker classes.

Good to choice slaughter steers and yearlings drew \$24 to \$26.25 a load of 3,004 pound steers at \$26.25. Medium and lower grades cashed at \$17 to \$23.75, two loads of fed heifers at \$23.75.

Fat cows cleared at \$18.50 to \$20, odd head higher and canners and cutters sold from \$13 to \$18.50. Bulls brought \$18 to \$23.

Good and choice slaughter calves sold from \$24 to \$26.50, with plain and medium butcher sorts from \$18 to \$23.50 and culls around \$16 to \$18.

Medium and good stocker steer calves sold from \$27 to \$31.50 and medium to good heifer calves sold from \$24 to \$28. Medium to good stocker yearlings drew \$24 to \$27.

Hogs were 25 to 50 cents lower at Fort Worth. Choice hogs topped at \$19 to \$19.25 and medium to good hogs sold from \$17.50 to \$17.75. Sows sold mostly at \$17 to \$18, a few higher.

IN APPRECIATION

I take this method to express my sincere appreciation for the many kindnesses extended to me during my illness and stay in the Haskell Hospital. I would particularly thank the doctors, nurses and hospital staff; friends and neighbors for the food and flowers brought to our home, and the many encouraging messages and visits. Daily Attendance At O'Brien School Above 200 Mark

During the first six weeks of the current term of O'Brien (Carney) Rural High School, the average daily attendance was 200.50, reports Supt. Elvin T. Mathis.

The elementary school had average attendance of 176.07 daily while the high school averaged 29.43. The high school enrollment is the smallest in several years due to a succession of three small grades. It is due to increase some time next year since there are 18 in the eighth grade.

The school is operating with eight teachers and a superintendent this year. One teacher is paid out of local funds.

The school hopes to have enough average daily attendance this year to earn another teacher. This will require an average daily attendance of 181 for the 175 school days. Last year's average daily attendance was 170.

Attendance should remain at the present rate until December, Supt. Mathis believes. At that time about 30 students will move to Raymondville and other South Texas towns.

Funeral Rites For Mrs. Mary Carter Held Saturday

Mrs. Mary Carter of Sagerton, 83, died Friday morning at 10:25 in the Stamford Hospital after a lengthy illness. She had lived in Haskell County near Sagerton since 1889.

Born Mary Alice Carothers on Dec. 6, 1874, in Hickman County, she moved to Coryell County with her parents when two years old, and to Haskell County in 1889. She married John Carter on Jan. 5, 1889 in Haskell. He died in 1948.

Funeral services were held Saturday at 10 a. m. in the First Methodist Church in Rule with Rev. Tommie Nelson, pastor, officiating, assisted by the Rev. Newton Starnes, pastor of St. John's Methodist Church in Stamford.

Burial was in Haskell Cemetery under direction of Pinkard Funeral Home of Rule.

Survivors include two sons, J. A. Carter of Riverside, Calif.; and L. W. Carter of Bakersfield, Calif.; two daughters, Mrs. Fannie Gibson of Sagerton, and Miss Velda E. Carter of Rule; 11 grandchildren and three great-grandchildren; one brother, John Carothers of Waco and one sister, Mrs. L. W. Marr of Haskell.

Wilson Brown, 84, Dies Saturday At Rochester

Funeral services were held at 2 p. m. Monday in the Rochester Church of Christ for Elisha Wilson Brown, 84, retired farmer who died at his home Saturday night. A resident of the Rochester section many years, he had been in ill health for several years.

Jerome Savage of Knox City and Bruce Beard, Rochester evangelist, officiated for the rites. Burial was in the Rochester Cemetery under the direction of Mansell-Smith Funeral Home of that city.

Mr. Brown is survived by his wife; four sons, Harley and Lester, both of Rochester, Estes of Austin, and Alton of Corpus Christi; three daughters, Mrs. Ella Jenkins and Mrs. Mable Wynn, both of Victoria, and Mrs. Willie Lee McBeath of Hale Center; a brother, Doren Brown of Rochester; 15 grandchildren and 23 great-grandchildren.

The flag of the new state, Alaska, has eight stars. Seven represent the Great Dipper and the eighth represents the North Star.

The Wichita Valley built into the town of Haskell in the summer of 1906. The first rails were laid inside the city limits on Aug. 2 that year.

The movement of beef cattle into feed lots has been slowed for the second consecutive year due to excellent range conditions and a hesitancy on the part of the feeders to pay the asking price for feeder calves, reports A. E. Wooten, extension economist.

Committee, in the absence of H. H. Sego who was unavoidably absent from the meeting. The county went on record in favoring a tax on natural gas at the casinghead; recommended a stricter enforcement law be passed for full rendition of all taxable property in the State of Texas; recommended an increase in the number of cotton classers; recommended that the supervision of the Bracero Labor program be taken from the Labor Department and given to the Agricultural Department; favored that the U. S. Secretary of Agriculture be elected instead of appointed; and to go on record in favor of incentive payments on all grains and cotton under government loan instead of storage plan.

Thomas pointed out that this county was still short about 47 memberships to gain its quota of 830 by the end of the month. He urged as many as could to try to bring in this number, so that the county would have the "green light" on the membership map at the State convention to be held at Corpus Christi Nov. 9 through the 12th. Delegates to go from this county are: C. H. White, Coyt Hix, Felix Mullino, Thurman Rice, Alton Jones, H. W. Smith, R. V. Hagie, Fred Knipping, T. C. Walker, P. L. Newton, R. W. Herren and L. B. White.

Thomas reminded the group of the Rat Poison meeting to be held at 16 farms in the county next week. Farm Bureau is sponsoring this program and farmers are urged to go to a farm to order poison for their own needs. Bait will not be sold at office, but has to be ordered on a farm at demonstration through the Rodent Control Service or the Federal Government representative.

Senator Moffett Urges Heavy Vote Turn-Out Tuesday

The Free Press has received the following statement concerning the general election next Tuesday, Nov. 4, from Senator George Moffett of Chillicothe, State Senator from this senatorial district.

"It is of considerable importance that a large number of citizens turn out and vote next Tuesday. The law provides that the number of votes cast at the general election this year will determine how many delegates and votes each county in Texas will have in the Texas Democratic state convention in May, 1960. This 1960 convention will choose the delegates from Texas to the National Democratic Convention, which will nominate the Democratic party's candidate for president in 1960," Senator Moffett explained.

"If you want to increase your county's voting strength in choosing the delegates which will pick the next president of the United States, come out and vote on Nov. 4," Sen. Moffett urged.

The Texas waterfowl season opens Nov. 1. Don't forget to buy your federal duck stamp before going out.

Small grain producers lost an estimated \$15,471,000 due to plant diseases in 1958. Harlan Smith, extension plant pathologist, said rusts accounted for most of the losses but that blights and smuts also were of considerable importance. A combination of seed treatment and crop rotation can reduce these losses and small grain varieties with resistance to the diseases should be planted in areas where adaptable.
