New Pastor welcomed by Methodist Church in Bronte

Matt Pennington is the new pastor at the First United Methodist Church in Bronte. Matt completed his Master of Divinity degree in Wilmore, Kentucky, while obtaining earlier degrees, Bachelor of Science in Applied Sociology and minor in Leadership Studies, from Texas State University before taking the service of pastor in Bronte. Matt quoted "I have a burning passion to lead people into committed relationships with Christ, and to help people practically incorporating their faith into all aspects of their lives." Matt graduated from Brazoswood High School and answered God's call to ministry in the 8th grade and pursued it from then on.

Matt claims Brooke, his wife, is without question the better half. He insists his greatest accomplishment in college was convincing her to marry him. Brooke was raised in Austin and New Braunfels and graduated from New Braunfels High School, Texas State University with a Bachelor's degree in Education and a Master's degree in Communication Disorders Program. Brooke is excited to be home taking care of their four year old son, Andrew and their latest addition since moving to Bronte, a baby boy named Nathan.

They are excited to be in the First United Methodist Church community of faith and to be a part of the community of Coke County.

Deadline extended for CCRFL teams and sponsors

The Coke County Relay For Life will be held on April 23-24, 2010, at the Robert Lee track/football field. We have a goal this year of 15 teams and so far only officially have 9 teams registered. So many in Coke County have been affected by cancer and having a Relay For Life team is a great way to fight back against the dreaded disease. Teams are made up of 8-15 people who are friends, family, co-workers or any other assortment.

We have extended the deadline to Friday, February 26, 2010, to make sure your team members will get a Relay For Life shirt. If you are interested in having a Relay team, please contact Judy Blair, 453-2380 or DeeAnna

Relay For Life is a fulfilled, overnight event that offers everyone an opportunity to participate in the fight against cancer. In honor of those who battle cancer 24 hours a day, team members take turns walking the track throughout the night for 12 hours. For those not walking, there is around the clock action to keep everyone busy. From entertainment, food, and games to the

touching luminaria ceremony, there is something for everyone at Relay For Life.

Teams along with sponsors raise funds for the American Cancer Society. The ACS's research program has invested approximately 3 billion dollars in the fight against cancer and played a role in many major breakthroughs such as the bone marrow transplant, mammography, Pap test and drugs like Tamoxifen and Gleevec. The American Cancer Society also provides many services for those going thru cancer.

Sponsors are another great

way to help the fight against cancer. For a donation of \$250 or more, your name will be included on the back of the t-shirts as well as in the program and banners at the event. Smaller donations are also welcome. Contact Carla Wojtek, 473-0484 or DeeAnna Harmon for more information on sponsorship. We have also extended the deadline for sponsorship to Friday, February 26, 2010.

Think About This Before You Vote!

We've seen many unwelcome changes in our Nation, especially since the 2008 election. Part of the problem: Republican elected officials haven't voted or legislated in accordance with the conservative Republican Party platform, nor have they accurately represented their constituents. Instead, they try to be "moderate" or "bi-partisan". Consequently, they have lost credibility in the eyes of the voters, who can no longer see any difference between the two parties. This has led to voter apathy, resulting in the loss of many Republican seats in recent elections. This should have been a wake-up call to Republican officials.

Concerned citizens have decided that it is past time to get back to the Constitution and the principles our Founding Fathers intended. Many this year will be on a mission to vote out incumbents. It is imperative that we elect candidates who support Constitutional beliefs. There are candidates running in the Republican Primary who will do this. Some of them are: Chris Younts for US Representative District 11, Debra Medina for Governor, and Rick Green for Justice, Supreme Court Place 3. If these and other genuinely conservative candidates can win the primary and get on the ballot for the General election, then we will have some real choices in November.

Although many smaller counties decide their local races in the Democratic Primary, I implore voters to vote in the Republican Primary in order to elect these candidates, otherwise we will be back to the same old "lesser of" choices in November. Voters, please, for the sake of our future, help us get the Republican Party back to its principles and the Nation back on track toward our Constitutional roots. If we don't send Washington the message that "We've had enough," then big government will be sending us the message, "We have you; it's over."

RE-ELECT

Robert Feil

Your consideration in the March 2nd primary will be greatly appreciated. Thanks again.

God Sees Your Toil

What Profit Remains for the Worker from his toil?

I have seen the painful labor and exertion and miserable business which God has given to the sons of men with which to exercise and busy themselves.

He has made everything beautiful in its time. He also has planted eternity in men's hearts and minds (a divinely implanted sense of a purpose working through the ages which nothing under the sun but God alone can satisfy), yet so that men cannot find out what God has done from the beginning to the end.

I know that there is nothing better for them than to be glad and to get and do good as long as they live:

And also that every man should eat and drink and enjoy the good of all his labor - it is the gift of God.

I know that whatever God does, it endures forever; nothing can be added to it nor anything taken from it. And God does it so that men will (reverently) fear Him (revere and worship Him, knowing that He is). • *Ecclesiastes 3:9-14 Amplified Bible*

DEBRA MEDINA For TEXAS GOVERNOR

I'm Debra Medina Republican Candidate for Governor of Texas.

I am running because we need a governor who fights to protect us from intrusive government. Our current elected officials have forgotten about serving Texas and have brought economic ruin to our nation and failed us at home.

They have allowed increased federal government burdens, allowed more state control over our lives and interfered with our families, even when they say just the opposite in their speeches.

This election, we Texans cannot afford the same ol' state and federal leadership. As your Governor, my priorities will be to restore individual liberty, halt undue government interference, promote sound currency, and defend family, community, and faith.

We Texans ... ★ Common Sense ★ Common Values

"We Texans ... Are a nation of diverse people who share a common history, culture, and heritage; it is essential to our common welfare, that our state of sovereignty be protected."

"We Texans ... Believe freedom rests on the security of individual liberty including a strong protection of private property and sound economy."

"We Texans ... Understand the proper role of government; that which governs best, is one that governs least."

"We Texans ... Know how to take a stand."

"We Texans ... Can do better."
