Bronte Chamber Banquet set for Saturday

The Bronte Chamber of Commerce will hold its annual Fish Fry and Banquet on Saturday, April 25 at 6 pm at the Bronte Community Center.

The theme for this year is "Let's Shine in 2009", and it is a once-a-year opportunity for the entire community to come together and catch up on current events in Bronte and the surrounding area. The evening will feature musical entertainment and a meal of fried catfish, potato salad, pinto beans, coleslaw, drinks and dessert for \$7.00 a person. Highlight of the banquet will be the naming of this year's recipients of the Citizen, Students, and Educator of the Year, along with recognizing other accomplishments, new residents, and local business owners. An auction will benefit the Chamber's scholarship fund and help support Chamber initiatives throughout the year. Chamber members are currently soliciting donations to the auction — those wishing to donate items to this effort are encouraged to call Don-Ann Wheeler at 473-2093 or Peggy Kemp at 473-2604.

The annual fish fry is a much-anticipated event for young and old alike. Come out and join us for good food, fun and fellowship as we work to "Shine in 2009!"

The West Texas area is one of the few places in the world that produces natural pearls, much less in pink, peach, and purple hues.

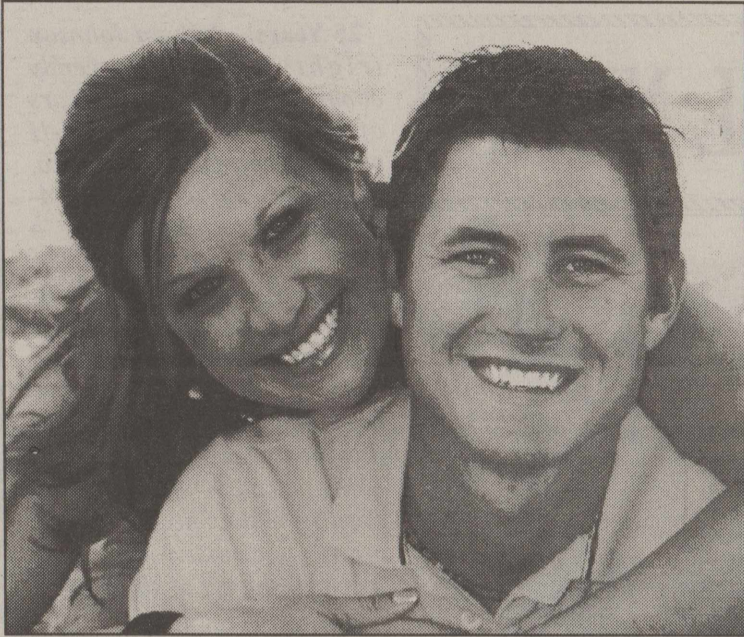

President Fletcher reported that the Sorosis Club donated \$1,205.00 to the Coke County Relay for Life. The Sorosis Club will sponsor a Citywide Garage Sale on Saturday, May 2. "We the People"

By Jim Clendennen

The TEA parties held last April 15 at nearly every town of any size in the United States were little noted by most "mainstream" media sources. Much of the reporting misrepresented the purpose of the assemblies. The main concerns of the participants was not to promote any particular political party or candidates but rather to protest: 1) massive spending by the government which will trigger both huge tax increases and high inflation rates and 2) massive incursion of the federal government into the civic, social, and economic system through laws which disregard the American Constitution and put an end to the free enterprise system. Recently the President of the United States "fired" the CEO of General Motors. The privately owned Federal Reserve System intends to demand common stock ownership to bank stock in lieu of repayment of loans. The Attorney General of the United States reportedly made a speech recently in Mexico City concerning gun rights in the United States and said "we won't let the Second Amendment stand in

our way". These are only some of the concerns of the TEA Party protesters. All of these items are undoubtedly unconstitutional and actions like these will create an inertia that if not reversed soon will kill the free enterprise system and usher in a tyranny that will intend to be beneficial; but tyranny always turns ugly.

Jesus, Your Escape From Hell

Forasmuch, as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers; but with the precious blood of Christ, as of a lamb without blemish and without spot: Who verily was foreordained before the foundation of the world, but was manifest in these last times for you. • *1 Peter 1:18-20*

Who his own self bare our sins in his own body on the tree, that we, being dead to sins, by whose stripes ye were healed. • *1 Peter 2:24*

For Christ also hath once suffered for sins, the just for the unjust, that He might bring us to God, being put to death in the flesh, but quickened by (made alive) the Spirit. • *1 Peter 3:18*

For He hath made Him to be sin for us, who knew no sin; that we might be made the righteousness of God. • *II Corinthians 5:21*

When therefore He was risen from the dead, His disciples remembered that He had said this unto them; and they believed the scripture, and the word which Jesus had said. • *John 2:22*

But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life. • *John 4:14*
